

## Confidential Corner

### Congratulations

Congratulations to Allan Levy and Jo Larson upon their selection as Junior King and Queen and Philip Hurt and Dawn Robertson for their selection as Senior King and Queen to reign over the Halloween Carnival Wednesday night of this week. Incidentally, we haven't yet figured out which is the proudest "papa," Louis or Merle, over the selection of Allan and Jo. Personally, we think all four are fine selections and feel sure that they will reign in a regal manner.

### Don't Forget

Each person who possibly can should remember that the bloodmobile will be in Halls on November 15 seeking donations of blood to be sent directly overseas for the use of our soldiers in Korea. Make your plans now to donate a pint of blood on November 15.

### That Car Title Law

N. C. Utley, county court clerk, is again reminding the motoring public of what he calls that "pesky" car title law. A car or truck owner will not be able to purchase license plates next March unless he has been granted a Certificate of Title by the State of Tennessee or at least has evidence that application has been made for the certificate. Since it is taking up to four months for the certificates to be returned to car owners it behooves them to make their application now so that there will be no difficulty next March. A bill of sale showing ownership of the car must accompany the application and application can only be made in the clerk's office by the owner himself. Read the details of the title law as outlined by Mr. Utley elsewhere in this issue of the Graphic.

### Needs Fixing

Something needs to be done about the booby trap on the highway at the front of Walker's Restaurant and the Post Office. Formed by the collapse of the concrete undermined by a sewer connection, the hole could prove to be very dangerous. We're not certain but we believe that the street is maintained by the state since it is a state and federal highway. If this is true city officials should prod state engineers into repairing the damage and if it is the city's business then repairs should be carried out at once.

### Oh, This Weather

Just when citizens living on some of the streets which are being blacktopped thought that the work would be completed it started to rain and it has rained and rained. Seems probable that completion of the street work will be delayed for some time.

## Baby Tigers Lose To Dyersburg

The Halls Baby Tigers were knocked out of the Jeff Davis League playoff Friday night when they took a 28 to 6 licking from the powerful Dyersburg Junior team on the Dyersburg field.

The Baby Tigers got their touchdown quick with Jimmy Lewis Smith going some sixty yards for the touchdown in the early minutes of the game. However, cramped or weighed and outmanned and badly handicapped by injuries, the Baby Tigers were unable to stop the Dyersburg line smashes.

Playoff for the championship will be next Tuesday night with Tiptonville and Dyersburg playing for the trophy. Halls, Tiptonville and Dyersburg ended the regular season in a three-way tie for the championship, each having won four games and lost one.

## TEACHERS TO MEET

S. E. Pierce, president, has announced that the Lauderdale County Teachers Association will meet Saturday morning at 10 o'clock at Ripley High School. The four-point legislative program of the Tennessee Education Association will be discussed at the meeting.

## Utley Urges Getting Car, Truck Titles

The 1951 Legislature passed a law which requires each person that owns any kind of a motor vehicle for which a state tag is required, to make an application for a title to each vehicle.

If you have purchased a car since July 1st of this year, you must obtain a notarized bill of sale from the person or the dealer from whom you purchased the vehicle. If you own a vehicle purchased prior to July 1st of this year the bill of sale that was given you at the time the car was purchased will be required before you will be able to make application for a title.

Bring your bill of sale to the County Clerk's Office. Here you will surrender your bill of sale and the clerk will make out an application for title. The original copy of this application and your bill of sale will be mailed the same day to the Department of Safety, Nashville, Tenn. Within 120 days you will receive a title for the vehicle for which you have made application.

We will not be able to sell you a 1952 auto tag next March without this title or proof you have made application for one. Your proof will be the duplicate the clerk gives you when you surrender your bill of sale and make application for a title. So get your bill of sale now, and if you have Lauderdale County tags on your car or truck come into the office at your earliest convenience.

As we have said before, this is something that each person who owns a car or truck must do in order to buy 1952 tags; therefore we urge you to do this at once. The person to whom the bill of sale is made out to must come in and sign his or her own application. If your car is in your wife's name, she must come in and sign for the title.

We are sorry about this foolish, contemptible law that was crammed down the throats of the people of Tennessee at the 1951 session, but it is the law, so get your bill of sale and make your application at once.

N. C. UTLEY adv.

## Farm Problems To Be Discussed At Bureau Meeting

Farmers who have special problems in regard to field crops, dairying, livestock, and the like, will have an opportunity to meet other farmers from over Tennessee in a day-long session to discuss problems and seek solutions to these problems on November 12.

The first full day's program at the annual Tennessee Farm Bureau Convention in Nashville is being devoted to commodity and departmental conferences," says W. C. Viar, Jr., president of the Lauderdale County Farm Bureau.

Conferences will be held in the following fields: fruits and vegetables, livestock, dairying, field crops, poultry, forestry, rural electrification, cooperatives, insurance service, Farm Bureau organization, Home and Community department and Young Farmers and Homemakers.

The annual Farm Bureau Convention starts on Sunday, November 11th, and runs through Wednesday, November 14. Monday will be devoted entirely to these commodity and departmental conferences.

Farmers who are having trouble in any of the above fields will have the opportunity to air their problems and have a discussion on the matter. These commodity groups will then recommend to the State Farm Bureau resolutions.

(Continued on Page 2)

## Hallowe'en Carnival Is Well Attended

Allen Levy and Jo Larson as Junior King and Queen and Philip Hurt and Dawn Robertson as senior King and Queen reigned over the Hallowe'en Carnival at the Elementary School Wednesday night. They represented Mrs. W. C. Viar's section of the first grade and Mrs. Neil Ferguson's section of the fourth. They were crowned in a ceremony held on the stage with last year's royalty, Linda Hilliard and Chuck Murchison, and Bobby Perry and Carolyn McCorkle, handing the implements of royalty to them.

Although greatly handicapped by the cold rain the Carnival was declared a huge success with all booths and concessions reporting good sales. The Carnival is held each year under the sponsorship of the PTA with the money turned over to the various grades for the purchase of needed supplies and materials.

Among the major attractions at the Carnival was the display of aprons which were made and donated by various mothers and grandmothers for the benefit of the PTA. Some 125 aprons were on display and sale was brisk all during the evening. First prize among the aprons was awarded to Mrs. Gordon Gooch, second place went to Mrs. Carmen Belton with Mrs. J. G. Olds placing third.

## Tiptonville - Tigers Play Here Tonight

The Halls Tigers will play the Tiptonville Earthquakes Friday night in the final home game of the 1951 football season with the game being designated as the Homecoming Game with Halls alumni invited to attend the game.

Tiptonville will be slightly favored but the improved play of the Tigers during the past three weeks has strengthened the belief that the Tigers can lick their Lake County opponents. Tiptonville displays a single wing attack and the Tigers have played their best ball against single wing teams this year. The game with Tiptonville is a conference game.

The Tigers traveled to Millington last Friday night and came home licking their wounds with some satisfaction as they played Millington to a 0-0 tie. One of the most bruising defensive games in some years was the description given by one fan in telling of the game. Neither team was able to maintain any continuous offense as the defense of the two teams stopped both running and passing attacks.

Millington scored one touchdown on a punt return but had it called back on a clipping penalty and three times the Tigers went within the Millington 25-yard line, once reaching the 14 but were unable to reach pay dirt. Play of the Halls line was again outstanding.

A win over Tiptonville Friday night can brighten the hopes of the Tigers for a fair season with Ridgely and Ripley left on the schedule. The Tigers will enter the Ridgely game as favorites as they have been only once before this season and while Ripley will be favored memories of last year's game will do much to bolster the hopes of the Tigers for a victory November 18.

## COUNTY FARM BUREAU APPOINTS DELEGATES

The Lauderdale County Farm Bureau board of directors elected three voting delegates and three alternates this week to attend the State Farm Bureau Convention in Nashville, November 11-14.

The voting delegates named are Elvis Cannon, Daniel Meeks, and Sidney Carmack. Alternates named are Arthur Thomson, E. P. Grear and Horace Duncan. W. C. Viar, Jr., President, is automatically a voting delegate. Mrs. P. M. Parker was appointed voting delegate to the Home and Community department conference. Alternate delegates are Mrs. W. M. Parritt, Mrs. C. U. Roberson and Mrs. W. L. Barbour.

## PTA MEETING DATE CHANGE ANNOUNCED

Mrs. Clyde Younger, president of Halls Parent Teacher Association, announced Tuesday that the regular meeting date of the PTA has been set for the third Monday night in each month. The date was changed from the second Monday afternoon so that men may attend and take part in the meetings and to avoid conflict with meeting dates previously set.

## Bloodmobile Here On November 15

A called meeting of heads of various organizations of the town is being called at 7:30 o'clock next Monday night to discuss the coming of the bloodmobile to Halls on Thursday, November 15. The meeting will be held at Bank of Halls.

Among the organizations which are expected to send representatives to Monday night's meeting are Halls Post American Legion, Halls Lions Club, Halls Masons, American Legion Auxiliary, Board of Mayor and Aldermen, PTA and representatives of the various churches. At the meeting an effort will be made to exactly outline procedure for the bloodmobile and enlist the assistance of the different organizations in securing donors and the 30 workers which will be needed. Miss Shepard, of the American Red Cross, will attend the meeting.

Leaders in bringing the bloodmobile to Halls state a pledge of at least 200 donors is needed to meet the quota which has been set for Halls. This means that a great deal of personal work will be needed to secure sufficient pledges.

The bloodmobile will be in Halls from 10 a. m. to 4 p. m. on Thursday, November 15, with donations of blood accepted from ages 21 through 59. Trained workers will accompany the bloodmobile to give proper tests before donations of blood are accepted.

## Halls Population Is Now 1808

According to figures recently released by the Bureau of the Census, Department of Commerce, Halls showed the greatest percentage of gain in population during the 1940-50 period of any town in Lauderdale County.

Figures revealed that Halls now has a population of 1808 as compared to 1511 in 1940, a gain of 19.7. Ripley showed a gain to 3318 from 2784, a gain of 19.2%. Other towns listed and their population in 1950 as compared to 1940 were: Gates, 234, as compared to 383, a loss of 38.3%; Henning, 493 as compared to 415, a gain of 18.8%.

The county itself showed a gain of 2.4% for the ten year period with the 1950 population being 25,047 as compared to the 1940 population of 24,461.

## Respected Gates Citizen Dies

Services were conducted for Mrs. Lillie Pennington Wilcox, lifelong resident of Gates, at Gates Methodist Church Friday afternoon at 2:30, by the Rev. W. M. Vaughan. Burial was in Gates Cemetery with Halls Funeral Home in charge.

She had been a member of the Methodist Church for a number of years. She had been in ill health for several years. She died of a heart attack Wednesday afternoon while on a visit in Chattanooga. She was 69.

She leaves one sister, Mrs. Richard Simmons of Jackson; three nieces and one nephew whom she reared from childhood as follows: Miss Pansy Griffin of Chattanooga, Miss Hazel Griffin of Gates, Mrs. Hunter Raines of Memphis and John H. Griffin of Muthmin, Illinois.

## GUEST ARTISTS

Tommy McDearman and Carolyn McCorkle were guest artists at the Tiny Tot Revue in Ripley Thursday night of last week. Carolyn danced two toe ballet numbers while Tommy performed with his puppets.

## Mrs. Roxie Goodwin Died Saturday

Mrs. Roxie Goodwin, respected Halls resident, died Saturday night at the Lauderdale County Hospital after having been ill for some time. Mrs. Goodwin had been in ill health for several years and had been confined to her bed for several months.

Funeral services were held on Monday afternoon at 2 at Lebanon Methodist Church in Crockett county with the Rev. W. M. Vaughan, pastor, and the Rev. M. L. Davis, former pastor of Halls Methodist Church, officiating. Burial was in the church cemetery with Halls Funeral Home in charge.

Mrs. Goodwin was a native of the Lebanon community but had spent most of her life in Halls.

Surviving are two sons, Ira Lee Goodwin of Tylertown, Miss., and I. C. Goodwin of Marked Tree, Ark., a daughter, Mrs. Raylon Kirby of Halls; two sisters, Mrs. Felix Morales of Tampa, Fla., and Mrs. Verda Stafford of Ludlow, Ky.; two brothers, R. D. Argo and Paul Argo, of Lake county; and two grandsons, Forrest and James Grant Goodwin, whom she was rearing.

## Forked Deer Electric To Have Open House

H. E. Pentecost, manager of the Forked Deer Electric Cooperative, Inc. of Halls, Wednesday announced plans for formal showing of their new building on Highway 51, just north of town.

Mr. Pentecost stated that formal opening of the building will be held on Tuesday, November 6, from 10 a. m. to 10 p. m. with a cordial invitation issued to the general public to visit and inspect the coop's new home.

Heading those welcoming visitors at the opening will be Manager Pentecost, Charles Price, coop president, H. G. Caldwell, vice-president, Robin Coffman, secretary-treasurer, and other members of the Board of Directors, Jim Meeks, A. H. Bledsoe, B. M. Griffin, R. T. Peal, T. J. Yarbrough and J. A. White, and W. C. Patton, Cooperative attorney.

Among those who will be present for the formal opening will be E. A. Corum of Memphis, Representative Management Section of REA, E. A. Kerr, of Chattanooga, Sectional Representative Application and Loans for REA, W. W. Newman, Sectional Engineer, R. J. Beamish, Jr. of Jackson, TVA Manager Western Division, V. E. Mohler of Memphis, TVA Representative, A. D. McWhorter, Jr. of Nashville, Forked Deer Electric resident engineer, Clyde Elsea of Mountain City, Pres. of Tenn. RE Cooperative Ass'n., J. C. Hundley of Nashville, Executive Manager of Tenn. RE Cooperative Ass'n.

Suppliers of materials, etc. for the new building who will have representatives here include Tenn. Valley Electric Supply, Westinghouse Electric, GE Supply Co., Graybar Electric Supply Co., S. C. Toof Co., and Cooper Office Equipment Co., all of Memphis, and Southern Electric Manufacturing Co. of Chattanooga.

Also to be guests at the formal opening will be managers and representatives of various REA Cooperatives in Tennessee, Kentucky and Arkansas.

Construction on the new building started in November, 1950, with the coop first using their new home about September 11. Total cost of the new building including grounds, etc. was approximately \$140,000 with the building called one of the finest of its kind in Tennessee. Modern in every respect the building contains office space, warehouse storage space and a garage for the coop's trucks. Ceilings are of acoustic tileboard, floors are covered with asphalt tile, indirect lighting and air conditioning are featured in the office space.

Founded in 1940 the Forked Deer Electric Cooperative, Inc. serves some 6,000 families in four counties, Lauderdale, Dyer, Crockett and Haywood, with some 980 miles of lines.

## METHODIST YOUTH FELLOWSHIP TO MEET

The Methodist Youth Fellowship will meet on November 5th at Lebanon, 5 miles east of Halls. All churches are invited to attend.

This is Parents Night. After worship, games and refreshments will be enjoyed on the campus. Tell your friends to come along and spend a worthwhile evening with the young people.

—Buddy Holder

## Elementary News Notes

The frost was on the pumpkin in the light of the harvest moon; And the funny old man we glimpsed there Seemed a jolly, gay buffoon.

He watched us bob for apples, Outshone the bonfire's bright, And smirked in his age-old wisdom At lovers who strolled in his light.

Yet, he cast o'er all a radiance, A mantle of silvery sheen, And in the glow of his friendly interest We celebrated Hallowe'en.

—1—

First Graders thoroughly enjoyed Tommy McDearman and his marionette Thursday afternoon. Their little faces were interesting to watch as Tommy made "Jumbo" dance, talk and climb a stack of books. Come to see us again, Tommy!

Richard Hurt has returned to Oak Ridge to live. We are sorry to lose him.

We want to thank Brenda Wyse for bringing us a pumpkin to use in our room for Hallowe'en. Thanks, Brenda!

The Second Grade all enjoyed the cowboy show last Friday. Thanks for letting us see it, Mrs. Mac!

Boy, are glad to be through with our Achievement Tests! When our teacher mentioned tests someone said, "De we have to take a shot?"

We missed "Butch" Lamb, Mary Sue and Betty Lou Jennings, Patsy Wright, and Kenneth Wiggins who were absent a day or two this week.

We would like to congratulate ourselves on doing so well in the King and Queen Contest! We regret that we did not win.

We want to thank our mothers for sending us such pretty aprons for the Hallowe'en Carnival.

We are sorry to lose "Andy" Anderson who has moved to Wichita, Kansas. We miss her lots! We had a nice report from Patty Williams on her trip to the circus.

(Mrs. McDearman)

We welcome Jackie Jacobs back to Halls. He has recently been living in Chicago, Ill.

Poor Elizabeth Ann and Carey Alsobrook had a nice little trip to the dentist Thursday.

Danny Ray and Lynn Scott Vaden brought real pumpkins to our class for Hallowe'en. Thanks!

We appreciate and thank all the mothers and children for the things they brought and did to make the Hallowe'en Carnival a success. Thanks a lot!

Larry Parker and Chuck Murchison have drawn our Hallowe'en scene on our blackboard.

Lynn Stallings and Alix Hallman have added to our study of leaves.

Stella Reece brought some pretty fall flowers for our table.

(Mrs. Cooper)

We Third Graders have really been working hard lately. Of course, we are sorry that we did not win the King and Queen contest.

Lee Roy Allen brought a caterpillar to science class Monday. It has been interesting to watch him from the pupa. We hope to see a beautiful butterfly in our jar in a few days.

Rachel Davis brought some beautiful flowers for our room. Thanks!

We want to thank our room mothers for giving us so much

(Continued on Page 4)

## Community Club Winners Named

F. H. Paschal County Agent

Durhamville-Orysa Community Improvement Club was declared the county winner as the result of judging of the four clubs in the county last week.

Lightfoot placed second with Hurricane Hill third and Asbury fourth. Progress has been made in each of these organized communities by the people working together, and community leaders are enthusiastic about the benefits of having their communities organized.

Roy Thompson is President of the Durhamville-Orysa Club. Mrs. F. L. Thompson is chairman of the Community Activities Committee; Mrs. Alan Fisher is Home Beautification chairman; P. M. Parker, Sr. is chairman of the Farming Committee; Mrs. Shad Rice is Chairman of the Food Supply Committee; Mrs. Arthur Thompson is Chairman of the Ways & Means Committee; Mrs. A. J. Anthony is Reporter; and Mrs. Paul Treadwell was elected to keep a scrapbook of the activities of the community organization through the year. Mrs. A. M. Estes is Program Chairman.

Major community projects worked on by the club this year were planning toward the building of a community house, development of an outdoor recreation center for the young people of the community, the purchase of a public address system and the carrying out of a supervised recreation program at the recreation center, a farm tour in August, and the improvement of the food supply, the convenience and beautification of farm homes, and increasing the acreage of winter cover crops and pastures on each individual farm in the community during the year.

The Lightfoot Community Club under the leadership of Mrs. H. S. Price as President has shown a fine spirit of cooperation and interest toward improving the community through the year. Additional equipment has been provided for the community building, excellent programs have been a feature of every meeting; and the people are really learning to think and work together.

The Hurricane Hill Club with William Reece as President and later with John Whitley as leader took a community cemetery as their main project for the year and succeeded in getting 100 acres of land and starting preparation toward a modern type of cemetery. They worked together to encourage each other during the year in improving their homes and farms and community facilities and services.

The Asbury Club under the leadership of Mrs. Vernon McDearman, President, took as one of their major projects the getting of telephones installed in the community. They made progress on this project but cannot complete it until next year. The club last year built cabinets for the church basement which serves as a community center. This year they painted these cabinets and the walls and floor of the church basement and purchased a piano and a gas range and built four separate Sunday School rooms in the basement. Individual farmers and homemakers worked to improve their farms and homes. A total of 67 acres of land in the community was terraced with 388 acres planted on the contour. A total of 50 tons more fertilizer was used this year than heretofore, 225 acres of alfalfa were seeded and 90 acres of permanent pastures. The acres of green manure crops plowed under were more than doubled. The number of hogs and beef cattle was greatly increased.

In each of these four organized communities an average of 30 to 50 families met and ate together one night each month and had a program of singing and other recreation along with serious discussions of community projects and methods by which individual farms and homes might be improved for a more satisfying rural life.

Pat Joyner To Address Legion

Pat Joyner, past post commander of Memphis Post No. 1 of the American Legion, will be the principal speaker at the annual Armistice Day Celebration and Barbecue of the Halls Post it was announced Wednesday by Dr. J. W. Todd, post commander.

The meeting will be held at the Legion Hut on the Air Base on Monday night, November 12. Announcement was also made that a total of 139 members have renewed their membership. The Membership Committee expects to reach the post quota of 153 by the date of the Armistice Day celebration.

Sunday School Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee

(Exodus 12:30-31; 14:15-22, 31)

"DELIVERANCE, BUT NOT BY WAR"

A good rule to remember in studying the Bible is that when you come to an important period in Bible history the narrative increases and the miracles multiply. There are places in the Bible where we pass over long periods of history in just a few minutes' reading. Other places when a short time demands many chapters and even books to tell the story.

The time we now study is the most important in the Old Testament. It requires the books of Exodus, Numbers, Leviticus, Deuteronomy and Joshua to tell the story. And the miracles multiply.

The miracles instrumental in bringing about the peaceable release of Israel from Egypt arouse our deepest interest. Some of them seem cruel, but they were better than war.

In this narrative we run into one of the most puzzling expressions in the Bible. The record speaks of Pharaoh hardening his heart, and then that the "Lord hardened the heart of Pharaoh."

It is not the will of God that any should perish, but that all may find the way of life and be saved. Pharaoh was obstinate. He

made promises and broke them, sinned in the freedom of slaves. That was the kind of man with whom God had to deal. It is the hardening of the heart which led to the unpardonable sin. God sometimes allows people to sin, but sometimes we can learn in no other way than by reaping the harvests of our own evil ways.

RECEIVES PROMOTION

(With the 25th Infantry Division in Korea) Milton J. Baker, son of Mr. and Mrs. J. M. Baker, Route 3, Halls, recently was promoted to the rank of corporal while fighting in Korea with Company F of the 14th Infantry Regiment, a part of the 25th Division.

Baker is assigned as a squad leader. He arrived in Korea during August, and has been in the Army nine months. He wears the Combat Infantry Badge and the Korean Service Ribbon with one campaign star.

FARM BUREAU

(Continued From Page 1) committee what they think Farm Bureau ought to do about it.

"These all-day conferences have long been an outstanding feature of the state convention," Mr. Viar said. "They have served as a useful purpose as a sounding board for problems in every segment of rural life and agriculture."

"God brought them forth out of Egypt." So God works in the events of history. The course of history may sometimes seem very strange, but eventually "God makes even the wrath of man to praise Him."

This lesson has direct bearing upon plans for peace. War is not only man's greatest mistake, it is man's greatest sin. Why do we have wars? No simple answer can be given. The basic root of war, according to St. James, is hatred, selfishness, envy, worldliness. Dr. O. F. Nolde, executive director of the Commission of the Churches on International Affairs, says: "While unhesitatingly condemning the evils of others which contribute to the world's distress, resist in season and out of season self-righteousness and hatreds which give impulse to the monstrosity of a holy war."

The war between the states: Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID QUICK RELIEF OR NO COST

Ask About 15-Day Trial Offer! Over four million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc.—due to Excess Acid. Through error in the listing of PMA members last week the names of Mr. and Mrs. H. G. Conley were listed as paying \$1.00. This should have read \$2.00. We are sorry that this error occurred.

Tennessee Outdoors

Louis S. Clapper State Game and Fish Commission

Any sportsman unfortunate enough to tangle with a skunk is advised to wash the odor-affected areas on clothing or skin with bulk cider vinegar. Bottled vinegar may be weak and two or three applications necessary.

Many sportsmen tend to over-oil firearms and this practice often is as bad as failing to lubricate at all. An excess of oil in the barrel will drain down into the action and magazine to coat cartridges. This in turn may cause rifle bullets to go wild or render shotgun shells "duds." A light film of oil is sufficient on friction surfaces.

Minnesota is known as the "Land of 10,000 Lakes." Many of

these lakes fall into the category of potholes, too shallow in many cases for fish yet ideal as waterfowl nesting grounds. Minnesota, in fact, once produced thousands of the big birds that winged the Mississippi Flyway through Tennessee. But a problem has arisen to throttle this activity. Many of the potholes have been drained or filled. To safeguard those that

remain, the Minnesota Game and Fish Commission is spending \$50,000 to buy up 200 water areas of five or ore areas. Each will be fenced to allow growth of wildlife nesting cover. Some areas will be kept closed as refuges while others will be opened during the hunting season.

## Local Happenings

Mrs. L. O. Westbrook and Mrs. M. Fitzsimmons of Blytheville, Ark., spent Friday of last week in the T. L. Brandon home.

Mrs. M. E. McDearman, Jr. and Mrs. T. G. Avery spent Saturday with friends in Osceola, Ark.

Mrs. L. C. Strauss of Beeville, Texas, and Mrs. Walter Lazure of Nankipoo spent Tuesday afternoon with Mrs. Nona King Jetton.

Mr. and Mrs. J. H. Kille announce the birth of a son on October 24 at Lauderdale County Hospital. He has been named James Timothy. Mrs. Kille is the former Letha Webb.

Guests of Mr. and Mrs. Bob Poindexter Sunday were his father and mother, Mr. and Mrs. C. H. Poindexter, of Curve.

Harry Hughes was able to return home Saturday after having undergone an appendectomy several days previously. He is recovering nicely.

Mrs. Lester Chambers of Unionville spent Saturday night and Sunday with Mr. and Mrs. C. W. Scott.

Mr. and Mrs. W. H. Keltner were guests of relatives in Ripley Sunday.

Mrs. Bill Hudgens and daughter, Barbara Gean, of Humnoke, Ark., spent the weekend with her parents, Mr. and Mrs. G. G. Gean.

Mrs. Mamie Williams left Sunday to make her home with Mr. and Mrs. Ted Donham, in Little Rock, Ark. Mrs. Donham is her daughter.

Floyd Grady has been quite ill this week.

B. F. Chambers spent Sunday in Memphis with his daughter, Frankie Lou Bryant.

Mr. and Mrs. B. D. Bowers and daughter, Andy, have moved to Wichita, Kansas, where they will make their home.

Mr. and Mrs. Elford Baker and Mrs. Albert Elmore visited R. F. Love in the Hellen's Bluff Community Tuesday night. Mr. Love has been ill for several days.

Malcolm Ashcraft, Jr., and Darrell Ashcraft, sons of Mr. and Mrs. Malcolm Ashcraft of Jones-town, Miss., visited Mr. and Mrs. Robert Ashcraft last week.

Mrs. F. J. Thurmond spent Monday and Tuesday in Memphis with her daughter, Mrs. L. C. Hardin.

Mrs. Bill McGarrity was able to return home Wednesday afternoon at the Baptist Hospital in Memphis two weeks ago.

N. C. Utley of Ripley spent Sunday here with his sister, Miss Sadie Utley.

Mrs. Charles Wilson returned home Friday after spending the past four months at the Baptist Hospital in Memphis where she was undergoing treatment.

Mrs. Clinton O'Neal and son of Memphis spent the weekend with her parents, Mr. and Mrs. Floyd Grady.

Mr. and Mrs. Odell Hilliard spent Thursday in Memphis.

Mrs. T. H. Simmons attended the funeral of her aunt, Mrs. Winnie Hastings, in Memphis Monday.

Miss Alice Nunn returned Monday to UT at Knoxville where she is a student after spending several days with her parents, Mr. and Mrs. R. J. Nunn.

Miss Sue Camp who is attending Blue Mountain College, Blue Mountain, Miss., spent the weekend with her parents, Mr. and Mrs. Edd Camp. She had as her guests, Miss Bobbie Ann Chaniel who also attends Blue Mountain.

Mrs. W. E. Raiph and Mr. and Mrs. P. W. Crittendon spent Sunday in Crawfordsville, Ark.

Visitors in the home of Mr. and Mrs. P. W. Crittendon last Saturday were Mr. and Mrs. Harold Davis and little daughter, Dorothy, of Ft. Worth, Texas, and Mrs. B. F. Escue of Orysa.

Mr. and Mrs. Douglas Murchison and daughter, Anne, were guests of Mrs. J. H. Murchison Sunday.

Mrs. Ed Rawles, Mrs. S. F. Young and Miss Lyde Rawles were in Dyersburg Monday to see Mrs. C. M. Walker who is in ill in the Dyersburg Hospital.

### BIRTHDAY DINNER

Guests of Mrs. Mattie Dew for her birthday Sunday were Mr. and Mrs. J. M. Armstrong of Dyersburg, Mr. and Mrs. Harold Lovelace of Newbern, Mr. and

Mrs. Granville Kee and daughters, Jean and Betty, of Milan, Miss Atherine Dew of Helena, Ark., and Mrs. Dora Viar and grandson, Charlie Viar.

(She received nice and useful gifts.)

