Volume 54

Halls, Tennessee, Friday Morning, October 22, 1948

Number 43

## Confidential Corner

**Observing Hallowe'en**  
Hallowe'en is just around the corner and we have this suggestion to make about it. When property is destroyed, maliciously, or otherwise, there is law violation. Although Hallowe'en is a time for fun, when youth turns to vandalism, Hallowe'en isn't fun. We're not so old we have forgotten tick-tacks, pumpkin heads, horns and false faces. Witches, apple-bobbing, fortune-telling, etc. are not out of date. We enjoy innocent fun such as normally goes on but when youthful exuberance means destruction that is costly, when undisciplined children become malicious, then law enforcement takes a hand. It behooves Halls parents to try to direct the Hallowe'en energies into a normal, happy participation of the holiday.

**Our Mistake**  
Last week in writing of the Tiger Cub game with the Somerville B team we carried the score as being 27 to 0. We knew better but in some manner got the score down wrong. The actual score was 27 to 13 in favor of Somerville. Doing the scoring for Halls were Scallions and McCorkle. We hope the youngsters will climb off our neck now.

**That Sweet Potato**  
Since publishing the item about the huge sweet potato sent in by Mrs. Powell Burks last week we have noticed that Eldon Roark of the Memphis Press Scimitar is claiming the championship for a 15 pound potato. Halls of course is still in front whether it is in the form of potatoes or anything else you might think of. The potato here weighed slightly over 17 pounds and we intend to see that Mr. Roark is so informed.

**Speaker Does Good Job**  
At Tuesday's meeting of the Lions club we had the pleasure of hearing Mr. J. B. Avery, Jr., speak with his subject being the United Nations Organization. Very few times have we had the pleasure of hearing an address in which the speaker was so well versed in his subject and held the attention of his audience so closely. Every person present at the Lions club meeting was highly complimentary of the address and enjoyed it thoroughly. Mr. Avery, incidentally, is the son of "Buck" Avery, prominent attorney of Alamo who is well known here. Young Mr. Avery is also a lawyer and is the Democratic nominee for state senator from Dyer, Lauderdale and Crockett counties.

**Election Time Coming**  
Less than two weeks remain before the voters of Tennessee go to the polls to elect a governor and United States Senator and vote for a President of the United States and also many smaller offices. Both the Democrats and the Republicans have been making a vigorous campaign for the offices of governor and senator and in addition each party plus the States' Rights group have been pushing the presidential campaign. No matter what your political party never in the history of the United States was it so vital that every voter go to the polls and vote his or her honest convictions for the welfare of the country. We still contend that only the majority of the people can determine the type of government we want and will get. Also let this be a clean election in which there can be no question but that each individual voted his or her own opinion. If the voters of Tennessee and the nation go to the polls and vote in this manner we have little to fear about our type of government.

**Bringing Home The Evidence**  
We oftentimes in the past have taken issue with various fishermen, hunters, etc. who have told us what they killed or caught but never had the evidence to offer. We're afraid though that we are going to have to take Doctor

## John Wiley Writes Of Western Trip

The following letter which we have recently received from John Wiley should be of interest here:

Oct. 12, 1948

Dear Henry,

Jean and I have recently completed an 8300 mile tour of the Great West. The following are some of the points of interest which we saw on our 23 day trip: Colchuck Canyon, Grand Canyon, Juarez, Mexico, San Francisco, Sequoia National Park, Crater Lake National Park, Portland, Oregon, where we spent a week with Owen who is entering his senior year at the University of Oregon Dental School, Salmon fishing at Cellia Falls in the Columbia River, Timberline Lodge on Mt. Hood, Yellowstone National Park, Denver, Colorado, and St. Louis.

It seems almost impossible to cover this much territory in such a short length of time but we had good luck and weren't rushed as much as you might think.

We are now back in Knoxville where I am finishing up the work on my degree in Business Administration.

Enclosed is a check for renewal of my subscription to the Halls Graphic.

Very Sincerely,  
John Wiley

Olds' word about the big buck he killed on his recent hunting trip because he is having the evidence shipped home.

**Proselyting**  
As most of you know we have been Democrats most of the time since we have been old enough to vote with an occasional inclination to vote independently on some issues. However, we came across a plain case of proselyting the other day when we went home and found Chuck wearing a Dewey-Warren button. Investigation revealed that David Nunn had given several to his son, Warren, possibly with instructions to pass them along to some of his friends. It is entirely possible that we may vote Republican in some election but we don't think David should be undermining our teachings in that manner.

**String Beans**  
Last week because of the pressure of work, etc. we did not find time to acknowledge the fine green beans which Mr. and Mrs. Lamar Abernathy of the Porter's Gap community presented to the editor and Nell recently. The beans were as nice and tender as any that were grown earlier in the year. Incidentally "Red" and Louise Thompson after being in our home for a meal recently became afraid that Nell and the boys were getting hungry and brought a huge mess of greens. Anybody else?

## Elementary News Notes

— Hoggard and Tomlinson —  
"The golden rod is yellow  
The corn is turning brown  
The trees in the apple orchard  
With fruit are bending down"  
— Contributed

**1st Grade**  
The first grade class is sorry to lose Doug Johnson who has moved to Memphis. Mrs. Viar's class had the Health Doctor and Nurse who gave a general check-up, and will be back later for "shots" — they will be in Miss Walker's class Thursday at 10:30, all mothers are invited to come. Matty May Davis and Dawn Robinson of Miss Walker's class had birthdays last week. Several of the first grade pupils were on the sick list last week.

**2nd Grade**  
The second grade is glad to be back in school after a two-day vacation last week. Most of us spent our time picking cotton, and we made a lot of money.

We would like to thank Mrs. Nunn for the nice time we had at Warren Nunn's birthday party last week. Hallowe'en hats, ice cream, and cake. Later she made moving pictures of all the second grade.

"Miss Kathryn" helped to select our new library books in Memphis last week. We used our school fee money to buy these books.

We would like to say "Thank You" to Mrs. McCorkle for our new ball, and for the sixty new readers that she got for the second grade while in Memphis.

**3rd Grade**  
We are proud of our new library books that were purchased with our school fee money. We are busy reading them now.

We appreciate "Miss Electra" teaching for us two days this week while our teacher, Mrs. McDearman, went to Nashville, Ark. to take part in a church wedding of her niece.

In a reading class the other day we learned the definition of the word "handsome". One third grader says, "It is when you are all dressed up and your best girl likes it." How is that for a good definition, Mr. Webster?

**4th Grade**  
We have two new pupils this week — they are Eva Sue Beasley and Robert Sanders. Those who were absent last week because of illness were Barbara Hudgens and Charles Gains. The Fourth Grade Class would like to thank Mrs. Daws and her 5th Grade class for exchanging rooms with us due to the large enrollment of our class.

**5th Grade**  
The fifth grade class has a new nurses' corps—Marlys Crisfield, Patricia Beasley, and Bonny Ruth White are acting as nurses and give first aid to any who need it.

Due to crowded conditions the 4th and 5th grades have exchanged rooms and we are about to get

## Tigers To Play At Union City

With a record of three victories and two losses for the season the Halls Tigers will go to Union City Friday night to play the Union City Golden Tornado team.

The Tigers have a record of two straight wins over the Union City eleven during the past two years and will be gunning for a third victory. However, Coach George Tyree of Union City is said to have a fine ball club and the Tigers will rate the underdogs in the game. Union City has a record of four wins, a loss and a tie for the season according to information we have. Their one loss was a 13 to 12 loss to the highly rated Trenton team. They have defeated Fulton, Camden, Tiptonville and Covington, tied Humboldt and lost to Trenton.

The Tigers will be in good shape for the game according to present conditions and can be expected to play at top form. Actual comparison of the two teams is difficult because Fulton is the only team which they have both met. The Tigers defeated Fulton 20 to 0 without any difficulty, and Union City ran up a 42 to 6 margin on the Kptnuckians.

Game time has been set at 8 o'clock. A large number of local fans plan to accompany the team to Union City.

## Warning!

During the past several days there has been a flurry of firecracker and other fireworks shooting within the city limits of Halls. This is in violation of a city ordinance and anyone who is apprehended while shooting fire crackers will be arrested and fined.

Please cooperate with city officials by not shooting off fireworks within the city limits. A violation of this ordinance is a menace to life and also a definite fire hazard.

ROSS W. DYER, Mayor

## Lions Hear J. B. Avery Tuesday

Eighteen members and four visitors were present at the meeting of the Halls Lions club held on Tuesday, October 19, at noon in the dining room of the Massengill Hotel.

Program for the meeting was under the direction of the Civic Activities Committee with the United Nations Organization as the subject in connection with the observation of UNO Week in the nation. J. B. Avery, Jr., of Alamo was present at the invitation of the committee and addressed the club on the UNO with the club being highly complimentary of his address.

Lion President David Nunn made a report to the club of the zone meeting which he and Lion Secretary J. H. Murphison attended at Reelfoot Lake Monday night. He offered for the approval of the club the invitation of the Tiptonville club to meet in a joint session with the Henning and Tiptonville clubs on the night of November 16. The club voted to accept the invitation along with their wives. Expense of the meals will be borne by the individuals attending. Those who plan to attend should notify the club secretary. Transportation will be provided for those without transportation.

Other visitors of the club were the Rev. Harry Williams and the Rev. Gilbert Smith who are here to conduct the Methodist Revival which is now in progress and Henry Baldrige who was the guest of Lion J. T. Connell.

Next meeting of the club will be Tuesday, November 2.

## Lackey Potter Died Suddenly Tuesday Aft.

Lackey W. Potter, of Curve, Worshipful Master of Haller Lodge local Masonic lodge, died at 1:45 Tuesday afternoon at Baptist Hospital in Memphis where he had entered for a plastic surgery operation. Mr. Potter was 24.

Funeral services for Mr. Potter will be held this (Thursday) afternoon at 2 o'clock with full Maonic rites. Burial will be in Halls Cemetery with Sudbury Funeral Home in charge of arrangements.

Born in Curve, Mr. Potter attended high school in Ripley and also attended Memphis State for about three years. He was in business with his brother, Marvin Potter, in Curve. A member of Curve Methodist Church, he also was superintendent of the Sunday School, choir leader and one of the Board of Stewards of the Church.

In addition to his brother, he leaves his parents, Mr. and Mrs. R. M. Potter of Curve, and another brother, Enlo Potter, of Washington, D. C.

## Funeral Services For Returned Marine

Services for Pvt. Theron Hall Woodard, son of Mrs. Flossie Woodard of Halls, who was killed in action on Iwo Jima March 7, 1945, were held Wednesday at 2:30 p. m. at Bethesda Methodist Church near Halls. The Rev. C. C. Lewis of Ripley officiated.

Burial was in Halls Cemetery with Sudbury Funeral Home in charge of arrangements.

Pt. Woodard was 22 at the time of his death in action with the U. S. Marines.

He leaves his mother; a brother, Billy Neil Woodard of Halls; and two sisters, Mrs. Frank Jordan of Chicago and Mrs. Paul Jordan of Halls.

FOR U. S. SENATOR —

ESTES KEFAUVER

FOR GOVERNOR —

GORDON BROWNING

## Browning, Kefauver Address Voters at Ripley

RIPLEY — "I do not believe anyone should offer himself for governor unless he has a reason," Gordon Browning, Democratic nominee for that office, told an audience of 300 persons which filled the courtroom of the courthouse here Monday night in a rally at which county candidates also spoke.

"A few of the things I am for," continued former Gov. Browning, "are a sound economy, a balanced budget, payment of debts, approved schools, \$2000 minimum annual salary for teachers with A. B. degrees, better teacher retirement system and better rural roads."

Mr. Browning was introduced by Joe Walker of Ripley, candidate for representative from Lauderdale County. Mr. Walker also spoke in his own behalf.

Tom Ward Steele, of Ripley,

candidate for flatorial representative from Lauderdale and Tipton Counties, introduced Estes Kefauver, Democratic senatorial nominee, who said he was for continuance of TVA, for equalization of freight rates, social security and continuation of the government's cotton program.

