## Elementary News Notes

**Baker - Davis**  
**First Grade** — We have had our 2nd typhoid shot and are expecting Mrs. Morris for our general physical examination this week.  
 First Graders have been watching an interesting experiment in our science. Several have brought caterpillars in jars with leaves to feed on and have watched them spin themselves into a web.  
 We are glad to have Bobby Butler as a new pupil.  
**Second Grade** — Shirley Jackson had a birthday Thursday. We all sang to her, wishing her many, many more. Mack Goforth also celebrated his birthday. He says he is going to get a new bicycle.  
 We have now finished one month of school. The teachers are glad to see "pay-day" since such a long vacation.  
 Our teachers will be trekking off to Memphis sometime in October for the Teachers' Meeting.  
 Several of the 2nd Graders attended the Fair. Ronnie Hines told us of the many interesting things he saw and did.  
**Third Grade (Mrs. McDearman)**  
 We shared in our room last week some things our teacher brought back from Florida. They were a collection of cards of different places and things in Florida, some stalks of sugar cane, real coconuts and a grapefruit branch with fruit on it.  
 Our room globe was put into use and we located Florida. We have all decided that we will have to travel some to compete with Carey Alsobrooks's trip to Chicago last summer. He keeps talking about that "big, big town, Chicago." We all looked at the October issue of "Holiday" which is about "That Big, Big Town, Chicago!"  
**Judy Brandon and Patricia Baker** attended the Fair in Memphis. We sang "Happy Birthday" to Rebecca Carson and Carolyn Moore last week.  
 Alix Hallman gave us a good report on her weekend in Jackson, Tenn. Lynn Stallings and Carolyn Brasfield spent the weekend in Memphis.  
 Typhoid shots were on schedule again last Thursday.  
 We were overjoyed to get a new supply of art paper.  
 Our new room mothers are Mrs. Morris Stallings, Mrs. Roy Brandon and Mrs. Edward Carson. Parents, let's attend the P. T. A. next Monday, Oct. 8th. We are depending on you!  
**Third Grade (Mrs. Cooper's)**  
 We had some good reports from Jerry Perry, Douglas McGarrity, Bobby Phillips, Pat Younger and Robert Lovelace.  
 On our sick list is Jimmy Castleman. We are glad to have Harold Cole, Sammie Steelman, and Jimmy Jackson back in school after a few days of illness.  
 We learned the poem "Song At Dusk" and the song "The Flower Lullaby."  
 We sang "Happy Birthday" to Robert Lovelace last Monday.  
 Thirteen of us made 100% in spelling last Friday.  
 Some of us have been excited over typhoid shots again this week. We lack one more shot which will be next Thursday.  
**Fourth Grade** — We are missing Carolyn Bell, Dale Ervin, Martha Bradford, and Wanda Climer. They are absent due to illness.  
 We received our first issue of our Weekly Readers and folders this week. We really enjoyed them and are looking forward to these once a week.  
 Jerre Jordan entertained us with his Spike Jones drum Thursday during our appreciation period. We enjoyed the musical numbers.  
 Julia Wright and Gene Nichols reported a good time at the Fair Thursday.  
 We are proud of our art paper. We are drawing a map of Africa today.  
 The Fourth Graders wish to thank Mrs. McCorkle for a very enjoyable trip, as well as an educational trip, Thursday afternoon. This trip through the Coca Cola plant was a big surprise. We all came back to school very happy  
 (Continued on Page 3)

J. B. AVERY, JR.

## Avery To Address Parent Teachers

J. B. Avery, Jr., of Alamo, state senator for Lauderdale, Crockett and Dyer Counties during the past session of the Legislature, will be the speaker at the regular meeting of the Halls Parent-Teachers Association next Monday night. Time of the meeting has been changed from Monday afternoon to Monday night at 7:30 in the old Grammar School Auditorium.  
 Mr. Avery, an attorney, is one of the outstanding young men of this section. He is 35, married, and the father of two children, and a graduate of Baylor and Vanderbilt Universities. He is a member of the School Board of Crockett County and a deacon in the Alamo Baptist Church. He served in the Navy during World War II and is now a lieutenant in the Naval Reserve.  
 Mr. Avery has always been interested in civic affairs, particularly along educational lines, and is well qualified to bring a message which will be well worth while.  
 All members of the Parent-Teachers Association are urged to be present and the general public is invited. Discussed at the meeting will be plans for the annual Halloween Carnival and the membership drive which is now under way under the direction of Mrs. David H. Hurt, Membership Chairman. Mrs. O. J. Nunn, Program Chairman, will be in charge of the program for the evening.

## Baby Tigers Win Over Ripley, 20-7

The Halls Baby Tigers took up where the varsity left off last November and Tuesday night handed the Ripley Tiger Cubs a resounding 20 to 7 licking.  
 Jerry Donald Norman at quarterback and Jimmy Lewis Smith at left half led the attack which kept the Ripley back on its heels a great part of the time.  
 The Halls eleven drew first blood early in the first quarter. After kicking off to Ripley and finally stopping the Ripley attack on the Halls 21-yard line the Tigers began to move. A handoff to Jimmy Lewis Smith was good to the Halls 45, two plays gained 9 yards and then Norman on a quarterback sneak shipped into the clear, cut to the right side line and went forty-five yards for the touchdown. Smith plunged for the extra point. Not to be outdone Ripley with a straight drive down the field corralled themselves a touchdown and then made the extra point to tie the score.  
 The Tigers were unwilling to let matters remain as they were and worked down the field until Smith plunged across for a second touchdown and a point after to make the score 14 to 7 at halftime. The Tigers scored again in the third quarter when Norman passed to White who lateraled to Smith but the play was nullified by a penalty. Halls final six points were scored in the fourth quarter when Smith went some 30 yards for a touchdown on a pitchout.  
 Ripley threatened on several occasions but were unable to push across a TD after the first quarter. Although Smith and Norman did the scoring the play of the entire team was excellent with several of the boys playing their first game.

## W. C. Viar, Jr., Is Bureau President

W. C. Viar, Jr. of Halls was elected president of the Lauderdale County Farm Bureau at a meeting of the Board of Directors and the Home and Community Chairman of the various districts held Friday evening, September 28.  
 A Steak Dinner was served at the City Cafe in Ripley followed by the business meeting at the Farm Bureau Office in the Arcade.  
 Other officers elected were Austin Winn, 1st vice-president, Arthur Thompson, 2nd vice-president, and Mrs. P. M. Parker, County Chairman, Home and Community Department.  
 The following directors and home and community chairmen were elected at the annual meeting:  
 District 1, Arthur Thompson, director, and Mrs. P. M. Parker, Home and Community Chairman.  
 District 2, R. I. Garrett and Mrs. W. M. Paris. District 3, F. W. Keller and Mrs. F. W. Keller. District 4, M. S. Rice and Mrs. M. S. Rice. District 5, Joe McPherson and Mrs. Joe McPherson. District 6, B. V. Hutcherson and Mrs. B. V. Hutcherson.  
 District 7, Sidney Carmack and Mrs. Harry Sutton. Districts 8 and 9, Daniel Meeks. District 10, Robert Lewis and Mrs. Robert Lewis. District 11, C. U. Roberson and Mrs. C. U. Roberson. District 12, Elvis Cannon and Mrs. Charles Alsobrook. District 13, Austin Winn and Mrs. Austin Winn.  
 District 14, E. P. Grear and Mrs. C. L. Craig. District 15, Vernon McBride and Mrs. Vernon McBride. District 16, S. M. Hamby and Mrs. E. M. Browning. District 17, W. T. Heathcott.

## Quarterly Court Met Monday

RIPLY —The Quarterly Court of Lauderdale County met in Ripley Monday with Judge J. R. Lewis presiding and with 27 of the 37 justices present.  
 Major business was consideration of a report and request of the trustees of the County Hospital. The report showed that from the opening date, July 12, 1950, to June 30, 1951, receipts were \$126,263.90 and expenses were \$134,829.69, leaving a deficit of \$8,565.79. The trustees asked for an appropriation to cover the deficit and to permit some improvement on the hospital.  
 It is proposed to convert some office space into private rooms.  
 The Building Committee reported an unexpected balance of \$40,942.62, which was turned over to the county trustees. The Government owes the committee \$17,000 more which will be forthcoming soon. This too will be turned into the county treasury.  
 The court voted to divert \$22,500 of this to the hospital trustee to make three rooms out of offices and to convert a cooler room into a deep freeze room. The trustees reported this would cost \$7500 and the balance of \$16,000 would be used to cover the deficit and expenses to the first of 1952. Former patients owe \$27,032.08 and hopes to collect some this fall.

## Walpole Re-Instated As City Marshal

At the meeting of the Board of Mayor and Aldermen Monday night of this week J. S. Walpole was re-instated as city magistrate on a 60-day probationary term. Differences between the Marshal and the Mayor and Board will be ironed out during that period.  
 A committee was appointed to work out means of running the sewer line to the negro school building and also a committee was named to study the natural gas question in Halls. Other routine business was carried out.  
**AN EXPLANATION**  
 Due to a shortage of newspaper and an extra amount of news copy, the Corner is omitted from the Graphic this week for the first time since it was originated a number of years ago. No, you will be disappointed, it will be resumed next week.

## PUGH PURCHASES INTEREST IN SUMROW GIN

F. E. Pugh, local cotton buyer and farmer, purchased the one-third interest in the Sumrow Gin Co. that was placed on sale Friday of last week. The interest in the gin was up for sale following the death of Cecil Sumrow some months.  
 Partner in the gin and manager is Joe Sumrow. The gin was built in 1926 but has been completely rebuilt and modernized over the years and now contains four Continental gin stands and all modern drying and cleaning equipment. The gin is located east of the railroad tracks at the rear of T. S. Espey & Co.

## FHA Wins Blue Ribbon At Fair

The judges as the Mid-South Fair seemed to think the exhibit of the Halls Future Homemakers Chapter worthy of a first premium. At least, a blue ribbon with "First Premium" printed on it was attached to the exhibit!  
 The display of toys made by the Home Economics girls in the study of child development was neatly arranged on a table in the Agriculture building. Toy trains made of tin cans and blocks of wood steamed across the table. Building blocks made of odds and ends were piled in one corner. Tom walkers, stick horses, puzzles, paint books, puppets, stuffed toys, all were displayed, all were made by the Future Homemakers of Halls!  
 Many thanks are due Mr. Henry Murchison, Mr. Louis Levy, Mr. W. S. Perry, and Mr. H. G. Conley. Indeed were it not for Mr. Conley there would have been no exhibit!  
 This same exhibit will be on display in a safe window downtown soon. Watch for it!  
 Miss Virginia Canada is the Home Economics teacher and was in charge of the exhibit. — Reporter.

## Harry Witt Died At Gates Monday

Harry Witt, lifelong resident of Gates, died at his home early Monday from a heart attack. He had been a patient in the veterans hospital at Memphis for several months and was home on leave. He was a World War I veteran of the Rainbow Division.  
 He was employed by the Illinois Central Railroad a number of years and later engaged in farming. He was a Mason and a Methodist, and was 61.  
 Services were held at 3 Wednesday afternoon at the Methodist Church in Gates with the Rev. W. M. Vaughan, Sr. and the Rev. Clyde McCord officiating. Burial was in Gates Cemetery with Halls Funeral Home in charge.  
 He leaves his wife, Mrs. Julia Lee Witt of Gates; a sister, Mrs. Quinton Young of Gates; and a brother, W. A. Witt of Covington.

## Perry Heads Trades Day Committee

A number of business men and merchants of Halls met at Bank of Halls Monday night of this week with the purpose of working out some means of bringing additional business to Halls.  
 A Trades Day Association was formed with a committee formed to control the activities of the association and to work out some means of bringing the people to Halls on Saturdays to do their trading.  
 Heading the committee is W. S. Perry, chairman, and Jimmie Jacques, secretary-treasurer. Others on the committee include M. T. Hanebrough, Roy Hilliard, Jr., John Woodard, Louis Levy, J. T. White and R. B. Coles.  
**DETROIT VISITORS**  
 Mr. and Mrs. Earl Perry of Detroit, Mich. arrived Tuesday to spend a few days. They will spend some time in Alamo, Memphis, and in Arkansas before re-uring to Detroit. They will be accompanied home by his father, Ed Perry, who has spent the past several months in the B & B Ginn home in the Unionville community.

## Sextet To Take Part In Clinic

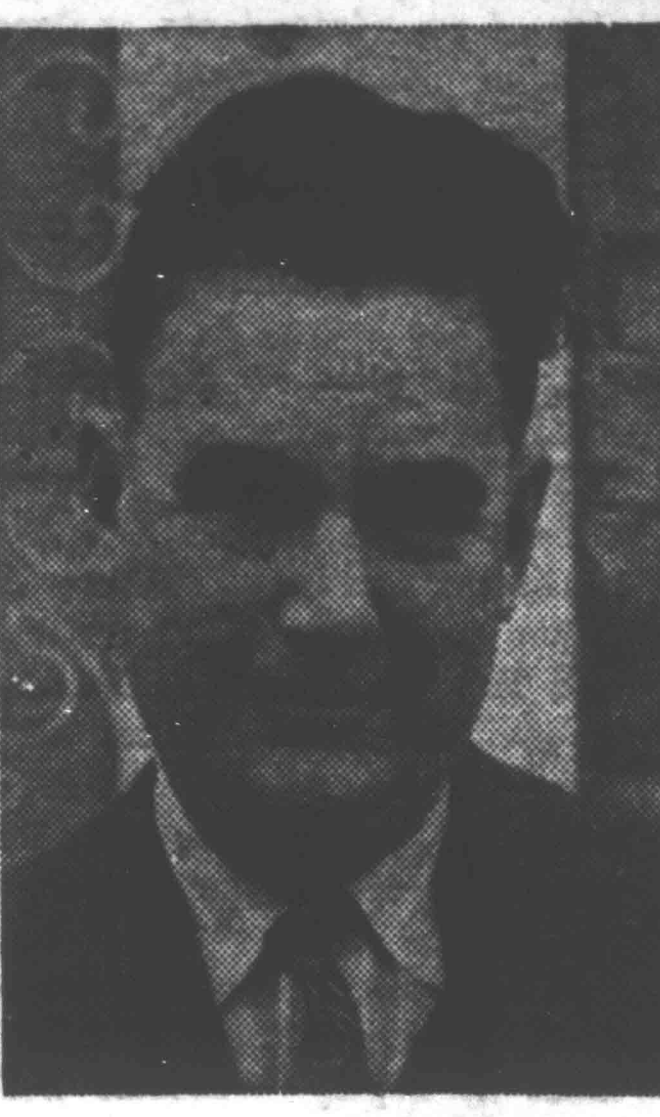

The Halls High School Girls basketball team and their coach, E. G. McCorkle, have accepted an invitation to participate in a high school basketball clinic to be held at Jackson High School gymnasium on Friday and Saturday, October 19 and 20.  
 Mr. McCorkle will have charge of the clinic from 7:30 to 9:30 Saturday night with his portion of the program entitled "Methods of Developing Teams." The local basketball team will be used to demonstrate the methods under discussion of both offensive and defensive basketball.  
 Invitation to participate in the clinic was extended by Executive Secretary A. F. Bridges of the Tennessee Secondary School Athletic Association. The TSSAA is sponsoring the clinic.  
 The clinic will open at 7:30 Friday night with Coach Bob Polk of Vanderbilt University discussing the "Fundamentals of Basketball." Saturday morning at 9:30 Mr. Polk will discuss Offensive Basketball. From 10:30 to 11:30 W. H. DeShazo, coach of the 1949 state champions from Humboldt, will be in charge. From 1 to 2 o'clock Mr. John Miller, principal of Union City High School and former coach of basketball at Murray State College, will discuss his methods of developing winning teams and at 2 Mr. Polk will again take charge with Defensive Basketball under discussion. All of these sessions will pertain to boys basketball.  
 At 3 o'clock the clinic will switch to girls basketball with Mr. B. H. Thompson of Donelson, Tenn. in charge with the discussion continuing until 5 o'clock. At 7 o'clock a picture show "How To Play The Pivot Post" will be shown and at 7:30 the Halls girls and Mr. McCorkle will take over.  
 While the clinic is being held primarily for basketball coaches to improve basketball in this section it is our understanding that the clinic will be open to attendance by others who are interested. A number of people of Halls are expected to attend.

## Bible Class Had Social Thursday

Last Thursday evening at the Baptist Church, the members of class were entertained with an Installation Service and barbecue dinner.  
 W. C. Viar, Jr., social vice-president of the class, assisted by Stuart Crichfield and Joe Clyde Escue had charge of this feature of the service. They were ably assisted by Mrs. Jim Jaynes, Mrs. T. G. Avery, Mrs. O. J. Nunn, Mrs. Stuart Crichfield and Mrs. Elbert Ozment. Forty plates were laid and every place was filled. The table appointments were beautiful with vases of cut flowers.  
 The Installation service was an impressive feature of the occasion. Songs in which the entire group joined were sung. Mrs. J. M. Hanebrough rendered several special numbers at the organ. She also accompanied at the organ for the songs. The sweet solemnity of the organ music, so ably rendered, the prayers and songs by the men made this opportunity for fellowship something to remember and appreciate. The retiring president, Jim Jaynes, was in charge and introduced each new officer, they having been previously elected by the class. They are: Harold Hart, president; Paul Griffin, 1st vice-president; Joe Clyde, Escue, 2nd vice-president; Elbert Viar, 3rd vice-president; and Charlie Viar, 4th vice-president. Jimmie Jacques and Jack Davis were re-elected as secretaries.

## Methodists To Have Special Service

The Halls Methodist Church will observe World-Wide Communion Day at the 11 o'clock service Sunday morning. Newly elected teachers and officers for the coming year will be installed at the service. Those children having perfect attendance during the past year will be awarded Perfect Attendance Pins.  
 The group captains elected to serve for the fourth quarter are: Jim Jaynes, Wiley Perry, Kenneth Randall, M. E. McDearman, Jr., J. L. Jennings, Jack Williams, O. J. Nunn and Wil Ke'ner.  
 The class membership now stands at 83 and the attendance through the past year has broken all previous records.  
 Teachers elected to serve for the year beginning October 1st (Continued On Page Six)

J. C. BISBEE

## Bisbee's Comedians Here Next Week

Once again the time rolls 'round for Bisbee's Comedians to make their annual appearance in Halls. They will begin a six-day engagement here next Monday, October 8th.  
 Truthful advertising and honorable business methods have given Bisbee's Comedians a top-ranking position in the entertainment field. This year the show has been greatly enlarged, and the congenial manager, J. C. Bisbee, promises his patrons the most beautiful tent theatre in the south, everything new but the name, new tent, new scenery, new lighting effects, new costumes, etc.  
 Bisbee brings the greatest array of talent to be found on any tented attraction. Following that ever popular comedian Bob Brasfield are such well known artists as Toots Hodge, direct from WLS, swinging the singing steel guitar; Crawford Eagle and Grace Van Winkle, direct from television, presenting the Van Winkle Marionettes. This act is a sensation in itself. Your old friend Billy Choate is back again to croon away your blues. Audra Hardesty with his trick violin; Otis Arnold, saxophone wizard; Octavia Powell with her talking violin and xylophone; Jerry Dexter, outstanding singing and dancing artist; Walter Lucas, Vera Choate, Virginia Oliver, and Bob Fisher with his swing band, and many others to entertain you.  
 Doors open at 7:00 P. M. Orchestra at 7:30. Curtain at 8:00. Admission 25c and 60c, tax included. Reserved seats 25c.  
 A big musical comedy concert will be presented nightly after the main show for the admission of 10c and 25c.

