

THE HALLS GRAPHIC

VOLUME 64

HALLS, TENNESSEE, FRIDAY MORNING, APRIL 4, 1958

NUMBER 14

Confidential Corner

A Dangerous Practice

A few of the parents have developed a very dangerous habit recently or at least it has become more noticeable to your editor. Parents, in carrying their children to and from school, have been driving much faster than safe especially when children are walking on the street. We have recently witnessed a couple of near misses that would make any parent very mad, and yet in both cases the drivers of the cars are parents themselves with children in the lower grades in school. Better raise that foot and slow down before some child, perhaps your own, steps in front of your car and you can't stop.

— HELP HALLS GROW —

Cleanup Campaign

One of Halls' citizens has called to the attention of Mayor Jerre Jordan and as a result to the Halls Graphic the fact that Halls may expect visitors from throughout the nation during the next six weeks, many of them here with idea of possibly locating in Halls. The coming auction sale of the Edler property and the effort to bring additional industry here is certain to bring many strangers to Halls. As a result the question has been raised if Halls doesn't want to put its best foot forward and give the best possible impression. If so then it would seem that an all-out Cleanup Campaign program both by the Town and by individual property owners is needed. Mayor Jordan called attention to conditions behind many of the business houses in town, falling down fences, delapidated barns and out-houses, etc., debris collected all over town and the general lack of neatness that occurs unless a special effort is made to prevent it. Mr. Jordan reminded that trash is being picked up this week and said that additional trips will be made over the town prior to May 14 if citizens will cooperate by gathering the trash and placing it so that it can be handled. Certainly we know that more industry is needed here and if we were considering locating in some new town the general appearance of the town would play a part in our decision. Let's start an all-out Cleanup Campaign NOW.

MORE COMMUNITY CLUB MEMBERS LISTED

The drive for members to the Halls Community Club has begun to drag. If you have not paid your dues for 1958 please help the Club by paying your dues and attending the meetings.

Members who have paid their dues but not previously reported include:

Mrs. Mary H. Nunn	1.00
Mr. and Mrs. Elton Mathis	2.00
Mr. and Mrs. H. E. Pentecost	2.00
Mr. and Mrs. Roy Brandon	2.00
Mr. and Mrs. Charles O. Vjar	2.00
Mrs. Eugene Pugh	1.00
Mr. and Mrs. Milton H. Williams	2.00
Mr. and Mrs. M. E. McDearman, Jr.	2.00
Mr. and Mrs. Curry L. Burks	2.00
Mr. and Mrs. Clyde P. Younger	2.00
Mrs. Paul E. Griffin	1.00
Mr. and Mrs. N. Hill Martin	2.00
Mr. and Mrs. Winston Daws	2.00

CORRECTION

Throughout oversight in last week's issue of the Halls Graphic the name of Wiley T. Daniels Motor Co. was not included in the list of appliances dealers in the Ripley Power & Light Co. ad. Mr. weaver, manager of Ripley Power & Light Co., wishes to apologize for this error and call your attention to the free range installation offer.

Beauty Revue Set For April 25th

Announcement has been made that the annual Halls Beauty Revue will be staged on Friday night, April 25, under the sponsorship of the Halls Civic Club. The Revue will be held in the Elementary School Auditorium.

H. E. Pentecost, president of the club, has announced that the Revue will be presented under the direction of Mrs. Neil A. Dyer with the assistance of a number of committees named by him.

The committees are: Marsball Pierce, Jr., business manager; Advertising, P. W. Crittendon; Electrician, Jasper Taylor; House manager, Hubert Jones; Decorations, Gid Milam, Mrs. F. E. Pugh and Joe McCarthy; Music and Entertainment, Mr. and Mrs. James Bringham and Mrs. Wymond Hurt.

M. T. Hansbrough will be the Master of Ceremonies for the Revue.

A large number of high school girls are expected to participate in the Revue. The girl who is selected as Miss Halls will represent Halls at the Humboldt Strawberry Festival, the Memphis Cotton Carnival and other events this spring.

Mrs. Mary G. Scott In Circuit Court Race

Mrs. Mary Griffin Scott, wife of Adam M. Scott, of Ripley, has authorized the Halls Graphic to announce that she is a candidate for the office of Circuit Court Clerk of Lauderdale County in the August elections.

Mrs. Scott is the daughter of the Dr. R. B. Griffin, longtime health officer for Lauderdale County. Recently she has been connected with the Surplus Food Commodity program in Lauderdale County aiding with the distribution of surplus foods and prior to that she had been connected with the Red Cross in Ripley for several years. She is a graduate of Ridgely High School and attended Memphis State College. Mr. and Mrs. Scott are the parents of three children.

Mrs. Scott has stated that she feels that she is qualified to fill the office she is seeking and, if elected, will to the best of her ability carry out its duties. She plans to make a vigorous campaign and seek to contact as many of the voters of the county as is possible. She earnestly requests the vote and influence of every citizen.

SALVATION ARMY TRUCK COMING

The Salvation Army Truck will be in Halls on Wednesday, April 9. Anyone having items which they wish to donate should notify Mrs. Charles Alsobrook, telephone AD 4-7031, at City Hall and the truck will call at your home.

Daughter Of Local Citizens Died Thurs.

Mrs. Emma L. McIntosh, of Belleville, Mich., daughter of Mr. and Mrs. R. T. McGarrity, Sr. of Halls, passed away March 25 at Belleville Community Hospital after a few hours illness. She was 61.

A native of Dyer County, she resided in Dyer county for much of her life.

Surviving in addition to her parents are her husband, Howard McIntosh; a son, Vernon Henry Clark, of Belleville; four brothers, Finis and Bill McGarrity, of Halls, R. T. McGarrity, Jr., of Jackson, and James McGarrity of Ripley; and a sister, Mrs. Juanita Palmer of Memphis.

Funeral services were at St. Paul Evangelical Lutheran Church at New Boston, Mich. with the Rev. Walter Gillnatt officiating. Burial was in Michigan Memorial Park.

Finis McGarrity of Halls and Mrs. Palmer went to Belleville on Thursday to attend their sister's funeral. They returned home on Sunday.

TEACHERS TO MEET NEXT SATURDAY

Jasper Taylor, president of the Lauderdale County Education Association, has announced that the April meeting of the group will be held Saturday, April 5, beginning at 10:00 a.m. in the Ripley High School Auditorium. The devotional will be given by Charles Malone, RHS student, with a program to be presented by the Ripley High School Band.

Mrs. Roy Thompson will be the speaker for the meeting.

TO VISIT PARENTS

Sammy Crieifield, who is a student at the Tennessee School for the Deaf at Knoxville, will arrive home this morning to spend the Easter holidays with his parents, Mr. and Mrs. Mark Crieifield. Another son, Mark Crieifield, Jr., who has been taking his basic training with the Air Force at Lackland Field, San Antonio, Texas, is expected to arrive home sometime during the weekend. He will have a few days at home before reporting to his new station at Chanute Field near Champaign, Illinois.

MAYOR JORDAN WARNS AGAINST CHILDREN DRIVING AUTOS

Mayor Jerre Jordan has asked the Halls Graphic to remind parents that Tennessee State Traffic Laws require that every operator of a motor vehicle must have a driver's license or permit. He stated there are numerous cases in Halls of under-age and children without licenses or permits driving cars on the streets of Halls. Mr. Jordan stated that this practice must be stopped and warns that under state traffic laws parents are responsible for their children until they reach the age of 18 and parents may be held liable for violation or accident.

Mayor Jordan stated that the State Highway Patrol should be contacted for full information about drivers license, permits, etc. A child may be licensed at age 16 by passing the state driving tests and parents signing a required responsibility statement.

YOUTH CENTER CLOSED FRIDAY NIGHT

In courtesy to the churches of Halls which are observing Holy Week announcement has been made that the Youth Center will be closed Friday night and until 9 o'clock Saturday night. The Youth Center will open at 9 Saturday night and close at the usual time.

Flood Of Post Cards Backs Dancers

Postal cards! Postal cards! One would have almost thought that the Post Office Department had staged a sale on postal cards judging from the number that have been purchased and mailed here this week.

You see, Robert Meeks, Jr. and Alice Faye Jennings are competing with a Somerville couple in a dance contest on Top-Ten Dance Party, WHBQ Television Station, Memphis, and the winners will be decided by the number of votes they receive by mail. Spearheaded by Principal James C. Peery every Halls High School student has been postal cards and Dance Party conscious for the past two weeks.

Robert and Alice, winners among Halls teen-agers when the group appeared on the TV program March 22, went to Memphis again last Saturday and danced in competition with the winning Somerville couple. Should the Halls youngsters continue to win they will compete against other schools with a number of desirable prizes including TV sets, portable and transistor radios, etc. offered as prizes.

Alice is the daughter of Mr. and Mrs. N. E. Jennings and Robert is the son of Mr. and Mrs. Robert Meeks. Alice is a senior and Robert a junior in Halls High School.

Mrs. Greaves Seeks Circuit Clerk Office

Mrs. Gifred Greaves of Henning, Rural Route, has authorized the Halls Graphic to announce her candidacy for the office of Circuit Court Clerk in the August elections.

Mrs. Greaves in making her announcement said:

"In announcing my candidacy for the office of Circuit Court Clerk, I wish to state that I expect to visit each of you personally to solicit your vote and influence.

"I have for a long time been interested in public affairs and the welfare of our county. I feel that I am qualified for this office and if you should see fit to elect me I will fulfill the duties to the best of my knowledge and ability."

HOB0 DAY PLANNED BY FUTURE HOMEMAKER GIRLS

Saturday, April 5, the Future Homemakers of America of Halls High School will be happy to help the homemakers of Halls and Gates with any of their Pre-Easter cleaning.

The girls are seeking to make money to send twelve of their members to the Convention in Nashville.

For any further information about the project contact any FHA girl or Miss Betty Griffin, Halls High Home Economics teacher.

To Discuss Means To Raise Market For Cotton

F. H. Paschal County Agent

While cotton producers over the past 12 years have sold less cotton each year, foreign cotton and synthetic fibers have shown a steady increase in sales.

This downward direction for cotton can get much worse or it can be reversed and greatly improved depending on the collective effort cotton producers, cotton ginners and others are willing to make in its behalf.

Many informed people believe that if cotton is made sufficiently competitive in price and quality and vigorously promoted, that we can be selling 20 million bales a year by 1960. What we do about cotton now can have a big effect on the economy of Lauderdale County in the next few years.

Bill Perkins, C. E. McDaniel, and Edward Perkins of the National Cotton Council will make graphic presentation of where we are, what's being done, and where we are going with cotton at a meeting to be held at the Courthouse in Ripley next Tuesday night, April 8, beginning at 7:30. Everybody interested in cotton is invited to attend.

Brucellosis Program Progressive
Sam Johnston, prominent farmer of Henning and member of Lauderdale County Court, has been assisting the state veterinarian in Brucellosis control in other counties in this area.

He states that McNairy, Harde-man, Chester, Madison, Carroll, Henry and Weakley Counties are already certified as Brucellosis free counties. Shelby, Tipton, Dyer and Obion Counties are being completed for certification; and testing of all cattle in Lauderdale will start soon.

Every person who drinks milk which is not pasteurized should (Please Turn To Page 6)

CHAMPION SPELLER IN HALLS SCHOOL

Anna Raye Hurt, daughter of Mrs. Elbert Vjar, was declared the Halls School champion speller in a contest last week and represented Halls in the county match last Thursday night. A student from Arp School won the county championship and will represent Lauderdale County in the Mid-South Spelling Bee at Memphis later this month. Anna Raye is an 8th grade student.

BOOKMOBILE SCHEDULE FOR LAUDERDALE COUNTY

The following schedule for the coming of the Regional Library Bookmobile to Lauderdale County has been announced:

Wednesday, April 9 — Halls, Flippin, Ripley, Orysa, Henning, Graves Chapel.

Thursday, April 10 — Asbury, McBrides, Cherry, Ft. Pillow, Fulton, Lightfoot, Luckett, Arp.

Friday, April 11 — Central, Edith, Nankipoo.

NEW DAUGHTER

Mr. and Mrs. Billy Vjar announce the birth of a daughter at Parkview Hospital in Dyersburg on Friday, March 28. The young lady has been named Robin. Both mother and daughter are doing nicely and are now at home.

INGROWN NAIL HURTING YOU?
Immediate Relief!

A few drops of OUTGRO® bring blessed relief from tormenting pain of ingrown nail. OUTGRO toughens the skin underneath the nail, allows the nail to be cut and thus prevents further pain and discomfort. OUTGRO is available at all drug counters.

IKE TAYLOR

Senior at Halls High School, and co-captain of the 1957 football team, was named by a vote of his teammates to receive the Most Valuable Player Award last Friday night at the HHS Athletic Banquet. The announcement was made by Coach Pete Meadows.

CARD OF THANKS

I want to thank everyone for being so good and sweet to remember me since I have been sick. You can never know how much it has meant to me. I love everyone of you and do thank you for every card and gift. May God bless each of you and I hope I may in some way be so kind to you. You have been wonderful to me.

Mrs. T. G. Avery

INTERMEDIATE G. A.'S HOLD MEETING

The Intermediate G. A.'s held their regular meeting at the Baptist Church on April 2 at 6:30.

The topic of the program was "The Life That Jane Built." After singing two songs the meeting was adjourned.

Attending were Misses Lynn Stallings, Patricia Hines, Patty Williams, Marietta Griffin, Sylvia Mathis, Rita Williams, Beverly Cannon, Mrs. Wymond Hurt and Mrs. Jesse Newton.

Reporter,
Rita Williams

MUST COMPLY WITH ALL ALLOTMENTS TO EARN SOIL BANK BENEFITS

Farmers taking part in the Soil Bank should remember that they must comply with all acreage allotments established for their

farms as well as with other program requirements in order to be eligible for Soil Bank payments. A. O. Chambers, Chairman, Lauderdale County Agricultural Stabilization and Conservation Committee, reminds growers.

The Chairman points out that compliance requirements under the Soil Bank programs are broader than under previous national farm programs. For instance, under the acreage-allotment program, a farmer who exceeds his farm allotment for a "basic" crop such as corn, cotton, wheat, peanuts and rice loses only his eligibility for the full available price support on that particular crop. If marketing quotas are also applicable to the crop, he may also be subject to a marketing quota penalty on his "excess" production.

Under both the Acreage Reserve and the Conservation Reserve programs of the Soil Bank, however, a farmer must comply with all allotments established for all basic crops grown on his farm in order to be eligible for any Soil Bank payments. If the farmer does not comply with this requirement, he would forfeit all his Soil Bank payments.

If the farmer should willingly and knowingly harvest or graze land designated for the Reserve program, he would also be subject to a further penalty of 50 percent of the payment which he would have earned for complying with the Soil Bank program.

Mrs. Wymond Hurt was in Memphis Tuesday where she accompanied Miss Mary Lee Wright to Campbell's Clinic. Miss Wright remained at the hospital for treatment.

Sunday School Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee

Lesson for Sunday, April 6

(John 20:26-29; Ephesians 1:15-23)

Easter Lesson -- "The Church's Assurance of Victory"

"Blessed are those who have not seen and yet believe." That includes you and me. The resurrection of Christ has been the faith of the church from the beginning. His victory over death convinced the disciples so that they began to say, "God has made him both Lord and Christ, this Jesus."

Thomas has been called doubter. Let's rejoice that he did doubt. In Mark he stands eighth in the list of the Twelve. In Matthew he stands seventh, before Matthew. In Acts 1:13 he is sixth. He seems to grow in importance.

When Jesus was about to return to Judea in spite of danger Thomas said, "Let us go, that we may die with him." He had little confidence in the outcome, but he had consecration. At the last supper Thomas said, "Lord we know not whither thou goest and how can we know?" which brought for the great saying, "I am the way, the truth, and the life." After the resurrection when he saw Jesus and touched His body he rose to the great confession of faith recorded in the Gospels, "My Lord and My God."

Following the resurrection they began to give Jesus new titles. One was "Our Lord Jesus Christ." They spoke of "the greatness of His power," and the "riches of His glorious inheritance." God had made Him "sit at His right hand in heavenly places." He was far above all "rule," and "authority," and "power," and "dominion," He had a "name that is

above every name". (Eph. 1:18-25).

Read again Peter's sermon at Pentecost (Acts 2). "This Jesus God raised up . . . Let all the house of Israel therefore know that God has made him both Lord and Christ, this Jesus whom you crucified." This is an announcement of an accomplished fact -- "God has made him Lord".

It was an act of God, unassisted, and without consulting man. The high regard we may have for Him does not make Him Lord. Pilate, Herod, the Roman Emperor did not make Him Lord, nor did the Jewish Sanhedrin. Peter and the disciples and the early church did not make Him Lord. God did it.

