SCHOOL NEWS

Grade 1 - Walker

Several of our First Graders reported interesting weekends. Dale Wiggins, Sheila Hilliard, Dallas Burroughs and Brenda Joyce Jiles all visited 'grandmother.' Anna Carol Spry, Rosie Ponder, and Elisabeth Ann Hart attended the Fair in Memphis. Elisabeth Ann "rid a boat in a tunnel!" James White helped daddy put two batteries on a tractor and Mickey Rooks went to see his cousin in Arlington.

We have a new student, Shirley Doss. This makes thirty in our First Grade.

Grade 1 - Viar

This week starts our second school month. We have twenty-nine pupils in our room.

Wilson Lawrence gave an interesting account of his trip to the fair last week. He was much impressed with the "Giant" and "Wild Bill" Elliott.

We are glad to have Susan Craig and Neil Luton back in school after several days' illness. Johnny Sue Childress brought us some fall flowers in an attractive red bowl last week. We enjoyed them very much. Monday Sue Craig brought us some beautiful marigolds and Mrs. W. C. Viar, Sr. sent us some red roses. Thank you, Susan and Mrs. Viar.

We have been having fun listening to records that Jimmy Hansford, Neil Luton and Helen Lippincott have brought to share with us.

"Miss" Geneva has been suffering from hay fever but is much better.

We sang "Happy Birthday" to Billy Wayne Robinson who had a birthday September 28th.

Grades 1, 2 - Patton

We enjoyed having "Miss" Electra teach us two days while "Miss" Jane went to the doctor.

Some of the teachers attended a meeting in Ripley on Wednesday afternoon. Our teacher was one of them.

Our attendance is very good these days. Some of us have picked a good bit of cotton on Saturdays.

We're enjoying our workbooks very much. We're looking forward to our new books arriving.

Grade II - Troyana

Our room enjoyed the lovely flowers brought by Charlie Viar and Steve Pugh last week.

The chief topic of our "Conversational Periods" last week was the "Fair." So many of us attended the event, and of course, we all wanted to talk about what we saw and did while there.

Richard Hurt and "Miss" Kathryn contributed the music for our "Music Period" this week. We enjoyed the records they played for us. Allan Levy brought some records too, but much to our sorrow they wouldn't play on our record player.

Grade III - Lucas

Bob and Sue Smith told us good-bye Friday. They have moved to Donaldsonville, Georgia, to make their home. We are sorry to lose them but hope they will be happy in their new school.

Sylvia Mathis brought us a pretty pot plant for our room last week.

Windell Sweet and Benny Castleman spent the weekend in Missouri with relatives. Mary Frances Tucker visited her aunt in Ripley Saturday.

We are "100% milk drinkers" in our room since Neil Dunaway and "Sonny" Littles started drinking milk this week.

Grade III - McDearman

During our Sharing Period on Monday we had reports on their trips to the Memphis Fair from Linda Burroughs, Larry Jo Beard and Bruce Dunaway.

We welcomed a new pupil to our group. He is Ronnie Moore.

This week we sang "Happy Birthday" to Shirley London and Bruce Dunaway.

Last Friday we had a surprise Fire Drill.

The first poem we put in our "Poem Book" was "School Days." We just knew something last Monday that we had a 'dead rat' in our new school room, but it turned out to be a Third Grade

BROTHER OF LOCAL RESIDENT DIES

Word was received shortly after noon Wednesday of the death of Fenton Kimbrough, brother of C. M. Kimbrough of Halls, at a Biloxi, Miss. hospital of a heart attack. Mr. Kimbrough was well known in Halls having visited here on numerous occasions. Mr. C. M. Kimbrough left for Biloxi Wednesday afternoon. Also surviving is his wife and a sister, Mrs. Anna Eubanks of Stanton, Tenn.

Bureau Membership Drive To Open

Frew! Buffalo

Tennessee Farm Bureau is offering its members a "Trip of a Lifetime" this December. It's a sightseeing trip on a special train around three-fourths of the United States. This announcement comes from W. C. Viar, president of Lauderdale County Farm Bureau.

This trip has been arranged to carry members of Farm Bureau to the American Farm Bureau Convention in Seattle, Washington, the second week of December. It is a 17-day sightseeing tour on a special all-pullman train. It leaves Nashville on November 28 and returns on December 15.

This trip will take Farm Bureau members through Alabama, Mississippi, Louisiana, Texas, New Mexico, Arizona, California, Oregon, Washington, Idaho, Montana, North Dakota, Minnesota, Wisconsin, Illinois, Kentucky, and back home. In addition, there will be short side trips into Old Mexico and Canada. The trip into Canada will be made by steamer.

Sights to be seen along the way include sightseeing in New Orleans, a visit to Carlsbad Caverns, the Grand Canyon, life in Old Mexico, a trip to Hollywood, a tour of San Francisco, four days in Seattle, an over-night trip into Canada, a visit to the new irrigated farming country in and around Grand Coulee Dam, the American Rockies and Chicago.

The Tennessee train will hook up with other special trains carrying other southern state Farm Bureau groups at New Orleans.

Farm Bureau members desiring information on this special "Trip of a Lifetime" should write Woodrow Luttrell, Assistant to the President, Tennessee Farm Bureau Federation.

Reservations are being taken on a first come, first served basis. You may never have another opportunity like this in a lifetime so if you are interested don't wait until all reservations are taken.

Fall Enrollment

The Fall membership drive will begin October 14, 1952, and continue to October 25th, time of the conference at Nashville. If you have a neighbor that is not a Farm Bureau member and is not getting the benefits of Farm Bureau, talk the situation over with him and explain Farm Bureau to him. Show them where it pays instead of costs to belong to the Farm Bureau.

Elon Church Has Building Program

The Elon Baptist Church at Double Bridges is in the midst of a building program which has been badly needed for a long time. We have completed 4 Sunday School rooms. For this building no soliciting has been made, only contributions by the members. Our prayers are to build more Sunday School rooms, and to furnish our church with new and more comfortable seats.

This will be of interest to lots of our old members I am sure. We would like to invite our old and new friends to come and worship with us. Elon is the Mother of all Baptist churches in this area. Any contributions toward our building program will be appreciated. Our pastor, the Rev. L. B. Kenley, brings the message to us the 2nd and 4th Sundays each month at 11 a. m. and 6 p. m. Training Union at 7 p. m. each Sunday evening.

Mrs. Sadie Hilliard, Treasurer
Mrs. Lee Ayres, Elon Reporter

Farmers Asked To Cooperate With PMA Workers

W. B. Hall

Farmers who wish to obtain a purchase order from this office for the purchase of Caley peas, Hairy Vetch and ryegrass seed must get these orders before October 15. After this date the county office can no longer issue orders for these seed and the Vendors cannot fill orders after October 15.

Orders for lime and Ammonium Nitrate will continue to be taken. However, all farmers who plan on using any of these materials will want to order and receive the materials in sufficient time to allow for the spreading before the end of the calendar year, December 31, 1952.

Community committees in nearly all the communities in the county are working on the 1953 ACP program.

These committees are all farmers and are familiar with the farms on which they are making their contacts.

This year's all farm needs must be signed up with these committees at the time he contacts the farmers on the farm. These needs cannot be taken by personnel in the county office as they have in the past. So when a community committee contacts you be sure to cooperate with him to the fullest. Go over your farm needs with him and tell him your most needed conservation practice.

These community committees are all farmers elected by fellow farmers of their community, to serve on the farm program.

This is a time of year when we are all busy with our harvest and are tempted to put our committees off because we don't have time to "think about it." The committees who are making these contracts are also busy with their harvest but because they are giving their time to do, they are giving their time to that all farmers will be contacted and given an opportunity to participate by November 15.

Book Deposit Station At Mayor's Office

A Book Deposit Station has been opened in the Mayor's Office in Halls for the convenience of adults and children in Halls and the vicinity. The books are supplied the Station by the Regional Library Service of West Tennessee which is sponsored in Lauderdale County by Sugar Hill Lauderdale County Library in Ripley.

There are 17 Book Deposit Stations, these are visited every six weeks by Miss Julia Greer, Regional Librarian for Lauderdale County and adjacent counties, and the Bookmobile.

Those who would like to select books from the Bookmobile may do so by being present when it arrives. The date is always sent to the Deposit Station some days before arrival.

Vinyard Brasfield Died Saturday

Services for Vinyard Brasfield were held at 2 o'clock Sunday afternoon at the Floyd's Chapel Methodist Church with Bro. Edgar Williams and Bro. Drace, Baptist minister, and Bro. L. E. Smith, Methodist minister, officiating. Burial was in the cemetery with Sudbury Funeral Home in charge.

Mr. Brasfield died early Saturday morning at his home near Friendship after an illness of about four years. He was a well known farmer and landowner before his retirement due to bad health. He was born in Crockett County and had spent his entire life in the county. He was 75 years old and a member of the Methodist church.

He is survived by his wife, Mrs. Mary Ann Riddick Brasfield; four daughters, Mrs. Glenn Wright of Grand Rapids, Mich., Mrs. Evie King, Mrs. Jimmy Nowell and Mrs. Harrell Jones all of Friendship; two sons, Clinton Brasfield and Pillow Brasfield of Friendship; one sister, Mrs. Ethel C'ek of Friendship; 16 grandchildren and 11 great-grandchildren.

Baby Tigers Win Over Brownsville

The Halls Baby Tigers won themselves a football game Tuesday night but didn't have a great deal to brag about after doing it. The Baby Tigers scored 13 points against the Brownsville Junior team in the first quarter and then proceeded to let Brownsville take charge of the ball game for the rest of the night. Final score was Halls 13, Brownsville 6.

However, just before the game ended Donald Ralph Smith grabbed a Brownsville pass and raced to the Brownsville 20-yard line before he was caught and the clock ran out with only inches to go for a third touchdown for the Tigers.

In the opening minutes of the game the Tigers seemingly could have run up a large score but for one reason or another the scoring machine sputtered and limped after the first quarter.

While the Baby Tigers did not play as good a game as they did in their losing effort with Covington they did show signs of playing topnotch ball at times. It seemed to us that the two early touchdowns caused the youngsters to let up and they never got going again.

RECEIVES DISCHARGE, VISITING HERE

Sgt. Will Ira Hardy has recently received his discharge from the service at Camp Polk, La. He and Mrs. Hardy were the guests of his grandparents, Mr. and Mrs. W. V. Hardy, and aunt and uncle, Mrs. C. C. Sumrow and Mr. Sumrow on Sunday. Accompanying them here were Mrs. Hardy's parents, Mr. and Mrs. Morris of Dubuck, La.

Sgt. Hardy returned to his job as general agent with the Capital Airlines at Memphis on Monday.

Go To Church Sunday.

BALL GAME TONIGHT!

The Halls-Newbern game originally scheduled for Friday night will be played tonight (Thursday) on the Halls football field at 8 o'clock. Newbern is ranked as one of the best teams in West Tennessee and while the Tigers will be definitely classed as underdogs they are given a good chance to come up with an upset victory.

Tigers Lose To Dyersburg In Close Game

The Halls Tigers traveled to Dyersburg last Friday night and won everything but the score, according to the way that one fan expressed it. Final score was Tigers 7, Dyersburg 12 as the game was in doubt almost until the final seconds.

A long pass in the first quarter was gathered in by Criswell, Trojan end, for a touchdown and then late in the third quarter a momentary lapse by the Halls defense let the great Phillip King, Dyersburg halfback, loose for a 75-yard touchdown and what proved to be the winning points.

The Tigers picked up their seven points after recovering a Trojan fumble, went to the six on a pass from Crichfield to Norman, and then Crichfield bulled over on third down from the four for the six-pointer, a pass was good for the extra point and the Tigers were leading 7 to 6 only to have King slip away a few plays later.

To quote from the Dyersburg State Gazette about the game: "The Trojans were stopped in their tracks the first half by a hard charging line that refused to believe the invincibility of the Trojan forwards who had previously smothered Trenton and Covington. They held the Trojans to four first downs for the first half and except for King's long pass to Jesse Criswell, completely throttled them. The Warriors, only in spots, looked like they had earlier in the season. The line kept rocking on their haunches most of the night, while the backs fumbled and did not follow what little interference they did have except on occasions.

The Tiger offensive attack was spear-headed by one of the finest running and passing backs seen in West Tennessee grid circles in a number of years, Stewart Crichfield. He ran the ball on fully half of the Tiger plays and failed to gain only a few times. He was a passer, par excellence. He ran 78 yards early in the second quarter only to have it called back on a penalty."

While we agree largely with the State Gazette on their description of the game in our opinion the outstanding defensive play of the Halls line and linebackers was the high point of the game. Time after time King was taught for losses as the Trojan forward wall outcharged and manhandled the heavier Trojan line.

Frankly, as a rabid football fan and also as a sports observer your editor could find little fault with the play of either team and also with the officiating, something which could not be said about the Union City and Brownsville games.

The Tigers play Newbern tonight (Thursday) here and then play hosts to Munford next Tuesday night. Both are Northwest Conference games.

Wreck Victim Is Buried Tuesday

Services for J. H. Bolding were held at 4 o'clock Tuesday afternoon at Parrish Chapel Church. W. E. Lyle, Baptist minister of Fowkes, officiated. Burial was in Fairview Cemetery, Dyersburg, with Sudbury Funeral Home in charge.

Mr. Bolding was injured in an automobile accident on Highway 51, just north of Halls, about one a. m. Monday and died in the Dyersburg Hospital about 8 the same morning. He was a well known farmer and landowner of Dyer County. He was 44 and a Baptist.

He leaves his wife, Mrs. Minnie Ball Bolding; two daughters, Mrs. Coleman Binkley of Dyersburg and Mrs. James Hood of Indianapolis; and one brother, Harley Bolding of Dyersburg.

CARD OF THANKS

We want to thank our friends in Halls for their patronage during the time that our shop was open here. It is with regret that we feel the advisability of closing it. However Mrs. Paul Crittendon and Mrs. E. F. Rawles, who will continue to be with us at the Ripley store, will gladly be of service to you at all times. We have appreciated your business in the past and desire that our friendly relationship shall continue. Please call upon us for any service we can render.

Mr. Younger would like to personally thank each one who has so kindly remembered him in recent months.

Sincerely,
Younger's Jewellers

CARD OF THANKS

Words fail when I try to express my appreciation for the lovely remembrances sent me, so please accept from my heart a simple "I thank you."

Mrs. C. W. Scott

HEALTH DOCTOR, NURSE AT SCHOOL TODAY

Mrs. Morris, county health nurse, has asked the Halls Graphic to notify parents that she and the county health doctor will be at the elementary school this (Friday) morning to examine those children who were not examined at the time of the pre-school clinic. She invites parents to be present at the examination.

Don Paris Has Fine 4-H Club Record

Charles Peal Ass't. County Agent

Don Paris, son of Mr. and Mrs. Ward Paris of the Hurrican Hill community, will quickly tell you what the 4-H Club means to him. He can prove it by showing his past records.

Pigs have been Don's major project. He joined the 4-H Club in the fall of 1948. On January 10, 1949, he bought a registered Poland China gilt. From this gilt he raised five pigs. Three of these were sold to other club boys who desired them.

Don took part of the money from the sale of these three pigs and bought a barrow to be shown in the livestock show the spring of 1950. Don fed and cared for his sow and gilt very carefully. The day for the show came and when the judges had made their decisions, Don's sow won second place and his barrow third place in their respective classes.

The next two days Don spent in Memphis at the Spring Livestock Show. He did not win any prizes, but sold his barrow for \$18.00.

The second litter of pigs numbered nine which he had raised to a good size when a disease hit them and they all died. This was very discouraging, but Don took it in stride. However, he came out on top with the next litter of pigs. By this time his sow, "Black Beauty," was getting rather large so he sold her for \$77.00 He saved a gilt from her last litter which is doing a good job raising pigs.

This year Don entered the 4-H Farm & Home Electric contest and won second place in the county in the senior group. At 4-H Camp at Martin this year Don gave a demonstration on electricity.

He is a member of the Ripley Senior 4-H Club and attends its meetings regularly. He attended the weekend camp at Natchez Trace this summer and shared in all the fun and activities there.

Don is interested in his project and as a result of proper care and management has done a good job in raising pigs. This is evidenced by the fact that he has made a nice income.

Don believes in the 4-H Club and desires to continue building his record so that he might win some of the honors that come to 4-H Club members who do a good job.

Six hundred Hereford, Angus and Shorthorn stocker and feeder calves will be sold at Somerville on October 14th at 1 p. m. These calves grade good and choice and weigh from 300 to 500 pounds. All calves have been vaccinated for blackleg and the heifer calves vaccinated for Bangs. Previous sales have been highly successful. If you desire to feed any calves this winter this is your opportunity to obtain the type of stocker and feeder you desire.

Winter Cover Crops Urged

F. H. Paschal County Agent

Finis and R. L. Hardy recently used a bulldozer to change a vertical bluff to a sloping hillside on their farm near Gates and to fill in rough areas and smooth the ground for more profitable use in the future in permanent pasture.

They fertilized the land with ammonium nitrate after preparing a seedbed with a three ton bush and bog disk. They seeded the upper part from which no top soil had been removed in a mixture of orchard grass and Ladino clover, seed the very lowest portion of the field to Fescue, and then seeded rye on the most sloping part of the field to help protect it against washing during the winter. The Hardys have seeded other plots to permanent and winter pastures.

Keeping Tennessee Green

For a number of demonstration plots of vetch and vetch and small grain mixtures in cotton middles at various locations over the county we recently got 25 signs made in the shape of a map of Tennessee on which in green letters is the wording, "We are keeping Tennessee green."

Practically every farmer in Lauderdale County could erect such a sign this month, because winter cover crops are being seeded by more farmers this fall than ever before and far more acres are being seeded to crimson clover, vetch, rye grass, and small grains to provide feed for livestock and protection to the land during the winter as well as providing a green manure crop for turning in the spring.

Winter pasture crops provide feed at the lowest possible cost and higher yields of cotton and greater profits can only result from adding organic matter back to the soil.

Crimson clover may be successfully seeded in cotton and corn middles between now and October 10. We hope a lot of farmers will try a small acreage. Crimson clover provides a lot of pasture in winter and early spring, it protects the land against washing, and is ready to turn under in the spring earlier than vetch.

Kill Peach Borers Now

Next week is the best time during the year to kill peach borers with PDB. Remove the wax from the bottom of the trees. Smooth the dirt around the trees and in a trench about 1-2 inches from the trunk of the trees, distribute a band of PDB.

For trees one to three years old, use 1-2 ounce per tree. For trees four years old and up use 1 to 1-2 ounces, according to size.

Over the PDB crystals the soil should be mounded up around the tree to a height of about six inches and packed firmly. Remove these mounds from young trees after four weeks and from older trees after six weeks.

October 1 to 10 is the best time to kill borers with PDB because the insect is in the right stage of its life history and the soil is not too cold for best results with this chemical.

Reports Being Prepared

Individual farm family members of Durhamville-Orysa, Hurricane Hill, Lightfoot, and Asbury Community Improvement Clubs are now preparing reports of the improvements they have made in their homes and about their farms during this year.

Community Club officers will summarize these individual reports and will add to the individual reports the things done by the clubs to improve their communities.

JAYCEES TO MEET MONDAY NIGHT

Louis Levy, president, has announced the regular meeting of the Halls Jaycees on next Monday night, October 6, at seven o'clock at Perry's Hotel. Mr. Levy stated that an interesting program has been prepared and urged the attendance of all members.

National Fire Prevention Week is October 5-11.

Don believes in the 4-H Club and desires to continue building his record so that he might win some of the honors that come to 4-H Club members who do a good job.

Six hundred Hereford, Angus and Shorthorn stocker and feeder calves will be sold at Somerville on October 14th at 1 p. m. These calves grade good and choice and weigh from 300 to 500 pounds. All calves have been vaccinated for blackleg and the heifer calves vaccinated for Bangs. Previous sales have been highly successful. If you desire to feed any calves this winter this is your opportunity to obtain the type of stocker and feeder you desire.

Winter Cover Crops Urged

Finis and R. L. Hardy recently used a bulldozer to change a vertical bluff to a sloping hillside on their farm near Gates and to fill in rough areas and smooth the ground for more profitable use in the future in permanent pasture.

They fertilized the land with ammonium nitrate after preparing a seedbed with a three ton bush and bog disk. They seeded the upper part from which no top soil had been removed in a mixture of orchard grass and Ladino clover, seed the very lowest portion of the field to Fescue, and then seeded rye on the most sloping part of the field to help protect it against washing during the winter. The Hardys have seeded other plots to permanent and winter pastures.

Keeping Tennessee Green

For a number of demonstration plots of vetch and vetch and small grain mixtures in cotton middles at various locations over the county we recently got 25 signs made in the shape of a map of Tennessee on which in green letters is the wording, "We are keeping Tennessee green."

Practically every farmer in Lauderdale County could erect such a sign this month, because winter cover crops are being seeded by more farmers this fall than ever before and far more acres are being seeded to crimson clover, vetch, rye grass, and small grains to provide feed for livestock and protection to the land during the winter as well as providing a green manure crop for turning in the spring.

Winter pasture crops provide feed at the lowest possible cost and higher yields of cotton and greater profits can only result from adding organic matter back to the soil.

Crimson clover may be successfully seeded in cotton and corn middles between now and October 10. We hope a lot of farmers will try a small acreage. Crimson clover provides a lot of pasture in winter and early spring, it protects the land against washing, and is ready to turn under in the spring earlier than vetch.

Kill Peach Borers Now

Next week is the best time during the year to kill peach borers with PDB. Remove the wax from the bottom of the trees. Smooth the dirt around the trees and in a trench about 1-2 inches from the trunk of the trees, distribute a band of PDB.

For trees one to three years old, use 1-2 ounce per tree. For trees four years old and up use 1 to 1-2 ounces, according to size.

Over the PDB crystals the soil should be mounded up around the tree to a height of about six inches and packed firmly. Remove these mounds from young trees after four weeks and from older trees after six weeks.

October 1 to 10 is the best time to kill borers with PDB because the insect is in the right stage of its life history and the soil is not too cold for best results with this chemical.

Reports Being Prepared

Individual farm family members of Durhamville-Orysa, Hurricane Hill, Lightfoot, and Asbury Community Improvement Clubs are now preparing reports of the improvements they have made in their homes and about their farms during this year.

Community Club officers will summarize these individual reports and will add to the individual reports the things done by the clubs to improve their communities.

JAYCEES TO MEET MONDAY NIGHT

Louis Levy, president, has announced the regular meeting of the Halls Jaycees on next Monday night, October 6, at seven o'clock at Perry's Hotel. Mr. Levy stated that an interesting program has been prepared and urged the attendance of all members.

National Fire Prevention Week is October 5-11.

Don Paris Has Fine 4-H Club Record

Charles Peal Ass't. County Agent

Don Paris, son of Mr. and Mrs. Ward Paris of the Hurrican Hill community, will quickly tell you what the 4-H Club means to him. He can prove it by showing his past records.

Pigs have been Don's major project. He joined the 4-H Club in the fall of 1948. On January 10, 1949, he bought a registered Poland China gilt. From this gilt he raised five pigs. Three of these were sold to other club boys who desired them.

Don took part of the money from the sale of these three pigs and bought a barrow to be shown in the livestock show the spring of 1950. Don fed and cared for his sow and gilt very carefully. The day for the show came and when the judges had made their decisions, Don's sow won second place and his barrow third place in their respective classes.

The next two days Don spent in Memphis at the Spring Livestock Show. He did not win any prizes, but sold his barrow for \$18.00.

The second litter of pigs numbered nine which he had raised to a good size when a disease hit them and they all died. This was very discouraging, but Don took it in stride. However, he came out on top with the next litter of pigs. By this time his sow, "Black Beauty," was getting rather large so he sold her for \$77.00 He saved a gilt from her last litter which is doing a good job raising pigs.

This year Don entered the 4-H Farm & Home Electric contest and won second place in the county in the senior group. At 4-H Camp at Martin this year Don gave a demonstration on electricity.

He is a member of the Ripley Senior 4-H Club and attends its meetings regularly. He attended the weekend camp at Natchez Trace this summer and shared in all the fun and activities there.

Don is interested in his project and as a result of proper care and management has done a good job in raising pigs. This is evidenced by the fact that he has made a nice income.

Don believes in the 4-H Club and desires to continue building his record so that he might win some of the honors that come to 4-H Club members who do a good job.

ANNOUNCEMENTS

CARNEY - C. S. Carney, Jr. has authorized the Halls Graphic to announce his candidacy for delegate from Lauderdale County in the Limited Constitutional Convention, subject to the action of the voters in the November 1952 General Election.

RESOLUTION

Alderman Wiley Perry offered and moved the adoption of the following resolution:

A Resolution determining to issue Bonds of the Mayor and Aldermen of the Town of Halls, Lauderdale County, Tennessee, for the purpose of constructing a Natural Gas System for said town.

WHEREAS, the Town of Halls, in Lauderdale County, Tennessee, now has no natural gas system serving its inhabitants; and

WHEREAS, the Mayor and Aldermen of the Town of Halls do now find and determine that it would be in the best interest of said town and of the inhabitants thereof to construct a natural gas system for said town; and

WHEREAS, the said Town of Halls is authorized by and under the provisions of the Municipal Recovery and Post-War Aid Act of 1945 (Chapter 10 of Chapter 100, Public Acts of the State of Tennessee of 1951, Sections

4406.1 through 4406.41) and Chapter 41, Public Acts of the State of Tennessee of 1951, to construct a natural gas system for said town and its inhabitants, and to issue bonds payable exclusively from the revenues of such system to provide funds for the payment of the cost thereof:

Now, therefore, be it resolved by Board of Mayor and Aldermen of the Town of Halls, Lauderdale County, Tennessee, as follows:

SECTION 1. That a natural gas system shall be constructed within and for the Town of Halls, in Lauderdale County, Tennessee.

