

THE HALLS GRAPHIC

VOLUME 64

HALLS, TENNESSEE, FRIDAY MORNING, FEBRUARY 7, 1958

NUMBER 6

Confidential Corner

Congratulations

to Ray Nolen, HHS junior, for his continued climb in the Golden Gloves competition. Ray, competing for the first time, emerged the champion of the Novice Lightweight Division at Jackson, winning four fights, and then took his opening bout in the Mid-South competition at Ellis Auditorium Tuesday night of this week. While we were never much at the manly art of self defense we are happy to see the interest shown in HHS and believe it definitely has a place. Good luck in your bout tonight, Ray, and keep winning.

HELP HALLS GROW

More Territory For Halls

At the Board meeting Monday night of next week Mayor Jerre Jordan plans to ask the City Board to incorporate the school building property and the Air Base property within the city limits of Halls. Some of you will recall that we have maintained for several years that the school building property should be brought within the city limits because of certain legal difficulties and we also feel that the Air Base property should properly be within the city limits. We believe that such action on the part of the Board will be proper.

Drawing For Girls' Tourney Announced

Seedings and drawings for the District 30 Basketball Tournaments were held at a meeting Wednesday night at Covington with Halls boys ranked no. 1 in the District and Halls girls placed in the no. 2 spot. Other seeded teams were: Girls, Munford, no. 1; Covington, no. 3; Ripley, no. 4. Among the quintets seeded teams in addition to Halls were: Brighton, no. 2; Grand Junction, no. 3; Brownsville, no. 4.

Munford will play host to the Girls Tournament which will start next Wednesday, February 12, with the finals scheduled for Saturday night, February 15. Refereeing the tournament will be Arthur Anderson of Memphis and Bud Huffman of Covington. Complete schedule for the tournament is as follows:

Wednesday, February 12

6:30 p. m.

Whiteville vs. Somerville

7:45 p. m.

Munford vs. Brighton

9:00 p. m.

Ripley vs. Brownsville

Thursday, Feb. 13

7:30 p. m.

Halls vs. Winner Game No. 1

8:45 p. m.

Covington vs. Grand Junction

Friday night winners of the Wednesday night games will meet in the first semi-final match and winners of Thursday night games will meet in the second semi-final game. Winners Friday night will play for the championship Saturday night with losers Friday night to meet in the consolation. Admission prices will be 25c and 50c Wednesday and Thursday night and 50c and 75c for Friday and Saturday night games.

In the boys' tournament scheduled to be held at Ripley beginning February 19 Halls will play Somerville at 7:45 Wednesday night. Drawings for the tourney will be reported next week.

MISS ALICE FAYE JENNINGS

Daughter of Mr. and Mrs. N. E. Jennings, was selected as Miss Home Economics of Halls High School for 1958. She is a senior, a member of the Speech Club, the Library Club, is treasurer of the Home Ec Club and a member of the annual staff.

Legion Begins Drive To Add Members

At their meeting Tuesday night the Halls Post of the American Legion began a drive to revive the post which has been at a virtual standstill for the past few months. Some twenty members attended the meeting at the Legion Hut.

Steps were taken to re-enlist a number of legionnaires who have not renewed their membership and to increase attendance and interest in the Post. Any member wishing to re-new his membership may pay his dues to Travis Davis at Bank of Halls.

Post Commander Tony Troiano named an Agriculture Committee composed of James Paige, Buddy Thurmond and Pete Burks to determine what disposition will be made of the cotton acreage on the Legion property this year. Also named was a Safety Committee composed of L. R. Viar and C. B. Baker to cooperate with Tennessee Safety Commissioner Hilton Butler and the State Safety Committee in bringing home to the people of this section the need for improvement of highway safety.

M. T. Hansbrough was named to contact Warden Joe Barfield of Fort Pillow Prison Farm to secure a crew to clean up the Legion property. Louis Levy brought to the attention of the Post the need for clothing among some of the people of this section and suggested that some organization be contacted to set up and operate a Clothes Bank, both to receive donated clothing and to see that needy families are given the clothing.

Adjutant Marshall Pierce said that the Legion Post has offered its service in assisting with the distribution of surplus food and has agreed to send workers to the warehouse in Ripley to assist or perhaps to arrange for means of transportation of needy persons to the warehouse where no other means are available.

Next meeting of the Post will be Tuesday, March 4, with a free meal for those attending, said Mr. Pierce.

Mrs. H. G. McCorkle was in Martin Sunday where she attended church services with her daughter, Miss Carolyn McCorkle, and spent the remainder of the day with her.

Begin Distribution Of Surplus Food To County Needy

Distribution of surplus food under the Surplus Food Program will begin today (Friday) according to an announcement Wednesday night. Gene Robeson, head of the Surplus Food program, along with the Committee appointed by the County Court, has set up the following schedule:

Friday, February 7 — Second District (Ripley).

Saturday, February 8 — Third District (Henning) and Twelfth District (Halls).

Monday, February 10 — Districts 1, 6, 7, 8 and 9.

Tuesday, February 11 — Districts 10, 11 and 14.

Wednesday, February 12 — Districts 15, 16 and 17.

Distribution of the food will be made from the old Edenton Wholesale Co. warehouse near the railroad station in Ripley with the warehouse open from 8:30 a. m. to 4 p. m. each day. Emphasis is placed on the fact that food may be secured only on the day designated for your district and that your identification card must be presented. Complete instructions may be found in the F. H. Paschal news article this week and they should be read and followed in order to avoid confusion and possibly extra trips.

POSTAL DEPARTMENT RESCINDS RECENT POSTMARK RULING

Postmaster E. J. Shannon informed the Halls Graphic Thursday that the recent order to postmark all mail received after 2:30 each day for the next day has been rescinded and all mail received prior to the closing of the Post Office windows at 5 p. m. will be postmarked the date received. Postmaster Shannon stated that many patrons had protested this ruling and that he is happy to announce the change.

Robert A. "Fats" Everett, of Union City, Saturday, became the Congressman from the 8th Congressional District as he defeated E. T. "Rocky" Palmer of Dyersburg and Z. D. Atkins, of Trenton, for the post. He will fill out the unexpired 11-months term of Cong. Jere Cooper, who died of a heart attack on December 18. The 8th District is composed of nine counties, Tipton, Haywood, Lauderdale, Crockett, Dyer, Gibson, Lake, Obion, and Weakley.

The 42-year old veteran politician led in five of the nine counties in the district and lost two other counties by less than a total of 30 votes. Palmer with a substantial margin in his home county and small margins in Lake and Crockett and Atkins with a comfortable margin in his home county accounted for the remaining four counties.

Palmer, a former resident of Halls, built up a big majority here but lost Lauderdale County by some 430 votes. Total unofficial vote in Saturday's election was divided as follows:

Everett 21,586
Palmer 13,326
Atkins 7,924

As unofficially reported by the counties the vote was as follows:

County	Atkins	Everett	Palmer
Crockett	446	711	728
Dyer	280	1083	6657
Gibson	4216	2372	1162
Haywood	399	1031	649
Lake	281	830	839
L'dae	335	2115	1692
Obion	190	7523	248
Tipton	223	3069	374
W'kley	1544	2852	977

Mr. Everett has announced that he will probably leave for Washington this weekend and expects to be sworn in Monday. He has also announced that Miss Hope Hart, long time secretary for Mr. Cooper, will be his secretary.

Food Surplus Rules Are Outlined

F. H. Paschal
County Agent

Fertilizer and seed dealers of West Tenn. have an excellent opportunity to get the real "low down" on performance of new varieties of cotton, corn, grain sorghums, and other crops and the best information available on fertilizers for various crops and soils at a meeting to be held at City Hall in Jackson beginning at 10:00 o'clock next Wednesday, February 12.

L. N. Skold, head of the Agronomy Dept. of the College of Agriculture, Knoxville, will bring information on crop varieties and W. D. Bishop will lead a discussion on fertilizers. Dr. J. Fielding Reed of the American Potash Institute will speak on "Determining Fertility Needs."

Fertilizer and seed dealers pride themselves on being able to keep their customers informed. This meeting can be of help to dealers and customers.

Kill Strawberry Weeds

One of the worst weeds in strawberry fields is Evening Primrose, which grows rapidly in early spring to spread 18 inches from each root and grow a foot tall with a multitude of leaves and yellow blossoms. It shades berry plants and multiplies the number of rotten berries.

This weed and several others can be controlled by the application of one quart of Amine 2,4-D per acre in 20 to 30 gallons of water within the next ten days. The material is most effective when applied on a warm, sunny day, but it will be most helpful applied any day when the berries are dry. It should not be done after the berries start growing late in February.

Surplus Commodity Instructions

Eugene Robeson, County Commodity Clerk in charge of distributing surplus commodities to needy families over the county, has worked out instructions which can be helpful in getting this distribution done rapidly and with as little waiting as possible on the parts of heads of families who come for the food.

Mr. Robeson believes that food can be distributed to all the approved families in the county in a week's time if these instructions are followed.

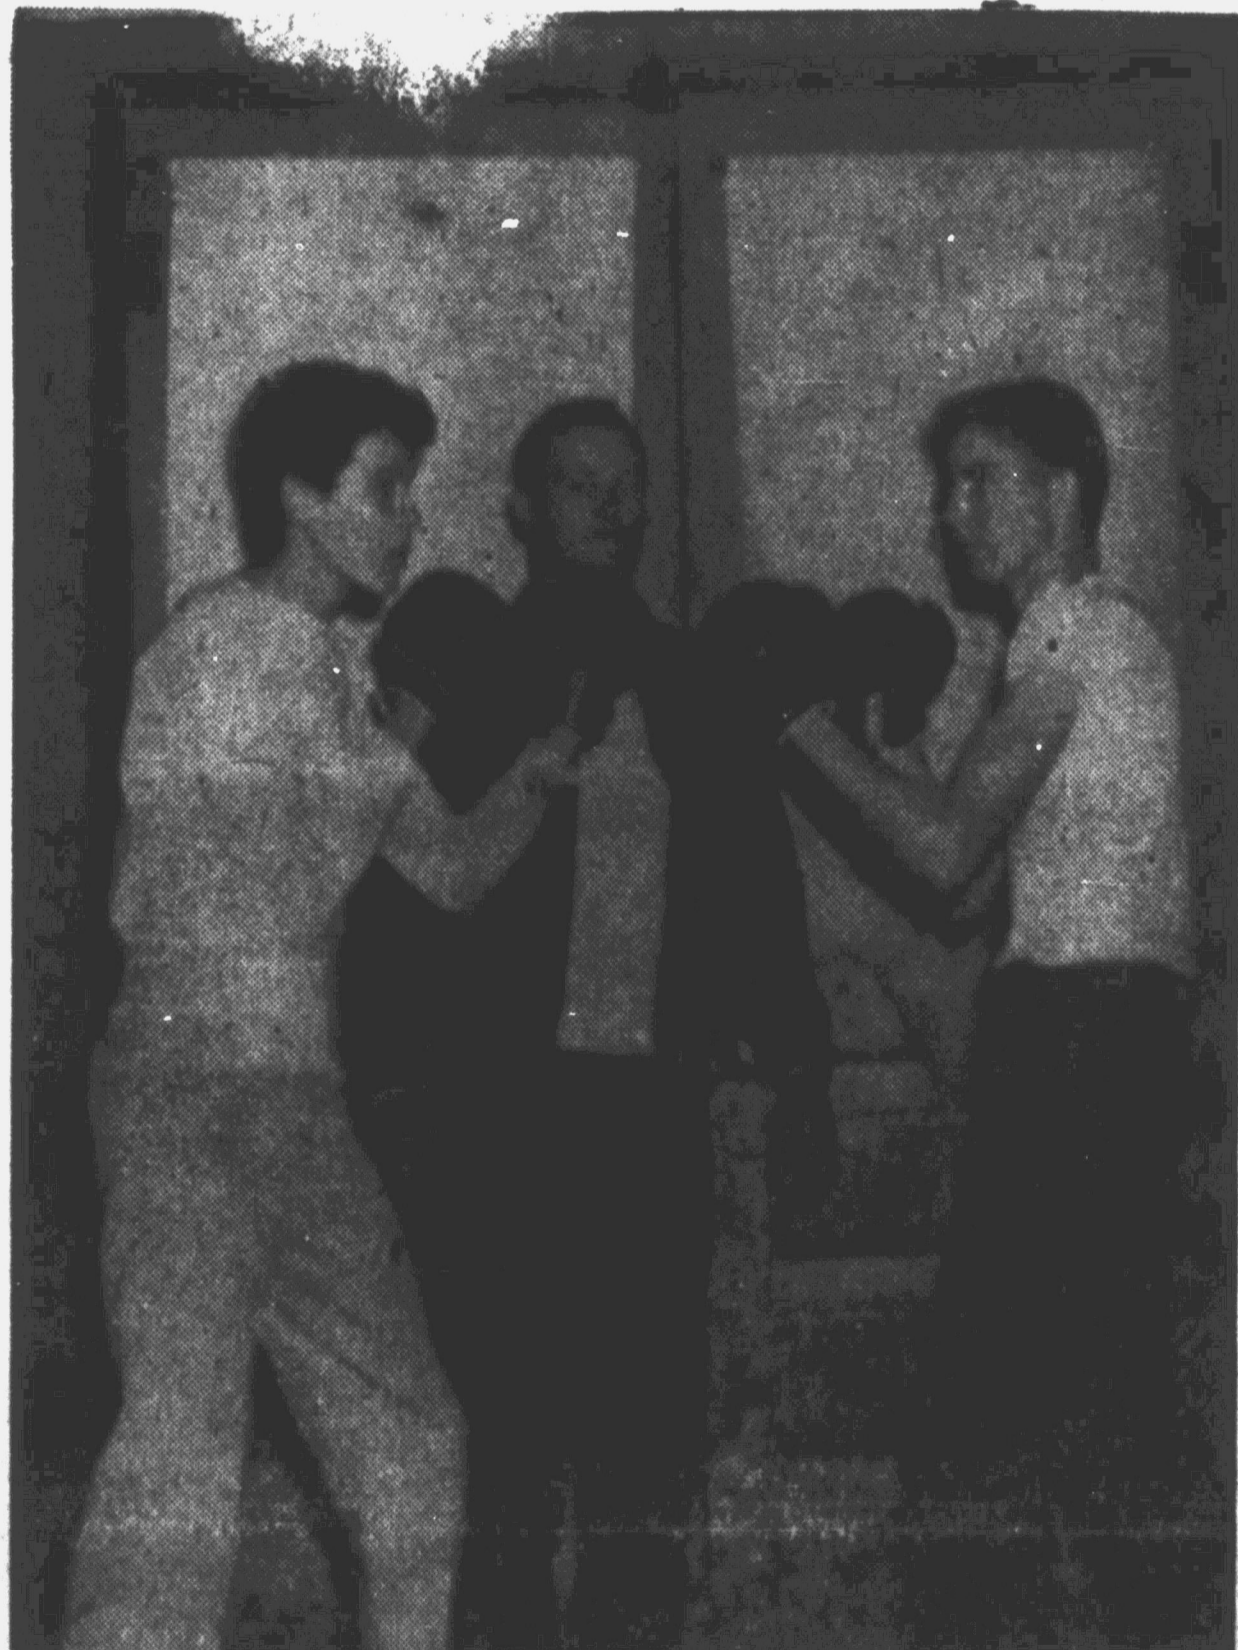

(1) The same person who signs (Please Turn To Page Four)

Mrs. H. J. Davenport Died Last Thursday

Services for Mrs. Lena Davenport of Halls were held at 10 Saturday morning at Antioch Church of Christ near Halls. Burial was in Palestine Cemetery in Dyer County with Sudbury Funeral Home in charge.

Mrs. Davenport, who was 87, died Thursday night at her home here. Born in Crockett county, she spent her entire life in and near Halls. She was a member of the Church of Christ.

She leaves her husband, H. J. Davenport; a son, Judge Claude Love, of Eldorado, Ark.; three daughters, Mrs. Paul Reynolds, Mrs. Hubert Osteen and Mrs. E. D. Hutcherson of Halls; four brothers, John Phillips of Halls, Wilson Phillips and Thomas Phillips of Danville, Ark. and Brewer Phillips of Dumas, Ark.; two sisters, Mrs. Annie Rhodes of Dumas, Ark. and Miss Nannie Phillips of Danville, Ark.; 21 grandchildren, 26 great-grandchildren, and 5 great-great grandchildren.

Ray Nolen and Bobby Jones work out for Nolen's bouts in the Mid-South Golden Gloves tournament in Memphis this week while Coach Pete Meadows looks on. Nolen won four fights in the West Tennessee tourney in Jackson, defeating Jones in the semi-finals. Tuesday night he defeated Glenn Franks of Memphis in a semi-final match. Tonight (Thursday) he will fight Dickie Upton of Osceola, Ark. for the Novice Lightweight crown.

News from Gates

Mrs. Finis Hardy

Bobby Mitchell has returned home from the Jackson hospital where he recently underwent surgery.

C. J. Baker and C. B. Baker were in Bolivar on business Monday.

Mr. and Mrs. L. E. Wood spent Sunday with Mr. and Mrs. Preston Keizer and little daughter, Claudia Jean, at West Memphis, Ark.

Mrs. Grady Hargrove and two daughters, Nancy and Bettie, of Dyersburg spent the week in the E. B. Wood home.

Mrs. Lynn Ball and Mrs. Finis Hardy spent Friday in Memphis.

Mr. and Mrs. Ellett Lawrence and daughter, Ann, and Bob Knox, of Greenwood, Miss., spent the weekend with Mr. and Mrs. E. G. Parker. Mrs. Lawrence and daughter remained for a longer visit.

Miss Byrd Sloan is visiting Mrs. Joe Pittman in Union City this week.

Mr. and Mrs. John Frazier Lewis spent Wednesday with his parents, Rev. and Mrs. John Lewis.

Mr. and Mrs. Ralph Puckett spent the weekend with Mr. and Mrs. N. A. Sloan.

Mr. and Mrs. B. B. Ozment of Memphis were dinner guests in the R. V. Lilley home Sunday.

W. H. Critchfield spent last week in Chicago visiting Mrs. Lara Hicks, Mrs. Bobby Yarbro, and Bobby Joe Critchfield.

Mrs. Forrest Shearon is spending this week in Bolivar.

Mr. and Mrs. Harry Gray of Memphis visited Mr. and Mrs. R. V. Lilley Saturday.

Mrs. Blanche Thurmond had as visitors over the weekend Mr. and Mrs. Clyde Jackson and son, Mr. and Mrs. Page Jones and children of Memphis.

Mr. and Mrs. John Bishop visited his parents, Rev. and Mrs. W. B. Bishop, in Brownsville Sunday.

Lana and Kathy Williams had dinner with Ruth and Helen MacLin celebrating Ruth's and Helen's second birthday on January 25.

Frewl Buffaloe entered the Baptist Hospital in Memphis Saturday and underwent surgery on Monday morning.

Baptist WMU Meeting

The WMU of Gates Baptist Church met in the home of Mrs. Lewis Page Monday evening, Feb. 3, for the regular meeting. The president, Mrs. Oakley Pickard, presided. Mrs. Thurlund Brasfield, chairman, presented a most educational program, using the subject, "Doorsteps and Gates." The devotional was given by Mrs. C. S. Hughes. Others on the pro-

gram were Mrs. Phil Garrett, Mrs. L. B. Jones, Mrs. Arthur Bentley, Mrs. Pickard Ball, Mrs. Oakley Pickard, Mrs. Mervin Luttrell, and Mrs. Lewis Page. Mrs. Pickard Ball closed with prayer. Following the business the hostess served a sandwich plate and a drink. A social hour followed.

Methodist Board Meets

The Official Board of Gates Methodist Church met in the home of Mr. and Mrs. Raymond Pennington Monday night. Keith Coffman called the meeting to order. Prayer was by Rev. John Lewis. A regular business session was held. After the close of the meeting a delicious salad plate with cold drinks, then boiled custard and cakes, were served.

Nankipoo News

Mrs. Fleetwood Cates

Miss Shirley Jackson, daughter of Mr. and Mrs. Jesse Jackson, and Gaylon Tillman, son of Mr. and Mrs. Tolbert Tillman, were married Wednesday night in the Tillman home. Rev. Ammons performed the ceremony before a few of the immediate families.

Mr. and Mrs. L. E. Olds spent the weekend with their children in Memphis.

Miss Patricia Castleman of Edith spent the weekend with Miss Dorothy Booker.

Mr. and Mrs. Luster Newman of Memphis spent the weekend with her mother, Mrs. L. M. Harrell.

Mrs. Harvey Olds is spending several days with Mrs. Annie Cates in Jackson. Mrs. Cates has been ill for some time.

Mr. and Mrs. Troy Olds spent Wednesday night in Memphis with Mr. and Mrs. Jackie Belton.

Mrs. Johnnie Stanley of Dry Hill spent most of last week here with her sister, Mrs. Annie Hutcherson.

Mrs. Jeff Koonce and little daughters of Memphis visited here Thursday and Friday.

MAYOR JORDAN SPEAKS BEFORE DE CLUB

The D. E. Class was very happy to have Mr. Jerre Jordan as guest speaker Friday. He made an in-

spiring talk about the privileges of going to college. He told us about the many different jobs that were offered to the youth today. Mr. Jordan invited the D. E. Class to come down and visit his office.