Mr. Kefauver flew here from Middle Tennessee for the rally.

Other speakers in addition to Mr. Steele and Mr. Walker were: J. B. Avery, Jr. of Alamo, candidate for state senator from Dyer, Lauderdale and Crockett Counties.

Jere Cooper, Representative for the Ninth Congressional District, who is the nominee for re-election.

Judge W. C. Patton of Halls presided over the meeting which was held for Democrats of Lauderdale and surrounding counties.

## PTA Members Are Listed

The following have paid their PTA membership dues through Tuesday of this week according to an announcement by Mrs. O. J. Nunn, chairman of the drive. The drive for members for the Halls Parent Teachers Association will continue throughout the month of October.

W. S. Perry \$1.00  
Roy Sudbury \$1.00  
Harry Hall \$1.00  
P. W. Crittendon \$1.00  
G. C. Catham \$1.00  
Jack Shannon \$1.00  
Marshall Pierce, Jr. \$1.00  
I. W. Simmons \$1.00  
Mrs. Vera Hilliard \$1.00  
Will Cherry \$1.00  
F. W. Hurt \$1.00  
J. O. Thompson \$1.00  
John W. Woodard \$1.00  
Mrs. D. L. Reed \$1.00  
Ora E. Beasley \$1.00  
Robert Stallings \$1.00  
Mrs. J. L. Carnell \$1.00  
Isaac Young \$1.00  
Mrs. Raymond Hale \$1.00  
Mrs. Elzie Hilliard \$1.00  
Neil Ferguson \$1.00  
Fred R. Turt \$1.00  
Marvin Hansford \$1.00  
Gleath Dyer \$1.00  
Bob Burnett \$1.00  
Bobby Burnett \$1.00  
Louis Levy \$1.00  
Mrs. Louis Levy \$1.00  
Joe L. Levy \$1.00  
Mrs. Joe L. Levy \$1.00  
Mrs. P. W. Crittendon \$1.00  
Mrs. H. G. McCorkle \$1.00  
Mrs. C. F. Harward \$1.00  
Mrs. Jennie Love \$1.00  
Mr. and Mrs. Elvis Cannon \$2.00

An additional list of names will be published each week until names of all those who have paid membership dues to the PTA are published. A list of the workers in the drive was published in a recent issue of the Graphic.

## GATES WMS MET ON MONDAY

The Woman's Missionary Society of the Gates Baptist Church met Monday afternoon at the church in Gates for the regular monthly missionary program.

Mrs. Ernest Bragg, president of the society presided. Mrs. Lyle Jones had charge of the program with the following taking part on the program: Mrs. C. N. Barksdale, Mrs. Fannie Moore, Mrs. Bragg, Mrs. Jones and Mrs. Wilbur Avery.

Go to Church Sunday.

## Soybean Loan Is Now Available

F. H. Paschal  
County Agent

The market for soybeans got above the loan value last week because the government announced that it would purchase 10,000,000 bushels of soybeans for immediate export and also announced that it would move 1,000,000 bushels of wheat now stored in Memphis so that this additional storage space would be available for soybeans.

Farmers should remember that the loan of \$2.18 a bushel stands ready to take the beans any time. It would appear that there is good opportunity for farmers to make some good profit on beans by next spring by putting them in the loan now and offering them for sale as seed beans or for oil after the bulk of the beans have gone to market. After all, those loans are set up in order that farmers may get the full market price for their products without having to sell them just as soon as they are harvested.

**Corn Loans Ready Next Week**  
Loans on corn at \$1.52 per bushel can be made in Lauderdale County next week. The loan of \$1.52 per bushel is based on corn with not more than 15 1-2 per cent moisture, although any corn can go in the loan which does not have more than 20 1-2 per cent moisture. The dockage in weight for moisture content over 15 1-2 percent is about the same as that made by commercial buyers. Latest information on storage requirements for these corn and soybean loans indicate that practically any storage place that will protect the corn against weather is acceptable. The CCC representatives say that rats can be controlled with poison baits so that it is not necessary that storage places be rat proof. On the other hand, the grower is responsible to deliver to the CCC the number of bushels of corn covered in his loan; so that he really has the responsibility of protecting the corn against loss by rats.

The CCC takes full responsibility for loss of the corn by fire and other causes of loss not under the control of the farmer. It takes the responsibility for insect damage to the corn in storage, provided the farmer notifies the county committee that the corn is being damaged by insects while in storage.

These loans are entirely reasonable and practical and commercial corn producers should investigate them fully before selling corn very much under \$1.52 per bushel. There is a chance that corn will be considerably higher next summer than it is now. There is a great demand for more hogs and beef cattle and poultry to be fed out with corn in the next

(Continued on page 2)

## Baby Tigers To Play Somerville

Thirsting for revenge for a 27 to 13 defeat handed them at Somerville two weeks ago the Halls High Baby Tigers will play host to the Somerville B Team on the Halls Athletic Field Saturday night.

Although badly outweighed Bobby Henderson, Hutson McCorkle, Donald Corlew and all the other boys will be fighting to pick up their first victory of the season and are conceded a good chance to do so. Joe Scallions, crashing fullback for the Baby Tigers, will be in the lineup for the Tige Cubs and is expected to furnish plenty of fireworks.

Game time has been set at 7:30. Admission price is 25c.

## Julius Rodgers Died Monday

Services were held at Lower Zion Methodist Church near Brownsville Tuesday afternoon at 3 for Julius L. Rodgers, who died at the home of his son, John Rodgers, in Gates Monday afternoon. Mr. Rodgers was 90.

Burial was in Lower Zion Cemetery. The Rev. Jonas Stewart officiated.

He also leaves two daughters; Mrs. Herman Wright of Oak Ridge Tenn., and Mrs. Roy Kendrick of Independence, La. He was the grandfather of John Rodgers, Jr., Fred Rodgers and Dorris Rodgers of Halls.

released Thursday and Friday for the teachers to attend a meeting in Memphis and to select new books for our library which we appreciate very much. We've been very busy this week with tests.

We have received some new books in the library and the librarians are all busy arranging them.

We are going to have a Rummage Sale on Saturday, October 30th. We are also selling Christmas cards. We are doing these things to make money for our educational trip at the end of the school year. We hope you will be watching out for other things we will be selling.

Our narcissus bulbs have sprouts about two inches long. We think they are very attractive.

Members of the school would like to thank Mrs. John Ferguson, Jr. who sent a box of magazines to the school reading room. Several people have given pot flowers to the school. We appreciate this gesture so much.

We would also like to thank Mrs. Connell and Nancy for the snails, moss and water plants for the aquarium.

The students of the elementary school would like to express their thanks to Mrs. McCorkle for getting us the balls, and volley ball sets.

The students and members of the faculty would like to express their sympathy to Billy Rodgers and his family for the loss of his grandfather.

We would also like to express our thanks to Rev. Maxedon and his speaker and song leader, Rev. Williams and Rev. Smith, for the splendid chapel service Tuesday morning.

We'll meet you next week.

increase the price of corn above the loan value.

Buildings at the Halls Air Base are being considered as possible storage space for corn in the Mississippi delta which can not be stored on the farms. Full information on these loans is available at the County ACA office or the County Agent's office in Ripley and at the office of the Assistant County Agent at Halls.

Plant To Prosper Books Due

Record books in the Plant to Prosper and Live-at-Home programs will be accepted at the County Agent's office as late as next Wednesday, October 27. The County and Home Agents will be glad to assist any family to complete their book.

Halls Assistant County Agent To Help

Families in the Halls area may get assistance in completing their Plant to Prosper or Live-at-Home books from O. J. Nunn, Assistant County Agent, whose office is over the Bank of Halls. Since Mr. Nunn is out of the office most of the time it is advisable to telephone him at 4482 at home or 5051 at the office and set a time with him.

The merchants of Halls more than a year ago appropriated the necessary funds to make it possible for the Extension Service to provide a really good, experienced Extension Agent to work with farmers in the Halls trade territory. A committee composed of Fred Hurt, Paul Henderson and David Nunn were selected to work with the new agent. This committee has recently arranged for a very attractive office over the Bank of Halls as headquarters for the Assistant County Agent.

We all know Oliver Nunn to be a very energetic and efficient man and we hope that all the farm people in the Halls area will make the fullest possible use of his services.

Pedestrian Laws

(continued from front page) any similar vehicle or toy or any article on wheels or runners, excepting bicycles, tricycles, and motorcycles, except in such areas as may be especially designated for that purpose by the local authorities, and if such highway has two (2) traffic lanes, they shall keep as near as reasonably possible to the extreme left side or edge of the left hand traffic lane, so that they will be facing on-

coming traffic at all times." (Public Acts 1931, Chapter 82, as amended by Public Acts 1937, Chapter 245).

Get MORE PORK from your GRAIN

with PURINA HOG CHOW

... a quality grain-saving supplement

Naturally it's pork you want... every pound you can feed out of your grain.

Many hog raisers on the Purina Plan make 100 pounds of pork with 8 1/4 bu. corn and 50 lbs. of Hog Chow.

Compare this to tankage feeding... Hog Chow generally gets over 1/4 more pork from the same amount of grain; profitable proof that Hog Chow pays off in the feedlot... pays off in saving grain.

So, regardless of what grain you have, come in. Let us figure you an economical hog ration with Purina Hog Chow. It makes your grain go farther!

**HERE'S PLANNING THAT PAYS OFF BIG!**

**Make a Date with Us—Now—to Put Your Farm Machines in Best Shape Ahead of Season**

You plan your crops. It's also good to plan on getting your farm machines in shape ahead of season. Here's all you do:

Call us on the phone, or stop in. Tell us what equipment you want checked and serviced. Together we can make the arrangements quickly and easily. We do the rest.

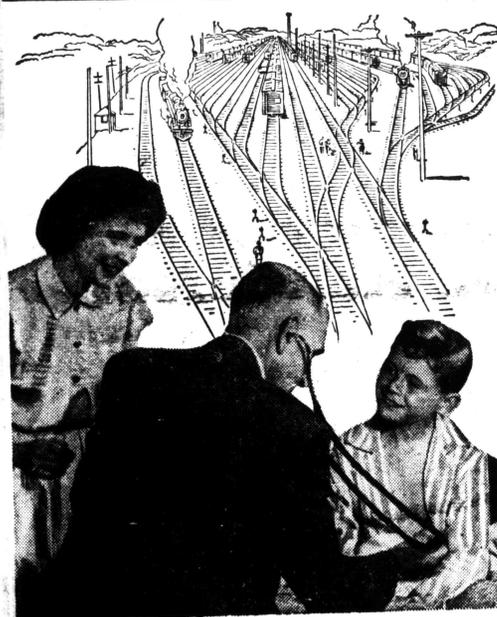

The result? Your machines will be put in tip-top running order. They will be ready when needed. You avoid costly delays and overtime expense.

Yes, putting machines in shape in our shop ahead of season is planning that pays off big. So call or see us at once, and make a date with us for top-quality shop service on your equipment.

**Illinois Central plays doctor's aid**

This is a picture of a freckle-faced youngster who isn't sick—not now. A potentially serious ailment has been turned into a quickly forgotten incident by an alert mother, the family doctor and a bit of sulfa. The Illinois Central also should have been in the photo. For it handles millions of tons of health-restoring freight, from raw materials—such as the coal that yields sulfa—to the myriad medical items and other things that make your corner druggist's a health department store.

**GOOD HEALTH AND GOOD LIVING**

You and your druggist take for granted an ample supply of everything from aspirin and tooth paste to fresh vaccines and penicillin. That his shelves carry items coming from the Orient, a Latin American tree or a coal mine is not his concern or yours. But transporting these essentials to good health and good living is our concern. By doing our job well we strive to earn the continued friendship and patronage of you and your community.

**His Hand in History**

Lesson for October 24, 1948

SUPPOSE you were given a long flexible wire and were asked to arrange it on a pattern which would represent history, what would you do to it? Some people would cut that wire into little bits and let them fall in a pile like jackstraws. History, they would say, is a meaningless collection of disconnected events—it has no real pattern.