SECTION 2. That the estimated cost of constructing such system is hereby found and declared to be as follows:

One Hundred thirty-five thousand dollars.

and that it will be necessary to provide the sum of One Hundred thirty-five thousand (\$135,000.00) to meet the aforesaid costs through the issuance of bonds of said town, payable exclusively from the revenues of such system, as provided by said Municipal Recovery and Post-War Aid Act of 1945, as amended.

SECTION 3. That the maximum amount of bonds to be issued for the purpose of constructing a natural gas system for said Town of Halls is One Hundred thirty-five thousand dollars (\$135,000.00).

SECTION 4. That the maximum rate of interest which said bonds are to bear is three and three-quarter per centum (3 3/4%) per annum.

SECTION 5. That the said bonds shall be payable exclusively from the revenues of such natural gas system.

SECTION 6. That this resolution shall be published in full once in the Halls Graphic a newspaper published in Lauderdale County, Tennessee, and circulating in the Town of Halls, in said county.

Alderman Joe Clyde Escue seconded the motion to adopt the foregoing resolution and, the question being put to a roll call vote, the result was as follows:

Aldermen voting "Yes": Buster Campbell, Joe Clyde Escue, Jerre Jordan, Wiley S. Perry, Gallon Smith, Lynn Vaden, Mayor P. W. Crittendon.

Aldermen voting "No": None.

The motion having received the affirmative vote of all members of the Board present, the Mayor declared the motion carried and the resolution adopted, this 2nd day of October, 1952.

P. W. CRITTENDON Mayor

State of Tennessee County of Lauderdale.

I, Mrs. Joe Hurt, Recorder for the Town of Halls, hereby certify that the foregoing and attached instrument is a full true and perfect copy of that resolution adopted by the Mayor and Aldermen of said Town at a Special Meeting, regularly called and held on October 2, 1952.

This, the 2nd day of October, 1952.

MRS. JOE HURT Recorder adv

NEW REVISION OF HOLY BIBLE

The Holy Bible in living language is provided in the new revised standard version. It is written in choice American English which can be more easily understood than the Elizabethan English of 341 years ago when the King James version of the Bible was revised, yet the dignified reverence is not lost.

This version consists not in changing the meaning or interpretation of the Bible, but in the use of language which makes clear the meaning and proper interpretation of the Bible as it was originally written. This is necessitated by the fact that over 300 words in the King James version have changed in meaning, such as 'prevent' meaning 'precede,' 'ghost' meaning 'spirit,' 'wealth' mean 'well-being.' There was also the matter of correcting some errors that had been made in translations which have been discovered with the discovery of many old

manuscripts of the Scriptures dating back as early as when Jesus was on earth.

Leading Bible and ancient language scholars began work on this great revision in 1930. The completed Bible was finally released on Tuesday, September 30, 1952, and is now available in varied bindings at a nominal price at many book and publishing houses.

This occasion has been hailed across the country with pageants and programs as indicated in the newspapers and on radio and television.

An inspiring program titled "The Word of God" was presented by ten people and the choir at the Halls Methodist Church last Sunday. A Bible display including ancient Bibles in both Hebrew and Greek was shown. Copies of the new version of the Bible will be added to the display and may be seen in the show window of Rhodes Drug Store this week, and will again be at the Methodist Church next Sunday as a part of the world-wide Holy Communion Service observed annually by most Protestant Churches on the first Sunday in October.

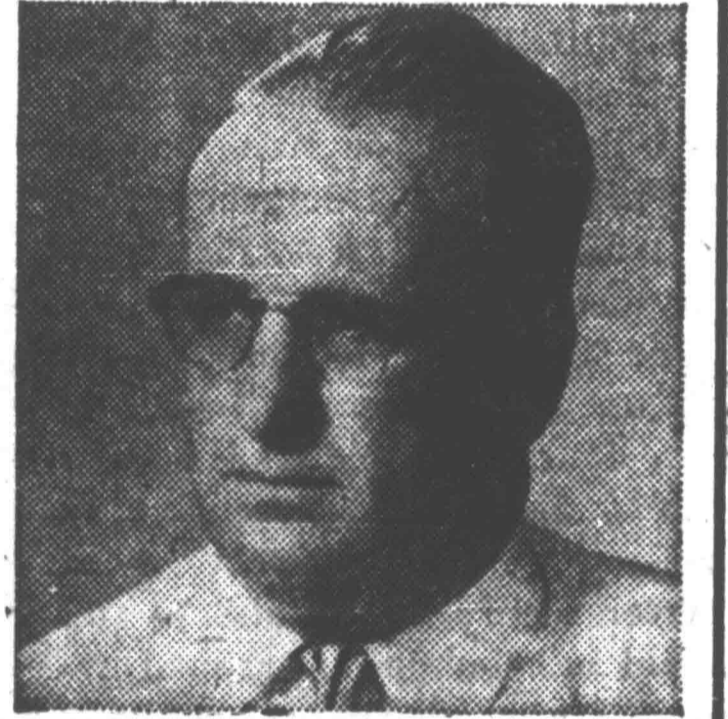

The home freezer should be defrosted once or twice a year, or when about one-half inch of frost collects on wall and shelf areas.

LEGAL NOTICE TO BIDDERS

Sealed Proposals for the construction of a natural gas distribution system and supply in the Town of Halls, Tennessee, will be received by the Mayor and Aldermen at their office in the City Hall until 2:00 P. M. Central Standard Time on the 10th day of October, 1952, and will be opened and publicly read.

The work to be done will be let in one contract at the complete discretion of the Mayor and Aldermen.

Copies of the Plans and Specifications may be obtained from the office of Allen & Hoshall, Consulting Engineers, 65 McCall Avenue, Memphis, Tennessee, for a deposit of \$25.00 which will be refunded to all bona fide bidders. Extra sets may be obtained by the Bidders for the unrefunded price of \$10.00. Legal Notice to Bidders, Technical Specifications, Proposal, and any Addenda will be available to material suppliers for the unrefunded price of \$5.00.

Each bid must be accompanied by a Certified Check or Bidder's Bond in the amount of 5% of the Bid and made payable to the Town of Halls, Tennessee. The Surety Company issuing the Bidder's Bond shall be licensed to do business in the State of Tennessee.

The successful Bidder will be required to execute a Performance Bond in the amount of 100% of the Contract.

All Bidders shall be licensed Contractors as required by Section 135 of the Public Acts of 1945 of the General Assembly of the State of Tennessee.

No bidder may withdraw a bid for a period of thirty (30) days after the date set for opening of bids.

The Town of Halls reserves the right to reject any or all bids, and to waive any informalities or technicalities therein.

SCHOOL NEWS

(Continued From Page One) boy's overall pocket stuffed full of squirrel tails that he had brought along to school.

Grade IV - Gilliland We are glad to have Bobby Phillips back in school after being out with an infected throat. In our Social Studies we have finished our study on the Span-

iards in the Western Hemisphere. Jimmy Castleman spent the weekend with friends in Missouri. On Tuesday we sang "Happy Birthday" to our teacher and enjoyed the cookies and marshmallows from a lollipop tree, that Chuck Murchison brought us.

Grade IV - Ferguson We are enjoying the beautiful pot plants brought us this week by Elizabeth Ann and Cary Alsbrook.

Much interest has been added to our social studies with the many pictures brought by Katie Lou Hurt which she collected while on her trip. Rebecca Carson celebrated her tenth birthday September 28th. We sang "Happy Birthday" to her. We made our first trip to the library Monday to check out books to read. This was a most interesting experience for us. We wish to thank Mr. Peery for our new pencil trimmer. Lynn Stallings brought us a nice thermometer Monday. Thanks, Lynne! We enjoyed having Dianne Levy, Judy Hansford and Mickey Rooks visit us Wednesday.

Those taking dancing this year have been out because of sickness. Are Rebecca Carson, Lynne Stallings, Katie Lou Hurt, and Elizabeth Ann Alsbrook. We are improving each day on our spelling and health check. There were fourteen of us with perfect health checks and sixteen that made '100' on spelling this week. Reporter for this week is Judy Brandon.

Grade V - Murchison We are glad that the library is open and that we can enjoy reading books from it. We have a number of books in our room which Pam Rhodes brought for us to use. If you don't know what a Conestoga wagon is - just ask us. We have learned to draw them and have learned their use by the pioneers, in our social studies. First aid is the topic we are studying in health. We are making a first-aid kit and have gauze, bandages and campho-phen-que in it. We expect to add other items to our kit. Kay Wilson brought us some plants Tuesday. One was potted in a vase shaped like a bunny rabbit. Barbara Vaden won our spelling match Friday.

Grade V - Hooks, Seates Our Fifth Grade room had a test this week in Social Studies. Only three people made 100%. They were Barbara Chipman, Letha Sue Thurmond and Jere Jordan. Mr. Hooks brought us a box in-

closed with glass. In this we have planted seeds and plants. We watched them sprout and grow. Our room is very proud to have a sand table which the shop class made for us. Thank you, Mr. Conley. We are enjoying the class picture we won last year. Soon we are to have some new pictures for our room. Everyone likes our newest poem "October's Frosty Days." It makes us feel better these warm October days.

Grade VI - Hilliard Happy birthday, Rose Cameron. We wish you many more. Peggy Jordan and Doris Daws have been out because of sickness. Wayne Sanders has been absent. We are glad they are back. In Science we are studying sound. We are trying interesting experiments with this study. Thanks, Anne Younger, for the perfect health checks and sixteen lovely flowers. We enjoy them very much. Those who have their health charts on the board this week are: Warren Nunn, Linda Lucas, Gene Campbell, Perrilyn Williams, Rose Cameron and Mary Eleanor Karnazes. Thanks, Mr. Peery, for the nice pencil trimmer.

Grade VII - Belton Several of us visited out of town this weekend. We are proud to say that 23 of us went to church Sunday.

Ann Dew, and Donald Ray and Nelda Kay Cleek had birthdays recently. We are proud that two representatives from our room went to Edith to a musical program. They were Linda Tomlinson and Thelma Burroughs.

We are glad that we can now get books from the library.

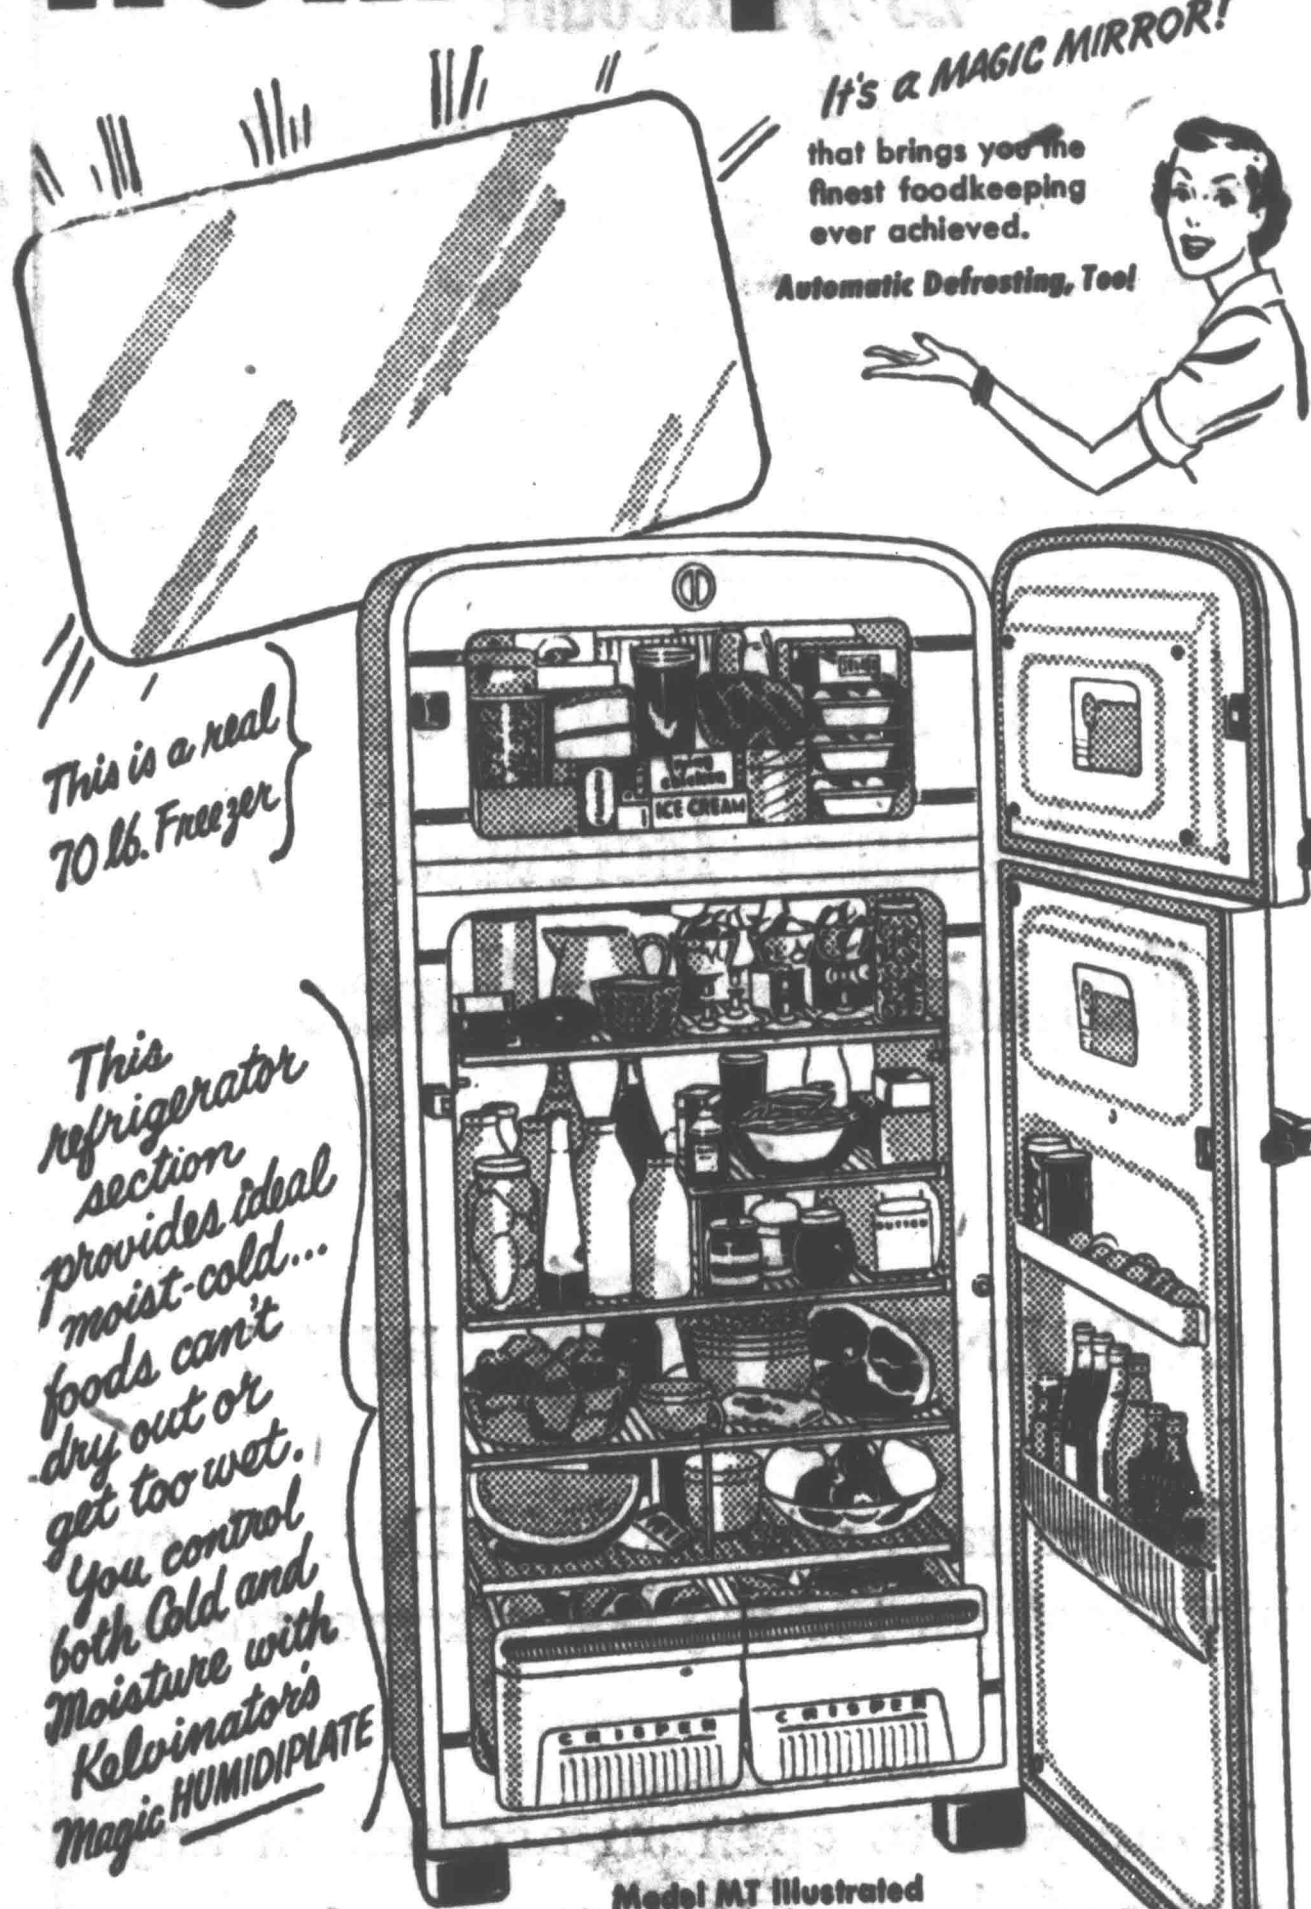

Grade VIII - McCorkle Here we are again, folks. We certainly enjoyed the "weeny" roast last Thursday night. We went to the Dyersburg Park and on the way back we stopped at the Dairy Queen. All but two of us got to go and we are sorry that they missed it.

We forgot to tell you about Nila Chronister's birthday last week. We wish her many more.

The Eighth Grade boys are going to play football tonight for the first time. Boys, we wish you luck!

PAY MORE? WHAT FOR?

Before this year, if you wanted a big-car ride... a high-compression engine... a complete choice of interior-exterior appointments... or a curved one-piece windshield and a car-wide rear window, you had to pay hundreds of dollars more. Now FORD offers all these features at no extra cost. It's the one fine car in the low-price field. Take 10 minutes and "Test Drive" a Ford. You'll agree... you can pay more but you can't buy better.

SCHOOL NEWS

Grade 1 Walker

Several of our First Graders have been ill for the last week. They are: Anna Carol Spry, Jimmy Sweat, Patricia Cherry, Brenda Joyce Joles and Tommy Williams. We have missed you and are glad to have you back in school.

James White, Wayne Lucas, Marshall Keitner and Elizabeth Ann Alsbrook brought flowers for the room.

We have another new student, Lana Jacobs, who comes from Ill. Grade 1

We have our October calendar up and find we have three October birthdays. They are Linda Maness, Carolyn Thurmond and Mike Chipman.

Everyone enjoyed Jimmy Hansford's story of the Gingerbread Boy last week.

We welcome two new pupils to our group. They are Susan Stone from Dyersburg and Karen Chambers from Fowkes. Our enrollment is now 31.

Linda Maness' house burned last week. We are sorry, Linda, and hope you will soon have a new home. Linda lives in the Poplar Grove community.

Susan Craig has brought us an attractive pot plant for our room. We thank her very much.

Jane Randall brought some beautiful dahlias Tuesday morning. She said her grandmother grew them so we want to thank Jane and Mrs. Jaynes for these lovely flowers.

Grade 1 & 2 Patton

We're running along pretty smoothly now. Have been enjoying the pretty weather at recess time.

We missed Sheila Lovelace and Billy Jo Bell who were absent last week. We made a poster that we enjoyed very much even though we were sticky with paste afterwards.

Some of us have made some money picking cotton. We're blossoming out with new dresses, shoes and jeans.

Our Second Graders were excited over getting their spellers.

Grade 3 Troyana

We welcome two new pupils to our room this week. They are Linda Rae Chambers and Mildred Doss. We now have thirty-four pupils in our room.

Alice Fern Parrish was a visitor in our room three days last week. She participated in all our activities and we enjoyed having her with us very much.

We feel quite "grown-up" now. We have our new "Spellers" and are having home work for the first time.

Grade 3 McDearman

The weather is cooler and our playtime means our jackets and caps now.

We sang "Happy Birthday to Johnny Osborne on Oct. 6th. Larry Moore says he is proud of his new baby brother. Sharon Olds reports that her trip to Georgia was a nice one.

Arlin Lucas brought the pretty cut flowers we have in our room this week.

We have tried to do our part toward stressing "Fire Prevention Week" with stories, art, drill and song.

"Columbus Day" is near at hand and we have done some drawings of the "Santa Maria," "The Pinta" and the "Nina." We like very much to sing about his captain and crew in fourteen ninety-two.

Grade 3 Lucas

We welcome Benny Moore back after being out several days because of illness.

Mack Stanley was kicked by a horse Sunday but was able to be back in school Tuesday. We are glad it was not serious, Mack.

We extend our deepest sympathy to Willie Griggs in the loss of his grandfather and cousin last week.

Our group has been watching an interesting Calichum bulb in our Science. It grows without soil or water and has orchid blooms much like the "crocus family."

We are showing much progress in our work — 14 of us made 100 last week in spelling and we are studying for our six-weeks review.

Grade 4 Ferguson

We are glad to have Jackie Jacobs as a new pupil. He has

FREWEL BUFFALOES IS GATES POSTMASTER

Frewel Buffaloes was this week named postmaster of the Gates Post Office succeeding the late G. V. Anderson. Mrs. Anderson will continue as clerk. Mr. Buffaloes has resigned as secretary of Lauderdale County Farm Bureau to accept the new position.

PTA Membership Drive To Open

Announcement is made that the annual membership drive of the Halls Parent-Teachers Association is now under way. At the request of the drive committee the following is reproduced from the front cover of the Tennessee Parent-Teacher, the organization state publication:

THE PTA NEEDS . . .

Every Parent

Every Teacher

Every Interested Adult

As Members . . .

Parents, Teachers, Adults can—Help build a nation of homes in which children are loved and parents and children enjoy a good home life.

—Establish good home-school relations so that the child's most intimate and powerful educators can do together what neither can do alone.

—Add their voices to the more than 7,219,165 voices in the nation that demand and enforce laws protecting children and youth.

—Strive with like-minded men and women to hasten the advent of world-peace.

Yes . . . The PTA Needs You . . . Enroll today in your parent-teacher association . . . Proudly hold your membership card as a symbol of your love, interest and faith in children and youth.

Join the Halls P-T. A Today—

Cotton Loans Are Now Available

The loan rate for Lauderdale County is 32 cents per pound for 16-18 inch Middling. Any individual, partnership, or firm producing cotton in 1952 can get a loan on cotton grown by them.

A producer may obtain a loan immediately at local approved lending agencies, or from the county PMA office.

The producer takes his classification card and warehouse receipt to a loan clerk who assists him in preparing the loan documents. To get the loan these documents and warehouse receipts are then taken to an approved local lending agency or the PMA office in the county in which the cotton was produced. At either place the loan is available immediately.

The borrower may pay off his loan and repossess his cotton at the local lending agency or county PMA office holding his loan documents. This may be done any time prior to maturity, July 31, 1953.

The borrower who wants to sell his equity in loan cotton can get an equity transfer certificate from the PMA office of the county in which the cotton was produced.

Lions To Sponsor Scouts In Halls

At the regular meeting Tuesday at noon the Halls Lions Club voted to sponsor the forming of a Cub Scout pack in Halls and also to aid with the forming of a boy scout troop.

President H. E. Pentecost named a committee composed of Neil Luton, Jr., David R. Nunn, and the Rev. J. H. Newton to form plans for the forming of the pack. Boys ages from 8 through 10 are eligible for the pack and den mothers will be needed.

In making the announcement, Mr. Luton, chairman of the committee, stated that a Scout representative will be in Halls one night this week to confer with the committee and interested parents.

Those who have boys within the age group and are interested in having their sons belong are requested to contact one of the committee within the next few days giving the boys name and age.

Dr. Lynn Conyers Dies From Gunshot Wound Wednesday

Dr. Joseph Lynn Conyers, 56-year-old physician, died early Wednesday night of a gunshot wound in the chest as he was being taken to Memphis for treatment.

Attendants at Sudbury Funeral Home reported Dr. Conyers died as the ambulance neared the Memphis city limits. He was taken to St. Joseph Hospital.

Sheriff Willard Norvell of Lauderdale County said he had not made an investigation of the shooting and details are not available.

Dr. Conyers leaves his wife; a son, Joe Conyers of Gates; a brother, Dr. Grover Conyers of Gates; his stepmother, Mrs. Alice Conyers of Gates; and two sisters, Mrs. A. A. Coffman of Gates and Mrs. Paul Cooper of Birmingham.

Funeral services will be held at 2:30 Friday afternoon at Gates Methodist Church. Burial will be in Gates Cemetery with Sudbury Funeral Home in charge.