As workers in our business district, D. E.'ers should know more about the management of our town's facilities. The fire department, water works, gas, bookkeeping department, police car and fire truck will be explained to us

during our visit. We are looking forward to our visit to the City Hall.

Publication and Notice
Constitutional Convention

ELECTION

By virtue of the authority conferred upon me by Chapter 340 of the Public Acts of 1957, and in compliance and accordance with provisions of said Act, I, Joe C. Carr, Secretary of State, hereby make due publication of the fact that there shall be submitted to the people of Tennessee at the Regular Election to be held in the several Counties and Floterial Districts of the State on August 7, 1958, the question of whether or not the present Constitution of Tennessee should be altered, reformed or abolished with respect to certain sections and parts only, in order to ascertain the will of the people with respect thereto, which question shall be printed in full on each ballot and voting machine, in the following words and figures:

CONSTITUTIONAL REFERENDUM

Shall a convention be held to alter, reform or abolish the following provisions and subject matter of the Constitution of Tennessee, to wit: Article IV, Section 1, so as to permit all persons of the age of eighteen years or over the right to vote; Article VII, Section 1, so as to fix the term of office of Sheriff for a period of four (4) years, with no limitation as to the number of terms that he may serve as such; to fix the term of office of Trustee for a period of four (4) years; which convention shall be limited to consideration of and action upon those sections and the subject matter herein above set forth, the action of such convention to become effective as to each amendment adopted by the convention only after being separately submitted to and ratified and approved by the voters of the State?

FOR THE CONVENTION

AGAINST THE CONVENTION

Voters will indicate their vote by placing a cross mark opposite one or other of the above expressions.

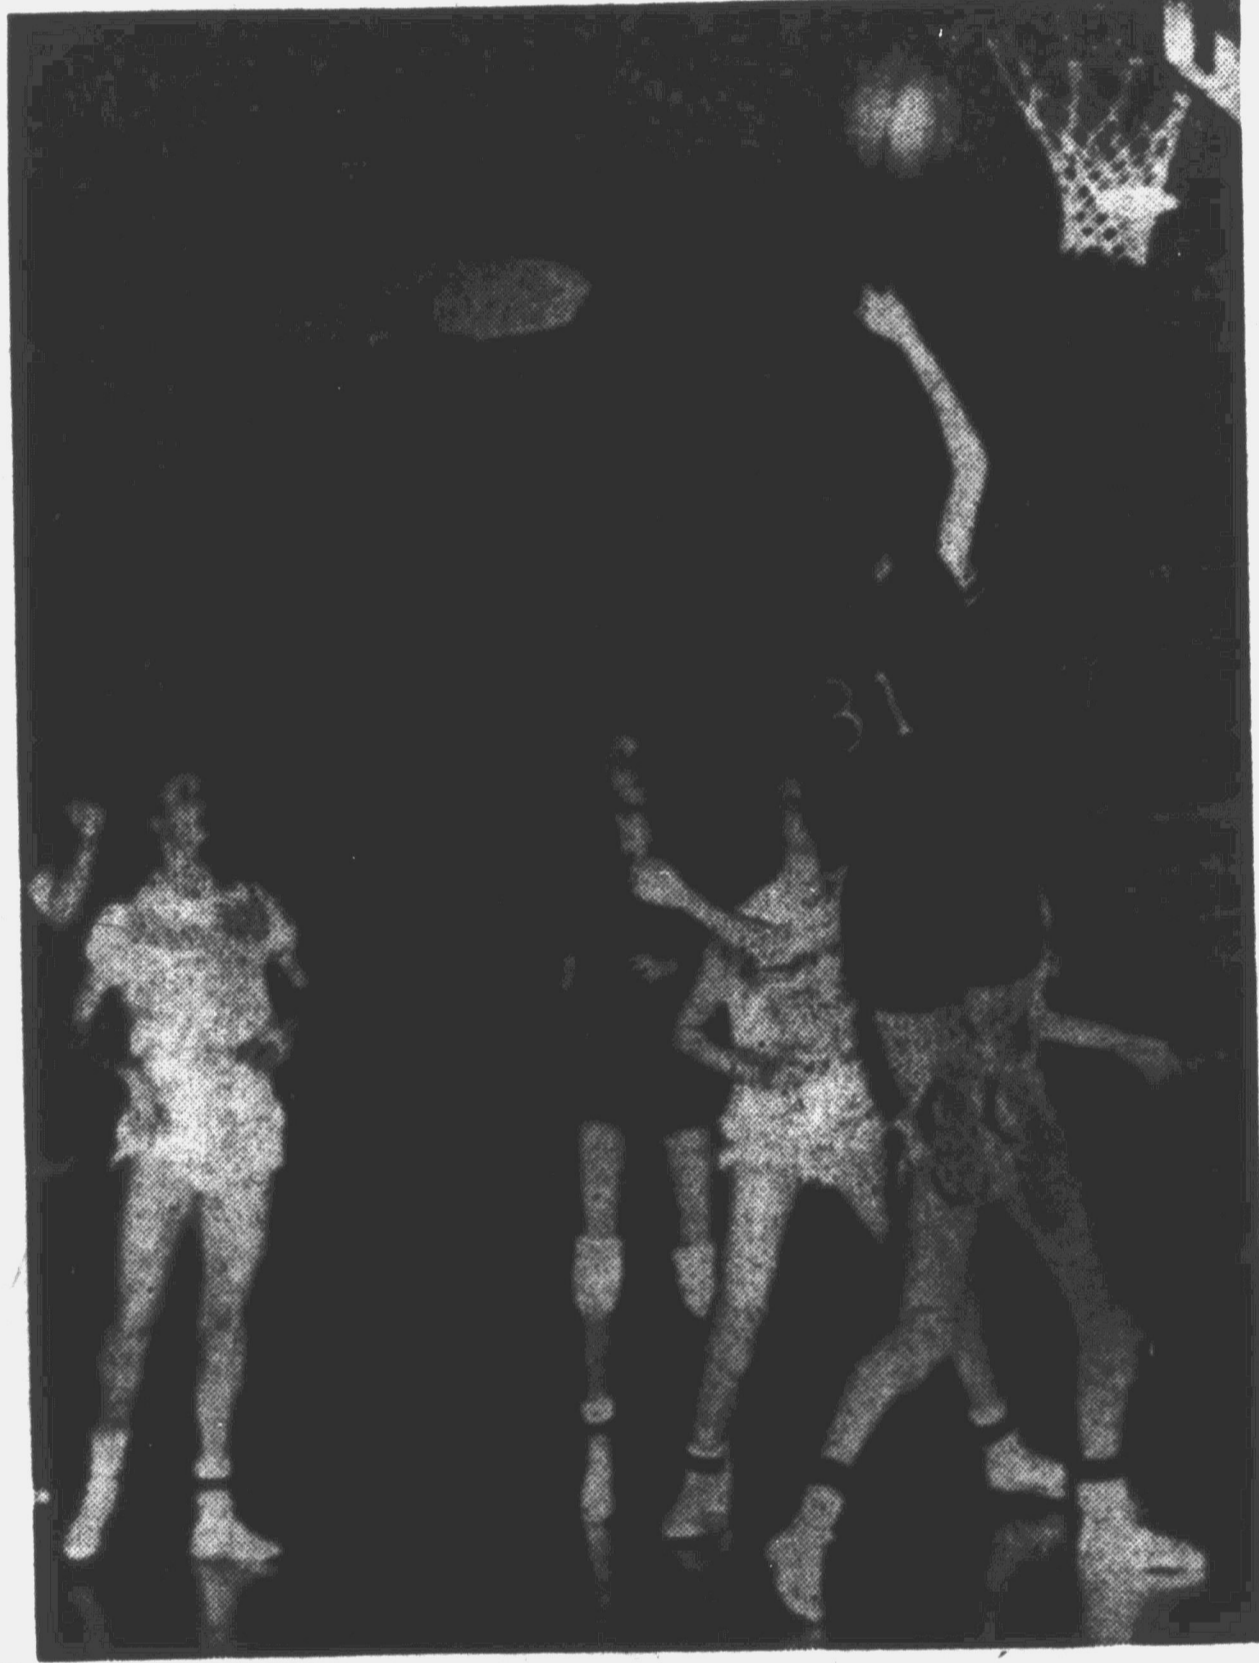

Notice is hereby given to all qualified voters throughout the State and especially to all members of the County Election Commissions of the several Counties of the State that said election will be held in all civil districts, wards and voting precincts throughout the State within legal hours on said day for said purposes and that it is provided by Section 2 of said Act that the proper officers of all Counties shall, immediately after said election, make a return to the Secretary of State of the number of votes cast in their respective counties "For the Convention" and the number of votes cast "Against the Convention."

Given under my hand and attested by the Great Seal of the State of Tennessee, this 1st day of February, 1958.

Frank G. Clement
GOVERNOR

Joe Carr
SECRETARY OF STATE

Kay McGarrity is shown attempting a shot from under the basket as Letricia Vaden of Halls and two members of the Jackson North Side team look on. She got two points this particular time, but they didn't help as North Side won, 45-30. (Story on Page 1)

Forward Bill Tatum (29) goes in for an attempted layup against North Side as Gregory (50) and Sanders (40) of the Jackson team furnish the opposition. Waiting for a possible rebound are Josh Nunn of Halls and Johns (42) of North Side. Tatum contributed two points to the Halls team's gleance as the T. ers won 75-62.

JOE BEARD TELLS OTHER SIDE OF FINING OF MEMPHIS HUNTERS

Joe Beard, manager of the Anderson-Tully Wildlife Management Area, criticized by Henry Reynolds, Mid-South Outdoors Editor for the Memphis Commercial Appeal, for his handling of the arresting and fining of two

Memphians for violation of hunting regulations on the Wildlife Area, Wednesday told the Halls Graphic his side of the event. Mr. Beard made this statement: Two Memphis hunters were hailed into a magistrate's court at Ripley, last Friday and fined \$25 and costs in an unusual manner. C. B. DeBerry, of 1600 Stripling and Louis Longo of 1033

Lindy Lane decided to hunt ducks on the last day of the season, January 15, on the Anderson-Tully Wildlife Management Area in Lauderdale County.

Arriving there early in the morning in an old jalopy they took one look at the road leading to the checking station and gave as their excuse for not buying a permit, being afraid they might get stuck. Forty-seven other hunters went through, in and out, without having any trouble. Also the regular daily traffic that travels over a public gravel road owned and maintained by the County traveled this road without trouble.

Instead they headed for Chisholm Lake which joins the Area for approximately two miles. They hunted in this area killing five ducks in the morning. At noon time Area Manager Joe Beard and two other officers crossed the lake in a boat, went into the Wildlife Area with boots and shotguns posing as hunters for the purpose of inspection of the Area. Shortly afterwards a noise was heard a quarter mile inland from the area boundary line of a boat being bumped by a paddle. At this time the officers were about 300 yards inside of the area. Manager Beard approached the noise and when he got to about 100 yards of the boat DeBerry called out

the name of Sandling, thinking Beard was a local person by that name that was to meet them at noon for hunting. Beard walked on to the men and talked with them about their success of the hunt and observed 5 ducks in the boat.

Through trust of their good sportsmanship—the two hunters had been on several other occasions since each of the men had hunted on the area many times and several days straight—knowing the men by name and being good friends they were trusted to have the permit without being checked, as they had each time before. They had hunted with some of the officers and on one occasion Beard spent an hour in a blind with DeBerry lending him his caller since DeBerry's was broken. Also the laborer was sent with DeBerry on a hunt to assist him in making some moving pictures of the ducks.

The two men stated they were headed out for more shells and lunch. Beard stated to the men that he had some reports of hunters crossing the lake and committing violations on the area.

They went for their lunch and shells and returned to the area again talking to the officers with one of the officers inspecting their guns and comparing them with his own. They left the officers going deeper into the area to a place the two men had hunted several times before. The officers refused an invitation to hunt with them stating they wanted to inspect the rest of the boundary line near the lake.

The officers inspected the rest of the boundary checking twelve other hunters and left the area and returned to the checking station at 5:00 p. m. Beard was concerned over the welfare of the two hunters since on one occasion Mr. Longo was lost and helped out by him in this same portion of the Wildlife Area and he, Beard, had worked all the night of January 13 locating and helping a lost hunter close to this area. He asked the attendant at the checking station as soon as he arrived there if DeBerry and Longo had finished their limit and checked out. The attendant, without having to check the records stated that they were not hunting today. Beard and the officers were very much surprised and couldn't believe the two men were on the area without permits. They checked the records and verified the attendant's reply. Then they left the station and tried to locate the two hunters since they had seen them on the Wildlife Management Area with firearms at least one-fourth mile inside of the area. The two hunters had left. Then knowing the usual habit of the two hunters of stopping at a restaurant in Ripley for coffee and food they tried to reach them there. Beard and his help had to return to the area from the restaurant without finding DeBerry and Longo because they received a call they had three hunters lost or in trouble. As soon as this matter could be taken care of Beard called Mr. DeBerry and requested he and Longo come to court and face the charge of trespassing on the area with firearms without permit. Mr. DeBer-

ry asked Beard to let him send the money for the permits and forget the matter since they were friends. Beard felt that would be treating other hunters that make mistakes right or doing his sworn duty either. He told Mr. DeBerry he would tell the judge exactly what happened and he hoped the judge wouldn't be too rough. He related the facts to T. B. Wright, magistrate, Friday who fined them on a plea of guilt, but unintentional. The law was discussed and explained, the minimum fine as set by the state was recommended and many friendly remarks were made such as one by DeBerry that the officers were doing a fine job and had certainly been gentlemen. The hunters were invited to the area next season to enjoy their hunts.

After the trial the two men continued to remain in the office of Mr. Wright after the officers left. Mr. Wright went over the case again with them and instructed them if they were not satisfied they could appeal the case. He later stated they were very rude with him at this time and he almost fined them for contempt of court. They asked Mr. Wright if he would have dismissed the case if Beard had recommended that action and he told them Beard had no authority to make such action.

The trial was set at the convenience of the two hunters and then reset with Beard accepting a collect call from DeBerry at Beard's expense to do so to prevent the men from losing any time on their jobs.

Had the men been cited on the spot they still would have had to return to Ripley due to the time of day and the officers had their duties to perform on the area. A telephone call was made requesting them to come to Ripley rather than going to their homes and embarrassing them with warrants. Nothing else could be done since the men were seen in the act of violating the game laws.

This may have been a poor manner in the way the men were cited to court but it is good when we can have officer-hunter relationship to the point that some trust can be put in each other and hunters that are seen many days for several hunts don't have to continue to have their hunts interrupted to show license, permits, gun, etc. every time. A sportsman appreciates this trust but it is very sickening to any officer when one hunter has to take advantage of that trust.

In Lauderdale County the public relations with the Game and Fish Commission is better than it has been since the beginning of the present commission due to the fact that all hunters are treated as fair as the men involved know how and they help the hunters as much as possible to enjoy themselves while pursuing the game."

This statement by Mr. Beard is published to present his side of the case and in the interest of a better relationship between hunter and officer.

Science Develops New Tablet:

Relieves Painful Monthly Cramps For 3 out of 4 Women Tested! Gives Greater Relief Than Aspirin!

New promise of relief from tortures of monthly cramps, nervous tension is found in an amazing new tablet! Developed especially to relieve this female discomfort, it offers greater relief than aspirin!

For 3 out of 4 tested by doctors, pain and cramps were stopped or strikingly relieved. Even on the first day, many had no nagging headaches, no backaches or other functional distress!

The new tablet contains a unique combination of medicines. That's why it offers so much more relief than plain aspirin! Acts on the cause of distress to calm uterine contractions. Also works through a woman's sympathetic nervous system. Called "Lydia Pinkham's Tablets," they're sold at all drug stores. Easy to take, contain blood-building iron. So don't suffer needlessly. Take Pinkham's Tablets yourself. See if you don't escape much irritability and discomfort—before and during your period!

IF YOU PREFER A LIQUID all druggists, today, also have the famous Lydia E. Pinkham's Vegetable Compound.

F. H. Paschal

(Continued from Page 1)
 ed the application should come to get the food. (2) Bring your identification card. You cannot get food without it. (3) Bring big, strong sacks or boxes to take food home in. A family of five will get 103 1-2 lbs. of food for a month, with others in proportion. Bring containers and people to help take it home. (4) Be sure to come for food when your District is scheduled for delivery.

(5) You cannot get food before your District is scheduled for delivery.

Schedule of delivery dates by Districts may be found elsewhere in this issue of the Graphic.

Mr. Robeson says that at least a dozen volunteer workers, both men and women, will be needed during the first week in order to deliver food to these 2300 families. He will appreciate your notifying him if you are able to help a day or so.

Families who have applied for food should not come for it until

they are informed of delivery schedules. In the meantime, they should learn the number of their own Districts in order that they can come on the day when delivery can be made to them most rapidly.

Hogs Like Grain Sorghum

Hogs like whole grain sorghum better than corn when self-fed and made slightly better gains at lower cost, in Kansas tests.

Grain sorghum should be ground if it is to be hand-fed. When corn is selling at \$1.00 per bushel, grain sorghum is worth \$1.80 per cwt. for feeding to hogs. On the same basis, ground oats are worth 40c per bushel. For some reason hogs do not like ground oats or barley as well as corn or grain sorghum. For that reason they are likely to eat too much supplement if these grains are self-fed with supplement also self-fed.

When no pasture is available, hogs make more economical gains if they are fed some bright legume hay such as alfalfa or lespedeza.

Antibiotics appear to be a good investment for many hog producers. Cheapest gains were made in tests at the Knoxville Station where hogs on dry lot were fed a supplement made of two-thirds soybean meal and one-third meat scraps with antibiotics and a grain ration self-fed.

Hogs bring us a lot of income throughout the year in Lauderdale County, but we need to work toward an efficient system of feeding and management which will make it possible for us to produce hogs at the lowest possible cost for high profits when prices are good and in order that we can continue in the business on a profitable basis when prices go lower.

GAS SHORTAGES BRINGS CHILLS

Many a householder as well as some business firms were shivering in Halls Monday morning when the gas supply was cut off and heating systems went out. As nearly as we understand it, a regulator at the Halls Control Station either froze or failed, allowing the gas to cut off that

supplies Halls consumers. Halls Utilities Superintendent Joe Clyde Escue, other city employees as well as some others were busy all day Monday re-lighting pilot lights, etc. No actual harm was done other than a few extra shivers.

Mr. and Mrs. Carroll Avery of Cunningham, Tenn., announce the birth of a daughter on February 1. She has been named Linda Lee.

My Thanks

I am deeply grateful to the many wonderful people who supported me during my campaign for Representative to the United States Congress from the Eighth Congressional District. I have had the opportunity of renewing old friendships and of making many new ones, and this has been a most satisfying experience.

In defeat, I would like to assure you of my continued interest in the problems that confront the people of this district. I pledge to you that I shall continue to strive for the things which I consider right and just.

SINCERELY YOURS,

E. T. "Rocky" PALMER

Telephone Talk

ROGER GANIER
 Your Telephone Manager

LOVE and XXXXX: I see by the heart-shaped candy boxes and the like around here that St. Valentine's is not far off. Remember when we were kids how much fun it was to make our valentines and run all over town delivering them? But the older we get the more our families and friends get scattered and the harder it is to keep in touch. That's when it's nice to visit by Long Distance. On special occasions, or just anytime you want to say hello to someone you miss, a Long Distance call is the quick, easy way, and real fun, too! And remember, whenever you call, it costs less to call station-to-station. (Rates are even lower after 6 P.M. and on Sundays.)

"YOU WILL CALL US AS SOON AS YOU GET BIG ENOUGH TO REACH A PHONE, WON'T YOU?"

WATCH FOR IT! It's fun . . . it's fascinating. The Bell System's newest science film, "The Unchained Goddess." It's all about the weather—a subject we all discuss a lot but do little about. The fourth in the Bell science series, it will be shown on NBC-TV, Wednesday, February 12. The date and time on your local station may vary from the date of the network showing. Please consult your newspaper for the local schedule. In case you missed the first three films—"Hemo, the Magnificent," "Our Mr. Sun," and "The Strange Case of the Cosmic Rays"—they're available for showing to schools and civic groups. All are 16 mm. full color, and really thrilling stories about subjects that interest every one of us. Just call our Business Office to make arrangements.

Notice To Lease Public Land

Sealed bids will be received at the Mayor's Office in Halls, Tennessee, for the Lease of certain public land hereinafter described until 7:00 p. m.

Monday, February 10, 1958

at which time they will be opened and publicly read at the
Mayor's Office, Halls, Tenn.

This is an offer to lease all tillable land owned by the Town of Halls and located on that area of about 300 acres on what is formerly known as the Dyersburg Army Air Base in the 12th Civil District of Lauderdale County, Tennessee. The amount offered to be leased being the tillable land on the area which is 123.7 acres, more or less.

Lessee is to have no control of the balance of the land on the area and the city reserves the right to enter the same for the maintenance of gas or water lines without penalty. There is a cotton allotment which will be a part of this lease now set at approximately 39.0 acres, but the Lessor does not guarantee the exact amount of the cotton allotment.