Dr. Foreman

Someone else would arrange the wire like a long arrow pointing upward; others would make it into an arrow pointing downward; these would be the pure optimists and pessimists among historians.

Others would arrange it as a series of up-and-down curves—history, they would say, sometimes goes up and sometimes down, but it never gets anywhere. Others again would make an immense circle; history goes around and around in cycles, repeating itself.

Others still might take that wire and shape it into a kind of spiral, almost repeating itself but never quite, often seeming to go backward but actually making some progress.

**God's Chosen People**

A GOOD deal of the Old Testament is taken up with history. Starting with Genesis and going through Esther, most of what you read is history. But it is not mere chronicles, that is to say it is not a mere listing of events.

The historical parts of the Bible were written by men who had a theory of history. They would agree that the Golden Age is ahead of us, not behind.

They would all agree that the most important figure in human history is not a human being at all, but God the Creator. They would all agree that his hand can be seen—if you look for it—in the events of man's existence here. And they all affirm that among all the nations of the earth there was one which could be called truly God's chosen people, the little nation called Israel, the people we know as the Jews.

The whole of Hebrew history is a sort of sermon on this text: Righteousness exalteth a nation, but sin is a reproach to any people. The history of any nation, ancient or modern, would illustrate that text just as well; only the Israelite historians saw it most clearly. They showed how, when their people followed God's leading and his laws, they prospered; when they went their own stupid, selfish ways they suffered.

**Somehow Good**

ONE great lesson the Old Testament history teaches is that God's will is good, and that when man defies and disobeys that will, he does it to his own destruction, but that God can bring good out of evil.

People often act from bad motives; yet even the worst of motives God can overrule. David waded in blood to his throne, and he treated cruelly many of his enemies. That was not good; yet God brought out of that a national independence and strength.

David put Solomon on the throne because he was the son of his favorite wife; that was pure favoritism. Yet God brought good out of a choice which was selfish.

When the Israelites were tempted to fall for the cheap and nasty gods whose shrines filled the land, that was bad; but it gave the prophets their great opportunity to make perfectly clear the difference between false and true religion.

**The Voice of God**

HISTORY is no bucket of ashes. If you have ears to listen, it is the voice of God. These ancient tales of a nation long since dead, that lived in all scarce 500 years, carry God's voice to us today.

The diseases which are fatal to a nation's life are here described; the foundations on which alone true national welfare can be built are made quite plain.

Up to now, all nations have perished sooner or later. We can see some of them decaying in our own time. That is because no nation ever yet has built its life on God's design. But the pattern is there, the lesson has been written. God still waits for a people who will learn his lesson in how to live.

**HALF A MILLION VOTERS WANT REECE AND ACUFF**

CARROLL REECE  
For U. S. Senator

Real Democrats Enlist with Republicans In Vital Battle to Preserve States' Rights and Individual Liberties Against Trumanism. As Good Americans, We Stand Together United. In These Serious Times, When Our Form of Representative Government Is Threatened, Tennesseans Should Forget Partisan Political Considerations.

ROY ACUFF  
For Governor

**TENNESSEE NEEDS REECE IN WASHINGTON**

With election of Governor Dewey virtually conceded, the value of having a senator of his party from Tennessee, to get things done the state needs, was never greater.

Carroll Reece, in 24 years in Congress, has worked with members of his party and true Democrats toward ridding the federal government of subversive and unAmerican elements. There are 15 specific instances where his opponent voted to frustrate the efforts of Congress in achieving this objective.

Reece voted for the original TVA Act, for all dams in the Tennessee River system. He favors expansion and fullest development of TVA and the Johnsonville steam plant. He was a member of the committee which formulated legislation for REA and has consistently supported its Sound expansion.

A disabled veteran himself, Carroll Reece knows the needs of ex-servicemen and has consistently fought for them since World War I.

He is for the preservation of States' Rights and the safeguarding of the liberty and opportunity of the individual as guaranteed by the Constitution.

Carroll Reece is firmly opposed to the federal government imposing an FEPC on Tennessee or any other state, which President Truman and the left-wing crowd are demanding. He opposes limited debate in the U. S. Senate, as advocated by his opponent. It is the unlimited debate procedure that has protected the South against offensive legislation. His opponent would take this defense away.

Reece is opposed by CIO-PAC and every radical element. These organizations are supporting his opponent, financially and otherwise.

Both Opponents of Reece and Acuff Strongly Endorse And Support Trumanism.

**THIS IS NOT A STRUGGLE BETWEEN DEMOCRATS AND REPUBLICANS. IT IS A STRUGGLE BETWEEN THE AMERICAN WAY OF LIVING AND AN ALIEN FORCE BORN BEHIND THE IRON CURTAIN OF EUROPE.**

Reece-Acuff Publicity Committee  
Sherlock Hope, Director

**ACUFF WILL BE GOVERNOR FOR ALL THE PEOPLE**

Roy Acuff will be a governor for all the people, operating the state with a bi-partisan cabinet composed of Republicans and Democrats who must be honest, capable and trustworthy.

He has said he would conduct his office by the Golden Rule, the teachings of the Bible and the Ten Commandments. Everyone who knows Roy Acuff knows he will do exactly what he says—the thing that is right. That's the kind of government we want and the type Tennessee needs.

Roy Acuff pledges increased pensions for the aged, more aid for dependent children and the blind. He will make a thorough study of the sales tax and, if possible, cut it down or cut it out.

He is for better schools and free textbooks, at least through the elementary grades.

Roy Acuff proposes the greatest program of road building the state has ever known.

He favors a state bonus for World War II veterans and will name a commission to find means to finance it.

Roy Acuff is for extending the program of conservation of the soil and all other natural resources. He advocates developing our playgrounds to bring thousands more tourists to our state and give us national advertising.

Roy Acuff is paying his own way in the campaign. The boys of his band work for him and he is paying them. He hasn't solicited a single campaign contribution. He hasn't made any trades, deals or promises. His only obligation will be to the people of Tennessee and his oath of office.

NOTICE OF GENERAL ELECTION

We, the undersigned R. H. Chisholm, W. A. Sanford and R. J. Nunn, composing the Board of Commissioners of Elections for Lauderdale County, Tennessee, do hereby give notice that a General Election will be opened and held in all the legal voting precincts of said Lauderdale County, Tennessee, on TUESDAY, NOVEMBER 2, 1948

Said General Election will be held for the purpose of electing Presidential Electors for President and Vice-President of the United States of America; United States Senator for Tennessee; Representative in Congress of the Ninth Congressional District of Tennessee; member of Railroad and Public Utilities Commission of Tennessee (Western Division); member of

Commission of Tennessee (Eastern Division); State Senator for the Twenty-Ninth Senatorial District of Tennessee; State Representative (Direct) in the Next General Assembly of Tennessee for Lauderdale County, Tennessee; and State Representative (Floterial) for the Twenty-Sixth Floterial District of Tennessee, in the next General Assembly of Tennessee.

The following Officers, Judges and Clerks are hereby named and appointed to open, hold and make due return of said General Election in the hereinafter listed precincts.

Polls at the hereinafter listed precincts will open at 9 o'clock A. M. and close at 4 o'clock P. M.

EVERY FARM SHOULD HAVE FIRST AID KIT

"First-aid kits are essential equipment for every farm," say county farm and home agents who point out that facilities for prompt treatment of injury can save a life or prevent serious infection.

"This is the busy season on the farm and therefore such equipment is especially important just

now. It should be available both in the home and at convenient points about the farmstead."

According to recommendations of the National Safety Council, good first-aid kits need not be expensive nor difficult to provide.

Homemade kits containing the essential medications, drugs, and dressings may serve equally as well as the more costly prepared kits on the market.

The National Safety Council recommends the following materials

for assembling a good first-aid kit: A tight box, preferably metal such as a small cash or fishing tackle box, rolls of adhesive tape of varying widths, sterile cotton swabs and sticks, sterile white cloth for bandages and tourniquets, matches, ointment for burns, tincture of iodine, boric acid, tincture of merthiolate, liquid green soap or benzine, rubbing alcohol.

Go to Church Sunday.

NEW! an upright heater with furniture styling!
The distinguished new SHERATON Fuel Oil Heater by DUO-THERM
Keeps you warm without work, without dirt - as it beautifies your home!
You save up to 25% on fuel bills with the Power-Air Blower. Saves as much as 1 gallon of oil in every 4 by actual test! Gets heat into hard-to-heat corners, too!

NEW DEMANDS
SOARING COSTS WAGE INCREASES
48 hours pay for 40 hours work
Penalty pay for weekends & holidays
25¢ an hour increase
Total 1/2 BILLION DOLLARS
1 1/2 Billion Dollar Road Block!
RAILROADS MUST OPERATE around the clock every day and night of the year.
Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.
They want 48 hours pay for 40 hours work - in itself a 20% wage increase.
They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.
On top of all this they want an additional increase of 25c an hour for every employee!
You'd Pay the Bill!
Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employees an annual raise which would average \$1500 per employee!
The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.
You'd pay the bill, because if these increased costs are forced on the railroads, they must have still further rate and fare increases.
Demands Unreasonable
These employees have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.
In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.
Railroads Run for Everybody - Not Employees Alone
The railroad industry must serve not one but many groups - producers, businessmen, shippers, passengers and the general public - night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. Everybody who enters railroad employment knows this.
Strike Threat
On September 18, 1948, the leaders of these 16 unions began taking a strike vote. But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!
SOUTHEASTERN RAILROADS
We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

Friday Morning, October 22, 1948

THE HALLS GRAPHIC, Halls, Tennessee

GROUP ENJOYS BUFFET SUPPER IN FRIENDSHIP

Mr. and Mrs. Evan Chambers entertained at their home in Friendship Sunday evening with a Buffet Supper for several of their friends from Halls.

Enjoying the hospitality of Mr. and Mrs. Chambers were Mr. and Mrs. Raymond Hale, Mr. and Mrs. Elbert Ozment and daughter, Gwila, Mr. and Mrs. Morris Currie and son, Arthur, Mr. and Mrs. Winston Daws and daughter, Cathy.

Local Happenings

David Hurt, Jr. was absent from school a few days this week because of a sty on his eye.

Mrs. Paul Griffin and daughter, Marietta, spent Thursday and Friday of last week in Memphis with Mrs. Griffin's sister, Mrs. Maude Fite.

H. A. Townsend returned home Friday after being in the Baptist Hospital in Memphis.

Mr. and Mrs. J. T. Connell and children, Nancy and Donald, were in Memphis Thursday of last week.

Billy Jones, who attends Freed-Hardeman College at Henderson spent Sunday with his parents, Mr. and Mrs. L. B. Jones, Mr. and Mrs. Jones carried Billy to Henderson Monday returning by Jackson where they visited Mrs. Jones' mother, Mrs. O. G. Kee, who continues ill.

Mrs. A. G. Hargett and her house guests, Mr. and Mrs. W. C. Cummins, of LaGrange, Ill. spent Tuesday and Tuesday night in Blytheville, Ark as guests of Mrs. Emma Hawley.

Mrs. Bess Jordan had as her weekend visitors Mr. and Mrs. Ellis Jordan and son, Marian of Heflin, La., Mr. and Mrs. Sam Wilson of Richland, Wash., Mr. and Mrs. Ben W. Jordan, Mrs. Julia Woody, Mr. and Mrs. Steve Atkinson and children, Prichard Jordan and daughter, Dorothy Jo, of Memphis.

Mr. and Mrs. Raymond Butler, Miss Ambrosine Jones, Ben M. Hobday, Mrs. Lip Hobday, Mrs. Ruth Fowler of Dyersburg were also guests of Mrs. Jordan.

Mrs. Elmer Heath has recently returned home after visiting her mother and daughter in Kansas City.

Mrs. James Cherry and Mrs. Sarah Cherry were in Memphis Sunday to see Mr. James Cherry at Kennedy Hospital. They found him much improved.