(Continued from Page 1) of their help toward Hallowe'en. We especially thank Mrs. Phillips, who was so nice as to let the mothers meet with her on Wednesday night for definite plans. We do appreciate and thank you for every minute of your time.

Thanks to Pamela Rhodes for bringing more library books for our room!

We thank Mrs. Mac for letting us see the 7th Grade program. We enjoyed it.

Hurray! We won the Health Inspection Thursday. We want to thank Mrs. Mac and Mr. Hooks for the prize which was an educational picture show.

Congratulations, King Phillip and Queen Dawn Robertson! We are proud of you and proud to be the winner of the Hallowe'en Contest. Thanks to everyone who voted for us!

We are proud of our attractively decorated room.

Reporters for this week were Jerre Jordan and Eugene Pugh.

Larry McBride was chosen secretary of the 4-H Club Monday morning. Congratulations, Larry! We know you will do your part.

Everyone in the room has really been a good worker for the P. T. A. King and Queen contest.

We enjoyed the 7th Grade program Friday afternoon.

Gloria Reece continues to be absent because of illness. We look forward to seeing her soon.

We were overjoyed at winning 3rd place in the Inspection Contest Thursday.

Happy Birthday, Barbara Ellis! Many thanks to all who contributed in any way toward helping our King and Queen of Hallowe'en.

Those visiting out of town this weekend were Inky Perry, Betty Vaughn and J. D. Parris.

Thanks for the lovely flowers, Betty Anwood and Johnny Olds.

We express our sympathy to James Goodwin in the loss of his grandmother, Mrs. Roxie Goodwin.

4-H Club officers elected from the 6th Grade were Harry Wright, Vice-President; Thelma Louise Burroughs, Assistant Secretary; and Jane Cheshier as Songleader. We know they will do their jobs as nearly right as possible. Congratulations!

(Mrs. Daws)  
The corn poppers are stilled, the

**NOTICE TO CREDITORS**

Estate of Guy Ivy, Deceased. Notice is hereby given that on the 18th day of October, 1951, Letters of Administration in respect of the estate of Guy Ivy were issued to the undersigned by the County Court of Lauderdale County, Tennessee.

All persons, resident and non-resident, having claims, matured or unmatured, against said estate are required to file the same with the Clerk of the above named Court within nine months from the date of the first publication of this notice, otherwise their claims will be forever barred.

This 18th day of October, 1951.  
MRS. ANNIE HINTON IVY  
Adm. Estate of Guy Ivy, Deceased.  
ROBERT S. THOMAS, Attorney.

**ORDER OF PUBLICATION TO RUSSELL RUCKER ZANIE RUCKER VS. RUSSELL RUCKER**

No. 2829  
IN THE COUNTY COURT AT RIPLEY, TENNESSEE

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant Russell Rucker is a non-resident of the State of Tennessee, and resident of the State of Michigan so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that he said Russell Rucker appear before the Judge of the County Court of Lauderdale County on or before the first Monday in December (it being the 3rd day of said month and a rule day of that term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.

It is further ordered that this notice be published in the Hall's Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring him to so appear.

This 29th day of October, 1951.  
N. C. UTLEY, Clerk  
W. C. PATTON, Atty.

pieman has ceased to cry his wares, the contest for the Hallowe'en King and Queen has closed, and we are trying hard to settle back to real work.

The 4th Grade is enjoying the study of Suvan. He lives on the plains of northwest Eurasia. We have made a scene of his home. Each pupil made a piece of furniture. Raymond Belton's and Memory Patton's were selected as having the best chests. Virginia Rowe made the prettiest bed.

Anita Johnson cut out the letters for our "Autumn Beauty" table.

James Stevens brought a small golden pumpkin.

We offer our deepest sympathy to Forrest Goodwin, a former member of our group, in the loss of his grandmother.

Here we are again! We want to thank Gaila Ozment and Mr. Hocks for helping us with our program Friday afternoon.

We are proud of Harold Burroughs, Herby Goforth, Molly Watts, Rachel Brasfield and Joyce Midgett who were elected officers of the 4-H Club.

Hello, folks. We are proud of Sonny Higdon and Donald Smith who are 4-H Club officers.

We want to express our appreciation to Mrs. Gailon Smith who made our beautiful cocoanut cake that was given away Saturday. It was presented to Jesse Frost. Congratulations! We know you enjoyed it, Mr. Frost.

The 8th Graders are really proud of themselves for being so neat as to win 2nd place in the Inspection Contest Friday.

We enjoyed the 7th Grade program Friday.

We want to thank everyone who contributed pennies to our King and Queen. Thanks! We regret that we did not win, but wish to congratulate the Fourth Grade winners. We wish to thank our mothers and pupils who helped to make our Hallowe'en Carnival a success.

We are glad that Carolyn McCorkle and Tommy McDearman were invited to Ripley last Thursday night to be guests on the Tiny Tot Beauty Revue program. Carolyn danced two toe ballet numbers and Tommy's marionettes danced two numbers. We are always glad to have any member of our class recognized.

We'll meet you next week.

PASCHAL  
(Continued from Page 1)  
life and more attractive communities which would be of help to

the young people and which would develop a type of citizenship needed in democratic countries such as ours.

We believe all these communities won in this friendly competition and that other communities would profit by forming community organizations and learning to work together.

**Fertilizers Scarce**

Wartime demands on nitrogen fertilizer supplies in the making of explosives; the shortage of phosphate fertilizer caused by shortages and extra demands on sulphur supplies; and the extra demand, shortage of shipping space, and the elimination of foreign sources of potash, all working together will make all kinds of fertilizers harder to get just when we might want them during the next two years.

Farmers will be justified in taking delivery of needed fertilizers at any time they can get them between now and planting time. Some dealers failed to take Ammonium Nitrate and other fertilizers offered to the last fall, because their customers would not take delivery of the fertilizer and pay for it at that time. We should not allow that to happen this fall or winter.

Lauderdale County farmers will need all the fertilizers of every kind that every dealer in the coun-

ty can get between now and next June. Farmers should cooperate with dealers in taking delivery and paying for the fertilizers they need whenever they can get them at reasonable prices.

Fertilizer carefully handled and stored in the dry where there is a good circulation of air around the bags should remain in good

condition for next seasons use. Even if the condition is not perfect, it will be easier to put in condition than to try to get fertilizer when there is none to get.

#### Tigrett Street Speeding

Once again we have had our attention called to the excessive amount of speeding on West Tigrett street and the tendency of many motorists to absolutely ignore the traffic lights on that street. Incidentally, we were stopped behind two other cars at the Tigrett and College street intersection for a red light and a car pulled around all three cars and went through the red light at 40 or 50 miles per hour. Seems that since the school children will soon all be on Tigrett street an especial effort should be made NOW to get traffic under control and slowed down to a reasonable speed. How about a little effort on the part of motorists and a little law enforcement on the part of the town officials to get traffic slowed down?

#### A Growing Town

People of Halls should be proud of the growth that Halls has shown in the past ten years but at the same time should be aware of the fact that there is plenty of room for more growth and progress. Halls has a slightly larger percentage of growth than any other town in Lauderdale County and is also larger than the majority of the surrounding towns, BUT Halls hasn't acquired the size that it could attain if a really good job was done in bringing several other small industries to Halls and in having jobs for the young people of Halls. At the present there is little to keep a young man or young woman in Halls and for that reason we are losing much of our opportunity to grow. Let's work out some way to offer jobs to our young people.

#### Honored By Employees

H. E. Pentecost, manager of Forked Deer Electric Cooperative, Inc., received a quite pleasant shock and surprise just prior to the Open House held by the cooperative in their new building Tuesday of this week. It seems that employees of the firm got together and presented Mr. Pentecost with a trophy—properly engraved—stating their appreciation of his untiring efforts in securing the new office and warehouse building and in making Tuesday's Open House possible. Mr. Pentecost was highly gratified but we won't tell you just what he had to say about it since we have already been threatened if we didn't shut up.

#### A Real Opportunity

Not often are people given the opportunity to give unselfishly as is offered with the coming of the bloodmobile to Halls. Sign a pledge card at the first chance to give a pint of blood for the soldier boys fighting in Korea. If you are physically fit and the circumstances do not prevent your being able to give the hour's time involved then it is your patriotic and merciful duty to give a pint of blood to save a life in Korea. According to information it takes NINE pints of blood per wounded soldier.

#### Pass The Cigars

Did you get your cigar from Bill McClure? He was passing them around with a big grin on his face Wednesday with the announcement that he and Mrs. McClure are now the proud parents of a young son born Tuesday night. The youngster has been named Billy.

#### Hard Luck Tigers

We wonder if many of the Halls fans realize the handicap under which the Halls Tigers have been playing football games this year. This isn't an alibi being advanced by anyone since we doubt that anyone else has made any attempt

#### WIN CURRIE DIES

Win Currie, well known Taylor Paper Co. salesman, died at his home in Jackson Wednesday. Funeral services were held at 10 Thursday morning. Mr. Currie had been calling on merchants and printers in West Tennessee for the past 30 years and although ill had made his regular October trip through the territory. Mr. Currie formerly operated the Martin-Currie Paper Co. at Jackson. He was 58.

#### Achievement Week For 4-H Clubbers

Charles T. Peal, Asst. County Agent. This is National 4-H Achievement Week for the two million boys and girls who are members of this outstanding organization, now reaching around the world.

To be identified with the 4-H Club is a mark of distinction, borne by more than 130,000 boys and girls last year, of which 1100 were from Lauderdale County. Their theme is "Working Together for World Understanding."

Adults who are concerned for the future of this generation during these critical times can do no better service than that of encouraging and assisting the 4-H organization by recognizing work well done; by making greater participation possible; and by giving support to the local 4-H leaders who are helping the boys and girls of Lauderdale County in such an outstanding way.

4-H Clubs represent the largest rural youth organization in the world, numbering two million boys and girls between the ages of 10 and 21 years, they are enrolled in over 87,000 clubs throughout the United States, as well as Alaska, Hawaii and Puerto Rico.

4-H Clubs constitute an outstanding body of boys and girls. They attain worthwhile goals in life and as a character building influence they are of uppermost importance. Each 4-H Club member does one or more phases of project work, under supervision of the County Extension office and local volunteer 4-H leaders, that will demonstrate and teach better ways of homemaking and farming. It is also a satisfaction to know that 4-H Clubs have become an outstanding influence in developing the cultural, social and recreational aspects of modern rural life and right now are doing much to make America strong.

#### Dr. Duggin To Be PTA Guest Speaker

Announcement is made that Dr. Duggin, head of the Psychology Department of Memphis State College, will be the guest speaker at the meeting of the Halls PTA on Monday night, November 19. Place and time of the meeting will be announced later.

Mrs. Clyde Younger, PTA president, has called a meeting of the Executive Committee of the organization for 1:30 Monday afternoon, November 12, at the Elementary School. Any member of the PTA who wishes to attend is cordially invited.

to compile any sort of statistics on the matter. However, here are a few facts which will be of interest to Halls fans. In only one game—the opening game with Milan—have Coaches Bill McClure and Floyd Hooks been able to start their original lineup and in that game two starters had temperatures although this was not known until after the game. To make a long story short, out of some sixteen or eighteen boys who can expect to make letters, a total of 25 or more games have been missed due to either illness or injury with illness playing a greater part than injury. In other words almost an average of two regulars have been missing from every football game played this year by the Tigers. Playing under so great a handicap, we have been reasonably well pleased with the Tigers even though their record of wins and losses can be called poor.

#### To Attend Farm Bureau Convention

Twenty-four members of the Lauderdale County Farm Bureau are ready to attend the 30th Annual Convention of Tennessee Farm Bureau Federation in Nashville next week. This information comes from W. C. Viar, Jr., President of the Lauderdale County Farm Bureau.

Thousands of farm people from all over Tennessee will go to Nashville to attend this annual affair, Mr. Viar states. They will represent over 41,000 farm families who belong to Farm Bureau in Tennessee. There are now 93 organized County farm Bureaus in the state.

The convention will be concluded with a mammoth banquet and an address by Clayton Rand, Wednesday night. Farm Bureau members from Lauderdale County who will attend are: W. C. Viar, Jr., Evis Cannon, Daniel Meeks, William Reese, Arthur Thompson, E. P. Grear, Horace Duncan, Mr. and Mrs. Walter Sanford, Mrs. P. M. Parker, Mrs. W. M. Paris, Mrs. C. U. Robertson, Mrs. W. L. Barbour, Miss Cicely Jo Carter, Mr. and Mrs. Leon Hargett, Mr. and Mrs. Sidney Carmack, Mr. and Mrs. Ward Paris, Mr. and Mrs. Lynn Hargett, F. H. Paschal, and J. N. Whitley.

#### Halls Tigers To Play Ridgely

The Halls Tigers ended their home season on a somber note Saturday night when they were defeated by the Tiptonville eleven by a score of 33 to 13.

Starting the game with several regulars on the sideline due to illness and injury and then losing the services of Captain Donald Corlew and Jake Dunaway through injuries during the game, the Tigers were far below standard and were unable to cope with the highly-rated Tiptonville team although playing a better than good game under the circumstances.

Tonight (Thursday) the Tigers will go to Ridgely to play their final game before the Ripley game on November 16. The Tigers would normally be favored in the game with Ridgely but the loss of several players through injuries and the continued illness of some players will make any prediction impossible.

The one bright spot in the game with Tiptonville Saturday night was the moving of Jimmy Lewis Smith into the defensive lineup and the excellent job which he turned in Jimmy Lewis, who was an outstanding player for the Baby Tigers, came through with a fine performance in his first varsity game. Also showing up well was Donald Voss, sophomore end who replaced Gene Olds. Olds was out of the lineup because of illness as was Bo Harris, tackle, and Jerry Eng and, center.

#### Wire Arrives For School Building

Arrival of the last of the materials for the new Elementary School building was announced Wednesday of this week along with the assurance that work on completing the building will be carried on at the highest rate of speed possible.

Lack of lead-in ground cable for the electrical wiring had put completion of the building several months behind schedule. Lack of current delayed the installation of plumbing, heating, etc. but all this will be completed immediately since all other work was ready for completion. Equipment for the cafeteria is being installed this week.

No estimate has been made as to the length of time required to ready the building for occupancy but it should be a comparatively short time.

The negro school building was placed in use this week with the re-opening of school after cotton picking. Sewer to the building was not completed but will be as soon as the weather permits.

PAT JOYNER

#### Pat Joyner To Be Legion Speaker

Pat Joyner, popular Memphis business man, will be the guest speaker at the fifth annual Victory Day Celebration held by the Halls American Legion Post No. 161 next Monday night, November 12, at the Legion Hut on the Air Base, it was announced this week by Commander J. W. Todd.

Mr. Joyner is the immediate past commander of Memphis Post Number 1 and has been identified with many civic projects in Memphis and the Mid-South in recent years. At the present he is chairman of the Civil Defense Committee of Memphis.

Under his leadership the Memphis post maintained its outstanding position among the major posts of the nation and continued to render superb service to the veterans of Shelby County.

Mr. Joyner attended the national convention held in Miami last month and should have much of interest to tell the Legionnaires of this section.

Members of the Halls post were busy this week in an effort to make this year's celebration the biggest ever held here. The Hut will be opened at 7 o'clock with the meal, which will feature barbecue, being served at 8 o'clock. All veterans are invited to help celebrate the occasion. A paid-up 1952 membership card will be the ticket for admission. Those veterans who have not paid their current dues may do so at the door.

A number of Legionnaires from the Ripley, Dyersburg, Newbern, Union City, Dresden, Bell's and Alamo posts have been extended invitations and many are expected to attend.

Commander Todd also reported this week that the local membership drive is progressing nicely and he expects the post to reach its quota of 153 members before Monday night.

#### REVIVAL AT GATES METHODIST CHURCH

Revival services will begin Sunday, November 11, at the Gates Methodist Church with the Rev. H. A. Goforth, pastor of Halls Methodist Church, bringing the messages during the week. Song service will be under the direction of the pastor, Rev. W. M. Vaughan.

Services will be held only at night, beginning at 7:30 o'clock. Rev. Goforth is a forceful speaker and a good revivalist and is expected to have large crowds in attendance at the services. Services will begin Sunday morning at the 11 o'clock hour and continue through Friday evening.

#### MARCH OF DIMES CHAIRMAN ANNOUNCED

Mr. Roy Freeman, of Memphis, Tennessee State Chairman of the March of Dimes, has announced the appointment of Mr. James C. (Cleve) Hill of Ripley to serve as the March of Dimes Director for Lauderdale County. "He, like the National Polio Foundation's President, Basil O'Connor, has volunteered his services with the thought uppermost in his mind of providing funds for the prevention of polio through research and to assist financially the patients of this county needing it."

#### Bloodmobile In Halls Thursday

Halls will have its opportunity to donate blood for our boys overseas when the Bloodmobile from the Memphis Blood Center comes to Halls next Thursday, November 15.

At a meeting held Monday night of this week workers to secure donors were enlisted and an active campaign to secure blood donors was started Tuesday. While the intention is that everyone be contacted and given an opportunity to sign up as a donor, volunteers will be greatly appreciated and will facilitate the securing of sufficient donors. If you are willing to give a pint of blood contact Marshall Pierce, Jr. at the Post Office or contact Mrs. Clyde Younger, PTA president, or any of the workers of the drive.

Here Monday night to explain the procedure of the coming of Bloodmobile to Halls were Miss Kathryn Sheppard, Red Cross representative of Jackson, and Lynn Warren, of the Memphis Blood Center. They emphasized the fact that while they are anxious to secure as many pints of blood as is possible, they are also anxious that the operation be in an orderly manner and for this reason are asking that donors sign up prior to the date and come at specified times. In this way there will be very little waiting and a maximum result can be secured through a minimum effort.

Approximately 200 must sign up in order that the quota may be attained by the bloodmobile. This number is needed since some will be unable to keep their appointment, others will be turned down for various reasons thus cutting down the total pints of blood donated.

Trained personnel will accompany the bloodmobile to make all tests and superintend the actual taking of the blood. Local volunteer workers will also aid at the bloodmobile center which will be in the Halls Christian Church basement. Hours are from 10 a. m. to 4 p. m.

#### Attend Meeting Of TB Association

K. C. Harrington, Ex. Sec. The annual meeting of the Tennessee Tuberculosis Association was held in Nashville on October 24 - 26.

The following people participated in the splendid program: L. W. Morgan, Brownsville; Mrs. C. C. Aven, Atlanta, Ga.; Miss Jewel Nolen, Prof. of Health Education, Tennessee Polytechnic Institute, Cookeville, Tenn.; Gordon H. Turner, reporter for the Nashville Tennessean; John Donovan, Atomic Energy Commission, Oak Ridge, Tenn.; Jesse Safley, Farm Editor for Nashville Banner; and Miss Mary B. Woodford, Executive Secretary of the Hamilton County Tuberculosis Association, Chattanooga, Tenn.

Miss Winnie Lee Bizzell and Kermit Harrington represented the Lauderdale County and the District Association at this meeting. Many good points were brought back and will be put to use in the TB program in Lauderdale County.

#### Sue Camp Named Maid To Queen

(Blue Mountain, Miss.—) Tryouts for the Blue Mountain College football season are now being made. The season consists of one game at 2 p. m. on Thanksgiving Day. Two teams of girls, the "Dashing Dainties," and the "Blocking Beauties," will face each other.

Governor Wright has been given a special invitation to attend.

The football queen and her maids have been chosen. The queen is Betty Burr, Springfield, Tenn. The maids are Peggy Stacey of Tupelo, Miss., Sue Camp of Halls, Tenn., and Martha Frances Davis, Houka, Miss.

"Small Cost, Little Space, But Power to Burn — the Want Ads."

#### INJURED IN FALL

Mrs. W. E. Ralph has been confined to her home for several days after falling and injuring a knee just before going to work Monday morning. She attempted to fill her job at Forked Deer Electric for a short while Monday but was forced to return home. She was found to have torn a cartilage in her knee.

#### Elementary News Notes

V. Davis - A Wyse A little seed of goodness lay Within the heart of me, And as I gave it out to men, More good came back to me.

If seeds of kindness I sow And tend them day by day, The harvest will be plentiful, And blest shall be my pay.

Grade 1 — Our Hallow'en Carnival was a huge success — thanks to all the mothers of the First Graders! They worked very hard and we want them to know we appreciate their efforts.

Allen Levy and Jo Larson reigned over "Spook Night" in the most becoming manner and we are very proud of them.

Grade 2 — Hallow'en is all over but we all had a fine time! We were proud of our candidates for King and Queen, Mac Goforth and Jo Alice Phillips, even though we couldn't be winners.

We want to congratulate "Miss" Geneva's room for winning for the First Graders.

We're enjoying some new books we've gotten with our money and hope to have some more books and also something else new for our new rooms.

We want to thank our room mothers, Mrs. Elbert Viar, Mrs. Gilreath Dyer, Mrs. Guy Lucas, Mrs. Blankenship Williams, and Mrs. Marly Young for helping us so much with our Second Grade booth. We do appreciate it very much.

The snow excited us Friday. We felt that it was almost Christmas — at least our excitement matched that at Christmas time. We enjoyed having Mrs. Goforth Friday afternoon. She substituted for "Miss" Geneva, who went to Mayfield for the weekend.

Grade 3 — (Mrs. McDearman) Well, what do you know, Hallow'en Carnival time has come and gone and the goblins did not get us. So here we are again.

We were proud of the representatives from our room, Katie Lou Hurt and Aurdorf Pickens. Linda Hilliard and Chuck Murchison crowned the 1951 Junior King and Queen.

Rebecca Carson received a prize in the Costume Parade which was judged.

Thanks to our room mothers — Mrs. Roy Brandon, Mrs. M. H. Stallings and Mrs. E. M. Carson for their cooperation in making our Third Grade booth a success.

Our Hallow'en Drawing awards went to Larry Parker, Carolyn Moore, and Lynn Stallings. "Old Man Weather" sure surprised us Friday with snow and ice.

We have made some attractive November Calendars to put on our bulletin board.

Our teacher attended a Teachers' Meeting in Ripley Saturday. Fay Ponder was on our sick list last week.

We have been having interesting study in our science work about some animals and insects that "hibernate". That is a big word but we have learned what it means.

We welcome a new pupil, James Adams.

Grade 3 (Mrs. Cooper) — We sang "Happy Birthday" to Jimmy Walshe Monday.

Sammy Steelmen and Jo Ann Woodard brought a real pumpkin for our room.

Melody Meeks was absent a few days last week due to illness. We hope she will soon be back in school.

Rachel Davis was absent Monday but was back in school Tuesday. (Continued On Page 8)

#### Time To Kill Hogs Says Paschal

F. H. Paschal, County Agent. The crisp, frosty mornings during the latter part of November provide the best time of the year in which to cure pork.

Home freezers on many farms can be used for keeping pork chops or tenderloin, ribs, backbones, and other small parts of the hog, but most people do not have room in home freezers for all the pork they want to keep or they prefer the flavor of cured hams, shoulders, bacon and even sausage to that kept in the freezer. It is also true that cured pork may be kept longer than uncured pork in the freezer.

More and more people are curing pork with a mixture of eight pounds of salt, two pounds of sugar, and two ounces of saltpetre for each 100 pounds of trimmed meat, because it makes for better quality meat and because it is safer than the use of salt alone.

Complete bleeding of hogs is necessary for good meat. This is best accomplished by sticking the hogs in such a way that the heart is not punctured, but the large jugular veins are cut. We have a new bulletin which has a chart explaining just how this is done. Cooling Important

Cool the meat 18 to 24 hours at 32 to 45 degrees before putting on any salt or other curing mixture. Cooling will be hastened if the carcass is split down the center of the back and the leaf fat taken out. If you want pork chops saw down the middle of the backbone.

Curing is a race between the spoilage germs and the penetration of the preserving salt. To give salt or the sugar curing mixture time to penetrate the meat, bones, and joints, it is desirable to keep the meat below 40 degrees during the curing period.

By the salt or the sugar curing method faster penetration will be accomplished if the meat is rubbed thoroughly in the skin side, on the flesh side and around the joints. On the third day, the wet salt or curing mixture should be replaced with new dry salt or curing mixture, since the dry curing mixture penetrates more rapidly than the wet. This is repeated on the eighth day.

Curing Time Explained Leave bacon in cure 14 to 18 days according to thickness, not counting days when weather is below freezing all day long. Leave shoulders and hams in cure 1-2 days per pound of meat in individual pieces, but not less than 25 days. The time the meat is left in cure determines its saltiness and tenderness. It should not be left too long nor taken up too quickly.

The United States Department of Agriculture has recently worked out a new method of keeping hog lard sweet and fresh longer. This is done by adding three pounds of vegetable shortening such as Humko, Crisco, Soco, etc. to a kettle of lard just before it is ready to be taken up.

Further information on curing pork is available on request to our office.

Soil Tests Made

T. W. Fisher and P. M. Parker of Durhamville community got returns on samples of soil sent off for testing this week. These reports were mailed from the soil testing laboratory in less than 4 days after the samples were received.

These soil tests made with the most accurate instruments give the best guidance we can get for fertilizing according to the need of the crop and the soil for highest yields at the lowest cost per unit.

Soil sample boxes are free on request and soil samples may be sent in anytime when the land is in condition to plow. Hundreds of samples should be mailed in by Lauderdale County farmers between now and planting time next spring.

Farm Population Down Newest census reports show that the percentage of people living on farms in the United States is (Continued On Page Six)

RECORDS POINT WAY TO GREATER POULTRY PROFITS

Whether you are making money or losing it with poultry, it is good business to know "how much and why," say poultry specialists of the U-T Agricultural Extension Service.

Complete records of egg production, sales, and expenses are items the poultry owner should have specialists point out. Such records usually repay the flock owner well for the time required to "keep books."

New record books should have been started the first of November, it is pointed out. Information on the books, where they may be obtained, etc., will be supplied by county agents and home demonstration agents.

It Says Here

By Vaughn Richmond You wouldn't have known October, the day she went out. Her head was dropped under a cloud; her arms were wet with rain; her hands were damp and cold—and she had a frown on her face. But I don't remember her that way. She was too fine and winsome all along for me to let her departure spoil the beauty she gave us as she passed along this way.

The most of her days were sunny and bright; her brush, she used with skill; the colors, how many, none can tell, she distributed with liberality, and left a memory of beauty which no artist can surpass, or even equal: Golden yellow, streaks of red, brown and wine, with myriads of never-ending hues so deeply painted-in that no month of the year could ever match her prowess in mixing colors and distributing them before the eyes of us all—needing, I think, just the picture she left.

We hear a lot of people say—and we think perhaps they are right—that because of the rain on Halloween a lot of things were not done that would have been done if, etc.

Anyway, it seems to me, that even in "going off the stage" October was just trying to be nice by being unpleasant for a little while; which makes me think that even a frown may have its place sometimes—and often prove a "blessing in disguise,"—and that we should always remember that when a fine month (or person) like October frowns; we should take it as having some value, though it might not appear so at the time.

AGE OF QUAIL KILLED TO BE DETERMINED

Sportsmen in southwestern Tennessee are being asked to cooperate this hunting season with technicians of the State Game and Fish Commission in a special study of bobwhite quail.

Objective of the study is to determine the percentage of immature birds, under 14 weeks of age, killed during the early part of the open hunting season, from November 22 to December 9. A secondary study will be made to determine the ratio of cocks to hens in the kill. Results of the study may be considered in setting regulations next year.

It is hoped that at least 1,000 samples can be taken for use in the study.

Since part of the work is of a technical nature, all data will be compiled by Commission personnel. Arrangements are now being made with sportsmen for examination of birds taken wherein possible and for the submission of right wings by mail in other cases.

The age of quail killed will be determined by three methods: size comparison with preserved specimens, weight comparison and for evidence of post-juvenile molt in other cases.

The study will be conducted in the following counties: Shelby, Tipton, Fayette, and possibly Haywood, Lauderdale, Hardeman and Madison.

Sunday School Lesson By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee (Exodus 12:30-31; 14:15-22, 31)

"DELIVERANCE, BUT NOT BY WAR"

A good rule to remember in studying the Bible is that when you come to an important period in Bible history the narrative increases and the miracles multiply. There are places in the Bible where we pass over long periods of history in just a few minutes' reading. Other places when a short time demands many chapters and even books to tell the story.

The time we now study is the most important in the Old Testament. It requires the books of Exodus, Numbers, Leviticus, Deuteronomy and Joshua to tell the story. And the miracles multiply.

The miracles instrumental in bringing about the peaceable release of Israel from Egypt arouse our deepest interest. Some of them seem cruel, but they were better than war.

In this narrative we run into one of the most puzzling expressions in the Bible. The record speaks of Pharaoh hardening his heart, and then that the "Lord hardened the heart of Pharaoh."

It is not the will of God that any should perish, but that all may find the way of life and be saved. Pharaoh was obstinate. He made promises and broke them. That was the kind of man with whom God had to deal. It is the same hardening of the heart against God and refusal to believe that leads to the unpardonable sin.

