JOHNSTON—The Halls Graphic is authorized to announce Sam F. Johnston as a candidate for nomination as Direct Representative in the General Assembly of Tennessee for Lauderdale County in the forthcoming Democratic Primary election.

PMA News

(Continued From Page 1) struggle to build and maintain our soil and water resources.

The Agricultural Conservation Program has approved an effective means of helping farmers to carry out needed conservation practices. Beginning in 1952, the revised program will offer farmers even more direct and effective aid in keeping up their land. How surely and how speedily the vital conservation job is done will depend upon the action of individual farmers cooperatively using the assistance offered through the Agricultural Conservation Program, in

both their own and the national interest.

1951 Applications For Payment There is very little time left in which farmers can report the practices carried out on their farms during 1951 and get a payment. Remember February 15th is the deadline.

CARD OF THANKS

We would like to express our deep appreciation to our friends and neighbors for the many kindnesses shown to us during the illness and passing of our beloved daughter, Teresa Diane. The words of sympathy, the beautiful music, the floral offerings, the food brought in by the neighbors and every act of kindness means a great deal to us during our loss. Mr. and Mrs. Lexie Holt

CARD OF THANKS

With hearts full of love for all of our dear friends and neighbors and relatives who were so very kind to us during my two months' illness at home and in the hospital, I want to say thank you for all the pretty cards, letters, phone calls, the nice things to eat and all the nice things done for us in any way and in helping us in any way. May God's richest blessings be on each of you is our prayer. We do love all of you. Mr. and Mrs. A. P. Burks

CARD OF THANKS

It wouldn't be possible to express the deep feeling of gratitude which we have for those who sent us cards, flowers, letters, visits during Sam's recent illness. It is difficult to believe just how welcome all of those things are when illness has you confined. Many, many thanks to everyone. Mr. and Mrs. Sam Thomas

Fifteen Drafted From Lauderdale

The first group of 1952 draftees from Lauderdale County left Friday morning, January 25, from Ripley for military duty.

BLACKWOOD BROTHERS QUARTET

May now be heard each morning, except Saturday and Sunday, over Radio Station

WDSG -- DYERSBURG -- at -- 6:45 A. M. x-x-x-x

Your John Deere Dealer, FARMERS IMPLEMENT & SEED CO.

at Halls is sponsoring this program.

Be sure and turn your dial Radio Station WDSG -- 1450 on Your Dial -- -- Dyersburg --

each morning at 6:45 and hear the popular Gospel songs by the

BLACKWOOD BROTHERS QUARTET

The white draftees were Charles Arnold Sasser, William Farris Jones, Genevieve Lilley, Jr., Jack Black and Robert L. Allen.

The colored were Robert L. Peete and Johnnie B. Dyson, volunteers, Willie Albert Edwards, George M. Purham, Johnnie C. Lee, Willie L. Wright, Roosevelt Mayfield, Jr., L. T. Gooch and James S. Casey and Howard Brown, Jr., transferred.

At The Theatre ...

"The Racket" Exposing the sinister combination of crooked public officials and gangster leaders, Edmund Grammer's production, "The Racket," stars Robert Mitchum, Elizabeth Scott and Robert Ryan in Howard Hughes' presentation.

Mitchum portrays a hard-boiled police captain who hates all crooks, and particularly Ryan, a top gangster whose political connections have long kept him from arrest. By adroitly fanning the conflict between Ryan and his associates and inducing Miss Scott, a nightclub singer, to tell what she knows about Ryan's affairs, Mitchum

manages to get the gangster on a spot where he has to pay the penalty for his crimes.

"The Racket" shows at the Halls Theatre on Sunday and Monday, February 3 and 4.

"Two Tickets on Broadway"

The romance of a pair of young people trying to get a start in show business motivates the gay plot of Howard Hughes' presentation, "Two Tickets on Broadway," which shows at Halls Theatre on February 7 and 8.

Tony Martin and Janet Leigh head the stellar cast of the film.

PHONES Daytime 2811 Night 5261

Office: Townsend Daws Co., Inc. Halls, Tennessee

The cast also includes Gloria De Haven, Eddie Bracken, Ann Miller and Barbara Lawrence. Martin and the four girls all portray youngsters with theatrical ambitions, and Bracken is cast as a booking agent whose erratic schemes to encour-

age those ambitions make for plenty of hilarious happenings.

The meaning of the word Tennessee, of Cherokee Indian origin, is unknown. It was adopted as late name in 1796.

LOOK FO' DE BULLDOG ON DE BAG!

- that's NATURAL Chilean Nitrate ... rich in sodium and minor plant food elements

Nitrate Nitrogen All the nitrogen in Natural Chilean Nitrate is fast-acting nitrate. Dissolves in normal soil moisture ... is completely available to the crop. Nitrogen increases yield and improves quality of food and feed crops ... nitrate of soda furnishes more nitrate nitrogen than any other alkaline nitrate.

Sodium - Improves crop health and vigor Natural Chilean Nitrate is rich in sodium - contains 26% of this element (equivalent to 35% sodium oxide). Sodium can act like potash - may partially substitute for it in potash-deficient soil. By itself, sodium increases the availability of

applied phosphate ... tends to have a "sweetening" effect on the soil.

Rich in minor plant food elements

Natural traces of other elements are found in Chilean Nitrate. These include iodine, manganese, copper, zinc, boron, magnesium, calcium, iron and sulphur. In small quantities, these elements are essential to proper plant or animal nutrition.

Free-flowing pellet form Chilean Nitrate can be applied in any standard distributor. For larger yields and top-quality crops, order Natural Chilean Nitrate of Soda - proved by more than 100 years of experience.

Local Happenings

Mrs. Loyd Dodson and Mrs. J. L. Spencer of Unionville shopped in Halls Wednesday afternoon.

Miss Marjorie Hopkins and her parents have recently moved to the Mrs. E. F. Rawles home on Hall Street. Miss Hopkins is employed by Apco Fertilizer Co.

Don't Forget To Meet Your Friends at PERRY'S 10c STORE
Halls, Tennessee

We're Always Glad To Have You

Mr. and Mrs. J. R. Cole of Memphis spent Sunday with Mr. and Mrs. Bob Poindexter.

Mrs. Buford Pitcock and little daughter, Barbara Ann, left on Thursday to join Mr. Pitcock at Batesville, Miss.

Mrs. Will Sumerlin and Mrs. Winston Daws and daughter, Cathy, visited in Memphis during the weekend.

Mr. and Mrs. C. W. Armstrong left Sunday for Florida.

Mr. and Mrs. Lawson Spence of Dyersburg announce the birth of a daughter at Dyersburg on Sunday night.

Mrs. Cecil Sumrow has been sick for several days.

Mr. and Mrs. William Manuel are the parents of a baby daughter born Thursday night, January 24th, at their home on Park Street. The young lady has been named Pamela.

Ivan Butler left Tuesday morning for Dallas, Texas, where he expects to enter the employ of Consolidated Aircrafts. He has recently sold his shoe repair shop here. His wife and children will join him in the near future.

Noel Sherrod is in Nashville this week attending Grand Lodge of the Masons.

"Sow a Want Ad Seed and Reap a Harvest of Results."