"This is God's arbitrary, unilateral, undemocratic action." God did not call a world conference to discuss the proposal of making Jesus Lord. He established no commission, appointed no fact-finding committee to report on the advisability of making Him Lord, or to devise ways and means of doing it. He did not wait for the Bureau of Scientific Research to approve the plan, nor did He ask all the university professors what they thought about it. He just made Him Lord, and then sent His messengers to announce what He had done.

Some people seem to think that God only "nominated" Him as Lord, and waits to see whether we will vote for Him or not. And so we say, "Has He your vote?" and we put the silly question, "Do you accept Christ as Lord and Saviour?" You'd better. For He is Lord. God made Him Lord. Jesus was made Lord, not because He was good, or gentle, or noble, or tolerant, or kind. He was made Lord through the power of the resurrection. If He is Lord at all He is Lord of every man, woman and child on earth. All power is given Him "in heaven and in earth." If He is not Lord in His own right and by the power of God then our votes of approval could not make Him Lord, not even if every soul "accepted" Him as Lord. You had better get

off the judgement seat as to what member that you stand before His you will do with Jesus, and re-judgement seat.

application is made while these weeds are young and tender. Weeds outgrow many of our best grasses and clovers and this 2,4-D application can be profitable. At the recommended rate, clovers will not be injured although in spots they will show some effect.

Recommended Corn Varieties

Dixie 29, Dixie 33, and Funk G-779w were the highest yielding white varieties of hybrid corn planted at six locations over the last three years at Tenn. Experiment Stations.

Dixie 22 and Funk G-711 were the highest yielding yellow corns.

Other recommended white varieties include Pfister (PAG) 631 and 636, Tenn. 501, and US523W. Other recommended yellow varieties include Funk G-710, Keystone 222, Pioneer 309A, and Tenn. 90, all of which have made excellent yields in Experiment Station plots over the last three years.

All the varieties listed above are medium or full season corns. No short season hybrids have been found to be satisfactory in yield and other desired qualities by the Experiment Station, but of those tested the following have been the best: Funk G-512W, Still 400W, Funk G-134, and Funk

G-704.

THE HALLS GRAPHIC

VOLUME 64

HALLS, TENNESSEE, FRIDAY MORNING, APRIL 11, 1958

NUMBER 15

Confidential Corner

First 16 Years Hardest?

Today, Friday, April 11, marks our sixteenth anniversary as your editor, publisher, printer, etc. for the Halls Graphic and also equals the length of ownership of any previous editor, according to our information. When we bought the Graphic from owner A. B. Witt in early April, 1942, we were in the midst of a World War and we borrowed the money needed to make the purchase. We bought the Graphic over the advice of several persons for whom we had the deepest respect and much of the time we have not regretted it even though we know that from a strictly financial standpoint we would have been much better off without it. We have made plenty of people mad for various reasons, we have taken the wrong side of various issues but we like to feel that at times we have had some part in the improvement of things in Halls. It is our fervent hope that the first sixteen years are the hardest and that we may expect to improve the standing of the newspaper in the community and better serve the town and surrounding communities.

— HELP HALLS GROW —

Winners Again

The flood of postal cards from Halls helped Alice Faye Jennings and Robert Meeks, Jr. to win in the Dance Party contest last Saturday and placed them in competition with University High School of Oxford, Miss. A second flood of post cards left Halls this week to help them win and to appear for the fourth straight week on Dance Party over TV Station WHBQ.

Durham Candidate For Representative

B. C. Durham, Jr. Ripley attorney, banker and newspaper owner, has signified to the Halls Graphic has intention to seek the Democratic nomination for Direct Representative to the State Legislature in the Democratic primary election next August 7.

Mr. Durham served as Floterial Representative from Lauderdale and Tipton Counties during the 1957 legislature.

He plans to make a formal statement following his return from a vacation early next month.

Hall Ballinger Died In Memphis Sunday

MEMPHIS — Hall Ballinger, operator of City Car Market at 642 Union and widely known and popular for many years on Memphis auto row, died at 10:25 Sunday night at Methodist Hospital where he had been a patient for two weeks. He had been ill since suffering a heart attack last summer. He was 44.

He was born in the Double Bridges community of Lauderdale County, near Halls, resided in Ripley during his early years, moving to Memphis about twenty years ago and had been in the used car business most of that time. He was a member of the Decatur Street Christian Church.

He leaves his wife; three sons, Jack, Lynn and Adam Ballinger, all of Memphis; his twin brother, Paul Ballinger of Memphis, two (Please Turn To Page 10)

YOUTH CENTER CLOSED ON FRIDAY NIGHTS

Mrs. Jerry Puckett, president of Halls Community Club, has announced that the Youth Center will be closed on Friday nights until further notice. Mrs. Puckett stated that because of school activities on several successive Friday nights and lack of interest among the younger children, the decision was made to close for the present. The Center will continue to be open on Saturday nights as usual.

Meeting Calls For 4-Laning Hwy. 51

Four candidates for Governor of the State of Tennessee, Eddie Friar, Tip Taylor, Clifford Allen, and Prentice Cooper, along with a possible candidate, Mayor Edmund Orgill of Memphis, attended a meeting at Ripley Thursday called to attempt to bring about some action concerning the rebuilding and improvement of U. S. Highway 51 and widening it to a four-lane highway. The meeting had been called by Robert Bickers, Jr., Ripley Chamber of Commerce president. All candidates present either assured their support or had previously done so. Mayor W. A. Shoaf, Jr. of Covington presided over the group which included Mayor Jerre Jordan of Halls, mayors from other towns served by Highway 51 and other interested persons.

The following resolution was adopted by the group:

WHEREAS, the traffic conditions have become intolerable and dangerous, on U. S. Highway 51 (Please Turn To Page 10)

Warns Against Saving Bond Chain Scheme

Postal authorities have warned of a savings bond chain scheme which is being conducted in this area. Postal authorities state that the scheme is in violation of postal laws and that participants can be prosecuted. Postal laws on the scheme are as follows as taken from bulletins issued by the Post Office Department:

Persons should be alerted to the fact that the endless chain scheme for obtaining money and savings bonds are being conducted throughout the country in violation of postal lottery and fraud laws.

Those who participate in such activities may be subject to criminal prosecution. It makes no difference whether the lists of participants are circulated through the mails or pass from hand to hand, as long as the money, bonds or receipts are mailed, the scheme is illegal.

Postal authorities have instructed post office employees to notify the Fraud and Malibility Divisions of the Post Office Department any available information concerning the scheme, including samples of letters and names of participants.

Utley Announces For Re-Election

County Court Clerk Newton C. Utley announced Thursday that he is a candidate for re-election to that office in the General Election set for August 7, 1958.

In making the announcement, Mr. Utley said that he will issue a formal statement at a later date.

Prest May Build Planing Mill Here

The Board of Mayor and Aldermen at their meeting Monday night voted to attempt to reach an agreement with Prest Lumber Co. for a location on the spur railroad track just south of the Custom-Craft and Viar Packing Co. property on the west side of the railroad track. The firm, which has recently leased a location from the town for a lumber yard, plans to erect a planing mill if the lease is confirmed. No lease price agreement has been reached.

The Board also voted to gravel the Ruffin Amusement Co. vacant lot just west of the theatre for a city parking lot, provided a five-year agreement can be reached with Ruffin. The sidewalk will be lowered and the lot properly fixed for a permanent parking area.

At the request of residents of the Keltner addition, east of the railroad and north of Tigrett street, the board voted to install a sewer system provided all property owners sign the agreement which calls for two-thirds of the cost to be paid by the property owners on a front foot assessment basis. This is the same agreement under which sewers have been installed all over the town. Property owners should go to the City Hall and sign the agreement said Mayor Jerre Jordan as this must be completed before work can be started.

Meeting To Discuss Drainage Problem

Congressman Robert A. Everett, Horace Stanfield and Watkins Ewell of Dyersburg met with a group of some thirty persons here Wednesday night to discuss the problem of drainage of the North and South Fork of the Forked Deer river. Proper drainage of the river has long been sought to relieve thousands of acres in Dyer and Lauderdale counties from flood damage.

The meeting, held in the Bank of Halls, attracted numerous landowners along the Forked Deer river in both counties.

The group agreed to seek drainage of the North Fork from Dyersburg to the Mississippi river and the South Fork from the South Fork river bridge across Highway 51 to where the forks join.

County Court Ups School Budget

RIPLEY — Lauderdale County Quarterly Court Monday increased the county school budget by approximately \$35,000. The budget for the 1957-58 school year was \$1,078,944 and the budget has been set at \$1,113,046. The present county tax apportionment of \$1.80 will not be affected by the increase according to information given this newspaper.

In other business the Court extended the commodity surplus distribution program through August, at a cost of up to \$800.00 monthly.

The Federal Government provides surplus foods valued at \$31,000 monthly for distribution to 2,252 needy families.

MRS. MARY G. SCOTT of Ripley, has recently announced that she is a candidate for the office of Circuit Court Clerk of Lauderdale County in the General Election on August 7, 1958.

Respected Unionville Citizen Died Tues.

Bob Jessie Gilman, landowner and church leader of the Unionville community, died Tuesday morning at his home there. He was 89.

Serivices were held at 3 Wednesday afternoon in the Mt. Vernon Baptist Church at Unionville with the Rev. Tommy Rose officiating, assisted by the Rev. E. C. Cutlipp. Burial was in Mt. Vernon cemetery with Curry Funeral Home in charge.

Born in Virginia, Mr. Gilman moved to Dyer county in 1888, settled in the Unionville community where he had long been a leader in church, community and political affairs. His wife, Mrs. Mollie Gilman, died in 1955.

He leaves his two daughters, Miss Ruth Gilman of Unionville and Mrs. C. D. Geap of Blytheville, Ark.; a son, O. B. Gilman of Memphis; two sisters, Mrs. Elma Baker of Dyersburg and Mrs. Lizzie Wagster of Unionville. Also surviving are three grandchildren and two great-grandchildren.

New Term Sought By Sheriff Norvell

Lauderdale County Sheriff Willard Norvell has authorized the Graphic to announce his candidacy for re-election in the county's general election August 7th.

"It has always been a pleasure to serve the people of this county and I hope my service has met with their approval," Mr. Norvell says. "I will really appreciate the support and influence of everyone in the August election."

Trustee Grimes Again Is Candidate

Lauderdale County Trustee Oscar Grimes has authorized the Halls Graphic to announce his candidacy for re-election in the general election next August 7th.

Mr. Grimes stated that he has appreciated the confidence that the people of the county have shown in him and that he will strive to continue to merit that confidence.

He plans to make a formal statement at a later date.

Better Cotton Yield With More Nitrogen

F. H. Paschal
County Agent

East Tennessee hog producers had an auction sale of graded hogs at Cookeville last November with highly satisfactory results.

West Tennessee hog producers are urged to bring good meat type hogs to Trenton livestock barn between 8:00 and 11:00 o'clock next Tuesday morning, April 15, where hogs will be graded and then sold beginning at 1:00 o'clock. This sale is planned as an educational project to allow farmers to get a better understanding of the grades of hogs and the price differences they may expect between the various grades.

Foundation Seed Available

Farmers interested in producing certified seed will be glad to know that foundation soybean seed of Lee, Ogden, and Dorman varieties are available and that foundation cotton seed of Cobal and Pope varieties are available. We shall be glad to provide full information on the requirements for the production of certified seed and the blanks on which they may be applied for.

Caution

Bitter weeds may not yet be coming up in pastures and 2,4-D will not be effective until they do. The application should be made while bitter weeds are young and tender, but they must be up and growing for the 2,4-D to be effective.

Nitrogen Also Prevents Blight

Many cotton growers have learned that a shortage of potash in the soil will cause cotton to show a brown coloring on the (Please Turn To Page 10)

John Putman Died At Friendship

FRIENDSHIP — John Putman, farmer and livestock raiser, died late Friday of a heart attack at a local physician's office. Mr. Putman suffered the heart attack while at his farm and was rushed to the doctor but died at he reached the office. He was 67.

Services were held at 2 Sunday afternoon at Friendship Baptist Church with the Rev. R. E. Leigh officiating. Burial was in Friendship cemetery.

Mr. Putman was born in Dyer county but had spent most of his life in Friendship. Owner of extensive land interests he retired from the insurance business several years ago to devote his time to livestock.

He was a deacon in the Friendship Baptist Church and also was a teacher of a Sunday School class. He was a stockholder in the Bank of Friendship, past president of the Crockett County Livestock Association, past president of the Crockett County Farm Bureau and former member of the Crockett County school board. At the time of his death he was president of the Feeder Calf Association and a member of the Friendship Community Club.

He leaves his wife, Mrs. Mildred Putman; a daughter, Mrs. Jewell Sumerlin of Friendship; a stepson, Durwood Buford, Trenton banker; a brother, J. L. Putman of Dyersburg; two sisters, Mrs. Jim Williamson of Maury City, and Mrs. Charley Golden of Dyersburg and three grandchildren.

the year in which you reach age 72, include what was earned after your 72nd birthday, as well as what was earned in the months before, Joe P. Tipton, manager of the Dyersburg social security office, declares.

Mr. Tipton gave the following example to illustrate this statement: "John Doe celebrated his 72nd birthday on May 31, 1957. He was working as a watchman at \$200 per month. John thought it was unnecessary to file an annual report for 1957 because he had earned only \$1000 from January 1 until his 72nd birthday on May 31. We had to ask him to file an annual report for 1957 because he had earned more than \$1200 for the calendar year 1957. Also, we had to tell John that he would have to return his social security payments for January through April — the four full months before his 72nd birthday." John's earnings of \$2400 were high enough to cause him to lose all his benefits for 1957 but since he became 72 in May, only benefits for January through April have to be repaid.