This lease will be for the calendar year of 1958. Leased on a cash basis with the successful bidder to make and deliver to the Lessor a bankable note in the amount of his bid, said note payable November 15, 1958, and a landlord's lien is retained to secure the payment of the note. The exact boundaries of the land leased in this area are to be designated by the Lessor. The Lessor reserves the right to reject any and all bids and no member of the Board of Mayor and Aldermen or other City Employees shall be eligible to submit a bid.

Board of Mayor and Aldermen

TOWN OF HALLS, TENNESSEE

Brevities

Mrs. Joe Clyde Escue is visiting her sister, Mrs. Buck Pience, and Mr. Pierce, and her brother, Finis Kirby, and Mrs. Kirby, in Little Rock, Ark. Johanne Larson was able to return from the Lauderdale County Hospital Friday. Jo had been in the hospital for several weeks after suffering a broken collarbone.

Mrs. Clyde Manuel and Mrs. Merlon Love and son of Halls spent Monday in Memphis and West Memphis.

Mrs. T. H. Simmons and Tommy Simmons were in Trenton on Sunday where they visited Mr. Simmons' uncle, W. F. Simmons.

Mr. and Mrs. Jack Satterfield of Memphis spent Monday night with her parents, Mr. and Mrs. Floyd Frady.

Lee Simmons who attends the UT School of Pharmacy in Memphis spent the weekend with his mother, Mrs. T. H. Simmons.

Mr. and Mrs. James Cherry returned home Tuesday after having spent two weeks with relatives in Texarkana, Ark.

Mrs. Irma Cole spent Tuesday in Dyersburg.

Mr. and Mrs. Taylor Grady of Memphis spent the weekend with his parents, Mr. and Mrs. E. E. Grady.

Miss Reba Jones spent Sunday in Friendship with Mr. and Mrs. Bernie Slayton.

Mr. and Mrs. Raymond Weaver of Ripley spent Tuesday and Tuesday night in Halls with Mr. and Mrs. Clyde Manuel.

Mr. and Mrs. Joe L. Levy will leave during the weekend to spend the next several weeks at Miami Beach, Florida. Mr. Levy, who entered Vanderbilt Hospital in Nashville two weeks ago is reported as much improved.

Mr. and Mrs. J. T. Connell drove to Birmingham, Ala. during the weekend where they were met by their son, Capt. Donald Connell, and family of Valdosta, Ga. Their grandson, Don Connell, who had been their guest for several weeks accompanied his parents home to Valdosta.

Mr. and Mrs. Jim Pipkins of Bells visited Mr. and Mrs. O. L. White Tuesday afternoon.

Mr. and Mrs. Paul Freeman and daughter of Memphis spent the weekend with Mr. and Mrs. A. L. Freeman.

Mr. and Mrs. Fred Bedwell and Mrs. Pinsley of Somerville visited Mr. and Mrs. Doyle Hawkins Sunday.

Bert England is a patient at St. Joseph Hospital in Memphis.

Mr. and Mrs. Bill McGarrity and children, Miss Kay, and Douglas visited Mrs. Harber in Friendship Sunday.

ATTENDED EDUCATION ASSOCIATION MEETING

Jasper Taylor, president of the Lauderdale Education Association, attended the Tennessee Education Association Representative Assembly in Nashville last Friday and Saturday. He was a delegate of the county teachers to the assembly. Others attending from Lauderdale County were County School Superintendent E. C. Owen, Miss Winnie Lee Bizzell, county supervisor, Jack Rochelle, principal Ripley Elementary School, Miss Daisy Burnham, and Mrs. Robert Barfield. Business included the election of Dr. J. A. Barksdale, of Tennessee Polytechnic Institute as

President of the Tennessee Education Association. He will succeed President Sam McConnell in 1958. Three new members were elected to the Administrative Council and a NEA delegate was elected to replace Andy Holt, of the University of Tennessee. A retirement system trustee is to be appointed by the governor from among three nominations of the assembly.

The Assembly discussed and adopted a legislative program in accordance with the report of the Tennessee Legislative Council, appointed by the State Legislature. Other reports were discussed and accepted.

Frank Bass, TEA Executive Secretary, was hospitalized during the meeting. Reports indicated he had stomach ulcer trouble, but examination was not complete at the close of the Assembly.

EXPLORER SCOUTS TO RE-REGISTER

Halls Explorer Scout Post 67 will re-register and plan a future explorer program Saturday, Feb. 8, at 9:00 a. m. at the Agriculture Building. All boys, ages 14 through 17, are invited and urged to join.

The future program will emphasize advancement and safety. Other projects will include outdoor, social, vocational and service activities.

Jasper Taylor, Advisor

GIRLS' AUXILIARY HAS MEETING

The Intermediate Girls' Auxiliary met in the Baptist Annex on Wednesday night with their leaders, Mrs. Jesse Newton and Mrs. Wymond Hurt.

The program chairman, Beverly Cannon, led the following group in a discussion: Patricia Baker, Patricia Hines, Marietta Griffin, Lynne Stallings, Rita Williams and Sylvia Mathis. After refreshments the regular meeting adjourned.

THANK YOU

You, the people of the Eighth District, have given me the tremendous responsibility of representing you in the Congress of the United States, and for your decision I am humbly grateful.

I say this in all humility and with no sense of triumph over my opponents. I have said and I continue to say that both of them are very fine gentlemen and have been worthy opponents.

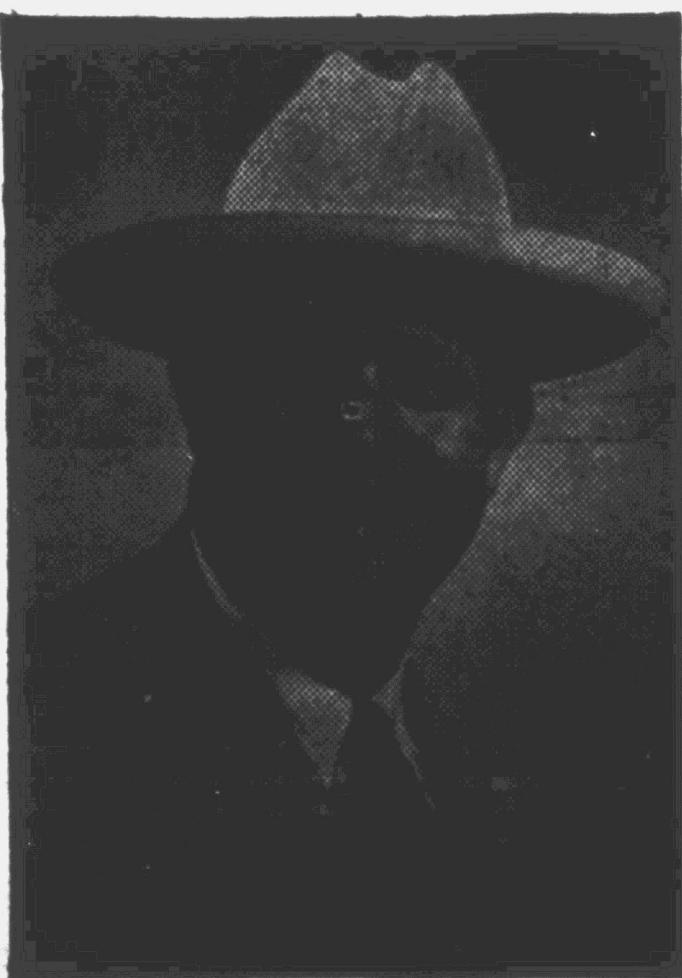

To the many friends who voted for me and who have given of their time, effort and energy in my behalf, I express my deepest appreciation.

I will earnestly strive to be the United States Representative of all the people of the Eighth District.

Your problems are now my problems and in Washington that will always be uppermost in my mind.

In filling the unexpired term of the late Hon. Jere Cooper, I earnestly solicit the support of all the citizens of this district in carrying out a progressive program which will benefit all of us.

CAPT. HARGROVE NOW STATIONED IN GREENLAND

NEW YORK, — Captain Grady T. Hargrove, formerly of Halls, has been assigned to duty with the U. S. Army Engineer District, Eastern Ocean. He will serve as Transportation Officer at the Thule area office in Greenland, supervising the movement of materials and equipment for Corps of Engineers' construction at Thule Air Base. Announcement of his assignment was made today by Colonel Aldo H. Bagnulo, District Engineer, at his headquarters in New York City.

Captain Hargrove was born in Waverly, Tenn. He attended public schools in Newbern and Halls, graduating from Halls High School, class of 1939. In 1940 he enlisted in the Army. During World War II he served in the South Pacific theatre, first with the Air Corps and then, after being commissioned from Officers Candidate School at Brisbane, Australia, with the Transportation Corps.

In February 1952 he was recalled into the Army Transportation Corps. His first assignment was at Thule Air Force Base as commanding officer of a port company engaged in the unloading of materials and equipment for the 1952 construction season.

Prior to his assignment to the Eastern Ocean District he served as Base Motor Officer at the U.

CAPT. GRADY HARGROVE

S. Army Garrison, Sandia Base, Albuquerque, New Mexico.

Captain Hargrove is the son of Mr. and Mrs. J. G. Hargrove of Newbern. He was married in 1944 to Dorothy Louise Wood of Gates. During his tour of duty in Greenland, Mrs. Hargrove and their two daughters, Nancy Coral and Betty Elaine, are making their home in Dyersburg.

LARRY CARTER OF GATES NAMED OUTSTANDING JUNIOR 4-H BOY

Charlet T. Peal
Asst. County Agent

Larry Carter, son of Mr. and Mrs. B. M. Carter, Gates, was declared the outstanding Junior 4-H member in the county in 1957. His 4-H record in crop and livestock production plus his personal development aided in his selection for this honor. For this achievement he was awarded a rifle.

Larry's cotton record was tops among the Junior Club members for which he received a field crops medal. His best all around record won for him the achievement medal also.

Larry started with 1 1-10 acres of cotton but the excessive rains removed the one-tenth acre leaving him an even amount. Since Larry's father was unable to work during the 1957 crop season, it was up to him to put in the crop which he did. Of course, a 13-year-old cannot do as good a job as a man, but none-the-less he did succeed in producing 1500 lbs. of seed cotton on that acre. His fertilizer cost, land rental, seed, chopping, and picking came to \$118.70, and when subtracted from gross income netted him slightly over \$80 which we believe presents a good picture of producing a crop of cotton.

His Hampshire hogs added to his income and record this year also. He participated in the Junior Swine Show last spring and sold two gilts in the sale. His accurate records on the cost of home grown feed as well as that purchased gave him an accurate picture of his whole swine program.

Larry is the president of the Gates 4-H Club and has completed three years of 4-H Club work. He has given demonstrations in electricity, attended 4-H Camp, and participates in his church youth activities. We think he has an excellent background that should carry him on to greater achievement.

LANDOWNERS RECEIVE PLANTING MATERIAL

by Earl R. West

Eighteen landowners of Lauderdale County received 43,000 loblolly pine, 1,500 catalpa and 1,000 locust tree seedlings January 31st. The tree seedlings were furnished by the Tennessee Division of Forestry Nursery located at Pinson, Tenn. Applications for the seedlings were made through the County Agent's Office, Soil Conservation Service Office and the Vocational Agriculture Departments of Ripley and Halls High Schools.

Landowners receiving trees were: Archie Sanford, Russell Evans, Miss Hazel Griffin, Joe

Barfield, Jr., C. S. Carney, Jr., Mrs. Edd Sumrow, Dr. A. R. Walker, John Wilkes Roberts, Lynwood Grammer, George P. Brown, Lynnwood Hathcock, David Holcomb, Bobby Hathcock and Montell Bates. Charles Peal received 11,500 tree seedlings for 4-H club boys. The tree seedlings cost \$3.00 per thousand and were delivered by Soil Conservation Service trucks to Ripley from Pinson.

Four landowners received 15,000 multiflora rose seedlings last week. Landowners receiving rose seedlings were: Russell Evans, Willis Wheeler, Edwin Carmack

and Mrs. Marie Brandon. The rose was furnished by the Tennessee Game and Fish Commission at no cost to the landowner.

Applications can be placed now for rose and tree seedlings to be delivered next fall or winter. All checks for trees should be made

to the Tennessee Division of Forestry. Always be sure to call us at AD 4-7898 or AD 4-7540 and tell us all the news about you or your family or your friends. We'll greatly appreciate it.

ORDER OF PUBLICATION

TO STELLA MAE K. PIKE
ACIE R. PIKE

vs.
STELLA MAE K. PIKE
In the County Court at Ripley, Tennessee.

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant, Stella Mae K. Pike, is a non-resident of the State of Tennessee and resident of the State of Indiana, so that the ordinary process of law cannot be served on her. It is therefore ordered by the Court that the said Stella Mae K. Pike appear before the Judge of the County Court of Lauderdale County on or before the first Monday in March (it being the 3rd day of said month and a rule day of that term of this Court) and make defense to the bill filed herein against her, or the same will be taken for confessed as true and the cause set for hearing exparte as to her.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring her to so appear.

This 22nd day of January, 1958.

N. C. UTLEY, Clerk

ORDER OF PUBLICATION

TO ARNELL ALLEN JONES
EALY JONES

vs.
ARNELL ALLNE JONES
In the County Court at Ripley, Tennessee.

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant, Arnell Allen Jones, is a non-resident of the State of Tennessee, and resident of the State of Michigan, so that the ordinary process of law cannot be served on her. It is therefore ordered by the Court that the said Arnell Allen Jones appear before the Judge of the County Court of Lauderdale County on or before the third Monday in February (it being the 17th day of said month and the 1st day of February term of this Court) and make defense to the bill filed herein against her, or the same will be taken as confessed as true and the cause set for hearing exparte as to her.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring her to so appear.

This 15th day of January, 1958.

over the visiting quintet since Brownsville handed them one of their three lickings. Halls girls will be favored over the visiting girls. Alamo will be the opposition tonight (Thursday) as both local teams are favored.

Last Friday night Halls girls were unable to handle the visiting North Side sextet of Jackson and came out on the short end of a 45-30 score. The local girls played far below their usual standard and only in the second quarter were able to furnish any real opposition to the North Siders.

Halls boys, losers to North Side during the Christmas holidays, kept control of the game most of

the night, being behind only once, 22-21, but early in the fourth quarter the Tigers stepped up the pace to win convincingly, 75-62. Tommy McGarrity hit for 30 points, 16 of them in the last quarter, to lead the Tigers.

Tuesday night at Covington Halls took both ends of a double header as the Halls girls avenged an earlier loss with a close 45-43 victory and the Tigers racked up a 55-37 victory. Letricia Vaden and Kay McGarrity split honors with 18 each for the girls while Tommy McGarrity tallied 24 for the boys.

With two games left, Alamo tonight and Brownsville Friday

night, records for the two teams for the season are: Girls, 18-7; Boys, 22-3.

CARD OF THANKS

It is with deepfelt appreciation that I wish to express my thanks to my many friends for their thoughtfulness of me during my recent stay in the hospital and since my return home. The cards, visits and beautiful flowers will long be remembered.

HALLS, TENNESSEE, FRIDAY MORNING, FEBRUARY 14, 1958

NUMBER 7

Confidential Corner

We Agree

At the Board meeting Monday night the Board went on record as favoring widening and improving Highway 51 and dropping plans for the proposed highway bypassing Halls. They voted to inform state officials of their belief. Over a period of several years we have repeatedly stated our opinion that a new highway bypassing Halls, Gates and other small towns would do irreparable damage to the economy of the towns and we are happy to see city officials take this stand. Also the Board partially approved incorporating the school property and the air base property into the city limits. We have advocated this move for several years and believe that it should be done.

HELP HALLS GROW

He'll Be Missed

In the history of Halls there are certain men who have been active since the town was a very small village and their influence has had much to do with the progress and growth of the town. One of these men passed away this week. The Hon. W. C. Patton, lawyer, county judge, mayor, aldermen, church and school leader, and many other things during the past 54 years is dead but his influence on the town and its affairs will remain for many years to come. Most of us at one time or another have had reason to differ with him but we can never doubt that he has been good for Halls and the people of Halls. Such a man is always missed! Our sympathy to his wife and son but they should always remember that he led a full and useful life.

HELP HALLS GROW

Good Luck, Teams

Good luck to the HHS basketball teams as they start competition in the District 30 basketball tournaments. Girls, bring that championship trophy back home, and boys, how about a trip to Nashville.

HELP HALLS GROW

Dangerous Practice

We have been informed that four boys from the ninth grade fired off a rocket at the Junior High School building Friday of last week. We would not want to discourage any boy or girl in an effort to increase their scientific knowledge but we seriously doubt the wisdom of the firing of the rocket, particularly since it reportedly was done without the supervision or knowledge of any teacher and was done in the immediate vicinity of the school building, possibly with many children nearby. The boys who fired the rocket, Douglas Hoggard, Tony Fisher, W. J. Miner, and Jackie Oates, undoubtedly were simply interested in seeing if they could build one that could successfully be fired and did not (Please Turn To Page Four)

PTA MEETING IS POSTPONED

Due to the boys' basketball tournament which will be in session next week the regular meeting of the Halls PTA set for February 20 has been postponed for one week. The meeting will be held Thursday night, February 27, at 7:30 at the Youth Center. The annual Founders Day program will be presented.

IKE PALMORE RETIRES

After barbering in Halls for thirty-seven years I have sold my barber shop as of this date, February 10, 1958, due to ill health.

I take great pleasure in thanking the people of Halls and surrounding communities for their patronage during my years of barbering. It has always been my pleasure to serve my customers and I am very proud to remember that, at the time of my retiring, I was still serving people that began coming to my barber-shop in early childhood and several that have continued to be my customers ever since I have been in this business.

Again thanking my customers and may God Bless each of you is my prayer. I am

Very Sincerely Yours,
"IKE" PALMORE

Jewell Lee Seeks Circuit Clerk Job

Having been born and reared in Lauderdale County, and having lived here all my life, I feel that I would like to try and be of service to you; therefore I am asking your support in electing me your Circuit Court Clerk.

In seeking this nomination, subject to the action of the voters of Lauderdale County, August 7th, I do so with a feeling of deep gratitude for your confidence.

It will be a source of much pride to me to have the privilege and honor of serving you for the next term.

Your support and cooperation will inspire me to try, at all times, to give you the type of service you deserve.

It will be my sincere desire to exert every effort to administer the office faithfully, impartially and courteously.

JEWELL COFFMAN LEE

Girls' Tourney On At Munford

Halls girls will face Somerville tonight (Thursday) at 7:30 in the Munford gymnasium in their first game of the District 30 tournament. Covington will play Grand Junction at 8:45 in the second game of the night.

Wednesday night Somerville whipped Whiteville 59-46 for the right to meet Halls in quarter-final play. Ripley and Munford advanced to the semi-finals with victories over Brownsville and Brighton. Ripley won over Brownsville 56-31 and Munford, No. 1 seeded team, defeated Brighton 62-46.

Winners of Thursday night games will play in the second semi-final game Friday. Present dope says that Halls and Covington will take victories tonight but Somerville played the local sextet a close game in a recent meeting.

Predictions are that Munford will be rated over Ripley and the Halls-Covington game, if it materializes, will be rated a tossup with each holding a victory over the other.

Finals will be played Saturday night with the consolation game slated to start at 7:30 and the championship game at 8:45.

HOME FROM HOSPITAL

E. B. Williams has returned home after receiving treatment at the Lauderdale County Hospital in Ripley.

Atty. W. C. Patton Died Of Heart Attack Monday

Wiley Compton Patton, prominent Halls attorney and active in the growth of Halls for more than 50 years, died Monday at 1:30 a. m. at his home on South College Street. Mr. Patton had been confined to the hospital and later to his home since March 8, 1957, when he fell at his office and fractured a hip. He was 83.

Funeral services were held at 2 Tuesday afternoon from the Halls Methodist Church with the Rev. J. K. Stuart, Methodist minister, and the Rev. Jesse Newton, Baptist minister, officiating. Burial was in Halls Cemetery with Garner's Ripley Funeral Home in charge.

Mr. Patton was a native of Wattertown in Middle Tennessee but had resided in Halls since 1903, seeing it grow from a small village with mud streets, no sidewalks to the present town. He had been one of the most active figures in civic affairs in Halls since that time. He served from 1918 until 1925 as County Judge of Lauderdale County, had served as both Mayor and Alderman of Halls, was a member of the Lauderdale County School Board for the 12th Civil District. In his church, Halls First Methodist Church, he was a steward, had served as chairman of the Board, had taught Sunday School classes and also served in other capacities in the church.

Mr. Patton was active in the forming of the Forked Deer Electric Cooperative, Inc. in 1940 and had served as its attorney since it was organized although inactive during the past year.

Mr. Patton went from Wattertown to Texas, returned to Lebanon, Tenn. to secure his law degree from Cumberland University, returned to Texas for a short time and then came to Halls to set up his law office which he continued until the past eleven months. For a short time during 1918 and 1919 while county judge he resided in Ripley but returned here during 1919. Mr. Patton had been slightly ill during the past week but had not been considered in a particularly serious condition.

He leaves his wife, Mrs. Etta Talley Patton, to whom he had been married 62 years; a son, Roy Patton, who had been closely associated with him in farming interest in Dyer county; and two brothers, Gary E. Patton and Tollie E. Patton, both of Wattertown.