GERALDINE THURMOND WEDS ALLEN LINSON

Miss Geraldine Thurmond, the daughter of Mr. and Mrs. Marvin Thurmond of Gates, and Allen Linson, son of Mrs. Hattie Linson of Halls, were married in a ceremony at the Halls Methodist parsonage Tuesday. The Rev. H. A. Goforth, pastor, performed the ceremony at 3 o'clock.

The bride wore a navy blue suit with navy accessories. Her shoulder corsage was made of yellow flowers.

The couple is making their home on Locust Street. Mr. Allen is employed at the Milan Arsenal at Milan, Tenn.

BIRTHDAYS ARE OBSERVED WITH DINNER HERE

Little Barbara Ann Pitcock and her great-aunt, Mrs. William V. Lightfoot of Savannah, and Mrs. Lightfoot's daughter, Miss Marilyn Lightfoot, celebrate the same day each year for their birthday.

Last Thursday night Barbara Ann and Mrs. Lightfoot enjoyed a family reunion and birthday dinner at the Perry Hotel. Each of three tables was centered with a lighted birthday cake, with Miss Lightfoot's cake being sent to her at the University of Tennessee at Knoxville.

Guests at the event were Mrs.

Idell Lightfoot and Mr. and Mrs. James Williams and daughter of Ripley, Mr. and Mrs. G. C. Meadows and three daughters, Mr. and Mrs. Leon Meadows, Mrs. J. T. Meadows of Unionville, Mr. and Mrs. Johnnie Meadows, Mrs. Nolan Williams, Mr. and Mrs. Dan Pope of Memphis, Mrs. Buford Pitcock, Mr. and Mrs. W. A. Perry, Inky Perry and Mrs. T. G. Avery.

A delicious chicken dinner was enjoyed and the many gifts were unwrapped following the dinner.

RESOLUTIONS

WHEREAS; Our Heavenly Father, in His Infinite Wisdom, deemed it wise to call home to Himself, on Monday, December 10th, 1951, our fellow class member and Brother-in-Christ, Henry Grady McCorkle; and

WHEREAS; We are taught in His Blessed Word that, as His children, we are not to question the decisions God makes, or the actions which He takes, but are to humbly submit to His Divine Will; and,

WHEREAS; In the passing of Mr. Mac, as he was affectionately called, The Men's Bible Class of Halls Baptist Church realizes that we have given up a true friend; a loyal member of our Church; a fine, Christian gentleman who devoted all that he had to the mental, physical and spiritual development of the children of Halls and surrounding community, and a man whose leadership and influence will be missed by all; now,

THEREFORE BE IT RESOLVED; That we express to his family our love and deepest sympathy in their sorrow, and commend them to our Saviour and Lord, who alone can give the peace that passeth all understanding.

BE IT FURTHER RESOLVED; That a copy of these resolutions be sent to his family; a copy be published in the Halls Graphic, and a copy be spread on the minutes of our Class.

Men's Bible Class

A PRACTICAL LESSON IN CHRISTIANITY FOR ALL

This is the topic of the sermon Sunday night at the Halls Church of Christ with services beginning at 6:30 p. m. Everybody is invited.

Bro. Tom Estes, the local preacher, contends: "Christianity is practical; the commands of God are practical; the lessons and the teachings of the Bible are practical. Yet, if these commands are not known; if these lessons are not taught, Christianity is reduced to only a warped idea of living. It is necessary that all people lay aside all prejudices and those things which tend to divide, and study together in a spirit of love and understanding with a view toward taking a united stand upon God's truth."

"Many people fail to receive numerous spiritual blessings because they fail to attend the night services of the church. People who wilfully stay away from the services of the church (morning or night) without acceptable reasons can't truthfully say that they have love in their hearts for God and His Word, because, if they did, they would want to be out at all the worship services. You can't love God and not love His people and the fellowship of His people. You can't love God and not love to hear His Word. You can't love God and not be interested in His work. Love manifests its degree by acts of obedience and efforts. How much do you love God? Sufficiently to be out to hear this preaching of the Word Sunday night?"

Funeral Services For Oscar Gaskins

Services for Oscar Gaskins were held at 2 Sunday afternoon at the Enon Baptist Church in the Nankipoo community with Bro. Owens, Baptist minister, officiating. Burial was in Halls Cemetery with Sudbury Funeral Home in charge.

Mr. Gaskins died at his home in Nankipoo early Sunday morning, January 13, following a heart attack. He was born in Henry County near McKenzie, Tenn., where he was a well known farmer. He later moved to Missouri and then to Lauderdale County. His body was held for the arrival of his son who was in Korea but arrived home Saturday afternoon. He was 72 years of age and a

member of the Baptist Church. He is survived by his wife, Mrs. Lalar Noel Gaskin; four daughters, Mrs. Willie Beasley of California, Mrs. Jessie Williams of Goldust, Mrs. Ellis Moody of Arbyrd, Mo., and Mrs. Charles Thompson of Steele, Mo.; four sons, Curtis R. Gaskin of Memphis, Johnnie Gaskin with the Army in Korea and William Gaskin of Nankipoo; and one brother, Curtis Gaskin of Huntingdon, Tenn.

REGULATIONS REGARDING AUTO TAGS

1952 TAGS WILL GO ON SALE MON., MARCH 3

1952 Tags will go on sale on Monday, March 3rd. These Tags will be sold in numerical order beginning at Number One. Each box will be sold out before another box is opened. But, once again we will try to give you the numbers that you desire, but to obtain these numbers there is something you will have to do:

You have 30 days in which to mail to this office the Registration Certificate for the car for which you want the tags and a check for the price of the tags.

When we come to the numbers that we have checks and registration certificates for they will be written up and you can come in and claim your tags. NO TAGS WILL BE SAVED UNLESS we have your check and registration certificate. If you have lost your registration paper—the slip we gave you when you bought your 1951 tags—you will be issued one free here at this office if you apply before March 1st.

If you have bought a new car and used your tags as a replacement, be sure and send the registration for the last car you bought so there will be no error in Make, Model, and Motor Number.

It is our policy to please you the best we know how but we must have your help and cooperation in order to do this. So, don't come in the later part of March and expect to get your Low Number unless you have complied with our request.

We will be unable to save your Tag for you unless you have made an Application of Title. Therefore, do not ask us to save a special tag without first making application for said title.

(Continued from Page 1) Paulette Stanley, Pat Younger, Beverly Cannon, Sammie Steelman, Sue Chronister, Rochell Dav-

is, Faye Davis and Jerre Perry led our devotion last week. Almost all of us went to Sunday School last Sunday. We extend our sympathy to Mr. Holt and family in the loss of their baby this past week. Doyle Davis' little brother, who

was injured by a car, is getting along nicely. Fourth Grade — We sang "Happy Birthday" to Carolyn Freeman. We are proud of our wonderful cooperation in the "March of Dimes."

We want to thank Mrs. McCorkle for letting us have our pictures made. Thanks to the Coca Cola Company for our new bulletin board. We enjoyed Chet Dixon and his marionettes Wednesday.

We are sorry that Carmen Belton had the misfortune of bursting his ear drum. Abraham Lincoln and George Washington are the stars of our historic studies.

We express our sympathy to the Holt family and Emma Sue Kesterson. We want to thank our mothers for cooperating so well with us at the PTA meetings. Thanks, to you, Mothers!