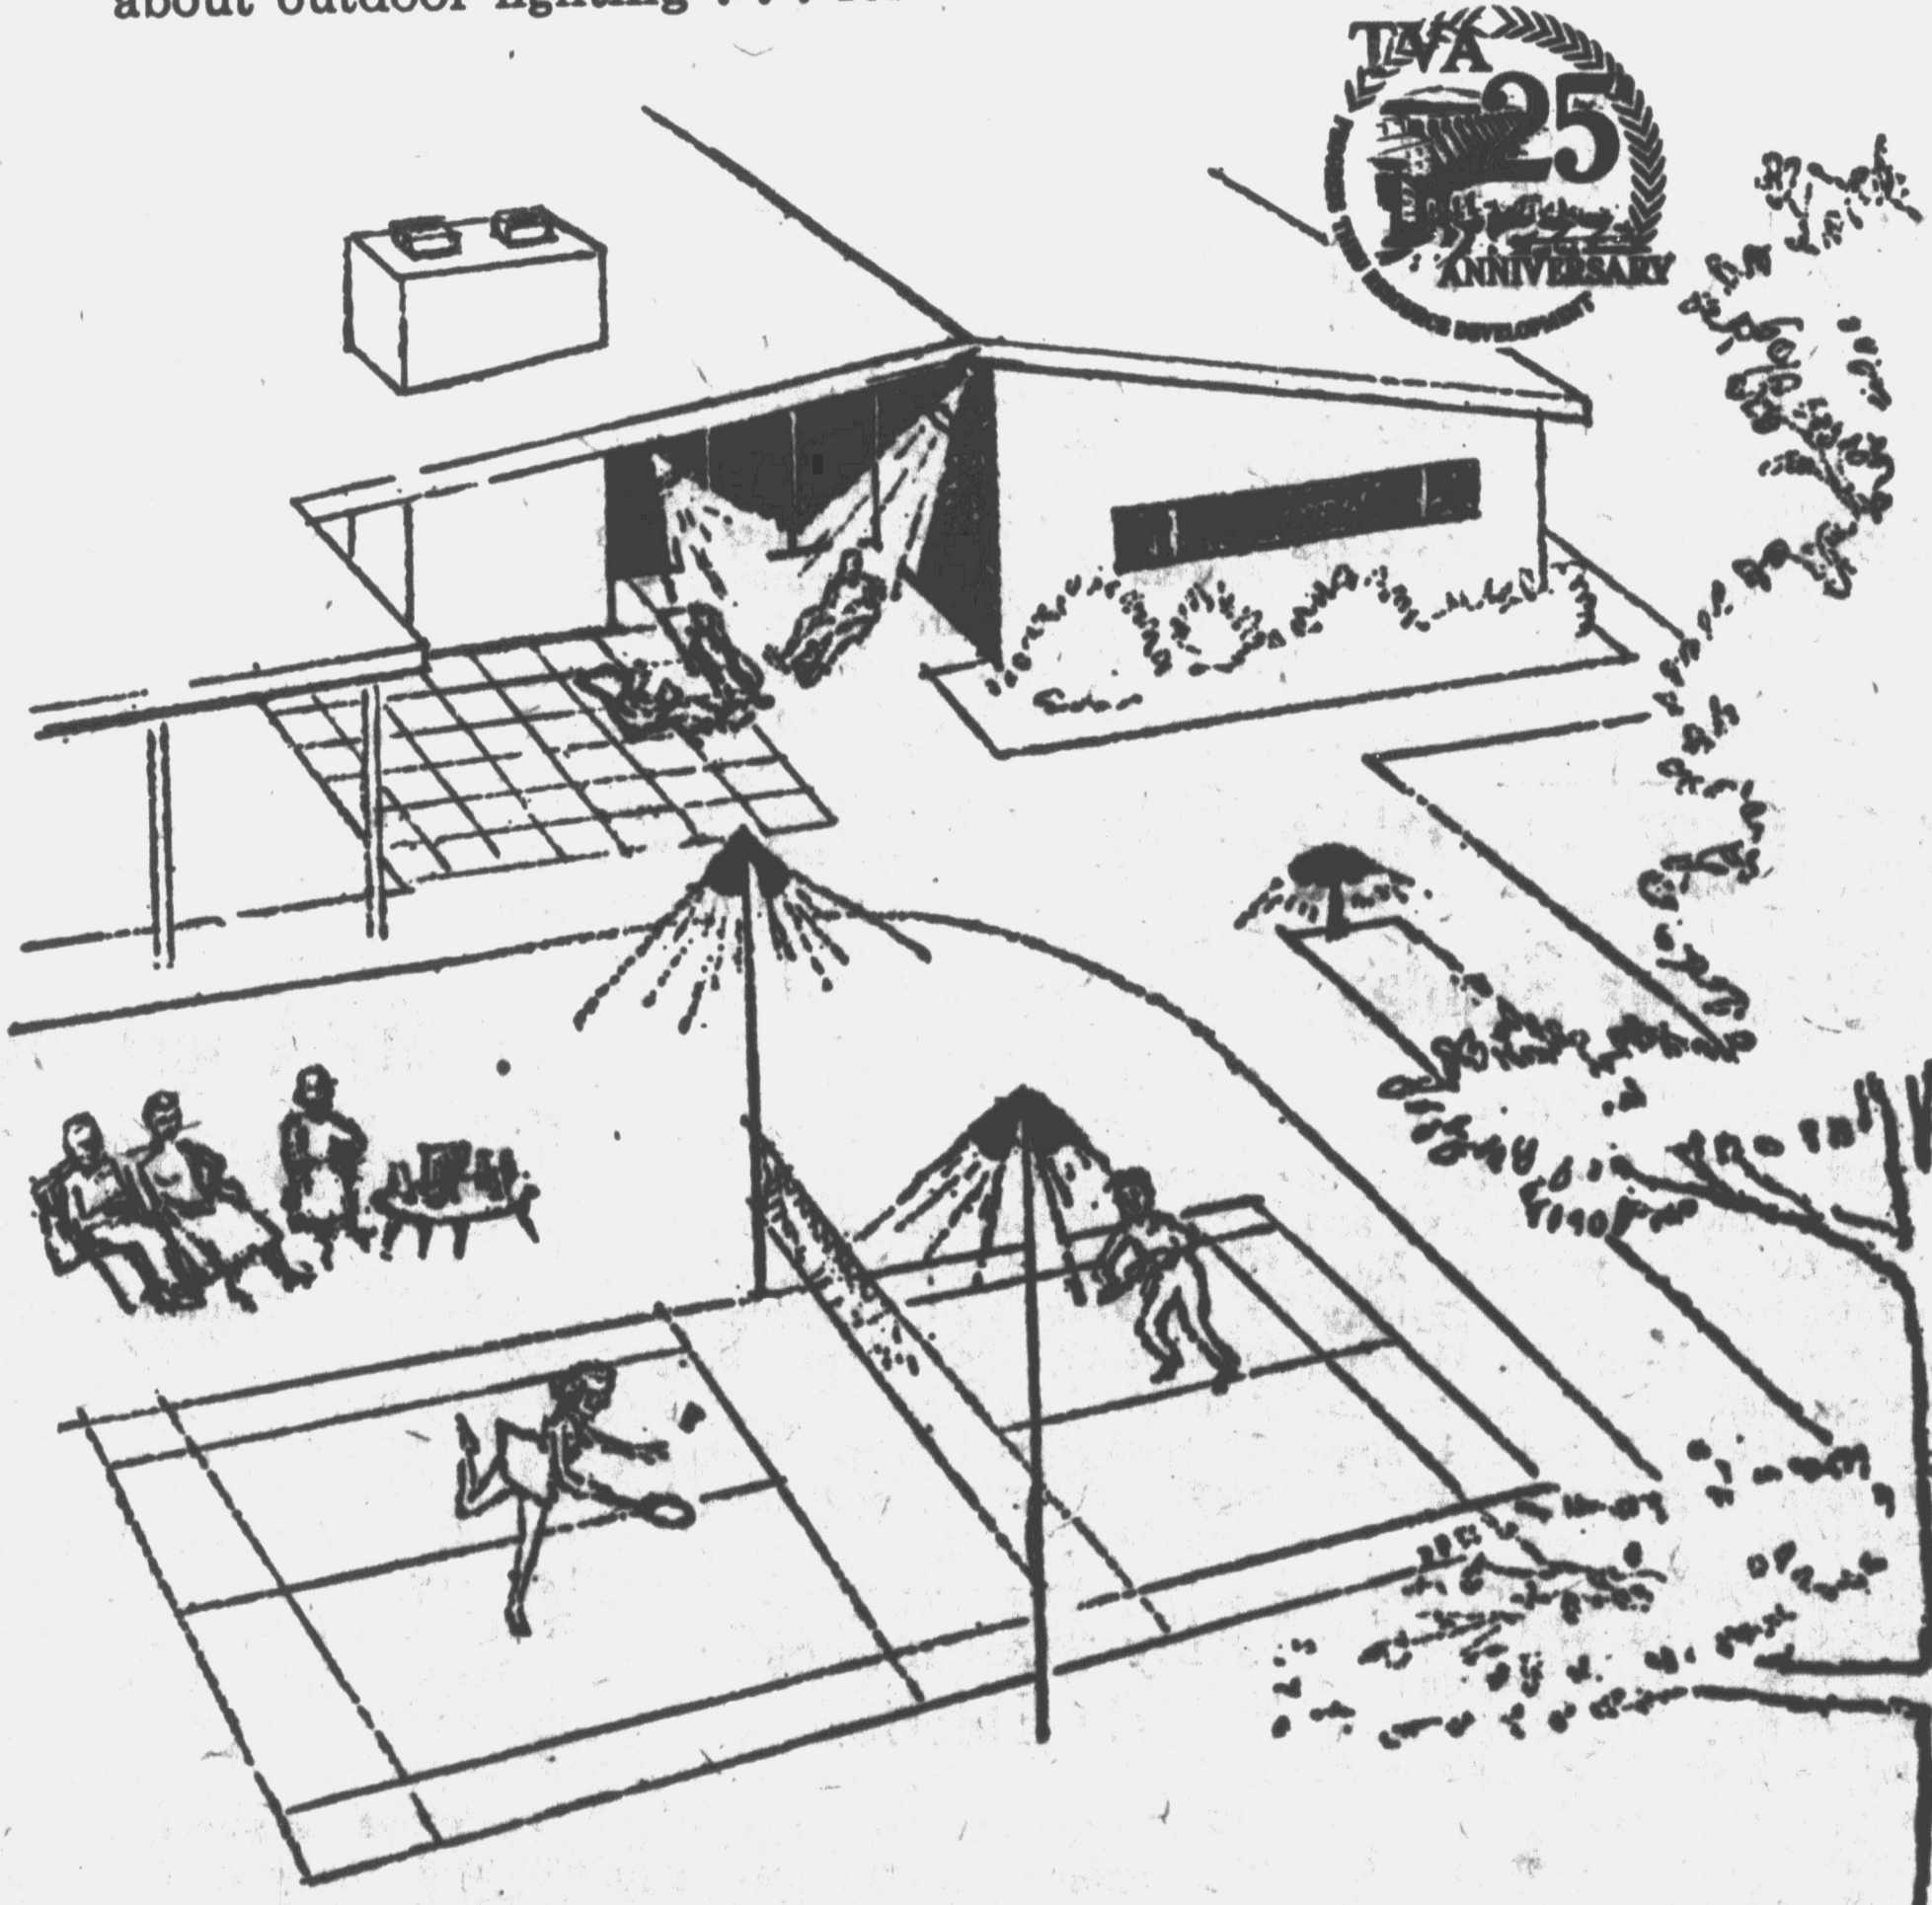

Mr. Tipton stressed the fact that all beneficiaries of old-age and survivors insurance must file an annual report if they reached age 72 after January 31, 1957, and earned over \$1200 during the calendar year.

Quick Relief of
HEADACHE

The Official Board of the Methodist Church met with Mr. and Mrs. Perry Chisholm with two visitors attending. After the meeting, a delicious salad plate and coffee were served.

Easter Egg Hunt

Mrs. Finis Hardy entertained the Kindergarden class of the Methodist Church with an Easter egg hunt with 20 present. After

the egg hunt refreshments were served.

58th Wedding Anniversary

Mr. and Mrs. W. W. Williams celebrated their fifty-eight wedding anniversary on April 4th.

Mrs. Avery Hostess To WMU

The Gates WMU met in the home of Mrs. Wilbur Avery Monday evening, April 7th, for the regular meeting. After Mrs. Oakley Pickard called the meeting to order, Mrs. Lewsi Paige led the opening prayer. Mrs. Thulin Brasfield, program chairman, presented a most enlightening program entitled "Entering Wide Doors." Mrs. Marion Cowell gave the devotional from Acts. Others assisting with the program were Mrs. Mervin Luttrell, Mrs. Floyd Beard, Mrs. Forrest Shearon, Mrs. Phil Garrett, Mrs. Arthur Bentley and Mrs. Wilbur Avery. After the program Mrs. Beard dismissed the meeting with prayer. Mrs. Avery served attractive party plates of sandwiches, potato chips, olives, cookies and drinks.

With ED JONES
Agricultural Agent, Illinois Central Railroad

Trees By The Millions

Over a million trees have been planted for farmers by the Illinois Central forestry agents in the past ten years. Over 1,000 demonstrations have been held illustrating mechanical planting. Because approximately 39 per cent of the tonnage and 19 per cent of the revenue in the mid-southern states, was derived by the Illinois Central Railroad from wood and wood products, it was decided to add forestry work to the already existing Agricultural Department in 1945. One of the biggest problems in the expansion and improvement of forestry throughout the mid-south was the re-establishment of trees on several million acres of land which at one time was in virgin timber but from which all the trees had been cut. As barren land it brings no income to the owner, wealth to the state and community, nor employment for the people of the area.

Hand planting of trees was too slow and costly. Trees therefore must be set by mechanical means. With this in mind, the Illinois Central Railroad developed in its railroad shops its own mechanical tree planter which will plant 1,000 trees per hour. This machine is now on the market and is being manufactured commercially. Many are in use throughout this country and foreign countries as well.

Illinois Central forestry agents start their tree planting demonstrations on the Gulf Coast in early December of each year, moving north with the season and winding up their demonstrations in early April in southern Illinois, Kentucky and Tennessee.

Last year 119 such demonstrations were held with over one million trees planted. During the past ten years, over 1,000 demonstrations have been held and over 10 million trees planted.

Such demonstrations have accomplished much in encouraging farmers and timber owners to expand the program. To illustrate: the Federal, state and private nurseries of the southern and southeastern states as late as 1945 produced only 25 million trees while last year 800 million were produced and planted on approximately one million acres.

For many years the timber using industries of the south and southeast have been using a greater number of trees than were grown, but now it is estimated that the south's tree production is keeping pace with the

expanding industries.

Cotton has always been called "King" in this area, but with this rapid expansion of trees and timber industries, forests of our land are destined to take over this title from cotton and become the leading industry of the south.

Trees planted now and properly managed mean security for your future.

Let us know the news. Call AD 4-7898 or AD 4-7540.

IN MEMORY OF E. G. PARKER, SR.

Whereas, on Thursday, February 27, 1958, E. G. Parker, Sr., a Magistrate who represented the 17th civil district on the County Court of Lauderdale County for many years was called to eternal rest; and,

Whereas, in his long and useful life Mr. Parker was an example of ideal Christian citizenship;

therefore, Be it resolved by the Quarterly County Court of Lauderdale County, Tennessee, that we do join in this expression of thankfulness for the life of this good man, and do hereby express our sorrow for his death.

Be it further resolved that a copy of this resolution be transmitted to the Halls Graphic and the Lauderdale County Enterprise for publication.

Adopted: April 7, 1958.
J. R. LEWIS, County Judge adv.

HUSTON McCORKLE WEDS MISS NANCY BEANE IN SATURDAY CERMONY

In a setting of green huckleberry, palms, and emerald ferns, and candlelight radiating from tall candelabra, Miss Nancy Ruth Beane and Dr. Huston Edwin Mc-

Corkle exchanged their wedding vows in a ceremony in the home of the bride's parents at Jackson, Mississippi, at five o'clock on Saturday afternoon.

The bride the daughter of Mr. and Mrs. Herman Beane of Jackson and Dr. McCorkle is the son of Mrs. Henry Grady McCorkle of Halls, Tennessee and the late Mr. McCorkle.

The Rev. Phillip Holtsford of Nashville, Tennessee officiated using the double ring ceremony. Wedding music was presented by Miss Williamac Newton, vocalist, of Laurel, Mississippi, and Mr. William Robert Tate, of Jackson, organist.

Given in marriage by her father, the bride wore a gown featuring a basque bodice of Chantilly lace which was buttoned at the back from the scalloped portrait neck line to the hip line with tiny white satin buttons. The long fitted lace sleeves tapered to a point over the wrists and buttoned to match the bodice. The full gathered skirt was made of soft nylon net with wide inserts of bands of lace matching the bodice, gracefully held in place over a Natchez hoop, and swept into a chapel train. Her finger tip veil of French illusion was attached to a pearl tiara of orange blossoms and she carried a white prayer book topped by a white orchid from which fell satin streamers into which tiny sprays of valley lillies and stephanites were caught.

Mrs. John McEachern of Florence, Alabama was her sister's only attendant. She wore a waltz length dress of yellow silk organza designed with a fitted bodice, brief sleeves, and full skirt. The small picture hat was of matching horse hair braid with scallop-

ed edges and trimmed with a matching velvet bow and short streamers. She carried a bouquet of green ivy.

Dr. McCorkle was attended by Robert Edward Knowling of Memphis, Tennessee. Donald Johnston of Brundidge, Alabama, served as usher.

For her daughter's wedding, Mrs. Beane wore a pink silk sheath dress ornamented by three rhinestone buckles on the front. Mrs. McCorkle, mother of the bridegroom, chose a blue linen and lace combination dotted with rhinestones and ornamented by a rhinestone clip at the waist. She wore a matching hat. Both wore corsages of pink rose buds.

A reception was held following the ceremony. The reception table was covered with an imported linen cut work cloth where clusters of white carnations were entwined with huckleberry and yellow candles glowed in silver candelabra. Soft organ music was played throughout the reception. Misses Peggy Pierson and Annette Johnson of Brundidge, Alabama were assisted in serving by Mrs. Clifton R. Tate of Jackson. Miss Carolyn McCorkle, sister of the bridegroom, attended at the bride's book and Miss Ruth Land of Jackson greeted the guests at the door.

For travel the bride wore a light grey eased chemise glazed cotton dress and a red and grey matching duster with stand up collar and black accessories. Her corsage was the white orchid from her bridal bouquet.

After a wedding trip through East Tennessee, the couple will live in Brevard, North Carolina until Dr. McCorkle reports for duty with the United States Air Force.

MRS. MARY CONE WEDS ERNEST GRAVES

Mrs. Mary Grady Cone and Ernest Graves of Dyersburg were married at Elon Church at Double Bridges Sunday afternoon. The Rev. Paul Burns officiated at the ceremony at two o'clock.

Floor baskets of white gladioli interspersed with emerald decorated the altar.

Mrs. James Voss, pianist, and Miss Addie Mae Ashcraft, soloist, of Memphis presented the nuptial music.

Mrs. Cone, accompanied by her son, Bobby Earl Cone, wore a navy blue suit with navy accessories. She wore a shoulder corsage.

Marcus Spiller and Marshall Jennings served as ushers.

Following a wedding trip the couple will make their home in Dyersburg.