C. N. Wilkes and Mrs. John Moore spent Monday in Jackson as the guests of Mrs. Paul James.

Dr. and Mrs. T. E. Miller of Ripley and Miss Freddie Olds visited friends in Memphis Sunday.

Mr. and Mrs. L. B. Jones and Mrs. L. E. Olds and Miss Freddie Olds spent Wednesday in Memphis.

Mr. and Mrs. R. V. Agee, Jr. and children visited relatives in Crockett County Sunday.

Mr. and Mrs. Ray McMillan of Memphis visited Mr. and Mrs. O. L. White Sunday afternoon.

Leticia Vaden, daughter of Mr. and Mrs. Paul Vaden, injured her leg on a fall playing at school Monday.

Mrs. O. L. White and Mr. and Mrs. Charles Moore attended a Shower at the home of Mrs. Leonard Alston at Poplar Grove Tuesday night honoring Mr. and Mrs. Harry Reede Moore.

Mrs. Lavenne Hall of Mt. Vernon, Ill. arrived Thursday to spend the weekend with her sister, Mrs. R. V. Agee, Jr.

Mrs. Frank Jordan of Chicago was here this week to attend the funeral of her brother, Theron Hall Woodard, Tuesday.

Tommy Flynn, of Memphis, spent the weekend with his grandmother, Mrs. Y. S. Brown.

Mrs. Evelyn Banks of San Diego, Calif., is the guest of Mrs. T. L. Stephens.

Mr. and Mrs. Matt Agee, Amos Agee, Mrs. Howell Branch and Mrs. Marvin Agee and baby of Maury City were guests of Mr. and Mrs. Jeff Agee Saturday afternoon.

Mrs. Milton Magee of Dyersburg spent Wednesday with her mother, Mrs. S. E. Pugh.

Mrs. Walter Spencer, Mrs. Will Curtis and son and Mrs. Evelyn Banks of San Diego, Calif. who are visiting Mr. and Mrs. Harry Spencer at Brighton and Mr. and Mrs. Jessie Spencer at Unionville, visited Mrs. A. C. Smith and other friends in Halls Saturday.

Mr. and Mrs. Nelson Badgett and daughter of Millington spent the weekend with her mother, Mrs. Mollie Perry.

George Cole of Friendship was in Halls Saturday and Sunday.

Mrs. Jessie Smith and Mrs. Robert Baker were in Dyersburg Wednesday.

Mr. and Mrs. Lloyd Johnson and Mr. and Mrs. John Talley of Memphis, Mr. and Mrs. James Lacey and son of Bragg City, Mo., and Mr. and Mrs. Pinkney Meacham of Ripley spent Sunday with Mr. and Mrs. R. S. Bell and took part in the birthday celebration of Mrs. Bell's birthday.

Mrs. Ike Palmore and Mrs. O. L. White were in Dyersburg Monday.

Mr. and Mrs. Robin Jordan and daughters of Pine Bluff, Ark., and Mrs. Alexander of Memphis spent Saturday with their mother, Mrs. Rena Jordan, and Mr. and Mrs. Harry Hall.

Mrs. P. W. Crittendon is spending this week in Nashville with her daughter, Mrs. T. G. Cooper.

Mrs. Neil Keltner and daughter and Mrs. Sebren Scott and daughter were in Dyersburg Monday.

Mrs. J. H. Murchison left Saturday night for Houston, Texas, where she will visit her daughter, Mrs. W. B. Baker, and family.

Dr. and Mrs. W. E. Hurt and baby and Mr. and Mrs. Milton Medlock and baby of Memphis were guests of Mr. and Mrs. E. F. Rawles during the weekend.

Mr. and Mrs. T. G. Avery were in St. Louis Friday of last week.

Mr. and Mrs. Frank Thompson and son of Memphis were guests of Mrs. Thompson's mother, Mrs. May Cherry, Sunday.

Miss Bettie Edens was in Union City a few days last week to visit her aunt, Mrs. Paul Johnson, and Dr. Johnson. Dr. and Mrs. Johnson brought her home Sunday afternoon and visited relatives here.

Mr. and Mrs. William Lightfoot and daughter, Marilyn, of Dickson, were guests of relatives here during the weekend.

Mr. and Mrs. J. R. Dailey, and Rev. and Mrs. W. F. Carlton of Marked Tree, Ark., have returned from a visit with Mr. and Mrs. James L. Carlton at Edwardsburg, Michigan. They also spent some time at Lake Michigan, Indianapolis and South Bend, Ind.

Mr. and Mrs. J. T. Connell and children, Nancy and Donald, and Mr. and Mrs. J. B. Jones of Maury City had dinner at Reelfoot Lake Sunday.

Mr. and Mrs. Marvin Hansford were in Memphis one day last week.

Mrs. J. T. Connell, Mrs. R. J. Nunn and Mrs. Wymond Hurt were in Dyersburg Tuesday.

Mrs. Lawson Shannon of Dresden is the guest of Mr. and Mrs. E. J. Shannon this week.

Fred R. Hurt and David H. Hurt were in Essex, Mo. on Friday of last week.

Mrs. E. J. Shannon and her guest, Mrs. Lawson Shannon, were in Dyersburg Tuesday.

Mrs. Ross Dyer and son, Tommy, were in Gallatin during the weekend to visit her parents, Mr. and Mrs. T. L. Moss, and attend the bedside of Mr. Moss who is ill.

Mrs. J. T. Connell, Mrs. Wymond Hurt and Mrs. J. H. Murchison were in Maury City Friday to attend a Miscellaneous Shower given by Mrs. Jack Poston and Mrs. Bernice Birmingham for Miss Dawn Poston, bride-elect. They were accompanied home by Mrs. Connell's parents, Mr. and Mrs. J. B. Jones, who remained over the weekend.

Mr. and Mrs. J. R. Dailey, and Rev. and Mrs. W. F. Carlton of Marked Tree, Ark., have returned from a visit with Mr. and Mrs. James L. Carlton at Edwardsburg, Michigan. They also spent some time at Lake Michigan, Indianapolis and South Bend, Ind.

Mr. and Mrs. J. T. Connell and children, Nancy and Donald, and Mr. and Mrs. J. B. Jones of Maury City had dinner at Reelfoot Lake Sunday.

Mr. and Mrs. Marvin Hansford were in Memphis one day last week.

Mrs. J. T. Connell, Mrs. R. J. Nunn and Mrs. Wymond Hurt were in Dyersburg Tuesday.

Mrs. Lawson Shannon of Dresden is the guest of Mr. and Mrs. E. J. Shannon this week.

Fred R. Hurt and David H. Hurt were in Essex, Mo. on Friday of last week.

Mrs. E. J. Shannon and her guest, Mrs. Lawson Shannon, were in Dyersburg Tuesday.

Mrs. Ross Dyer and son, Tommy, were in Gallatin during the weekend to visit her parents, Mr. and Mrs. T. L. Moss, and attend the bedside of Mr. Moss who is ill.

Mrs. J. T. Connell, Mrs. Wymond Hurt and Mrs. J. H. Murchison were in Maury City Friday to attend a Miscellaneous Shower given by Mrs. Jack Poston and Mrs. Bernice Birmingham for Miss Dawn Poston, bride-elect. They were accompanied home by Mrs. Connell's parents, Mr. and Mrs. J. B. Jones, who remained over the weekend.

in close contact with each other by correspondence and occasional telephone conversations, although this was their first meeting in 35 years. They were school-mates in Prague, Okla. when Mrs. Reed lived there with her parents, Mr. and Mrs. John Hargett.

On Monday Mr. and Mrs. Hargett entertained Mrs. Robertson with a one o'clock luncheon at their home on Tigrett Street. A pink bowl of dainty white rosebuds and greenery centered the table where a three course luncheon was served the six guests.

Mrs. Reed complimented her house guest on Monday night at her home with a Mexican Dinner. The table was covered with a Mexican cloth and centered with a Jun-Lo tree. Mexican place cards marked the places for the guests and the four course dinner was served in colored dishes from Mexico.

"Pearl of Great Price"

Jesus used a parable to emphasize the value of the Kingdom of Heaven to man's eternal soul. Matt. 13: 45-46.

The Men's Bible Class of Halls Baptist Church invites men of all ages to attend whenever convenient, the class meeting at the Church each Sunday morning. Time: 9:45 A. M.

Theme of this quarter's lessons, "The Literature of the Bible". Next Sunday's study: "History in the Bible".

This study will help the man who has never studied the Book to know that it has a message for him; it will enrich the minds and hearts of the young man, who wants to build his character and fortify him for life's problems that lie out before him; and it will reveal to all the Love of God for every individual challenge him to strive to attain this "Pearl of Great Price".

You will enjoy the hospitality, fellowship and inspiration.

From where I sit... by Joe Marsh

"What's Your Opinion, Mister?"

Fellow from one of those public opinion polls was in Andy's Garden Tavern, querying Andy's patrons on everything from that "new look" to the next election.

And it occurred to me that there's nothing more typically American than collecting other folks' opinions, as well as giving out with one's own. And from where I sit, it's a mighty healthy habit.

So long as people can discuss both sides of a question that comes up—whether it concerns short skirts versus long, beer compared

with cider, or the larger issues of party versus party—we're sure of the individual liberty that has made this country great.

For it isn't differences of opinion that matter. The important thing is tolerance for differences of opinion—whether they affect the right of an individual to vote, to speak his mind, or enjoy a glass of beer. They're all parts of the freedom that we cherish!

Joe Marsh

Pack of Seed Nets Million Dollar Crop Plant Immigrant Has Typical Success Story

One package of seed sent home by a missionary less than 30 years ago has developed into a crop now valued at more than 200 million dollars a year. That is the success story of a plant immigrant—Korean lespeza.

Only three decades ago Dr. Ralph Mills, a medical missionary, sent a package of lespeza seed from Korea to the U. S. department of agriculture. Department specialists planted the seed at the experimental farm across the Potomac river from Washington. In a few years there was enough seed to plant lespeza at several state experiment stations.

The imported crop fitted well on the poor, slightly acid soils unfit for such crops as alfalfa and soon was being grown widely in the East Central states as a seed and pasture crop. Now its use is becoming more widespread, particularly in areas of low fertility land.

The U. S. crop of Korean lespeza, developed directly from the single package, now is valued at more than 200 million dollars a year. Value of the seed crop amounts to 20 million dollars. The hay crop makes up another 100 million dollars of value. Although value of the pasture crop is difficult to estimate, specialists contend that it amounts to at least 100 million dollars. These figures do not take into account the profitable use of millions of acres of low fertility land made possible by introduction of the new legume crop.

He's a Rat

What is the most destructive animal in the world? No—it's not a puppy or a small boy! The common Norway or brown rat has absolutely no competition when it comes to the ability to destroy. Annually, rats alone destroy about

4 per cent of the total grain and cereal crop in the United States, figures compiled by extension service entomologists indicate. As if its destructive abilities were not enough, the rat is host to carriers or is itself a carrier of bubonic plague, typhus and other diseases which are deadly to man.

Few farms are entirely free of rats, although rat populations can be reduced quickly. Cleaning up the premises, rat proofing, cutting off food supply, poisoning and trapping are major points in an effective rat control program. But, once the control measures begin to show results, there can be no relaxing. Rat control is a permanent, year-around program. A few days of poisoning will have only a temporary effect on the rat population.

Modern Dairy Buildings Will Boost Efficiency

Increased efficiency has entered the dairy industry with more widespread use of milking rooms and milk houses.

The ideal location for a milk house is attached to the milking room or barn. In most areas, sanitary re-

Miles of walking are saved annually when the milk house is adjacent to the milking room or barn, figures compiled by Cornell university show.

quirements permit construction under the same roof.

Adjacent construction permits the dairyman to coordinate feeding, caring for the cows, milking them and handling the milk into an efficient system.

Rabbit and Chicken Raising Is Profitable

To offset high meat prices, home production of rabbits and chickens can be carried on very economically, making the family at least partially independent of commercial sources.