Fifth Grade — We enjoyed Chet Dixon and his puppet show last Wednesday. Our poem this week is "The Cold Little Icicle."

We were very sorry to lose Jeffie Sue Reynolds who has moved to Friendship. Our drawings of "Old Ironsides" and the "American Flag" are very good. You should see them.

Sixth Grade — Happy Birthday, Wymond Thurmond. Thanks to Mrs. McCorkle for letting us see Chet Dixon and his marionettes. We are happy to have a part in the "March of Dimes."

We want to thank the Coca Cola Co. for our bulletin board. We enjoyed the 8th Grade games with the Forked Deer teams. We express our sympathy to the Holt family in the loss of their daughter, Teresa Diane.

We had 20 hundreds in spelling last week. Several of us failed to go to Sunday School last Sunday but hope to do better next Sunday.

Thanks to Mrs. McCorkle for our beautiful picture. 4th & 6th Grades — Mrs. Daws We are enjoying our Science Club now. The 4th Grade is studying spiders while the 6th Graders are interested in planets and constellations.

Barbara Sasser is president and Anita Johnson is secretary of the 4th Grade Club. Ray Garrison and Evalyn Smith are the 6th Grade club officers. We sang Happy Birthday to Finis Ashcraft.

Our favorite poem now is "Pleasant Sounds," by Leo Orleans. Our 4th Grade "reading aloud" period is proving to be very helpful.

Seventh Grade — We enjoyed the program put on last week by Chet Dixon. We were glad to have our pictures made Friday.

We are happy to have John Roberts and Betty Jackson back a ter a period of illness. We are enjoying the story "Birth of the Nations" which is in our reader.

Eighth Grade — Hurrah! Hurrah! We walked away with another victory Friday when we beat Forked Deer. We also won over Obion Saturday night with a score of 29 to 8 while the boys lost 22 to 15. High scorer in both games were Carolyn Carter and Donald Smith.

We enjoyed Chet Dixon and his marionettes Wednesday. We were pleased to have our "beauty" taken Friday.

We express our sympathy to the Holt family in the loss of their daughter. Basketball — On January 26th Halls 8th Grade went to Obion for a game with Obion 8th Grade. They came back with a victory of 29 to 8. Carolyn Carter led the girls with a score of 16 points.

We regret that the boys lost 22 to 15, even though they did play a good game. Sonny Higdon was high scorer for the boys with a record of 7 points. We'll be back next week.

with their son, A. T. Manning, Jr. and family in Memphis. Mr. and Mrs. S. C. Anderson and Raymond Carmack from Memphis spent Sunday with their father, A. B. Carmack. Rev. H. Heathcott and W. H. Land spent Sunday in Finley.

Mr. and Mrs. Aaron Queen of Curve spent Sunday visiting his sister in Memphis. (Mr. and Mrs. William Allen and son of Covington visited Mr. and Mrs. Bob Smith Monday.

Mr. and Mrs. Vernon Parson and family of Covington and Mr. and Mrs. Jayroe Barrard and daughter of Memphis visited Mr. and Mrs. Bob Smith and family over the weekend. Gloria Smith is visiting relatives in Covington this week.

Bob Mason of Brownfield, Texas has been visiting friends here but has now gone to Lebanon, Tenn. Mr. and Mrs. R. H. James and daughter spent the weekend in Humboldt visiting his parents. (Mr. and Mrs. A. C. Carter spent Sunday in Martin and at Reelfoot Lake.

PERSONALITY WINNER (Continued From Page One) be banded or blocked in the cold frame for added earliness and higher yields, the horticulturists advise. Standard varieties are Rutgers, red variety; and Gulf State, pink

variety. None are resistant to late blight, growers are warned. A fixed copper spray or other recommended fungicide used at least twice in the coldframe will mean very little spraying for disease, except for late blight.

F. H. Paschal (Continued From Page 1) commendations. If more Ammonium Nitrate is used, the cotton might produce more "weed" and less lint cotton. It might mature too late. Corn will make use of considerably more nitrogen than cotton for maximum yields. A total of 172 soil samples were sent to the laboratory last year from Lauderdale

County. Dyer County farmers sent 338 samples and Crockett County farmers sent 543 samples. This is a good time of year to get soil samples of land to be planted to corn, cotton, soybeans, permanent pastures, alfalfa, and other crops in order that the right kind and amounts of fertilizers and lime can be purchased and applied for the highest yields and greatest profits. Soil test boxes will be mailed from the County Agents office on request by telephone or otherwise.

With an official 1951 yield of 8,380 pounds of lint cotton on 5 acres, J. M. Smith of South Carolina set a new high yield record for the cotton belt.

SINKERS Planting Cotton Seed

We are headquarters for SINKERS cottonseed in this territory.

- Use Corn Planters. Goes Four Times as Fuzzy Seed. ● 90% or Better Germination. ● SINKERS Proved the Best Last Season Under the Difficult Conditions Prevalent Then in Getting Stands. ● 100 lbs. of SINKERS Cottonseed Will Plant 12 Acres. ● Will Be Up to a Stand in Three or Four Days with Very Little Moisture Present. ● May Be Plowed in Six or Seven Days. ● Five Varieties — D. P. L. Fox, D. P. L. 15, Stoneville 2-B, Empire, and Coker Wilt Resistant.

Annual Report to our friends and neighbors

FOR YOU — meaning all the people of Mid-America — the Illinois Central last year hauled more than 2 1/2 million carloads of freight — food and clothing, coal and lumber, raw materials and finished products. For all these things we provided economical transportation . . . the rate averaged only 1.2 cents per ton-mile. We also carried 4 1/4 million of you on safe, comfortable journeys on through trains, plus 35 million rides for suburban passengers.

To do this job we paid out:

- TO EMPLOYEES Of every dollar taken in, employees received 52 cents in wages, the total being . . . \$155,000,000 We also paid payroll taxes for the benefit of employees of . . . \$8,456,000 TO SUPPLIERS To those all along the railroad supplying us with goods and services, we paid . . . \$64,933,000 TO GOVERNMENTS Governments — federal, state and local — received in taxes a total of . . . \$31,663,000 TO BONDHOLDERS Men, women, institutions and corporations owning Illinois Central bonds and equipment trust certificates received interest payments totaling . . . \$8,539,000 TO THE OWNERS Stockholders received in dividends slightly less than 1 1/2 cents of each dollar taken in, or . . . \$5,193,000 DEBT PAID OFF During the year, maturing bonds and equipment obligations were paid off and unmaturing bonds purchased, totaling . . . \$24,974,000 REPLACEMENTS and IMPROVEMENTS We spent for the replacement of property and improvements a total of . . . \$27,153,000 Because of prevailing high costs, depreciation and amortization covered only \$12,601,000.00 of this amount.

The expenditures listed above used up all of the \$299,653,000.00 taken in during the year, plus \$14,300,000.00 from the sale of new equipment trust certificates and \$11,958,000.00 from working capital saved in prior years.

As it did in its first 100 years the Illinois Central in 1951 continued to use its own property and pay its own way, including its full share of state and local taxes. The only favor we seek is yours and all we ask is the right to earn it.