God sometimes allows people and events to take their course that the results of their evil ways become clear. So He dealt with Israel later. "He gave them up unto the hardness of their hearts." (Rom. 1:28) There comes a time when the spirit of God ceases to strive with man. It is as if God said, "I will stand back, and let you see what you really are at." God does not tempt any man to sin, but sometimes we can learn in no other way than by reaping the harvests of our own evil ways.

We needn't try to explain the crossing of the Red Sea by natural causes. God is able to set up the course of nature and He is able to perform miracles at any time. In any case, the "east wind" that blew was the work of God. It was the final act in the liberation of His people.

"God brought them forth out of Egypt." So God works in the events of history. The course of history may sometimes seem very strange, but eventually "God makes even the wrath of man to praise Him."

This lesson has direct bearing upon plans for peace. War is not only man's greatest mistake, it is man's greatest sin. Why do we have war? No simple answer can be given. The basic root of war, according to St. James, is hatred, selfishness, envy, worldliness. Dr. O. F. Nolde, executive director of the Commission of the Churches on International Affairs, says, "While unhesitatingly condemning the evils of others which contribute to the world's distress, resist in season and out of season self-righteousness and hatreds which give impulse to the monstrosity of a holy war."

The war between the states re-

sulted in the freedom of slaves and the preservation of the union. But the flower of American manhood perished on the field of battle. Surely some better way could have been found. The war in Korea now lists nearly 100,000 American casualties, and it looks as if little or nothing has been gained.

HALLOWEEN CARNIVAL

By Lou Eva Baker Editor's Note: Due to the lack of time and space only a portion of the following article could be published this week. The remainder will be published next week.

Ghosts! Goblins, Witches! Gypsies! Well, just everything imaginable and some things unimaginable could have been found in the attractive grammar school auditorium on Wednesday evening at 5 o'clock on October 31, 1951. If you were present you surely understand what we mean. If you weren't present, read this then you shall understand what we mean.

First, we'll start as we enter the door of the auditorium. To the left, we see a sign that reads: "1st Grade Booth, Hot dogs and Drinks! Try your luck at the Fish Pond." Now, as we move on down the line, still to the left we see a "Spooky Looking Booth." Above it a sign reads: "Pie 10c, Coffee 5c. Hit the cat right in the mouth with a bean bag." Behind the booth we see "Miss" Olive so we know this booth must belong to the 4th grade.

But getting on down the line we begin to smell something. Mm? Smells like something we've smelled before. Oh! Chicken salad sandwiches, fudge and grabbags! Say, there's "Miss" Rebekah. Must be 3rd grade's booth! Turning right a little we see a sign that says: "Take a chance on a cake", so, we give "Miss" Kathryn our nickel, take our chance, and move on to the right. Behold, we hear chains rattling, people screaming, and there's Mr. Hooks begging us to go into the 8th grade's Horror House. Oh, well, we'll be back later.

My, we have really traveled tonight! Here we are in front of a beautiful stage. Aprons here! Aprons there! Aprons everywhere! Oh, this is the PTA project 'cause

there's Mrs. Clyde Younger right in the middle of the stage. Hear Ye! Hear Ye! What's that! Why, it's "Miss" Nell yelling "Cokes, cupcakes, see the picture show! Walk the cake walk!" (MORE NEXT WEEK)

THIN ICE CAUSES AUTO COLLISION

DYERSBURG—Thin coat of ice on the South Fork bridge on Highway 51 South caused three vehicles to receive heavy damages early Friday evening, Ed Shelton of the Tennessee Highway Patrol said Saturday. No one was injured in the three-way collision.

The accident occurred when Joe Moore, Star Route, Halls, lost control of his 1950 Dodge while passing another car. He was traveling north and collided with a 1950 Chevrolet traveling south. The Chevrolet was driven by E. L. Thompson, Negro, Route 3, Halls. An international moving van, driven by Willy Doss, Memphis Negro, plowed into the colliding cars.

GREATER CAUTION URGED TO REDUCE HUNTING ACCIDENTS

A gun should be pointed only at the object which is to be hit, hunters are reminded by specialists of the U-T Agricultural Extension Service. If you can't see where the shot is going for the full range, don't shoot.

Records of the National Safety Council indicate that about one-third of all fatal accidental shootings occur in connection with hunting trips. The principal circumstances involved in both fatal and non-fatal shooting accidents are: Persons mistaken for game, or stepping into line of fire of another's gun; striking gun against ground or other objects when a hunter stumbled or fell; carrying loaded guns while climbing over obstacles or walking through brush; pulling loaded guns muzzle first through a fence, lifting loaded guns from automobiles, boats, or other vehicles. As a final caution, specialists say: "Always treat your gun as if it were loaded, even when you feel sure it is empty."

Read the Graphic for the news.

STRIP-CROPPING HELPS KEEP SOIL ON ROLLING LAND

Strip-cropping is one of the cheapest and most effective ways farmers have of keeping top soil on rolling or hilly land, says M. T. Gowder, agricultural engineer of the U-T Agricultural Extension Service.

Strips can be established on the farm at practically no construction cost, Gowder emphasizes; and the strips do not require the engineering accuracy of terraces. Strips offer no interference with use of machinery; and less power is required to farm on the contour than up and down hill.

Vut evidence favoring strips also is found in tests on soil losses, the engineer says. Only a 10% slope of silt loam, tests showed that continuous cultivation caused a yearly loss of some 38 tons of soil per acre; average rotation with sod was about 18 tons; and losses when strip-cropped and strip-

tated ran about eight tons per acre per year.

Further information on the advantages of strip cropping are given in a new Extension bulletin, available from county agents. Ask for Publication 334, "Strip Cropping."

Utley Urges Getting Car, Truck Titles

The 1951 Legislature passed a law which requires each person that owns any kind of a motor vehicle for which a state tag is required, to make an application for a title to each vehicle.
If you have purchased a car since July 1st of this year, you must obtain a notarized bill of sale from the person or the dealer from whom you purchased the vehicle. If you own a vehicle purchased prior to July 1st of this year the bill of sale that was given you at the time the car was purchased will be required before you will be able to make application for a title.
Bring your bill of sale to the County Clerk's Office. Here you will surrender your bill of sale and the clerk will make out an application for title. The original copy of this application and your bill of sale will be mailed the same day to the Department of Safety, Nashville, Tenn. Within 120 days you will receive a title for the vehicle for which you have made application.
We will not be able to sell you a 1952 auto tag next March without this title or proof you have made application for one. Your proof will be the duplicate the clerk gives you when you surrender your bill of sale and make application for a title. So get your bill of sale now, and if you have Lauderdale County tags on your car or truck come into the office at your earliest convenience.
As we have said before, this is something that each person who owns a car or truck must do in order to buy 1952 tags; therefore we urge you to do this at once. The person to whom the bill of sale is made out to must come in and sign his or her own application. If your car is in your wife's name, she must come in and sign for the title.
We are sorry about this foolish, contemptible law that was crammed down the throats of the people of Tennessee at the 1951 session, but it is the law, so get your bill of sale and make your application at once.

N. C. UTLEY adv.

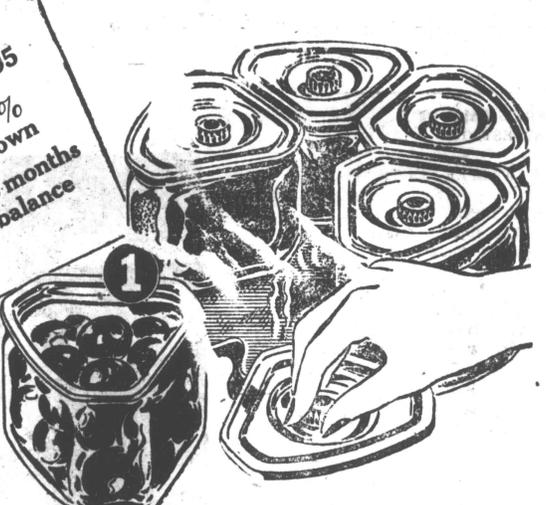

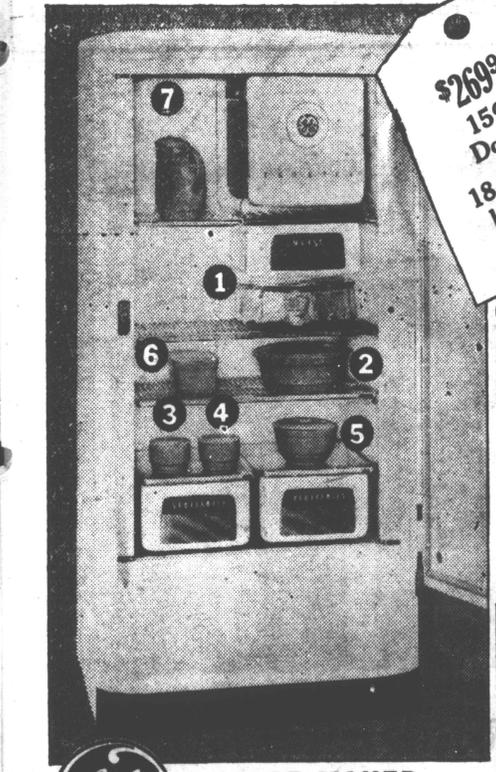

ORDER OF PUBLICATION TO RUSSELL RUCKER

ZANIE RUCKER VS. RUSSELL RUCKER
No. 2829
IN THE COUNTY COURT AT RIPLEY, TENNESSEE
In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant Russell Rucker is a non-resident of the State of Tennessee, and resident of the State of Michigan so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Russell Rucker appear before the Judge of the County Court of Lauderdale County on or before the first Monday in December (it being the 3rd day of that month and a rule day of that term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.
It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring him to so appear.
This 29th day of October, 1951.
N. C. UTLEY, Clerk
W. C. PATTON, Atty.

Registered Herefords Offered At Auction
52 Bulls 56 Females
The offering will include bulls of service age, some bull calves, many open heifers and a few bred heifers and cows with calves at side. Popular breeding including Boca R. Domino 33, Larry Domino and WHR will be represented in the offering.
In value for dollar spent, no sale exceeds the opportunities offered to Hereford breeders in our Jackson sales.
When you think of "grass farming," think of Herefords, "The Beef Breed Supreme," with quality enough to top the market and pounds enough to make it pay.
Time - November 9th, 1951
Place - West Tennessee Fair Grounds Jackson, Tennessee
Sale Starts at 12:30 P. M.

### Tennessee Outdoors

Louis S. Clapper  
State Game and Fish Commission

Beverly Price at Erin thinks he may have the answer to why pheasants have never done well in the Southeastern U. S. Price has been propagating several species of pheasant for several years and says the birds reproduce in Tennessee. His observation, is

that the young birds generally fail to survive under natural conditions because of chiggers. The chiggers, a bother to man, is destructive to pheasant chicks. In fact, they affect the chicks similar to the way lice affects poultry.

xx-xx-xx-xx  
Daffy Definition —  
"Fishing Rod"—a sporty name for a fish pole, costing over \$5. Rods are sold by weight—the

lighter the rod the heavier the price. As knights of old splintered their lances in tournaments, all fishermen strive to have a fish break their rod—an event of great distinction to boast about.

"Fishing Camp"—a place to wear out old clothes, play old maid, eat half-cooked food, fight insects and act red-blooded. liveliest hours are from midnight to daybreak. Happy fishing parties have been spoiled by erratic individuals who insist on going fishing.

xx-xx-xx-xx  
Between 25,000 and 30,000 Tennesseans will shell out additional money in the next few weeks for the privilege of hunting migratory waterfowl. The purchase price of a Federal Waterfowl Hunting Stamp is \$2, the same fee as required for residents to both hunt and fish in Tennessee. Of course, a valid State license is necessary in addition to the Federal stamp in order to hunt ducks and geese. Money from the \$2 stamps goes for establishing waterfowl refuges, food planting and law enforcement.

xx-xx-xx-xx  
The rabbit population potential is amazing on good farming land that has plenty of vegetation for food-and-cover. Three hunts over a Sumner County farm of 157 acres last year produced 106 rabbits for the nimrods. Despite other unrecorded hunts which doubtless produced additional game, the rabbit population was high last Spring and prospects for this season on that tract seem as good!

xx-xx-xx-xx  
Mother Nature continually confounds Man but nothing is more mysterious and humbling than the annual Fall migration to the south of thousands of brilliantly-hued water fowl which is now reaching its peak in Tennessee.

The city worker, the factory foreman, the farmer—all pause and wonder at the scheme of things as an ever-changing "v" of ducks or geese pass overhead, sometimes high and barely discernible, sometimes so low that their quacking and honking can be heard. It is one of the moving miracles of the seasons.

What urge sends the Arctic Tern winging from the North Pole region to the Antarctic—11,000 miles—each fall? How does a mallard duck, even in fog and at night, fly to the Gulf of Mexico and return unerringly 8 years in a row to the same nest in Canada? Where do birds weighing ten and twelve pounds find the strength to fly ten and twelve hours a day without a stop. Man has been asking those questions for hundreds of years and is still seeking positive answers.

Biologists believe the migrations were started in the prehistoric past as solutions to seasonal food scarcities. The impulses to migrate and return then became instinctive. And over the years, the entire bone-flesh-feather structure of the birds developed to the ultimate in efficiency. But their unerring sense of direction remains speculation centering about a "built-in" compass capability.

Because of tasty food qualities and the difficulty in taking them, the waterfowl was once so popular as a sport as to threaten them with extinction. Protection in the form of refuges and hunting regulations, though, have brought the beautiful birds back in quantity. Officials of the State Game and Fish Commission now expect thousands of them to pass down the Mississippi Flyway, one of four great courses, and into Tennessee's "Great Lakes of the South" this fall.

These mysterious flights mean more than food or sport and many people in addition to the hunters will be awaiting them each Fall.

xx-xx-xx-xx  
The State Game and Fish Commission urges sportsmen to brush up on identification of species before venturing out: in search of migratory waterfowl when the open season begins Thanksgiving Day, November 22.

Not only is wildlife conservation well-served by efficient identification, hunters are less likely to run afoul of the law. Tom L. Bingham, Chief of Law Enforcement, said, "Identification may save sportsmen the inconvenience of explaining to courts how too many snow geese got in a bag with Canadas or more than one wood duck with gadwalls and mallards." Ross' geese and swans are completely protected.

### Social Security Is Family Insurance

More than ever before social security is now a family insurance program, according to Joe P. Tipton, manager of the Dyersburg social security office.

Pointing to the important changes Congress made in the law in 1950, Mr. Tipton said that four of these changes have special bearing on the family features of Federal old-age and survivors insurance.

### CLERK'S SALE OF REAL ESTATE

MRS. WALTER SMITH, et al. VS. MRS. LONIE TATE, et al. In The County Court For Lauderdale County, Tennessee NO. 2850

Notice is hereby given that the undersigned will on FRIDAY, NOVEMBER 16, 1951 at 10:00 A. M. sell to the highest and best bidder for cash on the premises in Halls, Tennessee the following described property:

A house and lot with outbuildings in the Town of Halls, 12th Civil District of Lauderdale County, Tennessee bounded as follows:

Beginning at a stake in the west margin of College Street, same being the southeast corner of W. M. Sumerlin lot; runs thence west with Sumerlin south line 415 1/2 feet to a stake in Wilson Street; runs thence south with east margin of Wilson Street 181 1/2 feet to a stake in Rooks north line; runs thence south with Rooks north line 207 1/2 feet to a stake the same being H. A. Townsend southwest corner; runs thence north with said Townsend east line 82 feet to a stake the same being Townsend northwest corner; runs thence east with Townsend north line 238 feet to a stake in west margin of College Street; runs thence north with west margin of College Street 100 feet to the point of beginning.

Said sale in pursuant with orders of the Honorable J. R. Lewis, Judge of the County Court for Lauderdale County, Tennessee entered of record in my office of date October 23, 1951.

### TERMS OF SALE:

1. Said sale will be for cash only.
2. There shall be a right to reopen bids for a period of ten days after sale, which right will expire on Monday, November 26, 1951 at 5:00 P. M.
3. Purchaser will receive this property free and clear of all incumbrances.

Witness my hand this the 23rd day of October, 1951.

N. C. UTLEY, Clerk, County Court

E. T. PALMER, Sol. for Complainants. ROSS W. DYER, Sol. for Defendants.

Wives of insured workers may now draw social security payments regardless of their age if they have at least one of the worker's minor children in their care. "Before the 1950 amendments, wives could receive payments only if they were 65 years old or older," Mr. Tipton said.

"The men get a break through the amendments which were not there before," Mr. Tipton said. "Dependent husbands and dependent widowers are eligible for benefits based on their working wife's wages in many instances."

Heretofore, according to Mr. Tipton, children could not draw payments on their mother's earnings under social security if their father was living with or supporting the children. This is no longer true. A child whose mother was working regularly during the few years just before her death is now eligible to receive payments based on its mother's work.

The fourth change made by Congress which affects social security as a family insurance was to greatly increase the benefits payable to dependent parents. This step makes the payments a more substantial item in the income of the parents, thereby permitting social security to be a greater bulwark against economic insecurity.

Mr. Tipton said that all Union Social Security Committees in this area are invited to get in touch with his office for information regarding benefits. The address is Room 610, First Citizens National Bank Building, Dyersburg.

### CARD OF THANKS

We want to thank friends and neighbors for the thoughtfulness and kindnesses shown to our mother, Mrs. Roxie Goodwin, during her long illness and passing. We feel sure that your kindness made mother's suffering much easier to bear. We especially appreciated the many beautiful flowers, the offering of food and other assistance and the kind words of the ministers, Rev. Davis and Rev. W. M. Vaughan.

Children of Mrs. Roxie Goodwin

### From where I sit ... by Joe Marsh

### "One For The Book"

Miss Reynolds, our town librarian, really put a smart-aleck motorist in his place last week—right in center of town, corner of Main and Walnut.

Her car stalled, tying up traffic. Most drivers just waited quietly—realizing she couldn't help it—but one fellow kept blaring away on his horn.

So Miss Reynolds gets out of her car, walks over and says sweetly, "I'm afraid I can't start my engine. If you'd like to try I'll stay here and lean on that horn for you." That stopped him!

From where I sit, a lot of us are sometimes a little overzealous to "sound off" before we really understand what it's all about. Let's try to see the other fellow's side in whatever he does—how he votes, what he thinks, whether his preference is for a glass of beer or buttermilk—rather than simply blast out anyone who "gets in the way" of our ideas in these matters.

Joe Marsh

## TELEPHONE SERVICE IS GROWING, TOO

...and the price is up far less than most things you buy!

"GOODNESS, how he's grown!" And you could say the same about telephone service during the short time since his babyhood.

ACTUALLY, in just eight years the number of local telephones Tennesseans can call has more than doubled. And this year's increase in Tennessee telephones is expected to reach about 36,000.

BEST OF ALL, this bigger, better "package" of service has gone up in price less than half as much as prices in general... and less than our cost of providing the service.

ALWAYS one of your biggest bargains, telephone service is today an even better buy than it was ten years ago, and a smaller part of your family budget.

C. J. YATES, Tennessee Manager

So Big in Service ... So Little in Cost

Mrs. Beatrice Petty, daughter of Mr. and Mrs. Earl Corlew, is a patient at the Dyersburg Hospital. Mrs. Petty has been home since August due to a foot injury.

**ELAINE HURT IS WED AT EVANSVILLE**

In a beautiful candlelight wedding October 5, at 8 o'clock in the evening, Miss Mildred Elaine Hurt of Evansville, Indiana, and formerly of Halls, daughter of Mr. and Mrs. Millo Hurt, became the bride of Richard Gordon Byrne of Evansville, Indiana, and Pittsburgh, Pennsylvania.

The wedding took place in the sanctuary of the Trinity Methodist Church in Evansville before an altar banked with white chrysanthemums and palms, with white tapers burning in two branched candelabras.

Dr. Frank A. Hamilton, pastor of the church, said the marriage vows before a few very close friends.

The bride wore a street length gown of sapphire blue and a small matching feather hat with nose veil. She carried a bouquet of white baby rosebuds, tied with white tulle and wide satin ribbon.

Miss Mabel Kuester, her only attendant, wore a garnet gown and carried yellow roses.

Robert Sachs of Evansville was best man. Ushers were Charles Palmisano and Harry Garrison, both of Evansville.

After the wedding, a lovely reception was given at Hayden Hall by Miss Eulalie Hayden, mana-

ger and owner of the apartment building where the bride resided prior to her wedding.

Immediately after the reception the couple left on a wedding trip to northern Illinois.

After the first of the year, Mr. and Mrs. Byrne will move to their new home on Yankeetown Road out from Evansville.

Mrs. Byrne was an honor graduate of Halls High School and attended Oklahoma College for Women at Chickasha, Okla., and Hill's Business College at Oklahoma City. She has been employed for a number of years by an oil concern at Evansville.

Mr. Byrne is the son of Mrs. Mary Byrne Dawson of Pittsburgh, Pa. He attended Penn State and is a graduate of the Carnegie Institute of Technology. He is employed as an Account Executive with the Keller-Crescent Printing and Advertising Company of Evansville.

**WMS HAS REGULAR MONTHLY MEETING**

The regular monthly meeting of the WMS of the Baptist Church was held at the church Monday night with 25 members present.

Mrs. D. C. Warren, president, opened the meeting and conducted a short business meeting. Mrs. Loyd Edens lead a very interesting program with Mrs. Bob Burnett giving the devotional.

Topics were discussed by Mrs. Ross Dyer, Mrs. Morris Currie, Mrs. P. E. Griffin and Mrs. D. R. Nunn.

After a song Mrs. Leonard Andrews read some verses from Isaiah, Jeremiah and Luke. Mrs. T. G. Avery closed the meeting with prayer.

**SHIRLEY JACQUES HOSTESS TO GIRLS' AUXILIARY**

Shirley Jacques was hostess on Tuesday to the Intermediate Girls' Auxiliary of the Baptist WMU with eight members present.

Mrs. D. R. Nunn, leader, taught the mission study "Under The Southern Cross."

Mrs. Jacques and Shirley served delicious refreshments at the close of the meeting.

Elementary News Notes

(Continued From Page 1)

We all enjoyed the fun on Halloween night. Thanks to you who helped us make our booth and worked with us in any way. We are happy to report a nice sum and will be using it real soon.

We welcome our new pupil, Bobby Lowrey, to our grade. We missed Wanda Climer and

Linda Grady Friday. They were absent due to illness.

We all had a grand time at the Halloween Carnival. We wish to thank all of our mothers who helped to make this a joyous occasion.

In preparation for observance of Book Week, we have based our program on "Care of Books."

We have placed our worn books in our "Book Hospital." Our room librarians are putting new covers on these books and are mending all the damage. We are learning the poem, "Book Houses" by An-

nie Fellows Johnston. We are also making attractive booklets and posters.

Carmen Belton and Eugene Pugh have drawn the November Calendar on our blackboard.

We are thankful that the goblins did not get us Halloween night! Thanks to everyone who contributed in any way to our booth and to the king and queen contest, those who worked in the booth Halloween night and those who operated the picture show.

Delaine Moore was awarded the prize for having the neatest poem book. Larry McBride deserves mention for being the only class member who has memorized all the poems in his book.

Gloria Reece is back after an illness of two weeks. The boys challenged the girls in a geography match Monday. Much to the disappointment of both sides the match was a tie.

Old Man Winter was a little ahead of schedule, so we were busy last Thursday and Friday arranging our window garden for the winter months.

We enjoyed having Forrest Goodwin visit our room last week. We are glad Sonny Woodley is back after being sick two days last week. We believe he drank too much Witches Brew because he got sick after the Halloween Carnival.

Thanks to Mrs. Guy Cotham and Mrs. Ida Francis for the attractive Halloween favors they sent us.

We were proud of two of our group, Linda Tomlinson and Evelyn Smith, for observing a "Topsy-Turvy" Halloween and carrying "treats" to other people instead of asking something for themselves. We hope this fine spirit will develop among many others by another year.

Jerry Smith and Ray Garrison are busy drawing a November calendar on the board.

We have one new pupil in the sixth grade section — Billy Adams.

The sixth grade enjoyed the snow but it came as a surprise.

For our health study we have taken up the care of the teeth. In our social studies we are learning about Greece and other Balkan countries.

"Miss Oma" visited her brother during the weekend. He is in the hospital in Memphis.

We are learning the poem "November." We are going to put it in our poem books.

We are glad that Kay McGarity's mother is at home now after being in the Baptist Hospital.

Everyone in the seventh grade was very glad to see the snow last Friday. There were 20 that went to Sunday School Sunday.

Rachel Brasfield and Betty Jackson went to Dyersburg last week.

In reading we are enjoying the poem "The Courtship of Miles Standish."

We wish to thank all who made any contribution to our class for the Halloween Carnival. Thanks

especially to our room mothers! Grade 8

Oh, Dear! Halloween is over and we're back down to lessons again. That is, we're trying to get back down to lessons.

Hurray! Hurray! Have you heard the latest? Halls 8th grade beat Halls Freshman team in basketball Tuesday.

Happy Birthday Vanda Davis. We are excited over the box supper and square dance which the 8th grade is planning for Friday night.

We enjoyed dramatized skits given by members of the class Monday in English. The skits were judged and we found that "Cinderella" won first place. Members of the cast were: Cinderella, Carolyn McCorkle; Prince, Bobby Perry; King, Sonny Higdon; Queen, Marlys Cribfield who was stepmother of Cinderella and the mother of two charming daughters, Marilyn Latham (also Fairy Godmother) and Buna Smith. "Lonesome Pete" came in second. It was presented by: Lou Eva Baker, Reader; Marilyn Carter, Deborah; Carolyn Carter, Susie; Ebeleen Chronister, Liz; Vanda Davis, Lonesome Pete; Maurice Etta Lovelace, Patty;

Out of all the skits the best actors and actresses who were selected by the class were as follows: 1st, Sonny Higdon; 2nd, Carolyn McCorkle; 3rd, Barbara Cannon.

Reporters last week were Lou Eva Baker and Marlys Cribfield.

FLASH! Latest News! The Eighth Grade girls basketball team defeated a team from Ripley by a score of 37-31 Wednesday afternoon. The Ripley team was composed of 9th, 10th and 11th graders.

PASCHAL (Continued from Page 1) down from 35 percent in 1910 and 25 percent in 1932 to 16 percent now. There are actually eight million fewer people on farms now than in 1910.

This fact indicates that farmers are twice as efficient now as in 1910, but it also makes organization of farmers much more important because the best interests of farm people cannot be guaranteed by the ballot alone when only one person out of six is directly interested in farming.

The Lauderdale County Farm Bureau under leadership this year of Roy L. Carrington and W. C. Viar will go to the State Convention next week with a report of 986 members.

The leadership of the Farm Bureau is conservative and fair minded in their thinking. They want a fair share of the national income for farmers and want farm boys and girls to have the same educational advantages as other groups. They deserve the support of all the people of agricultural areas such as ours.

SERVICE-FRIGIDAIRE & MAYTAG APPLIANCES

We are equipped to give you quick and good service on your Frigidaires or Maytag Appliances. We carry a complete stock of parts for all of our appliances.

So, if your old appliance is in need of repair, bring it in or we will pick it up for you and service it.

If you are in the market for a new appliance it will pay you to see us before you trade or buy.

It always pays to buy the most popular brand of appliances on the market, and from a dealer that can give you service.

We also have a good stock of used, guaranteed Refrigerators, Ranges and Washing Machines.

More Frigidaires serve in American homes than any other refrigerator.

We also Rebuild and Rewind Electric Motors.

Hurt & Hansford George Baker, Service Man Phone 2611 Halls, Tenn. Frigidaire — Maytag

steps which should be taken now in order that your self-employment income will be credited to your account at the proper time. "The first thing to do," he said, "is to be sure you have a social security card." If you have had a card before and lost it, you should get a duplicate card at your nearest field office. If you have never had a card, the field office will assign one to you.

"As a matter of fact," Mr. Tipton said, "this is the only action which is necessary at this time. Self-employed individuals make only one report each year to the Social Security Administration regarding their net earnings. This report will be a supplement to the regular income tax return filed with the collector of internal revenue at the end of the year. They do not report themselves on the quarterly returns filed with the collector for their employees; therefore, in most cases no reports will be required until March 1952. There are, of course, exceptions to this rule," he pointed out, "such as where the self-employed individual goes out of business or dies during this taxable year. In these cases, reports could be made earlier."

According to Mr. Tipton, self-employed individuals, with the exception of farm operators and certain professional groups who were excluded by law, are covered on a compulsory basis. There are only two requirements to be met. One is that the business or profession is not one of the groups excepted by law. The other is that the individual have net earnings from self-employment of at least \$400 during the taxable year. All individuals who meet these requirements are covered and will be required to file an annual report on their net earnings.

Unless you have net earnings from self-employment of at least \$400 for a calendar or taxable year beginning on or after January 1, 1951, it is not necessary for you to make the report at the end of the year. If, however, your net earnings are \$400 or more, you must report and pay the social

security tax on the first \$3600 of such earnings.

