NUMBER 45

Jerry Trosper Has Top FFA Hog

Jerry Trosper's Chester White gilt won Grand Champion honors and Charles Littles' Poland China sow won Reserve Champion honors at the annual FFA Livestock Show at Halls High School Friday of last week. Jerry is the son of O. H. Trosper of Edith community, and a member of the sophomore class. Charles, a freshman, is son of Mrs. Bob Ellis of Dry Hill community.

Judged by Harbert Bennett, vocational agriculture teacher of Hornbeak High School, the Show was declared one of the most successful of the annual events.

Entries in the show were from among FFA members in HHS under the direction of H. G. Conley and Jasper Taylor, agriculture teachers in Halls Schools. The show is sponsored by the Halls Agricultural Advisory Council and business firms and individuals of this area.

Other awards were:

Purebred Gilt

Blue Awards: Don Fennell, Danny Meeks, Jerry Trosper; Red Awards: Jimmy Criner, Charles Littles, Harold McCaslin; White Awards: Dudley Cates, Charles Gooch, Ray Grear, Wiley Hutcherson.

Substitute Carrier Exam Announced

An examination for substitute clerk and substitute carrier for the Halls, Tenn., Post Office will be held in the near future, said Postmaster E. J. Shannon this week.

Applications for this examination must be mailed to the Executive Secretary, Board of U. S. Civil Service Examiners, U. S. Post Office, Room 37, Main Post Office Building, Memphis 1, Tennessee, not later than November 24, 1958. Application forms are now available at the Halls Post Office.

It is planned that the examination will be held at Memphis within a month following the close of the announcement.

Starting wage for these positions will be \$2.00 per hour. Other benefits to which employees are entitled are: two weeks and 3 days vacation for the first three years; 4 weeks for three to fifteen years; five weeks and one day after fifteen years; two weeks and three days sick leave each year, with accumulation permitted without limit; low cost group life insurance and liberal retirement benefits.

Applicants must have reached their eighteenth birthday at the time of filing their application.

GOVERNOR - ELECT

BUFORD ELLINGTON

Ellington, Gore Win Easily

Despite efforts of Independent Candidate Jim McCord, Tennessee voters showed only mild interest in Tuesday's state wide elections as Democratic Nominee Buford Ellington easily won in his race for Governor and U. S. Senator Albert Gore far outstripped his Republican opponent.

Mr. Ellington, polling approximately the same vote which he received in the August primary, led former Governor McCord by a wide margin as Tennesseeans stayed away from the polls in droves. Apparently only about 50 percent of the total vote in August was polled Tuesday.

In other races Congressmen Robert A. Everett, State Representative B. C. Durham, Jr., State Senator Richard T. Moore, and Platorial Representative John C. Chisholm, all Democratic nominees, were elected without opposition.

In Lauderdale County, Joe H. Walker, Jr., Ripley attorney, defeated Lauren Shoaf, farmer of the Fulton section, in the race for Delegate to the Constitution. (Please Turn To Page 8)

Gates Scouts Have Big Night

Ten members of the Gates Scout Troop were honored Wednesday night of this week when five scouts were presented a total of twenty-one merit badges and five other scouts were advanced to the rank of second class scout.

Preceded by a candlelight ceremony, the scouts were honored at their regular meeting at the Gates Elementary School. Prior to the presenting of awards and advancement cards, James Fitzhugh, of Ripley, Advancement Chairman for the Big Hatchie District of the West Tenn. Area Council, presented their renewal charter to the troop and Scouters Cards to Scoutmaster Vernon Gilliland, Assistant Scoutmasters C. B. Baker, Ike Childress and John Tucker; Troop Committee Chairman Talwadge Heathcott and Committeemen Homer Hand, Philbo Hill, Cecil Baker and Wilmer Criner.

Assistant Scoutmaster C. B. Baker presented second class badges to Phillip Jackson, Blaine Tucker, Don Brasfield, Ricky Gilliland and Curt's Lents Jr. Scoutmaster Vernon Gilliland presented the following merit badges:

Tommy Dillingham: Citizenship in the Home; Gardening; Forestry; Archery.

Larry Voss: Corn Farming; Cotton Farming; Gardening; Forestry; Hog and Pork Production. Jimmy Criner: Archery, Hog and Pork Production, Corn Farming, Cotton Farming.

Larry Carter: Hog and Pork Production; Corn Farming; Cotton Farming; Forestry.

Robbie Voss: Gardening, Cotton Farming, Corn Farming; Forestry.

Following the program members of the scout troop served refreshments.