W. A. JOHNSTON President

Telephone Service is Growing, too

and the cost is up far less than prices in general!

"LADIES" already! My how they have grown! And you can say the same for Tennessee's telephone service.

IN JUST EIGHT years in Tennessee, the number of telephones you can call has more than doubled.

BEST OF ALL, the price of this bigger, better "package" of service has gone up on the average far less than prices in general . . . and less than our cost of providing the service.

ALWAYS a bargain, telephone service is today an even better buy than it was ten years ago and a smaller part of the family budget.

C. J. YATES, Tennessee Manager

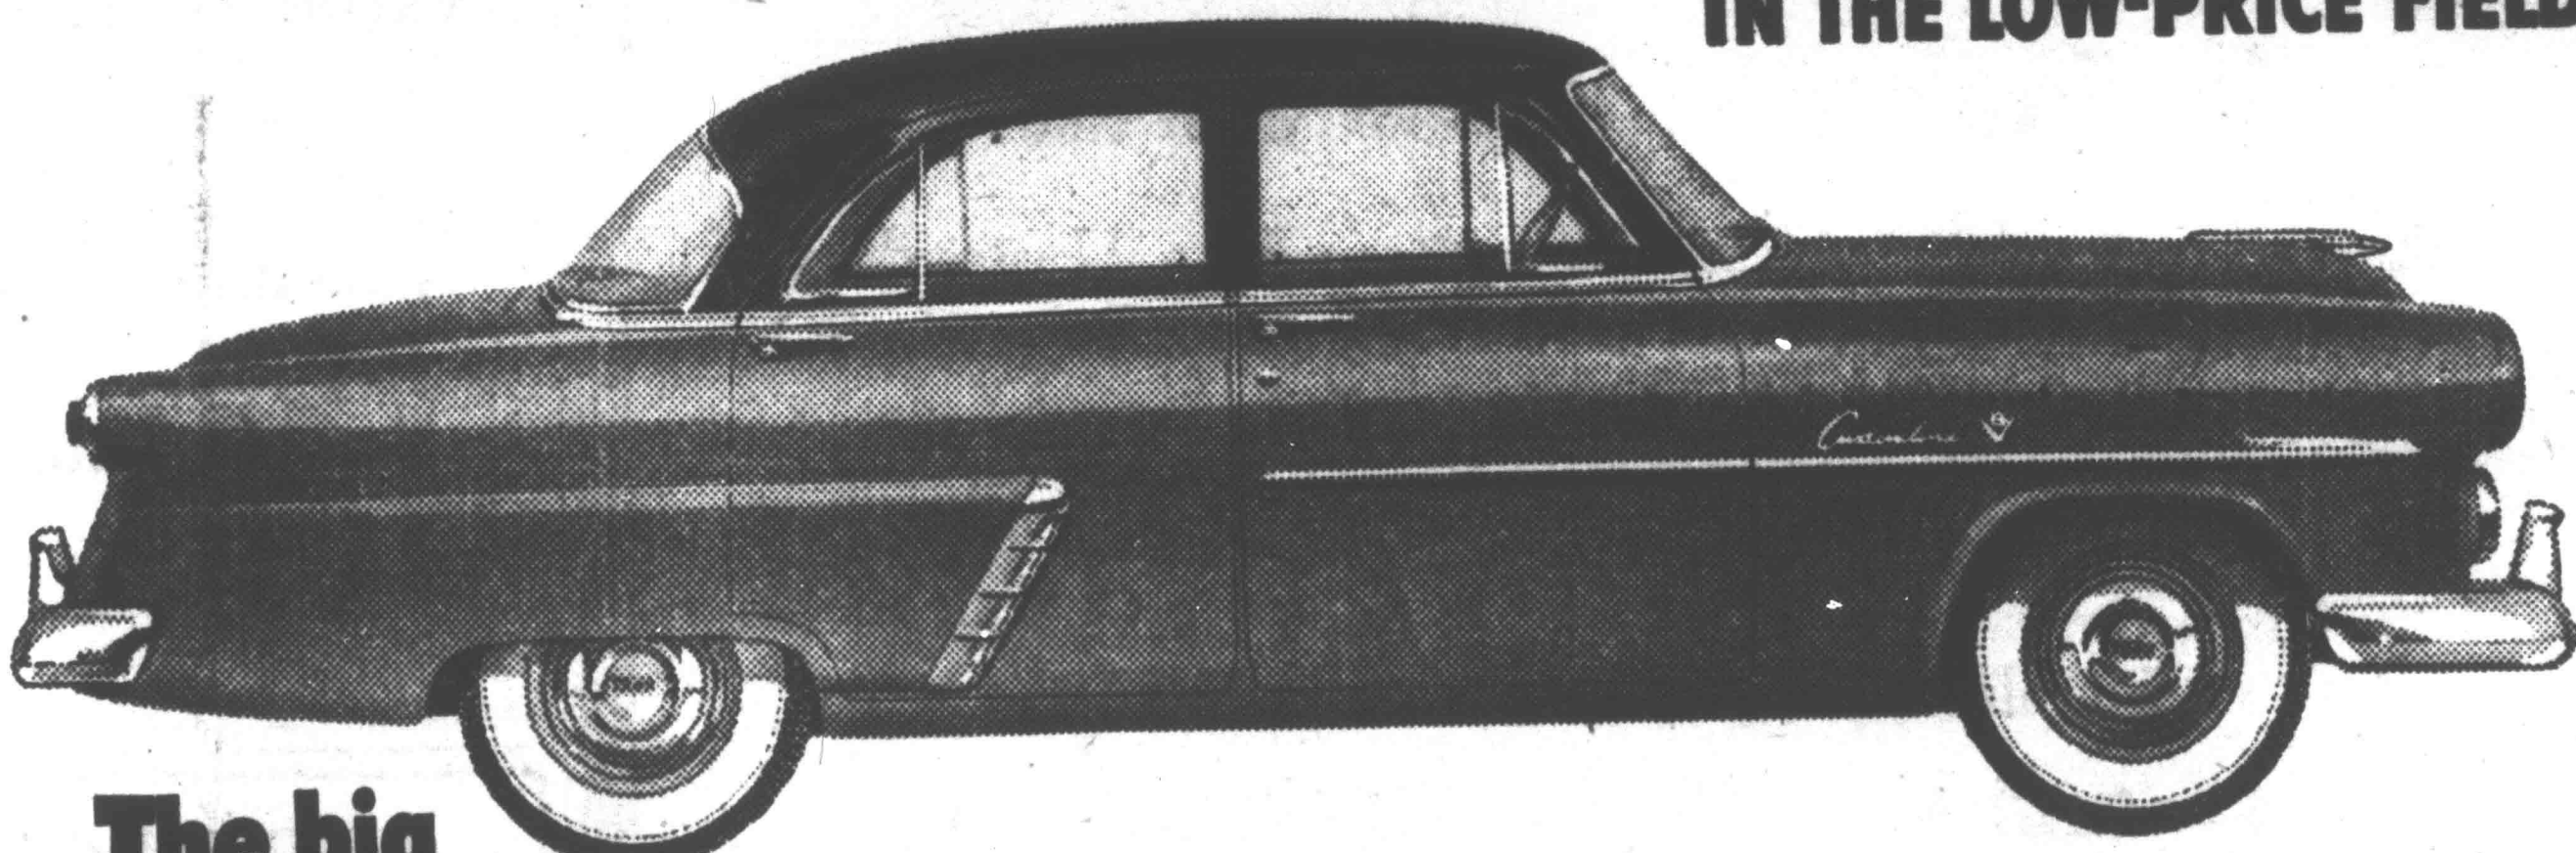

LONG DISTANCE CALLS go through faster when you give the operator the out-of-town telephone number.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

Today!