"Remember," Mr. Tipton concluded, "to avoid the rush, which

is sure to come at the end of this year, and get your social security cards as soon as possible if you have not already done so."

## Confidential Corner

### Good Job

Congratulations are in order for workers to obtain blood donors for the coming of the bloodmobile to Halls today (Thursday) with more than 180 having signed up to give blood. This should assure Halls of reaching its quota.

### Congratulations

The Halls Post of the American Legion has established an enviable record in always passing its quota of members having secured some 33 members above their quota of 153. The local post has been exceedingly active at all times and has carried through many projects to a successful conclusion. Our congratulations to them.

### Slowly But Surely

Apparently the new elementary school building WILL eventually be completed since work has been going on at a steady rate during the past week. Hopes remain that the building can be occupied by December 1st.

### TB Seals Ready

Announcement has been made that the Tuberculosis Christmas Seals will be placed in the mails next Monday. Be certain to include the purchase of Christmas seals in your Christmas plans. There is no worthier cause.

## Bicolor Lespedeza Seedlings Offered

Farmers of Lauderdale County can obtain free bicolor lespedeza seedlings this winter from the State Game and Fish Commission if they apply without delay to County Agent F. H. Paschal or Soil Conservationist Kyle Davis.

Bicolor lespedeza is a soil-building legume that when nature produces a good quantity of seed is of special winter food value to bobwhite quail. These seedlings are well-adapted to planting along the fence rows, on field borders, at rock outcroppings and in other areas not in crop or pasture production.

Delivery of some 5,000,000 bicolor seedlings produced by the State Game and Fish Commission will begin this month. Farmers may apply for a minimum of 1500 plants which should be set 2 feet apart in 3-foot rows with about 5 rows in appropriate places.

## Brother Of Local Resident Dies

Arthur Roy King died last Wednesday night at his residence near Dyersburg. Mr. King, who was 48, was reared in Dyer County but had spent a number of years in Gideon, Mo. He was a member of the Church of Christ.

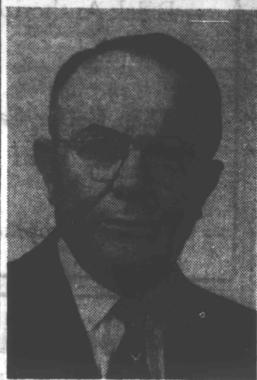

Funeral services were held at two o'clock Friday at the Curry Funeral Home with Ross O. Spears, pastor of the Dyersburg Church of Christ, officiating. Burial was in Mount Vernon Cemetery at Unionville.

Mr. King leaves his wife, Mrs. Della King; father, M. E. King; five sons, Howard and Cletus of Chicago, Willard, Bobby and Burnie Lee King all of Dyersburg; three daughters, LaVerne King of Chicago, Linda and Freda King both of Dyersburg; one sister, Mrs. Raymond Watts of Halls; five brothers, Carl and Hurley King both of Dyersburg, Floyd King of Halls, Herbert and Clifford King, both of Chicago.

## SERVICE TIMES AT AIR BASE CHURCH

An invitation is issued to the public to attend services at the Assembly of God Church on the Air Base each Sunday. Speaking each Sunday evening is the Rev. Bessie Penner of Munford, Tenn.

Service times each Sunday are Sunday School, 9:45 a. m.; Children's Service, 6:30 p. m.; Exchange Service, 7:15 p. m.

FRED R. HURT

## John Deere Show In Halls December 6th

Fred R. Hurt, head of Farmers Implement & Seed Co. of Halls, today announces that the annual John Deere show will be presented at Halls Theatre on Thursday, December 6.

Mr. Hurt states that six brand-new movies are included in the program which will be presented free of charge to farmers and interested persons in this section. Tickets to the show are available at Farmers Implement & Seed Co. on North Front Street.

The annual John Deere show has always created a great deal of interest here and is expected to do so this year.

## Big Ten Title Game Set For Dyersburg

TRENTON —Dyersburg will be the site of the 1951 West Tennessee Big Ten Prep Conference title game, R. K. Castellaw of Covington, Big Ten president, announced via telephone Tuesday. Officials of the two play-off participants, Ripley and Byars-Hall of Covington, met in Covington Monday night to select the site and officials, Castellaw said.

The championship game is scheduled annually on Thanksgiving Day and a capacity attendance is usually the rule wherever the contest is played.

Both Ripley and Covington cinched their playoff berths last Friday night by downing opposition teams by decisive margins. The teams met earlier this year and Covington triumphed over Ripley 12-0.

## Mrs. Albert Peal Buried Monday

Services for Mrs. Albert Peal were held at 10:30 Tuesday morning at the Christian Church with Ross O. Spears, Church of Christ minister of Dyersburg, officiating. Burial was in Sudbury Cemetery at Friendship, Tenn. with Sudbury Funeral Home in Charge.

Mrs. Peal died at her home in Halls late Sunday night after an illness of about three months. She was born in Crockett County near Maury City, Tenn., and was the wife of Albert Peal, well-known city employee of Halls. She was 63 and a member of the Church of Christ.

She leaves her husband; a sister, Mrs. Emma Murray of Nashville; two brothers, Albert Agee of Bells, Tenn., and Leon Agee of Boncord, Tenn.

## SELLING SCRAP IS TAKING PART IN DEFENSE JOB

Collecting and selling farm scrap to dealers means taking a real part in arming the Nation with essential weapons, farm families are reminded by specialists of the U-T Agricultural Extension Service.

Some of the items farmers may look for as scrap include worn-out plow points and shares, cultivator shovels and sweeps, horse-drawn equipment which has been replaced by tractors, old electric wire and cable, worn-out storage batteries, and windmill and tank towers which have been replaced by modern pressure systems.

No farm machinery should be scrapped that can be reconditioned. It is emphasized.

## Tigers To Play Ripley Tonight

The Halls Tigers will bring their 1951 football season to a close Friday night of this week when they meet the vaunted Ripley Tigers on Irvin Kneel Field in Ripley. Game time is 8 o'clock.

Greatly favored in the contest will be the Ripley team which has an outstanding record of 8 wins and one loss for the season and will oppose Covington in the Big Ten playoff Thanksgiving Day.

Although the Tigers are expected to be on the losing end of the Ripley game, there is no reason to think that the game will be a runaway and the possibilities of an upset are not beyond the realm of imagination. Although still handicapped by injuries and illness the Tigers will still be in the best shape from the standpoint of manpower of any recent game. However, the continued rains and bad weather have slowed the return of injured and sick to top-notch condition.

Last Thursday night the Tigers traveled to Ridgely and took an easy 27 to 0 victory with three touchdowns being scored in the first quarter by the Tigers and the entire squad seeing action during the game. An 80-yard return of a punt for a touchdown by Stuart Crichtfield was the highlight of the game.

Scoring for the Tigers was Crichtfield two touchdowns, Newcome one touchdown and Ripley one touchdown. Outcome of the game was never in doubt as the Tigers played pretty much as they pleased.

## 4-H Clubbers Return From Europe Visit

Charles Peal, Ass't. County Agent, last week the fifty-four 4-H boys and girls who spent the past summer on farms of Europe as delegates of the International Farm Youth Exchange returned home to begin telling the never ending stories of their unusual experiences.

The difficulties they met up with in their assignments and how they successfully discharged them as "grassroots ambassadors of goodwill" forms a glowing chapter in the annals of the 4-H movement and in American enterprise and diplomacy. The Secretary of State told one group of delegates that they could do more in an hour to improve relations with the people of a country than the State Department could do over a long period of time.

By living in the farm homes and working with them on their farms, our boys and girls are in a better position to present an accurate picture of the American way of life. At the same time they get first hand information of how they carry on their daily life.

It is not the delegates' intention to compare that country with this one, but rather to understand why they do things different. That the Exchange Program is accomplishing its purpose is evidenced by the fact that each year more people in the government are becoming interested in it and also the number of countries in which delegates are received keeps expanding.

This year Tennessee will again participate in the Exchange Program. Each state is allowed one or two delegates. Delegates must be at least 18, have a farm background, and above all have the ability and tact necessary to cope with almost any situation. It certainly is a fine trip and an experience one will never forget. The knowledge gained is worth a year or more in school.

It certainly would be fine if we could have someone from Lauderdale County to represent Tennessee this next year.

## HOME FOR WEEKEND

Lt. Donald L. Steelman spent the weekend here with his parents, Mr. and Mrs. Billy Steelman. Lt. Steelman is stationed at Keesler Field, Miss.

## NIGHT MARSHAL, FIRE DEPARTMENT PHONE NUMBER IS LISTED

Mayor P. W. Crittendon has asked the Halls Graphic to call to the attention of the public that when calling the night marshal Phone number 2214 should be used as the Mayor's office is closed at night. The Fire Department may be reached at the same number.

## Halls Sextet To Play Here Next Week

Halls basketball fans will get a pre-season view of the Halls High sextet next week with games scheduled for next Tuesday and Friday nights on the Halls gymnasium floor.

Tuesday night the local girls will play Holy Names of Memphis and Friday night they will play Sacred Heart, also of Memphis. The Halls sextet defeated Holy Names Thursday night of last week 49 to 18 and then Wednesday night of this week they traveled to Sacred Heart where they won 59 to 23. Halls B teams won by overwhelming scores over their B teams also.

The regular basketball season will open on Tuesday night, December 4th, with the Ripley teams coming to Halls. It is hoped that the new gymnasium will be ready for use by that time but the games with Holy Names and Sacred Heart will probably be played on the old gymnasium floor.

Through the courtesy of Joe L. Levy & Son schedule cards for the basketball season are being prepared this weekend and will be ready for distribution by the opening game in Halls. Cards will be handed out at the home games, at the Levy Department Store and also will be available at the Graphic office.

## TB Christmas Seals On Sale Nov. 19th

Only in a Democracy could Christmas Seals become a tradition. They mean people working together voluntarily for each other.

Last year, more than 12 million families contributed to the common good. No one made them. They wanted to do so as free individuals.

By buying Christmas Seals they have advanced the control of our most lethal contagious disease — Tuberculosis.

This year, particularly, Americans will again help keep America healthy and strong.

Lauderdale's Countians have given generously in the past to help stamp out this dreaded disease and will again have the opportunity to exercise one of America's greatest freedoms of voluntarily helping their less fortunate fellow citizens.

Your Christmas Seals will be in the mail on November 19th. Buy them and help stamp out TB.

## Dr. Duggins To Address PTA Mon.

Dr. Duggins, head of the Psychology Department of Memphis State College, will be the guest speaker at the meeting of the Parent Teachers Association on next Monday night, November 19, at the Elementary School Auditorium.

Dr. Duggins comes to Halls highly recommended as an interesting and forceful talker. She is said to be outstanding in her field throughout Mid-South Colleges.

Meeting date of the regular PTA has been changed to the third Monday night in each month in order that fathers as well as mothers may be able to attend the meetings. An especial effort is being made this year to interest fathers in PTA work and their attention is called to the need for their attendance and help. Mrs. Clyde Younger, PTA president, is making a special appeal to fathers to be present.

## Legion Membership Reaches 186 Men

Halls American Legion Post No. 161 joined with other veteran groups throughout the nation Monday in observing Victory Day with its traditional barbecue supper.

One hundred and sixty Legionnaires attended and heard Pat Joyner, past commander of Memphis Post 1, deliver a timely message on the present world condition.

Besides Mr. Joyner and his party from Memphis, other guests included Bill Willis, department vice-commander, and Rankin Mathis of Milan, Guy Jones, district commander, of Union City, Ed Hule of Newbern, Cayce Pentecost and Thomas Hansbrough of Dresden, Sheriff John Yarbrough, Jimmy Dement and others of Dyersburg and a large group from Ripley.

An additional 36 members were added to the rolls of the post to raise its total membership for 1952 to 186. This is the fourth consecutive year that the post has exceeded its quota. The quota for this year was 153 members.

## Faye Erwin Named Secretary Of State DE Organization

High school students from all parts of the state met in Nashville November 4, 5, and 6 for the Eighth Annual Convention of the Tennessee Distributive Education Clubs.

The distributive education program makes it possible for students to hold a part-time job while attending high school and at the same time be trained in salesmanship in class.

Billy Taylor, a student at DuPont high school in Old Hickory, was elected new state president of the organization. Other officers chosen included Jim McConnell of Kingsport, vice-president for East Tennessee; Joe Craddock of Nashville Central High, vice-president for Middle Tennessee; Margie Harrell of Humboldt, vice-president for West Tennessee; Faye Erwin of Halls, secretary; Rex Wyatt of Knoxville Rule high school, treasurer; Dora Smith of Covington, reporter; and Arch Innis of Kingsport, parliamentarian.

Bill Gillenwater of Kingsport was elected delegate-at-large to accompany the president and secretary to the annual national DE convention to be held next spring.

Others representing Halls at the convention were Kathleen Garrett and Mr. J. C. Peery, advisor.

## Mrs. H. L. Kirby Died In Memphis Hospital

Services for Mrs. Lessie Conley Kirby, who died at 9 Wednesday morning at the Baptist Hospital in Memphis, will be held at 2 Thursday afternoon (Today) at the South Fork Baptist Church near here. Burial will be in the church cemetery.

Mrs. Kirby, wife of H. L. Kirby, Sr., was 56. She was born in Crockett County, and was a member of the Church of Christ.

In addition to her husband, Mrs. Kirby leaves a daughter, Mrs. Hellen Sinks of Memphis; and three sons, H. L. Kirby, Jr. of Memphis, Dorrence Kirby of Memphis and Raylian Kirby of Halls.

## MISSIONARY SERVICES ON CURVE METHODIST CIRCUIT

On Saturday evening, November 17th, at 7:30, we will have a special missionary service at Woodville Methodist Church. The Rev. K. C. Matthew of Trovencore, South India, a teacher for a number of years in a Methodist Mission High School there, will be our dynamic speaker of the hour.

The Rev. Matthew will also be at Edith for the Sunday morning worship service and at Melville for the 7 p. m. Sunday evening worship hour. There will be special music for these services by Dr. and Mrs. James D. Robertson of Wilmore, Kentucky.

We give each of you a public invitation to come and worship with us.

## UNION THANKSGIVING SERVICE IS PLANNED

Announcement was made Wednesday that a Union Thanksgiving Service will be held at the Halls Methodist Church on Wednesday night, November 21, at 7:30. Details for the service were not complete Wednesday but will be announced from the various pulpits Sunday morning. The public is urged to attend.

## Elementary News Notes

M. Latham - B. Nunn

### A Family Prayer

Lord, give us grace and strength to forebear and to preserve. Give us courage and gaiety and the quiet mind. Spare to us our friends, soften to us our enemies. Bless us, if it may be, in our innocent endeavors. If it may not, give us strength to encounter that which is to come, that we be brave in peril, constant in tribulation, temperate in wrath, and in all changes of fortune, loyal and loving to one another.

### Grade 1

How we enjoyed a few pretty days last week!

We have our November calendar up and find Yvonne Myer has a birthday November 14th.

Brenda Carol Keltner visited in Finley Sunday.

We are glad to have Annette Guin back in school. We borrowed the Pilgrim picture from the 8th Grade to have our story of the first Thanksgiving. Many interesting pictures and stories have developed.

### Grade 2

The Second Grade is plugging along as usual. We haven't had any good news lately. Our attendance has been good even though we had some cold weather. Friday we really enjoyed a pretty day.

"Miss" Jane went to Memphis Saturday. "Sonny" Littles went to Mississippi for the weekend.

We welcome a new pupil from California. His name is Bill Henry. He is living with his grandmother, Mrs. Allen Rooks, for a while. We are glad to have him.

We're making some nice Thanksgiving pictures.

### Grade 3 - (Mrs. McDearman)

This is children's Book Week—November 11 to 17. We have a nice poster in our room reminding us of this and we have had some nice books to enjoy this week along with talks of books' care. Our book markers that we have made will be very useful.

We sang "Happy Birthday" to Katie Lou Hurt last week. Brenda Grady has a new little baby brother. She is really thrilled over having a brother, she says.

Miss Bizzle was a visitor in our midst last Monday.

On one of our cold frosty days, Alix Hallman brought her costume to school and did her dance of "Frosty, The Snow Man." We enjoyed it very much.

We are continuing to enjoy the book "Adventuring with Pioneers." This is the season to enjoy having it read to us. It was written by Mary Browning.

We are learning a little about measuring so we are now making a chart to show how tall each pupil is.

Alix Hallman and Chuck Murchison attended "The Skating Vannies" in Memphis over the weekend. Katie Lou Hurt says she crossed the "Ferry" and went to Arkansas and so did Don Ray Smith. Lynn Stallings went to Knoxville. Our Third Graders really get around, don't you think so?

### Grade 3 - (Mrs. Cooper)

We were glad to see some Art-Rite tablets last week and have already begun using them.

Fifteen of us were 100% readers last Friday.

Jimmy Castleman drew a nice looking turkey on our board and Fat Younger and Bobbie Phillips are doing well with some drawings, too.

Our room planned a very interesting program for Armistice Day. Sammie Steelman led our flag salute and others made discussions (Continued On Page Six)

## Doubts Value Of New Vaccines

F. H. Paschal, County Agent

New hog cholera vaccines now being put on the market and recommended because they are easier to administer and because they do have some minor points of advantage over the proven method of serum and virus, should not cause farmers to lose faith in the standard method.

In fact, farmers who religiously vaccinate all their hogs on purchase and their pigs near weaning time with fresh serum and virus purchased from a reliable firm, rarely ever have outbreaks of cholera in their hogs.

The new one-shot vaccines do not produce immunity over a long duration. In some cases and with some vaccines they do not protect more than six months with twelve months being the outside limit. Neither do these one-shot vaccines produce immediate protection.

There is a period of two or three weeks in which the animals are not protected. The best authorities still do not know whether these modified viruses used in one-shot vaccines do not revert back to some form of the original cholera strain which could cause outbreaks of cholera.

The extra trouble and cost of vaccinating every pig with fresh serum and virus will pay good dividends to hog producers. Our failure to do that has been the main cause of our hog losses from disease.

### Kill Lice In November

Cattle lice have a tendency to increase as cool weather comes on and it is advisable to spray or dust beef cattle and dairy cattle for lice during November if the job was not done in October. Lindane is one of the most efficient chemicals which is safe to use on beef and dairy cattle. Mix one-half pound of 25% lindane in 50 gallons of water or one tablespoonful to each gallon of water and spray on the cattle thoroughly especially in the regions of the neck and tail and between the legs.

Methoxychlor is also safe on beef and dairy cattle and one shot is usually sufficient. Mix 4 pounds of 60% wettable powder to 50 gallons of water or one cupful to three gallons of water.

Chlordane or DDT or Benzene Hexachloride may be used on cattle not being milked or to be taken to market right away, but these materials are not much cheaper than the ones mentioned above nor are they any more efficient.

Safety Habits Important

As we have taught 4-H Club boys and girls habits of safety during the last few years, we have learned that more people are injured or killed by accidents in the home than any other place. There were nine people brought to Campbell's Clinic at Memphis one day last month with broken hips, and most of them were caused by tripping on throw rugs in homes.

It appears that these small, limp rugs may be correctly named. They may have been useful in former days in making houses warmer and providing protection or decoration, but so many people find them dangerous that larger rugs or thicker, stiffer rugs with rubber coating on the underside surely have much to recommend them.

It just seems that we are justified in doing away with small "throw" rugs in our homes, especially on slick floors. Even young people who do not actually fall, many times come so near falling that they strain their backs or are otherwise injured by these rugs.

Next to the throw rugs as deadly weapons in homes are chairs and tables and boxes used as step-ladders for climbing up to hang curtains or do other jobs. Women sometimes even get up on these in high heels. A firm footing is always needed and some method is needed to prevent our losing balance when climbing up.

Habits of carefulness in general pay good dividends toward the prevention of accidents in the home for young and old alike.

It Says Here

By Vaughn Richmond

I "got in trouble" last week — talking about the weather. "Somebody comes along and says (it says here) that October had a bad influence on November and taught her "bad tricks" that it took her several days to "get over." Well, it did kind o' look that way . . . but November's alright—bound to be! . . . for she brings Thanksgiving! Ah, Thanksgiving! It turns our thoughts to "tarts and cakes" —lots o' them . . . and cranberry sauce, celery, and of course, turkey (even if we have to "re-name" a lot of chickens) and dressing . . . gravy and pumpkin pie. Oh, it may have to be "potato," but that will be alright too, if plenty of spice and things are used, and we bake it kinda like "Granny" used to do. I used to wonder why Granny could make such good potato pies and things. I guess she just kinda studied that —wasn't interested in too much else: just sorta took plenty of time . . . and it always seemed to me that she enjoyed "fixing up" a good Thanksgiving dinner.

I did want to see that Football game between a certain team and my "home town!" . . . but other plans have been made by some other folks, and I guess I can't make it this time (maybe next year). I guess I'll just stay at home and enjoy Thanksgiving dinner with my family. "The children will probably be there; they may not all get there but some of them will be—and the ones that are there—we'll think about them, (and we hope they'll think about us)." You know, it's strange how your mind can swiftly travel around all across the continent: sometimes, especially on Thanksgiving and such days. Sometime even go farther than that—maybe to Korea or Germany, or some place "over there."

Anyway, I think I'll try to enjoy this Thanksgiving . . . and try to be thankful. I guess it kind o' helps you to be grateful for all the Blessing, the harvest, plenty of food, our great country, good houses to live in, health, good neighbors, friends, and all those things. And, if you happen to read this, "we hope you have a good day and 'watch the gravy,' it has a way of spilling sometimes."

Help Stamp Out Tuberculosis

TANNER - PEERY WEDDING RITES SAID SATURDAY

In a beautiful candlelight wedding on Saturday, November 10, at 4 o'clock in the afternoon Mrs. Mabel S. Peery, daughter of Mrs. A. C. Smith and the late Al Culin Smith, became the bride of Warren Ray Tanner of Okeema, Okla. The wedding took place in the sanctuary of Decatur Street Christian Church in Memphis before an altar of white chrysanthemums and fern with white tapers burning in two branched candelabra. Rev. Albert Rose, pastor of Halls Christian Church said the marriage vows before a few close friends and relatives.

The bride wore a rose beige suit with brown accessories, a small velvet bonnet of gold veivour with a touch of chateaufort, her corsage was green orchids.

Mrs. L. E. Rhodes of Memphis was her only attendant. She wore violet faille with matching accessories and gold throated orchids. Harold Dodson of Halls served Mr. Tanner as best man.

Ushers were L. E. Rhodes and Eugene White of Memphis.

Miss Betty Jones of Halls sang "Always" and "I Love You Truly." Mrs. Charles Moore was at the organ.

Mrs. Tanner is owner of Halls Insurance Agency here.

Mr. Tanner is the son the late Mr. and Mrs. Lee Tanner of Okeema, Okla. He is a graduate of University of Oklahoma, majoring in civil engineering.

Mr. and Mrs. Tanner are at home in Halls.

HONORED AT SURPRISE BIRTHDAY DINNER

A surprise birthday dinner was given Sunday by Mr. and Mrs. Paul Crittendon at their home in honor of Capt. Joe Hodges.

Guests were as follows: Mr. and Mrs. J. R. Hodges, Mr. and Mrs. A. A. Hodges and children, Jane and John, of Hickory Withe, Mr. and Mrs. R. A. Hodges and Sally. Claude Braden, Mrs. Velma Burkhardt and Mrs. Corinne Patz of Memphis and Mr. and Mrs. T. G. Cooper and daughter, Patricia, of Nashville.

PLEASURE-PACKED PROGRAM PLANNED FOR FARM FAMILIES

To Be Guests of Farmers Implement & Seed Co. Local John Deere Implement Dealer On John Deere Day, December 6, 1951

No less than six brand-new movies are on the program for the annual John Deere Day show to be held for farmers and their families on Thursday, December 6th, 1951 at the Halls Theatre, according to Mr. Fred R. Hurt, local John Deere dealer and sponsor of the affair. Farmers who have not yet received their tickets, reminds Mr. Hurt, may obtain them by calling for them at the Farmers Implement & Seed Co., 123 N. Front St., Halls.

The feature picture, "Galahad Jones," features Richard Crane, Marjorie Lord, Elizabeth Patterson, Jonathan Hale, Ed Brophy, and four other Hollywood personalities. The story centers around a farmers son, recently graduated from law school, who thwarts the efforts of a big-time crook to profit from his political connections. It is a present-day problem picture with a moral and plenty of laughs. Leading the pack of five more applause-winning films is "The Big Payoff," featuring Tom Gordon who, along with his typical American family, has won so many friends in previous John Deere pictures. The four films that complete the parade of entertainment offer something new and different in dealing with subjects close to the hearts of today's farmers. "Those who attend this year's John Deere Day," says Mr. Hurt, "have a real treat in store for them, a day so packed with entertainment for the entire family that they will remember it with pleasure for months to come. Don't miss it! Get your tickets on your very next trip to town."

**Quick Orange Bread**

Place this Quick Orange Bread high on your list of good things to eat, for its fresh orange flavor is nothing short of luscious.

Easiest way to make your nighttime meals glamorous is to include special breads from the baker, or quick breads made at home. Loaf breads have a special attraction, for they look important, taste as good as they look. They are a favorite of the home baker, too, for they stay fresh and tempting for several days, providing meal time treats and between-meal snacks. Flavored with fresh oranges and orange rind, Quick Orange Bread will be enjoyed for its refreshing flavor and thrifty nutrition.  
You'll especially enjoy serving this bread with cottage cheese, ham dishes, chicken and seafood salads.  
In addition, Quick Orange Bread is one of the most delicious ways to get essential B-vitamins and food iron provided by enriched flour.

**QUICK ORANGE BREAD**

- 2 cups sifted enriched flour
- 4 teaspoons baking powder
- 1/2 cup sugar
- 1/2 teaspoon salt
- 2 eggs
- 1/2 cup orange juice
- 3 tablespoons melted shortening
- Orange Mixture

Sift together flour, baking powder, sugar and salt. Beat eggs well. Add orange juice, shortening and cooked orange mixture. Combine egg mixture with dry ingredients. Bake in greased loaf pan in moderate oven (350° F.) 1 hour. Makes 1 1-pound loaf.

- Orange Mixture**
- Rinds of 2 large oranges
  - 1/2 cup water
  - 1/2 cup sugar

Simmer rinds in hot water 10 minutes. Drain, cover with water and cook until tender (10 minutes). Drain and shred. Add 1/2

Mr. and Mrs. Lloyd Cates and son of Halls spent Sunday here with relatives.

**Tennessee Outdoors**

Louis S. Clapper

State Game and Fish Commission

When you get down and think about it, revolutionary changes have come about in fisheries management in the last 15 years.

Back a few years ago, it was considered that stocking waters with hatchery fish was the only answer to poor fishing returns. Today, hatchery fish are used primarily for two purposes: 1.—stocking waters that have insufficient brood stock reproduction, and 2.—providing trout on a "put-and-take" basis. In other words, the big lakes, most ponds and smaller lakes and streams that haven't been depopulated by pollution, floods, dynamiting and other illegal fishing methods seldom need restocking. Poor fishing, in fact, may be due to an overpopulation of stunted fish and adding hatchery stock may be aggravating an already bad situation. It has been found that fertilization pays dividends in producing fish in small lakes and ponds. Tagging returns show that a maximum of 25 percent of the fish in TVA lakes are caught by hook-and-line methods—the others die of old age or other natural causes!

Cartoon artists and movie makers please note: rabbits prefer red apples over lettuce as food! Wildlife technicians, in trapping bunnies for study, find apples are the best all-around bait with corn second. Lettuce is 'way down the list!  
Buried deep in the tax bill recently passed by Congress was an item removing the 15% levy from guided fishing trips. While this tax removal affects fishing locations on the coast and Great Lakes more than in Tennessee, there is an underlying thought worthy of commendation the nation over. The legislators, in taking this action, apparently realized that fishing is more than a recreation. Sport fishing provides a necessary escape from the strain of modern living that is recognized by many physicians. And not only does fishing provide a beneficial recreation, it often produces a return that is most practical in these days of high food prices. Yes, the appreciation of America's wildlife resources continues to grow day-by-day!

Tennessee sportsmen can be thankful for mild winters that do not kill fish. A news bulletin from North Dakota describes how snow and ice combine to kill fish in lakes and ponds. Clear ice allows enough sunlight to pass through

to activate underwater plant life and produce oxygen necessary to aquatic life. On the other hand, snow on top of ice shuts out sunlight and fish die through a lack of oxygen plus the toxic gases resulting from decaying organisms. Tennessee, of course, waters rarely are iced over for long periods, if at all.

Alabama values its fur trade for the 1950-51 fiscal year at \$411,444 or \$121.68 per trapping license sold.