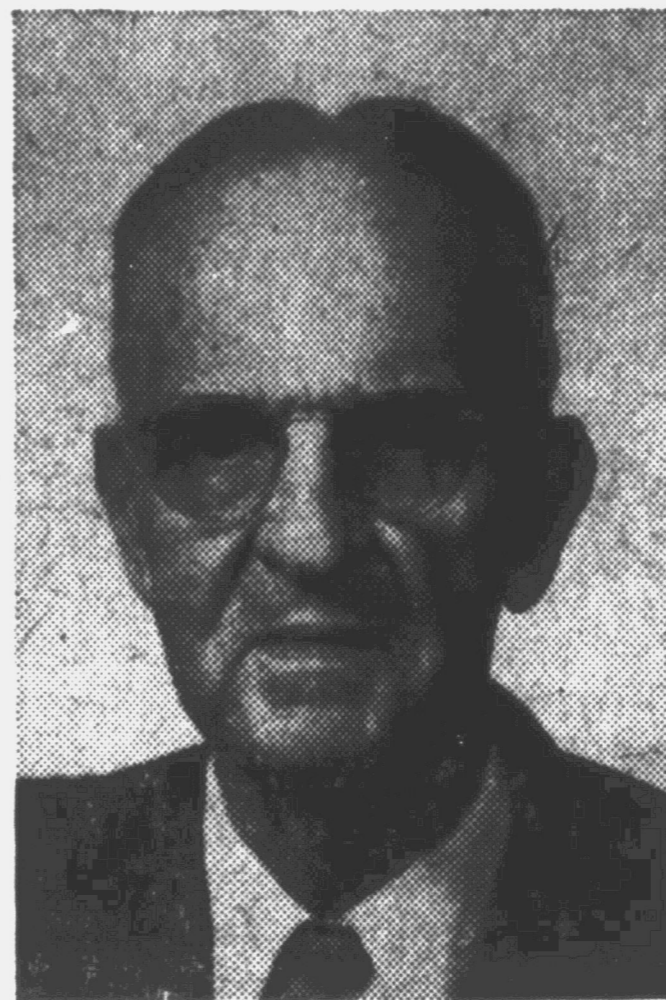

R. E. Turner Died

Richard E. Turner, Sr., brother of Mrs. T. H. Simmons of Halls, died Sunday at Kennedy General Hospital in Memphis after several months' illness. He was 63.

A native of Curve, Mr. Turner was a graduate of the University of Tennessee and had taught school in several towns in Arkansas and in Memphis before retiring in 1957.

Funeral services were Monday afternoon at 2 at National Funeral Home in Memphis with burial in Memorial Park in Memphis.

Surviving in addition to his sister is his wife, Mrs. Hazel Ray Turner, a son, Robert E. Turner, Jr.; a brother, B. B. Turner of Ripley.

W. C. PATTON

Board To Oppose New Highway

The Mayor and Board of Aldermen of the Town of Halls met Monday night, Feb. 10, 1958, for the regular monthly session. The minutes of the last meeting were approved and all bills were paid.

New business coming before the Board was as follows: There were five bids to rent the Air Base farmland for this year with T. L. Mabin being the high bidder at \$2755.00.

Opposes New Highway

The Board went on record to request Commissioner Leech of the Tennessee State Highway Department and Governor Clement to widen and improve Highway 51 rather than build the proposed Highway outside of the city limits of Halls to the west. It is felt that cuts, fills and bridge work will be much less expensive by using the old road bed and further that it will place Halls and Gates at a disadvantage for the Highway to bypass this area.

The members of the Board had a general discussion concerning gas rates and it was decided to make a thorough study of the matter before making a decision to raise rates. A discussion was had concerning the incorporation of the school property and the Air Base property that is owned by the Town. All members of the Board agreed to incorporate the property but with the provision that should privately owned lots, acreage or real property be within the boundaries of the incorporation that the owners be contacted and an agreement be reached, if possible, before a deciding vote on the matter.

MRS. MATTIE GARRETT DIED AT GATES TUES.

GATES — Services for Mrs. Mattie Lee Garrett of Gates were held at 2 Thursday afternoon at Gates Methodist Church with the Rev. J. W. Lewis officiating. Burial was in Gates cemetery with Garner's Ripley Funeral Home in charge.

Mrs. Garrett, who was 88, died at 8 p. m. Tuesday at the home of her daughter, Mrs. O. L. Davis. She had been ill 10 days.

Born near Gates, she was a lifelong resident of Lauderdale County. She was a member of Concord Methodist Church. She was the widow of Ernest Garrett.

She leaves another daughter, Mrs. Viola Ingram of Luxora, 92.9; two sons, Carl Ball of 29 Palms, Calif. and John Garrett of Milan; 8 grandchildren, 12 great-grandchildren, and 3 great-great-grandchildren.

School For Beef Growers Planned

F. H. Paschal
County Agent

Beef producers in this area are invited to register for a two-day school being sponsored jointly by the Shelby County Livestock Association, the State Department of Agriculture, and the University of Tennessee for February 24 and 25 at the Claridge Hotel and Shelby County Penal Farm in Memphis.

The registration fee is \$10.00 with half of it to be paid on enrollment by February 17 by addressing W. G. Brown, Jr., Asst. County Agent, 65 Exchange Ave., Memphis. We shall be glad to provide full information on this school on "Beef Management for Better Profit."

Livestock Plans

W. E. Harlan, president, and Walter Partain, vice-president of the Lauderdale County Livestock Assn., attended the Tenn. Livestock Assn. Annual Conference on Wednesday and Thursday of this week.

At this meeting dates were set for feeder calf sales over the state and leaders heard discussions of performance testing procedures and got latest information on feeding and managing beef cattle, sheep, and hogs for higher profits.

The feeder calf sale for our producers will be held at Thornton Livestock Center beyond Brownsville. This sale has helped producers get better prices for good quality feeder calves in the last three years.

Control Lice On Cattle

And Hogs

Farmers who did not get to spray cattle and hogs for lice in November and December because of the wet weather may be justified in spraying now, even in extreme cold weather rather than continuing to feed lice which may cause cattle to gain less than they should.

Sprays can be applied any time except on cold, damp winter days. Use lindane or DDT or methoxychlor on beef cattle or hogs. Use according to directions on containers or request one of our bulletins which explains details of (Please Turn To Page 8)

'58 HHS Honor Students Named

James C. Peery, principal of Halls High School, today announced the honor students of the 1958 graduating class. Each of these students maintained an average of 90 or better during their high school studies.

Valedictorian of the class is Buddy Murchison, son of Editor and Mrs. Henry Murchison, with an average of 94.97. Second and Salutatorian is Carolyn Ozmert, daughter of Mr. and Mrs. B. Ozmert, with an average of 94.90. Placing third and Historian of the class is Nancy Harrell, daughter of Mr. and Mrs. Byrd Harrell, of Gates, with an average of 94.65.

Other honor students and their averages are: Kay McGarrity, 94.08; Jo Ann Hurt, 93.96; Tilly Burrough, 93.0; Shirley Gooch, 92.9; Harry Wright, 92.2; Evelyn Smith, 92.09; Joyce Thurmond, 91.34; Leonard Meeks, 91.23; Jane Cheshier, 91.06; Thalia Alston, 90.28; Ray Garrison, 90.06.

Boys Tourney To Start Feb. 19

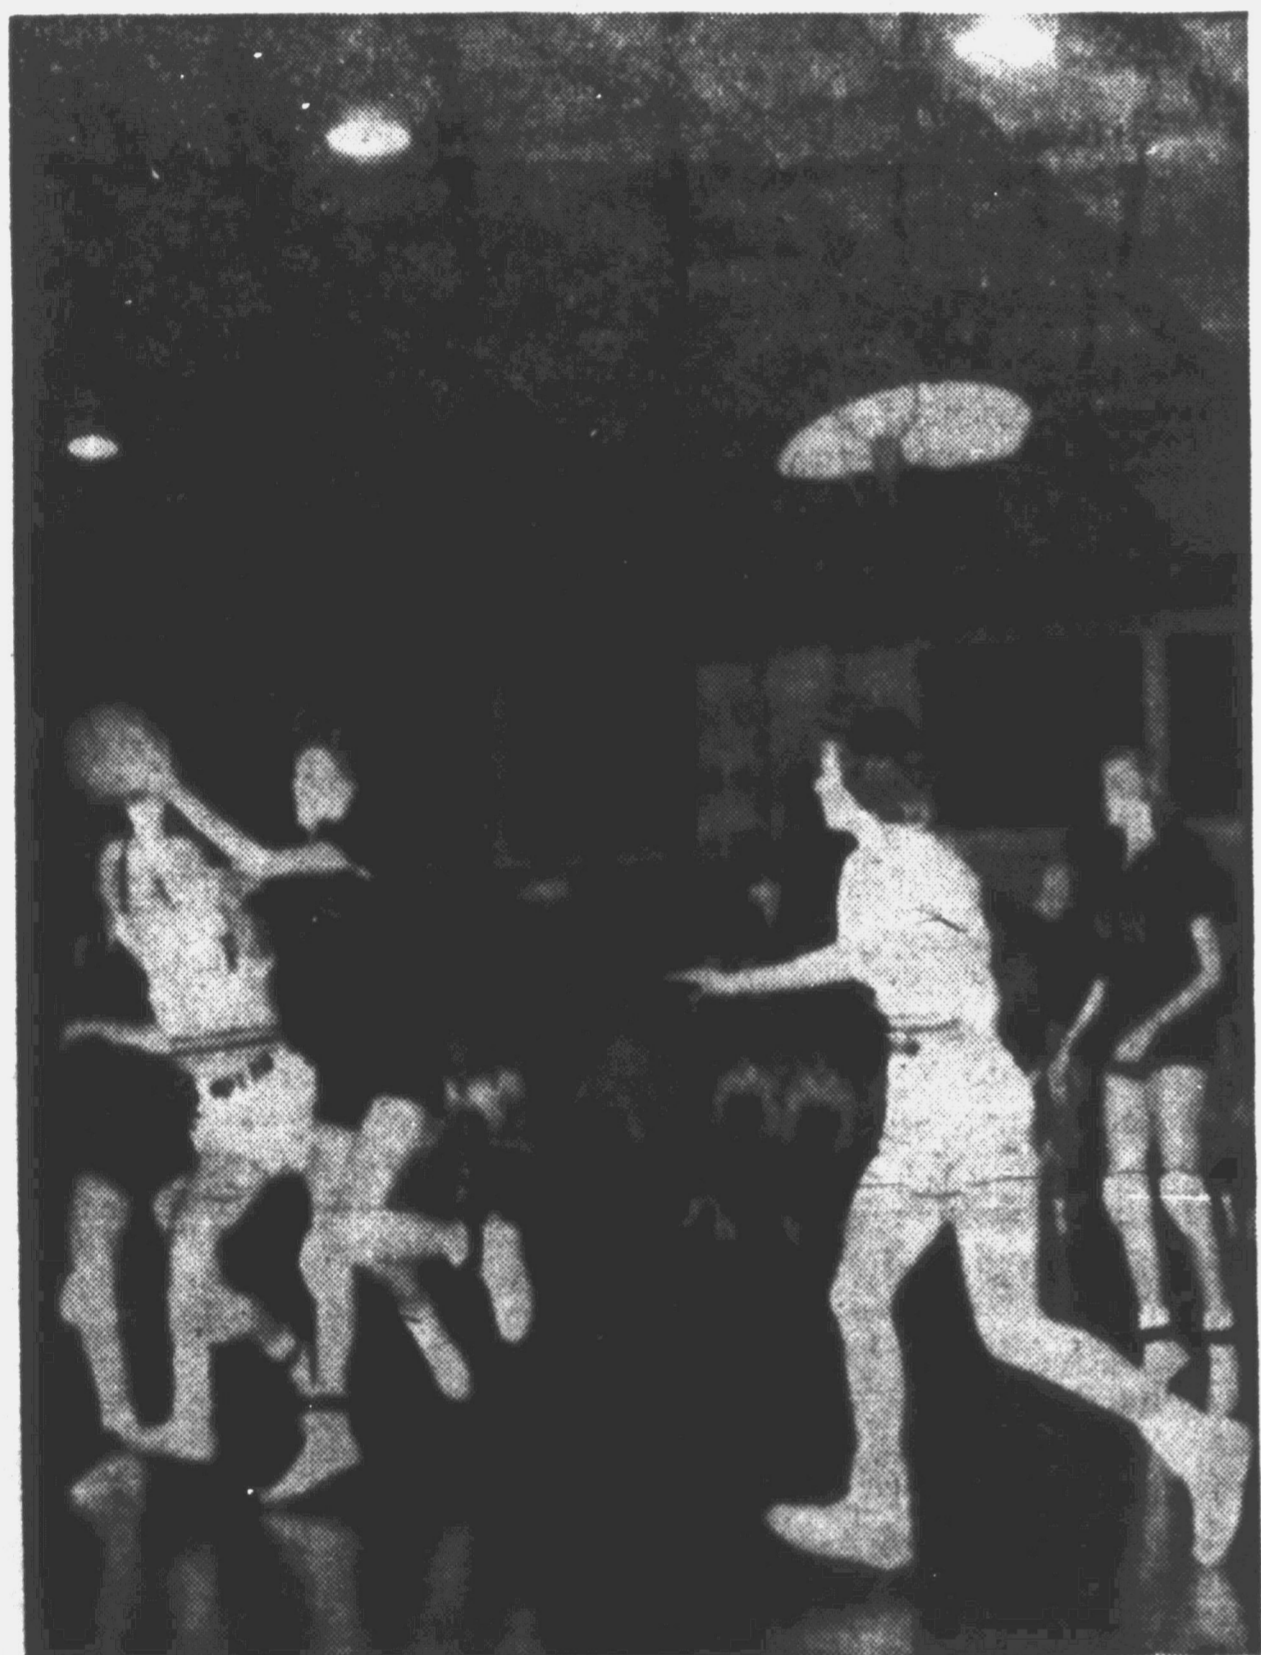

The boys' District 30 basketball tournament will open at Ripley next Wednesday night, February 19, with the Halls Tigers scheduled to face Somerville at 7:45. Seeded No. 1 in the tournament the Tigers are favored to take the championship but can expect rough competition from Brownsville, who they will probably face in a semi-final match with Munford, although unseeded, and Brighton and Grand Junction also expected to be tough.

The complete schedule for the tournament is as follows:

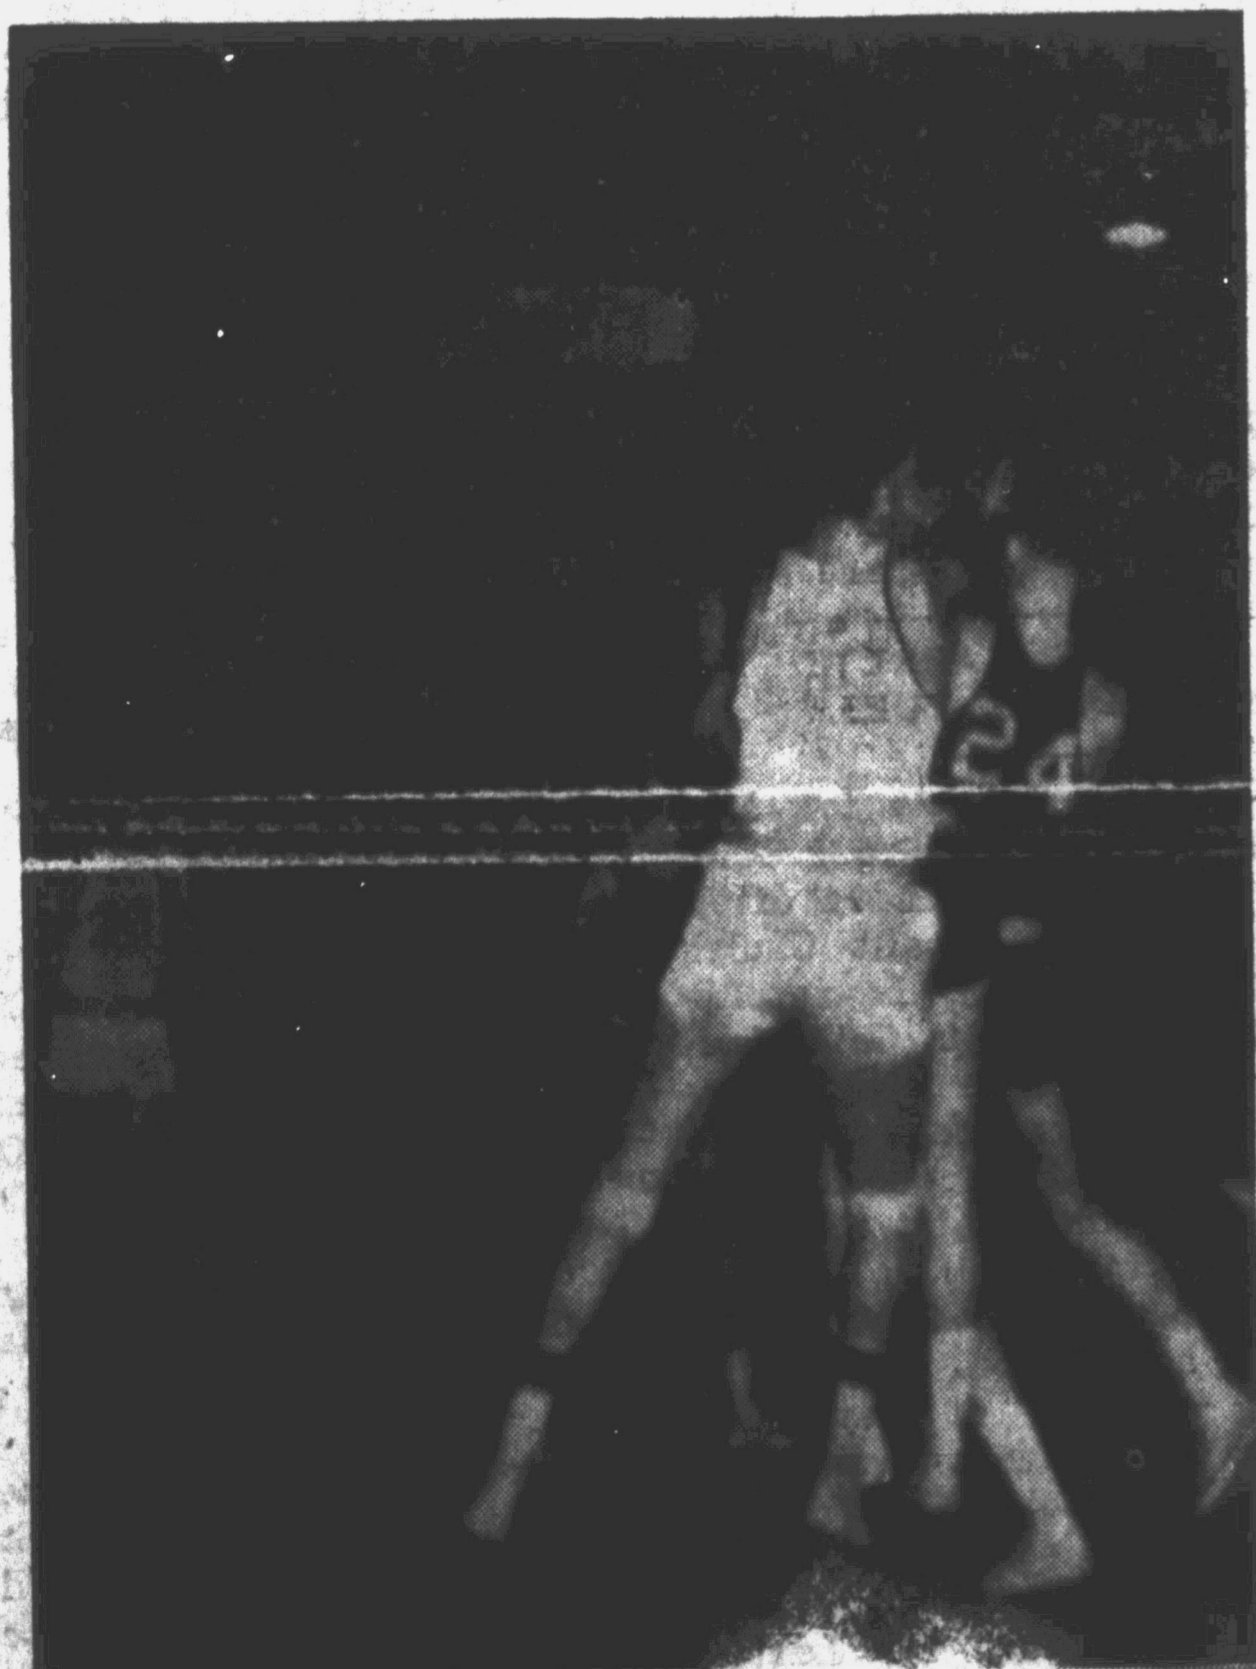

- Wednesday, February 19
 - 6:30 — Ripley-Whiteville
 - 7:45 — Halls-Somerville
 - 9:00 — Brownsville-Covington
- Thursday, February 20
 - 7:30 — Brighton-Munford
 - 8:45 — Winner Game No. 1-Grand Junction
- Friday, February 21—Semi-Finals
 - 7:30—Winners Wednesday Night
 - 8:45 — Winners Thursday Night
- Saturday, February 22 — Finals
 - 7:30 — Consolation
 - 8:45 — Championship Game, —

Halls' girls go into the District 30 tournament tonight to try to recapture the crown after losing it last year. They meet their first hurdle in Somerville. The team is seeded second behind Munford, who won last year, and rates a good chance to regain the title, although still playing without the services of Thalia Alston who was injured early in the season. The girls are, l. to r., front: Lorelle Rainey, Thalia Alston, Letricia Vaden, Evalyn Smith, Anne Younger, Kay McGarrity. Second row: Barbara Sasser, Nadean Clevenger, Patsy Griggs, James Peery, coach, JoAnn Hurt, Betty Hill, Carolyn Williams. Third row: Faye Greer, Memory Patton, Patsy Burks, Carolyn Ward, Phylliss Carmack, Kay Tillman, Elizabeth Alsobrook, Glenda Belton, Fourth row: Pete Meadows, asst. coach, Barbara Vaden, Joyce White, Glenda Queen, Bertie Sue Newman, Sylvia Burns, manager, Pete Anderson, asst. coach. Back: Marione Buffalo, Dorothy Lemons, Carolyn Hand, Melody Meeks, Judy Brandon, Jackie Pickard, Ann Greer, Lilly Hartsfield.