THE GREATEST CAR EVER BUILT IN THE LOW-PRICE FIELD

The big 1952 FORD

Out-rides them all!

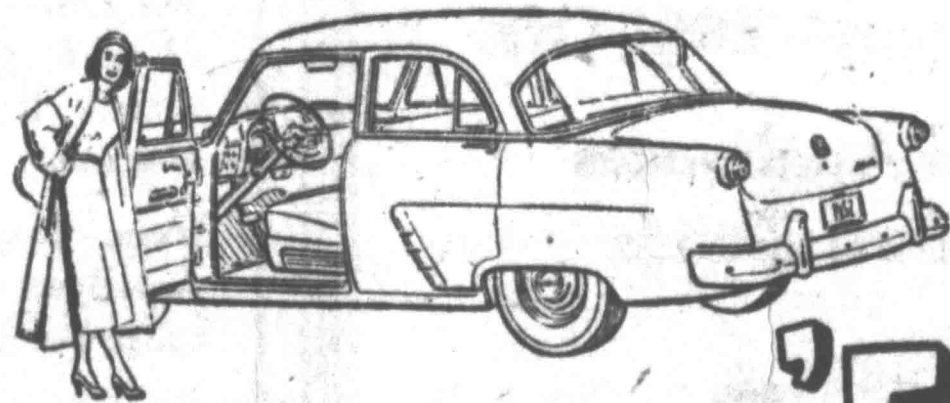

The '52 Ford gives you riding comfort such as you have never before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Disc Control gives you the smoothest, easiest ride of them all — a level ride on straightaways, an even keel on curves.

Out-sizes them all!

The '52 Ford has longer wheelbase, wider front tread and greater length. It's big outside and big inside, with spacious seating for six and the largest luggage locker of them all.

Full-Circle Visibility!

With narrower corner pillars, picture windows all around and a rear window that's 48% larger you have "all-direction" vision that adds to your enjoyment and your safety.

Out-performs them all!

Ford's completely new 101-h.p. high-compression, low-friction Six, with free-turning overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

Exclusive Power Pilot Economy!

Both the new Ford Mileage Maker Six and the Strato-Star V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetor-ignition-combustion system gives you high-compression "go" on "regular" gas.

New Coachcraft Bodies!

Ford's new Coachcraft Bodies are longer, stronger . . . distinctive in their modern beauty. They offer new hull-tight construction which seals out dust, weather and noise. And Ford has more color and upholstery combinations than any other car in its field.

Out-values them all!

With such modern design and engineering features as new Flight-Style Control Panel, new Power-Shift Clutch and Brake Pedals, new Center-Fill Fueling, and new counterbalanced hood and deck lid, Ford adds up to more dollars and cents value than any car in its price class!

You can pay more but you can't buy newer or better!

'52 Ford

PMA News

(Continued From Page 1) Marketing Administration, gave a comprehensive discussion of what is expected of agriculture now, and then projected that responsibility out into the future 1975. Explaining by means of slides that where a table now has to be set for four, there will be five plates to fill in 1975, he warned that most of that increased need must

come from land we have now. Not much more agricultural land can be brought into the picture, he said. He did say, however, that one of the ways we can prepare now for this additional population is to renovate and make productive the idle land found on almost every farm—land that is now producing only broomsedge and briars. "There is only just enough meat, dairy products, and eggs—the high protein foods—for the population we now have. We shall have to give serious thought now to the feeding of these additional people if the food's to be available then."

The afternoon session of the meeting was given over to the discussion of the programs administered by the Production and Marketing Administration (PMA) on county, state, and community levels. All County and Community committeemen were in attendance. The Agricultural Conservation Program and its relation to the problem of all-out crop production now and in the future was discussed at length. Crop adjustments, price supports, storage, crop insurance, and better administration of all the programs were given attention.

F. H. Paschal

(Continued From Page 1)

will kill rats without giving them any warning and for that reason it is possible to kill the very last rat on a farm if the bait is kept available as long as any is being eaten.

This wonder bait has the advantage that it also is very attractive to mice and kills them as well as rats. In spite of all the special claims that some companies make for their particular brand of Warfarin, it is all made by the same formula and the word "Warfarin" must appear on the package of all brands of rat bait made from this material. Results achieved from one brand or from the original government formula are the same as for any other.

Warfarin kills rats by causing them to bleed internally after they have eaten some of it at 24 hour intervals at least three times. It is not expensive but it must be kept before the rats five to fourteen days or as long as any bait is being eaten in order to do a complete job of ridding a homestead of rats. Plan to participate in this countywide campaign this month.

BAPTIST WMS MET MONDAY NIGHT

The W. M. S. of the Baptist Church met Monday night at the church with twenty-six members present.

The meeting was called to order by the president, Mrs. D. C. Warren, with prayer by Mrs. W. E. Ralph. The Florine Miller Circle had charge of the program, the theme being "Ministry of Prayer" with Mrs. Marvin Hansford as leader.

The devotional was given by Mrs. J. B. Keltner. Mrs. James Hayes sang "My Prayer."

Others taking part were Mrs. W. E. Ralph, Mrs. Axford Pickens, Mrs. Carmen Belton, Mrs. Blankenship Williams, Mrs. Kenneth Oids and Mrs. Neil Keltner. Closing prayer was by Mrs. E. J. Shannon.

"THE BASIS FOR UNITY FOR ALL CHRISTIANS"

This will be the subject at the Church of Christ on Sunday night at 6:30 p. m. This sermon, by Bro. Tom Estes, is to be a continuation of the sermon last Sunday evening at which time it was pointed out that divisions among God's people are forbidden and that unity is demanded.

Everybody is invited out to hear upon what platform God says this unity can and must be reached.

Many homes are divided and sometimes even broken up because of the division that does exist in religion. Many take pride in their denominational choices and back-

ground, unaware that they are doing so at the expense of many souls who are being lost because the division that does exist between the different churches causes them to see not the love of Christ in Christianity, but only arguing, fighting and factions.

Regardless, then, of what denomination you are a member of or if you aren't a member of any denomination, this lesson will be beneficial to you in that it will make known how denominational barriers can be broken down and all become "one in Christ Jesus."

German-Born Memphis Girl Wins \$1,000 Lion Oil Scholarship

Happy Ellen Schiffman receives \$1,000 scholarship award from Stuart Berryman, Lion Oil Scholarship Fund representative. At right, Miss Elizabeth Clinton, Ellen's English teacher, looks on proudly during special assembly at Central High School, Memphis. Miss Clinton received \$200 for sponsoring the prize-winning essay. The ceremony was broadcast over radio station WMC, Memphis.

Ellen Schiffman, whose parents fled Nazi oppression, wins chance at additional \$3,000 Grand Prize Scholarship with sincere, moving essay on "What Does My Country Deserve From Me?"