Mr. and Mrs. Bernard Higdon and daughter, Carla, visited Mrs. Higdon's brother, Regan Mitchell, and family at Cottonwood Point Sunday afternoon.

TIGERS PLAY HOST TO HUMBOLDT TONIGHT

The Halls High Tigers will wind up their home schedule tonight as they play hosts to the Humboldt Rams. The Rams, an in and out football team, holds the only victory scored over the Jackson Golden Bears this year, but have also lost games which they figured to win. Game time is 8 o'clock on the Halls Field.

Next Friday night the Tigers will go to Daysburg for their final game of the season.

Cribbs Found Guilty Of Leaving Scene Of Accident

BROWNSVILLE — A Circuit Court jury here Wednesday found John Cribbs of Dyersburg, 46 year old Tennessee Bureau of Investigation agent, guilty of leaving the scene of an accident.

Mr. Cribbs' penalty was fixed at 11 months and 29 days in jail and a \$2,500 fine. Judge John F. Kizer of Milan set Dec. 1 for hearing a defense motion for a new trial. Mr. Cribbs remained free under \$2,500 bond pending the new trial motion.

The verdict came after the jury had deliberated about two hours.

Mr. Cribbs was charged with fleeing the scene where Arthur J. Walton, 70 year old Forked Deer farmer, was struck by a car near the Forked Deer School about sundown Sept. 4, 1957. The elderly man's leg was so badly crushed it had to be amputated.

Mr. Cribbs denied having been in the vicinity of Forked Deer at the time of the mishap. Several prominent persons including E. T. (Rocky) Palmer, mayor of Dyersburg, testified that they had seen Mr. Cribbs in Dyersburg at near the time of the accident.

Mr. Cribbs is well known in Halls, having resided here for a number of years while in his teens.

Stresses Need For Greater Safety

F. H. Paschal
County Agent

Don Hartman of Gates is feeding out a group of 500-pound steers to market in January or February as good or choice beef.

He is now working them up to a ration which is made up of about 11 pounds of shelled corn, one pound of cottonseed meal, and 5 lbs. of lespezeza hay per day, with salt. With corn at 90c a bushel, cottonseed meal at \$55 a ton, and lespezeza hay at \$17 a ton, it would seem highly profitable to feed good steers for 60 to 120 days. We will be interested to see how Don comes out on this project.

Permanent Watershed Directors

Lynnwood Grammer, Austin Winn, Bernice Crain, J. F. Chipman, Jr., S. L. Ferguson, Nevel Hendren, Leslie Lightfoot, C. J. MrFarlin and Tom Scott were elected permanent directors of Cane Creek Watershed in the election held Monday of this week.

They will serve 6-year terms as representatives of the 1728 landowners in the District. They will meet next week to elect officers and make formal requests of our Senators and Congressmen for an allotment of money needed to begin surveys and other activities in the District.

Halls Creek watershed is being considered as the next watershed project for development. Landowners will meet soon to consider the plan and decide what they want to do.

Safety Practices Needed

We sometimes act as though we thought that neither the laws of God nor man apply to us.

It is perfectly reasonable to us that speedy cars and trucks have from one to four big red tail lights showing where they are on the highway, but that it is not necessary to put anything on a colorless, weathered, slow moving farm implement or trailer going down a narrow, crooked black topped road without any white line on it at night.

We even allow mud to get over the tiny, dim or burned out tail light on the back of trucks so that they help very little in preventing our getting killed on our (Please Turn To Page 4)