LAUDERDALE YOUNGSTERS ATTEND 4-H CONGRESS

by Betty Aitken
Four representatives from Lauderdale County, Marion Buffalo, Larry Kistler, Betty Aitken and Ranny Carmack attended the Eleventh Annual 4-H Club Congress in Nashville March 30 through April 1st. Three days of activities included both business and recreational programs.

All of the assemblies were at the War Memorial Building where on Sunday night nominees for the candidates of the 1959 4-H Club Congress offices were presented. Previously each district of which there are five in the state selected their own nominees.

Monday morning the Boys' Public Speaking district winners' addresses were delivered and that afternoon then the members toured the Tenn. Farmers Co-op plant at Lavergne. This proved to be very interesting and educational. Tuesday morning the girls' Public Speaking winners gave their talks. Following this each 4-H member went to the polls to vote for their choice of Governor, Speaker of the House, and Speaker of the Senate. West Tennessee was fortunate enough to elect their candidates to the latter two offices.

Tuesday night the Citizenship Banquet was held in the Maxwell House ballroom where all the

Congress delegates assembled. An address by E. W. Aiton, Director of 4-H Activities in the United States, was the highlight of the program. A friendship plaque honoring an outstanding business man was awarded at this banquet along with the installation of the 1959 4-H Congress officers.

This worthwhile statewide event was sponsored by various business organizations who are interested in 4-H work. I hope that in the future some other 4-H members will work to receive this trip.

Letter From Floyd Hooks Of Interest

We have recently received the following letter from Floyd Hooks of Owensboro, Ky. Because of his many friends and well wishers here we believe the letter will be of interest.

Owensboro, Ky.
March 25, 1958

Dear Henry,

I am sure sorry that I have been so long sending this check to you. I know that my subscription has expired. I have tried and tried to find time but it seems something is always coming up.

We have just returned from the state (basketball) tournament in Lexington. We were runners-up in basketball for the state. We had a very good team. 6 ft. 8, 6 ft. 4, 6 ft. 2, 6 ft and 5 ft. 8. I do believe we could have won the state had we not run out of gas in the finals. We beat the tournament favorite Saturday afternoon in an overtime game and by Saturday night we were completely exhausted.

I sure have enjoyed the paper during basketball season and was very proud of the boys and girls. I was hoping that they would win the regional and get to the state

tournament in Nashville.

We started spring football yesterday. Had 48 out for the first drills. This is the most that we have ever had. Interest is still growing in football here. This will be the fourth season. We had a 5-5 season last year and wound up ranked 83rd in the state.

Henry, if you and your family get a chance to head in our direction we would sure be glad to see you. Thanks for everything.

Sincerely,
FLOYD

Sunday School Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee

Lesson for Sunday, April 13

(Exodus 1:7-22)

"God's People in Bondage"

It is said that the shadow of a good man reaches far and lingers long. This was true of Joseph. For two centuries the memory of

this just man lingered as a ben- evolent influence upon ancient Egypt. Finally, however, the time came when that influence was lost. A king ruled who knew not Joseph.

Our lessons this quarter could be given the general title "God in History." They tell the story of the making of a nation. Beginning with 70 descendants of Jacob, the story carries us to the establishment of the monarchy under Samuel. It covers the period from 1750 B. C. to 1025 B. C. The Bible teaches us to look upon every event as the expressed will of the Almighty God for His chosen people (Acts 7:9-22).

The inference is plain that God's hand is in all history. Many of us, too, believe that the making of America was providential.

Joseph settled his brethren in Goshen, in the general region of modern Cairo, and Genesis called it "the best of the land." It was not unusual for Egyptians to permit settlers from Palestine to come into their territory in time of stress. An ancient account tells of another settlement allowed "in order to keep them alive and to keep their cattle alive." For more than 300 years the Hebrews dwelt in Egypt in peace. Their growth in numbers had been great (Exodus 1:7). It was during the Hyksos dynasty, rulers who themselves were of Asiatic extraction. When a new dynasty arose, jealousy and fear of this "nation within a nation" caused a change of policy. So shrewdly the rulers planned to oppress and then to bring about the new nation's extinction.

Slave labor was introduced. They were made to work with "mortar and brick," building cities for the king, and in the fields ditches for irrigation. But oppression did not succeed in the long run. "The more they were

oppressed, the more they multiplied and the more they spread abroad." It is the same principle which makes historians say, "The blood of the martyrs became the seed of the church." We may live to see the resurgence of Christianity even in Russia.

Midwives were employed by the Hebrews from earliest times. If these midwives had followed the king's command to slay all male children at birth, it would have meant the extinction of that race. The midwives "feared God" and let the male children live. Then the king appealed to the whole mass of Egyptian people and sought to create racial jealousies and violence by asking that they cast all the sons of the Hebrews into the river Nile. Out of that comes the beautiful story of Moses and his sister. It was providential that he should be found by Pharaoh's daughter and he brought up in all the learning and wisdom of the Egyptians, and also to be taught Hebrew faith and law by his mother.

As related in "The Bible of History" by Werner Keller, the accuracy of our Bible record is shown through new research. Men like Robert Ingersoll wrote learn-

edly about "The Mistakes of Moses," but now precious "finds" are being made in Egyptian lore which show that it was Ingersoll who made mistakes. We read today of rivalry between Nasser and the rulers of the upper Nile. It is not the first time in recorded history that this river, which now makes possible the cotton fields of Egypt, has been a bone of contention. A prince wrote the governors of the upper Nile of the famine in Joseph's time: "My heart is heavy over the calamitous failures of the Nile floods for the past seven years. There is little fruit, vegetables are in short supply. Everybody robs his neighbor. Children weep, young folks droop. The Court is at its wit's end. The storehouses have been opened, but everything that was in them has been consumed."

We are on solid ground when we read the Bible accounts of the history of that time.

IN MEMORY OF JUDGE S. T. KIRKPATRICK

Whereas, on Tuesday, January 21, Samuel Thompson Kirkpatrick, a former County Judge of Lauderdale County and for many years Chairman of the Finance Committee of this Court, answered the summon of God, which inevitably comes to every one; and, Whereas, Throughout his long and useful life as a banker, a business man, a farmer, as a friend of his fellowman, and as a good neighbor, he was always ready to go the second mile and more to help his friends and be a useful citizen; and,

Whereas, He had an unwavering belief in humanity, an abiding faith in God, and was ever interested in the development and progress of his county, state and country; and,

Whereas, His advice and counsel will be sorely missed by his family, friends and business associates, and in his death all have suffered a great loss; therefore,

Be it resolved by the Quarterly County Court of Lauderdale County, Tennessee, That the foregoing resolution be adopted as a part of the records of this Court, and that copies thereof be transmitted to the Halls Graphic and the Lauderdale County Enterprise for publication.

Adopted: April 7, 1958.

J. R. LEWIS, County Judge adv.

Have That Dog Vaccinated

Rabies is one of the most dreadful of all diseases. Many lives have been lost due to the negligence on the part of an owner of a dog. Although concerted efforts are made continuously through organized drives to get a thorough job done, the fact remains that many dogs each year go unvaccinated. It is required that they be vaccinated by some graduate Veterinarian in order that the job is official.

We have had a state law on the statute books for several years requiring that all dogs be vaccinated, yet the law continues to go unenforced in many communities. It has been difficult on the part of the local law enforcement officers to enforce the law one hundred percent.

The importance of such a law is great enough however, that no organized effort should be necessary to get all dog owners to comply. The cost is very nominal, yet the protection is great enough that everyone should be interested enough to have their dog or dogs vaccinated.

Many times local civic organizations are looking around for some type of program to sponsor. They should not overlook the fact that persuasion and education on the part of the groups might save a life or lives of someone dear to them.

The program of getting all dogs vaccinated is under way right now and it would behoove every

good citizen to take part and set a good example for his neighbor by complying with the law. Do Your Part! Dont Delay!

Have Your Dog Vaccinated Against Rabies At An Early Date. Consult your local health department or your veterinarian for

any further information.

THE GREAT KILLER MUST BE KILLED! Cancer is one of our greatest health problems. In 1956, 4013 people died in Tennessee from cancer. Undoubtedly a greater number in 1957 died from this cause although statistics are not yet available. The rising trend indicates one out of four men and women will eventually contract cancer. Cancer, usually leukemia, (cancer of the blood stream) kills more children than any other disease.

THE AMERICAN CANCER SOCIETY'S appeal for funds to carry on this life-saving work will be made during April. The contributions of all of us will bring closer the day when THE GREAT KILLER WILL BE KILLED.

With her sweetheart away, Dot was sad all the while!

Save money—save time—call station-to-station.

You save more on Long Distance calls after 6 P.M. and all day Sunday. And remember—it's twice as fast to call o-y number.

TO THE MOON AND BACK 47 TIMES! Now that we're getting baby satellites into space, folks are really "up in the air" about space travel and trips to the moon. And the exciting thing is that it all may come true. Right now, if we could get to the moon and wished to put in telephones, we could probably get the wire to reach from earth to moon in pretty short order. In just one year the Western Electric people supplied Bell System companies with cable that contained 23 million miles of wire—enough to reach the moon and back 47 times! That's a pile of wire, but it's only a drop in the bucket compared to that we already have in service and still need to serve all the people who want new telephones every day in the year.

MELVILLE WSCS NAMES NEW OFFICERS

The Woman's Society of Chris-

tian Service of Melville Church met on Tuesday, April 8, for their regular monthly session. Mrs. Sumrow Steelman led the

devotion after which Mrs. T. O. Martin, president, took charge of the business meeting.

The following officers were re-elected:

President — Mrs. T. O. Martin
Vice-President — Mrs. Richard Lazure

Secretary - Treasurer — Mrs. William A. Hughes

Secretary of Promotion—Mrs. Walter Lazure

Secretary of Spiritual Life — Mrs. John Covington

Presenting the interesting program on "Youth Who Serve" were Mrs. Richard Lazure, Mrs. Charles Martin and Mrs. T. O. Martin.

Mrs. Richard Lazure closed the meeting with prayer.

— Reporter

The Lazures spent Sunday afternoon in Fulton, Ky. with relatives.

Sonny Wright and family spent the weekend in Memphis with relatives.

Mr. and Mrs. Raylian Kirby and children of Fowlkes and Mr. and Mrs. H. L. Kirby and family of Memphis spent Sunday with Mr. and Mrs. Leslie Kirby.

Mr. and Mrs. Cleveboy Morris and children of Memphis spent the Easter holidays here with parents, Mr. and Mrs. Clarence Cates.

Mr. and Mrs. Tom Clay of Central visited Mrs. Mandy Olds on Monday.

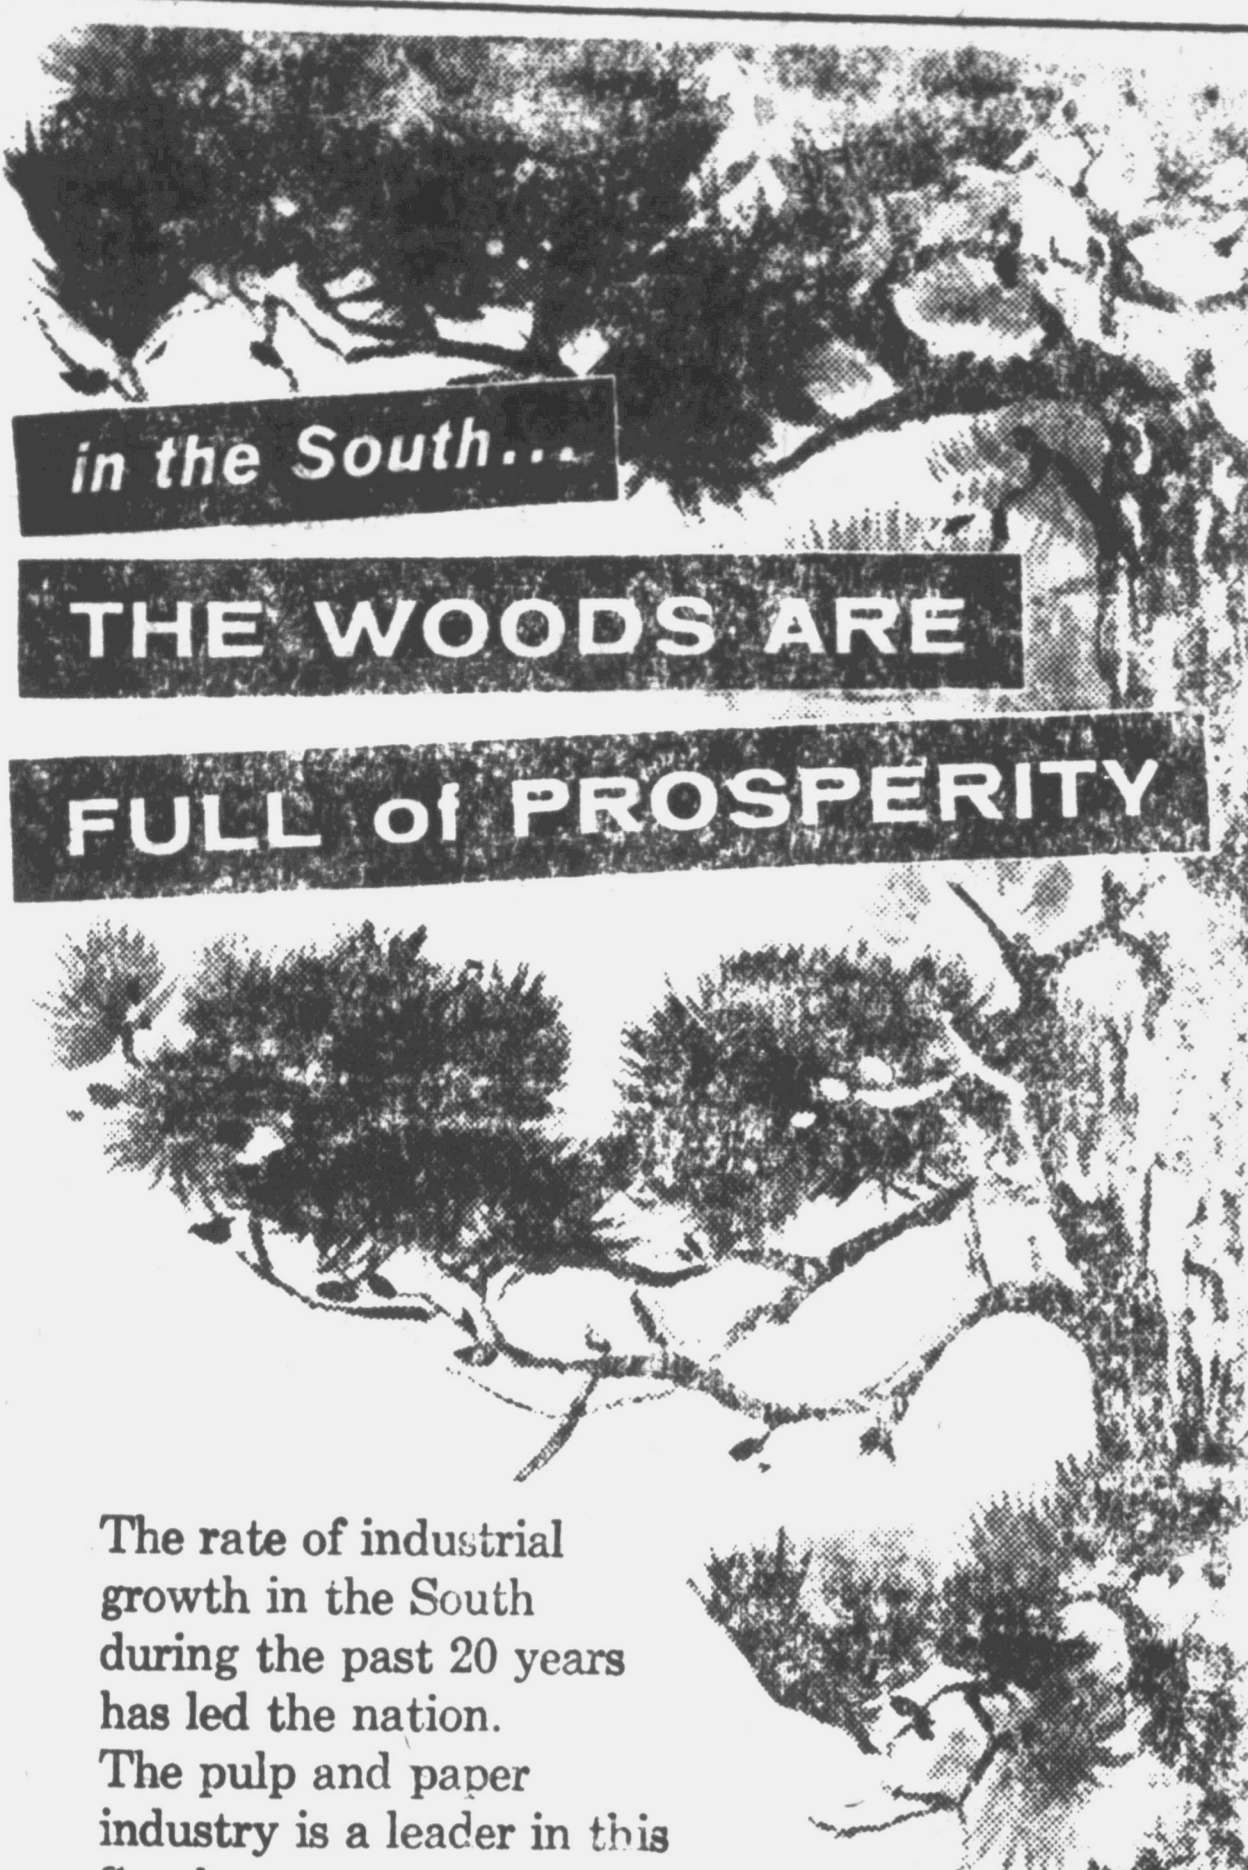

Mr. and Mrs. Kenneth Olds of Memphis spent the first of the week here with parents, Mr. and Mrs. L. E. Olds.