Kay McGarrity reaches for the ball against competition by a member of the Brownsville team while Anne Younger tries to help from behind. Coming up is another girl from Brownsville while Letricia Vaden looks on from the right.

Tommy McGarrity wrestles for the ball with Jim Viers of Brownsville as both try for a rebound under the Halls backboard. Russen Lindsey of Brownsville looks over the situation as does Larry McBride of Halls.

Winners Friday Night

The tournament will be played in the Ripley gymnasium with admission prices 25c and 50c Wednesday and Thursday nights and 50c and 75c for Friday and Saturday night games.

CHOIR DIRECTOR FOR BAPTIST CHURCH

The Halls Baptist Church, effective last Sunday has employed Carlys Scates of Martin as choir director for the church on a trial basis. Mr. Scates assumed his duties last Sunday and in addition to the regular services directed choir practice Sunday afternoon. He will have a regular choir practice session each Wednesday night following the mid-week service.

Teams End Season With Victories

Halls High School basketball teams brought their 1957-58 basketball seasons to a close during the past weekend with double victories over Alamo and Brownsville. The games were played in the Halls gymnasium.

Against Alamo both teams had easy sailing, the girls registered a 47-22 win while the boys were triumphing 56-33.

Friday night, although they played erratically the girls took a 50-34 victory over the visiting Brownsville sextet, but the Tigers already loser to Brownsville once this season, had a busy evening to finally win, 55-51. The Tigers moved along through the first half of the game with a small lead and continued this pace through most of the third quarter when suddenly they began to build up a lead which reached 18 points with four minutes left in the game. Brownsville began a full court press. The Tigers, attempting to slow the game down, began to make mistakes and the outcome of the game remained in doubt until the final seconds. Brownsville, four points behind, with 41 seconds left, missed their chance when they failed to hit at the foul line and although both teams had possession of the ball during the remainder of the game neither was able to score.

The final two victories for the HHS teams left the girls with a 24-3 record and the boys with a

24-3 record with the boys sporting NEW SON

at least one victory over every team they played.

Mr. and Mrs. William Manuel are the parents of a son born Thursday, Feb. 6. He has been named Vincent Tracy Manuel.

Sunday School Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee

Lesson for Sunday, February 16

(Romans 10:14-17; Ephesians 3:7-19)

"The Church Proclaims the Word"

In "Beside the Bonnie Briar Bush", Ian Maclaren tells of the youthful minister who had come to his home community to preach. On Saturday he was heard reading his carefully prepared sermon, as he wondered what impression he would make on his old acquaintances. But his old aunt said to him, "My laddie, don't forget to say a good word for Jesus Christ." A little later he was seen with his face buried a-

mong the rose buds, and next day he forgot his prepared sermon and told simply of what Christ had done for him.

Here is the key to all good Gospel preaching. What does Christ mean to me? The greatest thing that can be said of Paul was that he was a faithful minister of Christ. He prized the grace given unto him to preach "the unsearchable riches of Christ". See the scope of this God-given ministry: "to make all men see the plan of the mystery hidden for ages in God who created all things." (Ephesians 3:7-9).

Every true minister will say, "I was made a minister according to the gift of God's grace." For this reason Paul seemed never to be discouraged. He preached Christ and left results with God. He had to cheer up his friends by reminding them they must not be discouraged by what had happened to him.

Jeremiah, too, kept coming

back to his call. When his heart was breaking because the people would not believe his message, he came again and again to his call for reassurance. He heard God saying to him, "Before I formed you in the womb I knew you, and before you were born I consecrated you. . . . Be not afraid for I am with you to deliver you, saith the Lord."

And yet, in New Testament times it was the Church which ordained men and sent them out to preach. For the sake of good order it must be so today. "How can men call upon Him in whom they have not believed? How are they to believe in Him of whom they have never heard? And how are they to hear without a preacher? And how can men preach unless they be sent?"

Truly all the work of the Church heads up in the pupil? It is in the proclamation of the Gospel that men are brought to faith and salvation. As Luther said, "The Word is the Gospel of God concerning His son, who was made flesh, suffered, rose from the dead, and was glorified through the Spirit who sanctifies. For to preach Christ means to feed the soul, to make it righteous, to set it free, and to save it, if it believe the preaching."

G. Campbell Morgan insists that the Word of God is the wisdom of the pastor and teacher. To speak other things is to prevent the wisdom of men, but to bring the Gospel is the wisdom of God. This mystery of the Gospel is not an external thing but is received by faith. As Ruskin said, "The word of God cannot be made a present of to any body in morocco binding."

Dr. Blackwell's last book, "Doctrinal Preaching for Today," sounds a call for preaching the truth of God which people will hear nowhere else, the deep abiding things that permanently matter. He quotes Phillips Brooks: "Preach doctrine, preach all the doctrine that you know, and learn forever more and more; but preach it always, not that men may believe it, but that men may be saved by believing it."

JAMES GRANT GOODWIN

Son of I. C. Goodwin and Carrie Wright Goodwin, of Halls, has recently been named as one of the honor students at Tylertown, Miss., High School where he is making his home with his uncle, Ira Lee Goodwin. In addition he has won several Who's Who honors at the school, played football and placed second in his class. He plans to enter Louisiana State University in June.

Allen Lee of Covington visited his sister, Miss Mattie Lee, Wednesday.

Honored On Birthday

Butch Baker, son of Mr. and Mrs. C. B. Baker, was honored on his ninth birthday Sunday at a dinner at the home of his parents. Attending were T. G. Langley of Ripley, Frank Lathman and guests, R. C. and Peggy, of Gadsden, Tenn., Mr. and Mrs. Royce Baker of Halls, and Mr. and Mrs. Cecil Baker, Linda and Gary.

Mrs. Wiley Guest Speaker

The WSCS of the Gates Methodist Church met at the church Friday, February 7, for an all-day meeting with each bringing a

covered dish. There were twenty members present. Mrs. Baker was in charge of the devotional which was taken from "The Upper Room." Our book study on Japan was beautifully given by our guest speaker, the beloved Mrs. E. B. Wiley of Halls.

Scouts Honor Parents And Leaders

The Boy Scouts of Gates sponsored a spaghetti supper Wednesday night honoring their parents and leaders. An installation service followed the meal.

Always be sure to call us at AD 4-888 or AD 4-7510 and tell us all the news about you, your family or your friends. We greatly appreciate it.

ORDER OF PUBLICATION

TO STELLA MAE K. PIKE ACIE R. PIKE

vs. STELLA MAE K. PIKE

In the County Court at Ripley, Tennessee.

In this cause it appearing to me from the bill filed herein which is sworn to, that the defendant, Stella Mae K. Pike, is a non-resident of the State of Tennessee and resident of the State of Indiana, so that the ordinary process of law cannot be served on her. It is therefore ordered by the Court that the said Stella Mae K. Pike appear before the Judge of the County Court of Lauderdale County on or before the first Monday in March (it being the 3rd day of said month and a rule day of that term of this Court) and make defense to the bill filed herein against her, or the same will be taken for confessed as true and the cause set for hearing exparte as to her.

It is further ordered that this notice be published in the Halls Graphic, a newspaper printed and published in Lauderdale County, for four consecutive weeks, requiring her to so appear.

This 22nd day of January, 1958.

N. C. UTLEY, Clerk

Publication and Notice Constitutional Convention ELECTION

By virtue of the authority conferred upon me by Chapter 340 of the Public Acts of 1957, and in compliance and accordance with provisions of said Act, I, Joe C. Carr, Secretary of State, hereby make due publication of the fact that there shall be submitted to the people of Tennessee at the Regular Election to be held in the several Counties and Floterial Districts of the State on August 7, 1958, the question of whether or not the present Constitution of Tennessee should be altered, reformed or abolished with respect to certain sections and parts only, in order to ascertain the will of the people with respect thereto, which question shall be printed in full on each ballot and voting machine, in the following words and figures:

CONSTITUTIONAL REFERENDUM

Shall a convention be held to alter, reform or abolish the following provisions and subject matter of the Constitution of Tennessee, to wit: Article IV, Section 1, so as to permit all persons of the age of eighteen years or over the right to vote; Article VII, Section 1, so as to fix the term of office of Sheriff for a period of four (4) years, with no limitation as to the number of terms that he may serve as such; to fix the term of office of Trustee for a period of four (4) years; which convention shall be limited to consideration of and action upon those sections and the subject matter herein above set forth, the action of such convention to become effective as to each amendment adopted by the convention only after being separately submitted to and ratified and approved by the voters of the State?

FOR THE CONVENTION

AGAINST THE CONVENTION

Voters will indicate their vote by placing a cross mark opposite one or other of the above expressions.

Notice is hereby given to all qualified voters throughout the State and especially to all members of the County Election Commissions of the several Counties of the State that said election will be held in all civil districts, wards and voting precincts throughout the State within legal hours on said day for said purposes and that it is provided by Section 2 of said Act that the proper officers of all Counties shall, immediately after said election, make a return to the Secretary of State of the number of votes cast in their respective counties "For the Convention" and the number of votes cast "Against the Convention."

Given under my hand and attested by the Great Seal of the State of Tennessee, this 1st day of February, 1958.

N. C. UTLEY
COUNTY COURT CLERK

CLIFFORD ALLEN

State Senator from Nashville, and gubernatorial candidate in 1952, announced Tuesday afternoon that he will again make the race for Governor in the August elections. Mr. Allen has been a bitter critic of the Clement administration.

CONFIDENTIAL CORNER

(Continued from Page 1)
realize the danger involved. Reports say that the nose of the rocket reached a height of approximately 50 feet. In connection with the firing of rockets by students, state authorities have requested and received the cooperation of the drug stores of the state in stopping the sale of certain chemicals which can be used for rocket fuel to any person except adults. The danger involved in handling of certain chemicals without proper precautions and knowledge was too vividly illustrated last week when three Ripley students were involved in an explosion in the chemistry laboratory of the high school, almost blinding one boy. As we understand this accident involved students with an advanced knowledge of chemistry and with the permission of the instructor to handle the chemicals. Just think what can happen to the average child.

Explorer Scouts Plan Program For Coming Year

Halls Explorer Scout Post 67 met Saturday, February 8, for a planning meeting for the coming year. Feb. 7-13 is the 48th anniversary of Boys Scouts and a re-registration program has been carried out this week. Explorer meetings have been set an hour later, 10 a. m. in the hope of getting some late sleepers to meetings. The next meeting will be Saturday, February 15, at 10 a. m. in the Agriculture Building at the high school. The tentative Post program for the remainder of the year is as follows:
Feb. 15-22: Registration and election of officers.
Advancement: March 1, 8, 15; April 12, 19; May 3, 17; June 28; Sept. 20, 27; Oct. 18, 25; Nov. 15.
Safety: March 22, 29; April 5; July 12, 19; Oct. 4, 11; Nov. 8; Dec. 6, 13.
Outdoors: April 26; May 31; June 21; July 26; Aug. 30; Sept. 13.
Social: May 10; July 5; Sept. 6.
Vocational: May 24; Aug. 2.
Service: June 6, 14; Aug. 9, 16, 23; Nov. 22, 29; Dec. 20, 27.

Mrs. Leonard Andrews is visiting her daughter, Mrs. Mac Pritchett, and Mr. Pritchett in Knoxville.

Mrs. R. S. Bell and Mrs. John Talley of Dyersburg were in Memphis Tuesday to see Mrs. Pinkney Meacham of Ripley, who is a patient at the Baptist Hospital after suffering a fall on ice.

Mr. and Mrs. Floyd Brown of Memphis visited Mrs. Brown's parents, Mr. and Mrs. W. H. Keltner, Sunday.

Mr. and Mrs. Dave Watts, Mr. and Mrs. Buddy Rodgers and Mrs. Cora Thurmond of Poplar Grove visited their brother, A. L. Freeman, and Mrs. Freeman Sunday.

Mr. and Mrs. Fletcher Smith and daughter, Marilyn, of Nashville spent Friday night and Saturday with Mr. and Mrs. Ike Palmore.

Harry Wilson entered Baptist Hospital in Memphis Monday where he underwent major surgery Wednesday. He is in Room 655M. Mrs. Wilson is in Memphis with her husband.

Mrs. Joe Clyde Escue returned Monday after spending a week with relatives in Little Rock, Ark.

Richard Park and son, Mike, of Memphis visited Mr. and Mrs. Ike Palmore Wednesday.

Mr. and Mrs. Emmett Parker, Jr. and son, Garfield, visited Mr. and Mrs. Wilson Viar in Ripley Sunday afternoon.

Mrs. C. C. Nearn returned on Saturday after spending the past two months in California with her daughter, Mrs. Edd Herndon. Mr. and Mrs. Herndon accompanied her here. They spent Friday and Friday night with Mr. and Mrs. Bryan Nearn in Memphis.

CARD OF THANKS

May I take this means of expressing to each of you my very sincere appreciation for your kindness while I was in the hospital. Thank you for the cards, the visits, the telephone calls and every expression of cheer.
E. B. Williams

GARDEN CLUB HAS REGULAR MEETING

The Halls Garden Club held its regular monthly meeting Thursday, Feb. 6, in the home of Mrs. T. N. Dyer with Mrs. Herman Abernathy, Mrs. F. G. Craig and Mrs. Y. S. Brown as hostesses.

Mrs. J. T. Connell, president, presided over the business session, after which Mr. Peal, asst. county agent, gave an informative talk on the potting of plants.

Delicious hot tea and cookies were served to fourteen members.

Tells Progress of Youth Center

The Halls Community Club met Monday night, January 20, 1958, to select new officers and make plans for the year of 1958.

The following officers were elected: Mrs. Jerry Puckett, president; Mrs. Charles Alsbrook, vice-president; Mrs. Pete Burks, treasurer; and Mrs. Travis Davis, secretary.

The Halls Community Club was organized in 1955 when the few active members of the American Legion Auxiliary decided to discontinue and form a Club including any and every one interested in the welfare of the youth of our town and surrounding communities. Officers elected were: Mrs. Isaac Nunn, president; Mrs. Gilreath Dyer, vice-president; Mrs. Fred Craig, secretary, and Ms. Lous Levy, treasurer.

The old Halls Elementary School building, having been condemned, had been used as a skating rink under the supervision of the Auxiliary. The Auxiliary, while active, had landscaped and sodded the area behind the building, erected and blacktopped tennis courts and built a barbecue pit.

The first big project for the newly organized club was to raze parts of the condemned building, leaving what had been used as the Auditorium to be converted into the Youth Center. Permission was granted to the Club by the Mayor and Board of Aldermen and with local assistance the Club secured labor from the Penel Farm for this task. The long and strenuous task of renovating the building was begun. Before too many months the building had been converted into a very attractive building — inside and out and ready for use.

The building was opened to the young people of the town during the Christmas holidays of 1956. Grand opening was held on Sunday afternoon, January 1, 1956, with a tea inviting the public. One hundred and fifty persons called during the afternoon.

Early in the month of January, 1956, the task of organizing the rules and regulations for membership for the Youth Center was begun. A committee consisting of Louis Levy, Marshall Pierce, James Peery, Mrs. Clyde Younger, Mrs. Ross Dyer and Mrs. Robert Hines was appointed to draw up and present basic rules for adoption by the Club. The rules presented were accepted and still apply with amendments being made as the occasion presents itself, correcting the few minor details not foreseen in the beginning. A copy of the original rules was presented to each member of the Youth Center.

The Club wishes to announce to the public two years of operation without any major unpleasantness occurring. The few minor unpleasant things that have happened have been corrected without too much trouble on anyone's part. However, as in any

group as large as the ones that have attended the Youth Center we find a few rude and hard to handle children.

During the year 1956, 8,399 members and their visitors registered and during the past year, 1957, 7,224 members and their guests with at least four chaperons present each open night — Friday and Saturday nights of each week. Parent cooperation would do much to aid in the few cases where misbehavior has occurred.

In addition to the activity inside the building, the Club has sponsored the playground during the summer months, paying a qualified supervisor \$450.00 each summer. Handicraft was taught to the group attending the morning sessions and tennis and different types of ball during the afternoon. The Little League Baseball Team was organized and played at least two games each week. Two shuffle boards were placed on the porch of the building this past summer.

The Garden Club has added to the attractiveness of the grounds surrounding the building by purchasing and setting out \$73.00 worth of trees and shrubs. The Agriculture Class of Halls High School set out shrubs and trees donated to the Club.

For the year 1958 the Club plans to sponsor a "Coffee" for

elderly women of the town. Plans are being made for supervised activity during open nights.

Friday nights have designated for members from first grade through the sixth and Saturday nights for junior High and Senior High members.

The building is available for the use of any Civic organization and is available for rent for any social event planned by anyone. The building has been used for meetings of the Garden Club, Eastern Star, Scouts, Civic Club, Parent Teachers Association, teas and many private parties.

We urge all parents and any one interested in any of the activity sponsored by this Club to become a member by paying \$2.00 membership fee for the husband and wife or any one individual — whether or not you wish to be active in this club your membership will be greatly appreciated and will help finance some phase of good clean entertainment and sport for our youth.

The February meeting will be held Monday night, February 17, at 7:30 as a social gathering for all interested in aiding this club in any way — men are especially invited. Refreshments will be served.

You are cordially invited to attend and urged to become a member.

RIPLEY POWER & LIGHT CO.

GRANDSON OF MRS. WITT MARRIES AT HUMBOLDT

HUMBOLDT, Tenn. — A wedding of interest to their many friends in this area occurred Friday, January 3, 1958, when Miss Mary Louise Hutchinson, of Tiptonville and Memphis, pledged her marriage vows to Samuel

George Bell, of Memphis, and Humboldt. Miss Hutchinson is the daughter of Mr. and Mrs. T. W. Hutchinson of Tiptonville and Mr. Bell is the son of the Rev. and Mrs. George Bell of Humboldt.

Beautiful in its simplicity the double ring ceremony was said by the Rev. William T. Barnes at the home of the groom's parents, chosen in order that the groom's father, who is an invalid, might be present. The sacred rites were pronounced before an improvised altar in front of the fireplace in the living room. Forming a lovely background was an oblong arrangement of white chrysanthemums combined with white stock, greenery and gilded eucalyptus leaves flanked by double crystal candelabra holding glowing white tapers.

Given in marriage by her father, the bride was beautiful in a beige suit fashioned with fitted jacket complemented by small

feather hat sprinkled with rhinestones and accessories of brown lizard. She carried a white E.ble crested with a yellow-throated white orchid and lilies of the valley.

Her only attendant was Mrs. Charles York of Memphis, who served as matron of honor. She wore a tailored two piece dress of black velvet trimmed with rose brocade with matching accessories and a corsage of white carnations.

Serving his brother as best man was Robert Witt Bell of Humboldt and Murray, Ky.

The bride is the granddaughter of the late Mr. and Mrs. J. W. Hutchinson and the late Mrs. Clara Longmier of Wauke, Iowa. She is a graduate of Tiptonville High School and the Baptist Hospital School of Nursing in Memphis. She was a member of National Honor Society, cheer leader, Girls' State Representative and was active in school, church and music activities. At present she is assistant to the supervisor on the 12th floor at the Baptist Hospital, Memphis. Mr. Bell is the grandson of Mrs. A. B. Witt and the late Mr. Witt and the late Mr. and Mrs. R. S. Bell of Halls.

He graduated from Central High School in Memphis and took his pre-med at Murray State College, Murray, Ky. He will graduate from the University of Tennessee School of Medicine in December, 1958. He is a member of Phi Rho Sigma medical fraternity.

For her daughters wedding Mrs. Hutchinson chose a dress of navy blue with rhinestone trim. Her attire was complemented by rhinestone jewelry and a corsage of white carnations.

The groom's mother, Mrs. Bell, was attractive in a sheath frock of lilac crepe with three-quarter length sleeves, wearing amethyst and pearl jewelry and a corsage of white carnations pinned at her shoulder.

Reception Held

Immediately following the ceremony an informal reception was held in the Bell home.

The dining room table made a pretty picture with its imported cloth of linen, cut-work, embroidery and lace. Centering the board was an exquisite arrangement of pink carnations, and maidenhair fern interspersed with white burning candles in a crystal epergne.