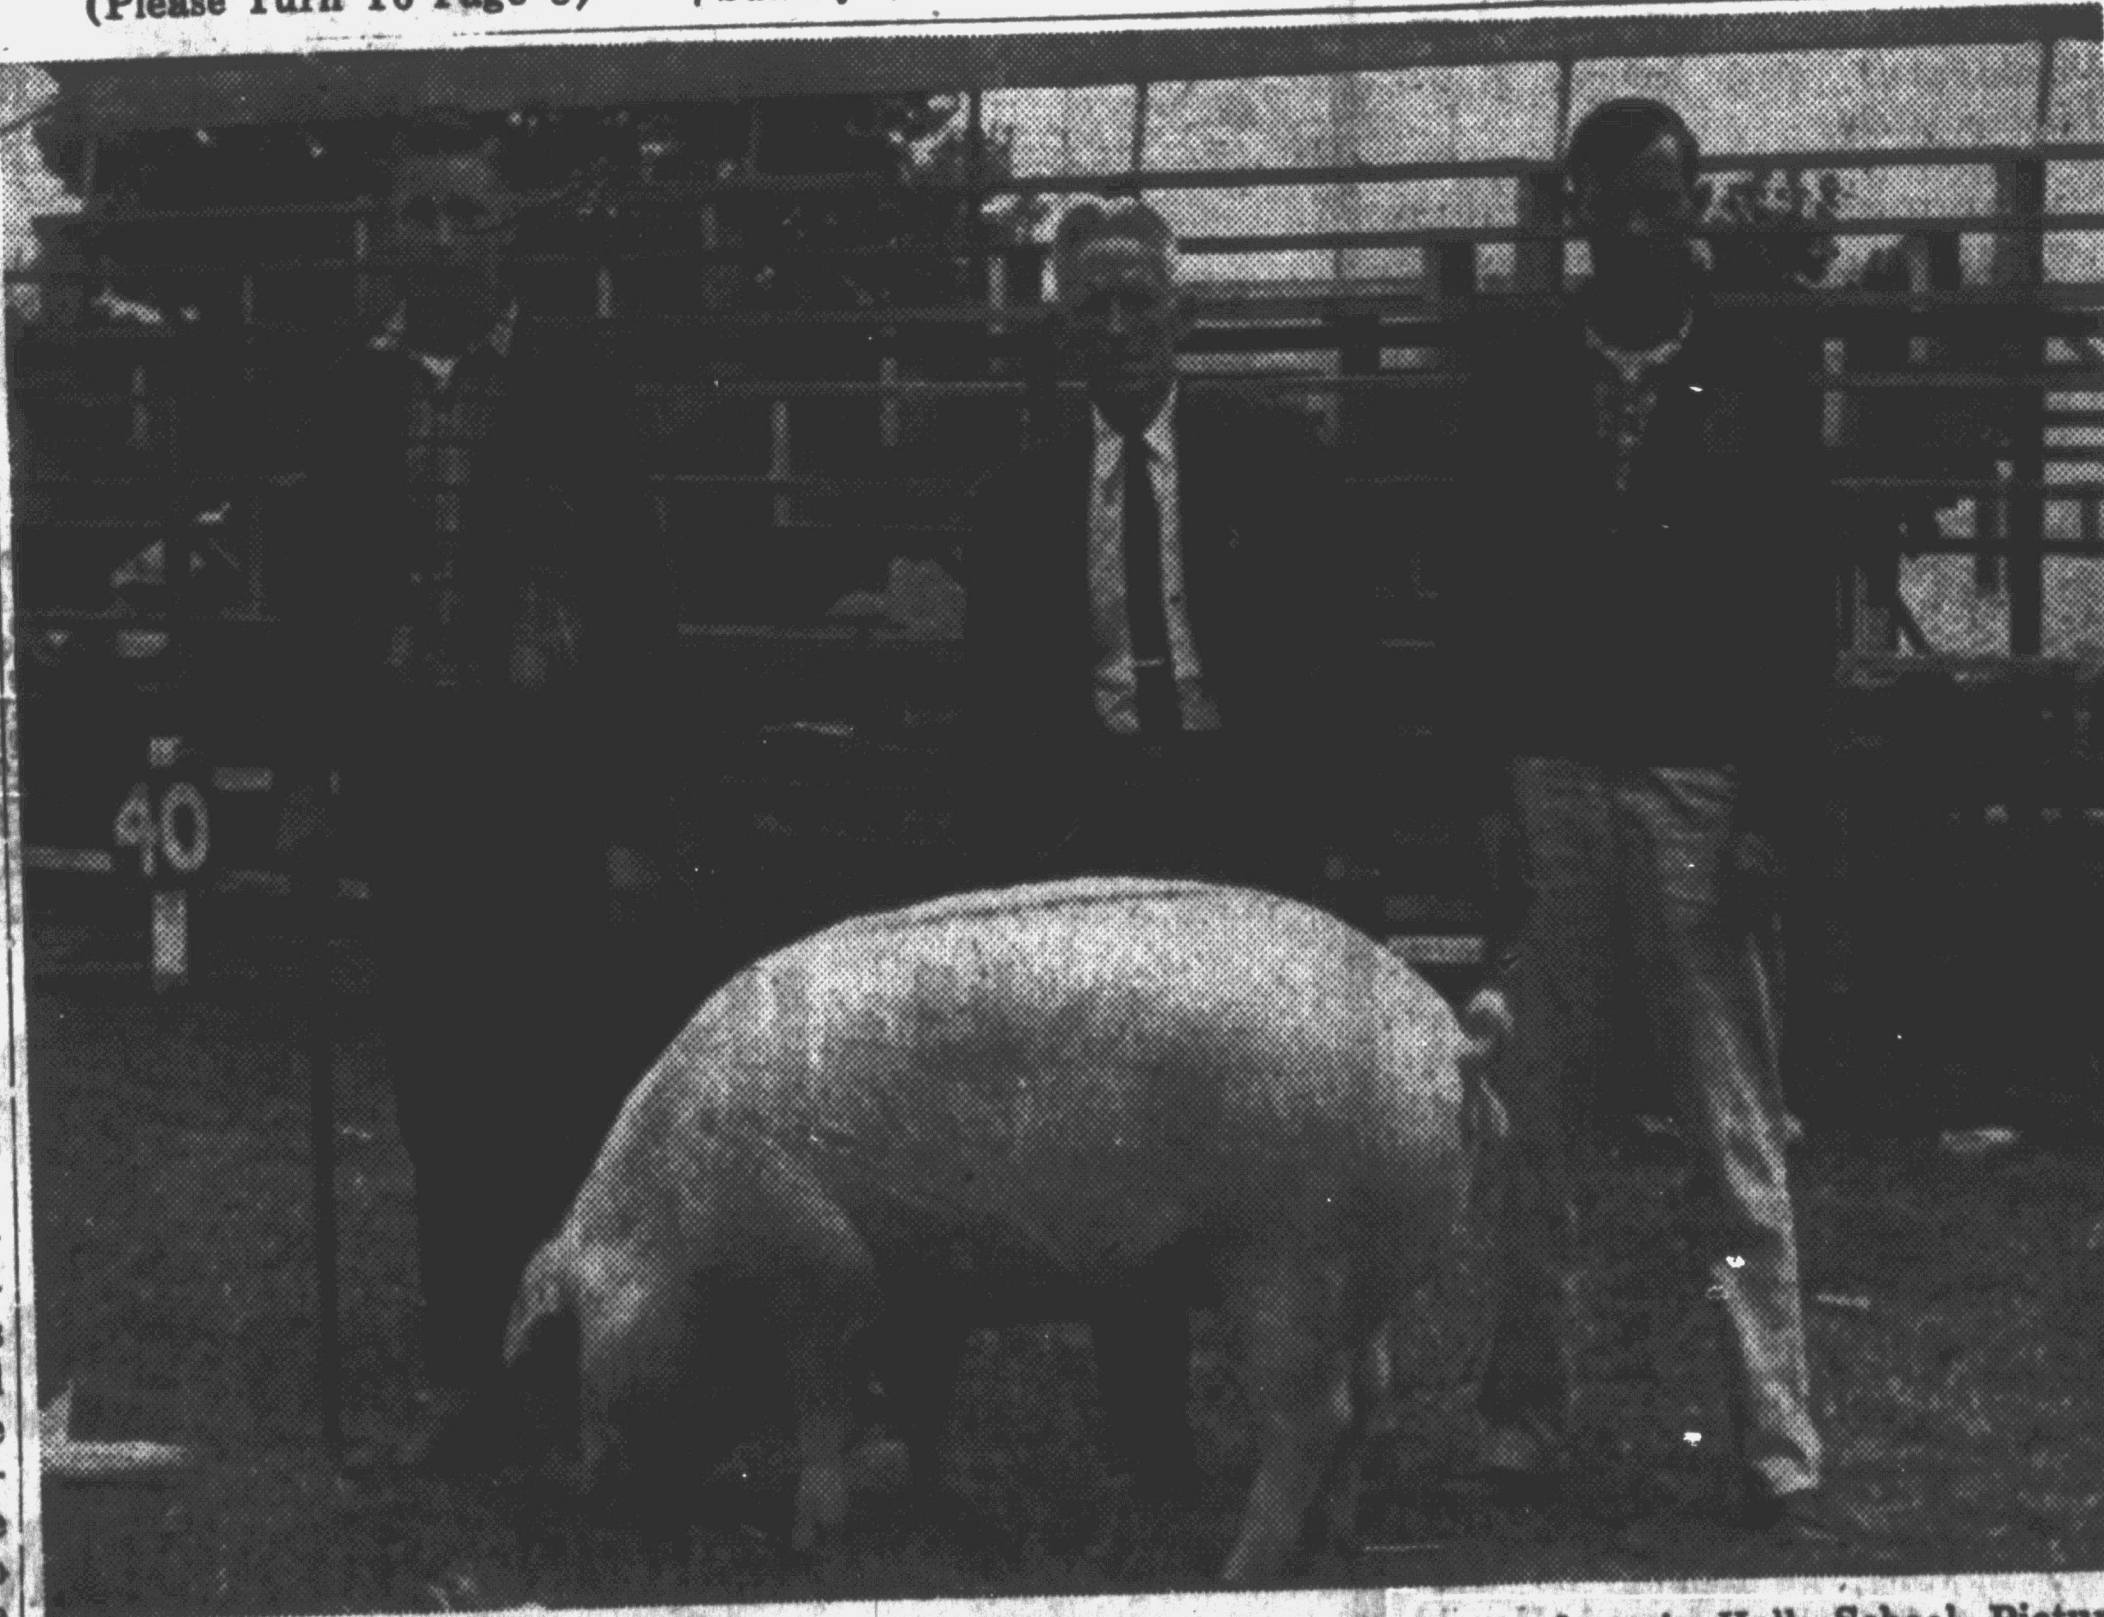

Mrs. Eva Conley Died Saturday

ALAMO — Mrs. Eva Cook Conley, 77, died at her home here Saturday at 12 noon after a lengthy illness. Services were held at 2 p. m. Sunday at First Christian Church with the Rev. Charles E. Roe, of Fulton, Ky., officiating, assisted by the Rev. Frank Perry and the Rev. C. E. McLean. Burial was in Alamo Cemetery.

Mrs. Conley was born in Bells. She was the wife of the late E. L. Conley, head of Halls Schools, for many years. She lived in Alamo and Halls a great part of her life. She was a member of First Christian Church.

While in Halls, Mrs. Conley was active in church, PTA and civic affairs.

She is survived by one son, Paul E. Conley, Sr., of Alamo; two daughters, Mrs. Maxwell McDade, of Fulton, Ky. and Mrs. B. A. Partee of Trenton; six grandchildren and six great grandchildren.

GRAND CHAMPION — Jerry Trosper's Chester White Gilt walked off with top honors at the annual Future Farmers of America Livestock Show last Friday. The Show is sponsored annually by the Halls Agricultural Advisory Council under the supervision of H. G. Conley and Jasper Taylor, agriculture teachers in Halls School. Pictured are Jerry, Mr. Conley, Mr. Taylor and the Grand Champion. Jerry is the son of O. H. Trosper, of Edith community and a member of the sophomore class. Some 24 FFA boys entered 43 hogs in the show.