Miss Louise Thurmond of Halls spent Easter here with homefolks. Mr. and Mrs. Gene Olds and family of Memphis spent Sunday here with parents, Mr. and Mrs. Pat Olds.

Mr. and Mrs. Clyde Tillmain left Friday for Indiana where he has accepted a job.

in the South...

THE WOODS ARE

FULL OF PROSPERITY

The rate of industrial growth in the South during the past 20 years has led the nation. The pulp and paper industry is a leader in this Southern progress.

Sixty-three primary pulp and paper mills are located in Dixie. They employ over 77,000 persons in the woods, mills and offices. Another 81,000 harvest pulpwood.

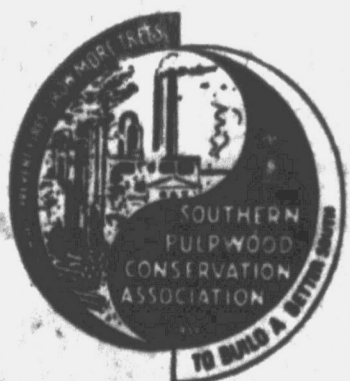

The pulp and paper industry annually contributes over one billion dollars to the South's economy at the rate of three million dollars a day. It also is giving new impetus to the region's agriculture because pulpwood has become a vitally important new cash crop to Southern farmers.

Farmers and other landowners are assured an expanding market for their trees since paper consumption is growing by leaps and bounds each year. It is predicted that 50 to 60 percent more pulpwood will be needed by 1967.

Growing trees—like growing any other crop—requires sound management. Forests that are cut properly go on producing trees generation after generation. Forests that are now non-productive can be converted into money-making areas.

PULP and PAPER DAY—April 15

Pulp and Paper Day will be celebrated throughout the South on April 15. This event will focus public attention on the economic importance to the region of the pulp and paper industry, its role in the South's modern agricultural development... and the tremendous economic opportunities more productive forests offer in the years ahead.

PTA TO MEET NEXT THURSDAY AFTERNOON

Mrs. Raybon Chambers, president, has announced that the April meeting of the Halls PTA will be held next Thursday afternoon, April 17, at 3:15 at the high school building. Guest speakers for the program will be two foreign exchange students now attending school in Dyersburg. One of the students is from Switzerland, the other from Germany.

Chief business to come before the meeting will be the election of officers for the coming year.

F. H. Paschal

(Continued from Page 1) leaves which is called "blight". It is well that we have learned that lesson, but it is just as important that we understand that a shortage of nitrogen fertilizer will also cause the cotton to "blight" but, just in a different manner.

Practically all our soils in Lauderdale County will hold enough water to produce from one to two bales of cotton if 80 lbs. of actual nitrogen per acre is applied as the cotton can make best use of it.

All the nitrogen may be put under the cotton before it is planted if it is in the form of anhydrous ammonia or ammonium nitrate, but no more than a third of the nitrogen should be put under the cotton, if it is in the form of nitrate of soda. All side dressing with nitrogen fertilizer should be done by June 10.

In order to get 80 lbs. of nitrogen per acre for cotton it is necessary to apply 100 lbs. of anhydrous ammonia, or 240 lbs. of ammonium nitrate, or 500 lbs. of nitrate of soda per acre. At present prices for these fertilizers the nitrogen in anhydrous ammonia costs less than 8c a pound, the nitrogen in ammonium nitrate costs 11.9c a pound, and the nitrogen in nitrate of soda costs 20.3c per pound.

When this 80 lbs. of nitrogen per acre gives us 700 lbs. of extra seed cotton worth at least \$75 for an outlay of \$6.00 to \$16.00 per acre, it becomes a very profitable investment which cotton farmers cannot afford to overlook.

When cotton has a shortage of nitrogen fertilizer it has a light green color, it never gets up to size, it never holds enough fruit, there is not enough cotton to pick and the ginner does not get as

much ginning to do. It is important that we keep our nerve and use plenty of nitrogen fertilizer on our cotton crop this year.

4-LANE HWY. 51

(Continued from Page 1) from Union City to Memphis, and WHEREAS, the number of cars, trucks, trailers and trailer trucks using said U. S. Highway 51 is increasing daily and is making travel on said U. S. Highway 51 very slow and dangerous, and WHEREAS, additional money has been appropriated by the Congress of the United States for the Federal Aid Road Program, and WHEREAS, the State of Tennessee has received millions of dollars for this Highway Program, and U. S. Highway 51 is in great need of repair, rebuilding, and making it an all weather road.

WHEREAS, U. S. Highway 51 is often covered by water and closed. NOW, THEREFORE, BE IT RESOLVED

By the Mayors and Presidents of the Chamber of Commerce of the Towns of Highway 51, assembled in Ripley on Thursday, April 10, 1958, that:

The State of Tennessee immediately award the necessary contracts to improve, repair and rebuild U. S. Highway 51 from Memphis to Union City into a four-lane Highway, and an all weather road.

MAYOR JORDAN WARNS AGAINST CHILDREN DRIVING AUTOS

Mayor Jerre Jordan has asked the Halls Graphic to remind parents that Tennessee State Traffic Laws require that every operator of a motor vehicle must have a driver's license or permit. He stated there are numerous cases in Halls of under-age and children without licenses or permits driving cars on the streets of Halls. Mr. Jordan stated that this practice must be stopped and warns that under state traffic laws parents are responsible for their children until they reach the age of 18 and parents may be held liable for violation or accident.

Mayor Jordan stated that the State Highway Patrol should be contacted for full information about drivers license, permits, etc. A child may be licensed at age 16 by passing the state driving tests and parents signing a required responsibility statement.

BE IT FURTHER RESOLVED that the Committee duly elected by the Mayor and Presidents of the Chamber of Commerce assembled in Ripley on Thursday, April 10th present this Resolution to Governor Frank G. Clement, and

BE IT FURTHER RESOLVED that the Committee elected at said meeting contact all parties deemed necessary in obtaining a 4-lane Highway from Memphis to Ky. Line and furnish a copy of this Resolution to all interested parties.

Renew your subscription to the Halls Graphic.

POSTON CHAIRMAN OF CROCKETT COUNTY COURT

Wayne Poston, Maury City business man, was elected chairman of the Crockett County Quarterly Court in the court's meeting at Alamo Monday. He defeated incumbent D. T. Williams, Sr. of Bells. Mr. Poston has previously served as chairman of the court. In other action the court elected J. W. McCoy, Democratic nominee for sheriff, to fill out the unexpired term of Mrs. Joe Strong who resigned recently after serving as Sheriff following the death of her husband last August.

THE HALLS GRAPHIC

VOLUME 64

HALLS, TENNESSEE, FRIDAY MORNING, APRIL 18, 1958

NUMBER 16

M. G. Pierce Died Thursday A. M.

Funeral services for Marshall G. Pierce, Sr., respected Halls citizen, will be held this (Friday) morning at 10:30 from the Sudbury Funeral Home chapel with the Rev. Jesse H. Newton, Baptist Church pastor, officiating. Burial will be in Halls Cemetery.

Mr. Pierce died at 3 o'clock Thursday morning at Parkview Hospital where he has been a patient since Wednesday. He was 78. In failing health for several years, Mr. Pierce had been seriously ill for the past month.

A native of RoEllen, Mr. Pierce was in the grocery business in Dyersburg for many years while residing in Dyersburg and after moving to Halls some 30 years ago. During World War II he was employed in the Halls Post Office for several years.

Surviving is his wife, Mrs. Cecile Jordan Pierce; a son, Marshall Pierce, Jr., both of Halls; and a brother, B. H. Pierce, of Memphis.

JUNIOR, SENIOR REVUES TO SELECT ROYALTY

The Junior Revue to select the 1958 Junior King and Queen will be presented tonight (Friday) in the Elementary School Auditorium. The complete program will be found elsewhere in this issue of the Graphic.

Next Friday night the annual Beauty Revue will select "Miss Halls of 1958". The Revue will be presented under the sponsorship of Halls Civic Club and directed by Mrs. Neil Dyer.

Halls Church To Host WSCS Meeting

Members of the Woman's Society of Christian Service of the Dyersburg District will hold their Eighteenth Annual District Meeting at First Methodist Church in Halls on Thursday, April 24.

Registration will begin at 9:15 with the Conference to open at 9:45. Theme for the day will be "This Is My Task". The principal speaker for the day will be Mrs. C. B. Johnston, of Memphis, Memphis Conference President. Miss Ruby Hudgins, West Tennessee Rural Deaconess, will give the morning meditation. Other conference officers to attend are Mrs. Hollis Reasons of Friendship, Mrs. Joe Pittman of Union City, Mrs. C. W. Dunlap of Memphis.

Reports of District Officers and local society presidents will be heard during the day. District officers for the year, 1958-59, will be elected and installed during the afternoon session. The meeting will close with a memorial service honoring those who have passed away the past year.

Mrs. G. W. Marrs, District Public Relations Chairman, urges all officers and members to attend this important meeting.

FATHER OF FORMER RESIDENT DIES

W. W. Cox, former business manager of Western State Hospital and Bolivar druggist, died at his home in Bolivar last Friday night. Mr. Cox was the father of Louise Turner Anderson, widow of the Rev. Guy Turner, former Halls Baptist Church pastor, who was killed on Attu Island while serving as a chaplain during World War II. His wife, two other daughters and a son also survive.

Warns Farmers Of Soil Bank Rules

by W. B. Hall
Chairman A. O. Chambers, of the Lauderdale County Agricultural Stabilization and Conservation Committee, today urged local farmers to be careful about their responsibilities under the Acreage Reserve of the Soil Bank during the coming crop season if they want to get the full benefit of that program.

In a planting season reminder to farmers, Mr. Chambers pointed out that the signer of an Acreage Reserve agreement has undertaken a binding commitment to hold his reserve tract out of production during the 1958 growing season.

"It will be too bad," the Chairman said, "if a farmer goes into (Please Turn To Page 4)

Red Cross Drive Reaches Goal

Hermon T. Abernathy, Fund Drive Chairman for the 1958 Red Cross Drive, this week announced that approximately \$650 has been donated and that other expected donations will push the total beyond the \$700 mark.

A partial list of donors is being published this week with additional lists to be published each week until all donors are listed:

VERNON MCBRIDE, JR.

Vernon McBride In County Clerk Race

Vernon McBride, Jr. has authorized the Graphic to announce that he is a candidate for the office of County Court Clerk of Lauderdale County in the General Election on August 7.

Mr. McBride is married to the former Linnie Hurt, daughter of Mr. and Mrs. Joe Hurt of Halls, and they are the parents of two children. He and Mrs. McBride reside in the Asbury community, southeast of Ripley, where he is a Trustee and Chairman of the Finance Committee of Asbury Methodist Church. Mr. McBride is a director of the Lauderdale County Farm Bureau and he and Mrs. McBride are Counciioners for the Methodist Youth Fellowship.

In announcing that he is a candidate, Mr. McBride said: "After long consideration, I have decided to become a candidate for County Court Clerk. I feel that I can give the people of Lauderdale County the service they expect and deserve from this office. I plan to see all the voters in this county before election day. I will appreciate the support and influence of every individual."

C. Lyle Durham Will Seek Second Term

Lauderdale County Registrar C. Lyle Durham Thursday announced his candidacy for reelection. His name will appear on the ballot in the voting August 7th.

Buford Lawson Seeks Circuit Clerk Office

Buford Lawson, Woodville merchant, has authorized the Graphic to announce that he is a candidate for Circuit Court Clerk of Lauderdale County in the General Election on August 7, 1958.

Mr. Lawson has resided in Lauderdale County for the past 12 years, operating a grocery store in the Woodville community during most of that time.

In making the announcement of his candidacy, Mr. Lawson stated that he intends to contact every voter and that he will greatly appreciate the support and influence of every citizen.

VISIT GRANDPARENTS

Mr. and Mrs. Robert Young and little daughter, Gwenda Renee, of Memphis visited their grandparents, Mr. and Mrs. Doyle Hawkins, Sunday.

Soil Bank To Get 3,000 Acres

F. H. Paschal
County Agent

Reid Dunavant, chairman, and F. L. Thompson, Joe Beard, W. C. Viar and Lynwood Grammer, other supervisors of the Soil Conservation District, met last week and made formal application for a watershed development project to include all the land which drains into Cane Creek. They requested the state Soil Conservation Committee to send a man to the county right away to give us full information on the workings of a watershed district so that landowners can begin making plans for the development of this watershed area.

The Federal government has money available for assistance on such projects and Congress seems disposed at this time to encourage all type of public work programs; so the supervisors think this might be a good time to apply for Federal assistance and get something started in this area which will greatly increase the value of the land.

Eula Jones Died Saturday After Long Illness

MEMPHIS — Eula B. (Deacon) Jones, widely-known former U. S. deputy marshal, a position he held 20 years before his retirement Jan. 1, 1957, died at his home at 129 S. Holmes at 2:20 Saturday morning after about a year's illness. He was 71.

Born at Friendship, Mr. Jones was the son of the late Mr. and Mrs. A. N. Jones of Halls and resided here prior to moving to Memphis in the early 1920's.

Mr. Jones led a colorful and exciting life during his career with the marshal's office and many interesting stories are told about him. Associates say he was a "lot of fun" but was "deadly serious" as a marshal, and was known for his courage and ability.

The last few years before his retirement, he spent most of his time helping out around Judge Boyd's courtroom and became a familiar figure there. At the time that he retired he was an honor guest at a luncheon at Hotel King Cotton attended by top legal figures of the area.

Mr. Jones moved to Memphis about 1921 and was with the city for a time before going into the marshal's office.

He leaves his wife, Mrs. Blanche Jones of Memphis; two sisters, Mrs. H. L. Beach of Rutherford and Miss Reba Jones of Halls; and a brother, LaVerne Jones of Perry, Okla.

Funeral services were in Memphis Sunday afternoon with Cosmopolitan Funeral Home in charge. Burial was in Memphis.

RIPLEY HIGH BAND TO PRESENT CONCERT

Sponsored by the Junior Class of Halls High School, the Ripley High School Band will present a concert at the Halls High School Gymnasium next Tuesday night, beginning at 8 o'clock. Admission price will be 25c to all. Under the direction of Mrs. Bill Dickinson, the 70-piece band will present well known band numbers interspersed with several Rock 'N Roll numbers.

Setting the style trend

There's a lot of Thunderbird in every Ford Station Wagon. All six Ford wagons have Thunderbird-inspired style. You'll see it in the trim, sculptured lines and in the impressive front and rear treatment. It's style that sets the style.

Reversing the price trend

Ford made price news everywhere by being the only car in its field to reduce prices in '58. While prices of other cars went UP, Ford made big news by actually pricing some '58 models below comparable '57 models. What's more, Ford Station Wagons are the lowest priced of the low-price three.*

With the world's newest V-8, Ford makes engine news, too, with a great new V-8, brim full of Thunderbird power, yet surprisingly economical to operate. Precision Fuel Induction gives you more power on less gas by delivering the fuel-air mixture directly to the cylinders through eight expressways. Result . . . you GO better, for less.

With Cruise-O-Matic, 58's answer to the chauffeur shortage. It's the newest, most versatile automatic transmission yet. It's like having a built-in chauffeur to shift gears for you. Try it today!

*Based on comparison of manufacturers' suggested retail delivered prices

CANE CREEK WATERSHED

by Earl R. West

A number of landowners in the Cane Creek watershed have shown an interest in organizing a watershed project. There are a number of steps to be taken in organizing a project.