## Tigers To Play Newbern Tonight

Striving for their first victory in four starts the Halls Tigers will travel to Newbern Friday night to meet the highly touted Newbern Choctaws in the first Northwest Conference game for the Halls Tigers. Newbern is rated extremely high this year and are counting on the first victory in many years over a Halls eleven.  
 While Newbern probably rates the nod on the basis of past performance this year they have met only the Jackson Golden Bears that compare with the Halls opponents, Dyersburg, Brownsville and Milan. Newbern lost to Jackson 25 to 0. The Tigers are expected to be at full strength for in uniform and others in good shape for the game.  
 Last Friday night the Tigers took a 31 to 19 licking from the Dyersburg Trojans but the outcome was not settled until within two minutes of the end of the game as both teams threatened and scored during the fourth quarter.  
 (Continued On Page Six)

## Advices Use Of Cotton Loan

F. H. Paschal  
 County Agent  
 Richard Lazure, who bought the Ted Cates farm in the Nankipoo Community last year, recently ginned his 30th bale of cotton in September from his crop of 125 acres. (Mr. Lazure expects to make 150 bales. He is selling some cotton now but getting it classed and considering the loan. The cotton he has classed up to now graded strict middling 1-1-16 inch and has a loan value of 34 cents.  
 What about the loan anyway? A year ago we had a carryover of 6,846,000 bales, which was the smallest carryover in the last 25 years. On August 1, 1951, our carryover was only 2,000,000 bales. If we make 17,000,000 bales, we will just have a total supply of 19,000,000 and we need at least 16,000,000 bales by next August. So, we'll just have a 3,000,000 carryover then.  
 It hasn't been but a few months since everybody was saying that we should get 40 cents a pound for this cotton crop, now we are selling for much less. It is entirely possible that farmers who put their cotton in the loan and then follow it thru intelligently will realize \$25.00 a bale more than it is selling for now.  
**Save That Soil**  
 As this good cotton is being picked from the hill land, the seeding of 20 lbs. of Vetch and a half bushel of Balbo rye per acre right after the first picking will prove to be a wonderful investment of time and money for next year's crop. We can never recover the precious topsoil that washes away, but we can keep it from leaving by seeding these winter cover crops.  
**Too Fast Ginning Cuts Cotton Profits**  
 Many dollars which should go to the cotton producer can disappear within the few minutes required for ginning, unless good ginning practices are followed, in the studied opinion of M. T. Gowder, our Extension Engineer.  
 One of the most costly practices, Mr. Gowder thinks, is excess feeding of cotton to the roll box, which usually is more the responsibility of the farmer than the ginner. But the evils of fast ginning causes loss to both the farmer and the ginner. Here are some of the things the cotton producer may expect from fast ginning:  
 (1) Rough ginned cotton which may be gin cut; (2) "Seed chips" in the lint; (3) "Nepiness" or tangled fiber. Any of these may put what would otherwise be a middling bale of cotton into a strict low middling class.  
 Other losses may be from excess overflow, causing what is known as two-sided bales. The cotton will be graded by the side having the lower grade. In this instance the farmer can help a great deal by feeding his cotton off the wagon at a normal, even rate of flow through the suction pipe.  
 Excess overflow causes many other losses through the ginning process, such as weight loss and "nepiness" from the cotton passing through the cleaners and driers more than one at a time.  
 If a farmer is unfamiliar with the rate at which he should feed cotton through the suction pipe, he should ask the ginner to show  
 (Continued On Page 4)

## Fleetwood Brasfield Died Suddenly

Fleetwood Brasfield, truck driver for Gates Milling Co. for the past six years, died suddenly Friday afternoon following a heart attack while at work making deliveries for the firm. He was at Hopkins Store at Tibbs community when the heart attack occurred. He was 46 and a member of the Baptist Church.  
 Funeral services were held Sunday afternoon at 2:30 o'clock at Enon Baptist Church with the Rev. Clyde McCord officiating. Burial was in Enon Cemetery with Sudbury Funeral Home in charge.  
 He is survived by his wife, Mrs. Lois Crews Brasfield, a daughter, Mary Ellen Brasfield, and one son, Owen Brasfield.

AT THE THEATRE "ROYAL WEDDING"

Fred Astaire goes his usual number of dance routines for a picture two better than par in his latest dancing role in M-G-M's Technicolor romantic comedy, "Royal Wedding," which shows at Halls Theatre on Sunday and Monday, October 7 and 8.

IN FOUR OF THEM HE DANCES WITH Jane Powell in the story of a famed brother and sister singing-dancing team. One of their routines is a dreamy waltz which turns into a burlesque. Another is a low-down hooping number in the best vaudeville tradition, with the remaining two comprising a gay, romantic routine and a wild

HAITIAN native dance. In addition, Astaire has Sarah Churchill as his partner in one dance, and has two solo routines. Like his slow motion number in "Easter Parade" and his dance with forty pairs of shoes in "The Barkleys of Broadway," these new solos are likely to rank with the most widely discussed Astaire performances. One is a vigorous workout in a gymnasium and the second is a remarkable number in which he dances on the ceiling and up and down the walls of his room.

"THE BRAVE BULLS" Anthony Quinn claims you haven't been slapped until you've been elapped by Miroslava. The husky actor, no stranger to violence, got the surprise of his life during the filming of "The Brave Bulls," Robert Rossen's production for Columbia Pictures, which will show at Halls Theatre on Tuesday and Wednesday, October 9 and 10.

Expecting the nice gentle pat that John Bright's script wanted, Tony got a wallop that left his face burning the rest of the day. It turned out that Miroslava, who is introduced to American audiences in "The Brave Bulls," had been coached in self-defense by Mexico's top athletes. She slaps with a wicked flip of the wrist.

"A YANK IN KOREA" The on-the-spot story of the guys in the hottest spot on earth is told in Columbia Picture's "A

HURT SEED CO - Sunny South Seed - Fred R. Hurt - David H. Hurt - Phone 2611 - HALLS, TENNESSEE

Sunday School Lesson By Walter C. Davis, D. D. Tennessee School of Religion, University of Tennessee (Genesis 28:10-22)

"The Dream and the Family Traditions" The account of a wedding told a story of a family heirloom. The bride's dress had been worn by her mother, her grandmother and her great-grandmother. We know what a family heirloom is. It can be an old chair, an old dish, an old bookcase. It may also be a tradition, a conviction, a faith.

In the generation of Abraham, Isaac, and Jacob it was just that - faith. That faith "was accounted as righteousness." They held it steadfastly. That faith created conviction, and a way of life. It gave birth to a new nation, a nation that lived in the fear and love of God.

Some people may criticize Jews, but there is one thing about it, we have accepted their God. They had their faults, but their God was perfect.

At Bethel the promise of God to Jacob was but a renewal of the promise to Abraham. Are we to think God was giving a blessing to a cheat? He had taken advantage of his brother. He was now a refugee, fleeing for his life, seeking a new home and a new chance. It was to become still more tangled.

The trouble started under the parental roof. Isaac was easy-going, willing for the family butler to select his wife. He had not been freed from his mother's apron strings till he came under the dominance of his wife. After long waiting an heir was born, and there were two. The lack of unity in the family proved disastrous. It is written that Isaac loved Esau and Rebekah loved Jacob. A secret line of cleavage appears.

The boldness of the hunter Esau brought to Isaac a fulfillment of a dream, a realization of strength which he himself did not possess. Then, too, he loved Esau because of the dinners of venison. Esau had a good appetite, loved the open spaces, could tell his father of hunting exploits. So Isaac settled down in creature comforts, and measured happiness and contentment in terms of a good dinner.

Rebekah saw in Jacob a more delicate, a more refined personality. She imagined he had inherited these from her, a peaceful exterior, a cunning brain, a certain subtlety. Together they took into their own hands the initiative to work out the promise of the Almighty that the inheritance should be in the line of Jacob.

Jacob's dream on that rock pillow at Bethel was the first in a series of closer contacts with God. He still brought his bargaining nature into his relationships with the Almighty. "If you will bless me... I will give you one-tenth." No doubt many people are Christians today because they hope to have the blessings of God.

He said, "God is in this place, and I KNEW it not." The first tense is present. The second is past. The fact was of the abiding presence, the constant nearness of God. Jacob had not yet known that God is everywhere, at Bethel and everywhere.

After years of experience and more maturity he had a deeper sense of God at Jabbok. He had grown sick of the Haran business, had decided to go back home. But he was not yet ready to meet his brother whom he had wronged. At Bethel life was a dream. At Jabbok it was a great and terrible reality. Nothing now counted except the true family inheritance of faith and walking with God.

AT THE THEATRE "ROYAL WEDDING"

Fred Astaire goes his usual number of dance routines for a picture two better than par in his latest dancing role in M-G-M's Technicolor romantic comedy, "Royal Wedding," which shows at Halls Theatre on Sunday and Monday, October 7 and 8.

IN FOUR OF THEM HE DANCES WITH Jane Powell in the story of a famed brother and sister singing-dancing team. One of their routines is a dreamy waltz which turns into a burlesque. Another is a low-down hooping number in the best vaudeville tradition, with the remaining two comprising a gay, romantic routine and a wild

Yank in Korea," starring Lon McCallister, which shows Saturday only, October 6th, at the Halls Theatre. A moving highlight of the new film is reported to be the letter, with slight changes, recently front-paged throughout the country, from a soldier in Korea to his two young children.

Lon McCallister plays the role of Andy, who enlists in the Army and winds up in Korea. William "Bill" Phillips heads the supporting cast as Mike, a battle-wise sergeant. Brett King and Larry Stewart are featured in other

soldier roles. William Sackheim wrote the screen play of "A Yank in Korea," which was directed by Lew Landers and produced by Sam Katzman.

THE NEW ART OF DRY DRY CLEANING!

**Elementary News Notes**

(Continued From Page 1)

with a tablet and pencil given to us by the company.

**Fifth Grade —**  
Enthusiasm in history continues at a high peak as we study more about our America. The adventures of Balboa, Ponce de Leon, Magellan and Cortez have held our interest lately. We are studying the New England States in Geography.

Our room has been cheerful with flowers brought by Anne Younger and Peggy Jordan. Robert Meeks brought several plants to be put in pots.

Rose Marie Cannon celebrated her tenth birthday Wednesday.

We enjoyed fruit straight from Florida Tuesday as Mrs. McDearman shared her trip to Florida with us. We also took an imaginary trip to Washington, D. C. and

New York City through the experiences of David Hurt and Tommy Dyer who visited those places the past summer.

**Sixth Grade —**  
We had 28 in our room with perfect attendance this month.

Mary Elizabeth Kirby and Robbie Dean Davis won the prizes for making the most attractive boxes in art work.

Jane Cheahier brought the flowers for our room this week.

We hate to lose James Grant Goodwin who is going to live with his uncle in Mississippi. Ann Brasfield spent the weekend in Memphis.

**4th & 6th Section (Mrs. Daws)**  
We are enjoying "October's Bright Blue Weather." This is an interesting month with its many activities. We are planning posters and seat work for Fire Prevention Week and we hope to do our part in controlling this powerful enemy.

Forrest Goodwin and Finis Ashcraft were chosen to draw the Oc-

tober Calendar. The picture selected for it is a beautiful autumn scene.

We had excellent attendance during the first month; we hope this will continue through the year.

The Fourth Grade is completing the Arctic scene—Br-r-r-r, the icebergs look cold!

**Seventh Grade —**  
"Happy Birthday," Barbara Ford and Joan Garrison.

We enjoyed a field trip to Lover's Lane Monday. We returned with a collection of leaves, insects, plants, etc.

Our Science officers for the year are: president, Johnny Roberts; vice-pres., Celia Wiley; Sec., Molly Watts; treas., Herby Goforth and program chairman, Thomas Jacobs.

Rachel Brasfield and Loretta Meeks have recently been to Memphis. Celia Jane Wiley was in Huntingdon this weekend.

**Eighth Grade —**  
In English Monday we enjoyed stories given by members of the class illustrating a picture in our text book. They were judged on poise, grammar used, delivery, interest and facial expression. When these points were judged we found that Buna Smith and Carolyn McCorkle tied for the best and Phillip Dunaway and Sonny Higdon tied for second best.

We all enjoyed the surprise party given to Mrs. Gilliland Thursday by the 8th Grade members in honor of her "16th" birthday (she says and naturally we believe her). Later, we found that the party should have also been celebrated for Blanche Nunn as Thursday

was her birthday also. Happy Birthday!

We enjoyed having Mr. "Mac" teach our English lesson Tuesday. We also enjoyed having "Miss" Electra with us. Come again, Mr. "Mac" and "Miss" Electra!

We are glad to hear from Bobby Perry that his sister, Billie Jean, who has undergone an operation is improving nicely. Last reports are that she is resting well. Keep it up, Billie Jean.

Bye for now and be looking for us next week—Same time—Same place!

\*\*\*\*\*

We would like to call attention to the district meeting of the Parent-Teachers Association which will be held in Brighton on Oct. 11th beginning at 9:30 a. m. Mrs. Everett B. Roberts, state president, will conduct the meeting and Mrs. Thomas Smith, the district president, will preside. All members of all local P. T. A. organizations are urged to attend this meeting.

**Chorus To Take Part In Contest**

The Lauderdale County Farm Bureau will be represented in the Regional Community Chorus Contest to be held at Jackson, Tenn. on October 11. The Regional meet will be held in the Auditorium of Union University.

The three top choruses in the regional contest will attend the State Farm Bureau Convention, November 11-14, in Nashville, and will compete in a statewide contest. This contest will be one of the many features of the convention. During the convention a massed chorus composed of 9 choruses, three from each section of the state, will sing.

Trophies will be awarded to the three regional winners at the state contest and also to the state winner. State finals will be held on the night of November 11. The massed chorus will sing on the night of November 12, at which time winners will be announced and prizes awarded. The Community Chorus Festival is one of the many projects of the Home & Community Department of the Tennessee Farm Bureau Federation. Mrs. Harry Sutton, as chairman of the Lauderdale County Home and Community Department, organized the chorus.

Members of the Lauderdale County Farm Bureau Community Chorus are A. A. Ball, Mrs. Alvin Bell, Mrs. Robert Barfield, Mrs. L. A. Campbell, Mrs. A. C. Carter, Jr., Clarence Craig, Mrs. Clarence Craig, Mrs. A. M. Estes, Miss Lella Maud Gaines, Mrs. Ivan Garrett, Miss Marjorie Garrett, Tommy

**-SERVICE- FRIGIDAIRE & MAYTAG APPLIANCES**

**Students!.. Teachers!..**

**HERE'S YOUR OPPORTUNITY TO WIN A COLLEGE SCHOLARSHIP!**

FOUR 1000 SCHOLARSHIPS!  
ONE 3000 SCHOLARSHIP  
FOR PRIZE-WINNING ESSAYS IN STUDENT CONTESTS

SIX \$1200 SCHOLARSHIPS  
IN NEWLY-INAUGURATED ESSAY CONTEST FOR TEACHERS

**LION OIL TO CONDUCT FOUR ESSAY CONTESTS for High School Students**

Continuing its Scholarship Program, Lion Oil Company for the second consecutive year will award scholarships and cash as prizes in a series of four essay contests. The contests are open to high school students in any public, private or parochial school in areas where Lion petroleum products are sold at the sign of the Lion.

**FIRST CONTEST NOW OPEN**

You have until Oct. 15, to enter the first contest. The subject is:

**"What I Want From Education"**

Simply write an essay in 500 words or less on the above subject, get the essay approved and signed by your teacher and send it to:

LION OIL SCHOLARSHIP FUND  
El Dorado, Arkansas

Entries must be postmarked before midnight, Oct. 15. If you are unable to enter the first contest, by all means start now to write an essay for the second contest which opens Oct. 16 and closes Dec. 15. Subject for the second contest is "What Does My Country Deserve From Me?"

**MANY PRIZES IN EACH CONTEST**

If your essay wins first prize in any contest, you win a one-year scholarship (cash value \$1,000) to any accredited college or university of your choice. The fund may be used to pay for tuition and other expenses

such as laboratory fees, books, room and board.

Further, by winning first place in any contest, your essay automatically becomes eligible to compete for the Grand Prize of a 3-year, \$3,000 scholarship. Thus, if you win the Grand Prize, you win scholarships for four years at college... total value \$4,000.

To broaden the benefits of this scholarship program, Lion Oil Company this year will award a larger number of cash prizes in each contest as follows:

2nd prize.....\$250  
3rd prize.....\$100  
Next 22 prizes, each...\$ 25

**TEACHERS WIN, TOO**

The teacher sponsoring a first place winner in any contest receives \$200 cash; 2nd place \$100; 3rd place \$50; next 22 winners \$25 each. An additional \$300 in cash will be awarded to the teacher sponsoring the Grand Prize winner.

**JUDGING**

Essays will be judged for

- (1) Interest and originality
- (2) Excellence and clarity of presentation
- (3) Neatness

Judges will be educational leaders selected from various Southern universities and colleges.

**LION NOW OFFERS SCHOLARSHIPS for High School Teachers, too**

The scholarships will be awarded as prizes in a series of two essay contests, open to teachers, principals and superintendents who teach in public, private and parochial high schools in areas where Lion petroleum products are sold at the sign of the Lion.

Three winners will be selected in each contest. Each winner will receive a \$1,200 scholarship for advanced education at the college or university of his or her choice.

**ENTER TODAY!** The first contest opened Sept. 10, and closes Dec. 15. To enter,

simply write an essay in 1,500 words or less on the following subject:

**"How I Can Help Improve Education In The South"**

Entries in this first contest must be postmarked before midnight of Dec. 15.

Don't miss this opportunity to further your education and training. For complete contest information, write Lion Oil Scholarship Fund, El Dorado, Arkansas.

**LION OIL... "HOME FOLKS"**

The Lion Oil Scholarship Fund was originated by Lion Oil Company in 1950 to broaden the educational opportunities of Southern Youth. The scholarship program has been expanded this year to provide scholarships not only for high school students but also for high school teachers so that they may share the benefits of advanced education with their students... sons and daughters of our "Good Neighbors."

For Lion Oil Company is part-and-parcel of this homeland of ours, employing more than 2,400 persons with an annual payroll of more than \$12,000,000.

Lion fuels and lubricants help spin the wheels of Southern industry. Lion chemical fertilizers step up yields of Southern agriculture. We're proud to be "Home Folks."

**LION OIL COMPANY**

EL DORADO, ARKANSAS

**MARKET HOGS FAST**

on the **PURINA HOG PROGRAM**

HOGS WEIGH 200-225 LBS. at 5 1/2 MONTHS and get to market 1-3 faster than average.

Low-Cost Pork on the Purina Program, too. Hogs make a 100-lb. gain on 5 bu. grain and 45 lbs. Purina Hog Chow.

NOW ALL PURINA HOG CHOWS CONTAIN Vitamin B-12, antibiotic feed supplement and other "miracle growth" vitamins in addition to quality natural animal proteins.

— YOUR STORE WITH THE CHECKERBOARD SIGN —

#### ORDER OF PUBLICATION

TO THOMAS EDWARD HILL ALLETHA BROOKS HILL vs. THOMAS EDWARD HILL IN THE COUNTY COURT AT RIPLEY, TENNESSEE

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant, Thomas Edward Hill, is a non-resident of the State of Tennessee, and resident of the State of Kentucky so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Thomas Edward Hill appear before the Judge of the County Court of Lauderdale County on or before the first Monday in November (it being the 5th day of said month and a rule day of that term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring him to so appear.

This 27th day of September, 1951.

N. C. UTLEY, Clerk ROBERT S. THOMAS Sol. for Comp.

#### ORDER OF PUBLICATION

TO ORRIL CONRAD McCLELLAN ALENE NELSON McCLELLAN vs. ORRIL CONRAD McCLELLAN IN THE COUNTY COURT AT RIPLEY, TENNESSEE

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant Orril Conrad McClellan, Non-resident of the State of Tennessee, so that ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Orril Conrad McClellan appear before the Judge of the County Court of Lauderdale County on or before the first Monday in November (it being the 5th day of said month and the 1st day of November term of this Court) and make defense to the bill herein filed against him and others, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks requiring him to so appear.

This 24 day of September, 1951.

N. C. UTLEY, Clerk

### PASCHAL

(Continued from Page 1)

him the best feeding rate. The ginner loses when the ginning process is speeded up because it takes more power per bale, causes wear on his machinery and may even choke up the gin, causing him to take time out to jump the roll and pick the caws. Good Leadership For A Good Organization

W. C. Viar, Jr. of Halls was elected President of Lauderdale County Farm Bureau this week providing a worthy successor to Roy L. Carrington, Col. Tom Scott, W. C. Patton, B. M. Griffin and other fine presidents the organization has had.

Austin Winn of Cherry was elected first Vice-President and Arthur Thompson of Durhamville second Vice-President. Mrs. P. M. Parker of Durhamville was elected Chairman of the Home and Community Department and Mrs. Annie Reed Crockett as Secretary-Treasurer.

It is an honor to be elected an officer of the Co. Farm Bureau. It is one of the largest and it is the most important organization to all the people of the county from an economic standpoint. As it works for a higher standard of living for farm people it is providing a more stable economy for all the people.

#### BAKER IS PROMOTED

Sgt. C. L. Baker, stationed with the 5th Air Force in Korea, has recently been promoted to the rank of Staff Sergeant. His duty with the 5th Air Force is a Senior Refrigeration Specialist. He has been serving in Japan and Korea since July 1950 and under the rotation plan he is expected home in April of 1952.

Patronize Our Advertisers.

### COMPLETE TRAINING AT LACKLAND FIELD

Pvt. Billy Thurmond, son of Mr. and Mrs. Dee Thurmond of the Poplar Grove community, and Pvt. Jimmy Joe Sappington (Jimmy Carter), son of A. O. Carter of Halls, Route 2, have completed their Air Force basic airmen indoctrination course at Lackland Air Force Base, Texas. Lack and is situated near San Antonio and is the world's largest air force base.

Basic training has prepared them for entrance into Air Force technical training and for assignment

### In specialized work.

Both Billy and Jimmy graduated from Halls High School during the past year. Billy was active in Future Farmers and Distributive Education winning several honors in both subjects. Jimmy played both basketball and football. He

has completely recovered from the broken leg which he received when he scored the first touchdown in the game with Ripley last year.

One horsepower is the power required to lift 33,000 pounds one foot in one minute.

# Local Happenings

Guests of Mr. and Mrs. Doyle Hawkins Saturday were Mr. and Mrs. Elry Briggs and Mrs. Joe Vickers of Humboldt.

Mrs. A. G. Hargett, Mrs. Roy Patton, Mrs. D. C. Warren, Mrs. L. L. McDearman and Mrs. Aubrey Smith spent Saturday in Memphis.

Mrs. Katie P. Warren entered Campbell's Clinic for treatment on Tuesday of last week.