Hunters agree that migratory waterfowl appear deceptively large while coming in to a blind and many are fired upon although they are out of killing range. These birds may be wounded so seriously that they later die, of benefit to nobody. To correct this situation and save expensive shells as well, the State Game and Fish Commission recommends that hunters set one decoy at the outer limit of the shotgun's killing range. By using this decoy as a gauge, birds inside the set can be fired upon while those outside can be left unharmed.

**CHECKING HERD POINTS WAY TO GREATER OUTPUT**

Increased production is possible in almost every dairy herd in Tennessee, according to dairy specialists of the U-T Agricultural Extension Service. Dairymen looking for means of obtaining more milk and more butterfat are advised to look first at the service offered by dairy herd improvement associations.

Last year, for example, the dairy specialists point out, there were nearly 12,000 cows on test in such associations in Tennessee. These cows average 6,320 pounds of milk, and 290 pounds of butterfat per cow.

Currently there are 21 dairy herd improvement associations in Tennessee, with about a third of the counties actively represented. The service will be extended to other counties where there is sufficient demand, specialists point out. Information on such dairy help may be obtained from county agents.

No matter at what level his herd is producing, any dairy farmer will profit from the three basic practices which have lifted production in association herds. First, cull low-producing, unprofitable cows from the herd. Second, feed the remaining cows according to their individual producing ability. Third, select the best animals in the herd for breeding stock to improve the inheritance of the future herd for high-producing capacity.

Selecting the best breeding stock and feeding according to producing ability means keeping production records on each cow.

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee  
(Exodus 19:7-8; 23:1-13)  
**"A NATION'S LAW"**

We are all agreed that the crying need in our nation today is a rebirth in the sanctity of law. Our moral perceptions have become dulled and deadened. From the nation's capital on down we need a new sense of justice and right. If Moses had rendered no service except that as law-giver he still would be one of the world's greatest benefactors.

These laws were given to a people who were temporarily without a country but who were soon to enter and possess a land and build their civilization. It is an interesting study to learn how these laws, although given a primitive society, have become the pattern of statesmen everywhere. The law of Moses is not built alone on the principle of an eye for an eye, and a tooth for a tooth. To curb wanton maiming of others in that hard and cruel time he did say, "eye for eye, tooth for tooth, hand for hand, foot for foot, burn for burn, wound for wound, lash for lash." (Exodus 21:24) Who could doubt the justice of that for keepers of German concentration camps.

That sense of justice and of punishment for wrong doing is not all that is there. This law also provides for fairness, mercy, and allows for extenuating circumstances.

He protected the owner of the ox which "was not used to going." He set up the sabbatic year when all prisoners and all slaves and debtors were to go free. The land of a family could not be taken forever to pay a debt. The land was to rest the seventh year and the poor and the stranger were to be allowed to glean. Protection was given the widow, the fatherless and the unfortunate. As John Lord observed, "These laws may sometimes seem severe, but never unjust."

A statesman is not prepared for best work by reading of Blackstone alone; he must also read Moses. Practically every law of our nation which looks toward the betterment of human life is drawn in principle from Moses. Laws against murder, theft, slander are clear examples.

In Moses we also find the roots of our laws which allow for the degrees of guilt in murder, which protect a man's home, which protect public health, which safeguard the rights of laborers, the curbing of monopolies. Our pure food and drug act, the abolition of child labor, and of sweat shops, provisions for the poor and needy, safeguards against unjust judgments, bribery and corruption, the education of all people — all these and more are found in the laws of Moses.

Gladstone said, "Good laws make it easier to do right and harder to do wrong." These laws are divine laws. They are not the product of Moses' mind, nor the accumulated wisdom of the race. He spoke for the Most High.

Nobody doubts the transcendent genius of Moses, nor his wonderful preparation. If any uninspired man could have written these laws doubtless it was he. But neither history nor philosophy will support his work as the product of mere human intellect. Supporting his regulation is the fiat, "Thus saith the Lord."

Alexander Knox featured. O'Brien plays a small-time gambler who becomes involved in a giant confidence game, after succumbing to the sultry charms of the lovely Elizabeth. The stakes for which these two play is a huge fortune that will some day come into possession of a rich family's long-missing son. O'Brien impersonates the missing heir and Miss Moore portrays an eccentric debutante attracted to the strange new "relative." Knox is seen as an unscrupulous lawyer who engineers the entire plot.

**"Rich, Young And Pretty"**  
Jane Powell and Vic Damone may be providing a veritable gold mine for someone in a sequence of M-G-M's new Technicolor musical, "Rich, Young and Pretty," which shows at the Halls Theatre on Thursday and Friday, November 22 and 23.

The scene, in which they sing a new song, "How D'Ya Like Your

Eggs in the Morning," shows them in a small Paris cafe for breakfast. At each table is a complete set-up for preparing breakfast — an electric percolator, toaster and hotplate for cooking bacon and eggs. The customers take over and cook their own meal.

"It's a great idea," voices Miss Powell, "I'd like to open a restaurant just like it myself. It's one time the customers couldn't complain if the toast were burned or the eggs weren't sunnyside-up!"

**U-T EXPECTING 12,000 GRADS AT HOMECOMING**  
KNOXVILLE — With traditional pep rallies, dances and get-togethers in final plans stage, the University of Tennessee is getting ready to welcome at least 12,000 old grads to the 1951 Homecoming celebration in Knoxville Nov. 30 - Dec. 1.

John M. Smartt, U-T alumni director, predicts that the two-day celebration, scheduled with the U-T - Vanderbilt game Saturday afternoon, will be one of the largest in University history.

Festivities for most alumni will begin with the Rose Hole pep rally at 8 o'clock Friday (Nov. 30) night, and the Barnwarming dance which follows in the Alumni Memorial Auditorium.

Various class groups will hold reunions during Homecoming, said Mr. Smartt, and all former physical education majors will be invited to a formal coffee Saturday morning.

The annual Homecoming dance at which the Homecoming queen will be presented Saturday evening, will close the holiday for the returning alumni.

Registration for the old grads will be held at the Farragut Hotel between 1 p. m. and 5:30 p. m. Friday afternoon, and from 9 a. m. until noon on Saturday.

**OVER-GRAZING FEED IS COSTLY FEEDING ERROR**  
In a list of costly mistakes which easily can be made on the farm, the mistake of over-grazing pastures now should be given a high place, say agronomists of the U-T Agricultural Extension Service.

Extended dry-weather periods have seriously cut pasture and hay crops; in fact, current estimates are that the hay crop is the shortest since 1944, it is pointed out. It is, therefore, a temptation on many farms to get all the grazing possible this fall.

If maximum forage production is to be obtained from pasture fields, however, it is important that clovers and grasses be allowed to obtain full growth before winter comes. Over-grazing of pastures now is likely to cause thinning of the stand, excessive winter killing, and weak plant root systems. All this adds to poor production in winter and spring, field crop specialists emphasize.

**Remember those Good Old Thanksgivings**

Memory brightens the colors and sharpens the aromas of our youthful Thanksgivings. Never since then has the air seemed so crisp, the turkey so tender.

For most of us those days also held a rich measure of simple warmth and security.

But they were also days of hard toil, long hours and few luxuries. In the days of the Illinois Central's youth, a man worked 14 to 16 hours a day. And in the kitchen, woman's work was never done!

We are thankful that the Illinois Central helped to nurture the industry and agriculture that have made life abundant for the people of Mid-America. But we are also eager that the spiritual warmth of bygone Thanksgivings shall endure through the second century of the Illinois Central Railroad and its people.

W. A. JOHNSTON  
President

**KEM-TONE and SUPER KEM-TONE** — We have all colors. Come see. Coles Hdw. Co. adv.

Floyd Grady is in Memphis this week visiting his daughter, Mrs. Clinton O'Neal, and Mr. O'Neal.

Mr. and Mrs. Claud Camp and daughter of Friendship were the guests of Mr. and Mrs. Edd Camp Sunday.

Mr. and Mrs. Fred R. Hurt and Mr. and Mrs. David H. Hurt spent Thursday of last week in Memphis.

Mrs. W. A. Smith, Jr., Mrs. A. G. Hargett and Mrs. Roy Patton were in Memphis Saturday.

Mrs. Lorine Wyse of Memphis was the weekend guest of Mrs. L. L. McDearman.

Mrs. D. C. Warren, Mr. and Mrs. D. R. Nunn and son, Warren, spent Sunday afternoon and Monday in Memphis.

**CLUB ALUMINUM SETS** — We have a few sets left at Special price — \$19.95. \$1 Down and \$1 per week. Coles Hdw. Co. adv.

Mrs. S. F. Young and Mrs. E. F. Rawles were in Memphis Saturday to attend the funeral of Mrs. Frances Paduano.

Mr. and Mrs. Carmen Belton and son were in Memphis Sunday to see the Skating Vanities of 1952.

Mrs. A. C. Smith is visiting her daughter, Mrs. S. C. Rainwater, and Mr. Rainwater in Macon, Ga.

Miss Fern Parrish of Memphis spent the weekend with her parents, Mr. and Mrs. N. G. Parrish.

M. E. McDearman, Jr. is somewhat improved but still confined to his home after being ill for the past ten days.

**LAY 'AWAY** — Use it on our Wagons, Tricycles, Dolls and Toys. Coles Hdw. Co. adv.

Mr. and Mrs. Floyd Brown, Jr. and Jerry of Ripley spent Sunday with her parents, Mr. and Mrs. W. H. Keltner.

Among those attending the funeral of Mrs. Albert Peal Monday were Mrs. Emma Murray and William Ferguson of Nashville.

**PHILCO RADIOS** — Popular Prices. Coles Hdw. Co. adv.

Miss Dorothy Thurmond spent Sunday and Monday in Memphis with her sister, Mrs. L. C. Hardin, and Mr. Hardin.

Mr. and Mrs. Howard Sheppard and two daughters of Paducah, Ky. spent Sunday with her mother, Mrs. Walter Parminter. They were here to attend the funeral of Mrs. White.

**PHILCO REFRIGERATORS** — The kind that give you care-free service. Ask your neighbor. Coles Hdw. Co. adv.

Mr. and Mrs. Guy Chambers and little son of Knoxville are guests of his father, Joe Chambers, and aunt, Mrs. Jett Meadows.

Mr. and Mrs. M. H. Stallings and daughter, Lynn, returned on Monday from a weekend visit with Mr. and Mrs. Jimmie Jacques, Jr. in Knoxville. While there they attended the Washington & Lee - UT football game on Saturday afternoon.

Among those attending the wedding of Mr. and Mrs. Warren R. Tanner in Memphis Saturday afternoon were Mr. and Mrs. J. W. Warren, Mr. and Mrs. Clyde Younger, Mrs. E. F. Rawles and Mrs. S. F. Young.

**.22 RIFLE SPECIAL** — This week \$12.52 — Stevens, too. Special buy. Coles Hdw. Co. adv.

Mrs. D. C. Warren, Mrs. D. R. Nunn, Mrs. Stuart Critchfield and Mrs. J. H. Murchison spent Wednesday in Memphis.

**FOR SALE** — Apex washing machine, good condition, like new, \$50. Mrs. Sarah McDay, Phone 4762, Halls.

**MRS. WARREN HONORED WITH BIRTHDAY LUNCHEON**

Mrs. D. C. Warren was the honoree at a luncheon given Friday at the home of Mrs. A. G. Hargett. The occasion being Mrs. Warren's birthday.

The rooms were made more attractive for the event with bowls of lovely chrysanthemums.

Others present were Mrs. Fred Hurt, Mrs. L. L. McDearman, and Mrs. J. H. Murchison.

Mrs. Warren was presented a gift from the club.

**CARD OF THANKS**

To everyone there comes a time when a loss would seem to be greater than one can bear and it is at that time that ones friends and neighbors mean so much. Words will not express the great appreciation which we feel for the many kindnesses shown to Mrs. Peal during her illness and the words of sympathy, the beautiful flowers and other manifestations of your kindness following her death. We also wish to express our thanks for the use of the Christian Church for the funeral services.

Hurt & Hansford Phone 2611 Halls, Tenn.

attended the "Skating Vanities" read the poem "Make Friends with Books," Evelyn Smith read "Book Houses," Sonny Woodley and Jerry Smith impersonated an old book and a new book and a clever conversation between the two was carried on. A song, "Books," was sung by this section of the Sixth Grade. The program was announced by Anita Johnson.

Thanks, Jimmy Nunn, for bringing "Richard Halliburton's" book for us to enjoy! We also thank Gene Nichols for bringing his "Atlas" to help us in our study of India. Mrs. Olive was so proud of our maps of India that we drew that she had all of them put on the bulletin board.

After much observation the judges announced the winners of the four best booklets that had been made for Book Week. They are Jimmy Nunn, Barbara Vaden, Carolyn Broyles and Bobby Neil Jones. Winners for the best posters made were Jerre Jordan, Phillip Hurt and Carmon Belton.

Mrs. Olive reported a "big time" at the box supper given by the Eighth Grade Friday evening. Reporters for this week are Phillip Hurt and George Hurt.

Grade 5 — In observance of Book Week we have made book covers to illustrate our favorite books. Each of us pretended to be a character of the book and let our classmates guess who we were.

Janet Hines and Anne Younger brought records for the record player Friday.

Happy Birthday to Peggy Jordan and Robert Meeks.

Grade 6 — Happy Birthday, Betty Ann Vaughn. We wish you many more. We have finished our Thanksgiving poem and have it in our poem book.

We want to thank "Miss" Electra for substituting for "Miss" Oma while she was absent.

We have learned to borrow numbers in subtracting fractions. It isn't too hard, after all.

We are looking forward to Thanksgiving, aren't you?

Grade 4 - 6 — In observance of Book Week our group wrote letters in picture writing asking boys and girls to please take care of books. Anita Johnson's letter was voted the best and was placed on the bulletin board in the hall.

A room play entitled "This Is Book Week" was enjoyed very much. Rita Chipman played the part of the teacher. Ray Garrison

CLERK'S SALE OF REAL ESTATE

MRS. WALTER SMITH, et al. VS.

MRS. LONIE TATE, et al. In the County Court For Lauderdale County, Tennessee NO. 2850

Notice is hereby given that the undersigned will on FRIDAY, NOVEMBER 16, 1951 at 10:00 A. M. sell to the highest and best bidder for cash on the premises in Halls, Tennessee the following described property:

A house and lot with outbuildings in the Town of Halls, 12th Civil District of Lauderdale County, Tennessee bounded as follows:

Beginning at a stake in the west margin of College Street, same being the southeast corner of W. M. Sumerlin lot; runs thence west with Sumerlin south line 445 1/2 feet to a stake in Wilson Street; runs thence south with east margin of Wilson Street 181 1/2 feet to a stake in Rooks north line; runs thence south with Rooks north line 207 1/2 feet to a stake the same being H. A. Townsend southwest corner; runs thence north with said Townsend east line 82 feet to a stake the same being Townsend northwest corner; runs thence east with Townsend north line 238 feet to a stake in west margin of College Street; runs thence north with west margin of College Street 100 feet to the point of beginning.

Said sale in pursuant with orders of the Honorable J. R. Lewis, Judge of the County Court for Lauderdale County, Tennessee entered of record in my office of date October 23, 1951.

TERMS OF SALE: 1. Said sale will be for cash only.

2. There shall be a right to reopen bids for a period of ten days after sale, which right will expire on Monday, November 26, 1951 at 5:00 P. M.

3. Purchaser will receive this property free and clear of all incumbrances.

Witness my hand this 23rd day of October 1951.

N. C. UTLEY, Clerk, County Court E. T. PALMER, Sol. for Claimants. ROSS W. DYER, Sol. for Defendant's.

How about coming to see our next game? Best wishes for a happy Thanksgiving.

Halloween Carnival

By Lou Eva Baker

(Continued From Last Week)

Now moving on but over to the right of the auditorium, we see the Country Store. There's Mrs. Perry and Mrs. Smith so I guess this is the 8th grade booth. Oh, look at this beautiful cake! It's the one that Mrs. H. A. Goforth made and there's Mrs. Hudson, so this must be the 7th grade booth. Oh, here's a beautiful booth in red and white with the smell of chicken salad coming from it. There's Mrs. Cannon and also Mrs. Crihfield so I guess this booth belongs to the 8th grade. Well, here we are at another booth and here we are back at the door where we started. But in front of this other booth we see, oh it's "Miss" McCorkle and "Miss" Oma so we'll have to look at the sign to see whom this belongs to. But, where is the sign? Oh, here it is and it reads: "6th Grade Booth. Homemade Candy, Ham Salad Sandwiches and Cokes."

Oh, look down yonder in front of the stage. It's Mr. Ross Dyer and they're fixing to have a cake walk. Let's go enter! Now the cake walk is over and we hear "Attention! Attention!" Who's that? Oh, it's Mrs. Douglas Hurt. She's fixing to announce the winners of the aprons: "\$5.00 goes

to Mrs. Gordon Gooch as 1st prize. Will Mrs. Carmon Belton please step forward and take \$3.00 as 2nd prize? 3rd prize goes to Mrs. J. G. Olds—a sum of \$2.00."

Look, there's Retiring Queen Carolyn McCorkle and King Bobby Perry placing a crown on the heads of the new Queen Dawn Robertson and King Phillip Hurt of the 4th Grade. On the other side of the stage are Linda Hilliard and Chuck Murchison (taking the place of retiring junior Queen "Andy" Bowers and King Johnny Osborn—who have moved) placing another crown on Junior Queen Jo Larson and Junior King Allan Levy of the First Grade. Each of the new kings and queens is receiving a sterling silver spoon from Mrs. Douglas Hurt as their prize.

Behold, there's a long line of spooks marching across the stage now. Oh, this is the "Grand Parade." Let's see who won. Mrs. Hurt is announcing the winners now. Prettiest costume - Carolyn McCorkle; Most attractive - Tommy McDearman; Cleverest costume - Ebeleen Chronister; Most representative of Hallowe'en - Becky Carson; and Cutest pre-school costume - Dianne Levy. They're each

receiving a box of candy. Now, let's go back and have one last look, walk a few cakewalks and then say goodbye to all these Hallowe'en Spooks till Oct. 31st, 1952.

Well, have you been with me on my trip? You have. Well, then I'm sure you understand what went on up to the Halls Grammar School Auditorium on Hallowe'en night!

## Confidential Corner

### A Good Job

Halls might well run around with its chest stuck out after the visit of the Red Cross Bloodmobile here last Thursday. The fine turnout of Halls citizens and the donation of 124 pints of blood is something of which they may brag for some time to come. Very few towns with a comparable population have had such outstanding results. We were proud of the Town of Halls at the end of the Bloodmobile's visit.

### To West Coast

We have been informed that the blood donated here Thursday of last week was off to the West Coast by plane that same night and was due to be sent overseas at once. Since some have wondered we believe that this information will be of interest to the public.

### Dear Santa Claus

We are anxious to secure as many letters to Santa Claus as we can so we can publish them before Christmas. Tell that boy or girl to write that letter and send it along to us and we will see that it is published.

### Have You Paid Up?

A large number of our subscriptions are due in November and December and we are giving you this notice so that you can come and renew and not miss an issue of the paper. Better attend to that the next time you are in town and keep the paper coming for another 12 months.

### You're Invited

The public is invited to attend Union Thanksgiving Services to-night (Wednesday) at the Methodist Church. Why not go and take part in this service?

### Toy Matinee

The annual matinee at the Halls Theatre for the donation of toys or canned goods for Christmas baskets has been set for Saturday, December 22, according to an announcement this week. Further information on the Christmas Basket Matinee will be published in the near future.

### Well Received

Those who had the privilege of hearing Dr. Duggins speak at the PTA meeting Monday night were highly impressed with her message. Seems that those who did not go missed a mighty fine talk.

## TB Christmas Seal Drive On

The money you contribute by purchasing Christmas Seals help carry on a program to stamp out TB in Lauderdale County.

The following program is carried on by your Tuberculosis Association with the money you contribute:

- Health Education:** Present the facts that will help people to help themselves to know what causes TB, how to cure TB, and how to prevent TB. Programs are carried to the schools, civic and community clubs in Lauderdale County.
- Rehabilitation:** Aid the patient and his family to adjust to the long period of hospital treatment—to better his chances for permanent recovery and a new life. Financial aid is given for hospital clothes for the patient and milk for his family if aid is not available from any other source.
- Chest X-Rays:** The TB Association publicizes the x-ray services and does all in its power to get every person to have a chest x-ray free. Every adult in Lauderdale County should have a chest x-ray once a year. The sale of Christmas Seals is the main support of your tuberculosis association's year-round fight against tuberculosis.

HELP STAMP OUT TB!

## LAUDERDALE COUNTY PRINCIPALS MEET

The Lauderdale County Principals' Association had a dinner meeting at Tick's Cafe, in Ripley, Tuesday night, November 13.

Following the regular business meeting, which included remarks by Edric Owen, County Superintendent of Schools, and Miss Winnie Bizzell, Supervising Teacher, Miss Mary Baker, West Tennessee Supervisor, led the group in a panel discussion of "The Role of the Principal in Curriculum Building."

Others present were R. L. Ammons of Edith; J. H. Rochelle of Ripley, W. G. Spence of Central; S. E. Pierce of Henning; Paul Burns of Arp; Mrs. Gladys Smith of Nankipoo and R. H. James of Curve. — Reporter.

## Garrett Re-Elected PMA Chairman

In the county convention held November 2 in the office of the Lauderdale County PMA Committee, R. I. Garrett was re-elected chairman of the Lauderdale County Production and Marketing Administration Committee. A. O. Chambers was re-elected vice-chairman and Elvis Cannon was elected the third member.

The committeemen, elected by delegates from each farming community in Lauderdale county, will administer the 1952 agricultural conservation program, price support operations, and Federal Crop Insurance.

The committeemen are all farmers who are familiar with conservation and production problems in Lauderdale county.

The services of the committeemen are available to all the farmers in the county. Although they are not full-time employees of the U. S. Department of Agriculture, they are available at any time to help the farmers of the county with conservation, price support and crop insurance problems.

The committeemen are all farmers. They were elected by farmers and they are here to serve the farmers of Lauderdale County.

At the same time the programs PMA committeemen administer are designed to benefit the entire country. The purpose is ample production today and continued production tomorrow.

Performance Reports On ACP Practices

We are now taking performance reports on ACP practices carried out on all farms in Lauderdale county during the crop year of 1951.

(Continued on Page 2)

## Ow, That Hurt Say Halls Football Fans

The Halls Tigers traveled to Ripley last Friday night and took the worst licking that a Halls team has received in many years with the Big Ten co-champions of Ripley socking the local boys 60-0.

It is difficult to say just what was the matter since there is definitely not that much difference between the two teams. A seeming loss of morale early in the game probably did much to allow such a score to run up.

The Tigers started off well against Ripley and for a few minutes were definitely in the ball game with Ripley unable to gain but a muffed punt, a kickoff recovered by Ripley and five fumbles during the first half took a'1 of the fight out of the team with Ripley completely dominating play after the early part of the game.

The Tigers continued to fumble during the last half and Ripley demonstrated a fine set of backs showing the speed and finesse with which they won nine out of the ten games they played this year.

This afternoon (Thursday) Ripley and Covington will meet at Dyersburg to play for the Big Ten championship with opinion about equally divided as to the probable winner. Covington defeated Ripley 12 to 0 during the season but Ripley supporters state that the team was not up to standard for that game. Game time is 2 o'clock at Burke Stadium in Dyersburg.

## Honor Mrs. Warren By Re-Naming S. S. Class For Her

Mrs. D. C. Warren was honored at the Halls Baptist Church Sunday School on November 11, 1951, when her class declared Laura Warren Day and named the former Euzebian Class the Laura Warren Sunday School Class.

Class members presented a special program at the opening hour, opened by the president, Mrs. Paul Griffin.

Class Colors were used in white letters on a red pennant. A tribute was made to Mrs. Warren for her years' service in the class as each letter in her name was pinned on the pennant.

Those taking part were Mrs. Paul Griffin, Mrs. Raymond Hale, Mrs. Leonard Andrews, Mrs. Elbert Oment, Mrs. Wymond Hurt, Mrs. John Ferguson, Mrs. Kenneth Randall, Mrs. Chester Tucker, Mrs. Sewell Hawkins, Mrs. Thomas Simmons, and Mrs. Oliver Nunn. Mrs. Aubrey Smith represented the Class and placed the word "Class" on the pennant.

Mrs. Alvin Hallman, assistant teacher, presented Mrs. Warren a bouquet of red roses from the class.

The program closed with the singing of the Class Song, "Make Me A Blessing."

## TO THE PEOPLE OF HALLS AND VICINITY

As Chairman of the Halls Chapter of the Red Cross, I want to express our deep appreciation to every one who had a part in making the visit of the Bloodmobile last Thursday such a success.

We especially thank Dr. Todd, (Marshall Pierce and Mrs. Hinton) for their untiring efforts in planning the program and all the volunteers who worked so faithfully through the day. Each of you should be called by name but space will not permit.

We thank the Christian Church for the use of their basement and last but by no means least we thank the donors who came to give their blood. Halls, as usual, went over the quota.

We also want to thank the four churches of the town for giving the Christmas on the High Seas packages that will enable our boys who are at sea on Christmas Day to have a package. Our Chapter was asked to furnish four packages. Through the extra generosity of the ladies of the Christian Church we sent nine.

Again thanking each and every one who had a part in these programs.

Sincerely,  
P. W. Crittendon

## NEWBERN - BROWNSVILLE TO PLAY IN TINY BOWL

Brownsville Tyncats and Newbern Choctaws have agreed to play in the annual Tiny Bowl football game at Ripley on the night of November 30. The Tiny Bowl game is sponsored by the Ripley Exchange Club and proceeds of the game are used for charitable purposes.

## 124 Pints Of Blood Donated By Halls

Once more Halls has shown a fine spirit of cooperation by making the visit of the Red Cross Bloodmobile to Halls an outstanding success.

With an acceptable quota of 100 pints and top hopes set at 125 pints, Halls citizens donated a total of 124 pints of blood on Thursday of last week with a number of would-be donors being turned away because of the lack of time. The Bloodmobile was in Halls a total of 6 hours.

Mr. Lynn Warren, Red Cross representative from the Memphis Blood Center, was highly complimentary of Halls people and their cooperation with the Bloodmobile personnel. He stated that at no place had they received any better cooperation or had any smoother operation than occurred in Halls.

As quickly as the blood can be typed, cards will be mailed to the have given blood and that their blood is of a certain type. At that time through the cooperation of the Red Cross the Halls Graphic will publish the names of donors.

This, stated Mr. Warren, is the first of a series of planned visits to Halls and any who were unable to give blood for various reasons will have a second opportunity at the end of an approximate six months period.

Elsewhere will be found a statement from P. W. Crittendon, Halls Red Cross chairman, stating his appreciation for the fine results of the visit and thanking those who worked at the blood center and those who donated blood.

## PTA Members Are Listed

The following is an additional list of patrons of Halls Schools who have paid membership dues to the Parent Teachers Association:

- |                              |        |
|------------------------------|--------|
| Mr. and Mrs. O. L. Levy      | \$2.00 |
| Mrs. Nell A. Dyer            | 1.00   |
| Dr. and Mrs. J. K. Hinton    | 2.00   |
| Mr. and Mrs. Robert Craddock | 2.00   |
| Mrs. Annie Robertson         | 1.00   |
| Mr. and Mrs. Joe Sumrow      | 1.00   |

(Continued On Page Two)

## Halls Girls To Play Sacred Heart Here

The Halls girls basketball teams won startlingly easy victories in their first home games Tuesday night as the A team handed Holy Names a 66 to 15 licking and the Halls B team defeated the visiting B team 70 to 13.

Smooth ball handling and crack basket shooting with adequate guarding allowed the varsity team to coast to the 66 points which they scored while Halls guards were holding Holy Names to 15 points, 10 of them being scored in the last quarter. Watts scored 30 points, Woodard 25 and Erwin 11 during the game.

Led by Margaret Critchfield with a total of 19 field goals the B team were as much masters of the situation as was the A team with the half-time score being 11 to 10. Scoring for Halls was Critchfield 38, Walpole 15, Reed 9, Olds 6, Jacques 2.

Friday night the Sacred Heart sextet will come here to play both the Halls A and B teams with the local teams slated to win without too much trouble.

Friday night of next week the Halls boys and girls will travel to Jackson to meet the Jackson High basketball teams with Ripley scheduled to come here the following Tuesday night.

## Hunting Season To Open In Big Way

NASHVILLE—Tennessee's annual hunting season, already begun on a few species, will go in full swing on Thanksgiving Day and there is every evidence that there will be enough game in the field to keep most of the nimrods pleasantly occupied.

The long, four-day Thanksgiving holiday weekend begins November 22 and heralds the opening of the major hunting seasons. Gunning will be permitted that day for the first time this year on ducks and geese, quail, rabbits and grouse. Shooting will begin on quail, rabbits and grouse at sunrise. Hunting for ducks and geese will not be permitted until noon on the opening day.