Fourteen short years ago, Fred Schiffman was forced to leave his native Saarbrücken, Germany. A friendly America adopted him, and he settled his family in Memphis, Tennessee.

Perhaps this is a good reason why 17-year-old Ellen, his daughter, felt she should enter the Lion Oil contest . . . and why she did so well. At any rate the judges for this second essay competition had no trouble in choosing Ellen as first-prize winner.

The pretty, popular Central High School student from Memphis plans to get her degree, then teach English and history. In her own words, she "wants to help the young people of the South get a good education."

1st prize winner — Graduate Miss Elizabeth Clinton plans to use the \$200.00 she received for sponsoring Ellen Schiffman for an "enjoyable vacation."

2nd prize winner — Second Prize — \$250.00. Lucky, hard-working, second-prize winner Norma Sue Roop of Ft. Smith, Arkansas High was first-prize winner of one of the '51 contests.

3rd prize winner — 3rd Prize — \$100.00. And Maxine Hodges of New Albany, Mississippi High School was another repeat winner! She had been second-prize winner in the first Lion contest during the current school year.

3rd prize winner sponsor — Mr. Hollis McNeer, Maxine's journalism teacher will receive a \$50.00 cash award for sponsoring his second prize-winning student essay.

Judges of the contest were: Chancellor Harvie Branscomb, Vice-Chancellor Madison Sarratt, Prof. Edgar Hill Duncan, Department of English, and Prof. Herman Nixon, Department of Political Science, all of Vanderbilt University, Nashville, Tennessee.

Why Lion Oil Scholarship Fund Was Established The Lion Oil Scholarship Fund was originated by Lion Oil Company in 1950 to broaden the educational opportunities of Southern Youth . . . Our Future Leaders. The program was expanded this year to provide scholarships not only for students, but also for high school teachers so that they may share the benefits of advanced education with Southern boys and girls . . . sons and daughters of Our Good Neighbors. For Lion Oil is part-and-parcel of the South, with more than 2,400 men and women on its \$11,000,000 annual payroll. Lion fuels and lubricants help turn the wheels of Southern industry. Lion chemical fertilizers step up yields of Southern agriculture. We're "Home Folks" in the Southland.

From where I sit... by Joe Marsh

Jiggs Gets Four "Hot-Foots"

Cappy Miller's bought himself a new car. We won't be seeing his old jalopy bouncing over the back roads any more. I'm going to miss it, too.

Many a morning Cappy and I drove off in that rattletrap for a day's hunting or fishing. We'd pile rods or guns in back, and prop open the trunk compartment—so Jiggs, Cappy's pointer, could jump in and go along.

They say when Cappy brought the new car home he opened up the hood to show off the engine—and poor old Jiggs hopped right

in! Figured it was the trunk. He hopped right out in a hurry, too. That cylinder head was mighty hot.

From where I sit, old habits are hard to shake, once they get a hold. Like, for instance, too many people are still in the habit of trying to run their neighbors' lives—telling them how to act, what to wear, whether or not to enjoy a refreshing glass of beer. I say that kind of thinking's outmoded... ought to be turned in for a new model!

Joe Marsh

We are missing Jerre Jordan and Wanda Climer. We hope they will soon be well of the measles. February is a busy and interesting month with its many red-letter days. Our calendar, drawn by Raymond Belton, shows a log cabin, a large frilly heart and a bunch of cherries.

The 4th Grade section is making "Lincoln" booklets and learning to cut letters this week. We enjoyed making February calendars for our mothers last Friday.

We sang "Happy Birthday" to Tom Frand Paschall, our new pupil, last week.

We are making a record board which will help us keep up with the library books we read.

We are sorry Martha Dawson has been sick. We have missed her very much.

The 6th Grade group is having some very interesting Science Club meetings. Their subject this week has been "Limestone and Crystals," including the formation of pearls. A nice collection of exhibits were brought to class.

Sonny, Woodley conducted a "Story Hour" program Thursday. The program consisted of a story, a book review, and songs.

We were glad to take part in the March of Dimes campaign. Our contribution was \$8.80.

Our devotional last Friday was led by Joel Ferguson with all on his row taking a part.

Several in our room have been sick. Bobby Sheckels is back after having the flu and Gloria Reece is back after having a cold.

We are proud of Lindell Baker whose drawing of a boy throwing a snowball took up one page of The Counsel, REA publication.

Lorelle Rainey had a birthday Saturday.

We have finished our study of France and we are proud of the English posters that Mrs. McCork'e gave us.

We have two new pupils and we welcome them to our room. They are Randolph Caviness and Jean Paschall.

Isaac Reynolds has been sick and we are glad he is back in school.

We are happy that we have finished our health book and we are

looking forward to our study in science.

We were glad to have a part in the March of Dimes.

We are glad to have Molly Watts back after two days of sickness.

The 7th and 8th Grade boys won a basketball game over Forked Deer Friday. The 8th Grade girls also won over Mumford Friday night.

Happy Birthday to Larry Steelman and Ray Bradford! We wish them many more.

We were proud to have taken part in the March of Dimes to help the crippled children. We hope you gave too because you too could have polio the same as others.

We are proud of our magic board cleaner.

We are proud of the 8th Grade because they defeated Mumford last Friday night. The score was 50 to 14 in favor of the 8th Grade girls of Halls.

Miss Morris of the Health Department came to the school last week. She asked the 8th Grade to help her with a survey of health in Halls and the rural section. We appreciate her confidence in us.

We would like to thank Mr. Pete Smith for the records that he gave the Elementary School.

Due to the lack of space the results of the 8th Grade Who's Who contest will not be published this week. Look for them next week.

TB Death Called Needless Tragedies

Every case of tuberculosis in this country is a "needless tragedy," according to the 1950-51 Annual Report of the National Tuberculosis Association...

With recovery instead of death becoming more and more the outcome of tuberculosis, the report states, "the great and complex problems which the disease creates for the living come into sharper focus."

The progress in saving the lives of tuberculosis victims is attributed largely to such advances in treatment as the use of drugs and new surgical procedures...

It's simplicity itself, yet this quick coffee cake topped with shimmering orange marmalade makes a dashing entry on your breakfast or tea time table.

For economy and enjoyment, headline coffee cakes and other good breads in your menu planning. They are wonderfully easy to serve, especially when you buy them ready-made from your baker...

MARMALADE GLAZE COFFEE CAKE
2 tablespoons melted butter or margarine
1/2 cup orange marmalade
1 1/2 cups sifted enriched flour
2 teaspoons baking powder
1/4 teaspoon salt
1/2 cup sugar
1 egg, beaten
1/2 cup milk
5 tablespoons melted shortening

Yet, even with the decline in death rate, the report points out that tuberculosis kills more people than all other infectious diseases combined and leads all diseases as a cause of death in the age group from 15 to 34.

"These are cruel facts and figures — the more cruel because they need not exist," the report continues. "Tuberculosis is preventable and curable. The specific cause, the tubercle bacillus, is known. The factors which lower the body's resistance to the bacillus—malnutrition; physical, mental, emotional stress; sub-standard living and working conditions—are known, even if not precisely evaluated."