The wedding cake, beautifully iced in all white, occupied one end of the table while a silver coffee was placed at the opposite end, presided over by Mrs. William T. Barnes, with silver appointments completing the setting.

Hors d'ouvres, country ham biscuits, bridal mints and salted nuts were served with the wedding cake and coffee to members of the immediate families and a few very close friends who attended the ceremony.

The bride and groom are making their home at 1279 Lamar, Memphis.

and more capacious cows are usually the best producers and they also have the longest production life.

The best feeds for heifers is good quality legume hay fed in liberal amounts and supplemented with proper amounts of grain, plus a good quality protein feed. Some silage can be substituted for legume hay but there must also be some adjustment made in amount of grain and protein fed in this case.

Large, growthy dairy heifers are also more in demand as far sales are concerned. Prospective buyers will always pay more for well grown, mature looking dairy heifers than they will for the smaller, undeveloped and underfed heifers. These are the kinds that we often find in the lots of some of the dairymen and with a wiser management program we could turn these kind into more profit and with very little, if any more cost to the owner.

Did You Know?

That back in 1920 we had in this country more than 70 million

meat animals; in 1957, there were more than 95 million! That the total cattle on feed in 1980 in this country was a little over 8 million head; last year there were more than 6 million. That in 1987 we had 62,519,000 pigs saved in this country; last year more than 90 million were saved.

Freeing the railroads will benefit you!

There's much talk these days about helping the railroads. The real truth is the other way round. It's the public that needs help from the railroads.

Keeping the national economy and our defenses in high gear demands more efficient, more economical transportation. This the railroads can achieve by taking on the complete, competitive job they have long wanted to do.

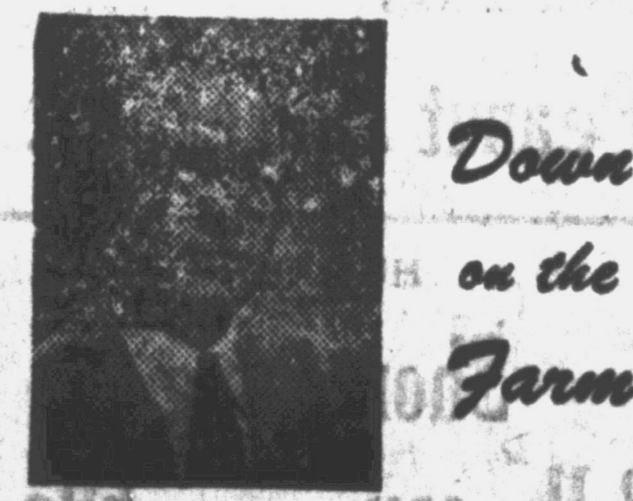

Given the chance, railroads can deliver to the public the benefits of all forms of transportation, each performing the jobs it does best. Only systems such as this, each with integrated ownership under single management, can produce the ultimate economy and efficiency in transportation.

Freeing the railroads to achieve these goals is important to you. For it will lighten the burden on every family budget by providing economical transportation that will be reflected in the cost of everything you buy.

To gain these benefits, certain federal transport laws must be changed. It is to your interest to let your representatives in Congress know how important these changes are to you.

An extra one hundred pounds of weight on a dairy heifer at first calving may mean that she will produce from fifteen to twenty-five more pounds of butterfat every year that she is in the herd.

This by no means suggests that growing dairy heifers should be kept fat. But they should be fed in such a way that they will grow rapidly and develop into large cows with plenty of capacity to eat large amounts of roughage. It is a well known fact that with in each day breed, the

Confidential Corner

We're Very Proud

Like all parents we are very much pleased that Buddy was able to finish at the top of his class and was named valedictorian last week. We are particularly proud since he has been active in a great many other things including working with us at the Graphic since he was about eight years old and for the past four or five years regularly with responsibilities of his own in this newspaper. We want to congratulate and we are almost tempted to offer condolences to Carolyn Ozment and Nancy Harrell, who came so very close to taking top honors — Carolyn only .07 of a point behind and Nancy a little more than .3 of a point. Several others had exceptionally good averages and fourteen in all finished with an average of 90 or better with 3 or 4 others just barely missing.

— HELP HALLS PROGRESS — Smart Aleck

We received a card from Stuart Crimfield this morning that we claim to be a little on the smart aleck side. You see he wrote us that it is hot in Arizona where he, Margaret and Mrs. McDearman are visiting "Red" and Louise Thompson. Considering the kind of weather we have been having here we believe that the card was maliciously intended. We're almost — but not quite — tempted to hope the weather we are having here will continue until he gets home. That would teach him.

— HELP HALLS PROGRESS — Good News

Mayor Jerre Jordan is this week announcing the coming of another small payroll to Halls with the announcement that Prest Lumber Company has leased a location on the Air Base for a lumber yard and the firm will employ some fifteen to twenty-five persons. Every additional job here certainly means a great deal to Halls at this time.

UNDERGOES OPERATION

Robert A. "Fats" Everett, recently elected Congressman from the 8th District, is reported as resting well in a Washington, D. C. hospital after a gall bladder operation Sunday morning. Cong. Everett entered the hospital suffering from flu but doctors discovered a diseased gall bladder and recommended its removal.

Here it is! That white stuff! Five inches of it poured down on Halls during nearly a twenty-four hour period, beginning Friday morning and not letting up until early Saturday James Vaden, (left) and his brothers, Johnnie and Lewis were well pleased with the spectacle and made the best use of it. The snowball being made by Johnnie was intended for your photographer and he caught it squarely in the middle immediately after this picture was snapped. Temperatures ranged down to zero and went slightly above freezing for the first time today with low temperatures predicted for several more days.

Girls' Region 8 Tourney Set At Henderson

The Covington girls scored two free throws after the final whistle in their semi-final game with Halls last Friday night to end the local girls' attempt to bring the championship trophy back to Halls. Final score was 48-46 with the lead see-sawing back and forth to keep the crowd on the edge of their seats. Munford whipped Ripley, 54-51, in another thriller to reach the other spot in the finals.

Saturday night Covington, improving all the season, slapped Munford, 42-35, to win the championship while Halls prevailed over Ripley, 48-39 to win third place and a spot in the Region 8 Girls Tournament to be played at Henderson, Wednesday thru Saturday of next week, Feb. 26-March 1.

Pairings for the Region 8 tournament are as follows:
Wednesday Night, Feb. 26
7:30 — Lexington vs. Covington
(Please Turn to Page 6)

Community Club To Have Member Drive

The Halls Community Club held its February meeting Monday evening at 7:30 at the Youth Center, this being a social gathering with the men especially invited. The heating facilities for the Youth Center have proven to be too small for this extreme cold weather and although the building was cold the fellowship was warm.

Mrs. Jerry Puckett, the new club president, was assisted by other members in serving delicious home-made pie and hot coffee to those present. The table was attractive with a lace cloth and centered with a lovely floral arrangement, compliments of Miam Flower Shop. During the evening dancing, ping pong, and just good conversation was enjoyed.

The main purpose of the meeting was to launch a membership drive for 1958. Those wishing to become a member may pay their dues to Mrs. Charles Alsbrook at the Mayor's Office.

The following people have paid their dues for 1958:
(Please Turn To Page 6)

OUTSIZED ICICLE

Rebekah (Mrs. M. E. McDearman, Jr.) has been running around bragging about the outsized icicle hanging from the eaves of the McDearman garage. Buddy went out and took a picture of it for her the other night to send their son, Tommy who is working in Florida. Bud reports the icicle is more than five feet long and seven or eight inches around. Incidentally, Rebekah may have a couple of black and blue spots because of the icicle. You might ask her about it.

Mayor Jordan Tells Of New Payroll

Prest Lumber Company of Bolivar, Tenn., will locate a lumber concentration yard on the Halls Air Base. The location of the yard will be on the old Motor Pool grounds and just south of the Water Plant. This area of some eight acres is covered with gravel and concrete floors. Mr. C. C. Stockard, Manager, stated that this acreage would be ideal for the Prest operation.

The following agreement was reached, after checking with the Board of Aldermen: The Prest Lumber Company has agreed to pay \$250.00 per year on a five year contract with a five year option to retain the yards with these further provisions: to employ from fifteen workmen up and with all workers to be residents of this area. Further that the company will make all purchases such as gas, oil, etc. from the merchants of Halls. The company will move a permanent Superintendent to live in Halls.

Mr. Prest is closely affiliated with James E. Stark Lumber Company of Memphis. The Prest Company will purchase green lumber from all sources in Northwestern Tennessee with purchases totaling some \$250,000.00 a year involved.

Respectfully Submitted,
JERRE JORDAN, Mayor

Lt. Daws Receives Silver Pilot Wings

Second Lieutenant Winston J. Daws, son of Mr. and Mrs. Winston Daws, 219 Church St., Halls, recently received his silver pilot wings in graduation exercises at Goodfellow Air Force Base, Texas.

A graduate of Halls High School, Lt. Daws attended the University of Tennessee where he was graduated with a B. S. degree in Business Administration in August of 1956. He received his commission through the AFROTC program at the University. Lt. Daws is married to the former Edna Stephens of Dyersburg.

TWO FIRE CALLS

The Halls Fire Department has answered two fire calls during the past week. Early Thursday morning of last week fire broke out in outhouses behind the H. O. Davis home on Locust street destroying the buildings before the truck could reach the scene. Some mechanics tools and other equipment was destroyed. Tuesday afternoon of this week the truck answered a call to the Lewis Garage on West Tigrett St. A cleaning fluid tank had caught fire from a spark from a torch but the fire was quickly extinguished and damage was done.

Weather Probably Affects Boll Weevil

F. H. Paschal
County Agent

Cotton farmers are doing a lot of planning toward the making of a profitable cotton crop in 1958. Many are getting soil sample boxes and planning to get samples from fields as soon as possible in order to better know amounts and kinds of fertilizer to use for highest yields.

Many farmers are interested in using chemical weed control which can be applied in a 12-inch band on top of the rows as cotton is being planted at a cost of \$2.50 per acre to prevent growth of crab grass and many other weeds for a period of from four to six weeks. The cost of chopping last year will encourage farmers to try this plan.

Other farmers are checking their supply of planting seed and having them dehulled and treated, tested for germination, and put in bags for easier handling. Some are buying needed seed now. All cotton farmers are wondering what effect this severe weather is having on boll weevil numbers and are trying to make plans for controlling boll weevils in cotton in 1958, if that is necessary.

Climate Makes A Difference

Climate must make a difference to boll weevils. Lauderdale County farmers grew 23,500 bales of cotton in 1921 and 27,343 in 1922 but picked only 11,000 bales in 1923 when boll weevils hit. Weather records do not show an extremely severe winter in 1923-24, but the County Agent said that weather conditions during the year as a whole were not favorable to boll weevils and that it was not necessary to poison them anywhere in the county. There were 23,080 bales of cotton produced in 1924 and 31,000 bales produced in 1925 which was a good cotton year.

Boll weevils did not do us any
(Please Turn to Page 6)

Halls - Brownsville Meet In Semi-Finals

Halls boys will face the Brownsville quintet Friday night in the first of two semi-final games in the District 30 tournament being played at Ripley this week. The second, semi-final match will be played between winners of Thursday night games.

Tonight (Thursday) Brighton and Munford will pair off at 7:30 and Ripley, winner over Whiteville, 52-34 in the opening game of the tournament Wednesday night, will face Grand Junction. Both Ripley and Grand Junction have been rated as dark horses in the tourney.

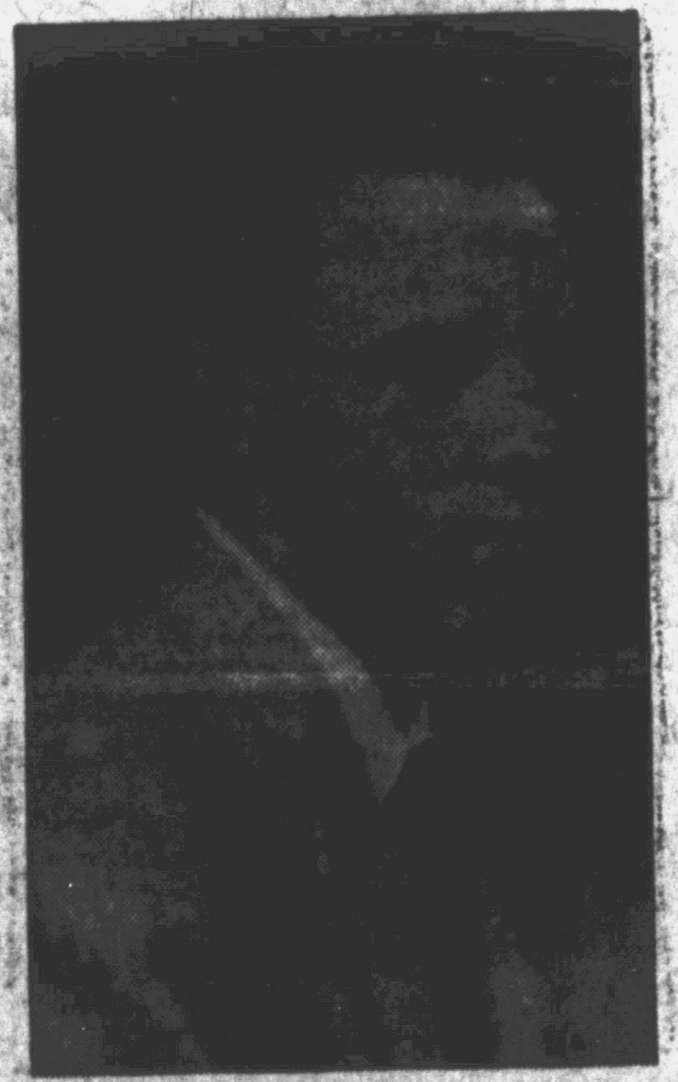

In other games Wednesday night the Tigers jumped out to a 20-4 first quarter lead and eased by Somerville, 59-36, with Tommy McGarrity getting 22 points. Early Thursday and Josh Nunn racking up 21. In the third game Brownsville caught a tough one in Covington but managed a 40-39 win as Covington held it close all the way. Games Thursday and Friday nights will begin at 7:30 and 8:45 with two games scheduled for each night. Finals will be played Saturday night with losers Friday night to meet in the consolation game at 7:30 and the championship game set for 8:45. Admission price for semi-final and final games is 50c and 75c.

4-H CLUB TO SPONSOR SWINE SHOW, SALE MAR. 1

by Charles Peal

Twenty-five Lauderdale County 4-H boys will exhibit about 60 head of purebred swine at their Spring Show on March 1 at the Wiley T. Daniel's Motor Co. in Ripley beginning at 9:00 a. m. A sale at 1:30 in the afternoon will feature brood stock that these boys hope to place with farmers in the surrounding area.

This show will feature the Poland China, Hampshire, Duroc, and Chester White breeds. The 4-H swine program in this county has as its goal, the breeding of meat type quality that will be economical in the feed lot and command a higher price on market day. Four-H members in Lauderdale County have already played an important part in the improvement of swine here and hope to continue to play an ever increasing role.

Show prizes will be awarded the boys in the form of articles useful in their swine program such as hog troughs, heavy pails, feed, and worm medicine. Alex Claiborne of the State Dept. of Agriculture, and Fred Powell of the University of Tennessee Extension Service, will be the judges.

Poland Chinas will be featured in the afternoon sale of which there will be six bred sows, 23 open gilts, four bred gilts and ten fall boars. All hogs are vaccinated and Bang's tested and registration papers will be furnished the seller. For any further information contact Charles Peal, Assistant County Agent, Ripley.

This show and sale is sponsored by the Lauderdale County Livestock Association, W. E. Harlan, President. Mr. Harlan hopes that all interested breeders and friends will be present and see what these 4-H youths are doing.

4-H Public Speaking Program March 7
Boys and girls all over the county are preparing for the county-wide 4-H Public Speaking Program to be held on Friday night, March 7. Acquiring the ability to speak convincingly in public, originate material and to develop leadership are some of the objectives of this program.

Speeches are of seven minute duration and can be on a wide variety of subjects. Judging will be based on the composition, and delivery of the speeches. Two divisions, Junior and Senior, will each have the top boy and top girl selected, all of which receive medals and a trip to Jackson to compete in the district contest on March 15.

We would like to urge all club members interested, to enter this worthwhile program.

Awards Given for Best Records

Each of the Junior 4-H Clubs in the county submitted their project records in December. From these are selected the top record and the boy receives recognition for the good program he carried out.

For the year, 1957, a panel of judges selected these boys in the Halls area as having the best records in their clubs: Syl Dew, Halls 8th, Soybeans; Mike Chipman, Halls 6th, Beef; Ronnie Carmack, Curve 7th and 8th, Swine; Larry Carter, Gates, Swine; and Danny Cates, Nankipoo, Swine.

CARD OF THANKS

There is never any time that one is ready nor anything that can completely ease the pain of the sudden loss of a loved one, but certainly we can say from the depth of our hearts that every effort was made to help us in our hour of grief. Your beautiful floral offerings, every word of sympathy and condolence and each act will always be treasured by us. Please believe that we are unable to express our sincere appreciation.

Mrs. W. C. Patton
Mr. and Mrs. Roy Patton

CUB SCOUTS PLAN BLUE & GOLD MEETING

Ben Eaton, Cubmaster, has announced that Cub Scout Pack 67 will hold its Blue and Gold meeting Tuesday night, March 4th, at 7 o'clock at the Youth Center. Color slides of the Scout Jamboree will be shown by Mrs. Geron Brown, of Dyersburg. Guest speakers will be West Tenn. Area Council Scout Executive Scotty Carlisle of Jackson and Perry Green, of Trenton, scout field representative.

All parents of cub scouts, committee members and Institutional Representatives are urged to attend this meeting.

MRS. WALTER HAWKINS

MAURY CITY — Mrs. Walter Hawkins died at her home Monday after a long illness. She was 79.

Services were held at 2 Tuesday afternoon at Zion Hill Baptist Church near Friendship with burial in the church cemetery.

She leaves her husband, Walter Hawkins; three sons, Willie Hawkins of Chicago, Lawrence Hawkins of Friendship, and Walter Hawkins, Jr. of Port Lavaca, Texas; two daughters, Mrs. Craig Ing and Mrs. Russell Brasfield, both of Friendship.

Tennessee Top

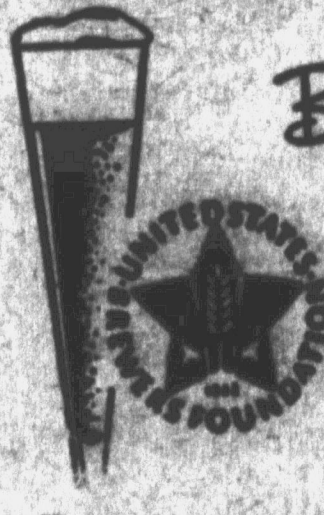

Wildwood Concert

In 1852 a crowd gathered at the junction of what is now U. S. Highway 31-W and State Highway 52 in Sumner County. Jenny Lind, one of the greatest singers of all time, was passing through on the stage coach from Nashville to Louisville.

When the coach stopped, they asked her to sing. And there by a spring, the Swedish Nightingale graciously sang for the country folk who would have no other opportunity to hear her.

Nowadays Tennesseans enjoy hearing the world's great singers right in the home through radio, phonograph or television. Just as music is a part of modern Tennessee homelife, so is beer, the light, bright beverage of moderation. At home or dining out, its good taste is always in good taste.

News from Gates

Mrs. Finis Hardy
 Mr. and Mrs. Gene Davis and son, Jeff, of Champaign, Ill. were called to attend the funeral of their grandmother, Mrs. Mattie Garrett, last week.
 Gaylon Hardy, Mrs. Lomas Garrett and daughter, Mitzi, and Mary Garrett of Memphis spent the weekend recently with Warren Garrett at Fort Smith, Ark.
 David Trexler of Scotts Field, Illinois, spent Sunday with Mr. and Mrs. Homer Hand.
 Mrs. Arlene Brasfield, Mrs. Sisie Stark of Maury City, spent

Monday with Mrs. Vernon Gilliland.
 J. A. Palmer is a patient in the Lauderdale County Hospital.
 Miss Gulgare Halliburton and mother visited Dr. and Mrs. Herman Middlecoff in Shepp, Tenn., recently.
 Rev. John Lewis preached at Bowling Chapel Sunday. D. J. Riley also attended church there.
 Frewl Buffaloe returned home from the hospital last Friday and is doing nicely.
 Mr. and Mrs. Keith Coffman and son, David, attended the Shrine Circus in Memphis Monday.
 Rev. Tom Stone and Mrs. John Lewis were dinner guests of Mr.

and Mrs. Wilmer Criner Sunday. Rev. Stone was guest preacher at Concord Church.
 Mrs. Wymond Carter of Memphis spent Monday night with Mrs. Perry Chisholm.
 Mrs. C. J. Baker is in Memphis at the bedside of her mother, Mrs. Ivie Beard, who is a patient in a hospital, there.
Methodist WSCS Meets
 The WSCS of the Gates Methodist Church met in the home of Mrs. Norman Sloan Monday evening with Mrs. Homer Hand, Mrs. D. J. Riley and Miss Byrd Sloan as co-hostesses. Mrs. C. B. Baker presided over the meeting. Mrs. Marvin Voss opened the meeting with prayer. Mrs. Finis Hardy had the devotional, the subject used was "Ordinary But Needed". A regular business session was held. Mrs. Perry Chisholm was program leader with the subject being "Those Who Serve." Assisting her on the program were Mrs. Blanche Thurmond, Mrs. Russell Jackson, Mrs. Homer Hand, Mrs. Vernon Gilliland, Mrs. Marvin Voss and Mrs. Paul Avery. Most welcome visitors were Mrs. Mabel Carter and Mrs. Roy Williams. After the meeting a delicious salad and dessert plate was served.