Nankipoo Student Has Fine Record

Charles Peal
Ass't County Agent

The Lauderdale County Young Farmer's and Homemakers' held one of their bi-monthly meetings at the Ripley Grammar School Wednesday night. The Extension Agents, Cora Livingston and the writer, were in charge of the program and presented as their guest Hubert Williams, Electrification Advisor for the Southwest Electric Membership Co-op, who presented a demonstration on the Wiring and Re-wiring of Homes. In addition to this he demonstrated the effect of different types of shades and colors on the amount of light produced. He concluded by having the members ask him specific questions concerning their own situations.

A report was given by some of the members on the district meeting at Memphis on the 4th.

Following the program the group enjoyed folk games and square dancing during which time refreshments were served.

At the meeting on September 23, Mary Ann White and Pat Parker were accepted as Club members.

Ripley 4-H Clubs Organized

The Ripley 5, 6, 7 and 8th 4-H Clubs were organized this week with a total of 260 members.

The club officers were elected in each grade and the enrollment cards filled out. The Personality Improvement Contest was discussed with the 7th and 8th. Some of the boys and girls gave a report on their day at the Mid-South Fair. The next meetings of these clubs will be in November.

Meet This Week's 4-H Member

Do you know how to recognize quality in farm crops? Jerry Olds of the Nankipoo 4-H Club does and he proved it too when he scored.

(Continued on Page 2)

Form New Farm Group In Halls

H. G. Conley, agriculture teacher for Halls High School, has announced the recent forming of a Young Farmers Group in this immediate section. First regular meeting of the group will be held Monday night, October 13, at 7 o'clock in the agriculture building at the high school.

Mr. Conley stated that an election of officers, the setting of regular meeting dates and the official naming of the organization will be the chief business Monday night. All farmers interested are cordially invited and urged to attend.

Purpose of the club stated Mr. Conley is to form a group by which the latest farming developments may be discussed, various farm specialists may be heard and in this manner keep local farmers up to date. The group will also assist through committees Future Farmer group in Halls High School by keeping them informed of successful projects, etc.

All interested persons are invited to attend.

FEEDER CALF PROJECT STARTED AT SCHOOL

H. G. Conley, high school agriculture teacher, announced Wednesday that a feeder calf project has been started among members of the Halls FFA chapter.

Four boys have been assigned five calves which will be fed out during the winter and shown at the Junior Show in Memphis next April. The boys receiving the calves are Jimmy McCaslin, Odell Dugger, William Crichtfield, and Ray Deerwood two calves. Others are expected to get calves later.

Financing of the feeder calf project is being carried out through the cooperation of the Bank of Halls. The calves will be insured against loss to the bank or to the boy.

Tigers Lose To Newbern In Fine Game Last Week

Playing before the largest crowd to attend a football game in Halls in the last five years, the Halls Tigers lost a 19 to 6 football game to the highly rated Newbern Choctaws Thursday night of last week but covered themselves with glory while doing so.

The Tigers started off by receiving the opening kickoff and in two plays picked up fourteen yards only to fumble and lose the ball. Newbern took over and began to run but were stopped short of the goal line. Stuart Crichtfield injured a knee on a tackle and had to leave the ball game.

Following Halls punt, Burkett went 38 yards for a touchdown on the first play from scrimmage and Newbern was leading 7 to 0. Later in the first quarter Milican scored again for Newbern and the Tigers were behind 13 to 0.

With the coming of the second quarter the Tigers began to play football although Newbern scored again and were leading 19 to 0 at the half. During the entire last half the Tigers consistently stopped the Newbern running and passing attack when their goal line was in danger, pushed across 6 points themselves in the fourth quarter and looked like the fine team that they have proven themselves to be.

Crichtfield returned to the game in the second quarter and late in the fourth quarter sustained a broken finger which will sideline him for a couple of games. Jerry Norman was forced to leave the game with a slight concussion but is okay and will start the game against Munford tonight (Thursday). Showing up well with an first offensive opportunity was Jimmy Lewis Smith as did several of the linemen.

County Circuit Court Clerk Died Tuesday

RIPELY—Services for Milton Cecil DeLaschmidt, Lauderdale County circuit clerk since 1948, were held at 11:30 a. m. Thursday (today) at the Henning Church of Christ.

The Rev. L. C. Sears of Harding College at Searcy, Ark. officiated with burial in Munford Cemetery at Covington.

Mr. DeLaschmidt, who was 59, died Tuesday night at the Ripley hospital following a long illness. He was serving his second term as circuit clerk and was a veteran of World War I. He was born in Tipton County but had lived at Henning for many years.

He leaves his wife, a daughter, Miss Sara DeLaschmidt of Henning; two brothers, W. L. DeLaschmidt of Covington, and Russell DeLaschmidt of Brighton; and two sisters, Mrs. Edith Fite of Munford, Tenn. and Mrs. Emma Huffman of Burlington, Tenn.

LEVY ERECTS NEW METAL AWNING

Joe L. Levy & Son is this week erecting a metal awning across the front of their new department store on Main Street. The awning will add much to the appearance of the building and to Main Street.

School Board Votes To Close Double Bridges School

The Lauderdale County Board of Education met at 9:30 a. m. on October 8, 1952, in a called meeting. The matter of building an addition to the Double Bridges school and the availability of securing funds was discussed. Judge Lewis of the Lauderdale County Court and C. S. Carney, County Attorney, were called for advice as to whether county funds could be made available and it was found that a bond issue would be necessary and inadvisable.

The Lauderdale County Board of Education made the following decision, which was voted unanimously: To consolidate Double Bridges Grammar School with the Halls Elementary School, effective October 27, 1952.

Since Halls has the necessary facilities and the County Board has ample transportation equipment to transport the children to Halls and since the funds were not available to bring Double Bridges school up to the standard of other Elementary Schools of the county, the Board deemed it wise to make this decision.

Also the Board appointed a committee to rearrange the bus routes to meet the needs brought about with the consolidation of the two schools.

S. N. Anthony, Chmn.
Edric Owen, Sec.

Name New Secretary Of Farm Bureau

We regret very much to announce the resignation of Frewel Buffaloes as Secretary of Lauderdale County Farm Bureau. Mr. Buffaloes has worked faithfully and conscientiously with Farm Bureau for the past several months and will be missed by all who come in contact with this office. We wish him much happiness and good luck in his new position as Postmaster at Gates.

We are happy and indeed fortunate to have with us Mrs. Charles Griggs as our new secretary. She comes to us with several years experience in this type work and will assist any Farm Bureau member or non-member who desires help. Please feel free to call at our office at any time.

Awarded Trip

W. A. Sanford does it again. As one of the eleven men in the state selling the largest amount of farm insurance, he is this week touring several of the northwestern states.

This All-American team will visit Farm Bureau offices and their insurance departments in Illinois, Indiana and Kentucky to see and learn more about the insurance program there since these states have been organized longer than our own State of Tennessee.

Membership Drive To Begin

Mr. Millard Shivers, Director of

(Continued on Page 2)

MEMPHIS MAN SREAKER AT JAYCEE MEETING

Joe Chumley of Memphis, National Jaycee Director for West Tennessee, was the principal speaker at the regular meeting of the Halls Jaycees Monday night of this week. Mr. Chumley discussed some of the history and background of the Jaycee organization and also gave a report on the recent state board meeting in Nashville.

Report was made to the club that actual work on constructing the lines for the street Christmas decorations is expected to begin within the near future. Attention was also called to activities planned by the Jaycees for additional financing of the decorations.

NATIONAL LETTER WRITING WEEK

Letter Writing Week, October 12 to 18, will renew many homes, E. J. Shannon, Halls Postmaster, said yesterday, in announcing the observance of the week locally.

"It is through the medium of letters that the intervening miles separating families and friends are bridged," Shannon said.

BABY TIGERS WIN OVER MUNFORD

The Baby Tigers traveled to Munford Tuesday night and came home with a 14 to 6 victory for their second victory in three starts. The youngsters have won over Brownsville and Munford and lost by one touchdown to Covington in the opening game of the season. Next week is an open date for the Baby Tigers in the Jeff Davis League but we have been informed that a game with Ridgely has been scheduled.

Two Die In One Gates Family

Marvin O. Moore of Gates died late Sunday afternoon in Kennedy Veterans Hospital in Memphis about three hours after services were held for his father at Gates.

Mr. Moore, a merchant and junk dealer, had been in ill health for many years. He was 58 and a veteran of World War I.

Services for his father, Sidney L. Moore, who died Saturday, were held at 2:30 p. m. Sunday at the Gates Baptist Church. The Rev. B. R. Owens officiated and burial was in Gates Cemetery under the direction of Garner's Ripley Funeral Home. He was 79.

The elder Mr. Moore leaves his wife; three sons, Harry Moore, John Moore and Alvin Moore of Gates; and six daughters, Mrs. Bryant Stanley, Mrs. Van Burlington, Mrs. Richard Hunt, Mrs. Robert Lawrence, all of Gates, Mrs. Willie Whitley of Hornbeak, Tenn. and Mrs. James Talbert of Ripley.

Marvin O. Moore leaves his wife and a daughter, Mrs. Alene Dunaway of Gates.

Funeral services were held Tuesday afternoon from the Gates Baptist Church. Burial was in the Gates Cemetery.

F. H. Kimbrough Buried At Biloxi

BILOXI, Miss.—Fenton Hunt Kimbrough, 78, retired druggist and a director in First Bank of Biloxi, died at Biloxi Hospital at noon Wednesday, October 1.

Mr. Kimbrough entered the hospital August 11th following a heart attack. He resided at his home on Cedar Lake.

He was a native of Stanton, Tenn., and was educated in high school in Tennessee and at the National Institute of Pharmacy in Chicago.

For years he was a partner in Kimbrough and Quint Drug Co., having entered the drug business in 1897, and retiring in 1940.

He also at one time was in the seafood and ice business and traveled throughout the west.

Mr. Kimbrough for many years was active in crippled children's work and in other charity programs. He was named outstanding citizen of Biloxi in 1942. He had been active in the First Presbyterian Church for many years and was an elder.

He formerly was president of the Rexall Drug Club of Mississippi and also past commander of the Jefferson Davis Camp, Sons of Confederate Veterans. He also was a Mason and Shriner.

For hobbies he enjoyed gardening and fishing and did considerable work on his own farm.

He is survived by his wife, Mrs. Ruth Pullman Kimbrough, Biloxi; a brother, C. M. Kimbrough, Halls, Tenn. and a sister, Mrs. Anna Eubank, Stanton, Tenn. Mr. Kimbrough had lived in Biloxi for over 50 years.

Funeral services were held from Bradford Funeral Home at the First Presbyterian Church with the Rev. M. M. Miller officiating. Burial was in Southern Memorial Park.

NEW DAUGHTER

Mr. and Mrs. Neil Keitner announce the birth of a daughter at the Dyersburg Hospital Wednesday afternoon at 1:30. The young lady weighed 6 pounds and 10 ounces. Both mother and daughter are doing nicely.

"Small Cost, Little Space, But Power to Burn . . . the Want Ads."

Farmers Are Seeding Winter Cover Crops

F. H. Paschal
County Agent

W. M. Layne of Gates Community this week inoculated and seeded crimson clover in cotton middles that were too grassy to plow through. This method of seeding can prove profitable in early October if the weather is favorable.

Tom Scott of Ripley is this week seeding a mixture of crimson clover and rye grass on lespedeza land, on Bermuda grass, and over thin spots of permanent pastures to protect the land from washing this winter and provide some pasture in winter and a lot more in the spring. He is using a cyclone seeder on the back of his tractor run from the power take-off and he is pulling a harrow and cultipacker or disk and cultipacker to scarify the land and cover the seed.

Other farmers over the county following the

rain this week are seeding hundreds of acres of cover crops for winter and spring pasture and to provide green manure crops to turn under. Seeding of

F. H. Paschal hairy vetch, crimson clover, rye grass, barley, rye and wheat can profitable continue through next week. The seeding of wheat for grain should be done between now and October 25 to come nearest to avoiding the attacks of the Hessian fly.

Prevent Farm Fires

As the first cool weather of the year appeared last week newspapers carried accounts of three tragic fires caused by improper use of kerosene for starting fires. Two people in one home were burned to death. Other fires are started by defective chimneys or stoves. Soot dries out in chimneys and when fires are lighted, sparks seem to be more likely to land on combustible roofs.

It is fitting and appropriate for this week to be called National Fire Prevention Week. A farm building burns somewhere in the United States every 15 minutes and more than 3500 farm people each year are killed by fires. There are many fire hazards around farms, especially at this time of year when even tall Bermuda grass near a house can become a fire hazard as frosts come and the weather dries it so that one spark from a careless smoker can burn a home with the accumulations of a life time of living.

Careless smokers still pitch lighted cigarettes out of cars along the highways and persist in going around barns while smoking.

Since we have no farm fire department, many farm fires result in total losses. This makes prevention doubly important. We need to guard against the starting of fires every day we live. We further need to provide some method by which to fight fires when they first start.

The electrical wiring of many homes nowadays is really overloaded, because we have added so many electrical gadgets, one by one, without providing additional circuits. An investment of a few dollars can usually eliminate this danger and add convenience at the same time.

Let's check our farms for fire hazards and eliminate as many as possible this month.

Plant To Prosper Judging

Five hundred dollars in cash is offered by the Memphis Chamber of Commerce to the landowner or tenant making the best record in Living at Home, Soil Conservation, Crop Diversification, and Home Improvement in the Plant to Prosper competition to be judged this month.

A special first prize of \$260 is offered for the renter or sharecropper making the best record in the competition and \$100 is offered to the farm operator with more than one tenant making the best record in the contest. Another special prize of \$100 is offered to the renter or sharecropper family making the most improvements in their home with their own hands.

ANNOUNCEMENTS

CARNEY — C. S. Carney, Jr. has authorized the Halls Graphic to announce his candidacy for delegate from Lauderdale County in the Limited Constitutional Convention, subject to the action of the voters in the November 1952 General Election.

FARM BUREAU

(Continued from Page 1)
Organization of Tennessee Farm Bureau Federation, will be guest speaker at the "kick-off" meeting when the Fall Membership Drive gets under way October 14th. The Directors and their workers in all districts of Lauderdale County are preparing for an extensive campaign to sign up new members. Membership in the Lauderdale County Farm Bureau is now 942 with a quota of 1050 for this drive.
Farmers of Lauderdale County are strongly urged to continue their membership in the Farm Bureau. This is the best and most effective way through which the farmer can speak concerning the things that are to affect him in the county as well as in state and national affairs.

4-H Club

(Continued from Page 1)
ed the highest number of points on the Lauderdale County Crops Judging team at the District Fair at Jackson and the Mid-South Fair at Memphis. Tollie and Ollie Matthews and Jerry placed 5th in the Mid-South Fair competing against four other states.
Jerry started his 4-H Club work in 1948 with a pig for his project. He cleared \$15 on this enterprise. Cotton appeared to him to make more profit so he decided to have this as his 1949 project. It proved that he was right because he made

\$95 on it. The following year he did equally as well on his cotton and in 1951 he really proved himself when he raised two bales per acre even though the cotton had to be replanted. This year Jerry changed his project to corn, but the drought damaged his crop to the extent that the yield is not going to be promising. He entered some corn in the Mid-South Fair this year which placed in the red group and won him \$5.00 in prize money.

Jerry was Secretary of the Nankipoo-4-H Club last year and was re-elected to that position again this year. He has attended 4-H Club Camp twice and this year was a member of the Lauderdale County team that won the championship. Rally Days and the attending of the Mid-South Fair along with other activities constitute the phase of Jerry's 4-H Club work.

Jerry is interested in doing more and better club work which will benefit him from the standpoint of doing new things and gaining experience and know-how.

Nankipoo News

... by Evelyn Cates

T. F. Cates is a patient in the Baptist Hospital in Memphis and will undergo a major operation the latter part of the week.

Mr. and Mrs. Otho Sanders and daughters of Jackson were recent guests of Mr. and Mrs. Raymond Sanders.

Aged Persons To Get Increase In SS Checks

This week will bring increased social security checks to about 2919 aged people in Dyersburg field office area and to 1214 dependent children of retired workers and young survivors of workers who have died, according to Joe P. Tipton, manager of the Dyersburg social security office. Increases of from \$5 to \$8.60 each month will go to most retired workers who receive old age insurance payments. Dependents of these retired workers and survivors of workers who have died will also receive increased benefits in most cases. Increases in payments to dependents and survivors, however, will be smaller than the increases for retired workers—usually from \$2 to \$5.
Mr. Tipton pointed out that although several members of a family may receive monthly payments based on the social security account of a retired or deceased worker, the law sets limits on the total amount of monthly payments to the family. Family payments are limited to 80% of the worker's average monthly wage or to \$163.75, whichever is less.
A few families receiving benefits that amounted to 80% of the worker's average monthly wage before the law was changed will receive no increases.

Mrs. Mandy Olds spent part of last week in Memphis with her daughter, Mrs. Lofton Hutcherson.

Mr. and Mrs. Troy Olds and sons and Mrs. Will Olds visited Mr. and Mrs. Art Olds in Macon, Georgia recently.

Curtis of Selmer, Mr. and Mrs. Neil Ferguson, Mr. and Mrs. Charles Rooks and son, Micky, Mrs. Ailene Ragland and Mr. and Mrs. Garland Hargett.

UNITED EVANGELISTIC MISSION IN WEST TENN., KENTUCKY

Under the direction of Bishop W. T. Watkins of the Louisville Area of the Methodist Church the United Evangelistic Mission was planned many months ago. This is a program of evangelism in every Methodist Church in West Tennessee and all of Kentucky, in which all pastors will assist each other. In addition to the pastors there will be a number of bishops, superintendents, and other church leaders from other states. The program combines a revival meeting in each church with visitation evangelism to be done by laymen and women at the same time.

All pastors of the western half of the territory will go to the eastern section October through November 2. In turn those pastors will come to the western section November 14-23.

The First Methodist Church of Halls, along with other churches, is making extensive preparation for this great program of evangelism. Six large committees are now being appointed. The local pastor, Rev. C. B. Ware, has been assigned to Lexington, Kentucky, to preach and work in this evangelistic campaign.

Community Missions, Mrs. E. S. Crichfield.
Publicity, Mrs. J. H. Murchison.
Social, Mrs. A. G. Hargett.
Prayer, Mrs. E. J. Shannon.
Circle Leaders, Selma Maxwell, Mrs. Ciskey Miller; No. 2, Mrs. E. J. Shannon, No. 3, Mrs. A. G. Hargett; Floryne Miller, Mrs. A. F. Picketts; Ruth Walden, Mrs. P. W. Crittendon.

YWA Leader, Mrs. Kyle Scates.
Jr. GA Leader, Mrs. Kenneth Randall.
RA's, Rev. J. H. Newton.
Sunbeam Band, Mrs. Marvin Hansford and Mrs. Charles Vlar.

BAPTIST WMS HAS NEW OFFICERS

The WMS of the Halls Baptist Church met Monday night at the church for the regular monthly meeting with twenty members present.

The president, Mrs. D. C. Warren, president, called the meeting to order with opening prayer by Mrs. T. G. Avery. New officers for the coming year were recognized.

After the business meeting Mrs. N. G. Parrish, program leader, conducted the devotional and introduced the guest speaker, Miss Hazel Griffin, who spoke on "Christian Citizenship."

Officers for the new year are as follows:

President, Mrs. D. C. Warren.
Young Peoples Director, Mrs. Ross Dyer.
1st Vice-Pres., Mrs. T. G. Avery.
2nd Vice-Pres., Mrs. D. R. Nunn.
Recording Secretary, Mrs. Paul Griffin.
Corresponding Secretary, Mrs. Loyd Edens.
BWC Advisor, Mrs. Paul Crittendon.
Stewardship, Mrs. Bob Burnett.
Mission Study, Mrs. J. H. Newton.

SCHOOL NEWS

(Continued From Page One)
been attending school in Chicago.
Paulette Stanley made our room
cheerful this week with a beauti-
ful pot plant.

We are sorry Gerald Maness'
house burned last week—burning
everything they had.

Elizabeth Ann Alsbrook went
to Memphis last Thursday. Rita
Williams spent the weekend in
Memphis and Allen Chipman went
to Ripley.

We had our hearing tested last
week.

Our new reading work books
are here and we are really work-
ing hard.

Pat Younger added much inter-
est to our study of the star-fish by
bringing a star-fish shell that he
obtained on a trip to the Atlantic
Ocean for us to observe.

In social studies we are enjoy-
ing an interesting unit about the
French explorers. We have enjoyed
the study of the paintings "The
Helping Hand" and "Feeding Her
Birds" by French artists. We have
learned "Fre're Jacques," a little
French song that is a favorite of
the French boys and girls.

Reporters for this week are
Rebecca Carson and Elizabeth Ann
Alsbrook.

Grade 4 Gilliland
We are making a frieze on Co-
lumbus' voyage to America.

We are glad to have Laverne
Caviness and Linda Hilliard back
in school after being out several
days on account of sickness.

Ruby Parish's grandmother from
New Orleans visited her this week-
end.

Our new Reading books are
here and we have settled down to
work in them.

Grade 5 Hooks-Scates

Our pretty October calendar
was made by Gene Pugh and
Carman Belton. We think that
this month offers many interest-
ing ideas for drawing. The new
art supplies are quite useful.

Absent from school because of
illness was Barbara Chipman.

Social studies classes gave us
the idea of historic skits to be pre-
sented in a few days. We are
working on "The Log Cabin,"
"Daniel Boone," "Boston Tea
Party," "Indians," and "Packing

From where I sit... by Joe Marsh
One Sure Way of Not "Flunking"
Judge Cunningham told me he's never had an answer like it. He was speaking about a woman appearing in court after she got a ticket for driving through a red light.
There's only a small fine for the violation, but the Judge soon discovered a more serious charge. Seems she didn't have any driver's license! Judge Cunningham naturally asked her why not, and then came her calm reply.
"I didn't have enough confidence in my driving ability to pass the test," she says. "So I didn't bother to take it."

Up."
The record player is in our room for a while. We simply love music.

Happy birthday to Linda Grady. We are planning two posters on school safety. They are to be made by Wilburn Hastings, Jerre Jordan, Gene Pugh and Jimmy Nunn.

Grade 5 Murchison
Our attractive October calendar was drawn by Emma Sue Keltner and Barbara Vaden.

Barbara Vaden and Dawn Robertson visited their grandmother in Friendship during the weekend.

We went to our teachers' workroom Monday and each pupil weighed, and measured his height. These charts will be kept monthly in connection with our health lessons.

Finis Ashcraft and Gene Nichols have added supplies to our first-aid kit.

Our poem this week is "Meeting Halloween Folk."

Grade 6 Hilliard
This is Spelling Contest Week. We will let you know how it comes

WANTED TO BUY
ALWAYS BUYING — Scrap iron, junk cars, rags, junk batteries. Y & W Salvage Co., Phone 3701.

out next week.
In Social Studies we are studying the Romans.

Our poem for this week is "In School Days" by Whittier. We have also been studying the biography of Whittier.

Warren Nunn's mother, Mrs. David Nunn, visited us for a short while Tuesday morning. Although her errand was business we enjoyed her short stay in our room.

The 6th Grade had their first program this week. They dramatized the story "The Princess and the Pea." The characters were: King, Henry Bishop; Queen, Alice Faye Savage; Chosen Princess, Barbara Watts; Prince, Larry McBride. Other Princesses were Perrilyn Williams and Rose Cannon with the Reader being Anne Younger. Linda Lucas gave a poem, "Johnny's History Lesson," Delaine Moore read Psalms I, Janet Hines was the announcer and also played the piano.

Janet Criffield went to Reelfoot Lake Sunday. Janet Hines went to Tiptonville this weekend. Anne Younger, David Hurt and Sharon Moore say they had company over the weekend.

Grade 7 Belton
Several of us went out of town this weekend and 26 of us went to church.

We have started getting library books and enjoy them very much. We extend our sympathy to Patsy Griggs in the loss of her grandfather and cousin.

We started in our English notebooks this week and in Health we have learned that girls mature more rapidly than boys. If you don't believe this, ask some of the 7th Grade girls.

Grade 8 McCorkle
We're not enjoying this cold weather.

We are proud of our librarians. They surely are doing a good job in keeping the library. Our librarians are Molly Watts, Francene Smith, Celia Wiley, Barbara Alston, Barbara Ford and Lynn Hudson.

Happy birthday, Francene Smith and Barbara Ford

We're enjoying the magazines in our room and also the radio.

We surely had a nice time on our weiner roast. We want to thank Mr. and Mrs. Clyde Watts, Mr. Davis and Mrs. McCorkle for going with us. Thanks!

Well, that's all for this week—see you next week!

F. H. Paschal

(Continued from Page 1)

Every year there are winners in this attractive contest which did not achieve nearly as much as some other family who just did not make a report. We shall be glad to come to the farm of any interested family and take the necessary time to assist them in completely jilling out a report so that they can be eligible for prizes in this contest sponsored by the Commercial Appeal in which more than \$4,000 in prizes are offered. Just call 105-J at night or 234 in day time to request a report blank or our assistance.

Announcing the 1952-53 Essay Contests of
THE LION OIL COMPANY
which will award
18 COLLEGE SCHOLARSHIPS
to Students and Teachers
Lion Oil Company has again expanded the Lion Oil Scholarship Fund—this time to provide additional scholarships for high school students and scholarships for elementary school teachers as well as high school teachers.
The future progress of the South depends not only on educational advancement of Southern Youth—our Future Leaders, but also on the continuing advancement of Southern teachers who guide our Southern boys and girls.