Self-Employed Must Pay SS

Are you one of the millions of self-employed people newly covered under Federal old-age and survivors insurance? If you are, you need a social security account number card, according to Joe P. Tipton, manager of the Dyersburg social security office.

"If you have ever had a social security number, that same number should be used," he said. "If you've lost your card, we can get a copy of it for you, bearing that same number."

RESULTS OF 8TH GRADE'S WHO'S WHO CONTEST

- Most Intelligent: Sonny Higdon, Carolyn McCorkle, Bobby Perry

Best All-Round: Donald Smith, Carolyn Carter, Vanda Davis, Carolyn McCorkle

TOLLIE MATTHEWS ELECTED 4-H CLUB COUNCIL LEADER

One hundred and forty 4-H'ers, leaders and junior leaders, elected Tolle Matthews president of the Lauderdale County Council Saturday at the 4-H officers and leaders training meeting.

One of the highlights of the program was the presentation of a model club meeting and a skit on "Thrift" by the Ashport 4-H Club. Awards and medals were distributed by the home agent and assistant agent to those club members who had earned them. A rabbit was given as a door prize and was won by Sidney J. Carmack of Curve. Special instruction sessions were held for the various 4-H leaders to instruct them how to correctly perform the duties of their office. Visiting agents from Crockett County were Miss Marcel a Wiseman, Home Agent, and Marshall Moore, Assistant County Agent.

Come in and see us today!

Ford Trucks for '52 cost still less to run! Townsend-Daws Company, Inc. Phone 2811 Halls, Tenn.

Elementary News Notes

(Continued From Page One)
Pickens.
This week we made silhouette pictures of George Washington and invitations to P. T. A. to our mothers.
Our feature story in our Junior Weekly Reader was our oil and its workers.
Thanks to Alix Hallman and Roger Harris for the pretty flowers they brought to our room.
Grade 4 -
We welcome a new pupil - Janette McAllister - to our room.
Marietta Griffin celebrated her 10th birthday on February 15th with a picture show party. We are celebrating "Happy Birthday" to her.
We are very proud of our reading table. Thanks, "Mrs. Mac."
We wish to thank Mrs. O. J. Nunn, Mrs. Carmon Belton, Mrs. Jerre Jordan, Mrs. B. O. Robertson and Mrs. Douglas Hurt for the delicious candy they served on Valentine Day. We also wish to thank Mrs. F. E. Pugh for the beautiful Valentine Box she made for us.
George Hurt won first place and Kay Wilson second in our

contest for making the most words out of the word 'Valentine.' Jerry Stanley, Carolyn Freeman and Janet Smith were the winners for making the best Valentines.
Our Valentine King and Queen were Jerre Jordan and Dawn Robertson. The Princesses were Gene Pugh and Danny Meeks. Princesses were Kay Wilson and Barbara Vaden. The photographer was Carmon Belton.
Grade 4 - 6 - (Daws)
Both sections of this group are working on their illustrated book reports. Judging from those already on display, it will be hard to determine the winners.
The sixth grade is working on a little room playlet "The Young George Washington" to be given Friday, February 22nd. The girls are making cherry corsages while the boys are making miniature hatchets.
Thanks to Patsy Hendrix for visiting our room last Wednesday and conducting a singing period for us. Hurry back, Patsy!
Linda Tomlinson and Barbara Sasser were absent Friday on account of illness.
Grade 5 -
Our Valentine Party was very nice. Everyone received many valentines and we especially remembered our teacher on that day.
Our basketball games with the 6th Grade were exciting even though we came out with the smaller score in both games. We are proud of our red and white suits.
Eighteen of us went to Church Sunday.
Those among our number who have been sick recently are: Warren Nunn, David Hurt, Glendene Mills and Janet Crikfield.
Grade 6 -
Josh Nunn celebrated his 11th birthday Sunday. Happy birthday, Josh!
In Art we drew Valentine boxes. Harry Wright and Thelma Burroughs drawings were chosen as the prettiest.
We also made words out of 'Valentine Day.' Kay McGarrity and Maureen Jackson had the most for the girls. Josh Nunn and Isaac Reynolds were the lucky boys.
We were proud of our Valentine Queen Jane Cheshier and King Inky Perry.
If you like home made candy and cookies, visit Mrs. Olive!
We welcome Betty McAllister into our school. She is from Nankipoo.
Thanks, Mrs. McCorkle, for our new reading table.
Grade 7 -
Well, didn't the snow surprise us over the weekend!
We are glad to have Barbara Alston and Joyce Midgett back after a period of illness.
We really had a good time Thursday and we hope everyone else did.
We think our room is much more attractive since we have arranged our pictures.
The time for our six weeks tests is rolling around again and we all dread them very much. Wish us luck.
Grade 8 -
The 8th Grade girls journeyed to Ridgely Thursday night and played the highly-rated Greenwaves. Our team pulled a stunning upset and beat them 31-10.
Friday night the undefeated Brighton 8th Grade girls came to Halls to play the 8th Grade girls and suffered a overwhelming de-

feat. Carolyn Carter was high-scoring for the 8th Grade girls. We on 49-18.
The game for Saturday night at Jovington was cancelled due to the weather but will be played at a later date.
We are glad our examination in history is over and hope everyone passed.
We welcome Miss Hazel Griffin from high school who is giving us points on how to be good librarians. We would like to thank her very much for taking up her time to come down to the grammar school. We are enjoying this course very much.
F. H. Paschal
(Continued From Page 1)
prices every year, but higher yields are necessary to offset the higher costs of labor.
Better poisons have been developed with which to fight diseases and insects and varieties more resistant to wilt look promising. We can do all the things that Indiana growers are doing and certainly we should be able to increase our yields materially.
A meeting of all tomato growers will be held at the Courthouse in Ripley at 1:30 o'clock on Saturday, March 1st, to discuss better

production and marketing methods.
Preparation of cotton ground for highest yields should begin by April 15th when fertilizer can be put down and the land bedded over it. If the beds are allowed to settle by rains for at least two weeks they will be in the best condition for planting for good stands.
Farmers are tired of hearing that fertilizers are scarce, but they actually are because more than twice as much fertilizer is being used now as in 1940. Furthermore, the most economical forms of nitrogen such as Ammonium Nitrate are so much in demand that they cannot be bought just when they are needed. They must be bought and paid for whenever they are available.
We need to shoot for 1 1-2 bales per acre on all uplands and two bales in the Mississippi bottom. The planting of rye and vetch in cotton middles in September, the making of soil tests to determine the exact fertilizers needed, and the purchase and correct applications of those fertilizers can raise the average yield of cotton in Lauderdale County by 1-2 bale per acre within three years.
For immediate attention, the application of 200 to 300 pounds of 6-12-12 fertilizer plus 100 lbs. 33 1-2% Ammonium Nitrate or 200 pounds 18% Nitrate of Soda or 41 pounds nitrogen in Anhydrous Ammonia will prove to be about the best and most profitable application of fertilizer on the red upland soils in Lauderdale County. The white or gray flat upland soils need 300 to 400 pounds of 6-12-12 plus the same amount of other materials.