Raising of rabbits and chickens at home has a big advantage in the economical use of feeds, because such animals mature more quickly and at a lower feed cost per pound of gain in weight.

Prepared by the Medical Education Committee TENNESSEE STATE MEDICAL ASSOCIATION And Your Local County Medical Society

INDUSTRIAL HEALTH

Health protection of industrial workers requires more and more attention from physicians. As man expands his scientific knowledge of industrial processes, he increases the hazards to his health.

Health hazards in industry include chances for physical injury and exposure to many toxic or poisonous substances used in some industrial procedures. Examples are the long-known toxic effects of lead, benzol and silicon.

A new and highly technical health hazard has been created recently by the use of radio-active isotopes in medical and industrial research. These substances, having been exposed to radiation from atomic energy, would be deadly unless the worker were protected against the effects of radiation.

These new substances are already being used for research in more than 600 universities and laboratories in this country alone. Studies are being conducted for radiation at the Hiroshima, Nag-

asaki, and Bikini atomic bomb explosions. Dr. Stafford L. Warren, the physician in charge of the protection of workers and military personnel, has stated that "not one worker or member of the armed forces was exposed to dangerous amounts of radiation except upon willful and deliberate violation of safety regulations which were designed for his protection".

Preventive medicine must move along with, and sometimes ahead of, many scientific discoveries.

## Confidential Corner

### Circus Impresses

Well, after much discussion, promises, etc. we took the boys and our nephew, Tommy McDearman, to the Circus in Ripley Saturday afternoon. Both Buddy and Tommy were well pleased with the Circus as nearly as we can learn but Chuck was not too much impressed. A great deal of the acts consisted of acrobatics, and that type of show and Chuck seemed to think that he could do most of them himself. However, Chuck and Buddy have spent most of their time since the Circus training dogs (either Buddy or Chuck is the pup and the other is the trainer). It seems that they are practicing so they can train their own pup. Being the first time for any of the three boys to see a circus performance their eyes bugged out at times but for the most part they didn't seem to get the thrill we got out of our first circus. Anyhow, we enjoyed it whether the boys did or not.

### A Real Job

For a long time we have been promising Buddy to help him begin constructing model airplanes and quite a time back we purchased one with that intention. However, after opening it up and looking it over we immediately changed our minds. Never have we seen so many different pieces as was contained in that kit and the plans left a majority of the construction to the imagination of which we have none whatsoever when it comes to model airplanes. Actually, through ignorance, we had purchased a quite complicated model which was much larger than the average plane. Recently we were in Memphis and purchased small and supposedly simple kits with which to start Buddy off. (Incidentally it was our first effort also.) After looking the kit and plans over and rereading in M. E. McDearman, Jr. who had had some experience in the construction of model planes, we undertook the building of a plane. Well, after much cussing, discussing, cutting of fingers, etc. we got one built and sprayed a beautiful maroon color and now the darned thing won't fly. So far as we can tell we have followed specifications, the thing seems to be balanced, etc., but it just won't fly. Actually, we believe that the rubber band furnished as a motor has insufficient strength to maintain flight as it does try to fly when launched into the air. All joking aside (who said joking) Buddy is quite pleased with his new plane and we enjoyed building it. We don't know of anything that will teach dexterity of fingers and hands and patience any more than the construction of model planes. Having no mechanical ability whatsoever, we are far from adept but we are going to undertake another right away and this time Buddy will be allowed to do some of the work. You know that the electric train story, Buddy hasn't gotten to do much but look at it over the shoulders of Mac and myself.

### Don't Call Fire Station

Again we have been asked to request the people of Halls not to call the fire station immediately after a fire alarm to learn where the fire is. Workers at the water plant have stated that they have to leave the force pump to answer the phone and also it sometimes interferes with the fire fighters attempting to call for more hose or similar needs. In other words please don't call the fire station to learn where a fire is. We know that everyone is anxious to find out about the fire and so are we but we hate to interfere with the fighting of a fire so let's don't call the water plant.

### Voting Time Here

We suppose that our readers become tired of reading "Go to the polls and vote" but we don't believe too much stress can be put on voting. It is not only a duty but a privilege to vote for our leaders and thus determine the kind of government that our state and nation will have. The

## Ginning Reports Show Increase

A total of 9,877 bales of cotton had been ginned in Lauderdale County prior to October 1 according to an announcement by the U. S. Department of Agriculture. This compares with 9,647 bales ginned during the same period during 1947. Crockett county ginners were 8,551 in 1948 and 5,838 in 1947 and Dyer county had ginned 11,711 as compared to 9,118 last year.

However, a conversation with a local ginner Tuesday of this week reveals that most of the gins in this territory have already reached a total ginning which will approximately equal the ginning for the entire 1947-48 season. An estimate states that from 60 to 65 percent of the crop has been harvested in this immediate area.

After steady ginning for the entire month of October with almost no shutdowns ginners have slowed down to some extent. Many of the farmers in this section have turned to harvesting soybeans and gathering corn and band furnished as a motor has insufficient strength to maintain flight as it does try to fly when launched into the air. All joking aside (who said joking) Buddy is quite pleased with his new plane and we enjoyed building it. We don't know of anything that will teach dexterity of fingers and hands and patience any more than the construction of model planes. Having no mechanical ability whatsoever, we are far from adept but we are going to undertake another right away and this time Buddy will be allowed to do some of the work. You know that the electric train story, Buddy hasn't gotten to do much but look at it over the shoulders of Mac and myself.

### Scrap And Fun

Only a very small crowd saw the local Baby Tigers play the Somerville "B" team last Saturday night but those who did attend saw a real football game. Passing, interception of passes, long runs, etc. were present in large numbers as the two teams were well matched and both were full of scrap. Anyone who enjoys football when it is fun to the boys should see these B boys games. Next Thursday night the Baby Tigers will play Jackson Junior High on the local field.

### Libel Suit

Despite the fact that he has been a known Republican for many years David Nunn is threatening to sue us because we accused him of proselyting our little son last week. It is very difficult to prove libel when the truth is told, David. Anyhow David says he is going to win the elections.

## Body of Doyle Grady To Arrive Friday

Mr. and Mrs. Floyd Grady were notified by the War Department Wednesday morning that the body of their son, Pvt. Doyle Grady, will arrive in Halls at 10 o'clock Friday morning.

Pvt. Grady died of wounds received in action at a hospital in France on February 9, 1945, after being wounded on February 6. He was 19 and had been overseas only a little more than a month.

Funeral services will be held Sunday afternoon from Halls Baptist Church. Burial will be in Halls Cemetery with Sudbury Funeral Home in charge of arrangements. Services will be at 2 o'clock.

Surviving in addition to his parents are two brothers, Daniel Lee Grady and Egbert Grady, of Halls; three sisters, Mrs. Gatra Watkins and Collette Grady of Halls and Mrs. Clinton O'Neil of Tigrett; and a small daughter, Brenda Joyce Grady.

## Tigers To Play Millington Tonight

The Halls Tigers will return to the local field Friday night of this week to play the Millington Trojans in their annual game. Game time is 8 o'clock.

Millington has won two games and lost four for the season according to information which we have and the Tigers have won three and lost three. There is apparently very little difference in the two teams with the local boys possibly having a slight edge. The Tigers won by a score of 20 to 0 last year and the previous year Millington won by a score of 13 to 0.

Last Friday night the Tigers traveled to Union City and came home smarting from an 18 to 0 licking which was handed them by the Union City team. The Tigers had defeated Union City for the past two years but were classified as the underdogs in the battle Friday night.

Seemingly unable to get their offensive going the Tigers did not cross the Union City middle stripe during the entire first half and a large portion of the third quarter observers stated although playing very good defensive ball. Score at the half was 6 to 0.

The Obion County eleven picked up two more touchdowns in the last half as the Tiger defense loosened up but the Tigers twice missed scoring opportunities when dropped passes, one of them in the end zone and another with the receiver in the clear, ended Tiger drives. Blocking of the Tiger team was ineffective with the Tiger bill carriers unable to get in the clear.

Next week the Tigers will go to Tiptonville and then close the season here with Ripley on the night of November 12.

## A. W. Sorrell Dies From Spider Bite

Auburn Wilson Sorrell died at the St. Joseph Hospital in Memphis Tuesday night, October 19, following an illness of one day which was believed to be caused by the bite of a black widow spider. Mr. Sorrell was a salesman for Forest Hill Dairy in Memphis and made his home at Rudy Place near Frayser. He was 28.

Funeral services were held on Thursday afternoon at 2:30 from the Sorrell Chapel Church with Rev. A. T. Evans of Friendship and Rev. A. D. Salisbury of Unionville officiating. Burial was in Fairview Cemetery at Dyersburg.

Surviving are his wife, Mrs. Lena Helen Barker Sorrell; his father, J. N. Sorrell of Halls; two sisters, Mrs. T. J. Yarbrough of Halls and Mrs. Floyd Smith of Mt. View, Mo.; four brothers, James N. Sorrell, St. Louis, Aaron Sorrell, Memphis, Melvin Sorrell, Friendship and Paschal Sorrell of Humboldt.

## FIRE ALARM

The fire siren was sounded Sunday afternoon shortly after two o'clock. The fire was a grass and brush fire back of the Louis Levy and W. D. Hemby homes on West Tigrett Street. No damage was done. Last week the truck answered a call to put out the hull pile at Sumrow Gin Co.

Miss Mary Lee Wright has been sick for the past few days.

## BELIEVES ADVERTISING PAYS OFF

Being one of the most consistent advertisers that the Halls Graphic has, we were not too surprised when Fred R. Hurt started a series of advertisements in behalf of the Men's Bible Class of Halls Baptist Church.

Mr. Hurt states that if advertising helps his business then it should help the Lord's business and is acting accordingly. Read the advertisement and accept its invitation to attend the Bible Class or if you prefer some other denomination then attend Sunday School at that church.

## Sponsors Soap Drawing Contest

For the third straight year Judson Vaden of the Vaden Furniture Co. is announcing that a Soap Drawing contest is being sponsored by the furniture concern.

Since Halloween actually arrives on Sunday this year the drawing contest will be held Saturday afternoon, October 30, beginning at 1 o'clock with the drawings to be on the windows of the furniture concern.

Rules are as follows: Age 13 or under; all drawings must be drawn with toilet soap; all entrants must register not later than 10 a.m. on Saturday; all entrants must be a resident of this trade area.

The Grand Prize winner will receive a brand new Stewart-Warner "Pal" Radio and there'll be 5 additional winners, each receiving a nice and useful gift. All entrants will be winners. There will be ice cream for all who participate.

Winners in the contest last year in the order of their prizes were: Claudette Rainey, Anella Steelman, Lucinda Alsbrook, Harry Wright, William Sugg and Carolyn McCorkle. Remember, all children expecting to take part in the contest must register before 10 o'clock Saturday morning.

## More PTA Dues Are Paid

Following is an additional list of those who have paid their PTA membership dues. Additional names will be published from time to time:

- Mrs. James Peery \$1.00
- James Peery \$1.00
- J. S. Bruns \$1.00

## Methodist Church To Dedicate Windows

The Halls Methodist Church will hold a dedicatory and memorial service at the church on Sunday morning, October 31, with the pastor, the Rev. W. F. Makedon, bringing the message. Special numbers have been arranged for the service.

The service is being held to dedicate the leaded stained glass windows which have been installed in the church during the past year and the plaques which have been placed in the various windows as memorials to various members of the church who have passed away.

The service is to be held at the 11 o'clock hour and all members of the church and the public are invited to attend. An additional building program will be discussed and placed under way at the service.

## STATE POLIO LEADERS MEET

Members of the State Campaign Committee for the 1949 March of Dimes, which met in the Hotel Hermitage, Nashville, Monday, October 4, to map plans for the drive, which starts January 14 and runs through January 31. Left to right: Otis Devine, Director of Radio Activities, Mrs. Thomas P. Henderson, Chairman of Women's Activities, Frank G. Clement, State Chairman, F. E. Wankan, Jr., State Representative, and John H. Pearson, State Representative.