Mr. and Mrs. J. T. Connell spent Sunday afternoon in Martin.

Mrs. E. E. Chambers of Fowlkes spent Tuesday with friends here.

Mr. and Mrs. Johnnie Lee and daughter, Judy, of Chicago are visiting their mother, Mrs. Mollie Jordan, and other relatives this week.

Mrs. Frank Young, Miss Lyde Rawles and Mrs. Edd Rawles visited in the home of Mr. and Mrs. A. S. Martin at Whitehaven over the weekend.

Mr. and Mrs. Lawson Buford of Friendship visited Mr. and Mrs. Jeff Agee Sunday.

Mrs. Bernard Higdon and little daughter, Carla Ann, Mrs. Will Higdon and Mrs. Jim White were in Dyersburg Monday.

Mr. and Mrs. Joe Woodard of Memphis visited Mrs. Nona King Jetton Sunday afternoon.

Mr. and Mrs. Carmack Phillips have returned home from Gary, Ind. where he has been employed at a steel mill.

Haircuts now 50c. Come to see me. Shorty Norman's Barber Shop.

Mr. and Mrs. H. T. Abernathy returned home Friday after being the guests of their daughter and son-in-law, Mr. and Mrs. T. L. Murray at Crossville most of last week. During their stay they visited, Nashville, Chattanooga, Gatlinburg, Lookout Mountain and the Smoky Mountains.

Cpl. Morris Spry landed in Seattle, Wash. Monday after having spent some months in Korea. He is now at Camp McPherson, Ga. and expects to receive his discharge the 25th of this month. Mr. and Mrs. Chester Spry and Bobby Danie's will visit there during the weekend.

Mrs. Douglas Hurt, and Mrs. Meredith Hurt, of Oak Ridge, sister-in-law of the bride-elect, were hostesses at a Canasta Party Friday afternoon at the home of the former. Garden flowers decorated the rooms where the games were played at four tables. A delicious dessert course was served preceding the games. The hostesses presented Miss Hurt a

lovely wedding gift.

Another event honoring the bride-elect was given by Mrs. Wymond Hurt at her attractive new home on West College Street. Guests were seated at three tables where a dessert was served. A wedding gift was presented the honoree at the close of the afternoon's play.

**CARD OF THANKS**

I wish to express my sincere thanks to my friends and neighbors for their kindnesses and thoughtfulness of me during my recent illness. May God bless each and every one.

Mr. and Mrs. Jeff Agee are spending this week in Memphis with their granddaughter, Mrs. Jimmie Littleton, and Mr. Littleton.

Mr. and Mrs. B. F. Chambers and Rev. and Mrs. W. M. Vaughan of Gates were in Memphis last Thursday.

Haircuts now 50c. Come to see me. Shorty Norman's Barber Shop.

Mrs. W. J. Bass of Fayette, Miss, and Mrs. Jerre Smith of Memphis spent Monday and Tuesday with Mrs. A. N. Jones.

Mrs. H. L. Beech of Rutherford and Mrs. Norman Thornton of Dyer spent Sunday with Mrs. A. N. Jones and Miss Reba Jones.

Mrs. Pinkney Meacham of Ripley spent Wednesday with her mother, Mrs. R. S. Bell.

Mrs. Mary Moore and Mrs. Elia Knox of Dyersburg visited Mr. and Mrs. C. W. Scott Friday of last week.

Cooper Earnheart of Maury City visited Mr. and Mrs. Jeff Agee Monday.

Mrs. Benny Maxey of Dyersburg spent Wednesday with her mother, Mrs. Jett Meadows.

Mrs. Sidney Gooch, Mrs. R. V. Agee and Mrs. B. D. Vaughn visited Mrs. Roxie Goodwin and Mrs. B. G. Steelman at the Lauderdale County Hospital in Ripley Sunday.

Mrs. Ike Palmore is visiting Mr. and Mrs. Fletcher Smith in Nashville this week.

Mr. and Mrs. John Wesley McClendon of Nashville announce the birth of a daughter on September 22. She has been named Martha Ann.

#### ANNOUNCE MARRIAGE OF FAYE KELTNER

Mr. and Mrs. W. H. Keltner announce the recent marriage of their daughter, Betty Faye, to Jimmy Burks of Memphis on Friday, September 21. They were married in the home of the Rev. M. O. Whitten, Baptist minister of Hernando, Miss., who performed the ceremony.

Mrs. Burks graduated from Halls High School the past spring. They will make their home in Memphis where Mr. Burks is employed.

#### BRIDE-ELECT IS HONORED WITH SERIES OF PARTIES

Miss Elaine Hurt of Evansville, Ind., who has been the guest of her parents, Mr. and Mrs. Milo Hurt, and bride-elect of Richard Byrne, was complimented with several courtesies during her visit here.

Mrs. Jerre Jordan's home was the scene of a Canasta Party and

**TIGERS TO PLAY**

(Continued from Page 1)

Stuart Crichfield pushed over three touchdowns and kicked an extra point as the Tiger offensive showed up much better than in previous games. Phillip King was the big gun for the Dyersburg team as the big sophomore back also scored 19 points to even honors with Crichfield.

Handicapped by the absence of Newsome from the lineup the Tigers still made by far the best showing that they have made this year and revealed the ability which they had expected to show. They still made mistakes brought about by inexperience but they were able to profit by the mistakes of the opposing team and also correct some of their own errors. It is expected a still greater improved team will be on the field Friday night at Newbern.

**MISS HOME ECONOMICS OF HALLS HIGH CHOSEN**

Lawanna Burroughs has recently been chosen Miss Home Economics of Halls High for 1951-52. Some of the requirements for Miss Home Economics are: she has to be an average student in her subjects; know the meaning of F. H. A. and what it stands for; and she should be a typical girl, always neat and attractive.

We think Lawanna has all the requirements for Miss Home Economics.

She is now a Chapter home-maker and is working for a State home-maker degree. She is a member of the Junior Class and the daughter of Mr. and Mrs. P. E. Burroughs.

**BIBLE CLASS**

(Continued from Page 1)

are Fred R. Hurt and A. W. Wil-

liams. Mr. Hurt also spoke to the group, commenting on the fine work accomplished by the class in the past year and predicting a great future in numerical and spiritual growth. He suggested that the class motto for the next year be "Win BY Witnessing for Christ."

The latch string of the door to this class is on the outside, and as heretofore, the main purpose will be to promote the serious study of the Word of God, and in so doing to lead the men of the class to find themselves as living witnesses for Christ.

HAROLD HART, Pres.

**Boniford Resident Buried Monday**

DYERSBURG — James Autie King, 66, well known Dyer county resident and farmer of the Boni-

ford Community, died Saturday at his home following an illness of eight months.

Mr. King had been a resident of the community where he died for the past thirty-four years and was well known and esteemed. He was married in 1909 to Miss Susie

**Brothers.**

Besides his wife he leaves three children, Mrs. James Pate of Russellville, Kentucky; James King of Ann Arbor, Michigan; Mrs. Rod Banks of Florence, Alabama.

Mr. King was a progressive farmer and a leader in the community

where he resided. He had been a member of the Church of Christ for forty years and was a devout Christian.

Funeral services were held at three o'clock Monday afternoon at the Miller's Chapel Church of Christ. Burial was in Miller's Chap-

el Church Cemetery. The rites were said by Ross O. Spears of the Dyersburg Church of Christ and Mr. Fly.

Mr. and Mrs. M. H. Stallings visited Mrs. Guy Daws at Baptist Hospital in Memphis Sunday.

## Confidential Corner

### Coming Along

We are happy to report that work on the new school building is coming along at a fairly rapid rate now and it is expected that completion of the building will follow in the near future. Work has been delayed for the past several months due to the shortage of wiring materials. Hopes are now that the building will be completed the later part of this month.

### Automobile Title

May we call your attention to the article signed by County Court Clerk N. C. Utley concerning the new automobile title law. Under the new law an automobile owner must have a bill of sale to present at the County Clerk's Office for a certificate of title and must either have the title or evidence that he has applied for same before he can purchase license plates for his car. This applies to every car owner regardless of when or where he bought his automobile. Since it is taking approximately four months to secure this title it would seem that automobile owners need to start now to get their title.

### Pay PTA Dues

Parents and patrons of the Halls Schools should pay their PTA dues when called on so that this organization may have needed money to carry on their work. The membership drive is now in progress.

### Air Base To Be Surveyed Friday

DYERSBURG—The Dyersburg Air Base, a second and third phase training base for B-17 crews during World War II, will be surveyed Friday for possible use in the event of Air Force expansion.

Mayor Page V. Hart of Dyersburg said the plan of the Tactical Air Command to study the base this week was revealed in a telegram he received Wednesday from Senator Kefauver.

City and county officials in both Dyer and Lauderdale Counties have long sought to have the base reactivated. It was built at a cost estimated at between \$5,000,000 and \$10,000,000, and is said to have had a personnel total of 10,000 men at one time.

At Halls, Mayor P. W. Crittendon said the land on which the base is located was turned over to Lauderdale County at the close of the last war, but is now in the process of being returned to the Government.

Under the agreement with the Government the county was to maintain the property. In a session of the Lauderdale County Court several months ago, it was voted to ask the Government to take the property back because maintenance costs were too high. Mayor Crittendon said an Air Force team inspected the base in connection with the county's request earlier this year, creating rumors then that the field would be reactivated.

### 4-H Club Project Is Explained

Charles Peal  
Asst. County Agent  
Farm and Home Electric Project

The Farm and Home Electric project was introduced in 1945 as an expansion of the 4-H Rural Electrification project, the purpose being to plan or develop improvements that will save time and labor.

There is no limit to the broad scope of 4-H activities embraced by the Farm and Home Electric Project. No matter what the job or chore—whether it be watering cows or raising poultry, there's always a better method of doing it faster and more efficiently.

(Continued on Page 3)

JOHN HOLLODAY

The Halls Lions Club will be host to their district governor, John Holloday of Camden, Tenn., at their next meeting at noon Tuesday, October 16, at Perry's Hotel. Mr. Holloday will address the club and following the meeting confer with Club President Neil Dyer and Club Secretary Dr. J. W. Todd concerning the club operations and objects.

### PTA Members Are Listed

The following had paid their PTA membership dues for the school year 1951-52 through Monday of this week. Other names will be published in forthcoming weeks:

- Mrs. Elbert Viar \$1.00
- Mrs. David H. Hurt 1.00
- Mr. and Mrs. D. R. Nunn 2.00
- Mrs. W. C. Viar 1.00
- Mrs. Tony Troiana 1.00
- Miss Gwendolyn Walker 1.00
- Mrs. Roy Patton 1.00

- Mark Crittfield 1.00
- Ernest Jackson 1.00

### Motorists Should Get Car Titles

The 1951 Legislature passed a law which requires each person that owns any kind of a motor vehicle for which a state tag is required to make an application for a title to each vehicle. If you have purchased a car since July 1, 1951, you must obtain a notarized bill of sale from the person or the dealer from whom you purchased the vehicle. If you own a vehicle purchased prior to July 1st of this year the bill of sale that was given you at the time the car was purchased will be required before you will be able to make application for title. Bring your bill of sale to the County Court Clerk's Office. Here you will surrender your bill of sale and the Clerk will make out an application for title. The original copy of this application and your bill of sale will be mailed the same day to the Department of Safety, Nashville, Tenn. Within 120 days you will receive a title for the vehicle for which you have made application. We will not be able to sell you a 1952 auto tag next March without this title or proof you have made application for one. Your proof will be the duplicate the Clerk gives you when you surrender your bill of sale and make application for a title. So get your bill of sale now, and if you have Lauderdale County tags on your car or truck come into the office at your earliest convenience.

As we have said before, this is something that each person who owns a car or truck must do in order to buy 1952 tags; therefore, we urge you to do this at once. The person to whom the bill of sale is made out to must come in and sign his or her own application. If the car is in your wife's name she must come in and sign for the title.

We are sorry about this foolish, contemptible law that was crammed down the throats of the people of Tennessee at the 1951 session, but it is the law so get your bill of sale and make your application at once.

N. C. UTLEY

### City Changes Tax Setup For Merchants

At the regular meeting of the Board of Mayor and Aldermen, held October 1 at the City Hall, a number of changes were made in the Privilege and Ad Valorem taxes now being paid by the merchants and business men of the Town of Halls. This change has been made in an effort to equalize these taxes according to the type of business and amount of stock each merchant has. Listed below are a few of the changes:

All licenses will be for one (1) year duration; All businesses will pay a minimum Privilege Tax, plus Ad Valorem and Special Privilege Taxes; and all taxes will change at the next date due.

### Postpone Marvin Moore Trial

MOORE—The trial of Marvin O. Moore, indicted more than a year ago for first degree murder, has been postponed for a fourth time.

Moore was slated to stand trial Monday but a blanket ruling by Circuit Judge Mark A. Walker cancelled all cases for this term of court except non-jury civil and criminal cases and those involving prisoners.

Moore, 55-year-old junk, war surplus and produce dealer of Gates, was indicted in August, 1950, for the slaying of Owen Drumwright, 39, a Gates farmer. Three times since then, the trial has been postponed when Moore produced medical statements saying that the trial's procedure would prove injurious to his health. The statements said that Moore has heart trouble. Moore is free on \$10,000 bond. He is charged with shooting Mr. Drumwright following an argument April 26, 1950. The trial has been reset for the February term of court.

### Church Of Christ Has New Pastor

Announcement is made that Tom Estes, Church of Christ minister of Memphis, has accepted a call to serve as full time pastor for the Halls Church of Christ and will fill the pulpit next Sunday morning.

### Baby Tigers Win Over Covington

The Halls Baby Tigers made it three victories in three starts Tuesday night with a victory over Covington 13 to 0.

Thursday night of last week the youngsters traveled to Brownsville to play the game which had been previously postponed and came up with a 14 to 0 victory in their grasp. Jimmy Lewis Smith was again the offensive star with Jerry Donald Norman again looking good at quarterback. The defense of the entire team looked good but particularly outstanding was the play of Bobby Cleek at end after replacing Scallions who was injured during the game.

Tuesday night playing their second game on the home field the Baby Tigers got off to a bad start as Covington worked the ball down to the 12-yard line and seemed destined to score without losing possession of the play.

At that point though the defense of the Halls club began to function and Covington was able to net only two yards on four tries. Ralph White trapped the ball carrier for a seven-yard loss and the Baby Tigers took over on their ten yard line.

Promptly from there the offense of the Halls eleven carried the ball the entire length of the field for a touchdown and the extra point to lead 7 to 0. Most of the ground gaining was with a running attack with one pass from Norman to White and a lateral to Smith picking up about 15 yards.

The Tigers again stopped the Covington running attack deep in their own territory but were driving toward the Covington goal at the end of the half. The Tigers scored twice in the third quarter on long runs by Smith but lost both of them because of backfield in motion penalties and the game coasted along with Covington threatening several times but unable to go when scoring time came. Early in the fourth quarter the Baby Tigers picked up their second touchdown when a pass from Norman to White was completed after working the ball down the field on a running and passing attack. Final score was 13 to 0.

Next Tuesday night the Halls team travels to Dyersburg to seek their fourth straight victory without a defeat. A victory over Dyersburg is almost certain to cinch their place in the league playoff. Brownsville, Dyersburg, Ripley and Covington have each lost games. Tiptonville had won two games up to Tuesday night but were expected to meet a little stiffer opposition in Brownsville than they had in Ripley and Dyersburg. Halls and Tiptonville play in Tiptonville on October 23 with the playoff the following Tuesday night. Site and time has not been set.

### Ted Perry Is Frat Officer

Tennessee Tech's Chapter of Alpha Tau Alpha Fraternity has elected D. H. Thomas of Baxter to the office of president. Thomas, who is an Aggie senior and on honor student, is majoring in Agricultural Education.

Other members named to office in this national fraternity's Delta Chapter are: Willie Hale, Spencer and Roy Luna, S. S. S. vice-presidents; Ralph Robbins, Cookeville, secretary; Ted Perry, Halls, treasurer; Clarence Little, Livingston, reporter; and Robert C. Haston, Epworth, sentinel.

### PTA Hears Sen. J. B. Avery, Jr.

State Senator J. B. Avery, Jr., of Alamo, standing before an American flag, spoke to a large and enthusiastic audience of parents and teachers at the Halls Grammar School Auditorium on Monday night, October 8.

His subject, "Foundations for Good Citizenship," sounded the keynote for the subject "Laying Firm Foundations" which the Halls Parent-Teachers Association will stress throughout the year.

Before Mr. Avery spoke Mr. H. G. Conley led the group in singing "America, the Beautiful." Mr. H. G. McCorkle, superintendent of Halls schools, outlined briefly some school plans for the year.

Mrs. O. J. Nunn, program chairman, introduced the speaker. Mrs. Clyde Younger, PTA president, conducted the business session at which time various committee reports were submitted. Plans have been made for a carnival to be held at the grammar school auditorium at Halloween.

The colorful picture, Harvest Time, given by the P. T. A. as an attendance prize for having the most parents present was won by the Fourth Grade. This grade won a bonus for having the most fathers at the meeting. Mrs. Neil Ferguson teaches this grade.

Conspicuous in the audience were parents of freshmen, sophomores, juniors and seniors. These upper grade parents were there not only from Halls but also from Edith, Double Bridges, Poplar Grove, Gates and Curve. The P. T. A. is placing special emphasis upon cooperation with the high school this year.

A definite announcement will be made about the November P. T. A. meeting. Parents, teachers, and interested school patrons—men and women—watch the columns of the Graphic for this announcement and come out to help lay another "firm foundation" for the boys and girls of North Lauderdale County.

—P. T. A. Reporter

### Tigers To Play At Munford

Whoa! For four long years the same Newbern football team has been trying to lick the Halls eleven and despite playing close games they had failed for the past three years but last Friday night they made up for any lost time by handing the Tigers the worst licking which they have had in many years by a score of 48 to 6.

Newbern scored on the first play of the ball game to lead 7 to 0, five plays later Stuart Crichfield went fifty-five yards for a touchdown for Halls and the score was 7 to 6. Right then it ceased to be a football game with Newbern making a race track of the field. They scored 21 points in the first quarter, 7 in the second quarter, didn't score at all in the third quarter and racked up 20 points in the fourth quarter to knock the Tigers out of any possible conference.

(Continued On Page Two)

### 3A Registrants Must Keep Board Informed

It is of the utmost importance that men now classified 3-A have the necessary information in their files to enable the Local Board to determine whether they are eligible for this classification under the new rules and regulations. It is entirely the registrants' responsibility to see that all information bearing on their classification be in their files at once.

Fathers should file their children's birth certificates, expectant fathers should file statements from their doctors and this should be done without delay. All married registrants, now classified 3-A, who are childless, will be classified 1-A immediately and will be processed ahead of the registrants now being called. Thus it is imperative that all information bearing on a registrant's classification should be filed at once. Tennessee Local Board No. 53  
B. Anthony Fisher, Chairman

### D. E. CLASS ORGANIZED

The Distributive Education Class of Halls High School recently organized for its second year with seventeen members. The students of this class are employed by Halls and the surrounding community merchants.

On October 3, 1951, this class had its first meeting of the year and elected the following as officers: president, Frances Wyse; vice-president, Bobby Hines; secretary, Vandalya Lawrence; treasurer, Annett Farmer; reporter, Kathleen Garrett; Historian, DeLoeye Lovelace; and typist, Faye Erwin.

### Elementary News Notes

Reece - Cannon

#### Grade 1

Donald Burks is back in school after having been out several weeks nursing a badly burned hand. We welcome you back, Donald.

Happy birthday to Mary Elizabeth Vaughn! She was six years old Friday.

We enjoyed talking about the "magic show" we saw Friday.

Jimmy Hintan has a birthday Friday, October 12. Happy birthday, Jimmy!

#### Grade 2

The Second Grade enjoyed the Magician's show Friday afternoon. Thanks, Mrs. Mac, for letting us see it.

We didn't like such hot weather for a few days last week. The teachers will go to Memphis Friday for the annual Teachers Meeting. Watch out, Memphis!

We missed several on account of illness last week. Hope they will be back soon. Bennie Castelman is back after being absent a week. Welcome back, Bennie! We're glad Shirley Jackson is back after a week's absence.

#### Grade 3

Our English work books have come and we are enjoying working them. We like to work in our poem books too every chance we have.

We learned last week the poem "Autumn Leaves" as a choral reading and we added the suggested activity of the poem and we gave it. We made some pretty leaves of construction paper and spatter painted the 36 PTA invitations for our parents. Of course we are not saying how much pain we got on ourselves.

We sang "Happy Birthday" to Patricia Baker and Stella Reece.

We had a large group to get their names on our colorful spelling chart last week. Chuck Murchison said, "I'm sure glad I got my name on that chart, I just tell you. I studied like a dog on those words."

Thanks, Mrs. McCorkle, for telling us to attend the Magician's Show last Friday. We really saw a good show, we think.

Those on our sick list last week were Stella Reece, Don R. Smith, and Rebecca Gillion.

We welcome a few more school supplies that came in last week. Don Ray Smith spent the week in Missouri.

We are looking forward to a holiday Friday while the teachers are in Memphis attending a meeting.