First of all the local people must recognize that they have a water-management problem and that they can solve it only by working together. They must be willing to spend time and money toward solving the problem.

A local organization, which may

be a soil conservation district, prepares the application. The application includes the size and location of the watershed, description of the problem, extent of damages, details about the work needed and information about the organization and source of funds. The Lauderdale County Soil Conservation District Board of Supervisors are working on the application for Cane Creek.

When the application is completed it will be sent to the state watershed committee and if the application is approved a field examination will be made. Techni-

cal specialists from the Soil Conservation Service, Forest Service, and other agencies will examine the watershed.

If the state watershed committee disapproves the application, the local organization is notified. If it approves, the State Agency notifies Mr. J. R. Sasser, State Conservationist of the Soil Conservation Service who recommends priorities for planning within the State.

The State Conservationist sends the application to Washington for review by the Soil Conservation Service Administrator. After the application has been reviewed the State Conservationist informs the local organization when the watershed is authorized for planning help.

The Soil Conservation Service and Forest Service will make a preliminary survey of the watershed and review the survey with the local organization. The items mentioned in the application are specifically considered. The local organization decides whether to proceed with the work plan.

This is only seven of the twenty-one steps taken in working out a watershed project. The remaining steps will be discussed when the Cane Creek application is approved.

Agricultural Agent, Illinois Central Railroad

WEATHER CONDITIONS

There is nothing that can discourage a farmer more than continued disagreeable and unsatisfactory weather conditions. In fact farmers, no doubt, pay more attention to the weather forecasts than any other group. They are dependent upon good and favorable weather for a successful farm program. We have surely had our share of weather that is not suitable for farming up to within the past week. There have been only a few real pleasant working days.

It is time that we are getting some breaks and no doubt we are. Last Saturday it was real pleasant and we saw many tractors in the fields cutting last year's stalks, disking and turning the soil. Some were working the land too wet but they just couldn't resist. There is lots of moisture in the soil at present and in many fields it will be late before any work can be done. No doubt many of you will have to change your plans about planting certain fields and make some last minute changes of your former plans. This will be a very wise thing to do however, even though you might be put to some extra trouble by making the changes.

It is still not too late to do many of the recommended spring practices. Top dressing pastures, grain, etc. with fertilizer can still do though not as effectively as if it could have been done earlier. You can also still use weed killers in the permanent pasture fields to kill dock, bitterweed, and other undesirable weeds. Johnson grass can also be attacked by the same methods. Just don't keep on putting off these needed jobs to be done.

The cost price squeeze is on farmers again this year, so be sure and use some sane judgment in making all decisions about what is to be done in 1958.

Tennessee Topics

For a pleasant Sunday afternoon drive in Lauderdale County, get on Highway 51 and go "Down the Halls, through the Gates, around the Curve, and Flippin into Ripley." These are all Lauderdale towns, and Ripley, the county seat, boasts one of the state's most unusually worded municipal charters.

In Ripley's 1901 charter, a line of the corporate limits was described: "... thence north 85 degrees, east to a blackgum marked with a cross and with mistletoe at the top; and with a bluebird sitting on a limb which is a short distance from Ed Johnson's horse lot . . ."

Just as a Sunday afternoon drive is a part of the way of life of modern Tennesseans, so is beer, the light, bright beverage of moderation. To modern Tennesseans, it's as much a part of home-life as a cup of coffee. At home or dining out its good taste is always in good taste.

Beer belongs... Enjoy it

Tennessee Division UNITED STATES BREWERS FOUNDATION INC.

Third National Bank Bldg., Nashville, Tenn.

MR. AND MRS. MARK CRIHFELD, JR.

JANE CHESHIER WEDS MARK CRIHFELD, JR.

In a ceremony at two o'clock Sunday, April 13, at the Halls Methodist Church, Miss Eura Jane Cheshier became the bride of A 3-c Marquis Leslie Crihfield, Jr.

She is the daughter of Mr. and Mrs. J. H. Cheshier and parents of the bridegroom are Mr. and Mrs. M. L. Cihfield, Sr., all of Halls.

Vows were pledged before the altar decorated with baskets of spirea. The Rev. J. K. Stuart, pastor of the church, officiated.

Wedding music was presented by Mrs. Robert O. Henderson, sister of the bride. She played "Oh, Promise Me" and the traditional wedding marches.

Given in marriage by her father, the bride wore an imported Irish linen sheath. Her linen hat was trimmed in satin. She carried a white Bible topped with a lavender orchid.

Miss JoAnn Hurt served as maid of honor. She wore a navy blue shantung dress with white collar. Her accessories were white. William Lynn Crihfield served Mr. Crihfield as best man.

After a trip to East Tennessee Mrs. Crihfield will return to complete her senior year at Halls High School and Mr. Crihfield will report to Chanute Air Force Base at Rantoul, Ill. Mrs. Crihfield will join him there after graduation.

Mrs. Warren Tanner was in Memphis for a checkup Monday. Friday night.

PERSONALS

Rev. and Mrs. W. F. Carlton of Martin and Mr. and Mrs. W. L. Reynolds visited Mr. and Mrs. J. R. Dailey Tuesday.

Mr. and Mrs. Jack Stalcup of Chestnut Bluff visited Mr. and Mrs. T. S. Espey Wednesday.

N. C. Utley of Ripley visited his sister, Miss Sadie Utley, Sunday.

Mr. and Mrs. Gus Hoppers of Ripley and Mrs. Dave Arnold and son, Wayne, of Memphis visited Mr. and Mrs. O. F. Hoppers Saturday night.

Mrs. Sadie Hilliard and Mrs. R. S. Bell spent Friday with Mr. and Mrs. Vernon Reynolds at Alamo.

Mrs. Joe Burks and daughter, Mrs. Robert Hawks, and children of Dyersburg spent Sunday with Mr. and Mrs. A. P. Burks.

Miss Linda and Susan Grady spent the weekend in Memphis with Mr. and Mrs. Taylor Grady.

Mrs. Jim White, Mrs. Will Higdon, Mrs. Frank Baldrige and daughter, Amy, were in Memphis Monday.

Hear the Ripley High School Band Concert at Halls High Gymnasium next Tuesday night, April 22, at 8 o'clock. Admission 25c. Presented under the sponsorship of the HHS Junior Class.

Mr. and Mrs. Odell Fewell and son, Mike, of Friendship and Mr. and Mrs. N. E. Jennings spent Sunday with their sister, Mrs. Irma Cole.

Ed Langham of Mayfield, Ky., had supper with Mrs. Irma Cole Friday night.

Mr. and Mrs. Buford Cherry, Jr. were in Memphis Tuesday. Their little son, Randy, spent the day with his grandparents in Dyersburg.

Mrs. Edwin Hopkins spent the first of the week in Memphis.

Mr. and Mrs. Aulzie Gean visited Mr. and Mrs. A. P. Burks Sunday afternoon.

Major and Mrs. George Smerchek of Little Rock, Ark. spent the weekend with Mrs. Smerchek's mother, Mrs. Floyd Hurt.

Mr. and Mrs. Charles Richardson of Memphis spent the weekend with relatives.

Mr. and Mrs. Bill McGarrity and Douglas visited Mrs. McGarrity's sisters at Friendship Sunday.

Mrs. Jim Harris of Alamo is visiting her parents, Mr. and Mrs. Doyle Hawkins.

HOME EC GIRLS SELL TICKETS TO THEATRE

As a project to raise funds the Home Economics girls of Halls High School are selling tickets for the showing of "The Girl Most Likely" at Halls Theatre on Thursday and Friday nights of this week. Purchase of a ticket means that you will see an amusing show and help the HHS Home

Ec Department. Just contact one of the members of the class.

AMATEUR NIGHT IS PLANNED

Announcement is made of plans for an Amateur Night Program to be presented on the evening of May 2 at 7:30 at Halls Elementary School with participants from Grades 1 thru 8 of the Halls School. The three top winners from the Halls Amateur Night will represent the school at the county contest in Ripley on May 9.

Soil Bank

(Continued from Page 1) the Acreage Reserve conscientiously and means to comply, but fails to keep informed about requirements and deadlines and loses his payments through carelessness.

With regard to the Acreage Reserve tract (land on the farm diverted from allotment crops to the Reserve), Mr. Chambers cited three main requirements as follows:

(1) PLANTING. No crop may be planted on the Acreage Reserve before January 1, 1959, except that with the approval of the State ASC Committee certain crops may be planted in the fall of 1958 for harvest in 1959 or later, where that is the normal practice.

(2) GRAZING. The Acreage Reserve may not be grazed before January 1, 1959. Leasing of the land to others for grazing purposes is prohibited.

Sunday School Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee

Lesson for Sunday, April 20, 1958

(Exodus 33:1-7, 10-15)

"God Prepares A Leader"

In all the story of mankind no other man has so influenced history as has Moses. He excels in three of the greatest spheres of human interest — religion, social justice, and jurisprudence or statesmanship. He taught men the high art of worship, a true understanding of Divinity. A great leader of men, he delivered a nation from slavery and gave it freedom. His code of laws became the example of our more just law of modern times, for he taught that there is an authority in the universe upholding justice and the rights of all men. According to his high precepts, no man has the right to lay the lash upon the back of another man.

Our lesson is entitled "God Prepare a Leader". To everyone versed in history that is not a new thought. Over and over we read that when a new crisis in history arrives God has His man ready for leadership.

This lesson shows us how the leader himself was prepared. It began at his birth. Even before his birth he was condemned to die, but a shrewd and resourceful mother saved his life by floating him on a raft among the bulrushes. It was not by CHANCE alone that the daughter of Pharaoh found him. Because if this adoption into the royal family, the fascinating story uncovers the years in which he was brought up in the king's palace as a prince of Egypt, his study for the Egyptian priesthood, his brilliant lead-

ership in military campaigns (according to Josephus), his mastery of all the learning and arts of the most civilized nation on earth, his study, luxury, royal privileges, and power and honor.

In his slaying of the taskmaster, the principal thing was not that Moses was a murderer, but that his soul was already being moved by compassion for the oppressed. This act led to 40 years of training in exile, in a desert land through which he was destined to lead two million ex-slaves, a people without a country. It now appeared that this young nobleman would live out his days in the desert, forgotten and unknown, as a herder of sheep. God had other plans. Moses had plenty of time to think, and his mind must have run to the important questions of the meaning of life, the needs of mankind, the will and purpose of God for all peoples.

In beautiful simplicity Moses himself has told the story of his birth and youth in six verses. We can well imagine the influence of his mother in forming his religious convictions. Because of his exposure to the royal influences and the Egyptian studies, she was all the more ardent in teaching him of his ancestors and their ideas of their covenant with God.

Because of his mother's teaching, Moses understood when at the burning bush he heard a voice, "I am the God of your father, the God of Abraham, the God of Isaac, the God of Jacob." And hid his face, "For he was afraid to look at God."

Eighty years, 40 in Egypt and 40 in the wilderness, went into the training of this man for his lifework of 40 years. It seemed a hopeless task to which he was called. The liberation of the slaves must be achieved, and then the still greater task of leading these superstitious, sensual, idolatrous, degraded ex-slaves. Food and shelter and clothing must be provided, as well as the more intricate business of teaching them the forces and ideals that can make a people great. It is both a sublime and a very human narrative. His greatest leadership is in the way he took this people of strong loves, hates and prejudices and gave them the nobility which the Lord God expected His people to have.

MORE FACTS ABOUT SOCIAL SECURITY

Are you losing your social security protection by failing to file an application for a disability freeze. It isn't too late according

to Joe P. Tipton, District Manager of the Dyersburg Social Security Office, if you act before July 1, 1958.

Severely disabled persons, who have been unable to work for a prolonged period, risk losing their future rights to disability benefits at 50, old-age benefits, and benefits for their survivors. By filing promptly, Mr. Tipton said, their social security records may be rozen as of the date they became unable to work. This will protect their rights to future payments and the amounts payable.

To qualify for this "freeze" a person must have worked under social security at least 5 years out of the 10 preceding his disability including at least one and a half years out of the 3-year per-

iod before his disability began. Also, it must be established by medical evidence that his condition is so severe it prevents him from substantial gainful employment or self-employment and that it is expected to continue for an indefinite period. The disability may be of any nature but must have existed for six months or more.

If you are disabled, protect yourself and your family by immediately getting in touch with your social security office at Dyersburg. A free pamphlet, OASDI 29, is available which explains the disability provisions in the social security law.

Killed in Car Wreck Tuesday Night

Mrs. Jeanette Carmack Harvey, former resident of Halls, was killed about 6:45 Tuesday night when her car plunged over a steep embankment near Brownsville. She was 38.

Mrs. Harvey was returning to her home in the Durhamville community from Brownsville where she was employed in a beauty shop. She was alone at the time of the accident.

Mrs. Harvey leaves her husband and three children, all of the Durhamville community; her mother, Mrs. Dora Carmack, of Dyersburg; three brothers, W. T. Carmack of Halls and John and Edward Carmack, both of Dyersburg; and two sisters, Mrs. Waymon Burks and Mrs. James O'hausen, both of Dyersburg.

Funeral services were at 3 Wednesday afternoon at Brownsville Funeral Home with burial at St. Paul's Cemetery at Durhamville.

F. H. Paschal

(Continued from Page 1)

Manager of ASC, reports that more than 2,000 acres of cotton were put in the Soil Bank during the sign-up period which ended April 12. Additional persons will have opportunity to put more acres in the Soil Bank by April 18, provided they can satisfy the County Committee that they made some positive effort before March 7 to get on the register and also provided the money is available.

These figures indicate that we will grow approximately 29,000 acres of cotton in the county this year, which will be about 3,000 less than we had last year, but our producers will receive about a half million dollars in Soil Bank payments; so our economy should not be adversely affected to any great extent and if we fertilize the cotton we plant with 80 lbs. of actual nitrogen per acre and otherwise do a good job of producing and harvesting it and if the weather is favorable to the making of a good crop.

Machinery Renting Popular
Our late season for preparing land for cotton, corn, and other crops may cause many farmers to want to rent tractors and equipment in order to prepare land in the shortest possible time this season. Machinery renting is becoming more common between farmers in recent years in many parts of the country and it seems to be a good idea.

Machinery is now too expensive to lend on the same basis farmers have always loaned equipment to each other. It is more practical to rent it and even rent it with an experienced operator included. The renter will get better service from the machine and will feel freer to get the machinery again.

A new easy way to figure rental rates has been developed which

appear to be profitable to all makes it possible for all the ma- chinery in a farming community concerned. Briefly, here are the rates; 1 percent of the machine's to be used in a more profitable sale price for a 10-hour day; 5 percent of the sale price for a week; or 15 percent for a month. If an operator goes with the machine, his full wages are paid, including the time needed to service the machine in preparation for its operation.

Some machinery dealers are keeping several rental machines available to their customers who do not fuss if they are not the very newest models. The plan

MISS GRIFFIN HOSTESS TO GIRLS' AUXILIARY

The Intermediate GA's met at the home of Miss Marietta Griffin on April 16 at 6:30.

The topic of the program was "Look at a Life." Miss Griffin served refreshments at the close of the meeting. Ten were present including Misses Patricia Baker, Beverly Cannon, Patricia Hines, Sylvia Mathis, Rita Williams, Lynn Stallings, Marietta Griffin, Patty Williams, Mrs. Wymond Hurt and Mrs. Jesse Newton.

—Rita Williams, Reporter

Confidential Corner

Junior Revue Pictures

Buddy has asked us to express his appreciation to those who have ordered pictures of the Junior King and Queen and their Attendants and to inform the public that pictures may be secured, on order, if they are desired. Extra prints can be made available of any picture or pictures which he has taken or will take in the future. While in no sense trying to make a business of it, Buddy enjoys his work with pictures and is happy to accommodate persons desiring pictures if a time can be worked out that will not interfere with his schoolwork or work at the Graphic office. Incidentally, his camera will be flashing tonight at the high school beauty revue.

Happy Parents—A Son

L. R. Viar has been claiming for some time that he is going to have his own golf caddy a few years from now and apparently he meant what he said because Mr. and Mrs. Viar are happy to announce the birth of a son, Lonnie Viar, III, at 9:45 yesterday morning at Lauderdale County Hospital. Although weighing in at only four pounds and two ounces the father says that he makes up in lung power what he lacks in weight. Both Mary Walker and new son are doing nicely. They are the parents of three other children, all daughters. We called L. R. at noon Thursday to see if he had any statement to make to the press but got a "no comment" retort.