SCOPE OF STUDENT-ESSAY CONTESTS BROADENED
Twelve \$1,000 Scholarships for High School Students
372 Cash Awards for Students and Sponsors
NOW, ESSAY CONTESTS FOR GRADE AND HIGH SCHOOL TEACHERS
Six \$1,200 Scholarships
Now... Lion Oil offers Southern teachers in elementary and high schools the opportunity to win scholarships for advanced education.
Lion will conduct two essay contests for Southern teachers. Three winners will be selected in each contest. The three winners in each contest will each receive a \$1,200 scholarship to the college or university of his or her choice.
Teachers, principals and superintendents teaching in public, private and parochial high schools or elementary schools in areas where Lion petroleum products are sold at the sign of the Lion are eligible to enter these contests. The first contest is now open. To enter, a teacher should write an essay in 1,500 words or less on the following subject:
"What I Can Do To Become A Better Teacher"
Entries in this first contest must be postmarked before midnight of November 30, 1952.
For complete information write the Lion Oil Scholarship Fund.
EASY TO ENTER
To enter, a high school student must write an essay in 500 words or less, get the essay approved and signed by his teacher, and send it to:
LION OIL SCHOLARSHIP FUND
El Dorado, Arkansas
FIRST CONTEST STARTS NOW
The subject for the first contest is:
" My Definition of Good Citizenship "
Entries must be postmarked before midnight, October 31, 1952.
Subjects for the other essay contests will be announced at a later date and are listed in Rules Booklets.
High School Students... Don't Miss this Opportunity to Attend the College of Your Choice on a Lion Oil Scholarship
Ask your teacher or principal for free rules booklet, or write the Lion Oil Scholarship Fund.

Why The Scholarship Fund Was Established
Lion Oil is part-and-parcel of the South, employing more than 2,600 persons with an annual payroll of more than \$11,000,000.
Lion Oil manufactures more than sixty petroleum products which keep the wheels of Southern industry, transportation and agriculture spinning. Lion's nitrogen fertilizers enrich the soil of Southern farms... help Southern farmers produce more and better crops.
The Scholarship Fund is Lion Oil Company's way of saying, "We believe in the South... are eager to assist its sons and daughters... our good neighbors. We're proud to be "Home Folks - Good Neighbors!"

SCHOOL NEWS

Grade 1 - Walker
We have our room decorated for Hallowe'en — witches, owls, black cats, and pumpkins. We think its spooky looking.

The children are still bringing in pretty fall flowers. Gail Robbins and Elizabeth Ann Hurt brought roses; Mickey Rooks, dahlias; and Eddie Smith, marigolds. We were glad to welcome Joe Wayne Lucas, Kathy White and Marshall Keltner back to school after having been out because of illness.

Grade 1 - Viar
We haven't much news for "Miss" Geneva has been sick.

Susan Craig gave us such a nice surprise Friday by bringing each of us a candy bar from her grandmother. Thank you, Susan's grandmother, we really enjoyed the candy.

Grade 1 - Patton
We haven't much news this time. We're glad to have James Vernon Chronister back with us after a long absence. We missed Maggie Wilson one day also.

Hallowe'en is showing its face around these days. We're looking forward to it and the Hallowe'en Carnival. We're working on some decorations for our room so we will be ready for the old witches and jack-o-lanterns.

Grade 2 - Troiano
We have a group of lovely new pictures on our walls. They are of wood land animals and are so colorful! Each of us likes to select our "favorite" and tell a story about it.

We are enjoying learning to spell and are beginning to write beyond a "100" in our number work.

Many of us visited out of town over the weekend and all report "good-times."

Little Kay Dunaway made \$2.20 picking cotton Saturday. She is going to save it for Christmas.

Grade 3 - McDearman
Last week ended our first six week period of school. We enjoyed our first experience of written lessons on the work that we have been doing.

Our English lesson Monday was the poem "The Sugar Plum Tree" by Eugene Field. It was full of all the good things the poem tells about and we had fun stripping the tree of its _____ well, you will have to read the poem to find out.

In Science we have been studying about weather thermometers and the temperature has changed so much during the past week from cold to warm to cold that we are getting some good experience in learning to read one.

Grade 3 - Lucas
We welcome a new girl to our room. She is Florence Ann Winters from Middle Point, Ohio.

Andy Bowers had a birthday October 10th. We sang "Happy Birthday" to her.

Betty Mills visited her grandmother in Memphis Saturday.

We would like to thank Mrs. McDearman for inviting us into her room to see their "Sugar Plum Tree." We enjoyed partaking of the "goodies" that it offered. This was an English lesson that will always be remembered.

Grade 4 - Ferguson
Rita Williams brought a beautiful cactus for us to enjoy in our room this winter.

We have had several on our sick list. Pat Younger, Clyde Allen, and Allen Chipman were absent Wednesday. Katie Lou Hurt was absent part of the day Monday.

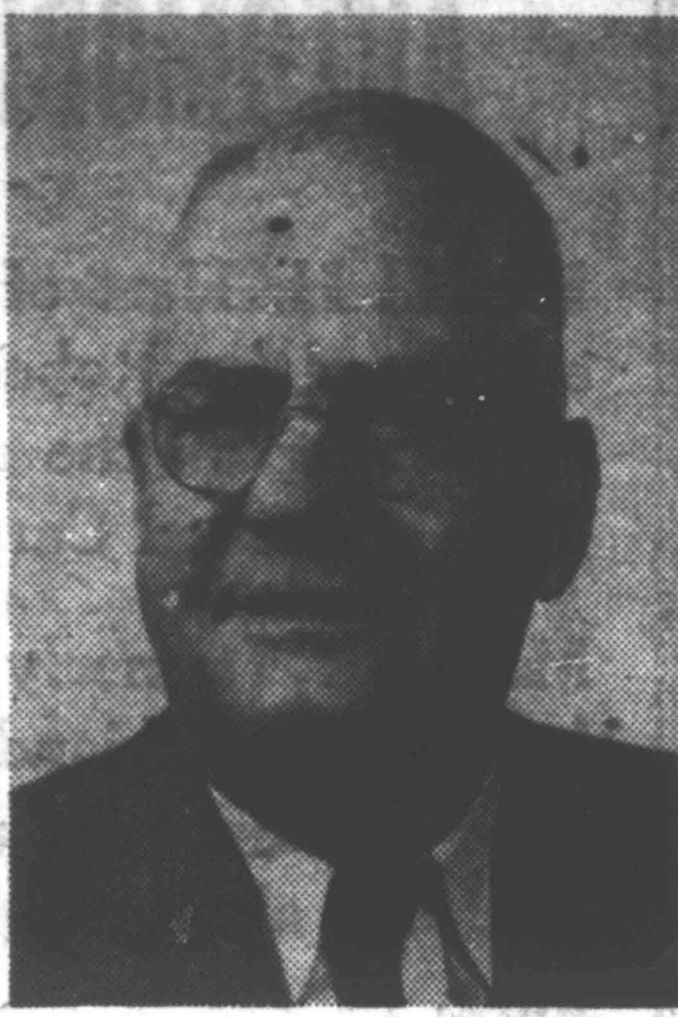

Patricia Hines went to Jackson Saturday and Harold Cole went to Paducah, Kentucky. Cary Alsbrook and several of his friends enjoyed a hike through the woods Saturday.

Our poems for this month are "October" and "On Hallowe'en." We wish to thank Marilyn Olds, Nellie Dew, and Iona Brasher from Mrs. Hallman's class who taught us some French songs in our social studies.

Reporters this week are Katie Lou Hurt and Brenda Dew.

Grade 4 - Gilliland
We are studying French explorers in our Social Studies. We

Prof. R. L. Conley, Beloved Teacher, Died Monday

ALAMO—Services for Robert L. Conley, who died at his home here Monday were held at the First Christian Church Tuesday at 2 p. m. The Rev. Frank Perry, assisted by the Rev. Harrell Townsend, officiated. Burial was in the Alamo Cemetery.

Mr. Conley, who was 78, was a member of the Christian Church, and for 50 years was a teacher in West Tennessee schools. He began teaching at Crossroads in this county, and had served as superintendent of schools in Alamo, Halls, Bells and Ridgely.

He served five years as county superintendent of Crockett County. He leaves his wife, Mrs. Eva Cooke Conley; two daughters, Mrs. C. A. Partee of Trenton, Tenn., and Mrs. Maxwell McDade of Fulton Ky.; a son, Paul Conley of Alamo; a sister, Mrs. J. A. Farrow of Bells; six grandchildren and three great-grandchildren.

Mr. Conley came to Halls in 1923 and immediately began a building program in the school which finally brought Halls to one of five schools in the state rated at A-1 and at the same time practically doubling the enrollment. In 1930 he resigned to go to Ridgely remaining there until 1937 when he came back to Halls and stayed until 1942. He came back to Halls again in 1944 but resigned before the end of the year to accept the job of superintendent of schools for Crockett County. He was the uncle of H. G. Conley, agriculture teacher in Halls High School.

PTA To Meet Monday Night

The Halls Parent-Teacher Association will meet next Monday night, October 20, at 7:30 o'clock in the High School.

Our general theme for the year will be "Looking Toward Tomorrow's Education" and the subject for October will be "Teaching the Fundamentals of Democracy." Our speaker will be Mr. Virgil Cox, public relations director with Esso Standard Oil and will show two films relative to the subject—first, "Historic Virginia," an inspiring visit to the birthplace of our country. Our journey takes us to Jamestown, first successful English colony in America, to Williamsburg, Colonial capital, restored today as it was before the Revolution, to Richmond, Yorktown and Fredericksburg. Here are vivid memories of Captain John Smith and Pocahontas . . . of Washington, Jefferson, Madison, Monroe, General Robert E. Lee and other great Virginians. And here too is modern Virginia in all its color.

Second to be shown will be "Rendezvous in the Reef," perfect entertainment for all the family, for school, the sportsman, the naturalist, and the adventurer.

Everyone is cordially invited and reminded that we start promptly at 7:30.

Mrs. Ross Dyer, Program Chairman.

REV. STROUD TO PREACH SUN. NIGHT

Rev. M. H. Stroud, district superintendent of Dyersburg District, will preach Sunday night at seven o'clock, and conduct Quarterly Conference after the church service at Halls Methodist Church.

The hour for the evening hour is now changing from 7:30 to 7:00. The Youth Fellowship will meet at six o'clock and the children will meet at 6:30 o'clock each Sunday. The Protestant Reformation anniversary will be observed in the Sunday morning church service at 10:55.

ROSS DYER CANDIDATE FOR CONVENTION

Atty. Ross W. Dyer of Halls has announced that he is a candidate for floratorial representative to the Limited Constitutional Convention at Nashville next April. He is unopposed.

BOARD RESCINDS ORDER TO CLOSE DOUBLE BRIDGES SCHOOL

At a meeting held Thursday morning of this week the Lauderdale County Board of Education rescinded its order to close Double Bridges School which was passed last week. The Double Bridges School will open October 27 and operate under the present setup.

Viar Purchase Townsend-Daws

In possibly one of the largest deals ever consummated in Halls, Lon Viar, Sr. and Lon Viar, Jr., Wednesday purchased the majority stock of Townsend-Daws Co., Inc., Ford dealer in Halls for the past 27 years.

The deal, according to the announcement, meant the purchase of the majority of the stock from H. A. Townsend and the family of the late N. S. Daws. Mr. Townsend had served as manager of the firm since its establishment in November, 1925, and as president since December, 1930. Mr. Lon Viar, Sr., was presently vice-president of the concern and had served in that capacity since shortly after the firm was organized. Mr. Viar was named president at a stockholders meeting Wednesday morning. Mr. Townsend retained a portion of the stock and will continue to be connected with the firm in an advisory capacity and will also operate H. A. Townsend, Insurance Agency, from the offices of Townsend-Daws Co., Inc.

At the meeting Wednesday Mr. Lon Viar, Jr. was elected vice-president and General Manager of the corporation. M. E. McDearman, Jr. retained his interest in the firm. He was elected secretary-treasurer of the firm and will continue in his capacity as service manager.

The present employees of the firm will continue including P. E. Griffin, sales manager, B. B. Poindecker, Parts manager; James Bailey, service station attendant; Dick Kirby and Odell Kinnebrew, mechanics, Charles Moore and Sonny Gooch, body shop men; Roosevelt Mayfield, porter, and Pat Dixon, wash and grease rack attendant.

Miss Quida Gooch will continue as accountant for the firm and also as soliciting agent with H. A. Townsend, Insurance.

Korean Veterans May Collect

The Department of Employment Security on Monday, Oct. 20, will begin taking initial applications for unemployment compensation provided by Congress for veterans of the Korean action. "While the federal law became effective October 14," Grady Cook of the local Employment Security office said, "the program will operate under the rules of the state employment insurance system and that makes the week ending October 25 the first for which claims can be paid."

"Eligible veterans," Mr. Cook said, "may receive \$26 a week for a maximum benefit of \$676."

He said the law requires a minimum of 90 days of other than dishonorable service with at least one day of which was after June 27, 1950. He stated the veteran must be able and available for work and registered at the local employment security office.

To be eligible for such benefits the veteran must not be receiving any mustering-out pay, subsistence, or education allowance for the same week in which he claims unemployment payments.

An unemployed veteran desiring to file a claim should bring with him his discharge or separation papers, his social security card and list of employers for whom he worked during the 18 months before he entered the service.

Mr. Cook also stated that a veteran, when he reports to the employment security office, may ask for information about his rights to re-employment under the Selective Service Act.

Go To Church Sunday.

Bankers Association To Meet In Halls On October 24

David R. Nunn, president of Bank of Halls, this week announced that the Bank of Halls will be host to the bankers of Group Seven of Tenn. Bankers Association next Friday night, October 24.

The meeting will be held in the auditorium of the new elementary school building with the high school home economics department under the direction of Miss Virginia Canada and the cafeteria workers under the direction of Mrs. Annie Robison serving the group at 6:30 in the new cafeteria.

Mr. Nunn announced that registration will begin at 2:30 with the afternoon business session scheduled to begin at 3:30 with J. E. Veazey, chairman, presiding. Mr. Veazey is vice-president of a Paris, Tenn. bank. The secretary is M. R. Forrester, cashier of the bank at Yorkville.

At the afternoon session the Rev. J. H. Newton, pastor of Halls Baptist Church, will give the invocation; Atty. Ross W. Dyer of Halls will welcome the visitors followed by an address by Mr. J. H. Anderson, state bankers association president. Mr. Anderson is president of Park National Bank at Knoxville.

Others scheduled to appear on the afternoon program are Jesse Bradshaw, cashier of 1st Citizens National Bank at Dyersburg, and Judd Brooks of Jackson, District Agricultural Agent. Mr. Brooks will speak on the "Agricultural Outlook."

At the dinner a musical program will be presented followed by an address by Mr. Earnest Robert Rosse of Philadelphia, a prominent speaker in banking circles.

Halls has served as host to a meeting of Group Seven, in 1939, stated Mr. Nunn. Some 275 persons are expected to attend the meeting.

Funeral Services For Mrs. Madie French

Services for Mrs. Madie French were held Saturday afternoon at 3:30 o'clock at Fowlkes Baptist Church with the Rev. W. E. Lyle, Baptist minister, officiating. Burial was in Palestine Cemetery with Sudbury Funeral Home in charge.

Mrs. French died Friday night at the home of her daughter, M. S. J. C. Palmer, following a lengthy illness. She was 79 and a member of the Fowlkes Baptist Church. She was the widow of a Baptist minister.

She is also survived by one son, Ollie Marley of the Dyersburg Fire Department.

BABY TIGER GAME DATE CHANGED

The Baby Tiger football game originally scheduled for Tuesday night, October 21, will be played on the Halls field Monday night, October 20, at 7:30, according to an announcement this week. The Tigers went to Ridgely Tuesday night where the second and third stringers eked out a 13-6 victory.

Small Child Died Friday Morning

Services for Debbie Irene Brown, three months old daughter of Mr. and Mrs. Bob Brown, were held at 2 o'clock Saturday afternoon at the grave in Halls Cemetery with Halls Funeral Home in charge.

Debbie Irene died Friday morning after a short illness, having become sick the night before. She is survived by her parents; three sisters, Shirley, Martha and Bonnie Brown; and four brothers, Tilford, Donald, Joe, and Gary Wayne Brown, all of near the Double Bridges Community.

NEW DAUGHTER

Mr. and Mrs. Nell Bivens of Jackson announce the birth of a daughter on October 9. She has been named Bonnie Corline. Mrs. Robert Baker is spending a few days this week in Jackson with her daughter and granddaughter.

LON VIAR, JR.

Has been elected vice-president and General Manager of Townsend-Daws Co., Inc., local Ford dealer. He, along with his father, Lon Viar, Sr. Wednesday purchased controlling interest in the firm.

Miss Pauline Lee Died Tuesday

Miss Pauline Lee, highly respected citizen of Blytheville, Ark. and native of Gates, died of a heart attack Tuesday night at 8:30 in a Blytheville hospital. She had worked at her position with Pat O'Brian Jewelry Co. there during the day.

Funeral services for Miss Lee will be held this afternoon (Thursday) at 2:30 at Gates Methodist Church with the Rev. Roy Bsgby, her pastor at Blytheville, officiating assisted by the Rev. V. E. Banks and the Rev. R. B. Owen of Gates. Burial will be in Gates Cemetery with Garner Funeral Home in charge.

Miss Lee had been employed in Blytheville for the past 24 years. Prior to the time she had been employed at the Gates Banking & Trust Co., the Bank of Halls, and an Osceola, Ark. bank. She was a member of the First Methodist Church at Blytheville.

Surviving are four sisters, Miss Mattie Lee and Miss Lillian Lee of Gates, Mrs. A. B. Green of Memphis and Mrs. Paul Avery of Gates; and one brother Allen Lee of Covington; and a number of nieces and nephews.

Bureau Membership Drive Now Open

The Fall Membership Drive of Lauderdale County Farm Bureau got under way October 14, 1952, when the Directors and their workers met for a "kick-off" meeting and steak dinner at the Blue & White Cafe. This drive will continue through Saturday, October 25th. Mr. Millard Shivers, Director of Organization, was the guest speaker for the evening and gave some very interesting pointers concerning Farm Bureau.

Total membership of the Lauderdale County Farm Bureau is now 942 with a quota of 1050 for this drive. If you have a neighbor who is not a Farm Bureau member and is not getting the benefits offered, why not explain Farm Bureau to him?

Remember, it pays instead of costs to belong to Farm Bureau. Blue Cross Enrollment

There has been quite a number of requests for enrollment in Blue Cross. Enrollment date for new members only will be November 1st through the 15th.

SLIM RHODES AT HALLS SCHOOL NEXT TUESDAY

Under the sponsorship of the Halls Jaycees, Slim Rhodes and His Mothers Best Mountaineers will appear at the Halls Elementary School Auditorium next Tuesday night October 21, at 7:45. Proceeds will be used to help defray the expenses of the Christmas Street Decorations being sponsored by the Jaycees. Admission prices are 25c and 50c.

Vote as you PLEASE, but please vote.

Urges Planting Of More Cover Crops

F. H. Paschal
County Agent

T. B. Wright, Warden of Fort Pillow State Farm, this week turned beef cattle on an excellent pasture of wheat and crimson clover seeded in August.

Three bushels of wheat and 18 pounds of crimson clover seed per acre were planted on a well prepared and firm seedbed to get this valuable pasture which is now five inches tall and ready for some grazing.

We have not had sufficient rainfall in the last two months to bring pastures up to good carrying capacity and if we turn livestock on these new pastures seeded in the last two months before they are at least five inches tall, we can injure the stands and reduce the carrying capacity for winter and spring grazing.

Grazing when the ground is wet should be avoided until a reasonably good sod is established, but it is important that they not be grazed too close.

Keep Planting Cover Crops

To protect sloping lands against winter's washing rains and to provide pasture and green manure crops for spring, it is not too late to sow barley, rye, wheat, or rye grass with hairy vetch or crimson clover. Hairy vetch and barley, rye, or wheat can safely be seeded any time in October and the resulting green crop turned under next spring will do something for the soil that fertilizers cannot do. It is certainly just as good an investment to take some of our cotton money now and put it in these cover crop seeds as to wait until next spring and spend more money on fertilizers which cannot be as effective in improving our soils.

Enter Plant To Prosper

Walter Durham, a Lauderdale County boy, is Director of the Commercial Appeal Plant to Prosper contest through which more than \$4,000 in cash is offered as prizes to encourage farm families to do more for themselves through the diversification of crops, improving their soils, producing and keeping their own family food supply, and improving their homes.

A simple record book is provided for use in entering this contest and we shall be glad to assist any interested family to fill it out and make themselves eligible for these attractive prizes. Every year we see families win who did not do nearly as much as families we know of who did not enter the contest.

Lauderdale County is one of the finest agricultural areas in the whole country and we would like to see more of our families honored for what they are doing to raise their standards of living and make country life so attractive and enjoyable. Report blank: can be completed as late as Oct. 24.

Communities To Be Judged

Everybody living in organized communities benefits by the people working together to develop their leadership and improve their communities under the encouragement provided by the Community Improvement contest.

Every community wins rewards, but in order to compete for first place in the county and be eligible for consideration in the West Tennessee contest, the four organized communities in Lauderdale County will be judged on Thursday, October 23. Farm families of Durhamville-Orysa Community under the leadership of Byron Escue, Jr., the Hurricane Hill Community under President John D. Whitley, the Asbury Community under J. B. Ammons, and the Lightfoot Community under the leadership of Bill White are this week completing the gathering of information on survey sheets from all the member families in their areas for summarizing and the making of complete reports of the year's activities.

Farm Bureau Membership

Farmers are earnestly thinking about how they should vote in the coming presidential election. Some Democrats will vote for Eisenhower and some Republicans will vote for Stevenson. It is most important that every voter go to the polls.

ORDER OF PUBLICATION

TO CHARLES HAYDEN GRACE BEST HAYDEN vs. CHARLES HAYDEN

In the County Court at Ripley, Tennessee.

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant, Charles Hayden, is a non-resident of the State of Tennessee, and a resident of the State of Louisiana so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Charles Hayden appear before the Judge of the County Court of Lauderdale County on or before the third Monday in November (it being the 17th day of said month and the fifteenth day of said term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks requiring him to so appear.

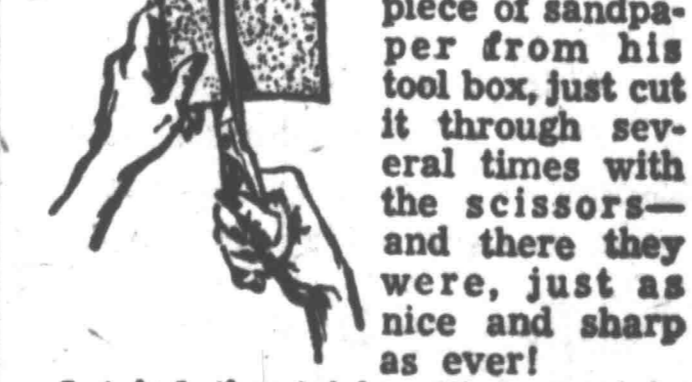

This 13th day of October, 1952. N. C. UTLEY, Clerk C. S. CARNEY, JR. Atty. for Complainant

"Small Cost, Little Space, But Power to Burn - - the Want Ads."

A HELPING HAND By Martha White

Sharpen Your Own Scissors

Did your husband ever cut lint with your best pair of scissors? Mine did, and after I had gotten over my "mad," he showed me a trick that made me happy again.

He got out a piece of sandpaper from his tool box, just cut it through several times with the scissors - and there they were, just as nice and sharp as ever!

Cool weather calls for hearty desserts—such as this tender, juicy Apple Pie—served warm.

Serve the all-time favorite, Apple Pie, for dessert tonight when hungry children trip in from school. It doesn't take long to make—and how pleased your family will be. The recipe for the crust makes golden color and tenderness as easy... well, as easy as pie. The pretty design is no trick at all. Make one like it or draw upon your imagination plus a cookie cutter for your own version. Be sure, though, that there are openings in the top of the crust to let out flavor-laden steam from the baking apples. Press the top and bottom layers of pastry together and there'll be no spilling over of savory juices. If you are hurried, order a baker's pie and pop it in a low-heat oven just before dinner is called. Everyone is convinced that Apple Pie is good eating. Ever consider, though, that it has important nutrient contributions? The enriched flour in the crust contributes extra B-vitamins, food iron and protein. The apples add more vitamins and minerals. Feature Apple Pie at your next dessert party. Trim the pie with wedges of sharp Cheddar cheese and serve along with a bowl of grapes and a dish of salted mixed nuts.

APPLE PIE
2 cups sifted enriched flour
1 teaspoon salt
3/4 cup shortening
3 to 5 tablespoons cold water

Sift together flour and salt. Cut or rub in shortening. Sprinkle with water, mixing lightly until dough begins to stick together. Divide dough in half and let stand while preparing Apple Filling. Roll out half of pastry to circle 1/2 inch thick and line pie pan with it. Fill with Apple Filling.

Apple Filling
1 1/2 quarts apples
3 tablespoons melted butter or margarine
1 teaspoon cinnamon
1 tablespoon lemon juice
1 cup sugar (about)
2 tablespoons enriched flour

Peel and slice apples. Mix lightly with butter or margarine and lemon juice. Combine sugar flour and cinnamon and mix well with apples. Arrange evenly in pie shell.
Makes 1 9-inch apple pie.

Frank Garner, Ripley Funeral Home owner; Jessie Bickers, well known Riparian, and Bernard Dean, formerly of Humboldt, are associated in the monument enterprise.

At The Theatre . . .