Thanks to Auford Pickens for the beautiful Dahlias he brought for our room. They were so colorful and such large ones.

#### Grade 3 - (Mrs. Cooper)

We were glad to get some art paper and construction paper last week. Other supplies will be greatly appreciated whenever they arrive.

Our room enjoyed studying "The Sugar Plum Tree," by Eugene Field. Each child picked his candy from the tree and then we ate our gingerbread dog. Our chocolate cat sat in the tree and watched us eat the very last sugar plum.

We have been 100% in attendance this week, but not quite 100 percent in perfect spelling.

All of us have enjoyed being outside. The weather has certainly been nice for us. Jo Ann Woodard, who was quite

(Continued on Page 3)

### Good Seed Needed For Next Year

F. H. Paschal  
County Agent

The saving of an abundance of good seed for planting for next year's crop is an important part of the harvesting of any crop. The drying, cleaning, bagging, treating against insects and diseases, and storing of the seed so that it will have high germination, be handy to handle, and otherwise ready-to-plant next spring is one of the most profitable operations any farmer can carry out on a farm.

We have a new cotton seed delinting and treating plant in the county. This gives cotton farmers opportunity to save some good dry seed and have it delinted, treated against diseases and insects, and put in good bags right away for handy storage and handling for planting next year. Any extra seed processed in this way and stored in new bags will sell at good prices to neighbors who did not have enough, and they will retain high germination for 2 or 3 years.

We need to save plenty of soybean seed and seed corn from Jelllicorse and other open pollinated varieties. All seeds need to be dried to the point where they will keep without heating or molding. Storing in bags helps to keep the seed dry and new bags increase the pride of accomplishment and ownership of the farmer. They also make the seed easier to handle and easier to inventory at any time. Bags can be used again; so the expense is not as high as it first appears.

#### Family Farm Agreements

A "shoe string" is not enough for a young man to start farming these days. Therefore a young man who does not have money or land sufficient to start farming with a reasonable hope of success might well consider the possibilities of farming cooperatively with his father, or father-in-law.

"Father-Son Farm Agreements" is the subject of a new bulletin issued jointly by the Extension Services of 12 Southern States, copies of which may be obtained at the County Agents office on request. The publication points to ways of overcoming money limitations through such agreements. It discusses conditions for successful agreements, types and principal features of father-son agreements, common problems, and legal considerations.

The bulletin combines research materials from cooperating states and the experience of hundreds of Southern farm families.

#### Lamb And Wool Outlook Points To More Sheep

With continuing near record high prices in prospect for lambs and wool and the number of sheep at a near low, specialists of the Extension Service encourage farmers to raise more sheep.

Sheep require a small amount of labor and rank at the top for efficiency in converting roughage into dollars, specialists say. Efficient production centers around a few basic practices. For example:

Flush ewes at breeding time. Provide a clean, dry lambing shelter. Dock and castrate lambs within 7 to 14 days. Watch for symptoms of disease, etc. By keeping ewes well fed during the suckling period lambs are usually ready for market by weaning time. A good pasture program is essential to a profitable sheep enterprise.

#### Even Temperature Of Freezer Best For Food Quality

It's a good idea to check the home freezer now and then to see that a constant temperature is being maintained.

Frozen foods of all kinds—fruits, vegetables, meats, poultry, eggs, and fish—retain their best quality if stored in a constant temperature of 0 degrees F. Specialists point out. If the temperature of the storage cabinet is allowed to vary, say from 0 to 10 degrees F from time to time, the quality and flavor of the frozen products will be impaired.

The length of time that frozen

WANTED — Single woman to care for house and 2 children six days per week. Would like for her to work indefinitely. Call at night 4943 or apply 402 Locust St., Mrs. Harold Cook or at "Puro" Service Station in Gates during daytime.

Linda Grady Thursday. She celebrated her ninth birthday. Dawn Robertson, Kay Wilson, Julia Wright and Marietta Griffin have completed a very attractive frieze depicting a village scene of the Belgian Congo.

Jimmy Nunn, Carmon Belto, Jerry Brasfield, George Hurt and Gene Nichols did a splendid job making natives and animals with acorns, Dugouts, spears and knives were made by Phillip Hurt, Eugene Pugh, Jerre Jordan, Clyde Plunk and Bobby Stanley.

The most perfectly made houses chosen to use depicting our African village scene were made by Barbara Vaden, Janet Smith, Gene Nichols, Jerry Stanley and Blair Steelman.

We enjoyed the show Friday afternoon given by Jane and Everett Lawson.

We are so happy because we won the P. T. A. picture for the month of October. Thanks, friends, for helping us.

Reporters for this week are Marietta Griffin and Pamela Rhodes.

Grade 5 — Our room has been filled with flowers the past week. Thanks to those who brought them.

Six of us earned a star by learning the poem "A Halloween Chant."

We are proud of our supply of art paper and made use of some of it Friday by making PTA invitations.

It was a lot of fun to see the magician's show Friday afternoon. Grade 4 and 6 (Mrs. Daws)

We enjoyed the magician Friday afternoon. Now we want to learn how to trick our teacher out of having lessons.

The posters drawn for Fire Prevention Week were voted on and "Help Save Trees From Fire," drawn by Raymond Belton, "Prevent Fires," drawn by Ray Garrison, and "Are You Responsible?" drawn by Evelyn Smith were judged the best.

We were sorry to lose Forrest Goodwin from our group. We miss him very much. He has gone to Mississippi to live with his uncle. Best wishes, Forrest, come back to see us sometime.

Grade 6 (Mrs. Hilliard) Happy birthday, Tommy McGarrity and Wayne Herion.

Donald Ray Cleek said he believed he was cutting his wisdom teeth. He decided that it was his twelve-year molars.

We enjoyed the program Friday afternoon by Jane and Everett Lawson.

Nelda Kay Cleek and Betty Ann Vaughn drew a beautiful October calendar on the board. Thelma Alston, Jo Ann Hurt and Rovelle Rainey worked up an exhibit on Ancient Egypt and Modern Egypt. Tommy McGarrity made an Egyptian boat. Thelma Burroughs did a soap carving of a cat head.

Grade 7 — We are electing officers this week for our class.

Francene Smith went to Missouri over the weekend. Loretta Meeks went to Memphis. Lesie Lee Plunk went to Selmer.

We enjoyed the Magician Show Friday afternoon and look forward to seeing Bisbee's Comedians this week.

Grade 8 — We would like to wish Wilhela Hardy a Happy Birthday, which was October 7th.

We would like to thank Mrs. McCorkle for letting us see the magician's show which was at school Friday. We all enjoyed it!

Lou Eva Baker, Nancy Erwin and Rodney Jackson are doing a very nice job on the Eighth Grade Scrap Book.

We had a Rummage Sale Satur-

day. We would like to thank Mrs. McCorkle, Mrs. Gilliland and Mrs. Cannon for helping us with the sale. (We feel sorry for some of the boys and girls who advertised it so hard for us that they had a sore throat.)

Bye for now and be looking for us next week —Same Time — Same Place!

4-H Club

(Continued From Page 1) One 4-H member found that in watering his 18 head of cows that in one year he walked a total of 17.3 miles, pumped 64,000 gallons of water and consumed 16.7 days. By putting in an automatic electric pump he eliminated this work.

The 4-H Marm and Home Electric Project is open to both boys and girls. To participate, a member need only study his present method as employed on the farm in connection with his regular farm chores and then report his proposed better method.

Those members interested in this project may let us know at the December meeting. We would like to have some members from each club enter. At the end of the year, the club member with the best record will be selected as county winner and he will be entered in the state contest. The award for this is a trip to 4-H Congress at Chicago. The national award is a \$300 college scholarship.

Trees Available — The District Forester, J. G. Warmbrod, advises us that there is an ample amount of both softwood and hardwood trees available for distribution this fall. The cost is \$3.00 per thousand. If you are interested in taking advantage of this, contact us and we will give you the details.

Tigers To Play

(Continued from Page 1) once consideration.

On the basis of the game Friday night Newbern is easily the best team that the Tigers have played this year as they made the Spit T continually fool the defense with double reverses, pitchouts, etc. a'1 working almost at will. Twice the Tigers threatened to pick up touchdowns of their own but bogged down before reaching pyrdirt.

Tonight (Thursday) the Tigers will travel to Munford where they will play the Tipton County team in a game they should win. However, Donald Corlew, captain and center, was lost to the team by a shoulder injury and Billy Newsome, fullback, is badly lime burned and likely will not see too much action. Remainder of the team is expected to be in good shape for the game and the Tigers are expected to come home with a bare victory for their first win of the season.

At The Theatre

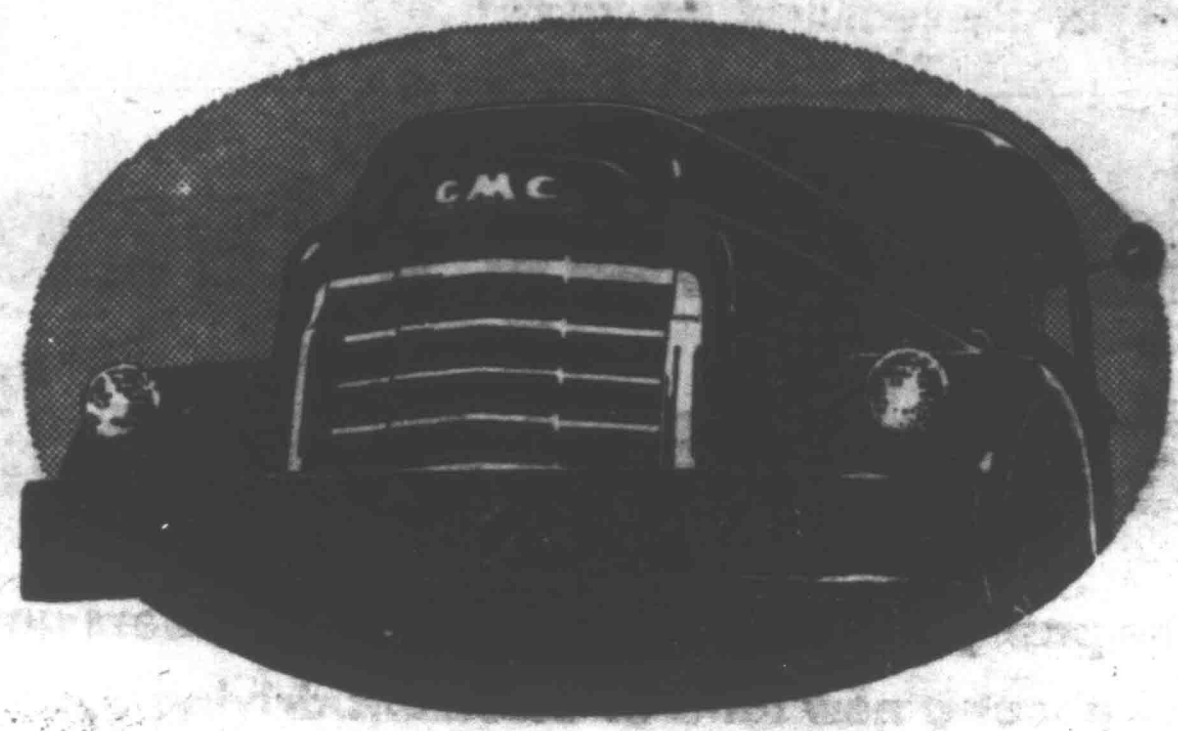

"Mr. Belvedere Rings The Bell" Not satisfied with just being fine actors, all the principal players in Twentieth Century-Fox's new comedy, "Mr. Belvedere Rings the Bell, showing at the Halls Theatre

on Thursday and Friday, October 18 and 19, are rabid art enthusiasts. Clifton Webb, who again assumes the Belvedere role, was hailed as a juvenile genius when his first paintings were exhibited in New York at the age of 14.

Lovely Joanne Dru and Hugh Marlowe both admit they relax a good deal of the time with brush, paint and canvas, though neither have exhibited their work publicly. Zero Mostel, the noted comedian, is the only one of the cast

who was a true professional. At the age of nine, Zero surprised Sunday visitors to New York's Metropolitan Museum by copying exactly his favorite painting—John Alexander's "Study in Black and Green." His comic career undoubtedly started the day when, with a crowd watching over his velvet-clad shoulder, he solemnly copied the whole painting upside down. He sold his first painting for eight dollars, at the age of 14, later lecturing on art at the Museum of Modern Art, the Frick Museum and the Museum of Science and Industry.

"California Passage" Forrest Tucker, Adele Mara and Estalita Rodriguez are heading your way... out-smartin', out-fighting the whole rough 'n rugged West in "California Passage," showing at the Halls Theatre on Tuesday and Wednesday, October 16 and 17.

What's the fastest-growing line of trucks in America?

Look around you—in cities, on farms, at terminals and loading docks—wherever goods are moved on wheels. More and more, the pay load's packed on a GMC.

You see those letters on medium and heavy Diesels, the most economical workers in their field. For GMC means first in Diesel power.

You see gasoline-powered GMC's front-running the highways of America—pace-setting delivery of the necessities of peace and war.

You see nimble bantamweights of the family—the highest-powered 1/2- to 2-tonners made—outpulling, outhauling every other truck in their class.

Ever wonder why GMC is gaining a greater percentage of the industry than any other truck-maker?

Ask the truck drivers themselves. See the confident way they talk of

the power plants, the broad-shouldered chassis—the way a GMC handles.

Ask about the tons they've hauled, the miles they've logged—the nip-and-tuck schedules they've licked time and again.

Ask these cost-wary haulers why they've made GMC the fastest-growing fleet in the land.

They'll tell you it's because GMC is the finest motor truck made.

If you'll come in, we'll show you why we think they're right.

LAUDERDALE MOTOR CO., INC.

George Baker, Service Man Phone 2611 Halls, Tenn. Frigidaire — Maytag

Tennessee Outdoors

Louis S. Clapper State Game and Fish Commission Several Memphians are buying deep sea fishing tackle these days without a thought of heading for salt water. Gar fishing is becoming a popular sport, particularly in the Mississippi River, and heavy tackle is necessary. Mrs. Wade Smith, wife of a U-T Dental College professor, recently landed a 147-pounder that was 10-feet, 4-inches long! the alligator gar is worthless to sport fishing and sportsmen who take these whoppers out of circulation are doing all anglers a favor.

Tennessee hunters can enjoy an extra-long duck hunting season this winter by merely crossing the Mississippi River and purchasing a Missouri non-resident license, a fact that many nimrods in West Tennessee will likely appreciate. Missouri's waterfowl hunting season begins on October 26. Tennesseans can hunt in the Show-Me State for nearly a month before their own season begins on November 22. Of course, the reverse situation also is true. Missourians can hunt in Tennessee until January 5 whereas their season closes December 9. The other seven states touching Tennessee have the same seasons.

With three people being killed by hunting accidents even before the current open season began, it appears Tennessee is in for a bad safety record. The files of a Chattanooga insurance company, however, show that a gun isn't even necessary for a serious hunting accident. A coon hunter fell off a cliff, sustaining a multiple skull fracture. He was totally disabled for five months and partially disabled for another three months. He received total benefits of \$1,015.

The beaver, once believed to have been extirpated from Tennessee, is making a comeback although its numbers continue low. Beaver colonies have been reported in all divisions of the State. Most of the Tennessee beavers live in stream bank dens rather than in dam houses which, together with its nocturnal habits, result in few observations. Observations of State Game and Fish personnel indicate the presence of beaver in Carroll, Hardin, Henry, Johnson, Lake, Lauderdale and Cheatham Counties and there is a possibility of a colony in Grundy County.

BOBWHITE QUAIL TO BE RELEASED

NASHVILLE — Two hundred Bobwhite quail, from 12 to 15 weeks old, will be released in Lauderdale County within the next three weeks by conservation officers of the State Game and Fish Commission.

Each county will receive 200 of the birds which were raised at the Buffalo Springs Game Farm. The total release will approximate 20,000 birds. Too, another 20,000 chicks released by the Commission to sportsman's clubs, farming groups or members of farm youth organizations (4-H and FFA) will have reached the age for liberation this fall.

Conservation officers, all especially trained for care of the birds, will make each release. Twelve quail are released in a group on non-posted locations scattered throughout each county. Birds released in this manner form coveys and have a better chance of survival.

Releases are made only on areas having a sufficient dispersal of food and cover to sustain the young birds. Release locations were investigated beforehand in order to make sure that they were not already supporting maximum quail populations. Checks will be made at later dates to determine their survival.

All birds thus released are banded. Persons recovering bands are asked to return them to the State Game and Fish Commission with information as to the point of kill, date and type of cover in which the bird was found.

SCRAP HARVEST ESSENTIAL TO DEFENSE EFFORT

The period between October 15 and November 15 has been set as the time to highlight the iron and steel "scrap harvest" as a seasonal defense activity. The U. S. Department of Agriculture is supporting the farm scrap drive at the request of the National Production Authority.

The Department stresses that the drive calls only for machinery and equipment which cannot be

reconditioned. Farmers are urged to conserve and repair any machinery they can continue to use, since this will cut down the need for new equipment. Although the emphasis is being put on iron and steel scrap, copper and lead is also needed. The October 16-November

16 period has been set because it is the end-of-harvest season in many parts of the nation when it may be most convenient for farmers to collect scrap and deliver it to dealers or other points.

Halls Graphic — \$2 per Year

From where I sit... by Joe Marsh

Hammy to the Rescue!

Hammy Gilbert, the telephone linesman, often has to rescue cats who climb telephone poles—and sometimes they raise Ned when he tries to get at them. So—he's invented a nifty "cat-snatcher."

It's a long wooden rod with a loop on top that can be adjusted from the other end. And on top of the rod there's a little platform covered with sheepskin.

Hammy simply loops the cat at long range—lets it get its claws dug into the sheepskin and bingo!—the cat's safely on the ground.

From where I sit, there's nothing like using your head a little bit. But Hammy's not the only one who applies common sense to his everyday operation. Take Andy who operates the Garden Tavern. Andy voluntarily co-operates with the Self-Regulation Program sponsored by the Brewing Industry. He keeps his tavern spic-and-span—clean, bright and orderly. He knows it's good business to "keep your feet on the ground."

### The Sunday School And The Home

By Dr. Rudolph G. Schulz  
Director, Tenn. School of Religion  
University of Tennessee

For nearly all Sunday Schools, the month of October is an important milestone in the calendar of events. From the standpoint of lesson material it marks the introduction of a new series on the Old Testament. Each Sunday School is likely to be conscious of the fact that a "new year" is starting. Perhaps a "Rally Day" or "Promotion Day" is scheduled. New officers and teachers may be appointed. The evangelistic note may be

sounded as a vigorous effort is made to enroll more new pupils and encourage more faithful attendance on the part of all members.

Often, however, it is possible for enthusiastic Sunday School and church members to overlook one of the crucial tests in an effective program of Christian education.

Getting parents and children to attend Sunday School and church is tremendously important. But are we equally concerned with getting the church into the home? "Aquilla and Priscilla saute you much in the Lord, with the church that is in their house," is one of the concluding sentences in Paul's

first letter to the Corinthians.

"The church that is in your house." Many families can recall experiences when it seemed as though the church was definitely not in their house. To go to Sunday School and church on Sunday morning, come home, and then across the dinner table speak rudely and unkindly to other members of the family as sometimes happens when there is violent disagreement of opinion, really nullifies all that attendance at Sunday School or church had hoped to accomplish. We went to church, but did the church come into our house?

There is no better way to bring the church into the home than through the medium of family worship. This is a religious practice of other years which has been passing out of much of the family life in America today. And our family life is poorer because of it.

A family which will take a few moments each day to read together a few verses of Scripture, together offer a simple, sincere prayer at the beginning of the day, is in possession of the best possible antidote to the stress and strain which result from the pressure of our modern tempo of living. This practice of daily devotions in the family circle is sometimes referred to as "the family altar." Some-

one has well observed, "the family altar means an altar family."

All of our denominations realize the importance of family devotions as a means by which the spiritual atmosphere of our homes may be enriched. This is attested by the publication of many fine devotional books or booklets by practically all religious groups in our nation.

A prominent church leader once said that he was getting tired of hearing people talk about world peace who couldn't even keep peace in their own home. It's in the home life that Christian faith meets its big test. It is important to get people into the church. But that's only part of the task which Christian groups face. Let's also get the church into the home!

### Self-Employed Must Pay Social Security

Persons who work for themselves are now covered under the social security law and have been building insurance protection for themselves and their families since January 1, 1951, according to Joe P. Tipton, Manager of the Dyersburg Social Security office.

The recent amendments to the Social Security Act cover most self-employed people with the exception of some occupations as farm operators, doctors, lawyers, funeral directors, and a few other professional groups.

For most people who work for themselves their first social security tax report will be due, along with income tax returns, March 15, 1952, and will cover the calendar year 1951. Any earnings from self-employment of \$400 or more are covered by the provisions of this new law.

The tax rate for this year is 2 1/4% of net earnings up to \$3600. Those who have an annual self-employment income of less than \$400 will not have to pay social security taxes and will not be covered by the law. The new coverage is not a voluntary proposal.