## DEBT COMPLETELY PAID ON POPLAR GROVE CP CHURCH

Closing a drive to complete payment of the indebtedness owed on their new church building, the Poplar Grove Cumberland Presbyterian Church has raised sufficient funds and have paid off the indebtedness. In commemoration of the clearing of the building of debt plans are being formed for a dedication service, probably to be held the Sunday following Thanksgiving Day.

The new building was erected following the burning of their old structure in February, 1946. Without insurance, the new building which is of concrete blocks was paid for by contributions by friends and members of the church.

## School Publication Is Distributed

The Halls Tiger, Halls High School publication, is being distributed this week. This is the first issue of the new school year with four others to be published during the year.

Containing eight pages of news about the school and three pages of advertising the Tiger is made up into magazine form. Members of the staff are particularly proud of the 1948-49 Tiger because of its format and the fact that money to finance the publication was realized through the sale of advertising.

Members of the staff are: Bettie Edens, editor; Joan Hogard, assistant editor; Margaret Voss, feature editor; Bobby Hale, sports editor; Clyde Simmons, business manager; Ann Stallings, circulation manager. J. S. Bruns, of the faculty, is sponsor of the Tiger and a staff of eighteen reporters is named.

## Elementary News Notes

— Steelman and Steelman —  
First Grade  
The first graders are busy making Halloween spoons this week. They are all getting excited about the enjoyable time planned for Friday.

Much fun has been had the month of October with the autumn leaves. We all agree that the leaves are more beautiful this year than they have ever been. Practically all the first graders in "Miss" Genie's room can tell you the first night Jack Frost made his visit. Gail Erwin and Carolyn Bunsley have had the mumps this week. We hope they are well on the road to recovery.

Second Grade  
The second grade is sorry to lose Maurice Gaines. He has moved to Henning, Tennessee.

We had a nice time at Mary Eleanor's birthday party Tuesday afternoon. "Thank you, very much" Mrs. Karnazes.

Halloween is coming, and we are having lots of fun making jack-o-lanterns, witches, and black cats. Miss Marsaline is teaching us some Halloween songs.

Third Grade  
The third graders have their room looking like a witches' den with Halloween spoons, witches ground equipment for the elementary school.

## Baby Tigers To Play Jackson

The Halls High School Baby Tigers will play the Jackson Junior High School football team on the Halls Athletic Field next Thursday night, November 4, beginning at 7:45 o'clock.

The Baby Tigers lost an 18 to 13 game to the Jackson boys earlier in the season at Jackson and are anxious to avenge the defeat. Although a Junior High team the Jackson boys are well coached and will be one of the best teams to play on the local field. Admission price will be 25c to all.

Last Saturday night before a small crowd the Baby Tigers lost a hard fought game to the Somerville "B" team by a score of 28 to 19.

The lead changed hands several times during the game with Halls pushing across the first touchdown, Somerville tied the game, Halls again moved into the lead and then Somerville scored again to take a 14 to 13 lead and were never headed although the Tigers made a scrap out of it all the way.

Outstanding for the Halls team was the running of Scallions and McCord and the defensive play of Carlew. Finest run of the game was the forty-five yard return of an intercepted pass by Scallions just before the end of the first half. Scallions scored the final touchdown for the Baby Tigers with a 60-yard return of an intercepted pass. Somerville was unable to gain much ground with their running attack most of the game but were able to hit their pass receiver rather consistently from a T formation. The game was interesting and exciting to watch and although outweighed and with far less experience the Baby Tigers showed up well.

## PTA To Sponsor Spaghetti Supper

A Spaghetti Supper for the general public is being sponsored by the Halls Parent Teacher Association Friday night of this week in the School Cafeteria.

The menu includes spaghetti, slaw, pickle, crackers, and coffee. Price of the plate will be 50c. Also available will be pie at 10c per cut, cold drinks at 5c each, candy at 5c and 10c and hot dogs at 15c.

An advance sale of tickets is now in progress and supporters of the PTA are asked to eat their evening meal at the cafeteria before attending the Halls-Millington football game. The members of the PTA will begin serving at 5:30 and close the cafeteria at 8:00 o'clock so that all can see the game if they wish to do so.

In addition to the regular menu six cakes will be sold at the half and before the games as an additional source of revenue. Food for the supper is being prepared by the various members of the PTA and will certainly be delicious.

Funds realized through the supper will be used by the Parent Teacher Association in various ways with the major PTA project this year being play of Armored, Ark. and Miss Bobbie Dean Himes, at home.

## Cover Crops May Still Be Seeded

F. H. Paschal  
County Agent

Hairy vetch, Balbo rye, and wheat may still be seeded with assurance that it will germinate and make enough growth before really cold winter weather to provide some protection against washing by winter rains. Rye and wheat in particular will provide some good feed in the spring, wheat, and vetch when turned under as green manure add a lot of organic matter and fertility to the land which increases the yield of row crops.

It appears that more cover crops have been seeded this fall than ever before, but a vast majority of our land will not be green this winter unless more vetch, rye, and wheat are seeded. Either of these crops will do well planted as late as November 10. Communities To Be Judged In November

The Durhamville - Orysa and Hurricane Hill Communities which organized last April and entered the West Tennessee Community Improvement contest will be judged on the progress they have made on November 9. Mrs. A. M. Estes, President of the Durhamville - Orysa Community and Mrs. L. R. Wadsworth, President of the Hurricane Hill Community, are holding meetings of leaders this week to complete projects and get final reports on the activities to be completed this year.

Great progress has been made in both of these organized communities this year. We hope other communities will be interested in organizing and working together next year.

4-H Judging Teams Honored  
The Memphis Chain Store Managers Association honored the 4-H Dairy Judging Teams of West Tennessee and the County Agents and Assistants with a dinner at the Peabody Hotel in Memphis last Saturday. Attractive favors were presented to Vernon McBride, Jr., high scorer in the 5 state contest at the Mid-South Fair in September, and to James Edward Wood, Jimmy McBride, and Louis K. Lovelace, other members of the Lauderdale county team which placed first in the 5 state contest. We were proud of the work done by this team and their coach, Mr. Collier.

State Extension Workers To Meet Next Week  
All the County and Home Agents and Assistants from all over Tennessee will convene at Memphis for a three-day conference on November 3, 4, and 5. These conferences are necessary in order that workers may keep fully informed of the newest developments in agriculture and home-making and in order that they may plan together most effectively for next year's work.

## Great Books Club Had Meeting

The Halls Great Books Club held its first regular session on Tuesday night, October 18, at the high school. The subjects discussed this seminar were the Declaration of Independence (with concern given to the structure as well as the subject content of the document) and special selections from the Bible.

The next meeting of this organization will be held on Tuesday night, November 2, at 7:30 P. M. o'clock in the high school. This entire meeting will be dedicated to a meaningful analysis of Shakespeare's tragedy, Hamlet. The members of this club urge all persons interested to come join in the discussions.

## Funeral Services For Charlie Himes

Services for Charlie Himes were held at 2 p. m. Sunday at Enon Church in the Nankipoo community. Burial was in Halls Cemetery with Halls Funeral Home in charge.

Mr. Himes was 68, and a Baptist. Born in Humphreys County, he moved to Lauderdale County early this year. He was a farmer. He died at his home in the Nankipoo community Friday night of pneumonia.

He leaves his wife, Mrs. Viola Cathey Himes, and four daughters, Mrs. Neoma Hood of Memphis, Mrs. Leona Magazine of St. Louis, Mrs. Robert Humphreys of Armored, Ark. and Miss Bobbie Dean Himes, at home.

BUSTER CAMPBELL, Owner PHONE 5042 HALLS

Be sure with Pure

We are sorry to learn that Robbin Radford has moved to Rocondo Beach, California.

Fourth Grade The fourth grade pupils are really enjoying our Halloween decorations. There are so many decorations on our windows that you can hardly see through them.

We really enjoy spatter painting. We have learned to use both the brush and the gun in our painting.

Dennis Davis is absent because of illness.

Fifth Grade Mrs. Daws' fifth grade will present a Halloween program in the auditorium Friday morning, October 29th.

The characters will be as follows: Mary - Bonnie Ruth White Jane - Dottie Maie Reece

Witch - Mona Fay Patton Goblin - Patricia Beasley Ghost - Shirley Taylor Dancing Doll - Gwila Ozment

This grade says, "A spooky Halloween to all of you, and you'd better be good or the goblins might get you if you don't watch out!"

Sixth Grade We regretted that our teacher was sick Tuesday but appreciated Mrs. Young filling her place at school.

Edna Alley, Ruth Ann Hudson, and Lee Simmons have had birthdays this week.

Most of our class attended a birthday party at Ruth Ann Hudson's home, where many games were enjoyed. Cake, candy and ice cream were served for refreshments.

We are afraid for anyone to pass our windows, the spooks, cat heads, and pumpkins might scare them off.

We have a new pupil in our class, Marlene Hutcherson, from Nankipoo. We are glad to have her to join our grade.

Seventh Grade We are glad to have a new pupil, Maynard Harrell, from Nankipoo.

We are planning to decorate the old seventh grade room.

Mary Louise Knox, Elizabeth Latham, Shirley Duncan, Evelyn

**Fly Immunity to DDT Is Debatable Question**  
**Some Insects Develop Strain of Resistance**

Do flies become immune or resistant to DDT after it has been used for a few years?

This question arises from the fact that a few fly-control failures on farms where DDT was effective in other years have been hard to account for. The explanation was that the flies probably had become resistant to the chemical.

Uncle Sam's entomologists admit that insects can develop resistance to the insecticides used against them, as in the case of the apple codling moth against which lead arsenate lost its effectiveness. More over, Uncle Sam's bug men say they have, in the laboratory, been able to develop a DDT-resistant strain of flies. It is not likely that a DDT resistant strain would develop naturally in the short time since DDT was first used.

It is more reasonable to believe that the occasional failure on farms where DDT already has been used with good results is due to careless use or inferior product.

One thing in particular that should accompany the use of DDT is the destruction or removal of fly breeding places, such as manure piles, weed piles, old stack bottoms and wet spots in barnyards. One of more such spots may be able to turn out flies faster than DDT can kill them, for DDT is not noted for fast action. A fly may survive for hours after alighting on a surface coated with DDT.

**Herds and Flocks**

New insecticide, pyrethone, has proved its effectiveness in control of flies on livestock. Better than some of the old-time fly killing insecticides, the new material is being used now in some livestock fly sprays.

Use of protein supplements in rations for shot always has been profitable. Some farmers have failed to use these supplements, though, because of their cost. Now that grain is so high, the cost of protein supplements is relatively low. So, if the use of supplements is more important one time than another, now is that time.

It looks now like the farmer who has a flock of good pullets in the laying house next fall will get good prices for eggs. The better care you take of pullets now, the better they will be able to stand up under the strain of heavy laying next fall.

Benzene hexachloride, recommended by swine specialists at agricultural colleges for control of hog lice and mange, now is being incorporated in hog oils that can be used in dipping vats, hog wallows, hog oilers or on rubbing posts.

**Reviving Grindstone**

This farm grindstone, although badly battered about its entire diameter and worn quite flat in one place, was easily true-up by dressing it with the sharp-pointed tool shown attached to the small board. The dark "cutting tip" of the tool is made of carbonyl cemented carbide, the hardest metal made by man.

**Tests Show Tung Meal Poisonous to Chickens**

Tung meal proved unsatisfactory as a source of protein in chick rations in tests conducted at the Florida agricultural experiment station. The tung meal proved poisonous, whether raw, heated or heated and sifted. It caused heavy mortality at 10 and 15 per cent levels. At 5 per cent and higher levels the tung meal interfered with feed utilization and growth.

**TO HOLD EXAMINATION FOR DEPUTY US MARSHAL**

Applications from the general public are solicited in an examination announcement made by the Fifth U. S. Civil Service Region, Atlanta, Georgia, for professional (leading to permanent classified) appointment in the Department of Justice, U. S. Marshall's office in various cities in the five southeastern states, to the position of Deputy United States Marshal, grade CAF-5, with entrance salary of \$2974.