The waterfowl picture is bright—so bright in fact that the U. S. Fish and Wildlife Service used the Tennessee season ten days to a total of 45 this year. As usual, most of the gunning will be concentrated along the Mississippi River, at Reelfoot Lake, in the pin-oak flats of West Tennessee's Obion, Forked Deer and Hatchie River bottoms and along Tennessee-Kentucky Lake.

(Continued on Page 2)

## SPECIAL SERVICE AT GATES METHODIST CHURCH

A special service of Thanksgiving will be held at the Gates Methodist Church on Thursday morning at 8:30 o'clock.

The Rev. William M. Vaughan, Jr., Associate Pastor of the Broadway Methodist Church, Paducah, Ky., will deliver the message.

The Gates choir of some twenty-five voices will render special Thanksgiving music for the occasion. The public is cordially invited to attend the service. Visitors are always welcome.

## Elementary News Notes

— C. McCorkle and B. Smith —

"Give us this day our daily bread" How often that request we've prayed. First by the Master was it said, Now once again the gift is made.

By every sheaf in every field, By ripening fruit on every tree, In gracious bounty now revealed The love of God for all to see.

Once more beneath the shining sun In countless acres, men have sowed The work of harvesting is done Our daily bread has been bestowed.

### Grade 1

Brenda Cannon, Kay Wyse and Gloria Meeks have November Birthdays. Happy Birthday to each of you.

Allan Levy attended the Spirit of Christmas Parade in Memphis and gave an interesting report to the class.

The first graders missed little Jerry Chronister. He has been ill for several weeks.

### Grade 2

We've enjoyed this good weather this week. Hope we can see this good old sun awhile longer.

Thanksgiving is here! We've been making some very nice Thanksgiving pictures.

"Miss" Kathryn's room has a lovely science display. We have studied the leaves, buds, streams, etc. Our attendance has been almost perfect this week. We've been having some good stories for our reading in "Miss" Jane's room. The one about "The Candy Dog" got us all to laughing.

Some of the teachers lost some blood on Thursday but haven't seen any bad effects so far. "Miss" Electra taught Friday afternoon. We enjoyed having her with us.

We welcome a new pupil to "Miss" Jane's room. Her name is Linda. She came from Ripley. We hope she will like us.

Susan Smith saw the Spirit of Christmas Parade in Memphis on Friday night. We enjoyed having her telling us all about it.

### Grade 3 (Mrs. McDearman)

Thanksgiving Holidays are here at last! We have enjoyed making our room attractive for this season. Some of the things we have done were to learn a choral reading "Over the River," learned to sing a song from our Third Grade music book, "Turkey, Turkey, you can't catch me." We also made some attractive booklets and wrote "The Original Thanksgiving in America." Our sand table was fixed with a pioneer scene by Linda Hilliard, Alix Hallman, Elizabeth Ann Alsbrook and Judy Brandon.

Katie Lou Hurt entertained us last week in costume with a musical number "Darktown Strutters Ball." Many of us have big plans for our Thanksgiving holidays, most of us it seems plan to go to our grandmother's for turkey, duck or chicken and all the fixings and what could be nicer?

We welcome a new pupil, Hilton Crowder, from Ripley. Rebecca Carson brought records for us to play this week.

### Grade 3 (Mrs. Cooper)

We have really enjoyed our work this week. Each child made little books for "Book Week" and also read stories from our library.

Sixteen of us went to Sunday School last Sunday.

We were almost 100 percent in

(Continued on Page 8)

## Methods Of Curing Meats Discussed

F. H. Paschal  
County Agent

S. C. Forsythe of Ripley is planning to cure 50 hams this month with a mixture of kiln dried salt, 2 pounds of sugar and 2 ounces of saltpetre for each 100 pounds of ham. He will rub this mixture on the meat on all sides and 3 days later he will rub it again, putting on some fresh curing mixture which will go into the meat faster than that which has become wet.

On the 8th day from the beginning he will put on more new mixture and then leave the hams in the cure at least 25 days but also at least 1-2 days for each pound of meat in the ham. No harm will be done if more than 10 lbs. of curing mixture is used per hundred pounds of meat, because only the curing mixture that touches the meat will have any effect.

Saltiness of the meat is determined by the number of days the meat stays in cure, by the temperature during that period, by the fatness or leanness of the meat, and by the size of the pieces. Thin bacon should not remain in cure more than 14 days, whether sugar cure or salt alone is used. The very thickest middling should not remain in cure more than 18 days.

Mr. Forsythe is following the example of thousands of farmers in this area who have used this curing mixture with excellent results over the last 15 years. No method of curing pork has proven to be any better and most of the other methods are not as good. Salt alone, for instance, tends to dry out and harden muscle fibers and change the color of meat to an unappetizing gray. Sugar cures help to retain the rich red color of the meat, preserves the natural good flavor, and retains the normal tenderness of the meat.

### Buy Cheapest Nitrogen Fertilizers

Lauderdale County farmers say that nitrogen fertilizers pay them the highest profit of anything that goes into their farming operations. Because of this, they are using more of it every year, especially on corn.

Farmers over the whole country are doing likewise and there is not enough of the most economical form of nitrogen fertilizer to meet the demand. Farmers have been forced every year since 1941 to buy some of their needs in the most expensive form because they could not get enough of the cheapest form to meet their needs.

Ammonium Nitrate is now our cheapest form of available nitrogen. At \$85.00 to \$90.00 a ton it costs about 13c per pound of nitrogen. Anhydrous Ammonia runs it a close second when the cost of applying it is compared. Available nitrogen costs about 13 1-2c a pound in Anhydrous Ammonia.

Nitrogen in the form of Nitrate of Soda costs about 23c per pound and in the form of Cal-Nitro or A-N-L costs about 18 1-3c per pound. Experiment station agronomists say that a pound of available nitrogen from any source is about as good as another. Experimental tests with cotton show that 9 pounds of Nitrate nitrogen is equivalent to 10 pounds of Ammonia nitrogen, but no experiment has shown that a sack of soda will increase the yield of cotton anything like as much as a sack of Ammonium Nitrate.

In fact, experiments show that 50 pounds of Ammonium Nitrate will increase the yield of cotton just about as much as 100 pounds of Nitrate of Soda. Experiments run by the Stoneville Station in 1945, 1946, and 1947 on four different types of soil with three different amounts of nitrogen on land which made 1451 pounds of seed cotton with no nitrogen made 1974 pounds of seed cotton with Ammonium Nitrate, 1971 pounds with Anhydrous Ammonia, and 1982 pounds with Nitrate of Soda. In these experiments the amounts of actual nitrogen were the same, regardless of the amount of material applied. This would certainly indicate that the nitrogen in Nitrate of Soda is not

\$2.00 PER YEAR.

Hunting Season

(Continued from Page 1) will have much to do with hunting success, however. Cold weather to the North just prior to the opening coupled with enough rain in Tennessee to flood the river bottoms would make the hunting situation ideal. The acorn crop is good throughout the State and the big birds should remain for a while upon arrival.

The prospect for good rabbit hunting seems improved this year but the concentrations are somewhat spotty. Many young rabbits have been seen in all sections of the State, indicating an increased population. Another indication is the high highway mortality on bunnies this fall.

Because of the singular habits of the bird and its preference for remote areas, less is known about grouse than any of other species of game. The grouse population fluctuates in cycles, however, and it has been high for two years of this season may find a shorter supply. As usual, almost all of the grouse will be found in East Ten-

nease. The crop of furbearers is large this year and should sell prices increase, activity in this field should increase. Rumors have indicated that military fur needs will boost the prices but Tennessee buyers are not certain as to the extent of these orders. The heaviest concentration of raccoon, hunted both for sport and fur, is in West Tennessee. The skunk is so numerous that it has been taken off the protected list.

Garrett

(Continued from Page 1)

As soon as farmers have completed all practices they plan to carry out on their farms for this year they should come by the county office and report these practices and at the same time sign application for payment.

All seeds, phosphate and potash material and lime that was purchased outright must be substantiated with receipts or other evidence before payment can be made. In order to save additional time and trouble these receipts should be brought in when the farmer comes to the office to report his practices.

Ditches, ponds and terraces must meet the specifications of the Soil Conservation Service before payment will be made.

Crop Insurance

1952-hill farmers can insure their cotton crops for \$50.10 per acre for \$1.80 per acre premium. Bottom farmers have a coverage of \$60.00 per acre for \$4.80 per acre premium. Under this insurance program cotton is insured from the time the cotton is planted until harvest. It is insured against rain, drouth, hail, insects, and all other unavoidable causes.

NOTICE OF CHANGE OF OWNERSHIP

I have purchased the Oliver Hilliard Grocery on the Double Bridges-Unionville road effective Friday, November 16. Mr. Hilliard is responsible for any debts incurred prior to that date and I will be responsible for any debts made since November 16.

worth much more than the nitrogen in Ammonium Nitrate or Anhydrous Ammonia.

Every farmer should take delivery of all the Ammonium Nitrate he can get now at \$85.00 to \$95.00 per ton up to his needs for next year.

CARD OF THANKS

We wish to express our appreciation for the loving kindness and sympathy shown by friends, neighbors and relatives during the short illness and death of our loved one, Mrs. Mary Jane White. We think each and everyone for the beautiful floral contribution.

We extend our thanks to Bro. R. E. Black, Bro. James P. Needham and Friendship Funeral Home for their comforting words and services rendered during our bereavement.

Thanks again, Children and Grandchildren

Utley Urges Getting Car, Truck Titles

The 1951 Legislature passed a law which requires each person that owns any kind of a motor vehicle for which a state tag is required, to make an application for a title to each vehicle.

If you have purchased a car since July 1st of this year, you must obtain a notarized bill of sale from the person or the dealer from whom you purchased the vehicle. If you own a vehicle purchased prior to July 1st of this year the bill of sale that was given you at the time the car was purchased will be required before you will be able to make application for a title.

Bring your bill of sale to the County Clerk's Office. Here you will surrender your bill of sale and the clerk will make out an application for title. The original copy of this application and your bill of sale will be mailed the same day to the Department of Safety, Nashville, Tenn. Within 120 days you will receive a title for the vehicle for which you have made application.

We will not be able to sell you a 1952 auto tag next March without this title or proof you have made application for one. Your proof will be the duplicate the clerk gives you when you surrender your bill of sale and make application for a title. So get your bill of sale now, and if you have Lauderdale County tags on your car or truck come into the office at your earliest convenience.

As we have said before, this is something that each person who owns a car or truck must do in order to buy 1952 tags; therefore we urge you to do this at once. The person to whom the bill of sale is made out to must come in and sign his or her own application. If your car is in your wife's name, she must come in and sign for the title.

We are sorry about this foolish, contemptible law that was crammed down the throats of the people of Tennessee at the 1951 session, but it is the law, so get your bill of sale and make your application at once.

N. C. UTLEY adv.

ORDER OF PUBLICATION TO RUSSELL RUCKER ZANIE RUCKER VS. RUSSELL RUCKER

No. 2829 IN THE COUNTY COURT AT RIPLEY, TENNESSEE

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant Russell Rucker is a non-resident of the State of Tennessee, and resident of the State of Michigan so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Russell Rucker appear before the Judge of the County Court of Lauderdale County on or before the first Monday in December (it being the 3rd day of said month and a rule day of that term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring him to so appear.

This 29th day of October, 1951. N. C. UTLEY, Clerk W. C. PATTON, Atty.

**BIG SUCCESS — LOTS OF FUN**

Lou Eva Baker  
Lots of fun began Friday evening, November 9th, at 5:30, when the Eight Grade, their guests, room mothers, and teachers gathered at the Grammar School Auditorium for a box supper and an

exciting adventure with square dancing.  
When all were present the judges were invited to the stage to look over a table filled with beautiful boxes. They found it hard to make a decision as to the most attractively decorated box. After much comparison and discussion they finally decided that the most attractive box belonged to Gwila Ozment. She received \$1.00 as a prize. Honorable mention went to Buna Smith and Carolyn McCorkle, whose boxes ran next. Buna Smith and Carolyn McCorkle received this honor last year also. We wish to thank Mr. and Mrs. Jerre Jordan and Mrs. Gilreath Dyer who acted as judges for us.

The boys had the privilege of walking around the beautiful table to see which box they should like to bid on. Then the bidding began—but, behold, the winking also began and really, it didn't stop until the last box was sold. It seemed as though that certain woman or girl was afraid that certain man or baby was not going to get that certain box!

When everyone was so full that he couldn't hold one more little crumb it was decided to get in practice for the square dancing which would begin later so we did the "Grand March" and "Going To Arkansas" called and led by Mr. Strange, representative of the Coca Cola Bottling Co. When these practice games were finished we decided to "walk" for the beautiful cake made by Mrs. Mark Cribfield. Thanks! The music began—

it stopped with Gwila Ozment on the lucky number, 47. After this everyone was tired so we just danced a few slow numbers. After several numbers were played, Mr. Hooks and Mr. Strange said they would call some square dances so we found our partners and danced the "Virginia Reel," "Texas Schottie," to the "Military Schottie," and "Going To Arkansas." It was nearing 10:00 o'clock, so we said goodnight and parted.

Thanks go to our room mothers, Mrs. Elvis Cannon, Mrs. Gailon Smith, and Mrs. L. E. Cribfield, Jr. and to our teachers, Mrs. H. G. McCorkle, Mrs. Hollis Gilliland and Mr. Floyd Hooks, who made this exciting night possible.

Many thanks to the Coca Cola Bottling Co., who made our square dancing possible. Everyone reported a wonderful time.

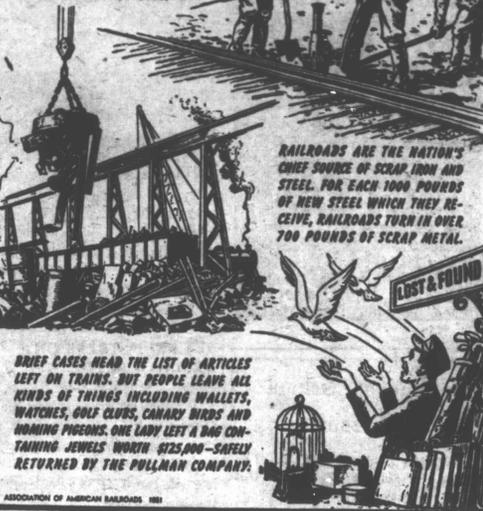

**HIGH QUALITY CALVES TO MARK 29TH STATE SHOW**

Approximately 850 head of livestock are on feed for the 29th annual Tennessee Fat Cattle Show and Sale, which will be held in Nashville on December 5, 6 and 7, according to J. S. Robinson, U-T Extension Service livestock specialist. Prime and choice cattle will predominate in the show, in which only cattle grading good or above will be accepted.

Some 40 counties will be represented, Robinson says, by junior livestock producers. The animals shown by 4-H Club and FFA members will not be under price ceilings, according to a ruling of the Office of Price Stabilization.

**Rail oddities**

SINCE EARLY LAST SUMMER, CREWS OF ESKIMOS—MANY OF WHOM HAD NEVER SEEN A RAILROAD TRAIN—HAVE BEEN DOING A FINE JOB AS TRACK WORKERS ALONG THE ALASKA RAILROAD.

RAILROADS ARE THE NATION'S CHIEF SOURCE OF SCRAP IRON AND STEEL. FOR EACH 1000 POUNDS OF NEW STEEL WHICH THEY RECEIVE, RAILROADS TURN IN OVER 700 POUNDS OF SCRAP METAL.

BRIEF CASES HEAD THE LIST OF ARTICLES LEFT ON TRAINS. BUT PEOPLE LEAVE ALL KINDS OF THINGS INCLUDING WALLETTS, WATCHES, GOLF CLUBS, CANARY BIRDS AND HAWKING PIGEONS. ONE LADY LEFT A BAG CONTAINING JEWELS WORTH \$125,000—SAFELY RETURNED BY THE PULLMAN COMPANY.

The State Department of Agriculture, through courtesy of Commissioner Edward Jones, has allotted \$2,400 premium money to this show; and other awards will be made by business firms, breed associations and cooperating agencies.

**At The Theatre**

**"The Desert Fox"**  
Brigadier Desmond Young faced the prospect of sudden death or disaster on many a battlefield during two wars with never a hint of trepidation.

But he trembled in his boots, he admits, at the prospect of facing the motion picture cameras for the first time when he appeared as himself in Twentieth Century-Fox's "The Desert Fox, the dramatic story of Rommel which will show at Halls Theatre on Sunday and Monday, November 25-26.

The screenplay, written by producer Nunnally Johnson, was based on Young's best selling biography of Field Marshall Rommel, and the British officer is seen in the real-life role he played in the North African campaign in which he was taken prisoner by German forces. It was in a German prison camp where he got his idea for the biography of Rommel.

In addition to his personal appearance in "The Desert Fox," Young also narrated the film. James Mason is starred as Rommel in the production with Cedric Hardwicke, Jessica Tandy and Luther Adler in featured roles.

**"Fighting Coast Guard"**

Four of the lovable, fighting guys who walked out of the smoke of battle into the hearts of millions of theatre-goers in "Sands of Iwo Jima," are back in another roaring story of World War II at the Halls Theatre on Thursday and Friday, November 29 and 30, where Republic's "Fighting Coast Guard" is the feature attraction.

The quartet consists of Forrest Tucker, Richard Jaeckel, William Murphy and Martin Milner. This time the group shares the fighting, glory, laughter and tragedy of a mighty Pacific invasion operation after a rigorous training period at the famous Coast Guard Academy for cadets at New London, Conn.

The four are re-united under the direction of Associate Producer Joseph Kane in "Fighting Coast Guard" which also stars Brian Donlevy and Eila Raines.

**APPLE SELECTION DEPENDS ON USE**

To get the most in apple enjoyment, look for a variety that suits family tastes and the uses you have in mind, homemakers are reminded by specialists of the U-T Agricultural Extension Service.

Many varieties are good for all purposes — cooking, baking whole, eating raw. Among these reaching the market are Rome Beauty, Stayman and Winesap are recommended for baking whole; Baldwin, Golden Delicious, Grimes Golden, Jonathan, Northern Spy, McIntosh, for general cooking. And all of these are good eaten raw.

**TOP PRODUCTION AT LOWEST COST IS '52 FARM AIM**

Any increases that farm families may have in their net incomes during the coming year are likely to depend more upon increased production than upon higher prices for farm products, according to D. M. Thorpe, economist of the U-T Agricultural Extension Service.

In general, Thorpe says, indications are that prices paid by farm-

ers will rise slightly, while prices received will remain about the same as this year.

Total National income is likely to continue upward in the year ahead because of increased employment in industries, the economist says. Demand for practically all farm products, it is anticipated, will increase. But with increasing output for defense, which should equal or exceed 20% of total production by mid-year, farm families will face problems of shortages in some things they must buy. Scarcities in turn will cause rising prices, which may take what otherwise would be an increase in net income. Further inflation, it is pointed out, may be expected from the situation in which consumers' purchasing power is increasing while civilian goods are decreasing.

Some of the short-supply materials are aluminum, copper, steel, sulphur; and, of course, the goods produced from these materials. The situation, Thorpe declares, places extra emphasis upon increased farm production through efficient management.

**CARD OF THANKS**

We wish to thank our friends for the many expressions of your thoughtfulness following the death of our aunt and sister, Mrs. Lillie Witt. The beautiful flowers, messages of sympathy and other manifestations of kindness made our sorrow easier to bear.

**Important date for Students and Teachers**  
**SAT. 15 DEC.**  
Last Day to enter 2nd Lion Oil Student-Essay Contest  
Deadline for 1st Teacher-Essay Contest Same Day!  
**Your essay may win a Lion Oil Scholarship!**

**Students... There's only a little time left to enter 2nd Lion Oil STUDENT-ESSAY Contest**  
Again this year, Lion Oil is offering Southern high school students—our Future Leaders—an opportunity to win college scholarships and other cash awards as prizes in a series of four essay contests.  
The contests are open to students in any public, private or parochial high school in areas where Lion petroleum products are sold at the sign of the Lion.  
You still have time to enter the current contest. But hurry! The contest closes December 15. Don't fail to take advantage of this wonderful opportunity to win a scholarship to the college of your choice. Enter today.  
Simply write an essay in 500 words or less on: **"What Does My Country Deserve From Me?"**  
Have the essay approved by your teacher and send it to:  
**LION OIL SCHOLARSHIP FUND**  
El Dorado, Arkansas  
Remember! Entries must be postmarked not later than midnight, December 15.  
**\$1,000 COLLEGE SCHOLARSHIP NUMEROUS CASH PRIZES**  
If your essay wins first prize in any of the Lion Oil Essay contests, you win a one-year scholarship (cash value \$1,000) to any accredited college or university of your choice. The fund may be used for tuition and other expenses, such as laboratory fees, books, room and board.  
In addition, Lion Oil will award numerous cash prizes in each contest as follows:  
2nd prize.....\$250  
3rd prize.....\$100  
Next 22 prizes, each.....\$ 25

**Teachers... Closing Date fast approaching for entries in 1st Lion Oil TEACHER-ESSAY Contest**  
As an expression of confidence as well as encouragement to our Southern high school teachers, Lion Oil has expanded its scholarship program to provide scholarships for teachers as well as students. For the continuing progress of the South depends in large measure on the continuing progress of its teachers who influence the minds and hearts of Southern Youth.  
**SIX \$1,200 SCHOLARSHIPS**  
Lion Oil will award six \$1,200 scholarships as prizes in a series of two essay contests open to teachers, principals and superintendents teaching in public, private or parochial high schools in areas where Lion products are sold at the sign of the Lion. Three winners will be named in each contest. Each winner will receive a \$1,200 scholarship to the college of his or her choice.  
The first contest closes December 15. So there's still time for you to enter. Don't delay! Write an essay TODAY in 1,500 words or less on the following subject:  
**"How I Can Help Improve Education in the South"**  
Entries must be postmarked not later than midnight, December 15.

**LION OIL... "HOME FOLKS"**  
The Lion Oil Scholarship Fund was originated by Lion Oil Company in 1950 to broaden the educational opportunities of Southern Youth. The program has been expanded this year to provide scholarships not only for students but also for high school teachers so that they may share the benefits of advanced education with their students... sons and daughters of our "Good Neighbors."  
For Lion Oil Company is part-and-parcel of this homeland of ours, employing more than 2,400 persons with an annual payroll of more than \$11,000,000.  
Lion fuels and lubricants help spin the wheels of Southern industry. Lion chemical fertilizers step up yields of Southern agriculture.  
We're proud to be "Home Folks."  
**LION OIL COMPANY**  
El Dorado Arkansas

**Students, Don't miss this opportunity to attend college on a Lion Oil Scholarship. Enter your essay in the contest today.**  
Consult free rules booklet for complete information, or write Lion Oil Scholarship Fund, El Dorado, Arkansas.

REMOVE CRANBERRY STAINS AT ONCE

Cranberry stains, like other berry and fruit stains, should be treated immediately, if possible. They are hard to remove after they are dry.

Textile chemists in the U. S. Department of Agriculture advise removing most fruit stains with boiling water, if it does not harm the cloth, and sometimes even warm water is effective. It is better not to use soap, as alkalies set some fruit and berry stains. Use the same method for removing stains from cooked fruits and berries as from fresh.

HAVE YOU ANSWERED YOUR CHRISTMAS SEAL LETTER? FIGHT TUBERCULOSIS

Sunday School Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee

(Exodus 29:43-46; 35:21-29)

THE PEOPLE AT WORSHIP

Thomas Carlyle said, "What greater calamity can fall upon a nation than the loss of worship." If that be true then America is in danger and the low estate of our morals is understandable. In round numbers 55 percent of our population are church members. Thirty-three percent of these attend church on any given Sunday. That means that only 18 percent of our people attend church. It is truly said that America is a vast mission field.

Do people not go to church because they do not know the meaning of worship? Can it be that they do not like the music? Or the preaching? Can it be due to unfriendly people? My conviction is that people who do not worship will not feel at home in heaven if they ever get there. They will hear a lot of singing up there, and will hear a lot about Jesus the Christ. If they don't like to worship here will they feel at home up there?

The worship of God was initiated by Moses. Prior to his time worship was individual or by families. Places where God had appeared, as at Bethel, were regarded sacred and these places were visited in time of dire need.

Even now the provisions for worship seemed very inadequate. More than 600,000 Israelites followed Moses out of Egypt. This tabernacle was small for so many. It measured 45 feet long, and 15 feet wide. Scarcely more than a shrine.

The people brought their gifts for building and decorating the tabernacle. They brought what they had. They brought articles of necessity and of luxury. They brought them because their hearts prompted them to do it.

According to the record there was no grumbling. No one asked to see the building plans of the tabernacle. No one said it would be too expensive. No one said it would be too large for the present needs. It seemed to be a harmonious group of church builders, which is essential for success.

The most important part of the tabernacle was the Ark of the Covenant, placed in the west end of the building in the Holy of Holies. It was an oblong chest of wood overlaid with gold. In it were two tables of stone on which the Ten Commandments were written, a pot of manna, and Aaron's rod which blossomed. On top of the Ark was a slab of pure gold called the mercy seat.

True worship must have the following requisites:

- 1. Awareness of God. Jacob had said, "God is in this place and I knew it not." We miss the blessings of worship if we do not realize His presence. 2. Reverence. There must be no talking, no unnecessary noise. We are in the presence of the true God. Our prayer must be, "Create in me a clean heart." 3. The final element of worship must be sacrifice. Remembering God's goodness we must bring to Him our praise and our gifts. It is "not as if God needed anything." It is to give and make ourselves co-workers with Him. Going to church is not a luxury. It is something nice to do when you feel like it. God calls us to worship. Not to worship is an act of disobedience.

SELLING SCRAP AIDS TO SAFETY IN FARM TASKS

Rounding up farm scrap and selling it is good farm management as well as helpful in the essential production of new steel, say specialists of the U-T Agricultural Extension Service. Cash for scrap is better than no return at all when farm machinery or equipment rusts away. Prices now being paid for scrap are higher than those offered during World War II.

Keeping scrap picked up makes the farm a more efficient place to work, it is pointed out. Safety is another reason for cleaning out scrap, especially small pieces which may endanger farm workers or livestock. In addition, sufficient scrap supplies at steel mills helps guarantee more adequate production of new farm machinery and equipment.

SET FRUIT TREES ON DEFINITE PLAN

While November is not the only month to set out new fruit trees, it is a good time to decide where to put the trees, say horticulturists of the U-T Agricultural Extension Service.

Aside from planting in squares in orchard formation, other places deserve consideration around either old or new places. Since all fruit trees when in bloom have definite ornamental value, people sometimes place them close enough to the house to be seen easily. A row near the vegetable garden,

yet not so close as to sap the garden soil, is often useful. Apple trees to shade garages and driveways are usually satisfactory.

If spraying is planned, there is something to be said for fruit tree planting along driveways to the house and those leading to fields. In these places fruit trees can be sprayed even when the ground under them is wet and soft.

Along the drive from highway to house fruit trees have distinct ornamental value, and since a return in addition to beauty is expected of them, such trees justify

more care in spraying and pruning. Apples are better than peaches, plums, or pears for conspicuous places as they are likely to live longer.

All fruit trees except pears will thrive in soil that is as good as that in a productive vegetable garden. Pears grow well on good soil but tend to suffer from the blight. The important point is that really good soil be chosen for the orchard site. Aside from the fact that good soil makes bigger trees, which can bear larger crops, there is some evidence that fruit buds are hardier on well fed trees.

### Be Certain SS Number Is Correct

"Digits may mean dollars," says Joe P. Tipton, Manager of the Dyersburg Social Security Office. "Sounds like a foolish statement, but it's perfectly true when applied to Social Security records."

Mr. Tipton explained that benefits are paid on the basis of earnings records, which are kept by the Social Security Administration for everyone who is covered by the Social Security law. The most important part of this record

keeping is a person's correct name and Social Security Account Number. When earnings are reported to the Social Security Administration with the correct name and account number, they are posted to each individual account without delay. If even one digit of the account number is reported incorrectly, there is considerable delay in getting the earnings posted to the correct account, and in some cases it is impossible to do so.

"Everyone who is on a job covered by Social Security should have already cooperated with his employer by showing him his Social Security Account Number card so that the record of your name and account number will be exactly as they are shown on the card," Mr. Tipton said. "Everyone going on a job for the first time should immediately show his employer his account number card, so that he can report the earnings correctly. Those who do not have a card should apply for one."

Mr. Tipton said that the employers in this area have been

## Thanksgiving, 1951...

Whether you spend Thanksgiving Day hunting... or confine your "Big Game" activities to the football field... or "over the meadow and through the woods to Grandma's house you go,"... whatever you do, spend Thanksgiving Day SAFELY. Make November 22 a harvest of Thankfulness, rather than a grim harvest of accidental deaths and injuries in Tennessee's homes and on Tennessee's highways.

### TENNESSEE SAFETY COUNCIL

most cooperative in their efforts to make correct reports, but they cannot do a good job of it unless their employees help them by giving them the correct name and account number. "Digits reported incorrectly may mean dollars less in benefits to you or your family," he said.