so enduring," he added. Jared Maddox, Speaker of the State Senate, Charles Butler of the National Farm Bureau Federation, and Forrest Durand, State Director of Game and Fish Commission have accepted spots on the program. Representatives of going watershed projects will present the results of work already under way.

Farmer-supervisors will attend from 93 Tennessee Soil Conservation Districts. "The first Tennessee Soil District was organized in 1939," Wilder explained, "and since then all except two counties have set up districts." Districts are organized by vote of the landowners. Farmer-supervisors, likewise, are democratically elected. They review and direct the conservation program in their districts.

"We hope that the supervisors attending will bring their wives," Wilder concluded. "Unusually attractive activities for them have been planned by Nashville merchants in cooperation with the Davidson County Soil Conservation District."

"In recognition of mounting interest and activity in the new watershed program, the theme of the convention will be Watersheds for Conservation and Production," Wilder said. "No financial assistance to farmers from Congress has ever offered so much that is

Telephone Talk
by **ROGER GANIER**
Your Telephone Manager

HOW TO FOIL A FUNGUS! Did it ever occur to you that telephone poles are edible? Not for you—but they do make a tasty dish for mushrooms! The mushrooms that like to eat wood are wild, like the fungus you find growing on stumps in the woods. That's why telephone scientists feed telephone poles to mushrooms to learn how to keep the poles from being eaten. In laboratories they coat pieces of wood with different chemical compounds, then put samples in sealed jars with earth and the most destructive kind of fungus. Chemicals found most unappetizing are then used to treat telephone poles so they'll last longer. Just another example of the day-in, day-out research that enables us to keep your service dependable and continually improving.

"Then what did he say?"

Are these familiar words at your house? If you have a teen-ager, you can't help overhearing just such remarks. It seems that endless telephone visits are a part of growing up. No need to make them a family affair, though. With an extension phone of her own, Suzy can talk in complete privacy. You'll really "tickle her pink," too, with a pretty pink phone, or one of the other lovely pastel colors, and her own listing in the telephone directory. For just a few cents extra a day it's so easy to give the whole family the wonderful convenience of extension phones in favorite "talking spots" throughout your home. Our Business Office will be glad to answer any questions you have, so just call us any time.