Veterans that qualify in this examination will be given preference in appointment as provided in the Veterans' Preference Act of 1944.

A practical written examination is required to test the applicants' aptitude for the duties of the position. In addition to passing the written test, applicants

**Infant Feeding**

Food is a basic requirement for life and babies cry for it. Physicians agree that fortunate indeed is the mother whose infant is hungry and wants all of his food. Appetite is variable in children.

When a child does not eat, a mother naturally worries. Infants and children should never be forced to eat. More damage may be done by forcing food on a child than by letting him miss a meal or two. There are several reasons why an infant will refuse to eat, or has a poor appetite, or is indifferent to food. Illness is the chief cause of food refusal. A sick infant or child is better off without food until the doctor has been called. A well child may refuse food too. He may be too tired or excited to eat well. Rest and sleep will bring his appetite around. A child sometimes puts on an act by refusing food in order to become the center of attraction. The best

**MAID OF COTTON RECEIVES '49 FORD**

Just presented a 1949 Ford convertible, Maid of Cotton Matilda Nail smiles happily at Word Gidden, Shelby, Mississippi, dealer who officiated on behalf of the Memphis District Ford dealers during the recent presentation ceremonies at the Memphis assembly plant. Mr. Gidden congratulated the Texas beauty for her accomplishments as cotton's good will ambassador, then handed her the keys to the sleek new car.

The National Cotton Council has opened the 1949 Maid of Cotton contest, stating that any single girl between nineteen and twenty-five, born in a cotton-growing state, is eligible to compete. The lucky winner will receive a beautiful all-cotton designer wardrobe and will make a six-months' tour to thirty major United States cities. Entry forms are available from the National Cotton Council, P. O. Box 18, Memphis 1, Tennessee. Closing date is December 10.

procedure is to quietly take the food away, without comment.

Taking food away from a child who is putting on an attention-getting act may cause him to cry and plead for his food, but the wise mother will discourage his tricks by letting this mealtime pass unnoticed. Next time, he'll probably eat his food without fuss.

Psychologists call this trick a behavior problem and most children will try it occasionally. It works well in too many cases, yet it may be safely discouraged by the clever mother.

You will receive an answer to any question about health (not disease) by writing: Tennessee State Medical Association, 510 Doctors Bldg., Nashville, Tennessee.

**SIZE OF LAYING FLOCK GOVERNED BY ITS PURPOSE**

Should a farm keep 30 hens or 300?

To answer this question, says Dr. O. E. Goff, head of the U-T poultry department, the family should decide what is expected of the flock; and regardless of the number decided upon, the hens should pay their way.

The farm interested only in an egg supply for the family needs four or five hens for each member of the family. For example, a family of six needs 25 to 30 hens. A flock of this size can salvage a good portion of feed needs from free range, requiring only a minimum of supplement. Only a small building is needed for housing. Thus ample eggs for the family may be obtained at small cost.

A general farm may realize a profit from a free range flock of 30 to 50 hens. But when the number is increased to 100 and the hens are forced to forage for their feed, failure may be expected for the project.

On the other hand, a flock of 300 hens represents a worth while

investment in money, equipment, labor, and interest. Such a flock must be conducted on business principles, including proper brooding, growing range rotation, housing, yarding, feeding, management, marketing.

To make the most from the flock, Dr. Goff points out, pullets should be grown to reach good production in fall months, when egg prices are highest.

**FALL PREPARATION REDUCES PROBLEMS OF SPUD PLANTING**

Preparing the ground for Irish potatoes, if done at the right time, will be no problem next spring, says J. J. Bird, U-T Extension associate horticulturist.

Many potato plantings in Tennessee last spring ran a month or more late largely because of wet weather, Bird says. As a result, yields generally were reduced. For the 1949 crop, plowing should begin now by turning under plenty of organic matter. Plowing a closely pastured field, or closely clipped stubble is not enough. Good top growth, preferably a legume, should be turned under in the fall preceding a potato crop.

Fall plowing facilitates the necessary early planting, even with a rainy spring. Planting should be about the first of March in West and Middle Tennessee; March 15-30 in most of East Tennessee; and April 1 to 10 on the Cumberland Plateau and counties of high elevation in East Tennessee.

**ORDER OF PUBLICATION**

TO JOSEPH THURMOND  
LIZZIE THURMOND  
vs.

JOSEPH THURMOND  
In the County Court at Ripley, Tennessee.

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant Joseph Thurmond, non-resident of the State of Tennessee and resident of the State of Illinois, so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Joseph Thurmond appear before the Judge of the County Court of Lauderdale County on or before the 1st Monday in December (it being the 6th day of said month and the first day of December term of this Court) and make defense to the bill filed herein a-

gainst him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring him to so appear.

This 18th day of October, 1948.  
N. C. UTLEY, Clerk  
W. C. PATTON  
Sol. for Complainant

It's an old saw but always applicable, that many of us here in Halls, have our wishbone where our backbone ought to be, at least we act that way.

**Have You??**

Have you contracted your fertilizer yet?

Have you given us your order for your Hybrid Corn for next year?

Both of these are important things to consider. We have been able to book one car of 4-8-8 fertilizer, also one car of 3-9-6 and we have in stock subject to being unsold, about 7 tons of 25 percent Manure Salts and a few tons of 20 percent Phosphate. Did you know that phosphate will pay big dividends when applied to grain, clovers or Lespedeza? Ask your agriculture agent.

Now about Hybrid Seed Corn. We are in position to accept your order now for Pfister, also Farm Craft Hybrid. We have sold both strains of this corn for four years without a complaint.

On a field test conducted this year by J. A. Gilliland, Route 1, Gates, our Pfister no. 1728 led in production over four other strains with a per acre yield of 72.3 bushels.

Get your orders in now on both Fertilizer and Hybrid Seed Corn.

**REMOVE STUMPS BY BURNING FORESTER SAYS**

Farmers interested in removing stumps from fields will find saltpeter will help them do the job, says G. B. Shivery, U-T Extension forester.

The saltpeter is effective if applied in the fall. It should be placed in the center of the stump in a hole from one to one and one-half inches in diameter and about 18 inches deep, Shivery explains. After putting one to one and one-half ounces of saltpeter in the hole it is then filled with water and plugged tight.

In the spring the plug is taken out and about 10 ounces of kerosene is poured into the hole and ignited. The stump will smoulder away, without blazing, to the very extremities of the roots, leaving nothing but ashes.

**Knowledge Is Not Wisdom**

WISDOM (as these writers use the word) is not the same thing as knowledge. A person may know a great many things and still be a fool. Or he may not even know how to read and write, and yet be wise. Some modern writer has said: Knowledge is knowing what to do; skill is knowing how to do it; and virtue is doing it. Wisdom is all of these put together.

But the special feature of the "Wisdom Writers" is this: True wisdom begins with the fear of God. "The fear of the Lord is the beginning of wisdom . . . the knowledge of God is understanding." In other words, wisdom without religion, without faith, is foolish after all.

We can see how in our times the story of the Nazis has shown this once more to be true. The German Reich of 1933-1939 had the best of the science of the world; they had scholarship and wealth and "know-how" in many fields; but they rejected God and defied his church—and so a nation was destroyed.

We too may profit by their example. We of the western nations have wealth and technical skills beyond any other peoples, we have the atom bombs—but have we the wisdom without which all these things are but as torches in the hands of madmen?

**University on Ant-Hill**  
KNOWLEDGE may be expensive. It costs a great deal of money to know what it takes to be an engineer or a surgeon. Wisdom, strange to say, is less expensive. It is in fact on such a low shelf that most people pass it by.

Consider where the "Wisdom Writers" tell us we may learn wisdom. One place is experience. "Experience keeps an expensive school, but fools will learn in no other—and hardly from that," says a more modern proverb.

Many of the proverbs in our Bible are simply distilled drops of experience. "A soft answer turneth away wrath, but grievous words stir up anger," for example. Do you need an angel from the sky to tell you that?

Another source of wisdom is just Nature herself. "Go to the ant, thou sluggard (lazy fellow); consider her ways and be wise." A lazy man is a fool; but how shall he learn to be wise? Not by reading books—just by watching the ants.

**Inspired Common Sense**  
A FORMER governor of Virginia used to say that during his term of office he received more practical help from reading Proverbs than from any of the books on political science in his library. For the science, or the art, of government is simply one specialized form of that most important art, getting along with people. And the Wisdom Literature shows us how it is done.

Some people think that Inspiration is always mysterious, and that the Holy Spirit would not stoop to inspire what we could learn in any ordinary way. But the Christian church, when it declares Proverbs (for example) inspired, expresses her belief that there is such a thing as Inspired Common Sense.

God may speak to us, and does speak—if we will listen—in the advice of our parents, in our everyday experiences, in the hard-working ant and the majesty of the soaring eagle. All truth is God's truth, even when we find it in our own backyard.

### Reports Must Be Made By Trainees

Many veterans and training establishments have failed to furnish the Veterans Administration with VA Form 7-1905c "Monthly Report of Training" for the month of September by the 10th of October. This means suspension of subsistence allowance payments in such cases to trainees on the job and in trade and vocational schools under Public Law 346.

Both trainees and trainers fully realize their responsibility to submit these reports monthly in every individual case, and to make sure that they reach the VA before the 10th of each month, so as to protect veterans against suspension of payments. He explains that under controlling regulations the non receipt of the monthly training report by the 10th of any month calls for immediate suspension of subsistence allowance payments, and that delinquent reports affect the future training status of the veterans.

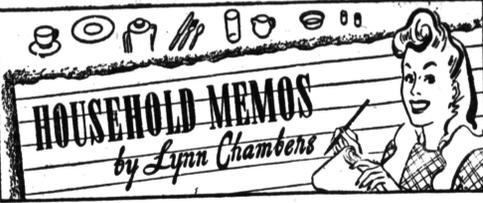

Nixon urgently requests that

Only those veterans in on-the-job training and trade and vocational school training under Public Law 346 are concerned, Nixon said. The VA has previously furnished a good supply of the blue forms 7-1905c to all training establishments concerned, and has issued to trainees and trainers full instructions as to the proper method of completing and submitting.

Nixon reminds that the reports must be submitted monthly; must reach the VA by the 10th; must contain full information called for, and be signed by both the trainee and the trainer. He also points out that the veteran's full name, C-number, and the name and address of the training establishment, must be given on each separate report for identification purposes, if the veteran is to be protected against suspension of payments.

Seasonings, Sauces Make Savory Vegetables  
(See recipes below)

#### Let's Eat Vegetables

A NEIGHBOR OF MINE recently had a dinner party for which she engaged a caterer. When I asked her how the party turned out, she replied, "Oh wonderful! Of course we had a fancy dessert and everything on the platters was fixed nicely, but the thing that impressed me most was how good the vegetables were. We have the same vegetables that she served but mine never taste so good, yet there wasn't anything particularly hard about the way she prepared them."

Here again, it's the little things that make the difference between everyday eating and special entertaining. But as my neighbor told me, the tricks were simple ones. Carrots were scraped shiny and bright, left whole and dusted with parsley and butter before serving. The cauliflower had a cheese sauce, and the tomatoes, dusted with bread crumbs and broiled, were really delicious. Little mounds of green peas were still green when served, and they just had some butter, salt and a few mushroom caps among them.

All the vegetables were placed on a large platter with the cauliflower in the center. And the vegetables made as big a hit as the dessert!

Vegetable tricks are simple ones. The first caution to observe is not to overcook, thus destroying color, texture and vitamins—even though you can't see the latter.

IF APPETITES are a little jaded, use clever seasoning tricks on vegetables to enhance their natural flavors.

There are many interesting seasonings that can be tucked into vegetables to add interest as well as appetite appeal. Horseradish can be used with beets, cauliflower or green beans.

A dusting of nutmeg lifts spinach out of the ordinary class. Onions go well in many things such as potatoes, peas, green beans or beets. Other combinations that may strike your fancy include cheese, chives, mustard, parsley or curry.