#### WHAT ARE YOU THANKFUL FOR?

Charles T. Peal  
Ass't. County Agent

I am thankful for those people who have made America what it is today—a land of opportunity where we may compete with our competitors in a free enterprise.

I am thankful for the achievements and culture of the past which gives me the opportunity and the right to earn an education; an education that can, if I make it, work for me as I please on plans of my own making, among people who look up to achievement and will appreciate it if I make the world just a little bit better, or more beautiful, or more advanced than I found it.

I am thankful that I do live in America, a place where man advances according to ability, and he is not held down by class distinction. I am thankful that I have my "roots" on the farm, a place that offers security, an abundance of happiness and beauty in nature.

I am thankful for a country where I can enjoy baseball, football and other sports. I am proud that we can have organized youth groups like the 4-H and FFA and can take advantage of the training these organizations offer.

I am thankful for our churches and for our government which gives us the right to worship as we like.

I am thankful for all my friends and that we are free to make friends and not have to live in constant fear of a military police force.

I am thankful for life itself, and above all, I am thankful for the help and guidance that my parents, teachers, and pastors have given me.

Having been in Europe and experienced the conditions that exist there, I can truthfully say that I am thankful that I am an American.

I've learned to make every day, not just Thanksgiving Day, count as a day to be proud and thankful.

#### ACHIEVEMENT BANQUET FOR 4-H MEMBERS

Charles T. Peal

Each year there is a District Dairy Achievement Banquet held in Memphis for those 4-H members on the dairy judging teams and other members who have done good work with their dairy projects.

This year the banquet will be held in the Peabody Hotel on Friday, November 23rd, at noon. Those planning to attend from Lauderdale County are: Jimmy Chisholm, Edith; Jimmy McBride, Ripley; Jimmy Lovelace, Ripley; Beverly Whitley, Ripley; Paul Avery, Gates; Jack Drumwright, Henning; Jane Fisher, Henning; Celia Wiley, Halls; Bettie Brown, Ripley; and Rita Roe, Ripley.

#### Curve News

Mr. and Mrs. Frank E. Burleson of Memphis spent Sunday with Mr. and Mrs. I. C. Burleson.

There will be a homecoming at the Curve Baptist Church Sunday, November 25. Dinner will be served at the noon hour and a program is planned for the afternoon. Everyone is invited.

Mrs. B. C. Scallions and children

spent the weekend with her parents, Mr. and Mrs. J. M. Meacham.

A. C. Carter cut his left hand severely with a sharp knife while cutting meat. He was given emergency treatment at the Lauderdale County Hospital and was sent to Campbell's Clinic in Memphis where he still remains as a patient.

Mr. and Mrs. James Stanley, and Mr. and Mrs. Alvin Ball visited Mr. and Mrs. Jack Chambers at Open Lake Sunday.

Mr. and Mrs. S. C. Anderson and Raymond Carmack spent Sunday with his father, A. B. Carmack.

Rev. Wayne Jones of Union University, Jackson, spent Sunday night with Mr. and Mrs. James Williams.

Mrs. Thelma Sutton of Memphis is visiting her father, Julian Sutton, who has been seriously ill.

Mrs. Jimmy Smith and son, Ronnie, Mrs. John Kinsey and son,

Paul, and Cornelia and Marie Garrett of Memphis spent the weekend with Mr. and Mrs. Marvin Garrett.

Mr. and Mrs. Frank Glascaek and two children and Miss Daisy Garrett of Memphis spent Sunday with Mr. and Mrs. Marvin Garrett.

#### GREATER MEAT SUPPLIES SEEN IN YEAR AHEAD

Meat production in 1952, according to the U. S. Department of Agriculture's Bureau of Agricultural Economics, may be large enough to provide an average of 144 pounds per person, as compared with 141 pounds in 1951.

Most of the meat increase will be in beef and veal, and much of the increase in beef will be in the medium and lower grades, although some of it will probably be in the better grades that come from grain fed cattle. Lamb and mutton production may rise somewhat from the very low level of 1951. There may be a little more pork in the first 7 or 8 months of 1952 than a year earlier, but production in later months is less likely to increase and may be somewhat smaller.

**WESLEYAN GUILD HAD MEETING TUESDAY**

The Methodist Guild met with Mrs. H. A. Goforth Tuesday night of this week. The president, Mrs. Billy Spence, presided.

Mrs. James Voss was the leader for the program, the subject being "Latin American Welfare." Miss Gwendolyn Walker read the scripture, this being followed by prayer offered in song by Mrs. Frederic G. Craig. Dr. Sara Murray brought a most enlightening message. The closing thought of the program was "In Christ there is no East or West, all Christly souls are one in Him, throughout the whole earth."

The hostess served delicious refreshments.

The next meeting will be held the third Tuesday in December.

**DR. DUGGINS ADDRESSES PTA MEETING MONDAY**

Taking for the theme of her timely remarks "What degree of maturity has each parent and teacher attained, and how to become a mature individual," Dr. Duggins of Memphis State College, Memphis, held at high peak the attention of a good representation of the local Parent-Teacher Association.

Dr. Duggins was the principal speaker at the regular monthly meeting of the PTA held Monday night at the Elementary School.

Mrs. Clyde Younger presided at the meeting which followed the usual business patterns, with Mrs. O. J. Nunn introducing the program. Mrs. Neil Dyer rendered a vocal selection "The Lord's Prayer" accompanied by Mrs. Voss.

At the room count Mrs. Neil Ferguson's fourth grade and the freshman class received the honor of having the most room representatives.

**NOVEMBER MUSICALS**

Mrs. James Voss and her pupils met for a musical program Friday afternoon.

Mrs. Daws, Mrs. Hilliard and their 5th and 6th grades were guests.

The program was as follows:

Barbara Vaden — The Elevator.

Pamela Rhodes — (vocal) My Heart Cries For You.

Marietta Griffin — The Sphinx.

Barbara Sasser — March of the Wee Folk.

Tommy McDearman — Burgmuller Ballad.

Robert Meeks — Old McDonald.

Janet Hines — Come On Rangers.

Herby Goforth, Gene Campbell, Morris Jordan — (vocal) Home On the Range.

Barbara Alston — (vocal) What a Friend We Have in Jesus.

Thalia Alston - Accompanist.

Evalyn Smith — Sweet Evalina.

Jean Davis — The Music Box.

Thelma Burroughs — Edelweiss Glide.

Harry Wright — Believe Me If All Those Endearing Young Chams.

Linda Tomlinson — Liebestraum.

Following a musical game, all present joined in singing "In The Garden" accompanied by Thelma Burroughs.

The are of accompanying was stressed at this meeting.

Buddy Murchison played the march to and from the auditorium. His selection was Boy Scout Parade.

**PLEASURE-PACKED PROGRAM PLANNED FOR FARM FAMILIES**

To Be Guests of  
**Farmers Implement & Seed Co.**  
Local John Deere Implement Dealer  
On John Deere Day, December 6, 1951

No less than six brand-new movies are on the program for the annual John Deere Day show to be held for farmers and their families on Thursday, December 6th, 1951 at the Halls Theatre, according to Mr. Fred R. Hurt, local John Deere dealer and sponsor of the affair. Farmers who have not yet received their tickets, reminds Mr. Hurt, may obtain them by calling for them at the Farmers Implement & Seed Co., 123 N. Front St., Halls.

The feature picture, "Galahad Jones," features Richard Crane, Marjorie Lord, Elizabeth Patterson, Jonathan Hale, Ed Brophy, and four other Hollywood personalities. The story centers around a farmer's son, recently graduated from law school, who thwarts the efforts of a big-time crook to profit from his political connections. It is a present-day problem picture with a moral and plenty of laughs.

Leading the pack of five more applause-winning films is "The Big Payoff," featuring Tom Gordon who, along with his typical American family, has won so many friends in previous John Deere pictures. The four films that complete the parade of entertainment offer something new and different in dealing with subjects close to the hearts of today's farmers.

"Those who attend this year's John Deere Day," says Mr. Hurt, "have a real treat in store for them, a day so packed with entertainment for the entire family that they will remember it with pleasure for months to come. Don't miss it! Get your tickets on your very next trip to town!"

## A Merry Christmas To All On Your List

Wondering where to begin with that Christmas list of yours? *We Have A Large Selection To Choose From*

Elementary News Notes

continued From Page 1) attendance this week. Three of us were absent one day.

Pat Younger, Paulette Stanley, Melody Meeks and Jo Ann Woodard led our morning prayers last week.

Some of us attended the ball game at Ripley last Friday night. Grade 4

We were glad to have a part on the chapel program Friday. We enjoyed the numbers contributed by the fifth and sixth graders.

During our appreciation periods we have made many colorful drawings of the pilgrims, their homes, and their churches. We

have enjoyed the study of the painting, "The Pilgrim's Going to Church" by Boughton and have learned the poem, "The First Thanksgiving." George Hurt, Gene Nichols and Jerre Stanley have completed a frieze depicting the First Thanksgiving. Thanks, Philip Hurt for creating a greater interest in our study of the Pilgrims by bringing your document "The Speech," by Governor Bradford and for your ship the "Mayflower" for us to enjoy.

Kay Wilson spent the weekend at Kentucky Lake.

Jimmy Nunn celebrated his 9th birthday Sunday Nov. 18. Happy Birthday, Jimmy! Reporters this week are Emma Sue Kesterson and Linda Grady. Grades 4 and 6 (Mrs. Daws)

**Layena Eggs Really Taste Swell!**

Folks agree there's a difference in the taste of eggs. Purina Research shows that hens fed Purina Layena lay fine-flavored eggs. Layena Eggs have firm, yellow yolks and thick whites that stand up . . . don't run all over the pan. And the flavor . . . ummmm! Layena Eggs can't be beat for flavor. Some morning soon, please your husband with a breakfast of Layena Eggs.

Layena Eggs . . . the standard of egg quality!

It Says Here . . .

By Vaughn Richmond  
A lot of people seem to be feeling sorry for the turkeys this Thanksgiving! But, what about the ducks? Duck season opens at twelve o'clock Thursday. And, I know of one person that has already said he was "going." I don't know about myself. I never had much luck —

I remember one time, a friend of mine and myself went, in the bottom out from Union City. The water was "all over the bottom," and you could wade all over the territory — and we did. Then, when we got "set" and the ducks began to fly over; there was one fellow down there that would shoot just as soon as the ducks got "in a mile of us" (I have to have them close to, even hit a wing). This happened several times, and I "raised my voice" and said to my friend: "Mr. C., we had just as well go home" — thinking he would take the hint and let them get down to where we could at least tell if they were really ducks; but he didn't seem to hear it, for he kept it up. I guess that was probably what he wanted. We obliged him and did just that. I was gettin' cold anyway!

I remember that hunt very well, for when we got to the car it wouldn't start—and, we had to be "towed in." But, that didn't stop me from duck hunting! I like to see them "fly over" anyway! Besides, it's good to be out with a friend. But, the ducks can wait—I've got 't kil' that turkey!

More than 57,000 4-H Club boys in the Thrift program inaugurated Saftley, U-T Agricultural Extension Service 4-H specialist.

"O, Give Thanks Unto The Lord" was the theme of our devotional this week.  
We enjoyed the various chapel programs we have had recently. "Book Week" proved to be quite helpful and educational.  
Ray Garrison, Evalyn Smith and Linda Tomlinson made a nice Thanksgiving poster for the bulletin board.  
Several of our group visited friends during the weekend. Barbara Sasser went to Kentucky Lake Sunday, Mary Crumley visited in Dyersburg.  
We surprised our teacher with a lovely basket of fruit last Wednesday and she in turn surprised us by serving it to the room and celebrating the eleventh birthday of our room twins, Ray and Fay Garrison.  
"Happy Thanksgiving" to all of you.  
Grade 5.  
The Fifth Graders are taking extra good care of their books after observing National Book Week. We enjoyed having a part on the chapel program Friday afternoon.  
We are looking forward to the Thanksgiving holidays.  
Tests have been the main thought for us this week. We have just completed our second six weeks tests.  
Grade 6.  
Since Book Week the Sixth Graders have learned to take better care of their books and hope that you have also.  
We enjoyed the program given by the 4th, 5th and 6th Grades representing Book Week. We also enjoyed "Miss" Marsaline's musical program. Those taking part from the 6th Grade were Buddy Murchison, Thalia Alston, Thelma Burroughs, Latrecia Vaden, Harry Wright and Alice Faye Jennings.  
This is spelling week for the 6th Grade. We'll let you know the details later.  
We're looking forward to Thanksgiving. We're also looking forward to getting into the new school building.  
In our Social Studies we have begun to study the Italian Peninsula.  
Grade 7.  
We are pleased over the Thanksgiving holidays that are coming. We want to wish Joyce Midgett and Taylor Grady a Happy Birthday.  
We surely are enjoying our English. We are glad to have Addie May Ashcraft back after an illness.  
We made booklets on the "Courtship of Miles Standish." Thomas Jacobs won first place, Lynn Hutson won second place and Larry Steelman won third place.  
Grade 8.  
Well, folks, here are the 8th Graders back reporting on the good old school days! The basketball girls went to the Catholic Club in Memphis Wednesday night for a game with Sacred Heart and came back with a happy feeling, and do you know why? We won 38 - 6. We are so thankful that we got to go and play and that we won.  
We enjoyed the program given by the 4th, 5th and 6th Grades Friday morning representing National Book Week, so be sure to be careful how you treat your books when we're around. We're really on the look-out for bad book owners.  
Happy Birthday, Bobby Perry. Many happy returns.  
We are proud of the teachers who gave a pint of blood each to the Red Cross Blood Bank. Those in the Elementary School who were able to contribute were Mrs. Patton, Mr. Hooks and Mrs. McCorkle.  
We enjoyed the chapel program Tuesday morning and appreciate

Halls, Tennessee, Friday Morning, November 30, 1951

Number 48

## Confidential Corner

### Talent Show

History was made Monday night of this week when the Distributive Education Class of Halls High School presented a Talent Show at the Elementary School Auditorium. You see, one of the skits, acts, or what have you, was the appearance of the high school faculty in a comedy act with one of the leading characters being H. G. McCorkle, head of Halls Schools. In more than 20 years of teaching experience this marked only the second time that Mr. McCorkle has been persuaded to appear on a stage in other than his official capacity as head of a school. Incidentally, Halls has been harboring a barber shop quartette all these years with it suddenly making its appearance Monday night. Ask Lynn Vaden and Wiley Perry about their singing talent. We hear Lynn makes a fine "shoe shine" boy. A small but highly entertained audience was present at the show and enjoyed it thoroughly.

### Christmas Baskets

The drive for the raising of funds for Christmas baskets is being pushed by the various organizations which take part and it seems probable that more money will be available for this way than ever before. The Lions Club, the Legion, the Legion Auxiliary, the various churches, etc. are all making efforts to raise funds either by solicitation or by various activities from which proceeds will go to the Christmas basket fund.

### A Year-Round Gift

When making up your gift list for this Christmas don't forget that there are probably one or more on your list who would welcome a gift subscription of the Halls Graphic. For only \$2.00 the Halls Graphic will go into that home for an entire year. We will send a gift card showing that you have ordered it for them. Why not include the Halls Graphic in your gift list?

### Drive Slower, Live Longer

With the coming of December and the almost arrival of icy roads it seems that now is a good time to remind motorists that a slower speed is mandatory for safe driving. We suppose we are getting older and therefore more nervous but it seems to get increasingly more dangerous to get out on the highways of Tennessee. We have never believed in a speed limit but we do believe in reckless driving laws with teeth in them. Coming from Dyersburg last Thursday afternoon after the football game we saw entirely too much cutting in and out of traffic since the line of traffic extended practically from Halls to Dyersburg at one time. Drive a little slower and a little more carefully and you will probably live longer.

### Congratulations

Our congratulations to Coach Jack Stribling and his Ripley Tigers in their winning of the Big Ten football championship in the playoff last Thursday. Usually, we are "agin" Ripley but this time we were pulling for them to win.

### 8TH GRADE BOYS PLAY BASKETBALL SATURDAY NIGHT

The 8th Grade girls basketball team and the 9th Grade boys and girls will play teams from Maury City Saturday night in the high school gymnasium. All proceeds from the games will go to the purchase of basketballs for use in the elementary school when they move into their new building. In games at Maury City last week the 8th Grade girls and the 9th Grade boys won while the 9th Grade girls lost.

Go To Church Sunday

### NEGRO VETERAN IS HOME FROM KOREA

Among Korean war veterans arriving in the United States this week was Sgt. Thomas J. McCutcheon, colored, of Halls. He landed in San Francisco on November 26 and is expected to arrive in Halls within the next few days.

### L. B. Marshall Does Top-Notch Job

Charles T. Peal, Ass't. County Agent

The boy with the know how! That's what L. B. Marshall's Jr. fellow club members might call The garden should not be over-lent job in raising his chickens but he apparently has "knack" for marketing them, too. This is evidenced by the good record he has made during his three years in 4-H Club work.

L. B. joined the 4-H Club in 1949 with a gift as a project which he bought for \$15.00. From this gift he raised five pigs. He raised these five pigs to market weight and even though the market dropped just before he sold them he came out with a nice profit, anyway.

Since they did not raise much corn on their farm, L. B. decided to have poultry for a project in 1950. He certainly showed that he knew how to raise poultry because of the 50 chicks he purchased he raised all of them with the use of a lamp brooder. He sold all of them as dressed fryers to a grocery store.

The Assistant Agent recognized L. B.'s natural ability in handling poultry so he asked him to be on the poultry judging team.

After practicing for a while, L. B., along with other members of the team, judged at the Mid-South Fair. They placed fifth in the Tri-State and were first in West Tennessee. This entitled them to go to Knoxville to judge in State competitions.

There the team tied for first place in the poultry production contest and tied for third in the meat production contest. That really made them feel good for all the previous work they had been doing was paying off now.

This year they also judged at the Mid-South Fair and even though they did not do as well as compared to last year the team won \$10 in prize money.

The brooder that L. B. used in 1950 could not be used to brood this year's chicks, so he made an electric brooder. By using some second hand material and purchasing such things as the tin and the unit, the brooder cost him \$18.

He then purchased 150 chicks but an unfortunate accident caused about thirty to smother. Even with this loss he sold 110 at six weeks of age which grossed him \$118. His expense including the cost of the brooder came to \$81. Even though he lost thirty-four chicks and built a brooder he made \$37.00 net profit on his enterprise.

L. B. recognizes the importance of keeping records because he always turns them in neat and accurate. His poultry record this year was such that it was entered in district competition where he won fourth place and \$7.50 in prize money. He also won the county poultry medal.

These 4-H Club experiences have meant much to L. B. and he plans to continue his project work with poultry and do an even better job in 1952.

### Temporary Cease Fire Order In Korean War

8TH ARMY HEADQUARTERS Korea, No. 28 — The United Nations troops in the front lines in Korea were ordered today to halt all offensive action and to fire only if fired upon.

The infantrymen along the frozen 145-mile front were ordered to provoke no incidents.

The artillery was ordered to fire on the enemy only if the enemy fires first.

There will still be scouting patrols in front of the lines, but insofar as the Allied forces are concerned, they will be scout patrols only and will not engage in offensive action.

### Teams To Play At Jackson Tonight

The Halls High School sextet will meet their first real test of the new basketball season Friday night when they travel to Jackson to meet the Jackson High girls. The Halls High boys will play their first game against the highly touted Jackson High team in the second game of the double header.

Tuesday night of next week the Ripley boys and girls will come to Halls for the official opening of the 1951-52 basketball season on the local court.

In the games at Jackson the local girls will be favored to win in a fairly close game but not much guess can be made about the chances of the local boys to bring home a win since they have had very little practice since the close of the football season and this will be their opening game. However, three starters are returning from last year's district champions, Joe Jacobs, Tom Bolton, and Gene Olds, and Coach McClure expects to field a topnotch team after the season gets under way.

In A and B games Friday night of last week the local girls swamped the girls from Sacred Heart of Memphis by scores of 69 to 33 and 72 to 11 with the visiting team offering little opposition to the high scoring Halls teams. Watts led the scoring in the A game with 34 points while Walpole racked up 37 points to lead in the B game.

The trip to Jackson will open a series of hard games for the local teams with Ripley, Hornbeak, Somerville, Obion and Brighton to be played prior to the Christmas holidays.

### Christmas Seal Sale Going Well

K. C. Harrington

The people of Lauderdale County are responding magnificently to the Christmas Seal Drive. Their contributions will help many tuberculosis patients throughout the year.

The Lauderdale County Tuberculosis Association Board of Directors asks each person who has not answered his Christmas Seal letter to do so soon — before he forgets it — and have a hand in helping Stamp Out Tuberculosis in Lauderdale County.

Anyone desiring information about the tuberculosis education program or aid to needy TB patients should call or visit the Office of the District Tuberculosis Association in the Court House.

### Methodists To Have Meeting Here

LOUISVILLE, Ky. — Three annual district conferences of The Methodist Church's Memphis Conference will be held December 4, 5, 6, it was announced here today by Bishop William T. Watkins, Louisville, president of the Memphis Conference.

The Paris District Conference will be Tuesday, December 4, at Calvary Methodist Church, Paris, Tenn.; the Dyersburg District meeting, Wednesday, December 5, at Halls Methodist Church, Halls, Tenn.; and the Jackson District Conference, Thursday, December 6, at Hays Avenue Methodist Church, Jackson, Tenn.

Presiding at the annual district meetings will be the district superintendents. They are Rev. William S. Evans, Paris, of the Paris District; Rev. Morris H. Stroud, Dyersburg, of the Dyersburg District; and Rev. J. E. Underwood, Jackson, of the Jackson District.

Each district embraces several counties. The conferences, attended by about 250 ministers and lay leaders of each district, are devoted to such matters as licensing persons to preach, committee reports, education, hospitals, and missions. A period on public relations has been scheduled at each of them for the first time this year.

### ATTENDS MILLERS MEETING

Mr. and Mrs. T. G. Avery and M. E. McDearman, Jr. were in Memphis Tuesday. Mr. Avery attended a Corn Milling meeting at Hotel Peabody.

### JOE HURT MOVES TO NEW HOME

Mr. and Mrs. Joe Hurt and children moved to their new home about one mile west of Halls on Monday of this week. The new home is a two-story brick and is located near the intersection of the Double Bridges-Nankipoo road. Mr. Hurt is a contractor and Mrs. Hurt is recorder for the Town of Halls.

### John Deere Day Next Thursday

Six brand-new movies will be presented at the annual John Deere Show sponsored by Farmers Implement & Seed Co. at Halls Theatre on Thursday morning, December 6, states Mr. Fred R. Hurt, head of the sponsoring firm.

The films include the feature "Galashad Jones" with a moral and a laugh. Other films will show the improved farming methods, new and familiar John Deere tools and farm equipment and things of interest to the progressive farmer.

Admittance to the show will be by ticket only with plenty of free tickets available at Farmers Implement & Seed Co. on North Front street. All you have to do is ask for them. Show time is 9 o'clock Thursday morning, December 6, at Halls Theatre.

### Legion Auxiliary Sponsors Party

The American Legion Auxiliary held their monthly meeting November 26, with 13 members present. Mrs. Marvin Hansford and Mrs. David Hurt were hostesses.

During the business meeting the program on membership was reported. We have 23 new members at present. Halls received State recognition in a membership bulletin sent out this week and have won one out of two awards given by the Department.

It was decided to have a Benefit Canasta and Bingo Party on Thursday, December 6, to raise funds for the Christmas Baskets.

### Kefauver To Speak In Ripley Dec. 6

Senator Estes Kefauver will be in Ripley, Dyersburg, Covington, Alamo and Brownsville on Thursday, December 6, for talks in his state-wide "reports from congress" tour.

Senator Kefauver will open Thursday at Covington, go from there to Brownsville and then will be in Ripley at 2:30 o'clock. He will then go to Alamo where he will speak at 4:30 and then will speak at Dyersburg at 7:30.

Mr. Kefauver will be at the Courthouse at Ripley for his talk there and also at the Dyer County Court House in Dyersburg. Due to the amount of territory to be covered and the shortness of time, it is unlikely that he will be able to come to Halls so many from here plan to meet him in Ripley or Dyersburg.

### Funeral Services For Former Resident

Services for K. L. Hurd were held Wednesday morning at 11 a. m. at the Sudbury Chapel in Halls. The Rev. D. M. Renick, Baptist minister of Memphis, officiated. Burial was in the Halls Cemetery.

Mr. Hurd died late Monday night at his home in Memphis after an illness of about two years.

Mr. Hurd was born in Mississippi, and moved to Lauderdale County near Halls at an early age. He was a well-known landowner and farmer of Lauderdale County before moving to Memphis 22 years ago, where he was in the boarding house business. He was 77 and a Baptist.

He leaves his wife, Mrs. Bessie Spence Hurd; two daughters, Mrs. D. W. Henderson and Mrs. John Evans of Memphis; two sisters, Mrs. E. M. Brawshaw and Miss Florence Hurd of Elbridge, Tenn.; two granddaughters and a grandson.

### McMINNVILLE VISITORS

Mr. and Mrs. Malcolm Smith of McMinnville spent the holidays with Mr. and Mrs. F. C. Hurt.

### Brother of Mrs. H. T. Abernathy Dies

CORINTH, Miss. — Services for Horace Hugh Hinton, Corinth business, civic and Methodist lay leader for the past 25 years, were held Monday at 3:30 p. m. at the First Methodist Church with the Rev. T. B. Trover, pastor, officiating.

Mr. Hinton was 57. Although the condition of his health necessitated curtailing his activities for the past few years, he maintained active management of the Hinton Chevrolet Co., and was a regular attendant and participant in the affairs of civic clubs. He remained at his office all day Saturday, preceding death at his home early Sunday morning.

Mr. Hinton was born at Halls, Tenn. He married the former Miss Aara Fletcher at Jackson, Tenn., April 26, 1925. He was a Mason, Elk, a Methodist and a charter member of the Corinth Rotary Club. He was a veteran of World War 1, having served with the Rainbow Division. He was an active member of the American Legion and the 40 and 8 and a colonel on the staff of Governor Wright.

In addition to his wife, he leaves a daughter, Mrs. Harold Johnson; one brother, W. E. Hinton of Pascagoula, Miss.; two sisters, Mrs. Herman Abernathy of Halls, Tenn. and Mrs. J. M. Hight, of Louisville, Miss.

### Business Men To Pay Social Security

Many self-employed businessmen are not aware of their compulsory coverage in the old-age and survivors insurance system provided by the recent changes in the social security law, effective January 1, 1951. Joe P. Tipton, manager of the Dyersburg Social Security Administration office reports 43% of the businessmen he questions knew of the tax liability they were incurring all through 1951. The tax liability for 1951 becomes due and payable in the first quarter of 1952, and each year thereafter. An equal number of self-employed failed to realize their self-employment earnings after 1950 were building toward old-age and survivors insurance protection for themselves and their families. Mr. Tipton pointed out that the small businessman now has the same protection against loss of income due to retirement or death as wage earners have had since 1940.

Generally speaking, coverage of the self-employed person is compulsory under the old-age and survivors insurance section of the Social Security Act. Self-employment earnings from a few professions and occupations are excluded by the law itself and cannot be counted toward this insurance protection. But unless specifically excluded they count if they amount to \$400 or more a year.

Old age and survivors insurance provides very definite protection in terms of a base for financial security to the self-employed person and his family. Monthly benefits range from \$20 to \$150 depending on average earnings and the pattern of the insured's family at the time benefits become payable.

Self-employed earnings must be properly reported each year to secure credit towards this insurance. They are reported by the individual on a special section of his individual income tax form. Earnings for 1951 will be reported on the income tax form due by March 15, 1952.

### Santa Claus Department

Dear Santa Claus, I am a boy 9 years old. I am in the 4th grade. I am a good boy. Please bring me a Gilbert No. 1 Chemistry set, a Howdy Doody figurine set. I would like some puppets and a Hozalong Cassidy wrist watch and a few train things and some right-of-way railroad signs and some candy.

Love, Carmen Belton

Patronize Our Advertisers.

### CONGRESSMAN COOPER VISITS IN HALLS

The Hon. Jere Cooper, Congressman from this district, was in Halls Thursday of last week and dropped in to see a number of people around town. He said he would be back in Halls in the near future to discuss legislation with Halls citizens.

### Elementary News Notes

V. Davis - M. Lathan

"Lord, help me live from day to day. In such a self-forgetful way, That even when I kneel to pray My Prayers shall be for others. Every life we touch is a field; Everything we do and all the words we speak, Are seed. What will the harvest be?"

### Grade 1 — Mrs. Vlar

"Grandmother's house" was the most popular place known among "Miss" Geneva's First Graders on Thanksgiving. Bobby Butler spent Thanksgiving in Paris with his grandmother. Allan Levy visited his grandmother in Memphis on Thanksgiving. Others who had dinner with their grandmothers were Barbara Carol Keltner, Kay Dunaway, Yvonne Meyers, and Charlie Vlar.