"The Greatest Show On Earth"

When Cecil B. DeMille wrapped up his colossal production of "Samson and Delilah" several years ago, both fans and experts wondered what this super showman would turn to next. His biblical epics, historical pageants and religious spectacles had pioneered movie history. Were there still new trails or the old master to blaze?

The answer was yes, and it is now dazzlingly framed in "The Greatest Show on Earth," DeMille's latest, largest and most lavish Technicolor spectacle, which opens Thursday and Friday, Oct. 23 and 24, at the Halls Theatre. It is a grand-scale circus epic which provided the fresh challenge for DeMille in the Paramount picture.

This latest of DeMille's movie milestones blends a huge and authentic panorama of the world's biggest Big Top Show with a penetrating drama of behind-the-scenes circus life. His mammoth cast includes a brilliant roster of Hollywood players and thousands of performers and workers of the Ringling Bros.-Barnum & Bailey circus, which cooperated in making the film. Heading the greatest array of talent ever to grace a single picture are Betty Hutton, Charlton Heston, Cornel Wilde, Dorothy Lamour, Gloria Grahame, and James Stewart. All of the

MISS JOY OLDS SETS MARRIAGE DATE

Dr. and Mrs. John G. Olds of Halls announce the engagement of their daughter, Miss Martha Joy Olds, to Frank Johnson, Jr., of Abilene, Texas and Corona, N. M., son of Dr. and Mrs. L. F. Johnson of Abilene.

The wedding will be solemnized November 27 at the Episcopal Church of the Heavenly Rest in Abilene.

The bride-elect was graduated from the high school department of Fairfax Hall Junior College at Waynesboro, Va. where she was active in sports and was a member of the May Court. She is now attending Texas Technological College at Lubbock.

Mr. Johnson is majoring in agriculture at Texas Technological College and has ranching interests in New Mexico.

MRS. BELL CELEBRATED BIRTHDAY SUNDAY

Mrs. R. S. Bell celebrated her birthday Sunday with a dinner at her home. Present to enjoy the event were Mr. and Mrs. Loyd Johnson of Memphis, Dr. and Mrs. John Talley and daughter of Millington, Mr. and Mrs. Pinkney Meacham of Ripley, Mrs. Allen Rooks and E. A. Ferguson of Dyersburg.

A HELPING HAND

By Martha White

Clean Your Oven With Ammonia

Ever have a pie or casserole dish spill over in your oven? It really is a mess, isn't it — and so awfully hard to clean. I've spent just too many hours with a steel brush, trying to get my oven into condition — and taken quite a bit of the skin off my hands doing it, too.

One of the troubles with that routine was that I forgot a simple trick my mother used to use. Most of us in the South have used ammonia for cleaning house all of our lives, and so did our mothers and grandmothers before us. We put a little in the water when we wash our bathtubs, when we wipe up the kitchen floor, when we wash glassware.

My mother used to "clean" her oven with little or no effort by just putting a sponge soaked in ammonia in the oven overnight.

Next morning, a quick going-over was all that was needed. There's a modern version of that trick that I thought you might like to hear about. Take a custard cup and put in three tablespoons of household ammonia, add a little powdered soap, fill it up with water, and put it in your oven. Leave it overnight, and the next morning you'll have no trouble at all cleaning out. Rust you can't help but get on the oven grills. The remains of the pie over-flow that you just couldn't scrape off—that cleaning will be as easy as falling off a log.

Incidentally, you'll find custard cups have a lot of other uses too. You can make wonderful, quick arrangements of little flowers for a party table with them. Put them on a plate, in a circle. Make your tiny bouquets, and hide the cups themselves with green leaves or fern from your garden. You can add a couple of candles in the center and have a really beautiful arrangement.

The cups are good for individual salad molds, too, which can also be arranged on a round plate. The spaces could be filled in with parsley or watercress, and add green and ripe olives, tomato slices, thin cucumber slices, carrot sticks or whatever you want for color and taste. And don't forget that with such a salad lunch you will get relaxation and refreshment from good hot coffee.

circus' exciting acts — aerialists, tightrope walkers, clowns, acrobats, jugglers and trained animals — are also seen in the spectacle. During the long period of research, planning and preparation that preceded production, perfectionist DeMille reached two unique decisions: movie stars playing circus daredevils would do their own stunts; and the bulk of the scenes would be shot during actual circus performances. This meant nerve-rattling realism for the finished film, and a lot of travel and trial for the players. More of the real McCoy includes fascinating views of the circus in training at its winter quarters in Sarasota, rousabouts raising the huge Big Top, the mile-long parades through towns, and the vast army of specialists and technicians keeping the big show rolling. Tough preview critics say there's never been anything like it for awesome thrills, unrelenting excitement and rich pageantry. Farmers have already repaid more than half of the \$81 million borrowed from government disaster funds in the past three years.

SCHOOL NEWS

(Continued from Page 1) enjoyed and appreciated the students from Mrs. Hallman's French class teaching us French songs. We have added a bull frog, which has only one back leg, to our aquarium. Roger Harris brought us a pot plant this week which we are enjoying. Faye Davis visited in Memphis Sunday. We are learning the poem, "Al-ways Finish," this week. Those absent this week due to illness were Laverne Caviness, Sue Kirkpatrick and Beverly Cannon. Grade 5 - Hooks & Scates. We've had skits in our room. One called "Packing Up" was voted best. Those in the skit were Milba Atkins, as Margie; Linda Grady, as mother; Carolyn Freeman, as Tom; Carolyn Williams, as Nancy;

and Barbara Sasser as Margaret. Most of us made good grades on our tests. We will be so glad to get our report cards. We have been using two reading books lately. One is green and tells about people nearly a hundred years ago. The red reader has good stories about the early settlers. Last weekend Bobby Lowery went to Big Sandy, Barbara Sasser went to Missouri, Jerre Jordan went hiking and Gene went with Carman to visit his grandmother. We had a good number of Sunday School goers—sixteen of us and both teachers. Our latest poem was "Morning," by Dorothy Gallagher. You should see the pictures of the sunrise we drew. Grade 5 - Murchison. Our October calendar has two birthdays circled, they are the 12th for Dawn Robertson and the

Corn-Burger Pie Is Good

When the Indians sold Manhattan Island to the Yankees and moved off other land to make room for new settlers, they left a valuable heritage to all Americans in their use of corn meal to perk up the flavor of their wild game and meager vegetable diets. Today, corn meal is used in homes and restaurants throughout the nation as an excellent "meat extender" and for the fine flavor it provides in combination with fresh vegetables and other foods. An excellent combination that provides a full meal, when served with a salad and dessert, is a Corn-Burger Pie. Cooked in one dish, the combination of hamburger and flavorful corn meal is economical, easy and quick to prepare. CORN-BURGER PIE 4 cups boiling water 1 teaspoon salt 1 cup your favorite corn meal 1 lb. hamburger or ground beef 2 tablespoons bacon drippings 1 clove garlic, minced 1 teaspoon chili powder 2 teaspoons sugar (if desired) 2 1/2 cups sieved tomatoes 2 tablespoons plain or self-rising flour Make corn meal mush of first three ingredients. Pour a thin layer of mush into a shallow buttered pan, and use remaining mush to line a buttered casserole or pottery skillet. Brown meat in hot fat. Add garlic, chili powder, sugar (if used) and tomatoes. Thicken slightly with flour, and pour into the corn meal "shell" in baking dish. Cut diamonds or other designs from the thin layer of cold mush, and arrange them on top of the meat mixture. Bake in a moderate oven, 350° F. about 30 minutes. Yield: 6 good servings.

New Management . . .

Effective October 13th Mr. and Mrs. Everett Canada have taken over the management of Blue & White Service Station -- Highway 51, South --

They will appreciate the continued patronage of the station's customers and also invite their friends to come in to see them.

'PURE' Gas - Oil - Tires

You can argue or worry... or complain or applaud... but... all that really matters is this

Are you worried about the future of your children . . . or yourself . . . or your family?

Do you have some pretty strong complaints you'd like to register with certain people?

Are there other people you feel deserve a lot of encouragement and applause?

Sure you do. Between now and November 4th you'll be arguing for and against a lot of candidates and political issues. So will we. And all of us will get pretty hot under the collar.

Because never has there been a more important election year. This country, from Washington down to every state, county and town, needs first class management in the years ahead.

This management begins with you. The foundation of our nation is the conviction that the people, all of them, possess collective wisdom and common sense beyond that of any man or group of men.

But this collective wisdom and common sense functions fully only when each of us contributes his individual bit to the total.

So register your own beliefs. There's only one place to do it. That's behind the curtain of the voting booth on November 4th.

WAYNE A. JOHNSTON President

Main Line of Mid-America

13th for Barbara Vaden. We sang "Happy Birthday" to them Monday morning.

Among those who visited in Memphis during the weekend were Martha Dawson, Jerre Dawson, Judy Wright, and Gene Nichols. Janet Smith went to Union City.

We report another accident which has been added to the list which we are keeping of accidents that happen to our class members. Jerry Stanley has an injured leg which was hurt when the horse he was riding went too close to a tree.

Gene Nichols had the best poem look for the first six months.

We thank Mrs. J. H. Murchison for the nice fern she sent us. We enjoy taking care of the plants in our room. We thank Pamela Rhodes for bringing the Lincoln logs for us to use.

Grade 7 - Belton. We have had a few tests but not all of them yet. We are having to diagram and like it very much. We thank Mr. Belton very, very much for giving our Arithmetic test over again. We are glad to have 23 people who went to church. Several people went out of town. They are the following: Barbara Ellis went to Dyersburg, Randolph Cavne's went to Dyersburg; Josh Nunn went to Memphis; Lorelle Rainey went to Memphis; Shirley Fitzhugh went to Arkansas; Letric Vaden went to Dyersburg, J. D. Paris went to Edith, Sonny Woodley went to Dyersburg.

Grade 8 - McCorkle. Several of our number visited out-of-town during the weekend - others of us had company.

We have been learning Kipling's "If" and we are going to pattern after the moral in the poem. Our social studies have been interesting this week. We are trying to learn how to improve ourselves—thereby improving our citizenship.

We are looking forward to our Halloween Carnival. (Be sure to find the eighth grade booth for we will have just the food you will be looking for!) We will have more to tell you about that in the next news items.

We hope you are enjoying these pretty sunny days as much as we are.

Our elementary school football team is practicing regularly now and is expecting to have some practice games with other schools during the football season. We are preparing for our high school competition.

F. H. Paschal

(Continued from Page 1) the polls and vote.

Farmers who want to work with their neighbors most effectively for the benefit of agriculture will not only want to vote in the coming elections but they will want to keep up their membership in the Farm Bureau, which has done fully as much towards bringing about a better day for farm people as have either of our political parties.

The American Farm Bureau leadership has worked earnestly with leaders in both parties and with representatives of labor and industry for legislation that would

help the country as a whole and not just farm people. They have worked on a fair minded and conservative basis. They deserve and need the membership of every farm family to make their efforts still more effective. Do your part to increase the strength of your Lauderdale County Farm Bureau by joining or getting a neighbor to join between now and next Saturday, October 25.

"Let a Want Ad be your Salesman - Inexpensive, but a G-Getter."

Protect Your Way Of Living With BROADFORM Automobile Insurance

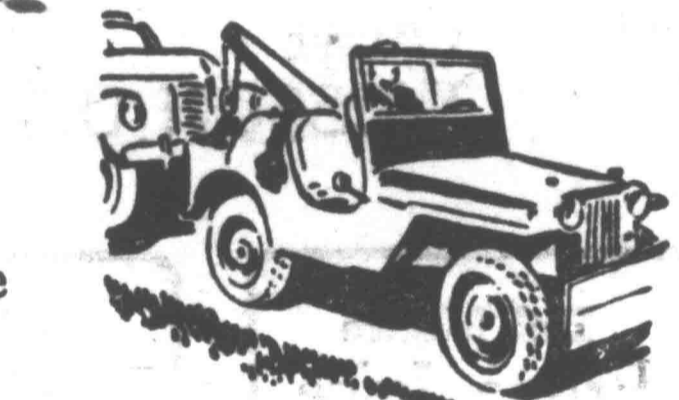

Here is what you get in this complete coverage insurance "package" . . .

BODILY INJURY LIABILITY Protects your legal liability up to the limits of the policy for injury to or death of others resulting from an automobile accident.

PROPERTY DAMAGE Protects your legal liability up to the limits of the policy for damage caused to the property of others resulting from an automobile accident. This includes damage to another automobile, damage or destruction of another's property and the loss of use of the property damaged.

MEDICAL PAYMENTS Pays for ambulance, hospital, dental, or medical expenses (up to the limits specified) of persons injured while riding in your car. Protects you as well as your passengers.

PERSONAL ACCIDENT Covers you as driver, passenger or pedestrian in automobile accidents. Pays \$2,000 in case of death and up to 2-3 of this for dismemberment or loss of sight. Pays a weekly income, hospital bills, operating room expenses and anaesthetic expense (within the limits specified).

COLLISION Pays for damage to your car caused by accidental impact with another object or upset. Choose one of these coverages:

80-20 COLLISION Covers 80% of the first \$250 of damage to your car resulting from accidental collision or upset. If the loss is more than \$250, this coverage pays 80% of the first \$250, plus 100% of the loss over \$250, up to the replacement value of the car.

DEDUCTIBLE COLLISION Pays 100% of the damage above the deductible amount on each loss due to accidental collision or upset, up to the replacement value of the car.

FIRE Protects you against financial loss if your car is damaged by fire, transportation, tornado, windstorm, lightning, hail, earthquake, explosion, or accidental external leakage of water.

THEFT Protects you against loss due to auto theft, robbery, pilferage or attempted theft. Also makes provision for payment for loss of use because of theft.

COMPREHENSIVE Protects you in case of auto glass breakage, flood damage, malicious destruction, chemical damage, riot, riot attending a strike, civil commotion, falling aircraft.

LOW RATES FOR FARMERS

SCHOOL NEWS

First Grade - Viar

We are having more fun drawing bats, pumpkins, cats, witches and all sorts of Hallowe'en spooks.

First Graders enjoyed a nice treat Friday when Mrs. Kenneth Randall brought a box of cookies for us to have at recess. We missed Janene all last week. She has been ill with Chicken Pox. We are also glad to have Perry Ashcraft back after two-days' illness.

Susan Craig has brought us some more lovely rose buds. There haven't been many days that "Miss" Geneva's desk hasn't had flowers on it.

Neil Luton visited in Ripley Sunday and Susan Stone visited in Jackson.

Mike Chapman brought our room a beautiful Hallowe'en pumpkin. Thanks, Mike.

Raymond Forsythe, from Maury City, is a new member in our group. We now have 32 in our room.

First Grade - Walker

We have a new student, Everett Canada, from Cleveland, Ohio. This brings our total enrollment to 32.

Mickey Rooks brought us a pumpkin for Hallowe'en. We are enjoying it very much and can hardly wait to cut the "eyes" and "nosies." Marshall Keltner is going to be very disappointed if we don't get to eat that "pumpkin" for Hallowe'en.

Kathy White celebrated her 6th birthday the 20th. Happy Birthday, Kathy.

Several of our boys and girls were ill last week. They were Ted Chipman, Shirley Doss, Patricia Cherry, Anna Carol Spry, Mickey Rooks and Kathy White.

First & Second Grades - Patton

Our news is not much this week. We've missed Maggie Wilson, Billy Bell, Linnie Mai Bobo and Sammy Broglin who were absent.

Our room looks all ready for Hallowe'en with our decorations. Some of us are looking forward to seeing Slim Rhodes Tuesday night.

We'll have Thursday afternoon and Friday off this week as the teachers will go to Memphis for the Annual Teachers Meeting. Of course, we're really looking forward to that!

See you next week with news of what we did on our days off.

Second Grade - Trovano

Brenda Keltner and Charlie Viar kept "Miss" Kathryn's desk attractive with flowers last week. Charlie also brought us a pumpkin to make a jack-o-lantern for Hallowe'en.

We have been enjoying our new work books. We have a different one for each month.

Brenda Keltner has a new baby sister that she is especially proud of.

We are looking forward to our holiday this Friday. "Miss" Kathryn has to go to Memphis to a "Teachers Meeting."

Third Grade - Lucas

We are enjoying this pretty autumn weather.

Some of our boys are going to be Cub Scouts and we would like to thank Mr. Neil Luton, Jr. for the interest he has in our boys. Be sure to go to the Baptist Church Friday night at 7:30 for the first meeting.

We welcome Barbara Ann Forsythe to our group. She comes to us from Maury City.

We sang "Happy Birthday" to Callie Ruth Bobo and Sylvia Mathis this week.

Third Grade - McDearman

We are sorry to have Johnny Osborne leave our group. He has moved to Illinois to live.

Wendell Wiley brought some pretty flowers for our room and we used them for an art lesson.

In Science our study is about "leaves" and we have had some beautiful ones on display in our room.

During our Sharing Period on Monday Larry Joe Beard told us he went to Reelfoot Lake over the weekend. Jo Alice Phillips went to Milan and Wendell Wiley went to "The Barr" and saw two big barges go down the "Miss River."

(Continued on Page 6)

GID MILAM INJURED TUESDAY AFTERNOON

Gid Milam of Halls suffered a severe bruise to the calf of his left leg and a broken small bone in his right leg Tuesday afternoon in a freak accident. Mr. Milam had hauled a load of monuments from Georgia for Ripley Monument Works and while unloading the last monument was pinned by the monument injuring him. Mr. Milam is resting well at his home here.

PMA Loans Are Available For Storage Space

The Commodity Credit Corporation makes farm storage facility loans available to owner-operators, tenants, landlords, or partnerships of producers, for the construction or purchase of new farm-storage facilities which will meet requirements for eligible storage under the price-support program.

Farm-Storage Facility Loans are available to producers of wheat, corn, oats, rye, barley, grain sorghums, soybeans, dry edible beans and peas, rice, peanuts, cottonseed, flaxseed, hay seeds, pasture seeds, and winter cover crop seeds.

Such loans are made for as much as 80% of the cost of the structure or 45 cents per bushel of the rated storage capacity, whichever is less.

Loans are payable over 4 years, at 4% interest.

Loans may be obtained through your local County PMA Committee.

1953 ACP

Farm-to-farm contacts are being made in all communities of Lauderdale County. One of the first things the community committee does on this visit is to go over past conservation practices and whatever conservation plans the farmer may have. This includes those prepared by the Soil Conservation Service or other agricultural agency. This is followed by a field-by-field check of the farm to note signs of deterioration. This is to help determine the most needed conservation on the farm so that 1953 program assistance for soil and water conservation practices can be used to the greatest extent.

Magazine Drive Reaches Goal

The students of Halls High School have recently completed the annual magazine drive. The purpose of the drive each year is to finance our school yearbook. For 1952, the goal we set for ourselves was \$2500.00. We are proud to say that this goal was reached. The total number of magazines sold was 777 and the total amount of dollars received was \$2501.83. Of this total, the annual fees \$930.25.

The annual staff and students of the High School would like to express their gratitude for the splendid spirit of cooperation we have found among our patrons. You have supported our magazine drives for many years. For this one, the biggest and best, we thank you.

Lucinda Alsbrook of the sophomore class placed first in total sales with \$169.48.

Joan Gail Smith, Editor
Stuart Crichfield, B. Mgr.

Legion Auxiliary To Meet Monday

The American Legion Auxiliary will meet at the Bank of Halls on Monday night, October 27, at 7:30. We are urging all members to attend and bring with them gifts for the disabled veterans of Kennedy General and Lamar Veterans Administration Hospitals. Gifts must be in by November 10th.

The kind of gifts most requested last year were costume jewelry, clothing, silk scarfs, fancy aprons, men's ties, hose, white Bibles, and a few Catholic Prayers or books, compacts, pillow cases and other household linens, also unbreakable toys. We have few calls for such things as stationery, pottery, or books for adults.

Bank Of Halls Host To Bankers Meeting

Halls will be the center of attraction for West Tennessee bankers tonight (Friday) as Bank of Halls plays host to the meeting of Group Seven of Tennessee Bankers Association.

Registration will begin at 2:30 this afternoon with the business session to start at 3:30. Included on the afternoon program will be the invocation by Rev. J. H. Newton of Halls; Welcome by the Hon. Ross W. Dyer of Halls; Mr. J. H. Anderson of Knoxville, state president, will address the meeting as well as Judd Brooks, District Agricultural Agent of Jackson. Also on the program will be Mr. Jesse Bradshaw of Dyersburg, with a skit also to be presented during the afternoon session. Presiding will be Jack E. Veazey of Paris, Region Seven Chairman.

At 6:30 the Bank of Halls will be host at a banquet with some 275 persons expected to attend. The meeting will be held in the auditorium of Halls Elementary School with the high school home economics department and the cafeteria workers under Mrs. Annie Robison planning and preparing the meal which will be served at the school cafeteria.

During the dinner a musical program will be presented by a trio composed of Mrs. Henry Marchison, Mrs. M. E. McDearman, Jr. and Mrs. Marvin Hanford with Mrs. Charles Moore as accompanist.

During the evening Mr. Ernest Robert Rosse of Philadelphia will address the bankers. Mr. Rosse has addressed bankers conventions throughout the nation. He is known as an authority on banking practices and also as a humorist and philosopher.

In announcing the meeting of the bankers here, Mr. David P. Nunn, president of Bank of Halls, stated that Region Seven met with the Bank of Halls in 1939.

Film Shown At PTA Meeting

Two highly interesting films, "Historic Virginia" and "Rendezvous in the Reef," were presented at the meeting of the Halls Parent Teachers Association Monday night at the elementary school.

The films were presented through the courtesy of Esso Standard Oil Co. and were shown by Mr. Virgil Cox, member of the public relations staff of Esso Standard.

Some sixty members were present at the meeting. Business on the program included the naming of room mothers for the year, announcement of plans for the annual Hallowe'en Carnival on Friday night, October 31, and a report from the membership drive. A partial list of those who have paid their membership dues may be found on Page 1 of this issue of the Graphic.

The attendance picture was won by Mrs. Kyle Scates' section of the fifth grade while the senior class won the high school party.

We were pleased to have so many fathers with us and hope that they can come every third Monday night in each month.

J. R. Hilliard Buried Sunday

Services for J. R. Hilliard were held Sunday at 2 p. m. at the Mt. Vernon Baptist Church near Unionville. Hershel Austin, Pentecostal minister, officiated. Burial was in Halls Cemetery with Halls Funeral Home in charge.

Mr. Hilliard died early Wednesday following a lengthy illness. He was 54, and was a well known farmer of the Double Bridges community.

He leaves his wife, Mrs. Katie Lewis Hilliard; his mother, Mrs. Amanda Canada, Dyersburg; two sons, Eugene Hilliard and J. W. Hilliard, and one daughter, Mrs. James Phillips of Halls; two brothers, Charley Canada of Friendship, Tenn., and Hirston Canada of Smiley, Texas; four sisters, Mrs. Ollie Pike, Mrs. Ellis Boone and Mrs. Della C. Canada, all of Dyersburg, and Mrs. Edd Abies of Halls.

U-T JUNIOR COLLEGE JOURNALISM CLASS LARGEST IN HISTORY

Miss Cicely Carter, daughter of Mr. and Mrs. A. C. Carter of Curve, and one of the six former Halls High students enrolled at the University of Tennessee, Martin Branch, is enrolled in Journalism. Mr. Harry Harrison Kroll, a well known author and former Dyer Countian, states this is the largest Journalism class in the history of the University at Martin.

Halls Theatre Now Showing "Greatest Show On Earth"

Previous announcement has been made about the forthcoming motion picture, "The Greatest Show On Earth," starting today (Thursday) at the Halls Theatre. (Mac L. Polston, Manager of the theatre, also made announcement today regarding the running of the film for which the complete running time is 2 hours and 58 minutes. Shows on Thursday and Friday will be continuous after the Box Office opens at 11:30 a. m. and the show starting at 12 noon.

The regular Saturday show will start at 9:30 a. m. and run continuous until 5 p. m. Those desiring to see the regular Saturday show will have the opportunity of doing so in the morning and afternoon only.

The Saturday night show will be "The Greatest Show On Earth" at advanced prices - adults 74c, children 25c. Colored admission at the regular price. Box office will open at 6:14 p. m. and the show will start at 6:30.

Starting time for the Sunday show will be 2 p. m. with the box office opening at 1:30 p. m. Regular Sunday night show will start at 8:45 p. m. with the box office opening at 8:00.

On Monday the box office will open at 11:30 a. m. with continuous showing of "The Greatest Show On Earth" from 12 noon until closing.

All passes are suspended on this engagement and advanced price will be in effect on all days this film is shown.

Mr. Polston urges all who can to see this truly great motion picture about Ringling Brothers & Barnum and Bailey Circus, with a host of top-flight Hollywood stars in the cast. It is truly one of the best motion pictures you will ever see.

Oldest Mercantile Firm Sells Out

The oldest mercantile business in Halls, C. M. Kimbrough Dry Goods Company, will be no more after this year following a business deal in Halls Tuesday.

Mrs. Vera Hilliard, operator of the Style Shop here, has purchased the building occupied by Kimbrough's and also his stock of goods effective January 1st. Mr. Kimbrough will operate the store until that time.

The deal was somewhat involved since the Kimbrough building was owned by W. S. Perry, owner of Perry's 10c Store. Mr. Perry and Mrs. Hilliard swapped buildings. Mrs. Hilliard will occupy the Kimbrough location after January 1st while Mr. Perry stated Wednesday that he had made no definite plans concerning use of the Hilliard building which is next door to Perry's 10c Store.

Mother Of Local Resident Dies

Services for Mrs. Maggie Wyse were held Wednesday afternoon at 3:30 o'clock at Fowlkes Baptist Church. William Lyle, Baptist minister officiated. Burial was in Halls Cemetery with Halls Funeral Home in charge.