Carnival Good Will Tour Here Monday

The Memphis Cotton Carnival Good Will Tour will reach Halls next Monday morning, April 28, at 10:45. Among those who will accompany the tour into West Tennessee will be the King and Queen of the Carnival; Chauncey Barbour, grandson of the late Mrs. Fannie Jordan, and nephew and cousin to several Halls citizens; Olivia Browne, WMC radio personality; members of the Royal Court and many of the leading business men of Memphis.

Part of the program while the Good Will Tour is in Halls will be a welcome by Halls Mayor Jerre Jordan and a response by some member of the tour; a parade of the students of Halls Schools; and a Dressmaking Contest in which three Halls High School home economics students will participate. The winner of the Contest will compete with winners from other towns which the Good Will Tour will visit with local prizes to be presented to local winners and they also will be presented with tickets to several Cotton Carnival events. The winners will be selected by the Queen of the Cotton Carnival and Her Ladies.

Miss Betty Griffin, Halls High home economics teacher, has announced that thirteen girls will participate in a contest today (Friday) to select the three contestants for Monday's event. The girls will model cotton dresses which they have made themselves.

To Choose Miss Halls Tonight

"Miss Halls of 1958" will be named tonight (Friday) at the annual Halls Beauty Review at Halls Elementary School Auditorium beginning at 8 o'clock. Some forty girls from Halls High will participate in the review.

Sponsored by the Halls Civic Club, the review will be directed by Mrs. Neil A. Dyer with Mac Hansbrough as Master of Ceremonies. Out-of-town judges will be here to make the selection and the 1957 Queen, Mrs. Harold Burroughs (Judy Nichols), will reign over the event and crown the new Queen.

Guests of the review will be the Ripley Royalty, Queen Delaine Hamby, and her Maids.

At intermission and between appearance of the various groups of contestants, musical numbers will be presented by local talent and a number of Dyersburg people. Mrs. James Bringham of Dyersburg will be at the organ and (Please Turn To Page 8)

Drag Races On Old Air Base Sunday

Under the sponsorship of Halls Post of the American Legion, a Drag Race will be staged on the East Runways of the Old Air Base, on Highway 51 just north of Halls, on Sunday, April 27. Admission price will be \$1.00.

Drivers from Memphis, and other points will take part in the racing events. Others are warned that racing on other base runways will not be permitted. Sunday's race is one of twenty-three planned here during the next several months. Races will be held from 9 a.m. to 5 p.m.

DEW ANNOUNCES FOR CIRCUIT COURT CLERK

Paul E. Dew has authorized the Graphic to announce that he is a candidate for Circuit Court Clerk of Lauderdale County in the General Election on August 7, 1958.

Mr. Dew is a native of the Central community. He attended Ripley High School and received his degree from Memphis State College in 1957.

He plans to make a formal statement at a later date.

J. B. Freano Died Friday Night

DYERSBURG — Services for James B. Freano, resident of the Bruceville Community, retired Baptist minister and farmer, were held at 2 p.m. Sunday at Southfork Baptist Church, Rev. Virgil Hazlewood and Rev. E. C. Baldrige officiating. Burial was in Southfork Cemetery, Halls Funeral Home in charge. He was 78.

Born in Dyer County, Mr. Freano had been a lifelong resident. Before his retirement he served as pastor of the Bogota and Springhill Baptist Churches. He was a member of the Odd Fellows. He was married to Mrs. Alice Cearley Freano, who survives him.

Besides his wife, he leaves a daughter, Mrs. C. A. Barlow, Holly Springs, Miss.; a brother, W. T. Freano, Thayer, Mo.; and two sisters, Mrs. Tom Davis, Halls, and Mrs. Gray Buford, Bells.

CANCER FUND DRIVE

Mrs. David R. Nunn, chairman of the Cancer Drive for Halls, has announced that the fund drive will be staged next Monday night, April 28, with a house-to-house canvass to be made. Mrs. Nunn has asked all of the workers to meet at Bank of Halls at 7 o'clock Monday night.

Lynn Ball Hurt In Plane Crash

Capt. William Ball, 31-year-old Marine pilot, was severely injured Sunday night when he was forced to parachute out of a jet trainer which he was flying. The plane crashed and exploded in a field surrounded by a crowded Louisville, Ky. residential area.

Capt. Ball, who is assigned to the Columbus, Ohio, Marine Naval Station, said he ejected himself from the plane after its electrical system failed and the plane went out of control in a thunderstorm.

The Marine pilot landed on the roof of a house about four miles away. He is reported as severely but not critically injured, having suffered bruises and several broken ribs.

He is the son of Mr. and Mrs. Ivan Ball of Gates and the brother of Mrs. Finis Hardy. He was carried to a Louisville hospital and Monday moved to the Army hospital at Fort Knox, Ky.

Capt. Ball graduated from Halls High School in 1945. He and Mrs. Ball have one child, a two-year old son.

POT LUCK DINNER FOR METHODISTS

A mass meeting and pot-luck dinner is to be held by the Methodists of Halls First Church next Tuesday night, April 29, at 7:15 in the Youth Center.

Everyone who is a Methodist is urged to attend and bring their entire families. There will be a brief program by some of the officials of the church. Following the program will be a 30-minute color film entitled "Split Level Family."

This is a family affair. Bring all the children with you.

J. K. Stuart, Pastor

Go To Church Sunday.

Using Spray Rig for Weed Control

F. H. Paschal
County Agent

Jack Crutcher of Henning has installed a spray rig on his four row cotton planter in order that he can apply diuron solution in a 12 inch band on top of the rows of cotton just behind the planter wheels at a cost of about \$2.50 per acre for the material which will control most annual weeds and grasses for a period of six weeks, if this band of soil is undisturbed.

More than 25 farmers applied a similar chemical to cotton for weed control in 1952, but enough cotton was severely injured that the chemical used at that time has not been recommended again.

This chemical does not control Johnson Grass, bermuda grass or cockleburrs. For that reason, it is not as helpful in Mississippi Bottom areas as it is in the upland part of the county.

Nitrogen Fertilizer Demonstration
Geon Jenkins of Ripley community has agreed to apply fertilizer according to soil tests on two acres of cotton, including 80 lbs. of actual nitrogen per acre.

On one acre he will apply 240 pounds of Ammonium Nitrate and on the other adjoining acre will use 500 pounds Nitrate of Soda to determine the difference in effectiveness of these two forms of nitrogen fertilizer. He will keep definite records on the yields on each acre.

Arkansas Experiment Station recently reported on the results (Please Turn To Page 8)

HHS Students Win Portable TV Sets

It wasn't the bacon that they brought home! Instead they each brought home portable television sets for themselves! Alice Faye Jennings and Robert Meeks, Jr., we mean.

You see several weeks ago Halls High School was the guest school on Wink Martindale's Top Ten Dance Party, television show seen over Memphis TV Station WHBQ each Saturday afternoon. At that time Alice and Robert, Jr. were chosen as the best dancing couple from Halls High and to represent HHS in competition with other high schools of the mid-south area with the losing couples each week to receive portable radios and the eventual winners to receive individual portable TV sets. Well, Saturday night Alice and Robert, Jr. came home with the "bacon". They had been declared winning couple over such schools as Fayette High of Somerville, University High at Oxford, Miss., and South Side High of Memphis.

Originally the Halls couple was selected by judges in the studio but in competition with other schools voting was by the viewing audience with votes sent in by postal cards and Alice and Robert, Jr. say they don't know how to thank everyone for the deluge of cards which descended on WHBQ each week voting for them. They say thank you to HHS Principal James Peery, to their fellow students and to the people everywhere who voted for them. Incidentally, Robert, Jr., says he will bet the Halls Post Office employees are glad it's all over.

Janet Odell was chosen to reign as the 1958 Junior Queen and David Stallings was chosen as Junior King in the Junior Beauty Revue held Friday night of last week at Halls Elementary School Auditorium. Janet is a student in the third grade and the daughter of Mr. and Mrs. G. W. Odell of Poplar Grove community. David is a second grade student and the son of Mr. and Mrs. Wymond Stallings of the Poplar Grove community. Their attendants are, to the right of Queen Janet, left to right, Deborah Jones, Second Maid, daughter of Rev. and Mrs. Hubert Jones of Halls and a first grade student; First Maid, Fran Mynatt, daughter of Mr. and Mrs. Fred Mynatt of Halls, Route 2, and a second grade student; to the left of King David are First Page David Stewart, son of Mr. and Mrs. James Stewart of the Double Bridges community, also in the second grade; and Second Page Paul Eaton, son of Mr. and Mrs. Ben Eaton of Halls, and a third grade student. Queen Janet and King David will represent Halls in the Junior Revue at the Humboldt Strawberry Festival next month and all of the youngsters will ride the Halls Float in the Festival Parade.

Until their school - destroyed by a tornado - can be rebuilt students in Desloge, Missouri are attending classes in four coaches lent by a railroad. Cars are equipped with desks, blackboards, special lighting, plumbing and gas heat.

Bonds of a railroad company - issued in 1881 - are today the oldest interest paying bonds traded on the floor of the New York Stock Exchange.

Many railroads carry a blind person traveling with a sighted companion at a single fare for the two persons. Tickets are sold on this basis to those who present credentials issued by the American Foundation for the Blind.

Sunday School
Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee

Lesson for Sunday April 27

Exodus 11:1; 12:23-28; 14:27-31

"God Delivers His People"
Bible students tell us that we may know the important periods in Bible history by two unmistakable signs: first, the narrative amplifies, and second, the miracles multiply. The period of Moses now under study is described in great detail and many miracles are recorded.

FOR RENT

FOR RENT — 8-room house. See Hubert Jones, Phone AD 4-7696, Halls.

No wonder Moses hesitated when he was called to "go down into Egypt." The difficulties seemed insurmountable. It was difficult to persuade the Hebrews to undertake the exodus as it was to persuade Pharaoh to let them go. Moses said, "Behold they will not believe me or listen to my voice, for they will say, 'The Lord did not appear unto you.'" Through generations they had sunk lower and lower into slavery and this had deadened their faith in God. Their religion had become a mere tradition. To awaken their faith and inspire them to undertake such a bold and daring expedition was no little task. The plagues visited upon their oppressors were as necessary for them as for Pharaoh. Moses knew that the initial step of getting the people behind him was absolutely necessary for the success of his enterprise.

Indeed, it turned out that their difficulties increased with his coming. When they asked for permission to go into the desert to worship, the answer was, "You haven't enough work to do. That is why you are demanding a vacation." Their tasks were increased. They were expected to make the same number of brick but no straw was given them for the task. We know the difficulties of their servitude from a very old Egyptian painting found in a rock tomb near the royal city of Thebes. The picture is in praise of a certain ruler and shows the making of brick and their being placed in the growing wall. The workers are shown as white men and their masters are dark. In the hand of a guard is a rod and the inscription reads, "The rod is in my hand; be not idle."

"I will harden the heart of Pharaoh." This ruler is an outstanding example of human nature at its worst. Stubborn, persistent in evil, he made many more promises and broke them. The hardening of heart was not an arbitrary act against the will of Pharaoh. He had chosen his own narrow and cruel policy. He would be allowed to carry it out to the limit. As Joseph Parker says, "Men supply the conditions with which Providence has to work."

This lesson teaches what it costs to be God's people. The Israelites were in bondage but they did have bread and the flesh pots of Egypt. Though in slavery they had the ordinary securities of life. To be God's people required the great adventure of faith.

The deliverance of Israel from Egypt became the central point of their creed. The passover, the sacrificial lamb, the unleavened bread, all grew out of the mighty

deliverance which was an expression of God's purpose and covenant with His people. It is enshrined in their poetry. It was the basis of the prophets' appeal for faith, constancy and confidence, and the basis of shame for unfaithfulness. The debt of gratitude for this deliverance could never be fully discouraged. Above all people in the world they represented the eternal purpose of God for humanity. Our deliverance through Christ brings us under the same compulsion of faithfulness to God.

SOIL BANK RULES

(3) HARVESTING. No crop may be harvested from the Acreage Reserve during the calendar year 1958.

In addition to observing these requirements on land placed in the Acreage Reserve, Mr. Chambers said, the farmer must comply with any other acreage allotments on his farm and must keep within the farm's total permitted acreage. The permitted acreage is the Soil Bank base — two-year average of grain and row-crops

— less land placed in the Soil Bank.

By willfully failing to comply with his Acreage Reserve agreement, Mr. Chambers said, a farmer will lose his payment, and may, under certain circumstances, be subject to a civil penalty equal to 50 percent of the payment he would otherwise have earned.

GARDEN CLUB TO MEET AT STALLINGS HOME

The Halls Garden Club will meet in the home of Mrs. Morris Stallings on Thursday, May 1, with Mrs. Stewart Nunn of Ripley as guest speaker. Mrs. Nunn will give a resume of her recent trip to Japan. All members are urged to attend. — Reporter

PAMPER MOM! Mother's Day is May 11. Since we've added up Mom's weekly work hours, the least we can do is give her a hand. What could be a better Mother's Day gift than an extension phone? Maybe even more than one, so she'll have them near her most talked-from spots. You can get them in spring-pastel shades. So lovely with Mother's room colors! For instance, perfect for the feminine touch are aqua, rose pink, light beige, light gray, ivory or white. Or, to add a vivid dash of color choose cherry red, bright yellow, or green. They cost less than you think, too, so just call us and we'll do the rest.

P. S. Extension phones make ideal gifts the year 'round. too!

TROUBLED LADY ... There's a tear on her pretty cheek but it will soon be gone. For troubles are forgotten quickly when one is very young ... Many a grown-up trouble also has a way of disappearing when there are friendly voices to help and reassure ... Just reaching for the telephone and talking to someone can bring sunshine into a dark or worried day ... For whatever the need or the hour, you are never alone with a telephone.

News from Gates

Mrs. Finis Hardy

Bobbie Mitchell entered the Madison County General Hospital at Jackson Wednesday to undergo surgery.

Mr. and Mrs. Keith Coffman and family visited Mr. and Mrs. Robert Coffman in Jackson Sunday.

Mr. and Mrs. Bobbie Thurmond of Columbus, Ohio, spent several days with Mrs. Pearl Childress and family.

Sgt. and Mrs. Sparkie Brown, who have been stationed in Africa, visited Mr. and Mrs. Finis Hardy Sunday afternoon en route to their new assignment in San Antonio, Texas.

Mrs. Hattie Parker is visiting her daughter, Mrs. Elliot Lawrence and family, in Greenwood, Miss.

Mrs. Ruth Lee is in Gartley Ramsey Hospital in Memphis.

Mr. and Mrs. Jerry Ball and daughter, Cindy, of Chicago, Ill. are spending the week with relatives.

Mrs. Pearl Childress and Mr. and Mrs. Bobbie Thurmond and daughter spent one day recently in Dyersburg.