Alice Tucker visited cousins in Memphis during the weekend. Bill Sanders had Thanksgiving dinner with his aunt. And by the way, Bill has a new baby brother.

Jimmy Hinton said, "We didn't go any place Thanksgiving but Dot and Robert had Thanksgiving dinner with us and we ate in the dining room and had a fire in the fireplace."

Jim Vlar of Columbia visited his grandmother and Charlie Vlar during the holidays.

Mrs. Geneva stayed home and had her Thanksgiving dinner with her husband's mother.

Grade 1 — Miss Walker

Most of Miss Walker's First Graders also visited Grandmother for Thanksgiving. Alice Wright, Gloria Meeks and Don Burks went to Memphis for the holidays. Don visited the Zoo and gave an interesting report to the class.

Barbara Lovelace, Joan Baker and Jimmy Broglin were in Crockett County for the day.

Lewis Vaden went "down the road a piece."

Grade 2 —

Everyone reports a good time on Thanksgiving with lots of good things to eat. Some of us went on a trip and some had company.

Guess we'll be getting the Christmas Spirit before long. It's not too far off now. We enjoyed "Miss" Electra teaching us last Monday afternoon when "Miss" Jane couldn't be here.

We had good chicken and all the trimmings at the lunch room on Wednesday for our Thanksgiving at school.

We have a new pupil — Linda Crowder in "Miss" Jane's room and another new pupil — Betty Faye McClelland in "Miss" Kathryn's room. We welcome them heartily and hope they will like us.

We all reported Monday on what we did over Thanksgiving and made sentences on the board about it.

Grade 3 — Mrs. Cooper

Well, we third graders surely did enjoy the Thanksgiving holidays. Some of us visited out of town and ate turkey.

Thanks to "Miss" Electra for teaching us while "Miss" Cooper was absent last Tuesday.

Bobbie Phillips brought some growing rocks for our room.

We are enjoying some new books which were bought with our Halloween money.

We are so glad that Douglas McGarrity's mother is doing nicely but sorry that Fay Davis' father is seriously ill.

Our attendance has been very good the past three weeks. Our room is pretty healthy this year.

We are learning to spell right along. Seventeen of us made 100 percent last week. Mrs. Cooper visited her husband's family near McKenzie, Tenn., Thanksgiving.

Grade 3 (Mrs. McDearman)

Many good times were spent (Continued On Page Six)

### Poultry School Set For December 5th

F. H. Paschal, County Agent

A. J. Chadwell and W. O. Sewell, Extension Poultrymen from the University of Tennessee, will assist the County and Home Agents in the holding of a Poultry School at the Courthouse in Ripley beginning at 9:30 on next Wednesday morning, December 5th.

Poultry is not our main crop in Lauderdale County, but practically every farm family produces chickens for meat and eggs. We need to keep informed on the most successful methods of raising baby chicks, and growing chickens for meat and eggs. We need to know the newest methods of protecting flocks against diseases and producing eggs at the lowest cost.

Poultry along with dairying provides us an opportunity to market our labor throughout the year and some income every month. More than \$50,000.00 worth of poultry and eggs are marketed from the farms of this county each year, but probably more than that amount of poultry products are brought into the county. We could profitably increase our production of poultry and eggs.

Producers can get answers to many of their questions at this school at the Courthouse at 9:30 on Wednesday, December 5th.

4-H Leaders To Meet

Volunteer Adult 4-H Club Leaders with their Extension Agents from all over West Tennessee will meet in Jackson, Saturday, December 8th, for a day of instruction, recognition, and inspiration. The work of volunteer leaders makes the 4-H Club program worth far more to the youth of America than it could possibly be otherwise. A good proportion of the leaders in Lauderdale County will attend.

Prepare Gardens Now

Early December is a good time in which to do some really good gardening for next year. Dead plants, bean poles, weeds and other unsightly things in the garden can be cleared out and then it is good to apply manure at the rate of as much as 10 tons per acre and then turn all of this under.

Heavy applications of manure adds organic matter which makes the soil hold water better and then it adds nitrogen, phosphate and potash needed for good yields of high quality vegetables next year.

Most gardens need liming at the rate of 2 or 3 tons per acre and then they need an additional 1 or 2 tons per acre every five years. The garden should not be over-limed, because that can have the wrong effect on some plants.

Some good gardeners throw up ridges for cabbages, multiplier onions and other crops which can be planted in January or February without additional preparation.

### Free Farm Service To Secure Tenants

Attention is called to all farmers and farm tenants of the placement service available to them through the Tennessee Department of Employment Security.

Grady Cook, manager of the Ripley office, states that his office has already placed a number of tenant families for 1952 crops. "There are still several openings listed with the office," Mr. Cook says, "But we believe that many tenants and landowners still do not know of our free service. If all tenants who are planning to move for 1952 and all landowners who expect to need tenants will let us know their plans, we can help tenants locate good places and landowners locate good tenants with minimum effort on their part."

The employment Security Office is located on the second floor of the Rice Building. Mr. Cook urges both landowners and tenants to come in and discuss their problems with the local farm placement representative. If they are not able to come in they may write for information.

### VISITS RELATIVES

Mr. Lee Hood of Caruthersville, Mo. spent several days last week with nieces and nephews here.

The Halls Graphic HALLS, TENNESSEE

Entered as second class matter weekly at the post office in Halls, Tennessee, under the act of March 3, 1879.

Utley Urges Getting Car, Truck Titles

The 1951 Legislature passed a law which requires each person that owns any kind of a motor vehicle for which a state tag is required, to make an application for a title to each vehicle.

If you have purchased a car since July 1st of this year, you must obtain a notarized bill of sale from the person or the dealer from whom you purchased the vehicle. If you own a vehicle purchased prior to July 1st of this year the bill of sale that was given you at the time the car was purchased will be required before you will be able to make application for a title.

Bring your bill of sale to the County Clerk's Office. Here you will surrender your bill of sale and the clerk will make out an application for title. The original copy of this application and your bill of sale will be mailed the same day to the Department of Safety, Nashville, Tenn. Within 120 days you will receive a title for the vehicle for which you have made application.

We will not be able to sell you a 1952 auto tag next March without this title or proof you have made application for one. Your proof will be the duplicate the clerk gives you when you surrender your bill of sale and make application for a title. So get your bill of sale now, and if you have Lauderdale County tags on your car or truck come into the office at your earliest convenience.

As we have said before, this is something that each person who owns a car or truck must do in order to buy 1952 tags; therefore we urge you to do this at once. The person to whom the bill of sale is made out to must come in and sign his or her own application. If your car is in your wife's name, she must come in and sign for the title.

We are sorry about this foolish, contemptible law that was crammed down the throats of the people of Tennessee at the 1951 session, but it is the law, so get your bill of sale and make your application at once.

N. C. UTLEY adv.

MISS CAROLYN LUCAS SINGS HERE

Miss Carolyn Lucas of Nashville, neice of Mrs. Joe Sumrow, was a visitor in the Sumrow home over the Thanksgiving weekend.

Sunday morning at the eleven o'clock hour Miss Lucas sang at the Christian Church. Her selection was "One Sweetly Solemn Thought" with Mrs. E. F. Rawles as accompanist. Sunday evening at the Methodist Church she sang "The Holy City." She was accompanied by Mrs. James Voss.

Miss Lucas is a member of the Junior Class at East High School in Nashville.

HONORS MOTHER ON BIRTHDAY

Mr. and Mrs. T. G. Wright entertained at their home Sunday with a dinner honoring her mother, Mrs. Lonnie Parker, on her birthday.

Guests included Mr. and Mrs. Parker and sons, L. J. and Larry, Mr. and Mrs. Neil Keltner and daughter, Brenda, and Mr. and Mrs. Tommy Tidwell and children, John and Phillip, of Fidelity.

ENON S. S. CLASS IS ENTERTAINED

Mrs. Lawson Tillman was the gracious hostess to members of the Elementary Sunday School Class of Enon Church Thursday evening. Twelve were present.

Contests and games were enjoyed throughout the evening. One of the most exciting events was the pie eating contest between Thomas Wilson and Madeline Bowie with Lindell Bowie as winner.

Layena Eggs Really Taste Swell!

Folks agree there's a difference in the taste of eggs. Purina Research shows that hens fed Purina Layena lay fine-flavored eggs. Layena eggs have firm, yellow yolks and thick whites that stand up... don't run all over the pan. And the flavor... ummmm! Layena Eggs can't be beat for flavor. Some morning soon, please your husband with a breakfast of Layena Eggs.

Layena Eggs... the standard of egg quality!

P. H. HENDERSON GROCERY & FEED STORE Phone 3131 Halls, Tenn.

Mrs. Tillman served a delicious party plate consisting of potato chips, sandwiches, olives, candy and cakes. Mrs. Roy Hilliard, Sr. is teacher of the class.

Faculty Meeting

The Curve Faculty met Tuesday night in the home of Mr. and Mrs. R. H. James for their regular dinner meeting. Each teacher brought a covered dish and had their husbands as guests. After dinner an interesting discussion was led by Miss Winnie Bizzell, Supervising Teacher, on "The Teaching of Reading Can Be Improved at Curve School."

IF TRUMAN HAD HIS WAY

A presidential campaign will soon be upon us as next year is presidential election year and both parties are beginning to discuss candidates. Recent speeches made by President Truman indicate that he may be a candidate for re-election. In this event it would be wise for people to make a survey and see what he stands for and what we may expect in case he is re-elected and a congress favorable to his policies is elected. With him, President Truman has not had the co-operation of congress this year any more than he did the 80th congress which he so bitterly decried in the past presidential campaign. While the democrats have had a majority in both houses yet there always seemed to be enough to defeat most of his important measures upon which he desired legislation. In fact, hardly any of his cherished measures, many of them being of a social trend such as the labor party in England has inaugurated, have been passed. In the Bergen, New Jersey Evening Record a few weeks ago there appeared a letter written by George E. Stringfellow as follows:

"In recent months we have heard a lot of criticism of Congress for not letting Truman have his way. In the words of the happy warrior, let us look at the record and see what would have happened to our country if a spineless Congress had given Truman everything he asked for.

"If Truman had had his way every farm in America today would be operating under the Brannan Plan—socialized agriculture.

"If Truman had had his way, Red China would today be a member of the United Nations, to vote with Russia and her Iron Curtain

and son, Ralph, of Memphis visited Mr. and Mrs. W. R. Sellers.

Mr. and Mrs. John Chalk of Haiti, Missouri visited friends and relatives here recently.

Mr. and Mrs. F. E. Jordan of Long Lake, Michigan spent the Thanksgiving holidays with relatives and friends.

Mr. and Mrs. E. S. Queen of Dallas, Texas are visiting friends here.

Patsy and Gloria Smith visited Mr. and Mrs. Ernest Ballard at Henning Sunday.

Betty Grable is costing Twentieth Century-Fox a tidy sum for fan photographs.
The studio reported it mailed out 125,000 pictures of her beautiful face — and shape — last year, the most since the war years.
Still the pin-up queen after eight years as America's top musical star, she has recently completed her 40th picture, "Meet Me

After the Show," a lavish Technicolor musical with Macdonald Carey, Eddie Albert and Rory Calhoun. The film is due at Halls Theatre on Sunday and Monday, December 2 and 3.

Fourteen Hours
New York's police had to be called in to augment movie cops used on Wall Street location sequences of Twentieth Century-Fox's "Fourteen Hours," the suspense drama which will show at Halls Theatre on Tuesday and Wednesday, December 4 and 5.
Over five thousand Gothamites showed up to watch stars Paul Douglas, Richard Basehart, Barbara Bel Geddes, and Debra Paget emote, necessitating special detachments of police to rope off two blocks before filming and congested traffic could proceed up the street.

Peking Express
Academy Award Winner, Edmund Gwinn, who achieved stardom with his gentle, winning comedy portrayals in such pictures as "Miracle On 34th Street" and "Mister 880" switches to straight drama in "Peking Express," the Paramount adventure thriller in which he stars with Joseph Cotten

and gorgeous Corinne Calvet.
In this rousing account of a turbulent train journey through present-day China, Gwinn appears as a kindly old priest who is inadvertently involved in a round of murder and espionage when the famed oriental luxury train is waylaid by guerrillas.
By playing the role of a cleric, Gwinn joins such distinguished company as Bing Crosby, Barry Fitzgerald, Spencer Tracy and Gregory Peck, who delivered some of the screen's most memorable performances as men of the cloth.
"Peking Express" was produced by Hal Wallis and directed by William Dieterle.

stockpile spiritual resources. We have more houses than in 1900 but fewer homes. We have better school buildings, but no greater wisdom. We have labor and time-saving devices . . . but find no more opportunity to be with our children. We have gained in pecuniary wealth, but lost in a sense of values."
We spend nine billion for drink; six billion for education. Roger Babson says, "15 billion of dollars go every year into the garbage pail in the form of liquor, narcotics, gambling, sex magazines, and other things that undermine the health and employability of people."

What are we willing to do about it? Buttrick is right when he says we are unwilling to cry, "God be merciful to me a sinner." Senator Kefauver says, "Corruption is fast becoming a part of our everyday pattern of life. It rolls off the public conscience like water off a duck's back."

The more we have, the more we want. Our prosperity has led to an insatiable desire for more and more luxuries, more and more pleasures. To obtain them is the chief, though unworthy desire of our people.
And what are we willing to do about it?

Tennessee Outdoors

Louis S. Clapper
State Game and Fish Commission

A thin blue haze prevades the atmosphere to herald the arrival of the semi-annual "burn-off" season. This practice of "burning off" both by intent and carelessness, occurs each Fall and Spring. It is of little value yet costs a great deal.

Property owners who burn off dead vegetation do not effectively destroy weeds from their fields; neither do they help stimulate new growths of grass. Burning, however, does destroy grass roots and

humus, opening the soil to erosion by water and wind. Burning also eliminates food and cover for birds and animals and threatens their lives. Fire has a bad habit of getting-away often to burn valuable timber fences and other improvements.

Tennessee will be a better state when "burning off" is no longer practiced each Fall and Spring.

Farmers and sportsmen should be wary of unduly bold foxes. A party of squirrel hunters was returning from a Fentress County foray when a gray fox stalked out in the road and made no effort to run. One of the hunters let his squirrel dog out of the car for an impromptu race but it turned out that the fox did the chasing. A fight ensued and one of the men stepped in when the dog was losing. A blow from the rifle but killed the fox but broke the gun. When examined later, the fox was

found to have rabies.
The U. S. Fish and Wildlife Service maintains 23 wildlife refuges in the 11 Southeastern States. These refuges comprise 1,300,000 acres of land area and 821,000, or roughly half, are devoted to waterfowl management. It is estimated that since 1942, the waterfowl populations on these refuges have increased about 30%.

Sunday School Lesson
By Walter C. Davis, D. D. Tennessee School of Religion, University of Tennessee
(Numbers 14:1-11)

A DISOBEDIENT AND MURMURING PEOPLE

George A. Buttrick has said, "No generation has been shrewder than ours in tracing social ills, but perhaps none has been more reluctant to cry, 'God be merciful to me a sinner.'"

The wanderings of the Children of Israel in the wilderness lasted for 40 years. That is one-fourth the life of our republic since the adoption of the constitution. It was quite a long spell in the life of a nation, and with this background we must study their history.

1. Hopes deferred. They had been promised a new land, a land of their own. They left everything behind to obtain it, and the great delays and hardships lowered their morale.

Their doubting and grumblings were not due to any lack of evidence of the Divine presence. There was miracle after miracle, gift after gift, and yet they grumbled.

2. Their complaints began in Egypt (Exodus 6:19-23). These were renewed at the Red Sea (Exodus 14:12). There was complaint of hunger. Then of thirst. They wanted bread. It was given, then they grumbled because they had nothing but bread (Numbers 11:4-9). They murmured because of the rigors of the journey.

We can imagine the fiendish delight of the false spies. What they had to say about the giant of the land and the impossibility of subduing it was exactly in line with the rebellious and complaining spirit of the people. What these false spies hoped to accomplish is not clear. They only caused confusion and more confusion.

The Israelites craved land, security and prosperity. Is it not the same with our America today? We want possessions. We want security. We trade even with our enemies in order to make business, jobs and prosperity. What we, too, need is more moral courage. As Herbert Hoover says, the craving of security is an unworthy sentiment. What we should crave is opportunity.

No nation has been blessed as has America. But we are in danger of being like "a spoiled brat." "More alarming than the knowledge that others possess the atom bomb is the record of failure to

ZANIE RUCKER
VS.
RUSSELL RUCKER
No. 2829
IN THE COUNTY COURT AT
RIPLEY, TENNESSEE
In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant Russell Rucker is a non-resident of the State of Tennessee, and resident of the State of Michigan so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Russell Rucker appear before the Judge of the County Court of Lauderdale County on or before the first Monday in December (it being the 3rd day of said month and a rule day of that term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.
It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring him to so appear.
This 29th day of October, 1951.

### HAVE YOU ANSWERED YOUR CHRISTMAS SEAL LETTER? FIGHT TUBERCULOSIS

Mr. and Mrs. Oscar Hilliard were in Memphis Wednesday.

Mrs. Granville Kee and daughters of Milan spent Thanksgiving Day with Mrs. Mattie Dew. Little Jo Alice Phillips returned home with them and remained until Sunday when Mrs. Dew and Bobby Phillips went to Milan for her.

Among those home from school for the Thanksgiving holidays last week were: Sue Shannon, Sue Tomlinson, A'ice Nunn, Martha Wood, Sue Camp, Carrie Lee Burleson, Betty Jo Steelman, Donald Connell, Ted Perry, Bobby Henderson, Hutson McCorkle, James Jacobs, Bobby Hale, Raymond Hale, Jr.

#### HOSTESSES AT CANASTA PARTY TUESDAY

Mrs. Elmer Hoffius and Mrs. Leonard Andrews as co-hostesses entertained Tuesday afternoon at the home of Mrs. Hoffius with a beautifully planned canasta party of six tables.

As the guests arrived each drew a tally card and took her place at the table where they were served coconut cake and boiled custard.

The rooms were decorated with Christmas greenery and gladioli. On the buffet was a cornucopia filled with various fruits.

The guest list included Mrs. E. J. Shannon, Mrs. J. T. Connell, Mrs. Ida Francis, Mrs. G. T. Cotham, Mrs. Joe Sumrow, Mrs. Clyde Younger, Mrs. David H. Hurt, Mrs. Wymond Hurt, Mrs. O. J. Nunn, Mrs. A. G. Hargett, Mrs. J. W. Warren, Mrs. E. S. Crichfield, Mrs. I. A. Nunn, Mrs. H. G. Conley, Mrs. L. L. McDearman, Mrs. Bob Poindexter, Mrs. J. F. Colley, Mrs. C. C. Nearn, Mrs. R. J. Nunn, Mrs. Douglas Hurt, Mrs. Fred Hurt, Mrs. R. E. Craddock, Mrs. Hill Martin, Mrs. P. H. Henderson, Mrs. W. A. Holley, Mrs. R. V. Lilley and Mrs. J. H. Murchison.

In the evening another group enjoyed the hospitality of Mrs. Andrews and Mrs. Hoffius. The guest list was: Mrs. Ross Dyer, Mrs. Ruth Hallman, Mrs. Lynn Vaden, Mrs. Neal Dyer, Mrs. Marvin Hansford, Mrs. Paul Henderson, Jr., Mrs. Robert Craddock, Mrs. J. K. Hinton, Jr., Mrs. Louis Levy, Mrs. D. R. Nunn, Mrs. Roy Patton, Mrs. James Peery, Mrs. Aubrey Smith, Mrs. Charles Alsbrook, Mrs. Wayne Vaden, Mrs. W. C. Viar, Jr., Mrs. Tony Troiano, Mrs. Emmet Parker, Mrs. Gilreath Dyer, Mrs. Earl Crichfield, Mrs. Frederick Craig, Mrs. Jerre Jordan, Mrs. H. L. Rhodes, Mrs. Katherine Phillips, Mrs. Paul Griffin and Miss Gwen Walker.

#### MRS. MARTIN IS HOSTESS WEDNESDAY APT.

Mrs. Hill Martin entertained on Wednesday afternoon at her home with two tables of canasta and several tea guests. The home was made more attractive with holly and red berries.

At a late hour Mrs. Martin served a delicious salad course, cake and spiced tea to Mrs. Fred Hurt, Mrs. G. T. Cotham, Mrs. Ida Francis, Mrs. D. C. Warren, Mrs. A. G. Hargett, Mrs. I. A. Nunn, Mrs. R. J. Nunn, Mrs. L. L. McDearman, Mrs. M. E. McDearman, Sr., Mrs. Paul Henderson, Mrs. W. A. Holley and Mrs. J. H. Murchison.

#### MRS. McDEARMAN HOSTESS TO BIRTHDAY CLUB

Mrs. L. L. McDearman was hostess to the Birthday Club on Tuesday of last week with a luncheon given in honor of Mrs. Fred Hurt.

Chrysanthemums were used to decorate the living room and the

table centerpiece was an arrangement of colorful fruits. Other members of the club attending were Mrs. A. G. Hargett, Mrs. D. C. Warren and Mrs. J. H. Murchison. Mrs. Walden Cummings of Chicago was a guest of the club. Mrs. Hurt was presented a gift. "Small Cost, Little Space, Big Power to Burn — the Want Ads."

Elementary News Notes

ed during our sharing period on Monday of the good times we all had during our holidays. The honors for the best drawings done last week went to Judy Brandon and Aurford Pickens. James Wheat had the misfortune of running into a shrub while playing at recess one day last week and had to have some stitches taken in his leg, but Dr. Olds says that he would be good as new in a few days. We surprised James by sending him a Thanksgiving box of fruits, candy, and nuts. Rebecca Gillison was on our sick list last week and Chuck Murchison, also. A visitor in our room was Captain Morrey Smith of the Army Air Force. He was introduced to our room by Chuck Murchison. We knew he was interested in our group for he has three boys, Jimmy Johnny and Jerry who live in Colorado Springs, Colo. He told us many interesting things and then let us ask questions and of course we liked that. Come again, Captain Smith! Elizabeth Ann Alsobrook entertained us in costume with a dance, Rudolph, the Red Nosed Reindeer. Alix Haliman went to Memphis to see the show, "Quo Vadis." Grade 4 We all enjoyed our Thankgiv-

ing holidays. After so many good things to eat and so much fun it is hard to settle back down to work. Those taking part in the Thanksgiving playlet "What I Am Thankful For" were Carmen Belton, Jimmy Nunn, Eugene Pugh, Ema Sue Kesterson, George Hurt, Jerre Jordan, Jerry Stanley, Robert Stanley, Phillip Hurt, Gene Nichols, Joan Lamb, Dawn Robertson, Pamela Rhodes, Marietta Griffin and Judy Wright. Thanks, Mrs. Mac, for letting us present this to the various rooms (and a big thanks for the candy). We wish to thank all of you who voted for our grade at the PTA meeting, making it possible for us to win the picture for the month of December. During the holidays Mrs. Olive had her mother and father at her house for dinner. It rained and she didn't get to go to Memphis. Grade 4 and 6 (Mrs. Daws) Many of this group reported good times during the holidays. Anita Johnson and James Stevens visited in Memphis and Barbara Sasser and Martha Dawson went to Dyersburg. We are glad to have Linda Tomlinson back after a brief illness and also Pat Lucas who was absent two days because of a burn she received last Monday. The fourth graders of this group have been giving some interesting broadcasts from the news in their weekly readers. We celebrated Martha Dawson's birthday last Wednesday. Martha was nine years old. Mrs. Daws spent part of her holiday in Memphis, Ripley and Dyersburg. She went to a show by the name of "Quo Vadis." Grade 5 The fifth graders are hard at work after a delightful vacation. Gloria Reece, Shirley Johnson and Jerry Burks visited in Memphis during the holidays. Anne Younger was in Nashville, Jane Hines in Tiptonville, Betty Dew in Little Rock, Ark., and David Hurt took in the Christmas Parade in Jackson. We were glad to have chapel two days last week, Rev. Goforth talked to us Tuesday and Captain Morrey Smith of the Air Force visited us at chapel Wednesday. Anne Younger, David Hurt and Larry McBride had the longest list of words from the word Thanksgiving. During the holidays we had, Mrs. Nell stayed at home and ate lots of chicken. Grade 6 Here we are again after our nice Thanksgiving dinner at school on Wednesday and at home on Thursday. We certainly enjoyed Bro. Goforth's talk in chapel on Tuesday and Captain Smith's talk Wednesday — Captain Smith is from Colorado Springs, Colo. He answered our many questions as he visited our room. We aren't ready to report on our "Spelling Contest" week. We are keeping our fingers crossed. My, my! Multiplying fractions are so complicated but if we work hard we'll soon learn how. During the holidays Mrs. Oma went to the doctor at Ripley. On Thursday, her brother from Memphis came to visit them and ate dinner with her. She had coon for dinner. Grade 7 We are back again from the Thanksgiving holidays. Monday we had an English test. Whew! Hope we passed it! We enjoyed the Halls High Stunt Show Monday night. We are looking forward to the yo-yo contest Thursday of this week. Mrs. Gilliland had a nice time during the holidays. She went to Bells and they had a birthday party Sunday for her daughter, Janie. Mr. Hooks went to Lexington, Ky., to see Tennessee and Kentucky play a football game in which Tennessee won. The rest of the days he ate and slept. Grade 8 We enjoyed chapel very much last Tuesday and Wednesday. Captain Smith and Bro. Goforth gave two very inspiring messages. Our girls basketball team beat Maury City 56-24 last Saturday night. The Distributive Education Class sponsored a Stunt Show Monday night. Our Eighth Grade gave a play "Cinderella" and we won 2nd prize! 1st and 3rd prizes went to Mrs. Neil Dyer and Mrs. La Greeta Smith. The show was very good and we're sure that everyone will agree there is a lot of talent in our town. We enjoyed the little program presented to us by the 4th grade Wednesday. Come again, 4th graders! Mr. McCorkle had a nice time during the holidays. She went to Missouri and attended a family re-un-

Miss Blanchard had a nice quiet peaceful holiday at her home. She just enjoyed the quietness. If gratitude is due from man to man How much more from man to his Maker!

It Says Here . . .

By Vaughn Richmond I don't think we should slaughter the ducks the way we do! I didn't get any, but my partner got one — shot his head "clean off." (It would have been cruel if he had done it "on purpose!") I saw three fellows in a boat. They had three ducks. And those fellows down the bottom sure were "laying them low!" Either that, or they were mad at them because they wouldn't "fly low" and shootin' high — hoping some of them would get scared and fall down and die. Like I say, I don't think we should just go out and "slaughter" them "going and coming" that way, for they tell me that they got the idea for the flaps on a plane (on the landing apparatus) from the duck. Suppose we should kill 'em all. We might want to learn something else from them some time. We might want to learn how to go under water quickly — and stay under so long, and come up behind a tree, with the tree between us and the enemy — and make a quick "get-away," with the enemy "lookin' at us." . . . And I'm going to learn how to "call 'em" some of these days too! I was doing very well the other day until I heard a horse laugh down the bottom. I wish sometimes that you couldn't hear so well on water! I got one "answer" though. It was "far-off." but I always say, "Better a response from afar, than no response at all!" (Just "kiddin'." Nimrod, you may have gotten the "limit" for all I know, and if you didn't, better luck next time!)

5TH GRADERS ARE 2ND PLACE WINNERS

— Lou Eva Baker — Hurrah for the 5th grade members who won 2nd place at the Talent Show sponsored by the DE Club Monday night. The 5th grade presented a skit "Cinderella." The cast was as follows: Cinderella, Arthur Currie; Daughters, Freeze, Marlys Critchfield, Anti-Freeze, Marilyn Latham; Prince, Mr. Floyd Hooks; Guests at the King's Ball, Blanche Nunn, Gwila Ozment, Carolyn McCorkle, Billy McLaughlin, Bobby Perry, Tommy McDearman, Anita Wyse, Carey Corlew; Fairy Godmother, Donald Smith; Reader, Buns Smith; Preacher, Sonny Higdon; Stage Manager, Lou Eva Baker; Property Man, Philip Dunaway; Sound Effects, Mark Critchfield; Directors, Mrs. H. G. McCorkle, Miss Martha Blanchard, Mr. Floyd Hooks; Writer of Script, Mrs. H. G. McCorkle. The 5th grade girls stepped over the 9th grade girls in a basket-

ball game Tuesday night. The score was 47-30 in favor of the 8th grade. Those who started the game were: Forwards, Carolyn Carter, Marilyn Carter and Marlys Lovelace; Guards, Vanda Davis, Marilyn Latham and Carolyn McCorkle. Substitutes were Anita Wyse, Blanche Nunn, Buns Smith, Marlys Critchfield, Mona Faye Patton, Barbara Cannon and Gwila Ozment. We would like to thank Molly Watts, Betty Jackson, Barbara Ford, Francine Smith, Martha Lynn Hudson, Nancy Young, Patsy Perry and Jean Garrison for cheer-leading.