Higher Cotton Yields Needed
Prospective prices of 35c a lb. for cotton makes higher yields desirable. The higher cost of land, labor, machinery, and living make higher yields necessary, especially if they can be achieved at economical cost so that profits are higher.
We wish to express our thanks to our neighbors and friends, and to Rev. R. J. Cooper, for their kindness and sympathy to us in this hour of sorrow and grief.
May the Lord's richest blessings be with each and every one.
Mrs. Ozra Cunningham
Mrs. Earl Hoggard
Mrs. Bert Eng and
Mrs. Elmer Alston
"Every Week is Bargain Week in the Want Ads."

ELECTRICITY INCREASE
The percentage of Tennessee farms with electric service rose from 71.3 in 1950 to 81.6 in 1951. Over 189,000 farms now have electricity in Tennessee. 84.2 per cent of United States farms had electricity in 1951.
4-H CLUB WEEK
National 4-H Club Week will be observed March 1-9. Tennessee leads the nation in enrollment with some 132,400 members.
"A Want Ad is Ready, Willing and Able to get Results for You."

From where I sit... by Joe Marsh
Ed Got Red In His Own "Hot Water"
Big Ed started a "Pay-Your-Bill" campaign last week and ended up with a slightly red face. Ed's been our Water Commissioner for ten years, and for ten years now he's been getting riled up over slow payments of bills.
So, he finally decided to do something drastic about it. Last week he sent notices that if the slackers didn't pay up by Friday, he'd shut off their water.
Naturally, some still didn't square accounts. Ed ordered their water turned off, and 14 homes went without all week end—the Commissioner's among them. Seems Ed forgot to pay his bill.
From where I sit, Ed's mistake is one we all make at times. We are too quick to accuse others while forgetting our own faults. Lots of us do it, for instance, over a difference in taste for a soft drink or a friendly glass of beer. Let's respect each other's preferences and we'll all stay out of "hot water."
Joe Marsh

GROWING
Here's what we did to meet Tennessee's telephone needs during 1951 . . .

Installed 113,968 New Telephones for a gain of 34,746—nearly a third of them in Rural Areas

Installed large amounts of new pole lines, cable, switchboards and other facilities.

GOOD AND GROWING telephone service is essential to National Defense and to the growth and progress of this state. The needs are huge. The job is great and costly. But progress has been fast and sure. Some materials are scarce, but we'll get along with the job in 1952 with the same determination that has more than doubled the number of telephones in 8 years. — Southern Bell Telephone and Telegraph Company.

C. J. YATES, Tennessee Manager

BEST POSSIBLE SERVICE **LOWEST POSSIBLE COST**

Elementary News

Make sure you get de NATCHEL kind! CHILEAN NITRATE OF SODA CHAMPION BRAND - because NATURAL Chilean Nitrate contains beneficial sodium PLUS minor plant food elements. Applied phosphate... tends to have a "sweetening" effect on the soil. Rich in minor plant food elements. Natural traces of other elements are found in Chilean Nitrate. These include iodine, manganese, copper, zinc, boron, magnesium, calcium, iron and sulphur. In small quantities, these elements are essential to proper plant or animal nutrition. Free-flowing pellet form Chilean Nitrate can be applied in any standard distributor. For larger yields and top-quality crops, order Natural Chilean Nitrate of Soda - proved by more than 100 years of experience.

Grade 6 - We express "Get Well Wishes" to "Mira" Oms. She is quite ill. We miss her a lot. Hurrah! Hurrah! Have you heard the latest. We beat the 5th Grade girls 27 to 7 Monday afternoon. We enjoyed a "trial by jury" Monday. The Science Club met Friday. We had refreshments and then the business was brought up. Grade 7 - We are glad to have Patsy Perry and Jimmy Nichols back after a period of illness. Barbara Alston is still on our sick list. "Hurry back, Barbara!" Do you have rats? If so, see the 7th Grade and get your rat poison now. Two and one-half pounds for only \$1.00. We enjoyed having English with the 6th Grade class Monday.

Grade 8 - Congratulations to the best basketball players in the 30th district - Halls' players! We are proud of our boys' new basketball suits. The librarians are improving our library by using some suggestions made by Miss Hazel. That's all for this week. Look for us next week in this same paper! Signing off - The Eighth Grade.

Chick Brooding (Continued from Page 1) lamps may be raised to provide a larger comfort zone. To prevent floor drafts and to confine chicks to comfortable zone for the first few days use a chick guard (cardboard) 12-16 inches high. Place the water fountain and feeders in the comfort area during this time. A thermostat, while not necessary, is desirable for reducing the operating costs. The only important disadvantage is the operating cost. The cost of electricity per chick, not the total cost, may be higher than other brooding methods, but this is offset by low initial cost of brooding equipment and low labor requirements. Why not try this new practical way to brood chicks?

Curve News Mr. and Mrs. Russell Friaby of Memphis spent the weekend with Mr. and Mrs. E. M. White. Mr. and Mrs. J. M. Young and children spent the weekend in Memphis. Miss Caroline Mayes spent the weekend at Jackson and Alamo. Mr. and Mrs. James C. Newman and daughter of Memphis spent Sunday with Mr. and Mrs. Harvey Newman. ORDER OF PUBLICATION TO BERCHEL GLENN SMITH LONA JANE BURNS SMITH VS. BERCHEL GLENN SMITH IN THE COUNTY COURT AT RIPLEY, TENNESSEE In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant Berchel Glenn Smith is a non-resident of the State of Tennessee, and resident of the State of Texas as that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Berchel Glenn Smith appear before the Judge of the County Court of Lauderdale County on or before the 3rd Monday in March (it being the 17th day of said month and one of the rule days of said term of this Court) and make defense to the bill filed herein against him and others, or the same will be taken for confessed as true and the cause set for hearing exparte as to him. It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring him to so appear. This 6th day of February, 1952. N. C. UHLEY, Clerk ROBERT S. THOMAS, Sol.

Chances are 10 to 1 YOU DO BUSINESS BY THE TRUCKLOAD... that's why this message about America's first 2 1/2-ton Diesel may be the most important you've ever read! IF yours is like most businesses today, medium-weight transportation enters many times into the cost of your product - from procurement of raw materials to delivery of the finished product. For the first time, these "average" loads can be moved at spectacular savings - at a cost far below anything you've ever paid for medium-weight transportation in the past! The efficiency and economy of Diesel power become available to every user of trucks rated as low as 2 1/2 tons (19,500 GVW - 35,000 GCW). It's the latest advance from the world's largest producer of Diesel trucks. It's an entirely new kind of GMC truck-tractor - powered by a revolutionary, lighter-weight, more compact model of the famous General Motors two-cycle engine that is first choice among Diesel truck users today. It offers the advantages of more miles per gallon and lower maintenance in hauling operations where there has been no choice but gasoline power in the past. Before you waste another cent in your largest hidden cost of doing business - transportation - check the important role this new GMC 2 1/2-ton Diesel truck-tractor stands ready to play in your own operation. As your GMC dealer, we extend this invitation: if you are a processor, manufacturer, retailer, distributor, farmer or commercial hauler using 2 1/2-ton equipment - come in and see why this new GMC Diesel will mean extra profits to you every mile of the way. Get a real truck! LAUDERDALE MOTOR CO., Inc. Main and Franklin Streets Ripley, Tennessee You'll do better on a used truck with your GMC dealer