### ORDER OF PUBLICATION

TO THOMAS EDWARD HILL ALLETHA BROOKS HILL vs. THOMAS EDWARD HILL IN THE COUNTY COURT AT RIPLEY, TENNESSEE

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant, Thomas Edward Hill, is a non-resident of the State of Tennessee, and resident of the State of Kentucky so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Thomas Edward Hill appear before the Judge of the County Court of Lauderdale County on or before the first Monday in November (it being the 5th day of said month and a rule day of that term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing exparte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring him to so appear.

This 27th day of September, 1951.

N. C. UTLEY, Clerk  
ROBERT S. THOMAS  
Sol. for Comp.

### ORDER OF PUBLICATION

TO ORRIL CONRAD McCLELLAN ALENE NELSON McCLELLAN vs. ORRIL CONRAD McCLELLAN IN THE COUNTY COURT AT RIPLEY, TENNESSEE

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant, Orril Conrad McClellan, Non-resident of the State of Tennessee, so that ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Orril Conrad McClellan appear before the Judge of the County Court of Lauderdale County on or before the first Monday in November (it being the 5th day of said month and the 1st day of November term of this Court) and make defense to the bill herein filed against him and others, or the same will be taken for confessed as true and the cause set for hearing exparte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks requiring him to so appear.

This 24 day of September, 1951.

N. C. UTLEY, Clerk

tion, but mandatory, Mr. Tipton said.

This new social security law will cover about 4,700,000 self-employed persons who now will have an opportunity to build towards retirement benefits for themselves and their families and monthly ybenefits to their dependent survivors in the event of

death.

For details about their new rights under social security, self-employed people should get in touch with their nearest social security office.

"There's Only One Certain Thing About Using Want Ads — RESULTS."

### VAUGHAN ELECTED

Hugh W. Vaughan, of Gates, has been elected a junior warden of Phi Rho Sigma, professional medical fraternity of the University of Tennessee College of Medicine in Memphis.

"If there's a Market for It, the

# Here's why Fordomatic puts them all in the past!

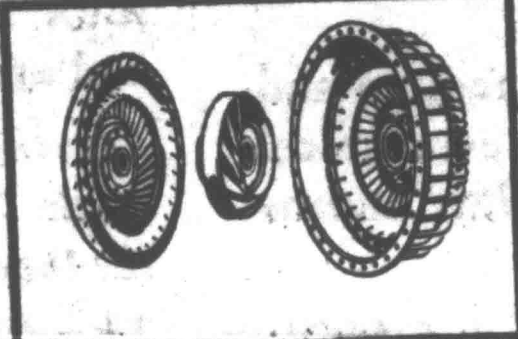

For the past year, automotive writers, engineers and owners have been raving about a new kind of automatic driving . . . and here's why you get it only in Ford Cars:

All the power you need when you need it!

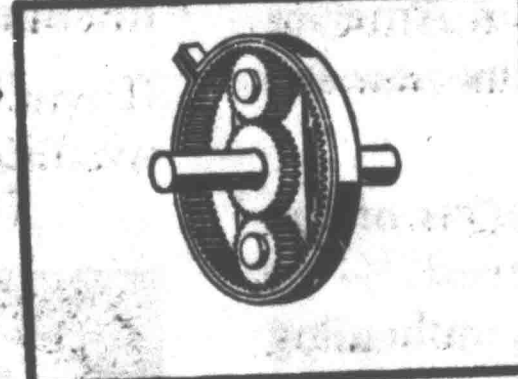

It gives you instant "GO"! It practically drives itself!

Some automatics have this

The automatic drive some cars offer you is a torque converter which multiplies torque without the use of gears. Its advantage is a smooth flow of power. Its disadvantage is a smaller range of torque multiplication which requires more power from the engine and an uneconomical axle ratio which increases costs.

Some automatics have this

Other cars offer an automatic drive that uses automatic gears (as illustrated in simplified form at right) instead of a torque converter. The advantage here is more "go," more control and greater economy. The disadvantage is that this system is not as smooth, nor as jerk-free as a torque converter.

But Fordomatic has both. Yes, Fordomatic has a torque converter plus automatic gear. It brings you only the advantages of both drives. Unlike cars with only a torque converter (which start and cruise all in one drive gear), Fordomatic starts fast and smooth in Intermediate Gear then shifts itself into Drive Gear.

GROWING UP IN THE SOUTH

## TELEPHONE SERVICE IS GROWING, TOO

... and the price is up far less than most things you buy!

SINCE this little fellow was born—in just eight years—the number of local telephones Tennesseans can call has more than doubled. And Southern Bell expects to spend nearly \$20,000,000 this year to expand and improve telephone service for this fast-growing state.

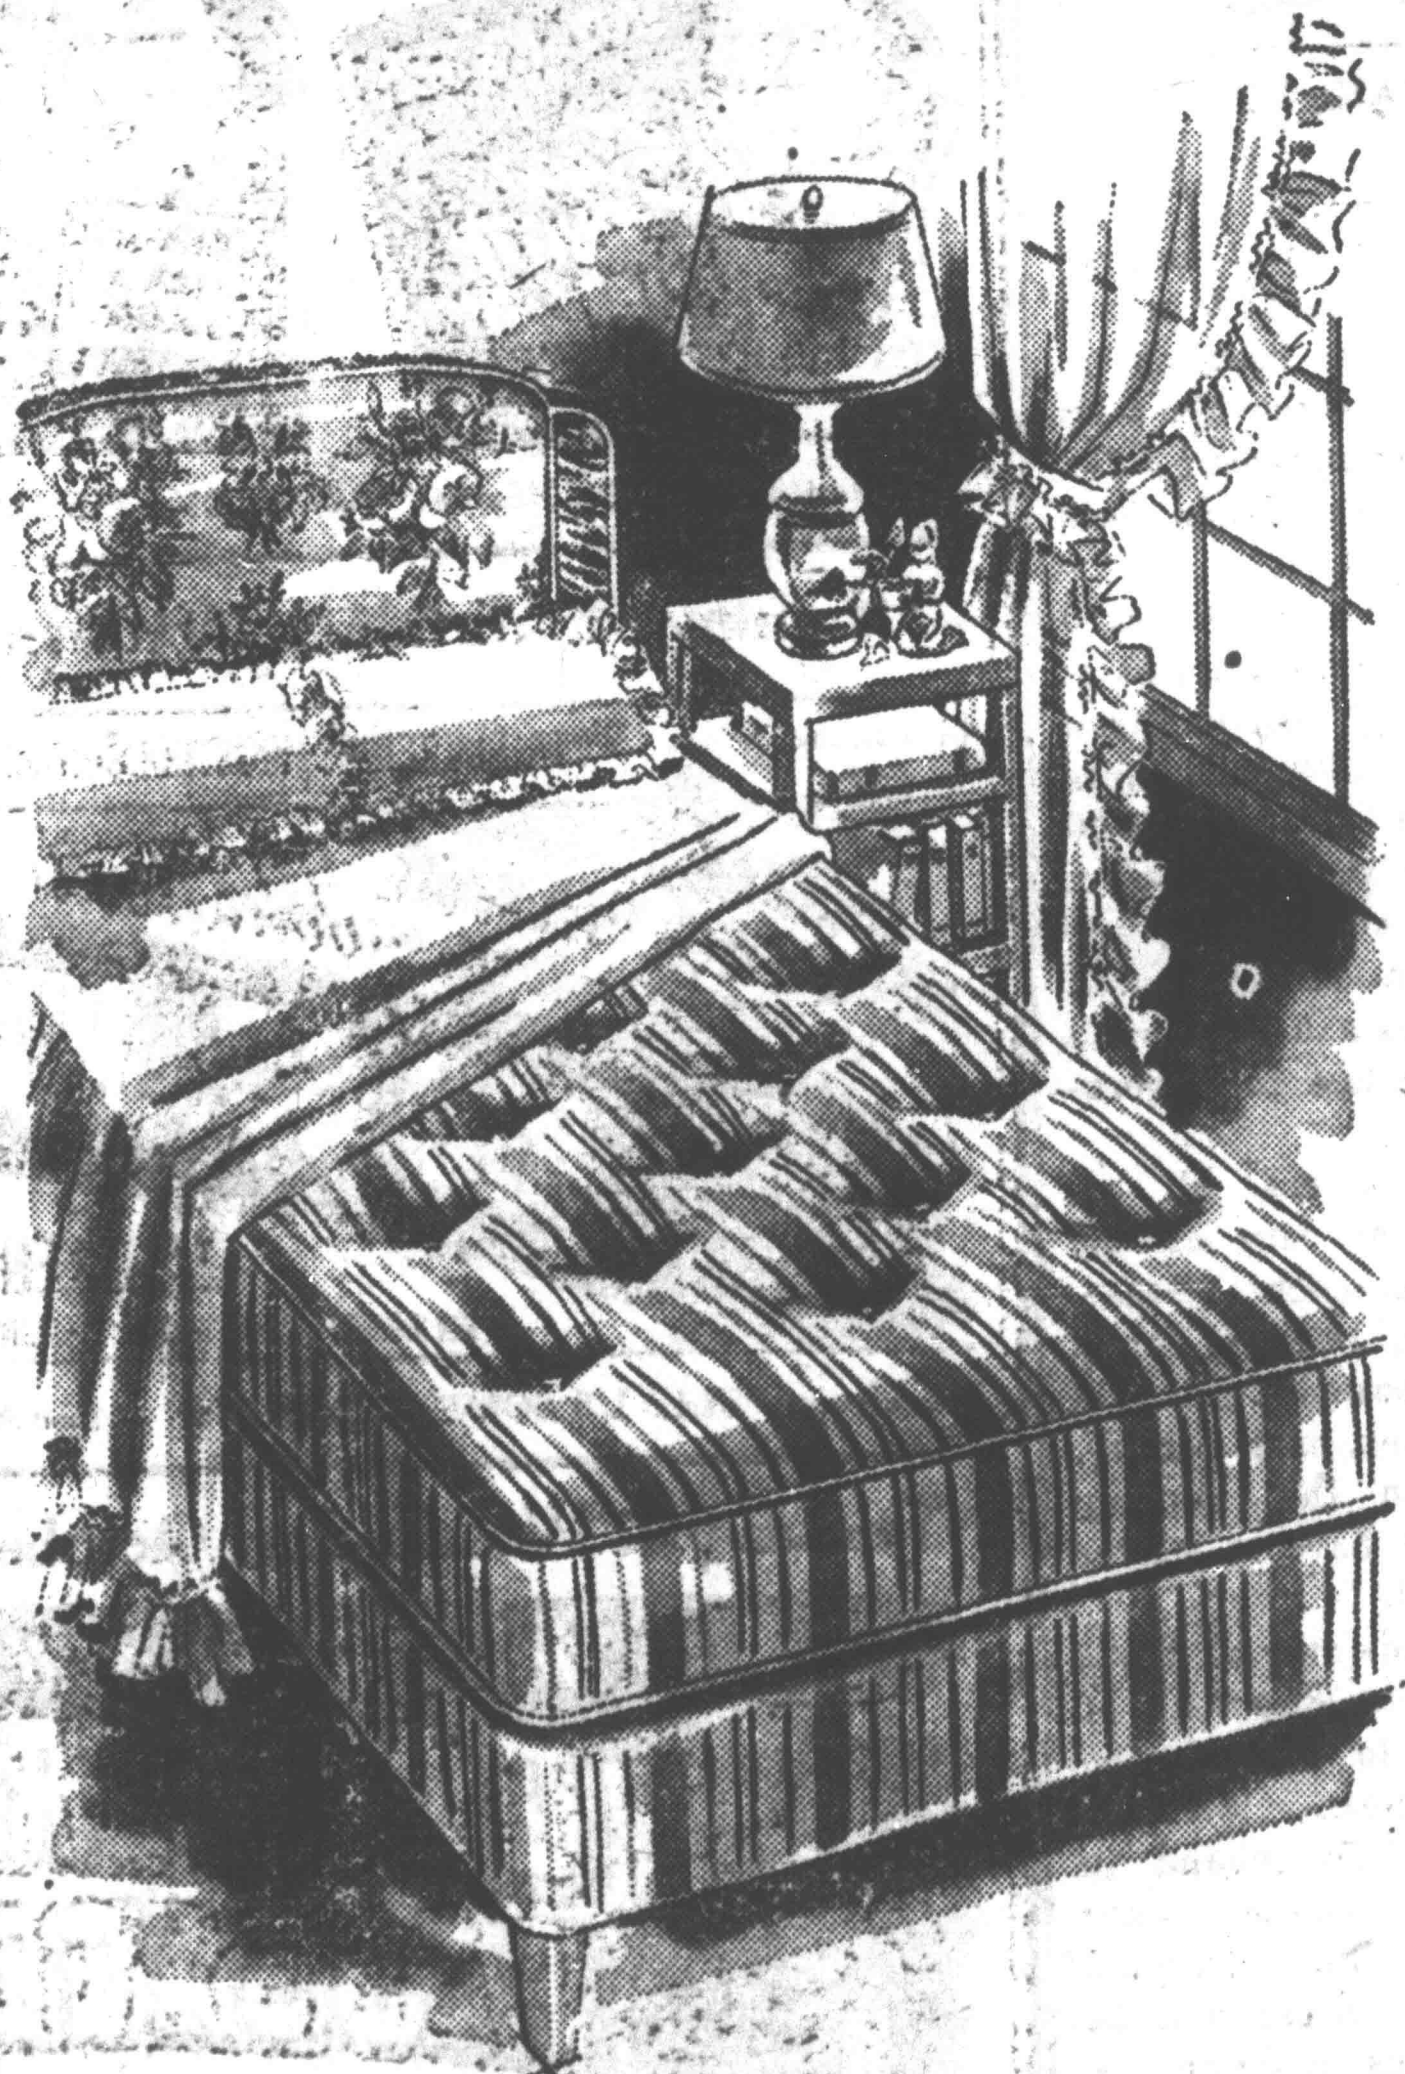

BEST OF ALL, look at the modest price you pay for this bigger, better "package" of service! During ten years of rising prices it has gone up less than half as much as prices in general . . . and less than our cost of providing the service.

ALWAYS one of your biggest bargains, telephone service is today an even better buy than it was ten years ago, and a smaller part of your family budget.—Southern Bell Telephone and Telegraph Company.

C. J. YATES, Tennessee Manager

So Big in Service . . . So Little in Cost

The Beauty Rest mattress and box springs combination so largely responsible for Simmons' fame. Both are constructed with the skilled craftsmanship devoted to all Simmons individual features and designed for the most comfortable nights of sleep you've ever had. See these and many other makes of mattresses at Meriwethers.

### CLERK'S SALE OF REAL ESTATE

Mrs. Lucille Anderson Lawrence vs. Jim Lawrence

In the Circuit Court of Lauderdale County, Tenn., No. 199

Notice is hereby given that the undersigned will on **SATURDAY, NOV. 3, 1951** at 1:15 p. m. at the north door of Bank of Halls, Halls, Tennessee, sell to the highest and best bidder for cash the following described house and lot situated, lying and being in the Town of Halls, 12th Civil District of Lauderdale County, Tennessee, and further bounded and described as follows:

Bounded on the north by property of Montell Carson; bounded on the south by the lands of Sue Gilliland; bounded on the east by Highway 51; and bounded on the west by Watkins Street.

Said house and lot is being sold pursuant to orders of Honorable Mark A. Waker, Judge of the Circuit Court of Lauderdale County, Tennessee, of date October 10, 1951, made and entered of record in my office in the above styled cause.

**TERMS OF SALE:**

- Said sale will be for cash.
- Purchaser will be entitled to immediate possession of said property.
- Purchaser will receive said house and lot unencumbered and taxes on said property and all indebtedness due and owing on said property will be paid out of the proceeds of said sale; and purchaser will receive said house and lot in bar of all rights of equity, of redemption and repurchase.

Said sale will be final and subject to immediate confirmation by the Court.

Witness my hand this October 11, 1951.

### One Sensible Action

Personally, we have long despaired of any possible really sensible action of any part of our national government on the basis of what has been occurring in Washington for the past few years. However, the Lower House of Congress Tuesday refused to pass the proposed new tax bill with at least some of those voting against the bill stating that they did so and would continue to do so until Government spending is slashed. We are definitely not in a position to know just how much additional revenue is needed by the U. S. Government but we do know that on the present-day spending schedule they do need more. It seems to us that our Representatives are taking a step in the right direction when they INSIST on a cut in government spending. Others gave as their reason for opposing the bill that the proposed bill hit too hard at low income groups and too lightly on large incomes. Speaking as a member of the low income group it would seem that we have already been hit plenty hard but so has the high income group. It has always proven much easier and simpler to fit your living standard to your income than it is to fit your income to your living standard. Why not, Mr. Congressman, follow this out to its logical conclusion and cut out government spending where not vital and reduce government waste to a minimum? Most taxpayers would accept an increased rate without a murmur if this was done.

### Good Deal

We want to compliment the city fathers upon the placing of a traffic signal light at the intersection of College and Tigris Streets and the changing of the signal light at College and Main to a blinker signal. However, we believe after observation, that motorists should be warned that the blinker light means exactly what it says. In other words, any car approaching Main street on College street should come to a stop and then proceed through the intersection and motorists driving along Main street should approach the intersection with caution just as the blinker light indicates. If motorists will observe these rules there should be no occasion for wrecks, confusion or anything else. Cars driving along Main street are still going through the intersection at too high a speed. Incidentally, school children riding bicycles should never race to the College and Main intersection and should enter it only after coming to a stop and looking for approaching cars.

### Our Duty

Announcement is made this week that the Red Cross Bloodmobile will be in Halls on November 15. It seems to us that every citizen who possibly can should feel that it is a duty to contribute blood. This blood is destined to be sent directly overseas for use by the soldiers on the Korean front. Make your plans now to give a pint on that day.

## Bonicord Resident Died Wednesday

Services for Tom Golden were held last Thursday afternoon at the Miller Chapel Church of Christ with Mr. Earl Fly, Church of Christ minister, officiating. Burial was in Sudbury Cemetery with Sudbury Funeral Home in charge. Mr. Golden died Wednesday at his home near Bonicord after an illness of about five days. He was a prominent and well-known retired farmer and landowner of Dyer County, having been born in the state of Texas and moving to this county at an early age. He was 77 years of age and a member of the Church of Christ.

## APPRECIATION EXPRESSED

I would like to express myself in appreciation of the inspirational P. T. A. meeting held Monday evening. The interest and efforts of the president, Mrs. Clyde Younger, and her committees were greatly exemplified. The meeting was a credit to the community and it was good to have been there.

C. F. HARWARD

## Elzy Bus Route Change Outlined

The Lauderdale County Board of Education met on Wednesday, August 27, 1951, and made the following changes in bus routes: Elzy's new route will begin west of Old River Bridge and proceed to Edith picking up all students. When he reaches Edith School he will unload all students, both elementary and high school. Then bus no. 18 will proceed east along the Edith-Dry Hill road until it reaches the Bald Knob intersection where he turns right and proceeds along Bald Knob Road picking up both elementary and high school students until he reaches the Curve - Dry Hill road at Harry Sutton's place where he turns left and proceeds to Watt Covington store where he turns left and proceeds back to Edith picking up all elementary students and unloading all elementary students at Edith School. Then bus no. 18 proceeds to Dry Hill with closed doors to elementary students and open doors to high school students until he reaches the Double Branches road, when the door is opened to both elementary and high school students. Upon reaching Steelman Lane he proceeds north up the Steelman Lane to Paul Pritchard's where he turns around and returns to the Double Branches Road and proceeds to Halls by way of Joe Beard and W. C. Viar's.

## County Chorus Competes At Jackson

The Lauderdale County Farm Bureau Community Chorus represented Lauderdale County in the Regional Chorus Festival eliminations which were held at the Union University auditorium in Jackson on Thursday evening, October 11. Over 350 Farm Bureau members from the western section of the state attended, with a large number participating. The three top choruses selected for West Tennessee were those from Madison, Haywood and Shelby Counties. The chorus representing Obion County was chosen as alternate. Other counties taking part in the festival were Chester and Lauderdale.

Judges for the event were Alfred Humphreys, professor of music education, University of Tennessee, Knoxville, and Martin Blackwelder and Floyd Funk, both staff members of the music department of Peabody College, Nashville.

The three top choruses will compete for state honors against winners from Middle and East Tennessee at the opening session of the Annual Tennessee Farm Bureau Convention in Nashville on November 11. Announcement of state and regional winners will be made on the program the following evening, November 12. At this time handsome trophies will be awarded. Dates of the Convention are November 11-14.

Charles F. Bryan, member of the faculty of Peabody College, is in charge of the regional and state festival meets.

This is the third annual state-wide Community Chorus Festival sponsored by the Home and Community Department of Tennessee Farm Bureau. The program was inaugurated in 1949 and proved to be one of the most popular features on the program of both the 1949 and 1950 conventions.

## Halls Plays Host To Union City

Once more the Halls Tigers will rate as the underdogs as they play the Union City Golden Tornado on the Halls Athletic Field Friday night. Union City has been beaten only once this year, losing to Ripley last Friday night by a score of 26 to 13.

Thursday night of last week the Tigers annexed their first victory of the season when they traveled to Munford and easily defeated the Tipton County team by a score of 30 to 13.