Soil Conservation Work. Progress has been made in these years, but the job ahead becomes greater each year. Our good productive soil is still being lost to erosion. Yields are decreasing, demands for certain crops are decreasing, tenants and small landowners are leaving the farm, and at the same time the cost of living and the cost of production is increasing; all of these factors when added together means that a better job of farming must be done in the future. The Board of Supervisors with the assistance of the Soil Conservation Service Technicians is ready to help any Lauderdale County landowner with problems that arise on his farm.
 One member of the Board of Supervisors was re-appointed in 1957. Mr. Lynwood Grammer was re-appointed by the University of Tennessee. Other members of the Board are: Reid Dunavant, Joe Beard, W. C. Viar and Francis Thompson. Messrs. Dunavant, Beard and Viar will be up for re-election by the landowners of Lauderdale County this fall.
 Records on file in the District office show that Cooperators applied the following practices in 1957. On Cropland: 515 acres of conservation crop rotation, 4,566 acres of cover crops, 1,196 acres of contour cultivation and 1,428 acres of crop residue utilization. On Grasslands: 579 acres of pasture seeding and 141 acres of sericea lespedeza and alfalfa. On Woodland: 5,400 acres of harvest cutting, 10,800 acres of improvement cutting, 44 acres of tree planting and 6,213 acres of woodland protection. On Wildlife: 32 fishponds stocked with fish, 1,006 rods of multiflora rose were set and 92 acre of wildlife area improvement. On Structural Practices: The District assisted with 2,000 feet channel improvement, 931 acres of drainage and 45 farm ponds.
 The District received 133 ACP referrals in 1957. All referrals were for site selection, layout and supervision of construction. Technicians of the Soil Conservation Service serviced the referrals.
 The District Supervisors wish to express our appreciation to all the landowners, businessmen, civ-

ic groups, and county, state and federal agencies for their help in carrying out the District program in 1957. We realize without the help of everyone the program would fall short of its goal.
 The District Supervisors are working with the Vocational Agriculture Instructors at Ripley and Halls and the FFA boys on the District FFA program. Conservation films were shown to 3,360 people in the county in 1957.
 The County Agent, Mr. F. H. Paschal, met with the supervisors on regular meeting nights to help with the soil and water conservation problems.
 The State Fish and Wildlife Service furnished multiflora rose seedlings to cooperators of the District. Bass and bream were furnished by the U. S. Department of the Interior for stocking new ponds in the county.
 We want to thank the editors of the Lauderdale County Enterprise and the Halls Graphic for their cooperation in publishing news articles on Soil and Water Conservation.
 Application of conservation practices have shown an increase but the need for sound conservation practices will be greater in 1958. We will try to reach everyone desiring our help and will render the best assistance possible by calling on the technicians and specialists of the Soil Conservation Service.

CONSERVATION DISTRICT SUPERVISORS MAKE ANNUAL REPORT
 The Board of Supervisors wants to congratulate the farmers of the Lauderdale County Soil Conservation District on the progress made in Soil and Water Conservation in 1957. The Board is happy to make this report to the people.
 In 1957 thirty-one landowners signed cooperative agreements with the District. This brings the total to 964 cooperators representing an acreage of 155,956 acres. Of the 964 cooperators 781 have a complete soil and water conservation plan. The complete plans have a soil capability map, soil description sheet, land use map, cropping plan, plan of conservation operation and data on livestock and pastures.
 The Lauderdale District has just completed seventeen years of

Woodland: 5,400 acres of harvest cutting, 10,800 acres of improvement cutting, 44 acres of tree planting and 6,213 acres of woodland protection. On Wildlife: 32 fishponds stocked with fish, 1,006 rods of multiflora rose were set and 92 acre of wildlife area improvement. On Structural Practices: The District assisted with 2,000 feet channel improvement, 931 acres of drainage and 45 farm ponds.
 The District received 133 ACP referrals in 1957. All referrals were for site selection, layout and supervision of construction. Technicians of the Soil Conservation Service serviced the referrals.
 The District Supervisors wish to express our appreciation to all the landowners, businessmen, civ-

TRIBUTE TO JUDGE W. C. PATTON
 W. C. Patton was elected President of Lauderdale County Farm Bureau just as it was coming out of the depression years and needed a valiant leader.
 As a farmer, he understood and wanted to help solve the problems of farm people, and his training and experience as a lawyer and public official made him a most expressive and effective leader in his county, state and nation during the eight years he served as Farm Bureau president.
 Membership grew to more than 550 under his leadership and its influence multiplied many times. Judge Patton wrote the resolution adopted by the County Court to get the Peabody School Survey made to determine the schools needed to provide equally good schools for all children in the county. He began the method of getting new Farm Bureau members now used all over Tennessee. He helped train and inspire the leadership which has gone on to build the Farm Bureau to be the largest and most effective farm organization in the world.
 To express our gratitude for his faithful work and our kindest regard for him and his family, this statement is being published in the newspapers of the county whose people he served so well.
LAUDERDALE COUNTY FARM BUREAU
LAUDERDALE - TIPTON MEDICAL AUXILIARY MET WITH MRS. ELMORE
 The Lauderdale - Tipton County Medical Auxiliary met on Monday, February 17, in the home of Mrs. J. T. Elmore with Mrs. L. S. Tucker as co-hostess.
 During the business meeting, plan were completed for the fashion show, sponsored by the Auxiliary, for their local work and American Medical Education Foundation. The Fashion Show will be held in the Ripley High School Auditorium March 7th at 7:45 p. m. Fashions will be furnished by Levy's of Halls and Specialty Stores in Ripley and shown by local models.
 After the conclusion of the business meeting, luncheon was served to the eight members attending.
 Patronize Our Advertisers and read about them in the Graphic each week. Trade in Halls and make Halls grow.

MOON SATELLITES AND THE BIBLE

"And God said, 'Let us make man in our own image, after our likeness and let him have dominion over the fish of the sea and over the fowls of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.'" Gen. 1:26.

God made man in his own image and gave him authority over all the earth, but he did not delegate his power to man over the heavens or the universe.

In John 3:13 we find Jesus saying to Nicodemus, "And no man hath ascended up to heaven, but he that came down from heaven, even the Son of Man which is from heaven."

Now in this 20th century we find man endeavoring to discover means of traveling from this earth to other planets. Mind you that are planning this and they plan to leave God out of their planning.

Jesus Christ is the only one who ever made the round trip to heaven and back again, and man will never be able to travel the trackless trails of infinite space, except he does it in God's way, and that way is the way of faith in the Lord Jesus Christ. We can mention Enoch, Elijah, Paul (2nd Cor. 1:4) all transported on wings of faith, with out the inventive genius of man, and finally Jesus himself, Lord of both heaven and earth, who promises his believing children, that he will come again in like manner as he went away. Jesus told his disciples in John 14:2-3, "In my father's house are many mansions, if it were not so I would have told you, and I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to myself, that where I am there ye may be also."

Ever since Satan persuaded man to disobey God and assert his own

will over God's will, man has had an overpowering urge to try to make himself equal with God, to be able to say, "Look at what man has wrought, he has demonstrated that man can do what God does, he is not only king of the earth, with all the earth's creation under his dominion, but he will demonstrate to all creation that he is able to do what God can do."

Recently a little article appeared in a publication quoting an outstanding scientist, who said in substance, "Now that man has put up the true satellite of his own, he is well on his way to making himself the center of the universe, and of all creation."

And here is the statement of a high ranking top man in the United States Army Ballistic Missile Program. He boasts that these interplanetary missiles "will free man from his remaining chains, the chains of gravity which still tie man to this planet and it WILL OPEN TO HIM THE GATES OF HEAVEN."

We find in the Bible two characters, one man and one devil, who had ambitions to accomplish feats that only Deity only might achieve.

One is Lucifer, or Satan, after he got kicked out of heaven by the Almighty.

We have the record in the 28th chapter of Ezekiel, 13th to 15th verses, that God first put Satan on the earth. "Thou hast been in Eden, the garden of God; every precious stone was thy covering. The sardis, topaz and the diamond, the beryl, the onyx and the jasper, the sapphire, the emerald, the carbuncle and gold; the workmanship of thy tabrets and thy pipes prepared in thee in the day thou wast created; thou art the anointed cherub that covereth, and I have set thee so; thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire; thou wast per-

fect in thy ways from the days thou wast created, TILL INIQUITY WAS FOUND IN THEE!

It appears that Satan as we shall now call him wouldn't stay on the earth after iniquity overcame him, for we find the prophet Isaiah, writing by inspiration in the 14th chapter of Isaiah, "How art thou fallen from Heaven, Oh, Lucifer, son of the morning; thou art cut down to the ground, which didst weaken the nations, for thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the STARS OF GOD; I will sit also upon the mount of the congregation, in the North; I will ascend above the clouds, I will be like THE MOST HIGH."

We have learned from God's word that Lucifer had an exalted place on earth in Eden, in the garden of God; but he aspired to go up to heaven and to exalt himself above the Almighty.

Note that in just two verses of this 14th chapter we hear Satan saying, "I will ascend into heaven — I will exalt my throne above the stars of God; I will sit upon the mount; I will ascend above the heights of the clouds; I will be LIKE THE MOST HIGH."

Five times in two verses of the 14th chapter we find him saying, "I will, I will, I will". Doesn't that sound like Adam and Eve in the Garden of Eden when they heeded the advice of Satan and said I will partake of the tree of knowledge of good and evil; I will have the wisdom of the most high, I am in charge here, I have a right to do as I please.

So with the nations today who are disdainful of God's sovereignty and refusing his offer of pardon and forgiveness and refusing to accept His Son as their Saviour.

The other character I mentioned in a previous paragraph was a man named Nimrod and the Bible tells us in the 11th chapter of Genesis this grandson of Noah led his tribe to undertake to build a tower that would reach to heaven. In the 4th verse of this 11th chapter we hear this: "And they said, go to let us build us a city and tower, whose top may reach unto heaven; and let us make a name lest we be scattered abroad upon the face of the whole earth. And the Lord came down to see the city and the tower which the children of men builded. And the Lord said, the people is one, and they all have one language, and th's they begin to do; and now nothing will be restrained from them, which they have imagined to do. Go to let us go down and there confound their language that they may not understand one another's speech. So the Lord scattered them abroad from thence upon the face of all the earth; and they LEFT OFF TO BUILD THE CITY."

This reminds us of man's vain effort right now in this age we now live in — to make one world. The Wendell Wilkie dream — the United Nations they call it now, thirty-five years ago they called it the League of Nations. Their dream is to have one government, one United Nations army, one universal language, one united educational program, one world bank (they have it now), one world Church — all under one super-government head. They now have the machinery, all the organization, all the committees, all the buildings all over the world, every thing ready and complete; but they lack one important thing — the right leader; a modern Nimrod, the Anti-Christ spoken of in the Bible to lead all the Gentile Nations to war against Christ and try to dethrone Him.

The whole unregenerate human race seems set on destroying themselves. We have to admit that great advances have been made in nuclear inventions and discoveries of science; all designed to kill and destroy. No wonder we have such perplexity, such terror, such anxiety, such uncertainty. But God will never let man destroy himself or the world. This he will reserve for himself and in his own way. Before that hap-

pens the Lord will come down. For behold, the Lord cometh out of his place to punish the inhabitants of the earth for their iniquity; the earth shall also disclose her blood and shall no more cover her slain." Isaiah 26:20-21. God will make his power felt just in time to save the Saints. "Except those days should be shortened, there should no flesh be saved." Matt. 24:21.

Before the great battle between Satan and his hosts and Jesus and His saints shall be fought, Jesus will return to earth and take his people out of the world and then the unregenerate nations will experience the woes spoken by Jesus: "For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be." Matt. 24:21.

We that live in what is supposed to be the strongest citadel of Christianity — in America — I fear, are too complacent, too self-satisfied, too at ease in Zion. We are too boastful of our accomplishments, our wealth and our power, our fine Churches, our so called modern culture. We still brag about our freedom of speech and freedom of worship and religion and the superior government we have. What we should admit is that we once had these things but not any more. We say we are rich, but we are poor. We say we are good and an example to the rest of the world; but what kind of an example? We do have juve-

nile and adult delinquency, which is worse. We do have the highest crime rate of any nation, calling itself a Christian nation.

We could boast about the enormous amount of alcoholic drinks consumed in America and the dirty movies and crime stories on the television every day and night, right in our living rooms, over 85 million of them. We point the finger of criticism at the Russian Communists and the Chinese Reds and Nassar, when we need to realize that judgement begins at the House of God, that of the three wars fought in this century in which we were participants that we were also to blame as well as Germany and Japan and Red China and Red Russia. That our own lust for riches and world power indicted us in the eyes of God and the world, and we stand guilty as charged.

If we have faith we shall be encouraged that no matter what may come to pass in these perilous times, we can trust Him to whom we committed ourselves — the Rock of Ages, the Christ of redemption. "And when these things begin to come to pass, then look up and lift up your heads, for your redemption draweth nigh."

Telephone Talk

by **ROGER GANIER**

Your Telephone Manager

WHAT'S IT WORTH? Seems to me the simple everyday pleasures in life are those we seem to enjoy most: a leisurely cup of coffee, a friend's cheery hello, the song of a bird. Such little things in life mean a lot, but you can't put a price on them. You only know you'd miss them if you couldn't have them. I like to think of the telephone this way . . . that it brings folks a lot of pleasure. Naturally, it's a real convenience, too, and it gets a lot of things done fast. But to me it does its best work when used to add a touch of happiness to your day or someone else's. That's why if I were asked to put a value on the telephone beyond its pure usefulness, I'd say it was the "heap of pleasure" it can bring to so many folks. Yes, it's fun to phone.

"NO MATTER HOW SMALL THE PLACE, CASPER MUST HAVE A DEN WITH HIS OWN TELEPHONE."

UNDER THE BLANKET. That's where the first telephone booth was. Here's how it happened. Alexander Graham Bell, inventor of the telephone, and his assistant, Thomas A. Watson, were conducting their experiments. They put a telephone in Watson's boarding house room. Mr. Bell had his phone somewhere else and the two of them talked back and forth. Apparently, they were rather noisy and Watson's landlady complained. So, Watson improvised a telephone booth by throwing the blankets from his bed over the instrument to shut in the noise. Then he crawled under the blanket to talk. Today, we don't have "to holler" over the phone, and modern telephone booths keep noise out and let you call in comfort. These and other telephone conveniences are the result of continuing research to help make your telephoning more pleasant.

AUTO TAGS

I am very sorry but the motor vehicle department has changed our tags and they are a mess. They are so messed up that I don't believe anyone except an escapee from some mental institution designed and numbered them. I took great pleasure in reserving your same numeral. The C tags that run from one up are no more; they go from one to 999 (less even numbers as there will be no more even numbers) then back to B-01 to 999.

I have called Nashville and no one knows who did this dirty trick, maybe he has been taken back to the Institution from which he escaped.

I am very sorry but all who have left checks for any numbers from 1000 up will have to be assigned another number.

F. H. Paschal

damage from 1923 until 1957 except in small spots. These facts should encourage us as we plan toward the 1958 crop.

We do not know exactly what effect weather has on boll weevils but we have every reason to believe that boll weevils will never be the problem to us that they have been to Mississippi and other areas south of us. We do need to learn more about this insect and we do need to prepare to provide control of it in the fields where the application of poisons would be profitable. Even in 1957, it would not have been profitable to apply poisons to all cotton in Lauderdale County. We need to learn how to check our fields so that we can tell when control is necessary and profitable and when it is not.

Boll Weevils Are Main Threat

About eight years ago when we got cheaper and better insecticides, many people became convinced that it would be profitable to spray cotton for all kinds of harmful insects beginning when the cotton came out of the ground with two leaves on it.

Careful tests made by Experiment Stations in Louisiana, Arkansas, and Alabama in the last four years have convinced entomologists in these states that it does not pay to spray for thrips when cotton is small nor even for "seed" weevils nor fleahoppers before cotton starts squaring. It does not even pay to poison against boll weevils unless infestations are heavy, but boll weevils can multiply rapidly and reduce yields considerably when conditions are favorable for their multiplication and migration.

Lauderdale County farmers have every reason to believe that the same things that made a high yield of cotton in 1955 will make high yields in 1958. It is most important that we work toward the making of good and firm seedbeds with plenty of fertilizer under them ready for getting a good stand of cotton at early cotton planting time. It is important that we cultivate shallow and hat we do everything else to encourage cotton to grow to the profitable picking stage we so much love in Lauderdale County.

HALLS, TENNESSEE, FRIDAY MORNING, FEBRUARY 28, 1958

NUMBER 9

Confidential Corner

Our Sympathy

... to the families of R. H. Jordan and E. G. Parker. Both men have been very active in civic affairs in Halls and Gates and have played a definite part in the progress of our two towns.

Congratulations

... to the Halls Tigers for their feat of winning the District 30 championship and good luck to both the Halls girls and Halls boys in Region 8 play. Conceivably Halls could have both teams in the state tournaments but each team will have to play at their maximum ability to reach this goal.

A Step Forward

Perhaps a step forward in our efforts to secure industry here was made Monday night when the Halls Civic Club agreed with Barker Associates for the firm to advertise the Halls industrial sites and push efforts in that direction. The meeting March 10 will be of interest to every citizen of Halls and every business and professional man should plan to attend.

Boys Win District 30 Championship

Grand Junction jumped out to a 3-point lead in the District 30 championship game Saturday night and then Halls went to work to annihilate Grand Junction, 78-45, to the surprise of no one.

Josh Nunn hit for 22 points, Larry McBride had 19 and Tommy McGarrity had 18 as the Tigers built up a 64-29 lead through three quarters with the second team playing a large portion of the fourth quarter.

The Tigers reached the finals when they slapped Brownsville, 60-45, while Grand Junction slid by Brighton, 52-47, in overtime. Brownsville, only team in District 30 to defeat the Tigers during regular season play, was well in the ball game during the first half.

Mrs. Ella Cousins Died Sunday

Mrs. Ella Cousins, wife of the late Henry L. Cousins, former resident of the Porters Gap community, died shortly after noon Sunday at her home in Dyersburg following a heart attack. She was 78.

Funeral services were at 2:00 Monday afternoon at Antioch Church of Christ with Claude Hall, Church of Christ minister of Henderson, Tenn., officiating. Burial was in Halls Cemetery with Halls Funeral Home in charge.

Mrs. Cousins resided in Lauderdale County, at Porters Gap and Halls until a few years ago when she moved to Dyersburg. She was a member of the Church of Christ.

Surviving is a son, Leroy Cousins of St. Louis, Mo., a daughter, Mrs. Donie Chambers of Dyersburg; two sisters, Mrs. Matt Agee of Arlington, Tenn. and Mrs. Ethel Watters of California; six grandchildren and two great-grandchildren.

H. E. Pentecost, president of Halls Civic Club and Mayor Jerre Jordan (right), discuss with Col. Bob Barker (left center) of Louisville, Ky., and James R. Pirtle of Jackson, prospects of bringing additional industry to Halls. Col. Barker, who is a member of the firm of Barker Associates, real estate auctioneers and industrial promoters, of Hopkinsville, Ky. was here at the invitation of the Halls Civic Club to discuss efforts to bring industry here. Mr. Pirtle is Industrial Consultant with the Tennessee Industrial Commission and has been working closely with local officials. Some forty-four men attended the meeting at the school cafeteria Monday night.

R. H. Jordan Died Thursday A. M.

R. H. Jordan, Sr., retired timber buyer and former Mayor of Halls, died in his sleep early Thursday morning following a heart attack. Mr. Jordan had been in ill health for the past few years. He was 78.

Funeral services will be at 3:15 this (Friday) afternoon from Halls Baptist Church, the Rev. Jesse H. Newton, pastor, officiating, assisted by the Rev. J. K. Stuart, Methodist pastor. Burial will be in Halls Cemetery with Sudbury Funeral Home in charge.

A native of Halls, Mr. Jordan was the son of the late Robert Caruthers Jordan and Fannie M. Jordan, pioneer Halls family. Active in civic and political affairs in Halls, Mr. Jordan served eight years as member of the Board of Aldermen, sixteen years as Mayor of Halls and a number of years as school board member for the 12th civil district and as chairman of the County School Board. Mr. Jordan was the school commissioner when the high school building was built in 1924. He was a member of Halls Baptist Church.

On June 26, 1907, he was married to Miss Pearl Trabue at Alton, Illinois, and last year they celebrated their Golden Wedding Anniversary with a quiet Open House at their home on South College street.

Surviving is his wife, Mrs. Pearl Jordan; three daughters, Mrs. Russell Moore of Dyersburg, Mrs. Frank Budde of Shreveport, La., and Mrs. George Crumpler of the Hawaiian Islands; three sons, R. H. Jordan, Jr. of Alton, Ill., Mayor Jerre Jordan of Halls, and Bruce Jordan of Memphis. Also surviving are four sisters, Mrs. Marshall Pierce, Sr., Mrs. H. A. Townsend, and Mrs. N. G. Parrish, all of Halls, and Mrs. W. Barbour of Memphis; and ten grandchildren.