WHAT NEXT? Telephone installers run into some funny situations — sometimes with belligerent dogs, inquisitive youngsters, antagonistic bees — even pet alligators in one family's basement. Here's one we get a bang out of: A lady wanted an extension phone put in and her instructions to the Business Office included the following warning: "Please send a man who has had the measles."

THANKS

I would like to take this opportunity of expressing my sincere appreciation for your vote, support, and confidence in my election as your Delegate to the Limited Constitutional Convention.

I deem it a great privilege, pleasure and honor to serve our County in the coming Convention. I seek your advice, suggestions and counsel concerning the proposed changes to our Constitution.

In the spirit of humbleness and humility, I again express my appreciation for your vote and confidence, and I will strive to serve our County with honor.

Sunday School Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee

Lesson for Sunday, November 9

Matthew 5:1-11

"Jesus Describes Discipleship"

The Sermon on the Mount is the most revolutionary statement ever made on human life. No thinking person can ignore it. Some like Ghandi who was not a Christian but a great and good man, praise it. Others, like Nietzsche, curse it and declare it is nonsense. But the proud philosophy of Nietzsche has exploded in the ruin of his Germany, and the teaching of Jesus lives on.

Archibald Hunter, professor of New Testament in Aberdeen University, Scotland, in his book, "A Pattern for Life", says the Beatitudes form a noble preface to the sermon. God gives His bless-

edness to those who claim no merit for themselves but, knowing their own heart's need, are content to rest wholly on the mercy of God.

The word "blessed" means, "Ah, the happiness of." "Oh, how happy are they who are poor in spirit." Poor in spirit is the opposite of all that is haughty and proud. These are the ones, says Jesus, who inherit the kingdom of God. Only the poor in spirit can get together with God.

"Oh, how happy are they who mourn." What a paradox that is. The clue is in Isaiah 61:2 — "to comfort all that mourn." Those who mourn are the ones "to whom all the evil in the world is a continual grief." But we shall triumph in Christ. There is comfort in the secret of His presence. It is a promise to be completely fulfilled in the consummation of all things when sin and death will be finally abolished and "God shall wipe all tears from their eyes."

The meek shall inherit the earth. What a contrast to the prevailing thought that it is "the

go-getter" who succeeds. But there is power in humility, in meekness. A man may accumulate much wealth and yet be very poor. While others strive, fight and fear, the meek walk in patient calmness. Jesus was trampled and crushed, but His name is above every name. Napoleon caught something of the truth when he said that Jesus' empire, built on love, has survived while other kingdoms, founded on force have toppled into swift ruin. "In the animal world the mammoths have perished from the earth; the sheep still graze on its hills."

So it is down through these "blesseds." They shock us with their contrast to the thinking of men. He is not laying down conditions of salvation; He is speaking to those who have already answered the call, "follow me." These are not rules and regulations which we must obey in order to be saved. They congratulate those who are living the Christian life. They are spoken in the same sense as this Psalm: "Happy is that people whose God is the Lord."

Ian MacLaren, another great Scotch preacher, wrote many years ago: "The world had its own ideas about blessedness. Blessed is the man who is always right; blessed is the man who is satisfied with himself; blessed is the man who is strong; blessed is the man who rules; blessed is the man who is rich; . . . who is popular; . . . who enjoys life. These are the beatitudes of this present world. It comes with a shock and opens new realms of thought that not one of these men entered Jesus' mind when He treated of blessedness."

"Blessed," said Jesus, "is the man who thinks lowly of himself; who has passed through great trials; who gives in and endures; who longs for perfection; who carries a tender heart; who has a passion for holiness; who dares to be true to conscience."

TASTEMARK MILK IS Specially Processed for Drinking!

... BECAUSE ONLY TASTEMARK DOES ALL THIS:

Special skill, special equipment, and special testing — that's the way Tastemark preserves that sweet, farm-fresh flavor. Even folks who don't enjoy ordinary milk drink Tastemark Milk with real pleasure.

TASTEMARK MILK STARTS WITH THE BEST

Tastemark begins on the farm with the finest Mid-America dairy farmers, who use special on-the-farm equipment recommended by government and university experts. Then Tastemark moves the milk rapidly to its modern dairy plant, tests it rigidly to see that only the finest, farm-fresh milk is admitted.

And from the time the milk arrives, it's handled exclusively by the most skilled milk experts that time and devotion can produce.

TASTEMARK COMBINES WITH MODERN SCIENCE

From the huge, new glass-lined agitator-coolers, through stainless steel equipment, true milk flavor is guarded all the way. With the newest devices of modern milk science, Tastemark Milk is processed solely for flavor.

TASTEMARK CHECKS CONSTANTLY

Tastemark's automatic record-keeping machines check the milk's progress, exhaustive lab tests double-check its purity and quality.