Mrs. Wyse died Tuesday afternoon following a stroke on the day before. She was 79 and a member of the Fowlkes Baptist Church.

She leaves her husband, L. R. Wyse; four sons, E. A. Wyse of Hendrix, Okla., Robert E. Wyse of Fowlkes, Ebert Wyse, Memphis, and J. L. Wyse of Halls; and one daughter, Mrs. Grace McFarland, of Fowlkes.

Tigers To Play At Millington Tonight

The Halls Tigers will travel to Millington tonight (Thursday) in search of their third straight victory. The Tigers will be slightly favored over the Millington eleven but could well come out on the little end of the score since Millington has a strong aggregation and has a three wins, three losses record for the season. Game time is 8 o'clock on the Millington field.

The Tigers made it two victories in one week Friday night when they manhandled the Frayser High School Rams 27 to 0 with the Tigers in control of the game most of the time.

The Tigers scored once in the second quarter, twice in the third quarter and once in the fourth quarter while the Tiger forward wall was stopping the Frayser attack when the Tiger goal line was threatened.

Playing his first full game since the opening game of the season Billy Newsome scored twice and was the offensive threat of the Tigers. Stuart Crichfield, in action for only a short time, scored once and Bobby Pickens racked up a touchdown to run out the scoring for Halls.

The Tigers set what is probably an all time record for Halls by scoring three consecutive points after touchdown to run their consecutive total to 7 before Bob Harris' attempted dropkick was no good on the final touchdown. Newsome kicked two from placement and passed to Crichfield for a third one. The Tigers had racked up four against Munford in last Monday night's game.

Baby Tigers To Play Dyersburg

The climax of the season for the Baby Tigers will be reached Tuesday night when they play hosts to the Dyersburg eleven on the local field at 7:30 o'clock.

A victory over the Dyersburg team would virtually assure the Baby Tigers of a place in the Jeff Davis League championship game while a loss could eliminate them from consideration. The youngsters will have one more game, with Ripley, but should be able to rack up a win in that one if they can pass Dyersburg.

Last Tuesday afternoon the Baby Tigers easily defeated the Tiptonville eleven by a score of 18 to 9. The Baby Tigers took an early 6 to 0 lead, scored again before the end of the first quarter but had it called back, picked up another touchdown to lead 12 to 0 when Tiptonville trapped Donald Ralph Smith behind the goal line for a safety. Shortly afterwards Gene Smith broke through the Tiptonville line and raced 83 yards for the final touchdown for the Tigers. Tiptonville scored a touchdown on a pass just before the game ended.

Clement, Gore To Be In Halls On November 1st

Politics will really come to a boil in Halls next Saturday, November 1st, with the coming of the state campaign bus to Halls in the interest of the state and national Democratic candidates.

According to an announcement from State Democratic headquarters the campaign bus will arrive in Halls at 3 o'clock and remain here for some thirty or forty minutes.

Accompanying the bus here will be Frank G. Clement, Democratic gubernatorial nominee, Albert Gore, senatorial nominee, J. B. Avery, Sr., of the Railroad and Public Utilities Committee, Congressman Jere Cooper, and the Democratic nominees for the county and state offices from Lauderdale County.

Short talks and handshaking will occupy most of the time spent here, it was stated.

RECENT VISITORS

Mr. and Mrs. James Lankford of Brownsville and Mr. and Mrs. Floyd Cobb of Somerville were guests of Mrs. H. G. McCorkle and Carolyn Sunday afternoon.

ESCAPE INJURY IN CAR WRECK

Dr. J. T. Elmore narrowly escaped serious injury last Thursday shortly after noon when his Chrysler car overturned at the end of the pavement on the Halls-Henning Farm road. The car was badly damaged but neither Dr. Elmore nor his passenger, "Red" Davis, were more than bruised. The car is said to have overturned twice, and ended up on its top.

Personality Prizes Offered To 4-H'ers

Again this year the Black & White Stores in the states of Tennessee, Arkansas and Mississippi are sponsoring a project called the 4-H Club Personality Improvement Program.

The purpose of this program is to offer an opportunity to boys and girls to better understand the why and wherefore of a good personality, to learn more about their own personalities and to teach them ways and means of bettering their relationships with other people.

The objectives are to call attention to such basic factors as: personal appearance, speech, attitudes, initiative, health, manners, self-confidence and human relations.

Any 4-H boy or girl is eligible to participate in this program. To be eligible for out of county trips and state awards, 4-H members must have passed their 14th birthday. Forms for this project are now available and will be sent on request.

The county award in this project is a 17 jewel watch to county winner and a medal to the runner up. State awards will be two \$200 scholarships to one boy and one girl. Two \$200 scholarships will be awarded to one girl and one boy selected from the Tri-States.

Cotton Yield Contest

Boys with cotton as a project should return the cards indicating their estimated yield and boll count on 20 feet of row in order to be eligible to enter the cotton yield contest. The points used for judging the county winner is as follows: yield 70 points, use of recommended variety 20 points, fertilization based on soil analysis 10 points.

If your cotton is what you consider average or better than average, you should enter it in this competition. District prizes are: first place, a wrist watch; second place, \$25.00; and third, \$15.00. Some of you have reported good yields. If you have kept an accurate account of your cotton crop through out the year, you should have a good record.

Forest Seedlings Available

Steep hillsides, waste land and eroded gullies can do its part in the production of farm income if it allowed to. By planting pine, catalpa, black locust you will in a few years harvest a crop of fence posts. Since posts are very high, an investment of \$3.00 per thousand is relatively cheap considering the fact that costs nothing to

Hon. John Drane To Speak At Methodist Church

During the absence of the Methodist pastors of the Dyersburg district in the United Evangelistic Mission in Kentucky, the District Layman's organization will provide speakers for the Sunday morning church services throughout the district in observance of Methodism's annual Layman's Sunday program.

Mr. John Drane, Jr. of Newbern, Tenn., will be the speaker at the First Methodist Church in Halls next Sunday at 10:55 a. m. and October 26. The entire program will be in charge of our own laymen. This is also Annual Missionary Sunday, when a special offering for our missionary World Service work is received.

The church service next Sunday evening at 7:00 will be in charge of our own Reverend Mr. Wiley. This will be an opportunity for our people to hear a deeply spiritual message.

C. Bennett Ware, Pastor

Value Of Cover Crops Is Shown

F. H. Paschal
County Agent

J. O. Paris, owner, and Luke Matthews, operator of an upland farm in the Hurricane Hill community, really believe in the value of winter cover crops on cotton land.

Mr. Paris furnishes the seed and Mr. Matthews does the work of sowing. They have rye alone or vetch alone or a mixture of rye and vetch in all the 38 acres of cotton middles on the farm. In spite of dry weather, these crops are up to a good stand and will protect the sloping land from washing during the winter as well as providing some pasture and then remaining to be turned under green in April.

A continuation of this practice on the hill lands in Lauderdale County for four years straight will increase the average yield of cotton by a half bale, which would almost double the net profit. The actual value of the land would be steadily increased at the same time. Most landowners can well afford to do what Mr. Paris is doing in order to get these cover crops grown on their cotton lands, especially until the landowner and the tenants can see clearly for themselves just how profitable the practice is. The owners will benefit by being able to keep more efficient tenants on their farms and by getting more rent from the higher yields. Tenants will benefit from the higher yields and greater profits.

Farm Bureau Membership Important

There is much evidence that the American Farm Bureau Federation is the most important organization in the United States to agricultural areas such as ours. With only 12% of the population now farming, we cannot have voting power which will insure to farm people a fair share of the national income. Since all the people in areas such as this are directly dependent for their income on the spendable income made on farms, it is most important that the economic interests of agriculture be protected.

In order to do that, farmers must build and maintain a strong and vigorous organization which can do for agriculture at least some of the things which are done for labor, manufacturers, doctors, and business people thru their national organizations. Farm people cannot safely depend on their government or any other economic group to work for federal laws or other developments in our economy for the benefit of agriculture. They must do these things for themselves through an organization of farmers.

The Lauderdale County Farm Bureau should have 1500 members in this county. Every center and land owning family should belong and give their active support. It does not work against any other group, but it is desperately needed to work for agriculture which has now become such a small group.

Soybean Straw Worth Saving

Beef producers planning toward a maintenance ration or even growing rations for beef cattle during the winter have recently asked questions about the relative feeding value of soybean vines left in the field after soybeans are combined.

Feeding tests have shown that this soybean straw has twice as much digestible protein as oat or barley straw. In fact, the feeding tests show that soybean straw is about equal in feeding value to cotton seed hulls or oat, barley, or wheat straw. Cotton seed hulls have no digestible protein as compared to 1.2% in the soybean straw, .7 of 1% in oat straw and .3 of 1% in wheat straw.

Feeding experiments have shown that the best use is made of this soybean straw by feeding it along with other roughages. Better quality hay can be fed about every fourth or fifth day through a hammer mill and be fed with cotton seed meal or hay as a regular ration.

It should be understood that

ANNOUNCEMENTS

CARNEY - C. S. Carney, Jr. has authorized the Halls Graphic to announce his candidacy for delegate from Lauderdale County in the Limited Constitutional Convention...

DYER - Ross W. Dyer has authorized the Halls Graphic to announce his candidacy for floral delegate from Lauderdale and Tipton Counties in the Limited Constitutional Convention...

F. H. Paschal

(Continued from Page 1) this soybean straw varies considerably in quality as a feed. Where soybeans are a poor stand and where the stems are very large and coarse and where the beans

are left late in the fall, they would not be of much value unless they were put through a hammer mill and made palatable by having molasses or cotton seed meal mixed with them.

Nitrate Fruit Trees Now

Apple and peach trees can usually make good use of more fertilizer than they get. For best fruit yields next year trees should have an application of three pounds of nitrate of soda per a tree between now and November 15. Spread the fertilizer in a band out from the roots about as far as the limbs extend.

PARTY LINE TELEPHONE USERS HAVE CHANCES TO OBSERVE GOLDEN RULE

Telephone party lines afford people a good chance to practice the Golden Rule, Roger Ganier, Group Manager for the Southern Bell Telephone Company, observed today.

"Although we have read lately about some tragedies caused by people who refuse to give up the line for an emergency call, most people on party lines do unto others as they would have them do unto them.

"All party-liners have a chance to make friends every day and

ORDER OF PUBLICATION

TO CHARLES HAYDEN GRACE BEST HAYDEN vs. CHARLES HAYDEN

In the County Court at Ripley, Tennessee.

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant, Charles Hayden, is a non-resident of the State of Tennessee, and a resident of the State of Louisiana so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Charles Hayden appear before the Judge of the County Court of Lauderdale County on or before the third Monday in November (it being the 17th day of said month and the fifteenth day of said term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks requiring him to so appear.

This 13th day of October, 1952. N. C. UTLEY, Clerk C. S. CARNEY, JR. Atty. for Complainant

Go To Church Sunday.

From where I sit... by Joe Marsh

An "Impressive Collection"

Dutch Miller, from Cookstown up in the mountains, was in town yesterday to collect his "library." He's school teacher up there—in a little one-room schoolhouse.

Several weeks ago Dutch had written a letter to me—asking if I could possibly lay my hands on some books so his school could start a library.

Well, just about everybody pitched in. Slats Foster painted a sign, "Books for Cookstown"—and put it on Sandy Johnson's truck. Then Sandy drove all over collecting. We wound up with exactly 453

books—textbooks, workbooks, and plain good reading matter.

From where I sit, it was a heart-warming demonstration. Voluntary co-operation usually gets results. Take the tavern owners in this state. They work with the Self-Regulation Program sponsored by the Brewing Industry and keep their places of business clean, bright, and orderly. They benefit themselves and "educate" the public to their stake as businessmen.

TELLS A STORY...

Every month our employee magazine contains one or more pages of pictures of telephone employees who have been promoted to management. That speaks well of employee opportunity in the telephone business.

Management jobs at Southern Bell are filled by promotions through the ranks. Last year there were 819 promotions to supervisory positions. There were also 5,834 promotions to higher non-supervisory jobs, and 615 promotions to higher management positions.

This policy of opportunity and recognition for the individual employee means good management and better telephone service for you. Coupled with good pay, fair treatment and one of industry's best employee benefit programs, it explains why more than half of the employees we had 20 years ago are still with the Company.

ANNOUNCEMENTS

CARNEY — C. S. Carney, Jr. has authorized the Halls Graphic to announce his candidacy for delegate from Lauderdale County in the Limited Constitutional Convention, subject to the action of the voters in the November 1952 General Election.

DYER — Ross W. Dyer has authorized the Halls Graphic to announce his candidacy for floral delegate from Lauderdale and Tipton Counties in the Limited Constitutional Convention, subject to the action of the voters in the November, 1952, General Election.

F. H. Paschal

(Continued from Page 1) this soybean straw varies considerably in quality as a feed. Where soybeans are a 'poor stand and where the stems are very large and coarse and where the beans

are left late in the fall, they would not be of much value unless they were put through a hammer mill and made palatable by having molasses or cotton seed meal mixed with them.

Nitrate Fruit Trees Now

Apple and peach trees can usually make good use of more fertilizer than they get. For best fruit yields next year trees should have an application of three pounds of nitrate of soda per a tree between now and November 15. Spread the fertilizer in a band out from the roots about as far as the limbs extend.

PARTY LINE TELEPHONE USERS HAVE CHANCES TO OBSERVE GOLDEN RULE

Telephone party lines afford people a good chance to practice the Golden Rule, Roger Ganier, Group Manager for the Southern Bell Telephone Company, observed today.

"Although we have read lately about some tragedies caused by people who refuse to give up the line for an emergency call, most people on party lines do unto others as they would have them do unto them.

"All party-liners have a chance to make friends every day and

ORDER OF PUBLICATION

TO CHARLES HAYDEN GRACE BEST HAYDEN vs. CHARLES HAYDEN

In the County Court at Ripley, Tennessee.

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant, Charles Hayden, is a non-resident of the State of Tennessee, and a resident of the State of Louisiana so that the ordinary process of law cannot be served on him. It is therefore ordered by the Court that the said Charles Hayden appear before the Judge of the County Court of Lauderdale County on or before the third Monday in November (it being the 17th day of said month and the fifteenth day of said term of this Court) and make defense to the bill filed herein against him, or the same will be taken for confessed as true and the cause set for hearing ex parte as to him.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks requiring him to so appear.

This 13th day of October, 1952. N. C. UTLEY, Clerk C. S. CARNEY, JR. Atty. for Complainant

Illinois Central loans another sire to West Tennessee Artificial Insemination Association.

The Illinois Central has just loaned to the West Tennessee Artificial Breeding Association another good Hereford sire — Model Stanway 2d. This bull was bred by Walter Kuhrt & Sons, Hereford breeders located along the Illinois Central at Pomeroy, Iowa. This bull is of superior confirmation, having placed Third as a yearling in a class of 181 bulls. Model Stanway 2d combines the breeding of Mischieff Stanway and Beau Domino on his sire's side with Wyoming Hereford Ranch on

his dam's side, his grandsire being WHR Model Domino.

The show record, pedigree and individual conformation of this bull should greatly contribute to breeding and producing better livestock in West Tennessee.

Mr. O. B. Pope, president of the West Tennessee Artificial Breeding Association and R. S. Freeman, Manager, extend an invitation for all Hereford breeders in West Tennessee to visit the Association's headquarters near Yorkville and inspect this fine animal.

HELLEN'S BLUFF CLUB MET LAST FRIDAY

Hellen's Bluff Homemakers Club met Friday, October 17, in the home of Mrs. Bernard Mayo with sixteen members and two visitors present.

After a delicious lunch the meeting was called to order by the president, Mrs. Mayo. The scripture was read by Mrs. Demetra Hay.

New officers were elected for the coming year which are as follows: Mrs. Mayo, president; Mrs. Jack Cook, vice-president; Mrs. Wade Spence, secretary; Mrs. Clifford Walker, treasurer; Mrs. Demetra Hay, Home Life; Mrs. Lyle Vaughn, devotional; Mrs. Jesse Smith, Home Management; Mrs. Ada Cook, clothing; Mrs. Grover Smith, poultry; Mrs. Darriell Espey, craft; Mrs. Willie

NOTICE OF GENERAL ELECTION

We, the undersigned, George Volz, W. E. Harlan and R. J. Nunn, composing the Board of

Commissioners of Elections for Lauderdale County, Tennessee, do hereby give notice that a General Election will be opened and held in all the legal voting precincts of said Lauderdale County, Tennessee, on

TUESDAY, NOV. 4TH, 1952
Said General Election will be held for the purpose of electing Presidential Electors for President and Vice-President of

the United States of America; Governor of Tennessee, United States Senator for Tennessee, Representative in Congress of the United States for Eighth Congressional District of Tennessee;

When does it pay to modernize a water supply system?

If you don't have city water, find the answer by using this handy check chart

This chart will help you tell whether your present water system is adequate. If you can't answer yes to at least 7 of these ques-

tions you are probably spending more for your old-fashioned water system than it would cost to have a new one.

- YES
- NO

Are you still using the "pump and carry" system?
The family without a water system spends about 240 hours a year pumping water. That's 24 ten-hour working days. At wages of \$1 per hour, the cost would be \$240 a year. A Myers pump costs much less. With average electric rates, power to run a home water system costs only about 1c a day.

- YES
- NO

If you now have running water, can you turn on more than one faucet at a time or is the pressure so poor you get no more than a trickle when you turn on 2 or more faucets?
Your Myers dealer will install a pump of adequate capacity on easy monthly terms. Ask him for a free estimate.

- YES
- NO

Are your farm animals getting all the water they want when they want it?
When water is available to dairy cows at all times, milk production can be increased from 10% to 22%. Egg production can be increased 10% to 20% with automatic waterers. Beef and pork production can be upped 10% to 20% when fresh water is constantly available.

- YES
- NO

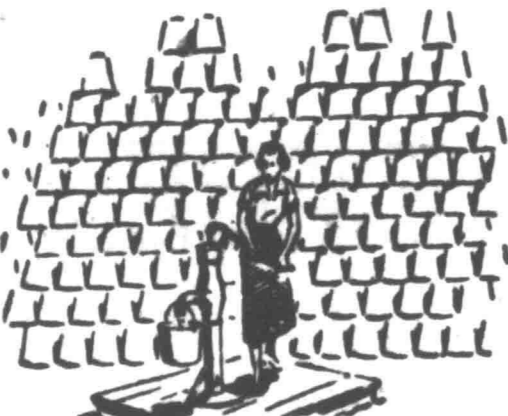

Do you have hydrants near all buildings, and a hose at a central location?
Big fires start from little fires and 25 gallons of water at the right time might well be worth 25,000 gallons ten minutes later.

- YES
- NO

Do you have running water in the barn and milk house?
Regular flushing of barn floors will result in fewer germs in milk produced. For milk cooling and washing utensils, running water is a great aid in maintaining sanitary conditions in milk production.

- YES
- NO

Does your wife carry pails of water on wash day?
This mountainous pile of 465 buckets was actually built in Hudson, Michigan to show the amount of water an average farm family without a water system has to pump and carry each month.

- YES
- NO

Do you depend upon rain water to keep your vegetable garden fresh and green?
The farm or home vegetable garden can yield as much as 50% more produce and a better quality vegetable when sprinkling or irrigation is used.

- YES
- NO

Do you have a modern kitchen, bathroom and laundry with hot and cold running water?
A Myers electric water system makes all this possible. No running water means unhealthful, uncomfortable living.

EASY BUDGET TERMS

ON ALL MYERS PUMPS

Your Myers Dealer is a Water Supply Expert

- He provides running water service 3 ways:
1. He will study your water requirements and render a FREE estimate on the cost of a Myers Water System.
 2. He provides service when you want it.
 3. He carries an adequate stock of replacement parts.

SOUTHERN SUPPLY COMPANY

Jackson, Tenn., Phone 7-7471

Wholesale Distributors of Well; Mill and Plumbing Supplies • Myers Distributor

For breakfast, brunch or lunch—here is a menu to please all corners. It's so delicious, nobody believes that it's a "breeze" to make!

Corn Kernel Muffins
Pamper your family with these easy-to-make Corn Kernel Muffins—hot, golden brown and tender. They are so quickly prepared you may wonder why you long ago didn't adopt the Southern practice of making quick breads. Corn Kernel Muffins have many hidden assets, too—especially when you use enriched flour. Enriched flour contains extra B-vitamins and food iron. And these "extras" are available at no added cost to you.
With Corn Kernel Muffins, bring on baked eggs topped with bacon strips. A good starter is cantaloupe wedges or chilled tomato juice. Don't limit Corn Kernel Muffins and baked eggs to breakfast time. This menu is an easy and "fun" way to entertain at brunch. Serve it with a fruit salad, coffee and assorted cookies for dessert. Buy the cookies at the bakery when time is limited.
Corn Kernel Muffins and baked eggs make a hearty lunch for school children. Accompany with a tossed salad and milk, followed by fresh, sliced peaches and cream.

CORN KERNEL MUFFINS
1 1/2 cups sifted enriched flour
2 teaspoons baking powder
3/4 teaspoon salt
2 tablespoons sugar
1 egg, beaten
1/4 cup milk
1 1/2 cups whole kernel corn (fresh or canned)
2 tablespoons melted shortening
Sift together flour, baking powder, salt and sugar. Combine egg, milk, corn and shortening. Add to flour mixture. Mix until flour is moistened. Fill greased muffin pans 3/4 full. Bake in hot oven (425° F.) 25 minutes. Makes 12 3-inch muffins.

member of the Railroad and Public Utilities Commission of Tennessee; State Senator for the Twenty-Ninth Senatorial District; State Representative (Direct) in the next General Assembly of Tennessee for Lauderdale County, Tennessee; and State Representative (Floterial) for the Twenty-Sixth Floterial District of Tennessee, in the next General Assembly of Tennessee, Delegate to Limited Constitutional Convention (Direct) for Lauderdale County, Delegate to Limited Constitutional Convention (Floterial) for 26th Floterial District of Tennessee.

The following Officers, Judges and Clerks are hereby named and appointed to open, hold and make due returns of said General Election in the hereafter listed precincts.
Polls at the hereinafter listed precincts will open at 9 o'clock A. M. and close at 4 o'clock P. M.

Price:
Officer: Charles P. Henley.
Judges: Thomas Parham, Milton Daly, C. P. Meyer.
Registrar: Mrs. Charles Henley.
Clerks: Mrs. Thomas Parham, Mrs. M. S. Rice.

A HELPING HAND
By Martha White

You Can Be TOO Clean
Sometimes some of us get to be such "perfect" housekeepers that we wear out not only our families, but our possessions! A little letting-alone can prevent a lot of work, and make your things last longer.
So take stock of your daily routine, and find out just what is really necessary to health, the good looks of your home, and basic cleanliness. Take kitchen floors. Most of us neglect to find out the proper care for our linoleum or tile floors, or the salesman forgets to tell us. And the first thing you know, there we are down on our hands and knees busily scrubbing away the life of the floor.
The first thing to do is to check where you bought the floor covering, and find out what the manufacturer recommends. Linoleum should never be scrubbed with washing compounds or strong soap. In fact, it should be scrubbed as little as possible. A good wipe with a sponge will take up soil marks as soon as they are made, and a once-over-lightly with clear, clean and warm—not hot—water is all the care linoleum needs.

Judges: Homer Sellers, T. E. Haynes, G. F. Newman.
Registrar: Mrs. James Stanley.
Clerks: Mrs. Jim Wilson, Clytie Langley.

EIGHTH DISTRICT
Double Bridges:
Officer: E. E. Meeks.
Judges: Theron Burrough, A. A. Gooch, T. E. Webb.
Registrar: Mrs. W. M. Kenley.
Clerks: Mrs. Sadie Hilliard, Pattie E. Jones.

NINTH DISTRICT
Barr:
Officer: William Howard Holmes.
Judges: C. W. Hardy, Garner O. Kissell, J. D. Smith.
Registrar: Mrs. Joe Arthur.
Clerk: Mrs. J. D. Smith.

TENTH DISTRICT
Glimp:
Officer: Tom Smith.
Judges: David W. Hopper, Benjie Rhodes, W. H. Crook.
Registrar: Mrs. Edward Hopper.
Clerks: Mrs. Jesse Mann, Mrs. Margaret Crook.

ELEVENTH DISTRICT
Lightfoot:
Officer: J. G. Hunter.
Judges: H. S. Price, O. B. Akin, W. M. Barnes.
Registrar: Mrs. Finis Barnes.
Clerks: Mrs. H. S. Price, Mrs. C. U. Roberson.

TWELFTH DISTRICT
Halls:
Officer: E. O. Dew, Jr.
Judges: E. S. Crichtfield, H. A. Hall, Joe E. Hurt.
Registrars: Mrs. Electra Young, Mrs. Evelyn Randall, Mrs. Douglas Hurt.
Clerks: Mrs. Frances Belton, Miss Raha Jones.

THIRTEENTH DISTRICT
Cherry:
Officer: Austin Winn.
Judges: H. E. Nave, C. Y. Masongill, D. L. Hopper.
Registrar: Mrs. Bernice Hopper.
Clerks: Mrs. Peggy R. Simpson, Mrs. C. W. Skinner.

FOURTEENTH DISTRICT
Edith:
Officer: R. H. Pennington.
Judges: E. L. Howard, J. L. Sanford, G. C. Webb.
Registrar: Mrs. E. L. Howard.
Clerks: Mrs. Owen Dugger, Janelle Heathcott.