Bobby Pickens, 140-pound sophomore halfback, moved into the lineup and into the spotlight in this game as he accounted for three of the Tiger touchdowns. One of them a seventy-yard dash. Other touchdowns were scored by Stuart Crichfield and End Gene Olds.

The Tigers will continue injury handicapped in their game against Union City with Captain Donald Corlew sidelined with an injured shoulder, Billy Riley out of uniform with an infected leg, Maynard Harrell favoring a bruised and skinned leg and several others nursing injuries. However, only Corlew and Riley are expected to be out of the game.

## Baby Tigers To Play Tiptonville

The Halls High Baby Tigers will put their undefeated record on the line tonight (Thursday) against the Tiptonville Juniors which also have won three straight games. The game will be played on the Tiptonville Field starting at 7:30.

Through error the Baby Tiger foe this was originally listed as Dyersburg. The Dyersburg game is slated for next Tuesday night with the championship playoff game slated for the following Tuesday night.

A win over the Tiptonville team will assure the Baby Tigers a place in the playoff with either Dyersburg or Tiptonville as their opponent. A victory over Dyersburg should do the same thing but could possibly end in a two-way tie for second place.

Standing in the Jeff Davis League through Tuesday night of this week was:

Team	Won	Lost
Halls	3	0
Tiptonville	3	0
Dyersburg	3	1
Covington	2	2
Brownsville	0	4
Ripley	0	4

## Cotton Forecast Lowered Monday

WASHINGTON — The Agriculture Department Monday forecast this year's cotton crop at 16,931,000 bales, down 360,000 bales or two per cent, from the September forecast.

The drop in the estimate pushed this year's cotton crop from the third largest in history down below 1931 production of 17,096,000.

The October estimate compares with the 1950 crop of 10,012,000 bales at a 10-year average of 12,030,000 bales.

The department said prolonged drought and high temperatures through early September retarded growth and caused some premature openings in the central cotton belt.

As compared with a month ago, it said, prospects are down 10,000 bales in Tennessee, 50,000 in Alabama, 200,000 bales in Mississippi, 40,000 bales in Arkansas, 50,000 bales in Oklahoma.

The indicated crop is up 10,000 bales in Missouri and 25,000 bales in North Carolina. In other states prospects remain the same as indicated last month.

The department said the average lint-yield per acre of 284.7 pounds is six pounds less than indicated a month ago and it compares with the 1950 yield of 289.2 pounds and the ten year average of 285.9 pounds.

"Sow a Want Ad Seed and Reap a Harvest of Results."

## Baptist Men's Bible Class

FROM RAGS TO RICHES  
Our lesson for next Sunday is one of the greatest Success Stories ever written.

From rags to riches; from a shepherd's tent to a royal palace, from a keeper of the sheep to prime minister of Egypt. This third instalment of a series of lessons covering the beginning of the miracle nation, Israel, tells of Joseph, son of Jacob and great-grandson of Abraham, father of the faithful and friend of God and the greatest example of true, saving faith recorded anywhere in the old Bible.

All these lessons are recorded in the book of Genesis, preamble of the whole Bible and in which is recorded the only dependable record of the creation, man's beginning, his fall, and God's introduction to His great plan of redemption for mankind. Fifty chapters in Genesis, only eleven chapters cover the account of the creation, the fall, the flood, God's covenant with Adam and Noah—a period of 2000 years and thirty-nine chapters to bring us God's introduction to four men: Abraham, Isaac, Jacob and Joseph. Ten chapters about Abraham, five chapters covering the life of Isaac, fifteen long chapters reciting the annals of Jacob, and nine chapters concerning Joseph. Only eleven chapters to cover 2000 years of history and thirty-nine chapters to cover only 400 years. Why? Why did God thus employ all this inspired record of these four men?

The sober, serious study of the Book of Books approached with a sincere desire to know this and other vital truths will yield the answer.

We are admonished in the Bible to "Search the Scriptures, for in them, ye think ye have the Words of eternal life."

This Bible Class invites men to join it, who feel the need of a speaking acquaintance with God.

We offer a friendly atmosphere, an opportunity for fellowship, an appeal to the social instincts of men, but we seek most of all to help men to find their way to a better knowledge of what God's plans are for each of them in this world and the next.

There were forty eight present last Sunday, the occasion being Brotherhood Day observed by men of the Church. Judge Jones of Dyersburg brought the message at eleven o'clock, the teacher taught the class. Pictures were taken of the group.

If you are not yet one of our group, there is still time to become a member of the class and join us in the studies next Sunday of the plan that God provided for the life of this wonder man, Joseph, and then all the other wonderful lessons in which is the answer to Why God chose these four men to occupy the place in history He set for them.

## Harland Phillips Buried Saturday

Services for Harland Phillips were held Saturday at 2 p. m. at Palestine Methodist Church with A. T. Evans and Shelby Thompson, Methodist ministers, officiating. Burial was in Palestine Cemetery with Sudbury Funeral Home in charge.

Harland died early Thursday morning at Baird-Brewer Hospital in Dyersburg following an illness of four months, and had been a victim of Rheumatic Fever for a number of years. He was 16 years of age.

He leaves his parents, Mr. and Mrs. H. R. Phillips of the Bruceville Community; one brother, Wilburn Phillips of Chicago; and two sisters, Miss Peggy Philk and Miss Dorris Phillips, both of the Bruceville Community.

—Halls Graphic— \$2 per Year—

## Mrs. Mag Cone Is Buried Sunday

Mrs. R. L. Cone, respected citizen of the Nankipoo community, died Friday in the Dyersburg Hospital after a short illness. She was 74.

Funeral services were held Sunday afternoon at 2 o'clock from the Enon Baptist Church at Nankipoo with the Rev. Baldrige officiating. Burial was in Enon Cemetery with Halls Funeral Home in charge.

Surviving are three daughters, Mrs. Robert Ashcraft, Mrs. Horace Duncan and Mrs. R. C. McAlister, all of Halls; two sons, Earl Cone and Willie Cone of Halls; a step-daughter, Lillian Brawner. Also surviving are three brothers, Clarence L. Cates and Frank Cates of the Nankipoo Community and Claude Cates of Memphis; four half-brothers, Elzy Cates of Jackson, Joe Cates of Memphis, Charlie and Carl Cates of Halls; one half-sister, Mrs. Roy Hilliard Sr. and a large number of grandchildren.

## Plan Field Day At Dyersburg

A progress report of grazing yearling steers on improved pastures in Dyer County will be the topic discussed at a Field Day near Dyersburg on Tuesday, October 30th, beginning at 9:30 a. m.

J. R. Barrett, County Agent and program chairman, announced the Field Day, which will be held at the Jones Greer farm 2 1/2 miles north of Dyerburg, will feature the results on 151 head of Choice quality yearling steers started on pasture in the spring and grazed through the summer.

The results will show the weight of the cattle in the beginning, their rate of gain on pasture and the cost of the gain. Following the Field Day, the cattle will be placed into feedlots for finishing, at which time another Field Day is planned.

Bill Tyrell, Assistant Tennessee Extension Livestock Specialist, is scheduled to open the program by discussing "The Outlook and Trends in Beef Cattle Production." Ben Hazelwood, head of the West Tennessee Experiment Station and is one of the outstanding authorities on pasture improvement, will discuss "What is a Good Pasture and What is It Worth?" A feeder grading demonstration will be given by Ray E. Drenner, Head Buyer of Wilson & Co., Inc. The steer grazing results will be summarized by Ed Synar of Wilson & Co.'s Livestock Service Division, D. B. Carter, Assistant County Agent, and Sam Reed, Vocational Agriculture Teacher. The program will end at noon.

The Field Day is sponsored by the Agricultural Extension Service, Vocational Agriculture Department in cooperation with Wilson & Co., Inc. of Memphis, Tenn.

## Honors Former Halls Teacher

"I am very much pleased with the town and the school," said Mrs. E. M. Browning, who teaches high school mathematics in Carendon High School.

Schoolwork is not new to Mrs. Browning. She was superintendent of the Nankipoo High School in Nankipoo, Tennessee, for several years. While at Nankipoo, Mrs. Browning coached the girls' basketball team so well they won the state championship. She also taught mathematics in summer school at Union University.

Mrs. Browning is well qualified to teach. She received her A. B. degree from Union University at Jackson, Tennessee, and has done graduate work at George Peabody College for Teachers and at the University of Tennessee. Mrs. Browning is also qualified to teach Spanish having studied Spanish at Lambuth College and at the University of Mexico.

The Carendon school system is fortunate in having such a capable teacher and wishes for her a very successful school year.

— Monroe County Sun, Carendon, Ark.

## 4-H ALL STARS MEET

The annual convention of the West Tennessee 4-H All Stars was held at the New Southern Hotel in Jackson last Saturday. Those attending from Lauderdale County were Patricia Pickin, Mary Ann White, Ann Holmes and Annela Steelman.

## Elementary News Notes

### INDIAN SUMMER

By H. Howard Biggar

Here is Indian summer. It's as welcome as can be. Something fascinating in each road —

And field and tree.  
Haze is on the landscape  
And a tang is in the air,  
Rush of summer's over  
And it's peaceful everywhere.  
Here is Indian Summer  
When a fellow wants to roam,  
Journey over winding trails,  
Far away from home.  
In the woods the busy squirrels  
Hid their winter stores,  
Heaven's benediction rests  
Upon the out-of-doors.

\*\*\*\*\*

Jimmy Hinton gave a report Monday morning on his trip to the Zoo. He gave it in a very entertaining way and the First Graders enjoyed it very much.

Mrs. W. C. Viar, Sr. sent all teachers some lovely dahlias for each room. Thank you, Mrs. Viar, for such beautiful flowers.

"Miss" Geneva and Miss Walker attended the Teachers Meeting in Memphis last week.

Linda Jo Gooch is back in school after having been out last week.

The teachers reported a nice time on their trip to Memphis. Some of us were busy picking cotton during our few days of vacation.

We've had good attendance all week. We missed Betty Lou and Mary Sue Jennings last Wednesday.

"Andy" Anderson celebrated her seventh birthday Wednesday. We sang Happy Birthday to her and wished her many more!

We're still looking forward to getting in our new building soon. Several of us have enjoyed Bissbee's Show.

Ronnie Hines and "Andy" Anderson went to Memphis over the holidays.

— III —

(Mrs. McDearman)  
We really had a vacation from school from Wednesday until Monday. Our sharing period Monday was interesting. We learned a Columbus Day song for Oct. 12 and did some drawings of that occasion. The best chosen were done by Larry Parker and Judy Thurmond.

Linda Hilliard and Cary Alebrook have been on our sick list. Thanks to Mrs. W. C. Viar, Sr. for the beautiful flowers sent to our room last Wednesday. We enjoyed them.

Gene Crocker moved back from Memphis. Welcome to our Third Grade!

We are proud to say that our room is one hundred percent on collection for our school fee money.

Two of our group have been awarded pins for perfect attendance at Sunday School for one year. They are Elizabeth Ann Alsobrook and Roger Harris. We think this is splendid and we are proud of them.

(Mrs. Cooper)

We were glad to have two holidays last week when all the teachers went to the Teachers Meeting at Memphis. We enjoyed it very much.

Thanks to the parents who represented our room Monday night at the PTA meeting. We hope to see you at every meeting.

Sixteen of our group went to Sunday School Sunday.

Our room had a picnic last Wednesday. The Autumn sunshine was bright, so we found a place on the campus to study leaves and their different colors before eating our lunch. We saw a few birds. Some

## Cotton Allotments Off Next Year

F. H. Paschal  
County Agent  
Secretary of Agriculture Branman announced this week there will be no cotton allotments next year. He predicted a very small carry-over of cotton for August, 1952, and predicted a healthy market situation for next year's crop.

Lauderdale County farmers produce the highest yields of cotton in Tennessee, except for Lake County, but our yields and profits can be materially increased by the planting of vetch and crimson clover and other winter cover crops right away on land to be grown in cotton next year.

The planting of 20 pounds of vetch with one-half to one bushel of Balbo rye per acre increased the yields by 561 pounds of seed cotton per acre in an eighth year test at the West Tennessee Experiment Station as compared to the plots on which no winter cover crop was grown. This is a half bale of cotton extra for a very small expense for seed and labor.

Seeding 25 to 30 pounds of vetch alone gave 436 pounds of extra seed cotton in the same 8 year test. Planting 20 to 25 pounds of crimson clover alone gave 410 pounds of extra seed cotton and the planting of 10 to 20 pounds of crimson clover with one-half to one bushel of rye per acre increased yield of seed cotton by 426 pounds per acre.

When cotton is selling at 38c, good practices which insure high yields can certainly increase profits greatly. We must have profits from growing cotton in order to have money in this area for the purchase of new machinery, for farm and home improvements, and to pay the costs of living on the high level to which we have become accustomed and on which our economy is based.

We do not usually recommend planting of crimson clover in cotton or corn middles for winter cover in September, because the weather can cause a high percentage of failures, but many farmers succeed with crimson clover in row crops when it is planted in October. It is getting a little late now for it on any broad scale, but I think it would be worth trying on small areas in order that farmers may see what it will do. Crimson clover has the advantage of being ready to turn under in the spring earlier than vetch and it protects the soil against washing in the winter much more effectively than vetch.

Vetch alone or vetch with Balbo rye or wheat may be planted any time up to November 15th. The combination planting gives more protection against soil washing on sloping land during the winter and for some reason increases the yield of the crops following more than vetch alone.

Guy Woods of Asbury community stated this week that he did not plan to grow any more corn without using nitrogen fertilizers. (I have heard several other farmers this year make similar statements. Some Experiment Station tests show that nitrogen fertilizers pay greater dividends on corn than on cotton.)

If these winter cover crops such as vetch and rye increase yields of cotton greatly and increase profits from cotton, they will also increase yields of corn to an even greater extent.

Corn requires an abundance of water and the turning under of green manure crops makes the soil hold water better. These cover crops then pay large dividends on corn land as well as cotton.

Send In Plant To Prosper Books

Tenant and landowner families who want to compete for the \$4,100.00 in cash prizes offered by the Commercial Appeal and the Memphis Chamber of Commerce in the Plant to Prosper Contest should complete their record books and get them in to the County Agent's office by next Tuesday, October 23rd.

There are three classes to be judged separately in this contest. The first is landowners with not

CIRCLE MET

Mrs. George was presented a lovely gift. Mrs. George was a luncheon guest of Mrs. Earl Craddock Tuesday while Mr. George was the guest of Mr. Craddock at the Lions Club meeting.

Tuesday afternoon Mrs. George was the honoree at a six-table canasta party at the home of Mrs. Wymond Hurt assisted by Mrs. W. A. Smith, Mrs. A. G. Hargett, Mrs. Roy Patton, Mrs. L. L. McDeanman, Mrs. Earl Craddock and Mrs. J. H. Murchison. Gift flowers were used to decorate the rooms and cake and coffee were served when the guests arrived. Cakes were served later in the afternoon. The hostesses presented Mrs. George a pair of beautiful earrings.

A Coca Cola party at the home of Mrs. A. G. Hargett Thursday afternoon competed the social whirl for the Georges who left Friday to return to Washington.

Nankipoo News

Miss Dorothy Jean Jennings of Halls spent the weekend with her uncle, Rev. Lawson Bray, and Mrs. Bray. Mrs. Eugene Hamm and Mrs. Clark Billingsley and son of West Memphis, Ark. visited Mrs. L. E. Olds Monday afternoon. Mrs. L. M. Harrell is visiting her children in Memphis this week. Mr. and Mrs. Joe Cates, Mrs. Douglas Collins and Mrs. Annie Cates were here last weekend to attend the Cone funeral.

**Notes Elementary News**

(Continued From Page 1) of us decided they must be migrating. We had fun and only one of us was absent. We missed Norma Jean Terry a lot.  
— IV —  
We enjoyed the vacation made possible by the teachers attending the meeting in Memphis. Many of us made some money picking cotton.  
Dawn Robertson celebrated her

ninth birthday Friday. Happy birthday, Dawn!  
We wish to thank Mrs. Clyde Younger for the much enjoyed picnic Wednesday at her home. We hope we can have the most fathers again if this nice treat is in store for us.  
We wish to extend our sympathy to Wilburn Hastings and Finis Ashcraft due to the death of their grandfather.  
Jerre Jordan, Phillip Hurt, Pamela Rhodes and Julia Wright spent a day of their vacation in Memphis. Gene Nichols spent Sunday in Fulton, Kentucky.  
The spelling match was won by the girls this week with Joan Lamb left standing.  
— V —

Thanks to "Miss" Electra for teaching us while our teacher was absent.  
A number of our group visited out of town during the weekend. Some went to Ripley, Jackson, Arlington and Pickwick Dam.  
Janet Hines and Peggy Jordan brought some beautiful flowers for our room.  
We have learned the poem "The Shoemaker."  
Several of our group have been out to pick cotton.  
— IV - VI —  
(Mrs. Daws)

We are back on the job after several holidays. A few fever blisters, some scratches and a sprained ankle are visible results of our vacation.  
Norma Jean Wright, Freddie Chipman, Raymond Belton and Finis Ashcraft made perfect scores in arithmetic drills Monday morning. It wasn't "blue Monday" for them. Evalyn Smith and Linda Tomlinson won honorable mention in geography.  
We are enjoying three poems this month — "Autumn Moods" by Louise Abney, "Wild Geese" by Nona Keen Duffy, and "October Is A Jolly Month" by Carmen Lajos Singer. Some of us are going to illustrate them. We are expecting some colorful drawings.  
We offer our deepest sympathy to Finis Ashcraft in the loss of his grandmother.  
— VI —

We enjoyed the nice vacation while the teachers attended the teachers meeting in Memphis.  
We have finished our first spelling contest. The boys spelled against the girls. The boys won. Buddy Murchison and Harry Wright were the boys standing at the end of the contest. Buddy was the only student not to miss a word in the contest. We want

to thank Mr. Hooks for helping with our spelling contest. Alice Faye Jennings, Shirley Fitzhugh, Buddy Murchison and Harry Wright, Jr. made a perfect score throughout the contest for the week.  
We are studying protective foods in our Health unit. This is a very interesting and important unit.  
— VII —

We certainly did enjoy Bisbee this past week.  
We had a History test last Wednesday and Spelling test Monday. They were really hard.  
Celia Jane Wiley went to Memphis this past week and reported she had a good time.  
There were twenty of us that went to Sunday School last Sunday. We hope we will be 100% next Sunday.  
We certainly did enjoy those extra holidays we had.  
— VIII —

Hi, Folks. Here we are again

reporting on the good old school days.  
We certainly enjoyed the two days vacation last week. Everyone got a good rest.  
Phillip Dunaway won 3rd premium in the judging contest of the Memphis Mid-South Fair. Congratulations, Phillip!  
We are still looking forward to getting into the new school building.  
Goodbye for now folks — be looking for us next week.

**PASCHAL**  
(Continued from Page 1)  
more than two tenants. The second is tenants. The third is landowners which have more than two tenants.

The Negro division of the contest is divided into tenant and landowner classes.  
We shall be glad to provide a record book and core to any farm in the county and assist farm families in completing their record book for this contest on request.  
**Communities To Be Judged**  
The four organized Community Improvement Clubs in Lauderdale County which are entered in the West Tennessee Community Improvement Contest will be judged to determine their placing in the county on next Thursday, October 25th.  
The Hurricane Hill Club will be judged beginning at 8 a. m. with judging of Durhamville-Orya to begin at 10 a. m. Ashbury will be judged at 1 p. m. and Lightfoot

beginning at 3 p. m.  
The people of these organized communities have really worked together this year to improve their communities and all are winners in many respects.

**CLERK'S SALE OF REAL ESTATE**

Mrs. Lucille Anderson Lawrence vs. Jim Lawrence

In the Circuit Court of Lauderdale County, Tenn., No. 199  
Notice is hereby given that the undersigned will on SATURDAY, NOV. 3, 1951 at 1:15 p. m. at the north door of Bank of Halls, Halls, Tennessee, sell to the highest and best bidder for cash the following described house and lot situate, lying and being in the Town of Halls, 12th Civil District of Lauderdale County, Tennessee, and further bounded and described as follows:

Bounded on the north by property of Montell Carson; bounded on the south by the lands of Sue Gilliland; bounded on the east by Highway 51; and bounded on the west by Watkins Street.

Said house and lot is being sold pursuant to orders of Honorable Mark A. Walker, Judge of the Circuit Court of Lauderdale County, Tennessee, of date October 10, 1951, made and entered of record in my office in the above styled cause.

**TERMS OF SALE:**

- Said sale will be for cash.
- Purchaser will be entitled to immediate possession of said property.
- Purchaser will receive said house and lot unencumbered and taxes on said property and all indebtedness due said owning on said property will be paid out of the proceeds of said sale; and purchaser will receive said house and lot in bar of all rights of equity, of redemption and repurchase.

Said sale will be final and subject to immediate confirmation by the Court.

Witness my hand this October 11, 1951.

## Confidential Corner

### Newspaper Readership Versus Circulars

An unnamed chain store bulletin is credited with the following: "1. Do you want to be certain of reader interest? Then advertise in the newspapers. Many a circular receives only a glance while the local newspaper is thoroughly read from first to last page.

"2. Do you want representation in the same 'shopping window' the other merchants of your town use? Then use the local newspaper. Women, the purchasing agent of the home, read newspaper advertising, whereas many a circular is tossed into the wastebasket without a glance.