THEN THE TASTEMARK PANEL MAKES SURE

True milk flavor is protected and enhanced all the way with these intricate handling and processing methods.

But there's no substitute for your own "taster," and that's where the famous Tastemark Homemakers Panel comes in. As a final test, typical homemakers and their families — living right in this area — taste, test and approve each new Tastemark product. They've checked and double-checked Tastemark Milk periodically for taste, texture, quality and appearance. And their seal of approval on every carton of the only milk that's "Specially Processed for Drinking!" ... Tastemark Milk.

The best milk TASTES best, right from the glass. And that wonderful taste shows up in baking, cooking ... WHEREVER you use milk. Get Panel-Tested Specially-Processed Tastemark Milk.

Urges Chest X-rays For TB Hunt

According to facts from the TB Association and the Health Department, there were 31 patients from Lauderdale County in West Tennessee Tuberculosis Hospital in 1957. Besides the TB Association's assistance to the patients and their families, the cost to the taxpayers of the state of Tennessee for hospitalizing these patients from Lauderdale County was \$40,780.59. Added to that for patients of 94 other counties, the cost of hospitalizing TB patients is costing tax-paying citizens of Tennessee well into the millions each year.

Prevention of the spread of TB is a year round objective of the TB Association. The chest X-ray is the great weapon in locating cases of TB. The mobile x-ray unit has been in Lauderdale County this year 136 hours to date, giving chest x-ray free. Yet it is estimated that the majority of adults in the county have never had a chest x-ray.

TB cannot be brought under control until it is possible to locate every case of TB and to know that every case is under medical supervision. No one can know whether he has TB or not unless he goes to health authorities to find out. Chest x-rays can find TB.

LAUDERDALE COUNTIANS AT UT AT KNOXVILLE

Seventeen students from Lauderdale County are enrolled for the Fall Quarter at the University of Tennessee in Knoxville.

Students who completed registration by October 17 are:

Halls — Carl B. Hoggard, Jr., Buddy Murchison, Blanche Nunn, Bena Smith, Evalyn Smith, Tommy Joe Stanley;

Ripley — Donald Decatur Colvin, David Garrett Dennis, Bartlett C. Durham, John A. Holmes, Jr., Perry Eugene Latham, Stephen E. Pierce, Hal Younger Roe, Landrum S. Tucker, Lina Louise Volz, Dan Brown Walker;

Fulton — Bill Laurence McAmis.

JACKSON HIGH LEADS BIG TEN CONFERENCE

By JACK HILLIARD

Despite a final-game-of-the-year 7-7 tie with Parsons, Lexington won the dubious honor of facing unbeaten Huntingdon in the Rotary Bowl-Volunteer Conference playoff at Lexington November 13.

Huntingdon, with a 9-0 record, already owns a one-sided 46-7 victory over the Lexington eleven. The all-winning Mustangs are also booked in the Exchange Bowl the night of November 27.

Brownsville bumped by Trenton 20-19 previously, got back on the win trail with a hard fought battle over Dyersburg 27-6. Tommy Clark and Larry Banks dented the endzones twice each for the winners who trailed 6-0 at one point.

In the Reelfoot Lake Conference playoff Sharon and Martin worked 48 minutes to a 6-6 standoff. Since Sharon won the regular season play in the Reelfoot loop its safe to assume Coach Loyce Mount's lads are the champs of the newly formed conference.

Henderson and Paris of the Vol Conference fought to a 6-6 tie with high scoring Billy Moseley getting the Paris tally and Larry Kent notching the six-pointer for Henderson.

Humboldt's Rams topped stubborn Somerville 6-0 in a big Ten set-to. The Panthers have developed into a potent defensive club and with any offense worthy of mention would give any club in the league a battle.

Halls ran into souped up Jackson Wednesday a week ago and came off second best, 61-13. Harvey Little got four touchdowns, Mike Armstrong kicked six extra points and Larry Wilson hurled five touchdown aerials for the winners.

Milan led briefly at one point 2-0, but finally gave in to Ripley 26-8. David Jennings sparked the win in the mud with three touchdown gallops. Jennings is proving to be a prolific scorer for the Tigers as he is averaging two TDs per outing in the last three scoring games for Ripley.

Covington stayed with Union City until the last quarter when the Tornado rushed across a pair of touchdowns to lead the big points for the UC eleven.

Greenfield slammed Alamo with a surprising 52-19 score. Greenfield rated an edge, but Roy Wheeler's three touchdowns and two extra points made a rout of the Reelfoot Lake tilt.