Nephews and neighbors will act as pallbearers.

FAMILIES FAIL TO CALL FOR FLOUR, MEAL, ASKED TO COME WEEKEND

Eugene Robeson, County Commodity Clerk said Thursday that more than 400 families over the whole county have not yet come for the allotment of meal and flour which they can get for the first month. He urges them to come and get this flour and meal some time today (Friday) or tomorrow (Saturday), Feb. 28, or March 1, since the commodity warehouse will be closed all next week for the taking of inventory and preparations for putting out of the allotment of food next month.

Girls Playing In Regional Tourney

Halls girls will face Adamsville, second place team in District 32, tonight (Thursday) in their first game of the Region 8 Girls Basketball Tournament. Game time is 8:45. In the first game tonight Munford, runnerup in District 30, will play Henderson, District 31 champion.

Wednesday night Covington, District 30 champion, defeated Lexington, District 31 runnerup, 42-36, and Scotts Hill slipped by Michie, 41-36.

Friday night Covington and Scotts Hill will meet in a semifinal game and Thursday night's winners will meet in the second

(Please Turn To Page 6)

JR. HIGH TO SPONSOR BASKETBALL TOURNEY

Hubert Jones, principal of Halls Junior High School, has announced that in Invitational Junior High Basketball Tournament will be held here on March 10, 11 and 13. The games will begin at 7:15 on Monday, Tuesday and Thursday nights. Entering both boys and girls teams in the tournament will be: Alamo, Trimble, Ridgely and Halls. A complete schedule of games will be published in the next issue of the Graphic.

Civic Club Pushes Industry Hunt

Col. Bob Barker, of Louisville, Ky., was the principal speaker at the meeting of Halls Civic Club Monday night of this week. The meeting was held in the school cafeteria with some forty-four men attending.

Col. Barker, member of the firm of Barker Associates, real estate auctioneers and industrial promoters, of Hopkinsville, Ky., was here at the invitation of George Edler and attended the meeting through an invitation from H. E. Pentecost, club president.

Col. Barker and the Civic Club reached an agreement whereby Barker Associates will advertise industrial sites for Halls and in return the Civic Club agreed to furnish 10,000 copies of the Town of Halls brochure which has recently been compiled and published. Col. Barker has agreed to mail the brochures to prospects throughout the nation. He will advertise the sites in connection with an agreement with Mr. Edler to offer the former Shawnee Mfg. Co. property for sale.

Col. Barker agreed to attend the next meeting of the Civic Club on Monday night, March 10, and bring with him another representative of the firm to complete details of the agreement to push the effort to secure industry for Halls.

Club President Pentecost has issued an invitation to every businessman and interested person to attend this meeting, whether they are members of the Civic Club or not. An attempt will be made to have at least 85 to 100 men attend the meeting.

YOUTH CENTER CLOSED

Mrs. Jerry Puckett, president of Halls Community Club, has announced that the Youth Center will be closed Friday night because of the death of R. H. Jordan. It will open as usual Saturday night.

Livestock Ass'n Plans Projects

F. H. Paschal
County Agent

Directors of the Lauderdale County Livestock Association met last week under the leadership of W. E. Harlan, President, to make plans for getting increased membership and to decide on projects to be carried out this year.

W. L. Partain, Tom M. Scott, Lewis Walker, J. O. Paris, Lynn Ammons, and Taylor Rice, Directors, discussed with the President the urgent need for livestock producers in Lauderdale County to work together to make better use of the information available which might increase production efficiency, and also the need for cooperation toward development of better markets for livestock which can profitably be increased for greater farm income in the years ahead.

Spray Orchards Now

Cold has delayed the application of oil emulsion to peaches, apples, and other orchard trees which should now be sprayed as soon as possible before buds swell and trees get tender.

Liquid lime sulphur should be added to oil emulsion for peaches which had leaf curl last year. Brown rot is controlled by getting all the peaches off the trees and off the ground under the trees and spraying three times as peaches go through the blossom stage.

We have excellent spray bulletins which tell just how to make these spray solutions and when to apply them to the various varieties of fruit.

Fertilize Pecans

More pecan every year fertilize pecan trees for higher yields of good quality nuts. A good application (Please Turn To Page 6)

Parker Victim Of Heart Attack

E. G. Parker, Sr., member of the Lauderdale County Quarterly Court for Gates and acting Mayor of Gates, died at his home there about 7:30 Thursday morning following a heart attack. He was 78.

Funeral services will be at 2 Friday afternoon from Garner's Ripley Funeral Home in Ripley with L. B. Brown, Gates Church of Christ minister, officiating, assisted by the Rev. John Lewis, pastor of Gates Methodist Church. Burial will be in Gates cemetery with Garner's in charge.

Mr. Parker was a native of Crockett county, the son of the late James B. and Cornelia Oldham Parker, but had spent the major portion of his life in Gates. He was a member of Gates Church of Christ.

Mr. Parker was the owner of extensive farming interests in Crockett county, president of Gates Gin Company and a director of Gates Banking & Trust Co. He had served as a member of the Board of Alderman and also as city recorder.

Surviving is his wife, Mrs. Hattie Humphreys Parker, whom he married Oct. 16, 1909; a son, E. G. Parker, Jr. of Halls; three daughters, Mrs. Ella Parker Harwell, Nashville, Mrs. Annie Mary Alexander, Dyersburg, Mrs. Cornelia Lawrence of Greenwood, Miss. Also surviving are three sisters, Mrs. A. F. Lucas of Canton, Miss., Mrs. Mary E. Ferguson and Mrs. Laura McPherson, both of Memphis; and seven grandchildren.

POLITICAL ANNOUNCEMENTS

FOR CIRCUIT COURT CLERK LEE—The Graphic is authorized to announce Mrs. Jewell Coffman Lee as a candidate for election as Circuit Court Clerk in the General Election on August 7, 1958.

FOR COUNTY JUDGE LEWIS—The Graphic is authorized to announce Dr. J. R. Lewis as a candidate for re-election as County Judge in the General Election on August 7, 1958.

Begin Work On Power Lines

Another payroll was added here during the past few days as a construction crew for Irby Construction Co., of Jackson, Miss. moved into Halls to begin work on the conversion to heavy lines of some twenty-nine miles of power lines around Halls and Newbern for Forked Deer Electric Cooperative, Inc.

Expectations are that some three months will be required to complete the contract with thirty to thirty-five men employed on the job. Several trailers have moved onto the Blue & White Service Station lot and the Town of Halls has cooperated by running a sewer for use by the trailers. Other families have rented apartments here with some workmen living at Perry's Hotel.

Amount of the contract is \$160,899.24 according to H. E. Pentecost, manager of Forked Deer Electric.

Negro Badly Hurt In Fight Monday

Betty Perkins, negro woman, is in Lauderdale County jail charged with attempted murder following a fight between negro couples on Parrish Lane late Monday afternoon.

In a serious condition in a Memphis hospital is Freeman Laird. Laird is reported to have a fractured skull and other injuries received when the Perkins woman struck him with an axe.

The fight is said to have started between James Perkins, husband of the arrested woman, and Laird. Reports say that Laird had Perkins on the ground and was threatening him with a knife when the Perkins woman attacked Laird with the axe.

City Marshal J. E. Goodson arrested both the Perkins woman and her husband but Perkins was released later Monday night.

LEAVES HOSPITAL

Billy Steelman, of Halls, Route 2, was able to leave Ripley hospital early this week and go to the home of his daughter, Mrs. W. G. Thompson, Jr. in Ripley. Mr. Steelman is reported as improved after several weeks in the hospital following a heart attack.

4-H Club News

Charles Peal, Asst. County Agent
The sale this Saturday of 4-H swine are consigned by Jimmy Griner, Gates; Ronnie Floyd, Arp; Larry Kiestler, Curve; Jerry Moore, Ripley; Gary Riley, Curve; Jerry Ammons, Arp; Robert Smith, Central; Junior Sinclair, Arp; Larry McMahan, Flippin; and J. W. Hilliard, Halls, which total 43 head of purebred swine.

This sale is the result of interested 4-H boys and their Dads who are striving to develop good type and quality hogs that will feed out economically and at the same time be the type that the consumer is demanding. We hope that the farmers in this area will take note of this and purchase some of these animals to improve their brood stock.

The Livestock Committee composed of J. O. Paris, Taylor Rice and Lynn Ammons met with all the consignors Monday night and plans were set up concerning the sale and show. They, as well as the boys and their fathers, believe this is a good thing and all cordially invite the public to attend the show at 9:00 a. m. and the sale at 1:30 p. m.

For the benefit of the town people and other interested persons we are having the hogs brought in late Friday afternoon so that they may be inspected

right after working hours Friday and up until 8:00 o'clock Friday night.

National 4-H Week, March 1-8
National 4-H Week is a time of recognition for more than 2,155,000 4-H boys and girls throughout the nation. Four-Hs are carrying on interesting and worthwhile projects in farming, homemaking, community service, and many other activities. Lauderdale County has 1150 members who belong to 23 clubs.

Helping 4-H youth everywhere are state and county Agricultural Extension workers, local volunteer leaders, and parents. This year 4-H Week features "a salute to Parents" who with about 358,000 volunteer leaders make 4-H work possible.

Locally we are starting 4-H Week with one of our two swine shows this year and completing the week with the Public Speaking Program Friday night, March 7. During the intervening week the Ripley Senior 4-H Club will bring your way information on activities of the 4-H program in this county.

RECUPERATING

Tommy Meeks, farmer of the Antioch Church community, is reported as improving after suffering a stroke some ten days ago. He is at his home.

HALLS FFA CHAPTER OBSERVES NATIONAL FUTURE FARMER WEEK

Future Farmers of America members throughout the nation have held special activities during this week, Feb. 22-March 1, to focus public attention on the work of their organization.

Membership in the FFA is made up of farm boys who are students of vocational agriculture in high school. The organization's activities are designed primarily to help develop rural leadership and good citizenship and to stimulate the boys to better achievement in their study and work toward successful establishment in farming.

The Halls FFA chapter has approximately 75 members. H. G. Conley and Jaspey Taylor, vocational agriculture instructors in HHS, serve as advisors of the FFA chapter. Membership in Tennessee is more than 15,000 and the National FFA has more than 380,000 members.

Governor Frank Clement has proclaimed this week, Feb. 22 - March 1, as Tennessee's Future Farmers Week.

NOTICE OF SALE

Whereas, on the 28th day of September, 1957, by deed of trust recorded in the Register's Office at Ripley, Tennessee, in Trust Record Book 19, page 89-90, Leonard A. Lyons and Margaret V. Lyons conveyed to D. R. Nunn, Trustee the hereinafter described real estate to secure 2 notes as follows: Note No. 1 in amount of \$682.82 and Note No. 2 in amount of \$1150.00.

Whereas default having been made in the payment of both notes and other provisions of the said deed of trust violated, and the said Forcum-Lannon, Inc., the true and lawful holder of both notes have declared the entire indebtedness due and payable as provided in said deed of trust and the trustee having been directed to foreclose the deed of trust in accordance with the terms thereof, the public is hereby notified that the undersigned trustee will sell the hereinafter described real estate at public auction to the highest and best bidder for cash, in front of the north door of the Bank of Halls in Halls, Tennessee on March 21, 1958; at 10:00 A. M. said property to be sold in bar of the equity of redemption and subject to all special assessments against it.

The real estate to be sold is located in the Town of Halls, 12th Civil District of Lauderdale County, Tennessee and described as follows:

Being a house and lot known as the Maybell Bostic homeplace bounded on the north by Lonnie Laurison, on the west by Highway 51, on the east by Bradford and Sales; on the south by Love. This 28th day of February, 1958.

D. R. NUNN, Trustee

CARD OF THANKS

I would like to take this means of expressing my thanks and appreciation to friends and neighbors for their thoughtfulness shown toward me during my illness and the time that I spent in the hospital. The many beautiful cards, flowers, visits and words of encouragement meant so much to me. Again, may I say thank you so much from the bottom of my heart.

Taking a rebound is Redfean (22), dark jersey, of Grand Junction after a shot by teammate Parsons (45). Tommy McGarrity (22) looks on hopefully as Josh Nunn of Halls and Bynum of Grand Junction come up to offer their assistance.

with a birthday dinner in the home of Mr. and Mrs. L. E. Wood. Others attending were Sanford Tritt of Memphis, Preston Kiezer and daughter, Claudia Jean. Mrs. Kiezer and daughter remained for a longer visit.

SOD-COOPERATOR BANQUET

by Earl R. West
Supervisors of the Lauderdale County Soil Conservation District are making plans for the first District-Cooperator banquet. The Banquet will be held at the Ripley High School cafeteria on Mar. 21st at 7:00 p. m.

FFA boys from Ripley and Halls High Schools will sell tickets. The tickets will cost \$1.50 each.

Every person interested in the conservation of the soil and water is invited to attend.

Speaker for the evening will be John Sheldon Wilder, President of the State Association of Soil Conservation Districts. Mr. Wilder is a landowner and civic leader from Mason, Tenn.

Complete plans for the banquet will be announced later.

Farm Fish Ponds

According to records on file in the District office 265 farm ponds have been stocked with bluegill and bass fish. Nice fish have been taken from some of the ponds, other ponds have been very disappointing. The answer could be proper fertilization.

To grow bluegills big, raise your pond's fertility quickly as soon as winter cold begins to wane. Fish culturists have learned this by experience in recent years.

Landowners began fertilizing pondwaters in America about 1938. Fishery technicians recommended delay in applying fertilizer "until the spring rains are over". Farmers waited until May or June. Hundreds were disappointed because the bluegills quit growing after the second year. Now it has been proven that even April fertilization is too late to obtain satisfactory bluegill growth.

Bluegills begin to spawn in May or June. Within two or three weeks after the eggs hatch, the thousands of little bluegills are eating all the spare food. Their parents cannot get food enough to grow even with full water-fertilization. Yet they continue to spawn all summer and until the first chilly nights in the fall — usually October. During this period the production of bass is fine. They are growing rapidly on the thousands of little bluegills which are their bass food.

When bluegills stop spawning in the fall, the bass continue to eat hundreds of bluegill fingerlings every day. As the bass reduce the number of fingerling bluegills, the adult bluegills begin to grow — slowly at first, then more rapidly. Growth is slow again during the colder days of winter, as fish feed very little in cold temperatures.

Then when the water begins to warm a little, bluegills are ready to grow larger; but only if the water is fertile enough to grow a lot of microscopic green algae to feed more pounds of worms. A farmer who waits until late spring to renew his pond's fertility cannot expect big bluegills. The season when they grow most rapidly is only 100 to 120 days, usually February to June.

If runoff from spring rains is too much for early spring fertilization, the watershed is too big. An owner can divert the water around. In most cases, however, the loss of fertile water is not as serious as once thought. A fishpond owner, in any case, may have to lose some fertilized water to make his bluegills a profitable size.

To get the first 3 to 5 applications in quickly, fertilize every week or 10 days as you begin the year's program of water culture. Fertilize until a white object cannot be seen 12 to 14 inches deep. An average of 800 to 1,200 lbs. of fertilizer will be required for each acre of water surface. A good analysis fertilizer to use is 8-8-2, 10-10-5, or 12, 12, 4.

With ED JONES
Agricultural Agent, Halls Central Railroad

Farming has undergone many changes within the past several years and there are many more to come. We must get ready to familiarize ourselves with many new methods, new words and new terms.

Vertical Integration is one of the new words and terms with which we must become familiar. It is a big one and it is now becoming of great importance to our fast moving, modern agriculture. Right now it has a lot of

people stirred up and many do not know just what will happen. To some it is the answer to many problems of farm pricing and marketing. To others it is just a plain and unnecessary word or term.

The pioneer family was a perfect example of complete vertical integration. They made their own finished products of the table and body from the raw products produced on the farm. Butter and cheese were manufactured from the raw product produced by the cow and the women folks spun and knitted the garments worn by the family. In many cases pioneer families were their own consumers but occasionally some of the products were sold to supply badly needed money. Another example of vertical integration is the farmers co-op which processes dairy products and delivers milk to the consumer's doorstep.

Today the term—vertical integration—is much more complicated. Some of the greatest problems are financing and difficult management. The cost of financing runs into large sums of money, making management most diffi-

cult in some cases. Simply—one modern day example of vertical integration is where the farmer under a typical broiler contract agrees to furnish his own poultry houses, brooders and fuel for them, feed and watering equipment and medicine. The contractor furnishes the chicks and in most cases not only furnishes the feed, but delivers it and also supplies veterinary and technical advice when needed to give complete instructions and takes much of the risk.

The poultry business is only an example of what is happening. Today it is being applied to hog and steer feeding and some predict it will spread to many types of farming.

INGROWN NAIL HURTING YOU?
Immediate Relief!
A few drops of OUTGRO® bring blessed relief from tormenting pain of ingrown nail. OUTGRO toughens the skin underneath the nail, allows the nail to be cut and thus prevents further pain and discomfort. OUTGRO is available at all drug counters.

 Mrs. James Voss attended a Rainbow Girls meeting in Dyersburg Tuesday night. She accompanied Mrs. Robert Holtzford and daughter, Carol Ann. Carol Ann was initiated into the organization at the meeting.

JUNIORS TO BE GIVEN NATIONAL MERIT SCHOLARSHIP TESTS

The National Merit Scholarship Test is to be given to the Juniors April 29. Before this year, the test has been an aptitude test for Seniors only. It has now been changed to a three-hour test of education development. Emphasis is on broad intellectual skills, on understanding of and the ability to use what is learned, rather than on the sheer knowledge of facts.
 The charge for this test will be \$1.00 per student except for the highest ranking students, Mary Karnazes and Larry McBride, who will be given the test free. All eligible students are urged to take the test, not only for the scholarships involved, but for the other benefits which can be gained.
 The test will be scored during the summer and results will be sent to the school before August 15. The actual winners will be announced May 1, 1959.

Let us know the news. Call AD 4-7898 or AD 4-7540.

AUTO TAGS

I am very sorry but the motor vehicle department has changed our tags and they are a mess. They are so messed up that I don't believe anyone except an escapee from some mental institution designed and numbered them. I took great pleasure in reserving your same numeral. The C tags that run from one up are no more; they go from one to 999 (less even numbers as there will be no more even numbers) then back to B-01 to 999.

I have called Nashville and no one knows who did this dirty trick, maybe he has been taken back to the Institution from which he escaped.

I am very sorry but all who have left checks for any numbers from 1000 up will have to be assigned another number.

N. C. UTLEY

COUNTY COURT CLERK

F. H. Paschal

(Continued from Page 1)
 plication is two pounds of 12-12-12 for each year of age of the tree or for each inch in the diameter of the tree. This fertilizer is put in a series of holes punched when the ground is wet about 18 inches deep out about as far from the trunk of the tree as the limbs extend. These holes can be spaced about 2 1-2 feet apart in one or more rings around the tree so that all the fertilizer can be put in the lower 12 inches of the holes.

Where trees are out in a pasture the fertilizer can be applied on the ground and disked in or plowed in. We have an excellent bulletin on pecan production which is available free on request.

It's Gardening Time

Favorable weather in early March should see gardens being prepared, heavy applications of mixed fertilizer made, and cabbage plants set, onions set, and beets, carrots, lettuce, mustard, English peas, radishes, spinach, turnips, and Irish potatoes planted.

Carefully planned gardens on good soil that are protected from insects and kept clean, with succession plantings made of the various vegetables as the weather conditions permit, can be the most profitable spots on farms.

Surely we need good gardens this year when we need to stretch our dollars just as far as possible until another crop is harvested.

An excellent garden bulletin giving recommended varieties, planting dates, and other information is available at our office.

GIRLS' BASKETBALL

(Continued from Page 1)
 semi-final match. Winners Friday night will play for the championship Saturday night. Figured to have a slight edge in the tournament will be Henderson with the advantage of their home floor but done says Covington, Munford or Halls may slip into the no. 1 spot although Adamsville and Scotts Hill are well rated.

The Region 8 champion will compete with winners in other state regions for the state championship the week of March 17.

BOYS' BASKETBALL

(Continued from Page 1)
 til Larry Voss began to pop in fielders from around the foul line and blew the game wide open. Voss picked up 13 points and although outscored by both Nunn and McGarrity, probably was the difference as the Tigers built up a 23-point lead before the final moments of the game when Brownsville put on a spurt to cut the lead to 15.

Halls and Grand Junction with their semi-final victories won places in the Region 8 tournament to be played at Memphis State University March 5-8. Quarter-final games will be played Wednesday and Thursday night, semi-finals Friday night and finals Saturday night. Finalists in the Regional tournament will go to Nashville for the State Tournament the following week, March 18-22. Halls will play Morris Chapel, District 32 runnerup, in the second game Thursday night beginning at 9:00 o'clock.

With the District 29 (Memphis-Shelby County) winners yet to be determined the complete schedule is as follows:

Wednesday Night, March 5
 7:30—Ramer vs. Dist. 29 No. 2
 8:45—Jackson South Side vs. Grand Junction

Thursday Night, March 6
 7:30—District 29 No. 1 team vs. Henderson
 8:45—Halls vs. Morris Chapel