FIFTEENTH DISTRICT
McBride:
Officer: Bernard Cook.
Judges: Bill Lee, James A. McMahon, Ottis Moore.
Registrar: Mrs. P. N. McBride.
Clerks: Mrs. LaVance Pipkin, Mrs. Luther McBride.

SIXTEENTH DISTRICT
Nankipoo:
Officer: T. M. Belton.
Judges: C. M. Hilliard, C. E. Morris, R. E. Clements.
Registrar: Mrs. Jewell Hughes.
Clerks: Mrs. Grady Cook, Mrs. Evelyn Cates.

SEVENTEENTH DISTRICT
Gates:
Officer: Joe P. Beard.
Judges: Donald Layne, A. D. McNeill, V. A. Gilliland.
Registrar: Mrs. Joe P. Beard.
Clerks: Mrs. E. G. Parker, Mrs. Byrd Sloan.

A HELPING HAND

By Martha White

Sharpen Your Sewing Machine Needle

If you do a lot of sewing—on have one big project that is going to take you all day—you sometimes find that your sewing machine needle starts dulling. Of course, you can keep a package of new ones at hand and change every so often, but that is a little extravagant to say nothing of being so troublesome.

There's a very simple thing to do that only takes a minute. Just take a scrap of soap—the thin piece right at the end of an old bar. Put it under the needle and turn your machine five or six times through it. You'll find the needle just as sharp and easy to use as when it was new.

spread the lengths out and pin in your headings and hems, before you start to sew. You don't want the patterns to start at different levels on each window, do you? So be sure you have a perfect match before you start working.

Another sewing trick you might like to try. When you are working with very sheer materials, silk, synthetics or cotton, try pinning newspaper to the cloth before you cut it. Put your pins far enough in so that the material and the paper will stay pinned together after the garment is cut out. Then do your basting and sewing through both thicknesses. When the garment is all finished and ready for hemming, just tear the paper away. You'll find the whole thing so much easier to manipulate—it will never pull out of shape while you are working on it.

Sewing days are times when you want quick and easy meals. Here's an idea for an oven meal that will be no trouble at all. Make a beef stew the night before and put it in a baking-serving casserole. Make biscuits in the morning and put them in the refrigerator, unbaked. About an hour before dinner, put the casserole in the oven, top with the unbaked biscuits and leave it alone until it is time to eat. A green salad and a pot of hot coffee will keep your family thinking you are the best cook in the world.

Chiff Hilliard spent part of last week in Memphis.

Sharon Olds of Halls spent the weekend with grandparents, Mr. and Mrs. Will Olds.

Mr. and Mrs. Kenneth Olds of Covington spent Wednesday afternoon in the L. E. Olds home.

STOVES, all kinds. Pipes, mats, etc. Halls Hdq. & Supply Co. adv.

Mr. and Mrs. Derrick Tillman and daughters of Memphis spent the weekend here with relatives.

Mr. and Mrs. Tommy Finnell, and Mr. and Mrs. J. G. Cook spent Sunday in Ripley with Mr. and Mrs. Harlan Finnell.

Mr. and Mrs. W. T. Olds spent Sunday afternoon with friends at Arp.

COMPLETE FACTS ON SOFT WATER

Complete facts on soft water and how its use in the home and on the farm can pave the way for better living are illustrated in two new booklets prepared by The F. E. Myers & Bro. Co., 20 South Orange Street, Ashland, Ohio.

Of particular interest to city dwellers is the booklet, "What Everyone Should Know About Soft Water." This is factual report on the benefits of soft water—how it saves money and makes living more pleasant. This booklet lists the causes of hard water, its disadvantages, and how the use of soft water can save the average family \$100 or more a year.

The booklet, "Soft Water Is Needed On The Farm," shows the

ORDER OF PUBLICATION

Mrs. W. T. Harris, Sr. a citizen and resident of Dyer County, Tennessee, C. M. Duvall, a citizen and resident of the State of Texas, and Marvin Braden, a citizen and resident of Tipton County, Tenn.

vs. Sam Oldham Duvall, and Mary A. Duvall, both non-resident of the State of Tennessee, Defendants.

In the County Court At Ripley, Tennessee In this cause it appearing to me from the bill, which is sworn to, that the defendants, Sam Oldham Duvall and Mary A. Duvall, are non-residents of the State of Tennessee so that the ordinary process of law cannot be served on either of them.

It is therefore ordered by the court, that the said Sam Oldham Duvall and Mary A. Duvall appear before the Judge of the County Court for Lauderdale County, on or before the 3rd Monday in November, 1952, (it being the 17th day of November and the 15th day of said term of this court) and make defense to the bill filed herein against them, or the same will be taken as confessed as to them and each of them as true and the cause set for hearing experts as to each or either of them.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in said county, for four consecutive weeks requiring them to appear and answer said bill. This October 17, 1952.

N. C. UTLEY, Clerk. W. C. HATTON, Atty. for Complainants.

farmer and the farm wife how soft water can bring about better production on the farm and better living in the house.

These free booklets are available at all Myers water conditioning dealers or by dropping a postcard to The F. E. Myers & Bro. Co., 20 So. Orange St., Ashland, Ohio.

CARD OF THANKS

We want to thank each and every one for the kindness shown us during the sickness and death of our father and husband, also for the flowers sent. We also want to thank the Rev. J. H. Austin and the quartet for the nice sermon and songs.

We want to thank the community for the beautiful wreath and the ladies for the dishes they brought. May God bless each and everyone is our prayer.

We're Always Glad
To Have You

As a result of Southern Bell's broad expansion and improvement program in Tennessee, the number of telephones in rural areas that the company serves has more than tripled since 1945.

Mrs. Weldon Miller of Dyersburg was the supper guest of Mr. and Mrs. Doyle Hawkins Sunday.

Lt. Col. and Mrs. Tunis Cordill were guests of Mr. and Mrs. M. E. McDearman, Sr. and Mr. and Mrs. M. E. McDearman, Jr. Sunday. Col. Cordill is a chaplain in the Army Air Forces and was enroute to a new station near Detroit.

Shells, Hunting Coats, Shotgun, Boots. If you hunt—we have what you need. See Winston and Katie on the Corner.

Mr. and Mrs. Ralph Colley and children of Memphis spent Sunday with his mother, Mrs. J. F. Colley.

Bruce Jordan of Memphis was in Halls on business Tuesday and remained over for the night with his parents, Mr. and Mrs. R. H. Jordan.

Mrs. Joe Hilliard of Double Bridges visited Mrs. R. S. Bell Sunday afternoon.

Miss Hope Hall of Memphis spent the weekend with her parents, Mr. and Mrs. Harry Hall.

Mrs. Earl Pace and children and Mrs. Johnnie Meadows of Memphis visited here and at Unionville Sunday.

Mrs. William Lightfoot and Miss Marilyn Lightfoot of Savannah are visiting Mrs. Lightfoot's sisters, Mrs. T. G. Avery and Mrs. W. A. Perry, and Mrs. Lightfoot's mother, Mrs. J. T. Meadows, who continues ill at Unionville.

Don't make a mistake — Get the Best Radio, GE and RCA-Victor. Halls Hardware. adv

Mr. and Mrs. Harry Lee Rhodes and daughter, Pamela, attended the Ringling Brothers Circus in Memphis Monday afternoon.

Mr. and Mrs. H. C. Pitts and Mrs. Jack Ringer of Memphis were Sunday guests of Mrs. A. G. Hargett.

The Rev. and Mrs. J. H. Newton and Mrs. Wymond Hurt were in Memphis Monday.

Mr. and Mrs. N. Hill Martin and Mrs. I. A. Nunn spent Tuesday in Memphis.

Mrs. Fred Hurt and Mrs. Marvin Hansford and little daughter, Judy, spent Monday in Jackson as guests in the home of Mr. and Mrs. Hal Wallace.

New Notes in Cooking

Fresh celery leaves are not exclusively for the soup pot. Mince them fine, add creamed salt cod fish or creamed finnan haddie and put into a potato shell. Bake, of course, to reheat and brown lightly.

Defrost packaged frozen Fordhook lima beans. Toss with chopped chives or fresh green onions, a tablespoon or so of sour cream, seasoning of Ac'cent (pure monosodium glutamate) and salt. Cover and bake in very slow oven until tender. Perfect as a Sunday dinner complement.

Lamb and vegetable stew getting a bit monotonous? Add canned red kidney beans seasoned with Ac'cent to harmonize with the flavors of meat, onion, carrots and potatoes.

No reason why meat loaf cannot be handsome. Bake it in a buttered ring mold. Turn out on platter; fill center with the vegetable you planned to serve separately. Surround with cubes of cranberry jelly or parsley. Season meat loaf and vegetables with Ac'cent to assure full flavor.

Homemade or canned hash becomes Texas Hash when you add a touch of chili powder and more than a touch of onion, green pepper, and chili sauce.

Mrs. Wallace Dunn of Jackson and Mrs. W. W. Berry of Indianapolis, Ind spent Monday as guests in the home of Mrs. D. C. Warren and Mrs. P. W. Crittendon. Mrs. Berry is the house guest of Mrs. Dunn.

Miss Evelyn Crittendon and some friends from Memphis were in Halls Wednesday.

Mr. and Mrs. B. L. Hill, recent visitors here, in Ripley and Memphis, left Tuesday of this week for Texarkana, Ark. where Mrs. Hill will assume her duties as the manager for Toddle House restaurants there. Mr. and Mrs. Hill, parents of Mrs. Earl Colelew, Jr., were formerly with Toddle House in Rochester, N. Y.

BAPTIST CIRCLE MET MONDAY

Circle No. 3 of Halls Baptist Church met Monday afternoon in the home of Mrs. J. W. Escue with nine members present.

Mrs. N. G. Parrish was in charge and used as devotional a part of the Sermon on the Mount. New officers for the coming year were installed as follows: Chairman, Mrs. A. G. Hargett. Mission Study Chairman, Mrs. T. G. Avery. Community Mission Chairman, Mrs. J. W. Escue. Stewardship Chairman, Mrs. N. G. Parrish. Membership Chairman, Mrs. R. D. Hawkins. Secretary-Treasurer, Mrs. J. H. Murchison.

The schools of Lauderdale County were closed Thursday afternoon and Friday of this week so that the county teachers may attend the West Tenn. Teachers meeting in Memphis Thursday and Friday.

SCHOOL NEWS

(Continued from Page 1)

Susan Smith said her trip to Circus in Memphis was exciting.

Fourth Grade - Gilliland
We had several on our sick list this week: Laverne Caviness, Ruby Parrish, Betty Carnell and Patricia Baker.

Sammy Steelman visited friends in Memphis this weekend.

Chuck Murchison made a flying trip to Memphis Monday morning - he was back before noon.

Our room is beginning to look like Hallowe'en with pumpkins, black cats and witches.

Bobby Phillips spent Sunday at Kentucky Lake.

We are studying about Jamestown in our Social Studies.

Fourth Grade - Ferguson
Those that have missed some this week due to illness are Katie Lou Hurt, Jimmie Lee Jackson, and Gerald Maness.

We wish to thank Mrs. Charles Alsbrook for the magazines and Mrs. J. B. Lawrence for the beautiful flowers.

During our appreciation periods this week we have enjoyed decorating our room for Hallowe'en with black cats, witches, bats, a skeleton and autumn leaves. We have made and placed our pumpkin men on parade. Douglas Mc-

Garrity added greater interest to our Hallowe'en motif by bringing corn stalks laden with corn.

We enjoyed making PTA invitations for our parents.

The boys in our room are excited about joining the Cub Scouts. Reporters this week are Cary Alsbrook and Jimmy Walpole.

Fifth Grade - Hooks, Scates
(We are learning a new song, 'This is Hallowe'en.' Plans for this night are often the topic of conversation.

George Hurt and Jerre Jordan drew the nicest fruit arrangement for the board. The most fun lately has been molding our Mexican pottery clay and later painting the objects.

Many of us went visiting in the beautiful scenery last weekend. Marietta visited her grandmother, Linda Grady and Jimmy Nunn both went to Memphis and Mi. ba Atkins went to Reelfoot Lake.

Fifth Grade - Murchison
We are observing the beauties of nature at this harvest season, and are paying particular attention to the colors of leaves. We have some of the fruits of the harvest season on our reading table. Cotton, nuts, a pumpkin, corn, peanuts, black walnuts and persimmons are a few of the things we have.

Pamela Rhodes gave us an inter-

These Little Treats Make Good in a Big Way

Don't let the "what to serve with coffee" problem, or treats for children, complicate your life, for they are simple when you have your favorite self-rising flour on the kitchen shelf.

Whether cupcakes are to be a youngster's treat, or just a coffee snack, they are so quick and easy with self-rising flour. Prize-winning self-rising recipes call for working the dough as lightly as possible. Don't let the dough stand; bake as soon as your preparations are completed.

When the children ask for a treat that's good to eat, try these self-rising flour cupcakes, which are economically made with self-rising flour. They are truly a treat.

COCONUT CUPCAKES
1/4 cup margarine or butter
1/4 cup sugar
1 egg
1/2 teaspoon flavoring (half vanilla, half almond)
1 1/2 cups sifted self-rising flour
1/2 cup sweet milk

Grease and flour the bottom of muffin pans. Start oven at 375°F. Cream margarine or butter with sugar until fluffy. Add egg and flavoring and beat well. Stir in the flour and milk alternately, beginning and ending with the flour. Fill prepared muffin pans not more than half full and bake at 375°F. 15 to 20 minutes. Makes 12 medium cup cakes. Frost with your favorite icing tinted pink or green. Top with grated coconut.

Quite a few of us attended the Slim Rhodes Show Tuesday night and enjoyed it very much.

The Seventh Grade football players elected Evelyn Smith and Thelma Burroughs as their cheerleaders.

We are looking forward to Friday and being out of school because the teachers are going to a meeting in Memphis.

Eighth Grade - McCorkle

We wish to thank Mrs. J. G. Milam for the magazines she donated to our magazine rack. We shall enjoy reading them.

Cheerleaders were elected by the Eighth Grade football players this week. They are Molly Watts,

Francene Smith, Betty Jackson and Marjorie Williams. We are hoping that our team may have a successful season.

We enjoyed seeing the helicopter that flew over the building last Friday. This was our first glimpse of one. We decided that we would like to have one for ourselves.

We are enjoying our work in school and hope we are pleasing our teachers.

We are looking forward to our holiday Friday when our teachers attend the meeting in Memphis.

4-H Club
(Continued from Page 1)
grow them. Once they are estab-

lished and large enough to cut, selective cutting will give a good number of posts over a long period of time.

Each year the Forestry Division grows several million pine seedlings for distribution. Experience has taught the farmer that he can eliminate waste and that eroded areas can be made productive.

You may purchase black locust, catalpa, loblolly pine, and yellow poplar at \$3 per thousand. Black walnut sell at one cent each. If you desire to purchase any of these trees, come by our office and fill out an application blank.

Patronize Our Advertisers.

REGISTERED HEREFORDS OFFERED AT AUCTION

79 Bulls 179 Head 100 Females

The offering will include bulls of service age, bull calves, many open heifers and a few bred heifers and cows. Today's most popular breeding including Larry Domino, Baca R. Domino 33, WHR Proud Mixer 21st and other WHR families will be found in the offering.

In value received for money invested, no sale exceeds the opportunities offered to Hereford breeders in our Jackson sales.

When you think of "grass farming," think of Herefords, "The Beef Breed Supreme," with quality enough to top the market and pounds enough to make it pay.

TIME—12:00 O'clock Noon, Friday, November 7th, 1952

PLACE—West Tennessee Fair Grounds, Jackson, Tenn.

Dyersburg, Tennessee, Secretary of
WEST TENNESSEE HEREFORD BREEDERS, Inc.

esting report of her trip to Memphis to see the circus.

We are learning the poem "Jolly Jack O'Lantern." Mrs. Voss helped us learn the song "Sweet Betsy from Pike" in our Social Studies.

Our teacher attended a committee meeting in Ripley Monday afternoon.

Last Friday we studied the poem "Sugar Plum Tree," by Eugene Field.

It was exciting to see the Baby Tigers play football Tuesday afternoon.

Sixth Grade - Hilliard
Those who visited out of town were: Danny Grady went to Memphis and visited the zoo, Gene Campbell had company from Nashville.

We certainly wish Warren Nunn a happy birthday and many more. David Hurt, Danny Grady, Warren Nunn and Joel Ferguson drew

a prize of Athens in Greece. We are planning a Hallowe'en freize and we are also going to have a Hallowe'en ply in our room.

Several of our 6th Graders have been sick this weekend and we hope they will be back soon.

The boys and girls in our room elected two girls to be cheerleaders for the football team. They are Anne Younger and Barbara Watts.

The reporters are Anne Younger and Barbara Watts.

Seventh Grade - Belton
Several of us went out of town over the weekend. They are as follows: Josh Nunn, Betty Arwood and Jane Cheshier went to Memphis, Shirley Fitzhugh and Thelma Burroughs went to Reelfoot Lake, Latricia Vaden went to Dyersburg, Sylvia Burnes went to Central, Carolyn Ozment went to Maury City and Harry Wright went to the Fort Pillow Penal Farm.

SCHOOL NEWS

Grade 1 - Walker
First Graders are excited about the Hallowe'en Carnival. Our booth will sell hot dogs and have a fish pond. Look for us Friday night.

We appreciate the efforts of our room mothers, Mrs. Harold Hart, Mrs. Darriell Hilliard and Mrs. J. W. Warren. They have worked hard toward making the party a success.

There is another new boy in our room. He is Auford Lee Ables from Double Bridges.

Rosa Ponder, Tommy Williams, Donald Davis, Lana Jacobs, Sandra Cone, Eddie Smith, Patricia Cherry, Dale Wiggins and Ted Chapman were all out last week because of illness. We missed every one of them.

Grade 1 - Viar
"Miss" Geneva attended the teachers meeting in Memphis on Thursday and Friday. First Graders enjoyed the short vacation.

Jimmy Hansford brought a treat for all of us Thursday. Every one enjoyed the "party." Thanks, Jimmy.

Dianne Jackson has been much concerned over her grandmother's illness. We hope she will soon be well, too.

Susan Craig has brought us another pretty pot plant for our room.

First Graders have been much interested in puppets this week and have been making and presenting their own programs.

We're having fun listening to our new records. "Run, Rabbit, Run," seems to be the favorite.

Grades 1 and 2 - Patton
Everyone reports a nice holiday. Some of us picked cotton and some went visiting. Ann Grisby told us of her trip to Memphis and the Zoo. We enjoyed hearing that.

We welcome a new pupil today. She is Carolyn Jane Moore. She comes from Henning.

The teachers all had an interesting meeting and trip to Memphis too or so they report. "Miss" Jane spent Thursday night in Memphis.

We enjoyed some new records that "Miss" Jane got for us. We especially liked the Cowboy Record. One little boy said, "Miss Jane, that's the goodest one, ain't it?"

We'll be seeing everyone at the Hallowe'en Party!

Grade 3 - Trovano
We enjoyed our vacation Friday while the "teachers" were away. Many of us picked cotton and made lots of money.

Janie Moore and Charlie Viar have painted faces on their pumpkins and dressed them up in caps and coats. They're just very funny looking and we laugh every time we look at them.

"Miss" Kathryn selected new library books and records for our room while she was in Memphis. We owe our "thanks" to Mr. Peery who gave the primary teachers permission to spend \$15 on books for their room libraries. We certainly needed both the books and the records.

We are enjoying the October number of our work books now.

Grade 3 - Lucas
Hallowe'en is almost here and we are all excited over the party. Dennis McCaslin and Willis Griggs brought us pumpkins for our room.

We were sorry that Donald Jones got his thumb mashed and had to be out of school two days.

Our teacher was in Memphis last week for the teachers meeting.

The poem we learned this week is "The Wind and the Leaves," by George Cooper, and also the song "Autumn Colors."

Grade 3 - M. Dearman
During "sharing period," Monday we learned that most of us made use of the holiday last Friday and the pretty weather during the weekend. Some of us picked cotton, fifteen of us saw this show "The Greatest Show on Earth" at the Halls Theatre.

Sharon Olds, Ann Lucas and Ronnie Hines visited the Zoo in Memphis. Pat Warren went to visit her Grandmother Warren who is a patient in Baptist Hospital in Memphis.

LOCAL TOTS WIN IN RIPLEY TINY TOT REVUE TUES.

We suppose that there were some unhappy people in Ripley Tuesday night when the winners in the Tiny Tot Revue at Ripley were announced Tuesday night. It seems that both winners came from Halls. Diane Levy, daughter of Mr. and Mrs. Louis Levy, and Paul Henderson, III, son of Mr. and Mrs. Paul Henderson, Jr., walked off with top laurels.

Girls To Play Holy Names Monday Night

The Halls Girls Basketball teams opened the season here Monday night with easy victories over Sacred Heart of Memphis. Led by Lovelace with 31 points, the varsity won an easy 52 to 22 victory while the "B" team completely outclassed the visiting "B" team 85 to 10.

Next Monday night the Holy Names team of Memphis will come to the Halls gymnasium for "A" and "B" games.

Following is a list of the complete schedule for the season. All games except Holy Names and Sacred Heart are both boys and girls. The schedule follows:

HALLS HIGH SCHOOL 1952 - 53 BASKETBALL SCHEDULE

November 11	Holy Names . . .	There
November 18	Trimble	There
November 21	Sacred Heart . . .	There
November 28	Trimble	Here
December 2	Obion	Here
December 5	Dyersburg	There
December 9	Brownsville	Here
December 12	Somerville	There
December 16	Maury City	There
December 19	Brighton	Here

January 2	Munford	Here
January 6	Ripley	There
January 9	Dyersburg	Here
January 13	Ridgely	There
January 16	Covington	Here
January 20	Brownsville	There
January 23	Munford	There
January 27	Maury City	Here
January 30	Covington	There
February 6	Somerville	Here
February 7	Obion	There
February 10	Ripley	Here
February 13	Brighton	There

Hunting Seasons Closed In State

All hunting seasons were declared closed until further notice in Tennessee at noon Wednesday. The notice came from Tom L. Bingham, chief of game law enforcement, to West Tennessee supervisor Ray Hudson at Jackson.

The emergency action resulted from hazards of fire, and at a time that numerous forest fires were reported raging throughout the state.

Under normal conditions, a small percentage of forest fires are charged against careless hunters, but under existing extreme drought conditions the possibility of fires from this cause is deemed much greater.

It is assumed that any appreciable amount of rainfall will bring about a return of the open seasons. Affected at this particular time are squirrel and coon hunting seasons, and the second period of dove shooting, which is scheduled to end at sundown this afternoon (Thursday).

WHAT'S RIGHT FOR AMERICA?

As most of you know it has never been the policy of this newspaper to attempt to dictate to the public in a political manner. But, in these perilous times, it would seem to us that possibly one of the gravest presidential elections of all times will be decided next Tuesday, November 4, and it behooves your editor to call attention to a few facts.

More than 75 million citizens are qualified to vote in the forthcoming election yet not more than slightly above 50 million are expected to cast a vote. That means that some 25 million will have no say in their federal government for the next four years.

Would that your editor's typewriter were eloquent enough to convince the people of this section of the dire need to go to the polls and express their sentiments and would that every editor, commentator, etc. throughout the land convince every voter of the need to vote. We have been laughed at, more or less ridiculed with the statement that it is the conviction of your editor that should 90 percent or more vote then the right man for America would be elected.

With the communist forces attempting on every hand to undermine the American government, with corruption reported throughout the federal government, yet with the Republicans offering no constructive program but accepting a more or less me-too attitude it would seem difficult for many voters to make up their minds.

This is a time when sectional or partisan thinking should go by the board and "What's Right-of America?" should decide the issue. Just what is right for America? It is right for America that the communist threat be removed from our government! It's right for America that we have federal officials who carry out their duties in an honest, upright manner! It's right for America that we have a man in the presidential chair who intends, plans, and does abide by the Constitution of the United States of America!

What's wrong for America? It's wrong that America have in power men who are in any form believers in socialism or communism. It's wrong that corruption continue in our government. It's wrong that men be elected who intend to benefit one section of the nation to the detriment of another. It's wrong to elect a man who is not qualified in character, ability, experience, etc. to do the job.

YOU GO TO THE POLLS NEXT TUESDAY AND DECIDE WHAT IS BEST FOR AMERICA!

Young Marine Shoots Self

A young AWOL Marine, a native of Halls, who shot himself in the abdomen Wednesday morning just after a minister offered a prayer for his return to service, lay near death in the Naval Hospital at Millington Wednesday night.

The 19-year-old Tennessee had recently failed to effect a reconciliation with his bride who left him Sunday to return from Memphis to her parent's home in Trenton, Tenn.

Pfc. Robert O. Smith of near Halls shot himself with a 38-caliber pistol outside the Naval Air Station gates in an apparent fit of despondency. He is the son of Mr. and Mrs. David Smith, who reside on Knob Creek Farm.

The youth, who enlisted in the Marine Corps in Memphis in May, 1951, was, at the time of the shooting, under technical arrest and carrying orders and "straggler's money" back to Camp Pendleton, Calif., where he was AWOL.

He shot himself after visiting the home of his wife, Mrs. Helen Owen Smith, 18 at Trenton. The young couple was married there June 10.

The shooting occurred while Smith sat in an automobile outside the NAS gates with his father, a brother, David Smith, Jr., and the Rev. Virgil Tarvin of Edith, Tenn. The Marine, supposed by naval officials to be on his way to Camp Pendleton, had gone to Trenton Tuesday to induce his wife to return to him. However, he said he was ordered from the house by his mother-in-law, Mrs. Toy Owen. Smith then went to his parent's home where his father began urging him to carry out his military orders.