"3. Do you want fast action? Then use the newspaper. The ad that you run today, if it contains real merchandising news, will bring immediate results tomorrow. You can receive and sell out a consignment of merchandise with newspaper advertising in less time than it takes to prepare a circular.

"4. Do you want to be recognized as a factor of importance in your community—a real home town store? If you do, use the newspaper—it undoubtedly is a strong factor in building good will and the acceptance of your store as a good place to trade."

—Clipped

### Recognized

Mrs. Douglas Hurt, past president of the Halls PTA and present president of the Lauderdale County PTA Council, received recognition for other outstanding work with the PTA during the recent West Tennessee Teachers Meeting in Memphis. Mrs. Hurt was invited to be a guest at the meeting and was seated on the stage during the morning session.

### Have Fun

Make your plans now to have fun with the youngsters at the annual Halloween Carnival on next Wednesday evening at the Elementary School Auditorium. There will be every conceivable kind of attraction for both young and old with plenty to eat and drink on sale at the various booths. Don't miss the fun and help the school. All proceeds will be used by the PTA and the various grades for the purchase of needed supplies, etc.

### Did You Vote?

Children have picked cotton, popped popcorn, made candy, solicited votes and in all sorts of ways have raised pennies to support their candidates for King and Queen of the Halloween Carnival. As a result one of the most successful Carnivals ever staged seems certain as the time draws near and a really regal king and queen and junior king and queen will reign over the festival.

## DE Class Names Club Delegates

The Distributive Education Class met on October 19, for the purpose of electing two delegates and two alternate delegates to go to the State Convention at Nashville which is to be held on November 4-6. The delegates elected by the class were Faye Erwin and Annette Farmer, the alternates were Kathleen Garrett and Frances Kyse.

At the meeting the class elected a new historian, Jessie Tucker, to replace our previous historian, Deloyce Lovelace, who had moved away.

Watch for the talent show to be presented by the DE Class on November 26. — Reporter

### TONSILECTOMY

Little Betty Poindexter, daughter of Mr. and Mrs. Bob Poindexter, had her tonsils removed at the Eye, Ear, and Nose Hospital in Memphis Wednesday.

## CRITTENDON TRUCK STRUCK BY TRAIN

The trailer truck owned by P. W. Crittendon was badly damaged about 7 o'clock Monday night when it was struck by a box car being switched and knocked into the Farmers Cooperative Gin Co. cotton seed house. Reports are that the truck was parked a long side of and across the switch track while being loaded and was hit when a car was switched onto the track.

## Baby Tigers Lose To Dyersburg

The Halls Baby Tigers took a 14 to 7 licking from Dyersburg Tuesday night and Tiptonville eked out a 13 to 12 win over Covington to throw the Jeff Davis League into a three-way tie for first place with each team having won four and lost one.

At a meeting held Wednesday night Tiptonville drew a bye to automatically go into the finals of the playoffs with Dyersburg and Halls playing next Tuesday night for second position. Final playoff game will be played the following Tuesday night.

The Baby Tigers were badly outweighed and outmanned in their game Tuesday night but managed to hold Dyersburg check during the first half and led 7 to 0. However, shortly after the third quarter started Dyersburg tied the game and then went into the lead 14 to 7. Twice more Dyersburg drove deep into Halls territory but were stopped before reaching pay dirt.

Outweighed some 12 to 14 pounds per man, the Tigers were unable to cope with the power of their opponents. Loss of Halfback Dougie Tomlinson with a broken wrist in the second quarter greatly damaged both the Tiger offense and defense with the wet field also handicapping the youngsters on their sweeps which have gained so much ground this year.

In the game Tuesday night Dyersburg will be favored because of superior reserves and greater weight but a dry field will do much to equalize the difference. Jimmie Lewis Smith and Joe Jackson, both injured in the Dyersburg game, should be able to be back in the lineup and ready to go but Tomlinson is out for the season.

## Halloween Party For High School Students Planned

Red and yellow leaves, shocked corn, and pumpkins will be used to decorate the high school gymnasium for the party which the PTA will give for high school students on Halloween night.

The party, to which all high school students are invited, will begin at 8 and end at 11 o'clock. Room representatives will act as chaperones.

There will be no charge at the door and both square and round dancing will be enjoyed free. Guests may come either in Halloween costume or in regular dress.

Each high school class will have a booth in the gymnasium at which various commodities will be sold. Any high school club is eligible for a booth also.

Mrs. Elmer Hoffius, chairman of room representatives for the high school is in charge of the party. Assisting her as chairman of the decoration, music, and dance committee, are Mrs. Will Sugg, Mrs. Norman Sloan and Miss Virginia Canada.

### DOING STUDENT TEACHING

During the Fall Quarter three Agricultural Education majors are spending most of their time at White County High School, where they are engaged in practice teaching. These Aggie seniors are Ted Perry of Halls, Clarence Little, Livingston, and Willis Hale, Spencer. They are working under the supervision of T. L. Leonard and W. C. Huddleston, vocational agriculture instructors at Sparta.

## Basketball Slate Is Announced

The Halls High sextet will open its season on November 8, according to an announcement by H. G. McCorkle, coach of the team. The team will travel to Memphis where they will play Holy Names. On November 13 they will go again to Memphis with Sacred Heart to be their opponent.

First game on the local court will be played on Tuesday night, November 20, with Holy Names coming here and Friday night of the same week Sacred Heart will play on the Halls court. The regular season will open on Tuesday, December 4, with Ripley boys and girls playing the Halls boys and girls in the Halls gymnasium.

The local teams are probably playing their most ambitious schedule for the past several years with all of the leading teams of this section to be played during the season.

The complete schedule is as follows:

- Nov. 8 —Holy Names, there
- Nov. 13 —Sacred Heart, there
- Nov. 20 —Holy Names, here
- Nov. 23 —Sacred Heart, here
- Dec. 4 —Ripley, here
- Dec. 7 —Hornbeak, there
- Dec. 11 —Brownsville, here
- Dec. 14 —Somerville, there
- Dec. 18 —Obion, here
- Dec. 21 —Brighton, there
- Jan. 1 —Ridgely, here
- Jan. 4 —Covington, here
- Jan. 8 —Dyersburg, here
- Jan. 11 —Munford, there
- Jan. 15 —Brownsville, there
- Jan. 18 —Hornbeak, here
- Jan. 25 —Covington, there
- Jan. 26 —Obion, there
- Jan. 29 —Ripley, there
- Feb. 1 —Munford, here
- Feb. 5 —Dyersburg, there
- Feb. 8 —Somerville, here
- Feb. 14 —Ridgely, there
- Feb. 15 —Brighton, here

## Chain Pigs Are Being Distributed

Charles T. Peal, Ass't. County Agent, last week Billy Yarbrough received his registered Poland China gilt from Tilford Woodard near Halls. This is a chain pig and with it Billy hopes to produce some good quality hogs.

Billy is in the eighth grade at Curve and has a good record in the 4-H Club.

Jerry England who lives just north of Halls received his Poland China gilt this week. Jerry received his chain pig on the basis that he return to the Club a gilt pig out of the first litter. This pig is then placed with another member who is doing outstanding 4-H work.

### 4-H Boys And Girls Asked To Take Part In Drive

Now that our nation is mobilizing for defense, steel mills need scrap iron because it adds to the quality of steel in our weapons. In addition, each ton of scrap used conserves approximately two tons of iron ore, one ton of coal and one ton of limestone.

An adequate flow of iron and steel scrap also helps to guarantee raw materials for the farm machinery and equipment industry.

You boys can not only make some spending money by selling the scrap from around the farm, but also you will be protecting farm workers and livestock by removing pieces of metal that may endanger them.

You can either bring your scrap to town or have a dealer call for it. Let's really make a big effort and see how much scrap iron we can collect.

4-H boys and girls who had poultry as a project this year should take some steps now that will insure high egg production this winter during times of high prices.

The first and most important thing is to feed a balanced laying ration at all times. The all mash pellet system is the most reliable because it assures a complete ration. Adequate pasture will assist materially in helping hens produce high quality eggs.

Second, provide plenty of water. (Continued On Page Two)

## BLACK TOPPING OF STREETS TO BE COMPLETED

Work will be resumed on the black topping of several streets in Halls today (Thursday), it was stated Wednesday. Work will probably start on Mill street and be carried on until the work is completed. Forum-James Construction Co. of Dyersburg has the contract for the work.

## Halloween Party Next Wednesday

Plans for the annual Halloween Party of Halls Schools are virtually complete according to an announcement this week. The Party is sponsored by the Halls Parent Teacher Association and will be held next Wednesday evening, Halloween Night, in the auditorium of the Halls Elementary School.

Preceding the Party will be a parade with the elementary school children participating and honoring the candidates for King and Queen of the Carnival.

Candidates for King and Queen of the Carnival are: 1st Grade, Jo Larson and Alan Levy, Gloria Meeks and Tommy Corlew; 2nd Grade, Anna Ray Hurt and Syl Dew, Jo Alice Phillips and Mack Goforth; 3rd Grade, Katie Lou Hurt and Axford Pickens, Beverly Ann Ragsdale and Pat Younger.

4th Grade, Dawn Robertson and Phillip Hurt; 5th Grade, Barbara Watts and David Hurt; 6th Grade, Linda Tomlinson and Inky Perry; 7th Grade, Barbara Ford and Johnnie Roberts; 8th Grade, Bona Smith and Tommy McDearman.

A King and Queen will be selected from the candidates of the first three grades and also from the remaining five grades. Coronation of the winning contestants will be held on the stage of the auditorium at 7 o'clock with last year's royalty placing the crowns upon their heads. Last year's King and Queen in the upper grades were Carolyn McCorkle and Bobby Perry and in the lower grades Andy Bowers and Johnnie Osborne. Winners will be selected through penny votes gathered by the school children for the various candidates.

One of the highlights of the Carnival will be the apron sale for the benefit of the PTA itself. Other money will go to the various rooms for the purchase of supplies, etc. The aprons are handmade and contributed by parents and grandparents of elementary school children. Prizes will be awarded for the best aprons and they will be on display on the stage at the auditorium all day Wednesday with prize winning ribbons and prices attached. Any one wishing to see them may do so by going to the auditorium during that day.

Chief attraction at the Carnival will of course be the various booths sponsored by the several grades with attractions ranging from a picture show to a House of Horrors. Plenty of food and drink will be available at booths in the auditorium with homemade pie and cake heading the menu.

Make your plans now to dine out at the Halloween Carnival and to enjoy the many attractions offered.

## Work To Begin On Sewer Line

Work on the laying of a sewer line to the negro school building is expected to begin within the next few days, Mayor P. W. Crittendon announced this week and it is believed that the sewer line will be ready by the time construction of the building is completed.

Mayor Crittendon stated that the sewer line is being laid on a front foot assessment basis with all property owners along the right-of-way already having signed the request for the laying of the sewer. The Town of Halls will pay one-third of the cost of the sewer line and property owners will pay two-thirds.

The line will run east from the school building to the highway where it will connect with a present sewer line. (Continued On Page Six)

## State Farm Bureau To Meet Nov. 11

Tennessee's biggest farm meeting is scheduled to take place in Nashville on November 11-14. This announcement comes from W. C. Viar, Jr., president of the Lauderdale County Farm Bureau. This meeting is the annual convention of the Tennessee Farm Bureau Federation. Representatives from over 40,000 farm family members will go to Nashville to adopt a program of action for the year 1952, he stated. They will hear speeches on current agricultural policy matters, reports of progress, the annual address by their president, Tom J. Hitch, and the voting on a set of resolutions. These resolutions determine the course of action of the Federation for one year.

In preparation for this meeting ten advisory committees met in Nashville on October 3rd to make final plans for the convention, Mr. Viar said. These committees were as follows: fruits and vegetable committee, livestock committee, dairy, field crops, poultry, forestry, rural electrification, cooperative, insurance services, and the Home and Community Department committee.

"There are many problems facing farmers today," W. C. Viar explained, "and this is the time Farm Bureau members determine the course they will take in 1952. Agriculture has had a trying year, with beef price rollbacks, the rise and slump of cotton prices, and general world unrest, and farm people, more than ever before, need to give thoughtful consideration to planning a program of action."

The annual meeting will get under way on Sunday, Nov. 11, with a vesper service and finals in the State Farm Bureau chorus festival contest. On Monday, commodity committees will hold their meetings and make recommendations to the Federation's resolutions committee.

On Tuesday, November 13th, general sessions will be held. Reports will be made and speakers heard. The voting on a program for 1952 will be held on Wednesday afternoon, November 14.

## Tigers Play Union City Close Game

Completely changing from many of the games which they have played this year the Halls High Tigers tried their "darndest" to win a football game Friday night as they played the highly rated Union City eleven to a standstill only to lose 21 to 14 through a freak play.

Lack of pass defense once more was the hole in the Tiger armor as Union City twice scored touchdowns on long passes, once with the pass receiver completely alone when he caught the ball and the other when Daniels, Union City quarterback, snatched the ball across the goal line from between two Halls defenders. The third Union City touchdown, and the deciding one, was scored after a Union City lineman stole the ball on a Halls handoff and went to the Tiger four-yard line before being caught from behind. On the third attempt Baldridge went across for the Union City touchdown. Moore, Union City fullback, was almost automatic in his kicks for points after touchdown.

Billy Newcare scored all of the Halls points as he played his best offensive game of the year after recovering from a bruised hip which had handicapped him earlier in the season.

The Tigers opened the game with a bang as they received the opening kickoff and returned it to the Halls 28. On the first play from scrimmage Crichtfield went 46 yards to the Union City 26. On the next play Bobby Pickens went 6 to the 20 but went out of the game with a fractured wrist. Right there the Tiger offense bogged down and Union City took over.

The ball swapped back and forth during the entire first quarter and early in the second quarter the Tigers began a drive which was (Continued On Page Six)

## LOCAL STUDENTS ATTEND UNIVERSITY

Fourteen students from Lauderdale County are enrolled for the fall quarter at the University of Tennessee's Knoxville colleges. They are Paul E. Cates, Fulon; Billy A. Garrett, Gate; Altee F. Nunn, Abner G. Steedman, Halls; Donald D. Colvin, Tommie B. Fortner, James E. Hancock, Ralph A. Hyde, James R. Maclean, Oliver W. McCallum, Charles A. Montague, Jr., James E. Parris, Joe P. Warren, George C. Watkins, J. Ripley.

## Elementary News Notes

Grade 1 Mrs. Morris came Thursday and gave the first graders their share of vaccinations.

Gloria Jean Meeks and Tommy Corlew were chosen to represent Miss Walker's room in the contest for Junior Halloween King and Queen.

Allan Levy and Jo Larson are representing "Miss" Geneva's room as Junior and Queen for the Halloween Carnival.

Allan Levy brought a piece of Mr. Levy's birthday cake for each teacher which was enjoyed at recess. Happy Birthday, Mr. Levy! The cowboy show was enjoyed by us all last Friday. The program was complete for some first graders when they got to shake hands with the famous cowboy.

Grade 2 We all enjoyed our holidays last week. Some of us went visiting and several reported they picked cotton. The teachers all had a nice trip to the teachers meeting.

Patsy Hutcherson celebrated her 8th birthday on Sunday so we all sang to her and wished her many more happy birthdays. We're about to get the Halloween spirit as it is drawing near. We have some decorations up already and some nice Halloween pictures drawn.

We enjoyed the Cowboy Show on Friday and want to thank Mrs. McCorkle for letting us go.

We're looking forward to the Halloween Carnival the end of the month. Our candidates for King and Queen from the two second grades are Anna Ray Hurt and Syl Dew, and Jo Alice Phillips and Mack Goforth. Hope we can be a winner.

Grade 3 (Mrs. McDearman) Judy Brandon and Axford Pickens made exciting reports on their trips to the circus in Dyersburg last week.

We are proud to announce our room representatives for the Halloween Contest for Junior King and Queen. They are Katie Lou Hurt and Axford Pickens. We are working and hope you will be hearing more from us.

Our spelling chart looks good this week: it has twenty-three names on it.

We enjoyed getting to see the show at the gymnasium last Friday, and after seeing it we have decided that there is an art in making a whip pop. It isn't as easy as it looks (some of us have found out).

Katie Lou Hurt went to Jackson over the weekend. Chuck Murchison reported a trip to Key Corner and saw many things of interest to tell us about.

Danny Ray says he has moved to town.

We are making our room attractive in the Halloween season. We are hoping that this season will be attractive all the way through it.

### Grade 3 (Mrs. Cooper)

All those visiting friends out of town over the weekend were Rachel Davis, Donnie Butler, Harold Cole, Jimmie Walpole, Robert Lovelace, Paulette Stanley, Douglas McGarity, Bobbie Phillips, Lee Roy Allen and Jerry Sorrell. We drew a picture and wrote a story of "My Favorite Pet" last week and were they cute! The room decided that Beverly Cannon, Jimmy Castleman and Melody Meeks had the best ones. They were all real good.

We are beginning to search for pumpkins because it is almost (Continued On Page Six)

## Suggest Planting Of More Pecans

F. H. Paschal, County Agent

A wonderful old man recently retired and was taking stock of his possible sources of income for the future. He got quite a lot of satisfaction from the fact that he has five acres of 15 year old producing pecan trees on some good land which produced some 4000 pounds of pecans last year.

I recently visited a farm in Tipton County where a man when 21 years of age planted seven acres of pecans with the idea that they would provide substantial income for his old age. The pecans are providing him a good living now when they are less than twenty years old.

Pecans will grow well in almost every community of Lauderdale County. They grow best on the deep soils near the foot of slopes. They will grow on overflow land, provided it is not permanently wet or crawfishy. More pecans should be planted all over the county. They provide wonderful shade and the fruit is much more certain than that of fruit trees, although we need to know and practice good methods of growing and protecting pecans in order to get the most benefit from them.

Here are some important facts that should be kept in mind as pecan plantings are being considered. (1) Pecan trees should be spaced eighty feet apart in each direction. (2) Two or more trees of two or more varieties should be planted near each other.

(3) The Stuart and Moore varieties are the ones most highly recommended by experiment stations and experienced growers for this section. Growers are warned against planting trees of the Mahan variety. The Stuart variety has been most successful in Tennessee. It is early and resistant to disease. It is important that two varieties be planted together in order that pollination by the wind may be more complete with better yields resulting. (4) Most pecan nurseries provide instructions with their trees on setting, pruning, and fertilizing when the trees are set. An application of mixed fertilizer will cause trees to make more rapid growth before they start bearing and will increase the yield of pecans on bearing trees.

The fertilizer should be distributed in a band around the tree out from the trunk and disked into the soil or put in post holes out from the trunk as far as the limbs reach. Use two and one-half pounds of mixed fertilizer such as 4-8-8 or 6-12-12 for each tree for each year since it was set or figure two pounds of fertilizer per tree for each inch in the diameter of the tree. Apply the fertilizer in March.

Some growing trees may need additional nitrogen in June and this can be applied using Ammonium Nitrate or Nitrate of Soda.

Two of the commonest causes of injury to young pecan trees are winter killing and sun scalding.

Winter killing may be prevented by wrapping the trunks of the trees with tow sack up to the first limbs before winter begins. Sun scalding in summer may be prevented by wrapping the trunks of the trees with a cheap grade of felt paper during the summer. These measures are not expensive nor troublesome and they will pay large dividends. We shall be glad to provide additional information on the planting and production of pecans on request.

### German Farmers Available

The Displaced Persons Commission announced this week that 508 German farm families arrived in New York on October 2nd and that 5000 German farm families will arrive in the United States in March or April, provided farm operators sign applications for that number of families by December 1, 1951.

These families from Germany are being selected and certified as bona fide dairy and dirt farmers who have been selected by a group of American County Agents in cooperation with German farm (Continued On Page Two)

(Continued from Page 1) oyster shells, roost and nest space. Third, see that the hens and henhouse are kept completely free of parasites. From time to time cull the low producers. They are not making you any money. Remove sick or unthrifty birds as soon as noticed. These and other things that you can do will enter into the success of your winter egg production.

PASCHAL

(Continued from Page 1) committees. Lauderdale County farm operators who are interested in getting any of these families to move on their farms should write the Displaced Persons Commission, Washington 25, D. C., and ask for full information and application blanks.

Required To Post New Car Prices

Purchasers of new passenger automobiles and certain other equipment and services connected with new car sales should be able more easily to determine the maximum prices they can be charged by the dealer after November 4, according to Harold B. Jones, district director for the Office of Price Stabilization in Memphis.

On or before November 4, all new car dealers must post conspicuously their basic prices, an identification of the make, body

style and line or series, transportation charges, federal excise and state and local taxes, handling and delivery charges, and their selling prices for each make and body style in each line or series of each new automobile they offer for sale.

Simultaneously, Jones warned all West Tennessee cotton ginneries they are required to file a report of charges made for ginning services for the 1950-51 season.

The requirement for filing is contained in Ceiling Price Regulation 34 which also applies to delinting plants and cotton factors.

Ginneries are allowed a six percent increase for the 1951-52 season over the 1950-51 season charges. They must, however, report any increases made.