DON'T SEASON every vegetable you serve with high seasonings especially if you are serving a combination. For example, if your vegetable platter consist of string beans, carrots and potatoes, leave the potatoes completely natural. Boil in their jackets to be served with butter, salt and pepper.

Carrots can be parsley buttered, and green beans can be served with a smooth creamy horseradish sauce, as follows:

- \*Creamy Horseradish Sauce (Serves 6)
- 3 tablespoons butter
- 3 tablespoons flour
- 1/2 teaspoon salt
- 1/2 teaspoon pepper
- 1 1/2 cups milk
- 3 to 4 tablespoons drained horseradish

Melt butter, add flour and seasonings; blend smooth. Gradually add milk while stirring, and cook until smooth and thick. Stir in drained horseradish. This makes enough sauce for one and one-half pounds of green beans.

#### LYNN SAYS: Vary Basic Recipes With New Flavors

Why not add chopped apples and raisins to the bread stuffing you use for bread dressing in pork chops or fowl? Families will cheer the change.

Add a cup of cranberries to your favorite white flour muffin recipe along with a bit of extra sugar for a colorful hot bread.

Cream butter with a bit of lemon juice when you make sandwiches. They'll taste fresher.

#### LYNN CHAMBERS' MENU

- Barbecued Spareribs
- Oven Broiled Potatoes
- \*Green Beans with Horseradish Sauce
- Crusty Rolls
- Butter
- Blackberry Pie
- Beverage
- \*Recipe Given

WANT TO DO something special with potatoes? Here's a company-mannered potato dish which can be served with a roast:

#### Broiled Potato Puff (Serves 6)

- 8 or 9 medium potatoes, peeled
- 3 tablespoons butter
- 1/2 to 1 cup scalded milk
- 2 teaspoons salt
- 1/2 teaspoon pepper
- 1/2 cup thick cream, whipped
- 1/2 cup grated American cheese

Cook potatoes until tender; drain and mash thoroughly. Add butter and gradually beat in milk. Beat until light and fluffy. Add salt and pepper and blend. Pile potatoes into a shallow casserole. Top with whipped cream and grated cheese. Slip into a slow to moderate (325 degree) oven for 10 to 12 minutes to heat through the potatoes and melt the cheese.

If Dad is away for dinner, you and the kiddies can make a meal out of the delectable dish:

#### Asparagus Mimosa (Serves 6)

- 4 tablespoons butter
- 1/2 cup sliced mushrooms, if desired
- 1/2 cup chopped celery
- 4 tablespoons flour
- 1 tablespoon curry powder
- 2 cups milk
- 1 teaspoon salt
- 6 hard-cooked eggs
- 2 cups diced, cooked or canned asparagus

Melt butter in top of double boiler; add celery and mushrooms. Cook until vegetables are soft; blend in flour, add milk and cook until thickened. Add salt and curry powder. Mix with asparagus and hard-cooked eggs, and heat through. Serve, dusted with paprika.

#### Braised Red Cabbage (Serves 6)

- 2 tablespoons bacon drippings
- 1 medium-sized head red cabbage
- 2 tablespoons vinegar
- 1/2 cup water
- 1 1/2 teaspoons salt
- 1/2 teaspoon pepper
- 1/2 teaspoon cloves
- 3 tablespoons honey or corn syrup
- 3 tablespoons lemon juice

Slice red cabbage fine. Add half the cabbage to the drippings in a heavy sauce pan. Sprinkle with half the vinegar; add remaining cabbage and vinegar. Pour on water, cover and cook slowly until cabbage can be pierced with a fork. Season with salt, pepper and cloves. Add honey and lemon juice, mix thoroughly and serve hot. Released by WNU Features.

Baked pears are a delicious dessert when baked in brown sugar and served chilled with cream and a sprinkling of nutmeg.

Did you know that you could layer sliced apples in a casserole, buttered, of course, with peanut brittle, butter and lemon juice and bake them all for a delicious dessert?

For kabobs that are delicious try sausage balls put on the same stick with apples and onions. Broil until well browned and thoroughly cooked.

### Plenty Of Men In Older Group

WASHINGTON (UP) — The Army will draw its first three-months' quota of 45,000 draftees from the ranks of 25 and 24-year old Selective Service registrants who are single and without war service, it was indicated today.

Because the Army is prepared to handle only 10,000 men in November, 15,000 in December and 20,000 in January, its first quarter call is not expected to tap those registrants under 24 years of age. In the 25 and 24-year age groups are 144,175 men who appear available for immediate military training.

If one out of three of these potential draftees makes the grade, the Army will have plenty of men to swell its ranks for the first quarter. If it has to go down to the next lowest age level, there are 134,175 men now age 23 who

can be tapped for 21 months of military service. Between August 30 and September 18, Selective Service registered a total of 8,584,963 men 18 through 25. Of this number, only 2,147,813 were in the presumably 'available' classification, that is, unmarried, without children, and having no war service.

## HALLS RESIDENTS TAKE PART IN ARK. WEDDING

In a beautiful candlelight ceremony at the First Baptist Church in Nashville, Ark. Miss Frances Marie Perry, daughter of the Rev. and Mrs. W. E. Perry of Nashville became the bride of William R. Crutchfield, also of Nashville, Friday evening, October 22, at 7:30 o'clock.

Preceding the ceremony a program of nuptial music was rendered by Mrs. Wymond Hurt of Halls at the organ and Mrs. M. E. McDearman, Jr. of Halls, soloist, who sang O Promise Me and Because.

Candlelighters, twin sisters of the groom, four groomsmen, four bridesmaids and the maid of honor stood at the altar as the attractive bride came down the aisle on the arm of her uncle, W. S. Perry, of Halls, who gave her in marriage. The Rev. Perry officiated using the single ring ceremony.

A reception was held at the Nashville Hotel immediately following the wedding, after which the couple left for a short wedding trip. They will make their home in Arkadelphia, Ark. where Mr. Crutchfield is completing his college work.

Attending the wedding from West Tennessee were the bride's grandparents, Mr. and Mrs. T. G. Avery, Mr. and Mrs. M. E. McDearman, Mrs. Wymond Hurt, Mr. and Mrs. W. S. Perry and Mrs. Henry Murchison of Halls; Mrs. John Goodwin and Miss Vivian Pope of Jackson; and Mrs. Will Stallings of Friendship.

## PATRICIA BEASLEY CELEBRATES BIRTHDAY

Patricia Beasley, daughter of Mr. and Mrs. Ora E. Beasley, celebrated her tenth birthday with a Theatre Party Friday afternoon. After attending the Halls Theatre the guests went to the Beasley home where games were played and cake and ice cream were served. Patricia received many nice gifts.

Those attending the party were Marlys Cribfield, Carolyn McCorkle, Gwila Ozment, Blanche Nunn, Buna Smith, Barbara Beasley and Carolyn Beasley, Tommy McDearman, Arthur Currie, Rodney Jackson, Tilford Woodard and Mark Cribfield.

## DOUBLE WEDDING IS ANNOUNCED

Announcement is made of the marriage of Miss Jerre Watts, daughter of Mr. and Mrs. Clyde Watts, of the Poplar Grove community, to Wymon Stallings, son of Mr. and Mrs. J. W. Stallings of Halls, Route 3. The ceremony was performed on May 29, 1948, at Senatobia, Miss. at the Baptist parsonage.

Mrs. Stallings is a member of the Junior Class of Halls High School and was queen of the football team two years ago. Mr. Stallings graduated from Halls High School this spring and was co-captain of the 1947 football team. He is presently employed at Bowen Lumber Co. in Dyersburg.

Miss Anna Dell Rooks, daughter of Mr. and Mrs. Caris Rooks, and Hartwell Strain, grandson of Mrs. Gertie Strain, of Gates, were married in a ceremony on May 29, 1948 at Senatobia, Miss.

Mrs. Strain is a senior at Halls High School and Mr. Strain is presently a member of the Armed Forces. He graduated from Halls High School this spring and was captain of the 1947 football team.

Accompanying the two couples to Senatobia were Miss Oudia Hartman of Gates and Norris Peckinpugh of Unionville.

## ENTERTAIN MEMBERS OF FOOTBALL SQUAD

Mr. and Mrs. Billie Perry and Mr. and Mrs. Meredith Hurt were hosts at a delightful affair Monday night when they entertained at the Legion Hut for members of the Halls High School football squad and their dates.

Cornstalks, gold and red leaves, black and gold crepe paper bows went to make up the decorations furnishing a Hallow'e'n motif. A pumpkin centered each of the seven tables with apples holding candles lighting each table. A delicious menu of barbecue sandwiches, pimiento cheese sandwiches, potato chips and cold drinks was served buffet style.

In addition to the football boys and their dates the guest list included Coach and Mrs. James Perry and Supt. and Mrs. H. G. McCorkle.

## ATTEND REA MEETING

Mr. and Mrs. Ora E. Beasley returned Wednesday night from Louisville, Ky., where they attended a National Rural Electric Cooperative Association meeting for Region 3. Mr. Beasley was elected an executive committeeman of Region 3 and his picture appeared along with the other two committeemen in the Louisville Courier Journal for October 27. Mr. and Mrs. Beasley motored to Louisville along with Mr. and Mrs. Herman Brauner of Selmer.

## HALL - REYNOLDS VOWS SAID OCTOBER 20TH

Miss Carolyn Reynolds, daughter of Mrs. Helen Reynolds, of Memphis, became the bride of Harry Jordan Hall, son of Mr. and Mrs. Harry A. Hall, in a ceremony at the First Congregational Church in Memphis on Wednesday, October 20, at 5:30 o'clock. Brother Winfield officiated using the double ring ceremony. Immediately following the ceremony a reception was held at the home of Mrs. Evans, grandmother of the bride.

After a wedding trip to the Smoky Mountains the couple are at home at 1383 Monroe in Memphis. Mr. Hall is stationed at the Millington Naval Base.

Among those attending the wedding and reception were Mrs. Harry Hall and daughter, Hope, of Halls; Mr. and Mrs. David Klyce Hall and son, Jeffrey, of Indianapolis, Ind.

## PALAZZOLOS HAVE PARTY AT LEGON HUT

Mr and Mrs. A. Palazzolo of Dyersburg honored their niece, Miss Adeline Palazzolo, of Detroit, Mich., with a Party at the Legion Hut Thursday night, October 21.

Approximately forty guests from Halls and Dyersburg enjoyed the hospitality of Mr. and Mrs. Palazzolo. A tempting party plate and cokes were served.

Read the Graphic for the news.

## OUR SHOP SERVICE WILL SAVE YOU MONEY!

Your tractor and farm machines—you want them fixed in the shop of course, instead of in the field, where breakdowns and delays are expensive. Our shop service will put your farm equipment in tip-top running order, ahead of season. Pre-season servicing is the *stitch in time* that prevents costly field breakdowns and delays. Saves money, too.

Help us to help you! Call us now, or drop in and arrange a date for us to give your machines our top-quality shop treatment.

You'll get an economical job, and an expert job—a job done by trained servicemen using the latest equipment and factory-approved methods.

Call us or see us at once for a date to put your equipment in shape ahead of season.

## Heaven and Earth Shall Pass Away

But My words shall not pass away. So said Jesus Mark 13:31.

God's word is the magic key that opens the door to real happiness. The world offers no real satisfaction.

Human Wisdom is futile; earthly pleasures are "like poppies spread". Human achievements fail to answer the longings of the soul; Seek first the Kingdom of God and His righteousness. Matt. 6:33. The Book reveals the wisdom of God. His Spirit will guide you into all truth.

The Men's Bible Class of Halls Baptist Church invites men of whatever age or station in life to attend its services each Sunday morning at 9:45.

Our earnest desire is to have young men, old men, married men, single men, to join us in the study of the Bible.

"Art thou a mourner, rouse thee from thy spell, Art thou a sinner, sins may be forgiven, Each morning gives thee wings to flee from hell, Each night a star, to guide thy feet to heaven."