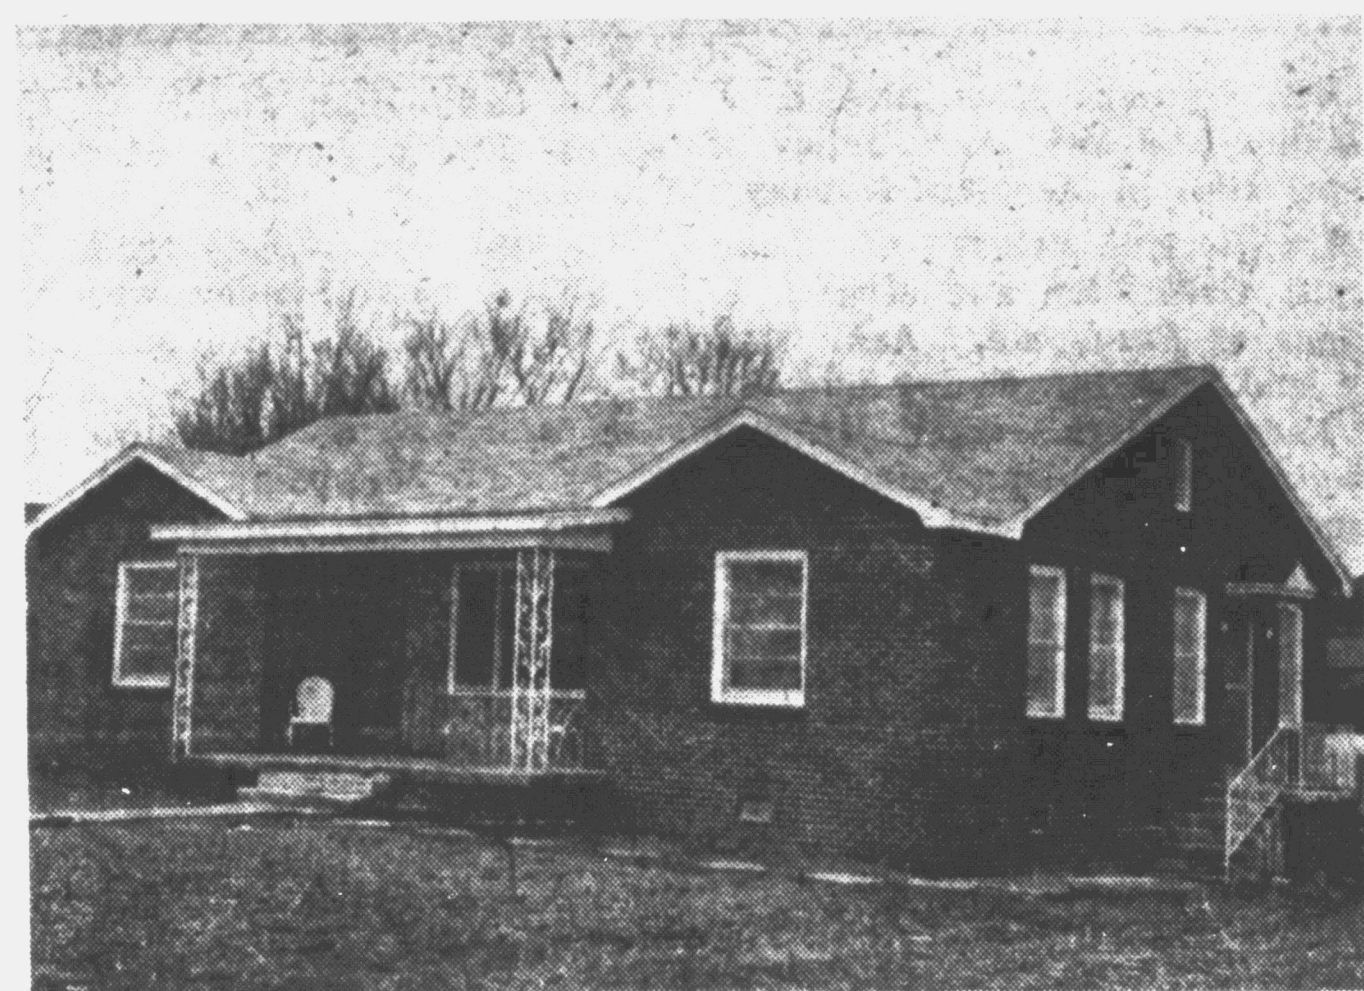

Mrs. G. T. Halliburton and Miss Gulnaire Haliburton were dinner guests of Dr. H. F. Middlecoff of Memphis Sunday at Mason.

Robert Robison of Greenwood, Miss., and Ernie Pearl Robison of Memphis spent Friday and Friday night with Talmadge Heathcott and family.

Mrs. Etta McWilliams and Avis of Millington spent Sunday with Mr. and Mrs. Pete McWilliams.

Mr. and Mrs. C. N. Barksdale of Bethel Springs and Mr. and Mrs. Travis Davis of Halls visited Mr. and Mrs. L. B. Jones Sunday.

Mrs. Hill Hostess At Shower Friends honored Mrs. Jimmy Louis Smith, the former Judy Mitchell, with a Pink and Blue Shower in the home of Mrs. Bibbo Hill Saturday night. Mrs. Lomas Garrett had charge of several interesting games. The honoree re-

Pictured is the beautiful new parsonage which the Methodist of Gates-Concord-Eureka Charge built last year in Gates for the pastor of the charge who is presently the Rev. John Lewis. The project was started in early 1957 while the Rev. W. B. Bishop was pastor and completed in May shortly before the Rev. Bishop went to a Brownsville charge and the Rev. Lewis came to serve the three churches. Containing six rooms, a pastor's study and bath, there are several remarkable things about this modern home. Erected at a cost of approximately \$8,000 all labor on the house with the exception of the brick laying was contributed by members of the three churches. Starting with the sale of the old parsonage for \$3,000, a lot

was purchased at a cost of \$500 and each church assumed a certain portion of the remaining indebtedness with Gates Church assuming 42 percent, Eureka at Forked Deer 36 percent and Concord church, southeast of Gates, 22 percent with ALL of the indebtedness having been paid with the exception of approximately \$300 which Concord expects to pay during the next few months. When the project was started a Building Committee composed of six men, Talmadge Heathcott and Cecil Baker of the Gates Church, Austin Gilliland and Arch McNeil of Concord, and Willis Warren and Otis Humphries of Eureka Church assumed charge of the project with V. A. Gilliland of Gates named as treasurer for the Building Fund. — Photo by Buddy Murchison

Nankipoo News

Mrs. Fleetwood Cates

A son was born to Mr. and Mrs. Wiley Layne on Wednesday, April 16, in a Chicago hospital. Mrs. Layne's mother, Mrs. Addie Kirby, is spending this week in Chicago with them.

- Mrs. W. N. Beasley 1.00

Recent newly-weds are Dr. and Mrs. Hutson McCorkle. Mrs. McCorkle is the former Miss Nancy Beane of Jackson, Miss., and he is the son of Mrs. H. G. McCorkle of Halls. The couple has been residing in Brevard, North Carolina, where Dr. McCorkle was associated with the Public Health Service. They arrived here Saturday night to visit his mother before leaving today (Thursday) for Jackson. From there Dr. McCorkle will go to Gunter Air Field at Montgomery, Ala. for a three-weeks course before reporting to Barksdale Field at Shreveport, La. for active service with the Air Force with the rank of Lieutenant. Dr. McCorkle graduated from the University of Tennessee College of Dentistry last August and Mrs. McCorkle received her degree as a Dental Hygienist last month.

Quick Relief of HEADACHE

EASE PAINS OF HEADACHE, NEURALGIA, NEURITIS with STANBACK TABLETS or POWDERS. STANBACK combines several medically proven pain relievers. The added effectiveness of these MULTIPLE ingredients brings faster, more complete relief, easing anxiety and tension usually accompanying pain.

With ED JONES
 Agricultural Agent, Illinois Central Railroad

Much of the valuable plant food in manure never gets into the soil and to the crops that need it. Handling manure properly will save plant foods, or plant nutrients as they are called by cutting down from leaching and evaporation.

Down on the Farm

Repealing Taxes on Transportation will put money in your pocket

For each dollar spent for freight, shippers and you pay a transportation tax of three cents. For each dollar travelers spend on tickets, they are taxed a dime. Repeal these taxes, say some members of Congress.

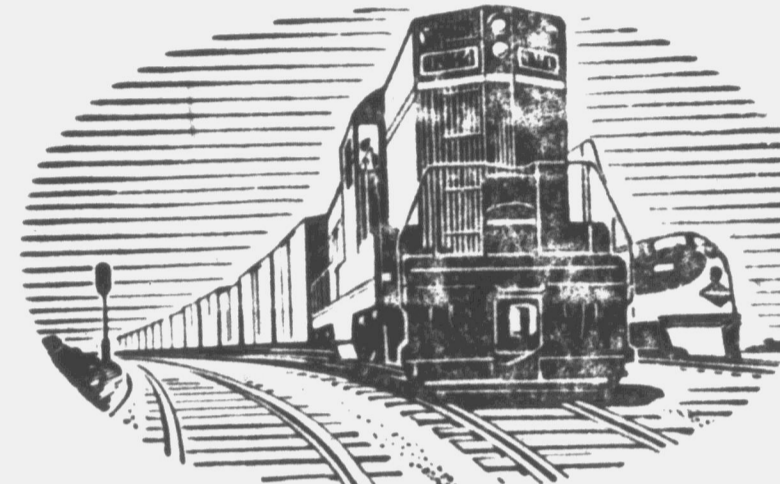

Why?
 Repeal will lower prices, step up consumer buying, create more jobs, put more money in your pocket. Repeal will also strengthen the railroads that furnish the transportation most vital to everyone. We are supporting repeal of transportation taxes. Why not join us for your own benefit?

ILLINOIS CENTRAL RAILROAD

WAYNE A. JOHNSTON
 President

Main Line of Mid-America

This means that by applying 10 tons of manure per acre puts about \$1000 in terms of its nitrogen, phosphate and potash and it is worth \$2000 more in the increased yields it will produce if properly handled and applied. If all the fertilizing elements contained in feed and forage that the cow eats would be returned to the soil in manure, it would be a lot easier to maintain soil fertility. However, there are serious losses. The animals retain some of the nitrogen, phosphate, and potash and there are also losses in handling and storing the manure. Many of the plant foods in manure can be dissolved in water, so they are easily lost due to leaching by rain. In fact, as much as 50 percent of the nitrogen and phosphate and about 95 percent of the potash in manure can be eached out. We should take every recommended precaution to handle all manure produced on our farms. It is extra money in our pockets.

4-H CLUB RALLY IS WELL ATTENDED

Charles Peal
Asst. County Agent

Eight Hundred Enjoy 4-H Rally Day Activities

Mitchell Ammons, President of the Ripley Senior 4-H Club, welcomed over eight hundred boys and girls to the annual 4-H Rally Day this past Saturday as he presided over the opening session of this event. A beautiful day and many activities resulted in a good time for all these youngsters.

Group singing started the morning program at 8:30 and seemed to put everyone in the right mood. Charles Brown appeared on the program first as he sang America the Beautiful. Marion Bufaloe and Larry Kiestler then gave a report on their trip to 4-H Congress at Nashville. An outstanding version of The Little Red

Schoolhouse was sung and acted by Brenda Meeks, Kathy White, Kathy Daws, Shelia Hilliard, Janene Randall, Susan Craig, Kay Baker, Elisabeth Hart, Sandra Cone, Dianne Alley, Betty Jordan, Brenda Cannon, and Donna Roberts, all of the Halls 6th 4-H Club.

Kathy Daws treated the group with "It Had To Be You" and "For Me and My Gal". Nancy Parsons, Alice Scott and Jane Allen of the fifth grade in Ripley sang "Sugar Time" and "Lollypop". All the numbers on program made a big hit with the boys and girls, but the last one made a big hit with the girls only and that was Bobby Hendren's imitation of Elvis Presley singing, "Jailhouse Rock."

Following the program the boys and girls enjoyed a good movie. The parade around the square followed with the king and queen from the Durhamville - Orysa 4-H

Club leading the parade. Their club received this honor by having the highest percentage of their members present at the rally. The parade ended on the west side of the courthouse where the 4-Hers repeated the flag pledge and the 4-H ritual.

The afternoon activities took place on the football field where races, relays and a pig scramble were held. In the 100 yard dash the results by grades were: 5th grade, David Maness, 2nd, Arteil Belton; 6th grade, Robert Baker, 2nd, Jimmy Hansford; 7th grade, Gregory Hathcock, 2nd, Everette

Davis; 8th grade, William Turner, 2nd, Gerald Rushing.

In the boys relay the fifth grade winners were Charles Brown and Henry Shepherd. Sixth grade, Robert Hughes and Robert Baker; Seventh grade, Arnold Smith and Wayne Harrison; 8th grade Junior Harrison and Ray Whitley. In the boys sack race, Phillip Brough won the fifth grade race, Robert Neal the sixth, Darrell Littles the seventh and Edward Prader the eighth.

The girls had a fifty yard relay race and the winners were: Dot Davis, 5th; Shelia Loveiace,

6th; Letha Butner, 7th; Mary Williams, 8th. Four sack races for girls were held and they were won by Patsy Crumbly, Dianne Alley, Barbara Prescott and Beverly Chisholm.

The last event of the day was a pig scramble which had two parts. The first pig was caught and put in the truck by Larry Barfield and the second one by Gus Hargett, Jr. These boys will receive Sears Roebuck Chain pigs in the near future. This event was really enjoyed by all as the boys had a difficult time catching the pigs.

POLITICAL ANNOUNCEMENTS

LUNCHEON AT JACKSON

Mrs. David Hurt and Mrs. Marvin Hansford were hostesses Wednesday at a one o'clock luncheon at the Jackson Golf and Country Club in Jackson, Tenn.

The table which was centered with a beautiful arrangement of spring flowers held place cards for these guests: Mesdames Charles Viar, Earl Critchfield, E. M. Steelman, Jr., Louis Levy, F. G. Craig, Neil Dyer, Robert Craddock, Paul Henderson, Jr., Billy Spence, Clyde Younger, Elbert Viar, D. R. Nunn, and Miss Gwen Walker of Halls and Mrs. Hal Wallace, Mrs. J. T. McClaran, Mrs. Tip Taylor and Mrs. George Kimes of Jackson.

The group also enjoyed a tour of the lovely garden of the Randal Vanns and a visit at "Oak Mont", the country home of Mr. and Mrs. Hal Wallace of Jackson.

F. H. Paschal

(Continued from Page 1)

of a test in which they used the same number of pounds of actual nitrogen per acre on cotton from Ammonium Nitrate, Anhydrous Ammonia, Nitrate of Soda and Sulphate of Ammonia. They reported that there was no significant difference in the yields of cotton when each material was used in the recommended manner.

Apply Fertilizer By Rows

We are blessed in this area by having soils which do not require large applications of phosphate and potash fertilizers for maximum yields, but because we use relatively small amounts of these fertilizers it must be applied under the rows for best results.

We get in a hurry at this time of year trying to do a lot of jobs at once and many farmers have tried broadcasting mixed fertilizers in the hope that they would do just about as well under cotton as if the fertilizer was applied along the rows.

Experiment stations have also made tests to determine the most effective placing of the fertilizer with respect to the rows of cotton. In every test, fertilizers applied under the rows of cotton or close beside have been far more profitable than broadcast applications. Evidently, cotton roots are rather short at the time when most of the fertilizer is being taken up by the plants and the broadcast fertilizer is just not nearly as effective.

Pig Parlors Popular

William Douglas is feeding out 100 hogs in a "pig parlor" recently completed which is 40x42 feet with a sloping floor and with an area 10x42 feet which is not covered by the roof.

Mr. Douglas is using a home mix of ground feeds in self-feeders and the house is equipped with

automatic watering troughs.

Joe A. Johnston is building a house which will be used for the same purpose and several other farmers are considering feeding houses and central farrowing houses. We could greatly increase production of hogs, cattle, and sheep and still produce as many acres of cotton and other crops. It is simply a matter of our interest and whether we want to work more months out of the year to make better incomes.

VISITING PARENTS

Mrs. Charles Jackson of Gary, Ind. is visiting her parents, Mr. and Mrs. Moody Jaynes.

CONFIDENTIAL CORNER

(Continued from Page 1)

Top Ten Dance Party contest and bringing home a portable TV set each. The people of Halls have enjoyed watching them perform on TV and we are certain that they feel that they have been amply rewarded for their trips to Memphis, etc.

A Wonderful Job

Most of the people of Halls missed a distinct treat when they failed to attend the Ripley High school band concert in the Halls High gymnasium. Their directress Mrs. Bill Dickinson, who took over after the tragic death of her husband, has done a wonderful job and the youngsters performed magnificently. We were especially impressed with their rendition of the theme song, "Colonel Bobby" of the award winning movie, "Bridge on the River Kwai." The gymnasium was not designed for band concerts but it sounded wonderful any way. Our congratulations to Mrs. Dickinson and members of the band and may we say that we are slightly envious of Ripley in having such a fine band.

MISS HALLS

(Continued from Page 1)

Mrs. Wymond Hurt of Halls will accompany several of the musical numbers. On the program will be Judy Hansford, Diane Levy, Marilyn Viar, Connie Elmore and Marietta Griffin of Halls; David Kelley of Gates; and Mr. and Mrs. James Brigham; Mrs. Nap Brigham, Mrs. Billie Acred, and Mrs. Murray Blurton, of Dyersburg.

Following the crowning of the new Queen, H. E. Pentecost, the President of Halls Civic Club, will present her with an arm bouquet of flowers.

The girls participating in the order of their appearance are: Thalia Alston, Janice Burse, Kay Tillman, Linda Hall, Jo Clara Goldman, Barbara Vaden, Ann Grear, Barbara Sasser, Linda Hilliard, Nettie Parris, Shirley Jones, Angela Cherry.

Pamela Rhodes, Maxine Bur-

CRITICALLY INJURED IN ACCIDENT SATURDAY

Broadus Richardson, Crockett County farmer of near Chestnut Bluff, is in Baptist Hospital in Memphis in a critical condition as the result of an accident with his farm tractor about 8 o'clock Saturday morning.

Mr. Richardson was found to have suffered a broken back and other broken bones when his tractor reared up and fell back on him while he was plowing Saturday. He managed to crawl from the scene of the accident to near

the house where he called for help. He was rushed to the Dyersburg hospital in a Sudbury ambulance, then carried to Campbell's Clinic and later transferred to the Baptist Hospital where he continues in a very serious condition.

ON HONOR ROLL AT UT AT MARTIN

Named on the honor roll of the winter quarter at the University of Tennessee, Martin Branch, are: Dudley Belton and Helen Claire Cherry of Halls.