In referring to the recent nationwide probe into possible violations under OPS regulations by various segments of the meat industry, Jones revealed that special agents in this district have investigated a total of eight major slaughterhouses. He said investigations into possible illegal practices by two West Tennessee slaughterhouses is continuing, also.

Latest reports show that OPS has uncovered a total of 2,804 violations throughout the country since its unannounced pre-dawn crackdown was launched September 24.

SLOW DOWN AT SUNDOWN

A man can't outrun his shadow, but a motorist can outrun his headlights. If your headlights illuminate an object in the road,

you should be able to stop your car before hitting it. But if you are traveling at a high rate of speed, you won't be able to stop in the distance between your car and the object.

GROWING UP IN THE SOUTH

TELEPHONE SERVICE IS GROWING, TOO

...and the price is up far less than most things you buy!

SINCE this little fellow was born—in just eight years—the number of local telephones Tennesseans can call has more than doubled. And Southern Bell expects to spend nearly \$20,000,000 this year to expand and improve telephone service for this fast-growing state.

BEST OF ALL, look at the modest price you pay for this bigger, better "package" of service! During ten years of rising prices it has gone up less than half as much as prices in general... and less than our cost of providing the service.

ALWAYS one of your biggest bargains, telephone service is today an even better buy than it was ten years ago, and a smaller part of your family budget.—Southern Bell Telephone and Telegraph Company.

C. J. YATES, Tennessee Manager

So Big in Service ... So Little in Cost

### Tennessee Outdoors

**Lou's S. Clapper**  
**State Game and Fish Commission**

Although all previous attempts to install the pheasant as a game bird in Tennessee have failed, the State Game and Fish Commission continually keeps trying to develop a species suitable to this region.

As another in the chain of experiments, Commission personnel

have released 240 pheasants on selected areas this fall. It is hoped the species will do well "on their own." Birds released were Chinese ringnecks, blacknecks, Formosans and Mongolians. The pheasants, approximately 12 weeks old, were raised at the Buffalo Springs Game Farm near Rutledge.

Release points are in protected areas: the Oak Ridge Atomic Reservation in East Tennessee, which received 119 birds; Ivy Bluff Cooperative Wildlife Management Area in Cannon County of Middle Tennessee, which received 51 birds; and the Milan Arsenal in West Tennessee, which received 70 birds.

The newest fancy fur fashion is the color "Champagne" or bisque, a light beige. Pelts being dyed this color are those of raccoon, muskrat, beaver, nutria, otter and Australian oposum. Fur farms are also developing new strains of mink with distinctive markings.

Little Linda Faye Moore, of

Bristol, is only three years old but she recently accomplished a feat that would send many grown men into a state of excitement. Linda's mother noticed she was throwing rocks at something in the yard of their home and investigated. The subject of Linda's aim was a deadly copperhead snake which apparently had been killed by the first rock thrown!

As last year, the State Game and Fish Commission and sporting goods dealers are being swamped with requests for information on the use of rifles, principally .22's, in hunting small game. Someone, apparently, is passing out the erroneous information that rifles cannot be used in hunting squirrels and other small game. A Federal restriction prohibits the use of rifles in hunting doves and migratory waterfowl. However, squirrels, rabbits, raccoons, opossums, skunks and even quail and grouse and other non-migratory birds can be hunted with rifles if so desired. Even the prohibition on use of rifles while hunting waterfowl was passed only as a protective measure for hunters. Rifle shells will "bounce" off the water, creating dangers to other hunters.

From arrests made by conservation officers during September, it seems quite a large number of people tried to get their share of the game before law-abiding sportsmen took the field legally. A total of 108 people were arrested for possessing or hunting game out of season. From Giles and Maury Counties, though, comes a report of the most senseless type of law violation. Night hunters killed several opossums and raccoons, cut off the paws as evidence of their success and left the carcasses lying to rot in the field. After deprecations of this sort, it is little wonder that farmers are posting their lands against all hunters, sportsmen and otherwise!

### At The Theatre

**"Flying Leathernecks"**  
 The heroic story of U. S. Marine Corps fliers in the South Pacific is the theme of Howard Hughes' film, "Flying Leathernecks," which shows at Halls Theatre on Sunday and Monday, October 28 and 29, starring John Wayne and Robert Ryan, which is in color by Technicolor.

Set against the action-filled background of ariel combat from Guadalcanal to Okinawa, the exciting story revolves around the exploits of a fighter squadron commanded by Wayne, with Ryan as his executive officer. The sharply differing viewpoints of the two men on how to handle their young pilots keynote the human side of the stirring plot.

Don Taylor, Janis Carter, Jay C. Flippin and William Harrigan head the supporting cast of the Edmund Grainger production. Nicholas Ray directed for RKO Radio.

**"His Kind Of Woman"**  
 Romance menaced by danger keynotes Howard Hughes' presentation "His Kind Of Woman," with Robert Mitchum and Jane Russell in melodramatic starring roles, which shows at Halls Theatre on Thursday and Friday, November 1-2.

The adventures of a gambler on a mysterious mission and a singer with marriage on her mind, at a swank resort located at a remote spot on the Mexican coast, are presented in the unusual drama. The singer finds that the man she is intended to wed is already married, while the gambler learns that he is to be slain in cold blood as soon

### ORDER OF PUBLICATION

TO THOMAS EDWARD HILL ALLETHA BROOKS HILL vs. THOMAS EDWARD HILL IN THE COUNTY COURT AT RIPLEY, TENNESSEE

In this case it appearing to me from the bill filed herein which is sworn to, that the defendant, Thomas Edward Hill, is a non-resident of the State of Tennessee, and resident of the State of Kentucky so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Thomas Edward Hill appear before the Judge of the County Court of Lauderdale County on or before the first Monday in November (it being the 5th day of said month and a rule day of that term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring him to so appear.

This 27th day of September, 1951.

N. C. UTLEY, Clerk  
 ROBERT S. THOMAS  
 Sol. for Comp.

as his usefulness to a sinister enterprise is over. The subsequent happenings make for plenty of drama and tension before the thrilling climax is reached.

Vincent Price is in support as a big-game-hunting film star whose prowess with the rifle helps the gambler win out. The Holt and Charles McGraw are also featured in the RKO Radio picture. Marjorie Reynolds and Jim Backus have prominent roles. Robert Sparks produced the film, which is a John Farrow production.

**"Prehistoric Women"**  
 "Prehistoric Women," the story of how the gals got their men in the Stone Age, shows at Halls Theatre on Tuesday and Wednesday, October 30 and 31, and was photographed in Cinecolor for Eagle Lion Classics release.

The film tells of a tribe of amazons who live in the jungle and make forays in search of males to keep their tribe from perishing.

### SAFE STORAGE OF FUELS CUTS FARM FIRE LOSS

Many destructive farm fires could be prevented by better practices in handling and storing gasoline and kerosene, say agricultural engineers of the U-T Agricultural Extension Service.

As a part of National Fire Prevention Week, October 7-13, the engineers urge that farm families check on and eliminate fire hazards. Wherever possible, the engineers also recommend that facilities be provided for underground storage of flammable liquids. Such liquids should not be kept in or near main buildings. Oily rags frequently used near oil drums and machinery should be kept in covered metal containers. Where such fuels cannot be kept underground, a safe storage shed should be provided. Plan No. 742-1C, a concrete block building for fuel storage, may be obtained from county agents.

### 4-H FOUNDATION SET UP TO SERVE RURAL YOUTH

A 10-million dollar five-point program of service and research to help meet the needs of rural youth was announced recently in Washington by the National 4-H Club Foundation of America.

A non-profit educational organization, the Foundation was established in 1948 to serve rural young people and to provide resources, facts and facilities that will help them prepare for happy

### CLERK'S SALE OF REAL ESTATE

Mrs. Lucille Anderson Lawrence vs. Jim Lawrence

In the Circuit Court of Lauderdale County, Tenn., No. 199 Notice is hereby given that the undersigned will on

SATURDAY, NOV. 3, 1951 at 1:15 p. m. at the north door of Bank of Halls, Halls, Tennessee, sell to the highest and best bidder for cash the following described house and lot situate, lying and being in the Town of Halls, 12th Civil District of Lauderdale County, Tennessee, and further bounded and described as follows:

Bounded on the north by property of Montell Carson; bounded on the south by the lands of Sue Gilliland; bounded on the east by Highway 51; and bounded on the west by Watkins Street.

Said house and lot is being sold pursuant to orders of Honorable Mark A. Walker, Judge of the Circuit Court of Lauderdale County, Tennessee, of date October 10, 1951, made and entered of record in my office in the above styled cause.

TERMS OF SALE:

1. Said sale will be for cash.  
 2. Purchaser will be entitled to immediate possession of said property.

3. Purchaser will receive said house and lot unencumbered and taxes on said property and all indebtedness due and owing on said property will be paid out of the proceeds of said sale; and purchaser will receive said house and lot in bar of all rights of equity, of redemption and repurchase.

Said sale will be final and subject to immediate confirmation by the Court.

Witness my hand this October 11, 1951.

and productive living in a changing world. No Government funds are used in carrying out the Foundation's program.

The five-point program will include research into the needs of rural youth; special training for Extension workers; a broad educational program in citizenship training; the International Farm Youth Exchange project; and the National 4-H Club center. There are nearly two million 4-H Club members, more than 130,000 of whom are in Tennessee 4-H Clubs.

### HENS THAT EAT MOST FEED ARE MONEY MAKERS

Hens must be well fed to do the best possible egg production job, say poultry specialists of the U-T Agricultural Extension Service. The hens that eat the most feed lay the most eggs, and therefore as a rule are most profitable.

The actual amount of feed required to produce eggs is comparatively small, it is pointed out, since the greater part of feed consumed is used for body maintenance. Thus it pays to induce hens to eat as much as possible.

A simple feeding program is: give hens access to mash at all times and feed them all the grain they will consume daily. Plenty of clean water is essential to high egg production. Lights help in obtaining high production during the fall and winter months.

### HIGH DEATH RATE

October is the beginning of the season for long winter evenings . . . and these evenings produce more than their share of danger. The Tennessee Safety Council reports that October pedestrian deaths are usually three times greater than in June. And the hours between six and nine in the evening are the most dangerous; so make it a point to see and be seen. On the way home from that football game, use your head and your headlights . . . and drive slowly. The excitement of the game may linger in the hurrying crowd, so be prepared to stop.

**From where I sit... by Joe Marsh**

**What's So Funny?**

Just finished reading a magazine article that "proved" you and I don't know what's funny.

A bunch of psychologists came to this sad conclusion after telling jokes to college students. Very often they would give out with what they considered a side-splitter—and not get even a chuckle in response. Other times the students would laugh their heads off.

Maybe I'm wrong, but what makes a psychologist such a better judge of humor than the rest of

us? If a man gets a kick out of a joke that proves it was funny to him—doesn't it?

From where I sit, when psychologists try to set up a standard for a sense of humor they're getting too serious for me. Stands to reason that different people laugh at different things, just as they have different tastes for most everything. I'm partial to a glass of beer with meals myself—but I don't want to make any "wise-cracks" if you prefer tea.

### Sunday School Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee  
(Exodus 1:7-14; 2:23-25)

#### "THE DETOUR - A NATION IN ADVERSITY"

You may think it is a great thing to be God, receiving the homage of untold myriads, and doing your own will everywhere with them all. But an English chaplain in the first World War called God's part the hardest part — to witness all this suffering and yet compelling himself to patiently train men to desire to do the right.  
It was the plan and purpose of God to take His chosen people down in Egypt and to have certain experiences that they might be trained to play their part as a nation.  
Joseph had wrought great things in Egypt. In this land of granite temples, solid pyramids and firm-based sphinxes he had climbed to the pinnacle of influence and power.  
But he did not feel he belonged to the order of things there.  
By faith he belonged to another place and to another order. He said to his people before his death, "God will surely visit you; and ye shall carry up my bones from hence."  
A king later arose who knew not Joseph. Our names and influence are so soon forgotten. This humble people which had been welcomed and settled in the richest part of the land soon became the objects of envy and hatred. Reduced to slavery, it looked as if these people of God had fallen to the lowest level. What benefit could lie as a hidden gem in this bondage?  
1. Character was being formed. It is in trial and suffering that we grow spiritually.  
2. They were learning government and law. This nomadic shepherd race were learning to dwell in peace among themselves and with others.

### The Link that unites Mid-America

Many ties bind the states and cities that, together, are called Mid-America.

The first thread was woven when the French explorers paddled their canoes from the Great Lakes to the Gulf. Then came the day of steamboats. In the foaming wakes of paddlewheels, commerce was born between North and South. Later on the steamers of Mark Twain's day linked up with Illinois Central trains from the North, drawing tighter the bond. Reaching West, Illinois Central trains joined the lands from the Great Lakes to the Missouri.

But the great link was forged at Cairo, Illinois, just 62 years ago this month when newspapers, north and south, hailed the completion of the longest bridge in the world.

Today the Illinois Central bridge, soaring high above the broad Ohio, is being strengthened to bear the heavier, faster traffic that joins the industry, commerce and people of Mid-America.

The heavier sinews of this great bridge symbolize the ever strengthening partnership between the North and the South of the land the Illinois Central serves—Mid-America.

W. A. JOHNSTON  
President

#### CLERK'S SALE OF REAL ESTATE

MRS. WALTER SMITH, et al. VS. MRS. LONIE TATE, et al.  
In The County Court For Lauderdale County, Tennessee NO. 2850

Notice is hereby given that the undersigned will on **FRIDAY, NOVEMBER 16, 1951** at 10:00 A. M. sell to the highest and best bidder for cash on the premises in Halls, Tennessee the following described property:

A house and lot with outbuildings in the Town of Halls, 12th Civil District of Lauderdale County, Tennessee bounded as follows:

Beginning at a stake in the west margin of College Street, same being the southeast corner of W. M. Sumerlin lot; runs thence west with Sumerlin south line 415 1/2 feet to a stake in Wilson Street; runs thence south with east margin of Wilson Street 181 1/2 feet to a stake in Rooks north line; runs thence south with Rooks north line 207 1/2 feet to a stake the same being H. A. Townsend southwest corner; runs thence north with said Townsend east line 82 feet to a stake the same being Townsend northwest corner; runs thence east with Townsend north line 238 feet to a stake in west margin of College Street; runs thence north with west margin of College Street 100 feet to the point of beginning.

Said sale in pursuance with orders of the Honorable J. R. Lewis, Judge of the County Court for Lauderdale County, Tennessee entered of record in my office of date October 23, 1951.

TERMS OF SALE:

1. Said sale will be for cash only.
2. There shall be a right to reopen bids for a period of ten days after sale, which right will expire on Monday, November 26, 1951 at 5:00 P. M.
3. Purchaser will receive this property free and clear of all incumbrances.

Witness my hand this the 23rd day of October 1951.  
N. C. UTLEY,  
Clerk, County Court  
E. T. PALMER,  
Sol. for Complainants.  
ROSS W. DYER,  
Sol. for Defendant's.

## Elementary News Notes

(Continued from Page 1) time for Halloween! It is time for spooky and hobgoblins, witches and broomsticks and black cats. Halloween means parties and story telling and lots of fun.

Wow! We've just finished our Achievement Tests! We got thru it but I wouldn't say that was easily done.

Thanks, Mrs. Mac, for letting us see "Tricks," the cowboy last Friday. We really did enjoy seeing him perform.

**Grade 4**  
This is a very busy week for the Fourth Graders. We are so busy taking tests and so excited and busy working for our Halloween King, Phillip Hurt, and Queen, Dawn Robertson.

We are glad to have Wilburn Hastings back in school. He was absent last week due to an attack of appendicitis.

We are happy to get our clock back and in perfect condition. Barbara Vaden, John Lamb and Lynn Ezekiel celebrated their birthdays last week. "Happy Birthday," Fourth Graders.

We wish to thank Mrs. Joe Hurt for our map. It is most useful in our unit of study about Egypt.

Danny Meeks, George Hurt, Larry Ezekiel, Dawn Robertson and Kay Wilson have brought clippings and pictures of the news each day and posted them on our bulletin board about Egypt and other world happenings of interest.

Eugene Pugh and Jerre Jordan keep us informed of the news obtained from this week's news.

Reporters for this week are Barbara Vaden and Joan Lamb.

**Grade 4 - 6 (Mrs. Daws)**  
We enjoyed the John Regan show Friday morning. The Sixth Grade was especially interested in the things he told about Australia. Twenty sentences about that country were used for the English lesson Monday.

Thanks to Larry Cooper for all the nice cardboard he has been bringing to the grade. We find many uses for it.

Linda Tomlinson brought beautiful autumn leaves for the desk. Rita Chipman and Mary Crumley brought yellow and white ears of corn for the fall collection. Jerry Smith brought acorns and hickory nuts and Finis Ashcraft brought pecans and other nuts. We hope to have our autumn table completed soon.

**Grade 5**  
Congratulations to Barbara

### NOTICE TO CREDITORS

Estate of Guy Ivy, Deceased. Notice is hereby given that on the 18th day of October, 1951, Letters of Administration in respect of the estate of Guy Ivy were issued to the undersigned by the County Court of Lauderdale County, Tennessee.

All persons, resident and non-resident, having claims, matured or unmatured, against said estate are required to file the same with the Clerk of the above named Court within nine months from the date of the first publication of this notice, otherwise their claims will be forever barred.

This 18th day of October, 1951, MRS. ANNIE HINTON IVY Adm. Estate of Guy Ivy, Deceased.

ROBERT S. THOMAS, Attorney.

### IN MEMORY

(In remembrance of my sister, Mrs. Mag Cone, who died October 12, 1951.)

In the graveyard safely sleeping, Where the flowers gently wave, Lies the one I love so dearly, In death I do the same.

Peaceful be thy sleep, "Dear Sister"

It is sweet to call your name, In life I loved you dearly, In death I do the same.

Once my heart was gay and happy, When I had my sister here; Now I am sad and lonely, As I wipe away the tears.

You are not forgotten, "Sister," Nor will you ever be, As long as life and memories last, I will remember thee.

Time may heal my broken heart, Time may make the wound less sore, But time can never stop the longing For my sister who's gone on before.

—Missed by your brother, Mr. Clarence Cates

Watts and David Hurt, Jr. who were chosen to represent our room in the King and Queen race for the Halloween Carnival.

Perrilyn Williams and Glendene Mills went to the circus in Ripley Friday. Perrilyn also enjoyed a trip to the zoo and a picnic at Overton Park Sunday. Joel Ferguson went to Missouri during the weekend and David Hurt was in Jackson.

We thoroughly enjoyed the program at the gym Friday morning.

**Grade 6**  
We are burdened down taking the state tests. We are nearly through the ordeal and are we glad.

We enjoyed the Cowboy program last Friday.

Betty Bradford is back in school after being absent so long. We welcome her back.

In our social class we've been studying the Hebrews who lived in Canaan, now Palestine, in southwestern Asia. We are enjoying the Bible characters.

Fractions in arithmetic make our brains whirl. We will soon be able to master them.

"Miss" Oma has been modeling some beautiful aprons that our mothers have sent to school for the P. T. A.

"Inky" Perry and Linda Tomlinson are our Halloween King and Queen. We just know they

will win over the other grades.

Come to our Halloween Party Wednesday evening, October 31, at the Elementary School.

**Grade 7**  
Hello there. Here we are again. We have just finished taking our state tests. We have elected our King and Queen for Halloween and they are Barbara Ford as Queen and John Roberts, King.

We enjoyed the cowboy show Friday given by Mr. John Regan who was born in England and reared in Australia.

**Grade 8**  
Hi, folks, the Eighth Grade wishes to thank you for voting for our King, Tommy McDearman, and Queen, Buna Smith. We hope you will keep doing so for we wish to win.

We are having I. Q. tests and we are tired of them. They will be over soon—we hope.

We are sorry to lose Wymond Lovelace who is moving to Chicago.

We enjoyed the program Friday presented by Mr. John Regan.

### FOOTBALL

(Continued From Page 1) to carry 73 yards for a touchdown. With the ball on the Union City 22 Crichtfield went to the Union City 3 with key blocks by Harrell and Hines setting up the

run. Then Newsome crashed across for the touchdown and then smacked the line for the extra point.

Union City came back to tie the ball game on a long pass from Moore to Edelman early in the 3rd quarter with Moore kicking the first of his three extra points. The Tigers determined to make a good showing promptly began to move up the field and Newsome through at the Halls 37 and went 63 yards for the second Tiger touchdown. Union City scored their second touchdown and tied the game on a long pass to Daniels and that was the third quarter.

With only some three minutes left in the ball game Union City scored their winning touchdown after a Union City linesman had stolen the ball and placed them in a scoring position. Twice Newsome just missed being in the open and away for a third touchdown for Halls during the fourth quarter as desperate Union City dives managed to throw him off balance both times. At the end of the game the Tigers were moving deep into Union City territory and showed every evidence of intending to score another touchdown but time caught them at about the Union City 32-yard line.

A writeup of the game would not be complete without mention of the greatly improved defensive

play of the Tigers with Tom Bel-ton and Jake Dunaway showing numerous occasions. Union City up especially well. Despite a fine set of backs the Obion County Tennessee this year.

Tonight the Tigers will travel to Millington and on the basis of the game last Friday night should rate well against the Shelby County although Millington should be given the edge on a comparative basis.