Apparently willing to accede to the request, Smith returned to Millington, arriving at NAS about 10:30 p. m. Monday, then refused to enter the gates and surrender himself. More than two hours of talk ensued and finally, about 12:45 a. m. Wednesday, he asked the Rev. Mr. Tarvin to pray for him.

(Continued on Page 2)

JAYCEES TO MEET MONDAY NIGHT

Announcement is made that the regular meeting of the Halls Jaycees will be held Monday night at Perry's Hotel. Announcement is also made that the Jaycees have designated the month of November as Go To Church Month and a committee headed by the Rev. Albert Rose will work toward that end.

Democratic Rally Set For Saturday

Representative Albert Gore, Frank G. Clement and Commissioner J. B. Avery, Democratic nominees for the offices of United States Senator, governor of Tennessee and Railroad and Utilities Commissioner, along with Congressman Jere Cooper, will be in Lauderdale County Saturday in the interest of the national and state Democratic tickets.

The three members of the state Democratic caravan will be joined by local nominees in rallies at Ripley and Halls during Saturday afternoon.

At one o'clock the caravan will hold a rally at the court house yard in Ripley with short talks by Mr. Gore and Mr. Clement on the slate and handshaking by all candidates.

At three o'clock the caravan is scheduled to appear in Halls with the same program planned for Halls.

Formed and starting from Dyersburg on October 4 the caravan has toured the state during the past month speaking in behalf of the national and state tickets. It is the understanding of the Halls Graphic that the appearance at Halls will be a part of the final day's operation of the caravan.

BETTY JO STEELMAN HONORED AT COLLEGE

Miss Betty Jo Steelman, daughter of Mr. and Mrs. Billy Steelman of Halls, has recently been named Maid to the Football Queen at East Mississippi Junior College, Scooba, Miss., according to a message this week. (Miss Steelman graduated from Halls High School

Tigers To Honor Parents At Ridgely Game

Thursday night, November 6, will be a big night for Halls High School as the Tigers play the Ridgely Green Wave on the local field, crown their queen and honor parents of the varsity squad.

James C. Peery, principal of Halls High School, Wednesday announced plans for the event with the special announcement that the fathers and mothers of the team are to be honored guests of the school with a special seating arrangement for them on the concrete bleachers. At half time the football queen will be crowned and presented to the crowd along with her maids. The queen will be named by ballot of the student body Friday morning with the winner to be kept secret until the night of the game.

Tonight (Thursday) the Tigers will travel to Tiptonville for their final game away from home with the final two games to be played on the local field. The Tigers for the fourth straight week will be expected to win but the game probably will be close.

Last Thursday night the Tigers won a surprising victory from Millington by the score of 45 to 13. The Tigers struck for four touchdowns in the opening period and were leading 32 to 0 before Millington pushed across a touchdown against a team composed largely of second stringers. The halftime score was 39 to 7. During the second half the Tigers and Millington picked up 6 points each with the second string playing most of the last half.

Highlights of the game was a 92-yard run by Stuart Crichtfield with a key block by Billy Newsome setting up the run and the return of an intercepted pass 45 yards for a touchdown by Bob Pickens. Again downfield blocking cleared the way for the run. Crichtfield scored two other touchdowns, Norman one, Newsome one and Smith one for the 7 TD's racked up.

Go To Church Sunday.

DEMOCRAT OR REPUBLICAN, YOU ARE INVITED

The American Legion Auxiliary will sponsor an election night box supper at the High School Gymnasium next Tuesday night with everybody invited to come and enjoy the evening. Through the courtesy of Hilliard Radio & Appliance Co. a television set and also a radio will be installed so that election returns may be gotten all through the evening. In addition to the box supper there will be coffee and cold drinks on sale and a record player installed for those who like to dance.

Bankers Throng To Meeting Here

Edward Robert Rosse, professional after-dinner speaker, humorist and philosopher, kept the more than two hundred guests rocking with laughter for more than an hour last Friday night at the banquet of Region Seven of Tennessee Bankers Association in the Halls school cafeteria. Mr. Rosse got in some rather dirty digs against both political parties along with the call to return to the constitutional form of government.

With the Bank of Halls as host bank, bankers throughout the northern section of West Tennessee along with visitors from other regions gathered for the afternoon session followed by the banquet. Mr. Jq Anderson, of Knoxville, state president, was scheduled to address the afternoon session but illness prevented his being here. Appearing on the program were Mr. Jesse Bradshaw of Dyersburg and Mr. Judd Brooks of Jackson. Highlight of the afternoon meeting was the presentation of a skit "Banking Siciperations" by a group of Knoxville bankers.

Following the banquet H. B. Parks, cashier of Bank of Friendship, was named Region Seven chairman with J. O. Paris, cashier of Farmers Union Bank of Ripley, named as secretary.

Towns from Region Seven represented at the meeting included Dresden, Milan, Dyer, Ripley, Medina, Trenton, Yorkville, Obion, Dyersburg, Newbern, Huntingdon, Alamo, Gates, Troy, Ridgely, Humboldt, Crockett Mills, Friendship, Union City, Greenfield, Trezevant, Martin, Trimble, Balford, Halls, Henning, McLemoresville, Bruceton, Paris, Maury City and Rutherford.

Among guests at the meeting was Grady Huddleston of Nashville, permanent secretary of the Bankers Association, H. B. Clark, state superintendent of Banks, and Mrs. Clark, C. W. Gillespie, FDIC examiner, and Mrs. Gillespie and M. D. Conyers of Union City, G. K. Strickland, Art Fowler and John Tisarkiewicz of St. Louis, and A. N. Sutherland of Louisville, Ky. Also represented were banks in Memphis, Nashville, Fountain City, Tenn., and Fulton, Ky.

Plant To Prosper Winners Named

F. H. Paschal
County Agent

Durhamville-Orysa is the county winner in the Community Improvement contest with Hurricane Hill placing second. B. F. Escue, Jr. has done an outstanding job as President of the Durhamville-Orysa Community Improvement Club, meeting with members of his various committees frequently to assist them in the making of plans and keeping them encouraged to work on their various projects.

The Garden Committee headed by Mrs. Hugh Thompson carried out a garden contest with money prizes offered by the club to encourage the production of a greater variety and more abundant supply of foods for home use which resulted in an increased amount of food canned and frozen, in spite of the drought. Committee members made a tour of gardens over the community in May to encourage gardeners.

The Farm Improvement Committee headed by Arthur Thompson had a farm tour on August 20 when 10 farmers visited 13 farms during the day to observe new practices, especially plantings of new pastures and cover crops. Community accomplishments by the club during the year included material additions of play ground equipment at the recreation area called Riceland Park and a cooperative effort on the part of the two churches in the community to purchase and operate a bus on Sundays to bring more people to the services at both churches at Durhamville.

Durhamville-Orysa and Hurricane Hill Clubs have both helped the 4-H Club program in their communities by providing adult leaders who have met with club members from time to time during the year and have gone with them to special events.

Plant To Prosper Winner
Mr. and Mrs. Luke Matthews of Hurricane Hill Community were this week judged to be the county tenant winner in the Plant to Prosper competition sponsored by the Commercial Appeal and the Memphis Chamber of Commerce.

For their family of six Mr. and Mrs. Matthews this year produced and canned 700 quarts of vegetables, fruits, pickles, and preserves, jams, and jellies for the family food supply during the year. Mr. Matthews is developing with his landlord, J. O. Paris, an excellent herd of beef cattle which now numbers nine head. Green cover crops are growing in all the 38 acres of cotton which on hill land this year will produce 35 bales.

The Matthews family have been active members of their Hurricane Hill Methodist Church, County Farm Bureau, Community Club, P. T. A., Young Farmers and Homemakers Club, and the Home Demonstration Club. They have been good citizens and have earned the good wishes of the people of their community in the final judging of this contest in West Tennessee.

Vote Next Tuesday
None of us knows absolutely just how we should vote next Tuesday, but we will certainly be wrong if we fail to go and exercise this precious privilege of citizenship bought with the life blood of this and all previous generations who

Highway 51 To Memphis Closed

The State Highway Department closed Highway 51 between Cross-town and Covington, Tenn., Wednesday to take out a bad curve and reduce several hills in the 15-mile stretch of highway.

Detour routes to Memphis from Halls would mean that motorists would leave Highway 51 at Covington, take State Highway 59 to Mason and continue along U. S. Highway 70 to Memphis.

The work being started by the highway department has been greatly needed for some time. It is expected that the accident toll will drop considerably following the changes.

The Halls Graphic HALLS, TENNESSEE

Entered as second class matter weekly at the post office in Halls, Tennessee, under the act of March 3, 1879.

HENRY MURCHISON Editor and Publisher

EVERY FRIDAY MORNING

Readers ads, 10 cents per line, 25 cents minimum charge; card of thanks, 7 cents per line, 50 cents minimum charge; memoriams, 7 cents per line; obituaries, free; all cash with order. Display rates on request.

\$2.00 PER YEAR.

ANNOUNCEMENTS

CARNEY — C. S. Carney, Jr. has authorized the Halls Graphic to announce his candidacy for delegate from Lauderdale County in the Limited Constitutional Convention, subject to the action of the voters in the November 1952 General Election.

DYER — Ross W. Dyer has authorized the Halls Graphic to announce his candidacy for floral delegate from Lauderdale and Tipton Counties in the Limited Constitutional Convention, subject to the action of the voters in the November, 1952, General Election.

CARD OF THANKS

J. C. Barnett of Route 2, Halls, has asked the Halls Graphic to express his great appreciation for the money donations which enabled the purchase of a new rocking chair for him. A paralytic, Mr. Barnett, now 36 years old, has been an invalid his entire life.

CORRECTION

In last week's story about the purchase of the C. M. Kimbrough Dry Goods Co., we should have stated that Mr. and Mrs. Oscar Hilliard had purchased the building and business instead of the Mrs. Vera Hilliard Style Shop. This error was created through a misunderstanding and we are glad to correct it.

Young Marine

(Continued from Page 1) As the minister said "Amen," Smith drew the pistol, belonging to his brother, and shot himself in the abdomen.

About 3 a. m. last Saturday Memphis police went to the house where Smith and his wife lived in Memphis and arrested Smith and turned him over to Shore Patrol officers.

As is customary in such cases where a man is AWOL and not a deserter, Navy officials said, Smith was not confined to the brig but put on an "honor system" to return to his base without guard.

Mrs. Smith said Wednesday she had not known, until her husband's arrest, that he was AWOL, and did not how long he's been AWOL since we were married.

During a conscious moment Wednesday, Smith told a Navy officer "I wanted to die yesterday, but today things look different to me." Hospital authorities hold hope for his recovery.

Commodity Loan Procedure Listed

A farmer who wants a CCC loan on commodities stored on the farm files an application at the farm PMA office. An inspector will then first visit the farm to determine if the storage facility and the commodity are in proper condition to justify the loan, and to determine the quality of the grain stored. The inspector will take a representative sample of the grain for testing. If the inspection and the tests show that the storage structure and the commodity are satisfactory, the loan contract will be completed and a chattel mortgage signed by the farmer is filed.

The actual loan is made either through private banks operating as lending agencies pursuant to agreement with CCC under the price support program or directly through the CCC. Once the loan is made, the farmer is responsible for maintaining the quality and quantity of the stored commodity. To protect the interest of both the producer and CCC, a periodic inspection is made. Inspectors check the condition of the grain and the storage structure, and they determine any indication of shortages.

If the condition of the commodity or storage structure shows damage, or threat of damage, the county committee requires the borrower to correct the condition, repay the loan, or deliver the commodity. Farm borrowers themselves are expected to report any indication that their grain is deteriorating, so that re-inspection can be made immediately.

Farm Bureau To Assist Farmers In Crop Planning

Mrs. Charles Griggs, Sec.

Farmers who have special problems in regard to field crops, dairying, livestock and the like, will have an opportunity to meet with other farmers from over Tennessee in a day-long session to discuss problems and seek solutions to these problems, come November 17. "The first full day's program at the annual Tennessee Farm Bureau Convention in Nashville is being devoted to commodity and departmental conferences," says W. C. Viar, Jr., president of Lauderdale County Farm Bureau.

Conferences will be held in the following fields: fruits and vegetables, livestock, dairying, field crops, poultry, rural electrification, cooperatives, Farm Bureau insurance services, Farm Bureau organization, Home and Community Department, and Young Farmers and Homemakers.

The annual Farm Bureau Convention starts on Sunday, November 16, and runs through Wednesday, November 19. Monday will be devoted entirely to these commodity and departmental conferences.

Farmers who are having trouble in any of the above fields will have the opportunity to air their problems and hear a discussion on the matter. These commodity groups will then recommend to the State Farm Bureau resolutions committee what they think Farm Bureau ought to do.

"These all-day conferences have long been an outstanding feature of the state convention," Mr. Viar said. "They have served a useful purpose as a sounding board for problems in every segment of rural life and agriculture."

Each conference will be attended by some specialist in each particular field. Conferences will get underway at 10 a. m. and close at 4 p. m.

Blue Cross Hospital Insurance Don't forget to enroll for this service between November 1 and November 15th. There will not be another enrollment period until May, 1953, if you miss this enrollment date.

TYPISTS BEING RECRUITED FOR WASHINGTON, D. C.

The present emergency has increased the work load of the Adjutant General's Office, Wash-

ington, D. C., to such an extent that a serious shortage of qualified clerk typists has developed in that organization. To fill vacancies which exist Mr. H. P. Hammann of the Adjutant General's Office, St. Louis, Missouri, will be at the Tennessee State Employment Service Office, Colonial Hotel Bldg, Brownsville, Tenn., on November 5th to interview and test applicants for these Federal Civil Service positions of Clerk Typist with the Department of the Army, The Adjutant General's Office, Washington, D. C.

Persons selected for these positions will receive a starting salary of \$2950 per year. Transportation is paid from St. Louis, Mo. to Washington, D. C. and housing is guaranteed.

Washington, D. C. and housing is guaranteed.

BABY TIGERS LOSE TO DYERSBURG

The Halls Baby Tigers were virtually eliminated from the Jeff Davis League championship play-off Tuesday night when they ab-

sorbed a 25 to 7 licking from the Dyersburg Freshman team. The Baby Tigers have now won three and lost two. They will play Ripley there next Tuesday night with their only possibility of a chance at the playoff being a victory over Ripley and a loss by Covington. That would throw Halls into second place.

STATION DANGER-TV

Many people have already been killed or injured due to faulty installations of TV antennas.

Remember these safety tips: keep your antenna away from electric power lines . . . have the antenna permanently grounded . . . and have lightning arresters properly installed.

Avoid Station DANGER-TV in your home. Get your TV antenna installed properly—for safety's sake.

Officer: L. R. Viar, Jr.
Judges: Van Ashford, D. W. Smith, Parnell Webb.
Registrar: Mrs. Martha W. Viar.
Clerks: Mrs. Odell Jackson, Mrs. Mildred Ashford.

FIFTEENTH DISTRICT
McBride:
Officer: Bernard Cook.
Judges: Bill Lee, James A. McMahon, Otis Moore.
Registrar: Mrs. P. N. McBride.
Clerks: Mrs. LaVance Pipkin, Mrs. Luther McBride.

SIXTEENTH DISTRICT
Nankipoo:
Officer: T. M. Belton.
Judges: C. M. Hilliard, C. E. Morris, R. E. Clements.
Registrar: Mrs. Jewell Hughes.
Clerks: Mrs. Grady Cook, Mrs. Evelyn Cates.

SEVENTEENTH DISTRICT
Gates:
Officer: Joe P. Beard.
Judges: Donald Layne, A. D. McNeill, V. A. Gilliland.
Registrar: Mrs. Joe P. Beard.
Clerks: Mrs. E. G. Parker, M'as Byrd Sloan.

NEED A WATER PUMP ?

You can't beat a Myers for quality — see the difference for yourself!

All internal parts can be removed as a complete unit without disrupting suction or discharge piping.

only one moving part

Pump impeller is balanced to hairline accuracy to assure long life and trouble-free operation.

Stainless steel pump shaft. Machined to a perfect fit—no vibration!

Easily converted to a deep well pump if water level drops. Water level can vary as much as 100 feet and you still won't have to buy a new water pump.

Quality motor. Ball bearing type with overload protection. Low power consumption. No radio interference. Quiet operation.

Compare prices too—then you be the judge. For the few extra dollars you pay for a Myers Pump you get many extra years of trouble-free service that cheaper pumps won't deliver

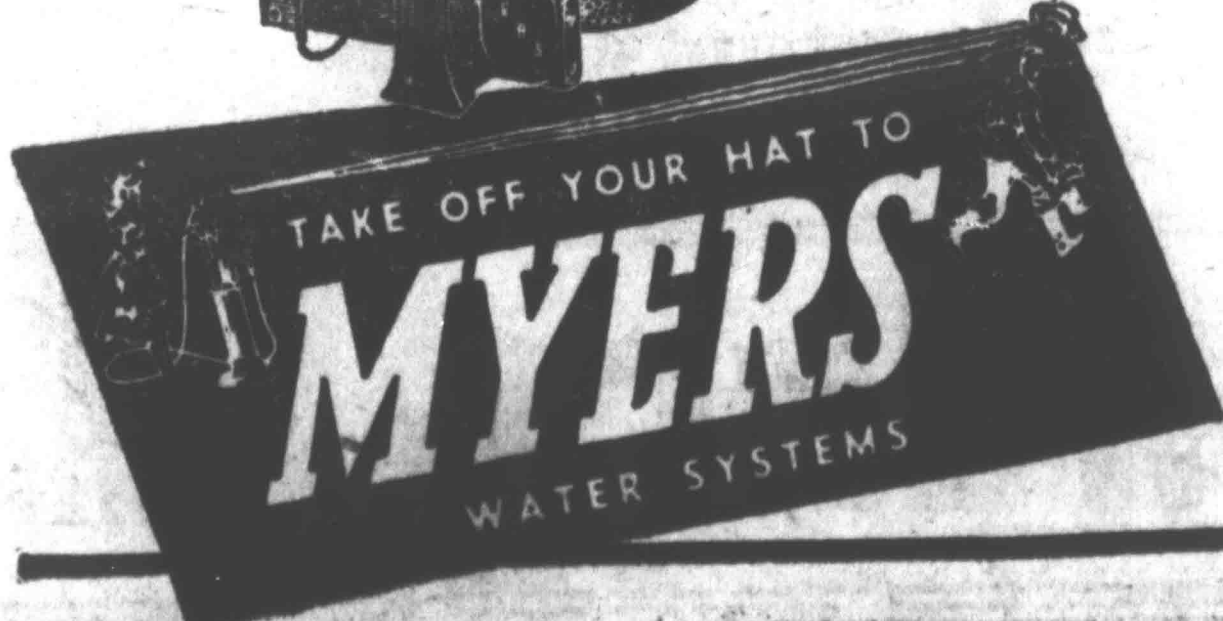

Your Myers Dealer is a Water Supply Expert

- He provides running water service 3 ways:
1. He will study your water requirements and render a FREE estimate on the cost of a Myers Water System.
 2. He provides service when you want it.
 3. He carries an adequate stock of replacement parts.

ORDER OF PUBLICATION

Mrs. W. T. Harris, Sr. a citizen and resident of Dyer County, Tennessee, C. M. Duvall, a citizen and resident of the State of Texas, and Marvin Braden, a citizen and resident of Tipton County, Tenn.

vs. Sam Oldham Duvall, and Mary A. Duvall, both non-resident of the State of Tennessee, Defendants. In The County Court At Ripley, Tennessee

In this cause it appearing to me from the bill, which is sworn to, that the defendants, Sam Oldham Duvall and Mary A. Duvall, are non-residents of the State of Tennessee so that the ordinary process of law cannot be served on either of them. It is therefore ordered by the court, that the said Sam Oldham Duvall and Mary A. Duvall appear before the Judge of the County Court for Lauderdale County, on or before the 3rd Monday in November, 1952, (It being the 17th day of November and the 15th day of said term of this court) and make defense to the bill filed herein against them, or the same will be taken as confessed as to them and each of them as true and the cause set for hearing exparte as to each or either of them.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in said county, for four consecutive weeks requiring them to appear and answer said bill.

This October 17, 1952.
N. C. UTLEY, Clerk.
W. C. RATTON, Atty. for Complainants.

Designed To 'Fit' Your Ford

Saturday, November 1, will be 27 years of my connection with the Ford dealership at Halls. During that time many changes have taken place, from the Model T Ford to the present outstanding V-8 Fords, progress in transportation has been beyond the dream of man.

Many other things have taken place. Depressions have come and gone, but the firm of Townsend - Daws Co., Inc. has continued to grow and prosper. While I retain a minor interest in the company, it was with great reluctance that I sold the controlling interest, and resigned as President and Manager on October 15th.

I wish to say that the success of the firm has been due to the cooperation of the fine people who have worked here over the years. I wish to pay tribute to them for their faith and loyalty.

I commend to our customers and friends, L. R. Viar, Jr., who takes over active management of the company.

Sincerely,
H. A. TOWNSEND

SCHOOL NEWS

(Continued from Page 1)

We welcome Eddie Ables as a new pupil.

We have been busy making our room attractive for hallowe'en.

Our room mothers and parents have been busy so come to our Third Grade Booth at the Hallowe'en Carnival Friday night. See our "Cat" with the big mouth and try out "Chicken Salad Sandwiches." We are expecting you!

Grade 4 - Ferguson

We welcome a new pupil to our

Fourth Grade Section. She is Gladys Newman.

We are glad Gerald Mapess is able to be back in school. He was injured in a car wreck last week.

We really enjoyed our vacation last Thursday and Friday. Our teacher attended the Teachers Meeting in Memphis.

Lynne Stallings visited relatives in Blytheville, Arkansas, Sunday.

Pat Younger, Cary and Elizabeth Alsbrook have brought big beautiful Hallowe'en pumpkins and Rebecca Carson brought four beautiful stalks of cotton for our room to enjoy.

We can hardly wait until Friday. We are looking forward to a big time at the Hallowe'en Festival.

Grade 4 - Gilliland

We enjoyed our long weekend while our teachers attended the West Tennessee Teacher's Meeting in Memphis.

Chuck Murchison added much to our appreciation period by bringing a collection of "Audobon Birds of America" pictures.

Kay Tillman visited the Zoo in Memphis Sunday.

Those on our sick list are: Betty Carnell, Doyle Davis and Marilyn Gibson.

We have a new student, Florence Ables, from Double Bridges. We are sorry to have Laverne Caviness leave our group—she has moved to Memphis.

Our report cards for the first six weeks were given to us Monday.

Grade 5 - Hooks & Seates

Some of us had interesting trips on Sunday. Anita Campbell went to Kentucky Lake and Bobby Lowery went to Bass Bay. Mrs. Seates went to Arkansas and Mr. Hooks went to Kentucky.

A bad accident happened this week when some people broke out a window. No one was cut by the glass but the North Wind has been blowing in.

Our room is having the "Spook House" at Hallowe'en. Be sure to visit us there and also at our "Homemade Bakery." We'll be looking for you there so don't disappoint us.

Grade 5 - Murchison

It was nice to have a long holiday while the teachers attended the Teachers Meeting in Memphis.

Dawn Robertson brought us a pumpkin Monday, which we made into a jack-o-lantern. Pam Rhodes brought a pumpkin lighted by an electric light.

In social studies we have made a covered wagon from a cardboard box and a few bits of other materials. Our rafts really look like they might have helped the pioneers cross the rivers. The camp scene made with clay depicts the pioneers making jerky and cooking an evening meal.

We are looking forward to the P. T. A. Hallowe'en Carnival Friday night.

Grade 6 - Hilliard

Happy Birthday, Mary Eleanor Karnazes. We wish you many more!

We are glad to have two new pupils, Jimmy Jones and Mary Katherine Chronister.

We would like to thank Mrs. Sumrall for the lovely flowers. It was nice of her to let us keep them during the winter.

We are glad to have Tommy Dyer back after being sick.

This week's reporters are Mary Eleanor Karnazes and Delafne Moore.

Grade 7 - Belton

Twenty-eight out of our class went to Church Sunday.

We are sorry to lose Randolph Caviness but in his place we have Anita Faye Grady from Nankipoo.

This week Donald Ray and Nelda Kay Cleek went to Dyerburg, Harry Wright went to Mayfield, Ky., Kay McGarrity, Jo Ann Hurt, Thalia Alston and Carolyn Oz-

ment went to Friendship, and Thomas Bobo went to Mississippi.

We have been making dramas portraying such things as "fear," "mistakes," "blunders," "failures" and "acceptance" in our health class.

Barbara Ellis had a birthday this week.

We are looking forward to the Hallowe'en Carnival Friday night when the witches will be flying and the spooks howling. We are looking forward to a victory over Newbern Wednesday.

Grade 8 - McCorkle

First, we wish to announce that we are going to serve a chicken salad plate at the Hallowe'en

Carnival Friday evening. Be sure to find our booth in the main hall. We will have a "grab box" and in each package there will be a big surprise. Do not fail to try your luck!

We enjoyed our holiday last Friday and we know our teachers enjoyed their meeting in Memphis.

We will be looking for you Friday evening so come "spooking around to our party!"

F. H. Paschal

(Continued from Page 1)

Go to the polls and note next

Tuesday, November 4.

Sow Spring Pastures Now

It is still not too late to sow rye or wheat to be pastured in the spring, and we will need the feed. These seeds are cheaper than hay will be in April.

It is still not too late to sow vetch in corn middles or a mixture of vetch and rye or wheat for protection against erosion in winter and to provide a green manure crop to turn under in the spring for higher yields and greater profits next year.