Bruceston nudged old rival Camden 6-0 with Ernest Thorne doing the honors. Bruceston hasn't been the same since the loss of their quarterback-captain Vernon Spencer in the Huntingdon game prior to that Bruceston was 4-1-1. Since that time the Tigers have been 1-3.

In other games Ridgely beat Dresden 34-12. Waynesboro dropped Savannah 20-7. Munford nipped Bolivar 7-0, and Fulton beat South Fulton.

Top scorers in the area are as follows: Marshall Smith, Huntingdon (105); Mike Armstrong, Jackson (118); Billy Moseley, Paris (93); Gary McDearmon, Sharon (91); and John Leonard, Newbern (88).

al Convention.

Falling by the wayside was the amendment to limit money collected from highway sources to being spent for highway purposes only. The amendment had created very little interest.

Nation-wide the Democratic party swept man after man into office and will hold their largest majority in the next Congress since the days of Franklin Delano Roosevelt. Only in New York, where Nelson Rockefeller defeated Governor Averill Harriman and Keating won the Senatorial race, did the Republican party score a major victory.

There are 24 ball games scheduled thus far and we are trying to schedule one with Memphis Central. We have a good schedule this year and we are hoping to have a good season.

HHS STUDENT ACCLAIMED

David Kelly, son of Mr. and Mrs. W. G. Kelly of Gates, wrote a song which has recently been released. The title is "Whirlwind" and is sung by Charlie Rich. Ripley Radio station has the record and plays it frequently. The announcer predicts a great future for the song.

David has written many lyrics but "Whirlwind" is the first one to be published. He wrote the words and recorded the song. From the tape recording Charlie Rich and his band learned the song and made it into a record.

In addition to writing songs, David also takes piano lessons and sings well. He has been in many talent shows, several of which he has won. He makes use of his singing talent at his church services.

David, a Beta Club member, is an outstanding junior student. His subjects for this year include English III, geometry, chemistry, Typing I and physical education. Students of HHS wish you the best of luck on the record and your future in general.

MISS CHAPMAN TO TEACH DANCING

Miss Bert Chapman of Memphis will be in Halls on Saturday, November 22, to discuss with interested parents the possibility of the forming of a dancing class here. Miss Chapman comes well recommended. Full information will be published next week.

TB Christmas Seals Are Mailed

The annual Christmas seal sale conducted by the Lauderdale County Tuberculosis Association gets under way today as 3000 Christmas seal letters go into the mail. F. H. Paschal, Seal Sale Chairman, gratefully acknowledges receipt of some gifts which have already been made, in response to requests for sustaining contributions now.

Everyone who is interested in contributing to the local tuberculosis control work is urged to make sure that he is purchasing the real TB Christmas seals. These seals show the TB cross with the two bars, and picture the Christmas seal children writing on their blackboard. The TB Christmas seals are mailed in Ripley, with a letter from the Seal Sale chairman of the Lauderdale County TB Association.

Everyone is asked to have a part in the local effort to control TB. Contributions are needed now. The TB Association asks that we do our part now before we forget it, and that we be generous as we can this year. Funds have shrunk during the year's work, and it is necessary to replenish them in order to carry on the program of protecting you and your neighborhood from TB.

FFA, FHA Chapters Have Barnwarming

On Tuesday night, Nov. 4, the Halls High School FFA and FHA held their annual barnwarming dance at the Youth Center.

The first event was the selection of the barnwarming king and queen. Katie Lou Hurt was elected over a number girls that participated for queen and Harold McCaslin was elected king. They were each awarded a box of candy.

The next event was the awarding of prizes to the FFA Sweetheart, FHA Beau and Miss Home Economics. Carolyn Ward as FFA Sweetheart received a beautiful white jacket from the FFA boys. Vandel Spoon, FHA Beau, was presented a beautiful red paid shirt made by the Home Ec girls. Patsy Burks, recently elected Miss Home Economics, was presented a beautiful blouse.

For refreshments the FHA girls had made doughnuts and the FFA boys furnished apple cider.

Games and dancing were enjoyed by everyone. — Reporter

Scouts Honored By Halls Civic Club

Halls Scout No. 67 and their leaders were guests of honor at the meeting of the Halls Civic Club Monday night of this week. Twenty-seven club members were present at the meeting at the school cafeteria with a delicious meal of fried chicken, etc. enjoyed by all.

Scoutmaster Frank Eaton and 27 boy scouts were present. Each scout introduced himself and told his patrol.

Mr. Perry Green, of Trenton, West Tenn. Area Council field representative for the Davy Crockett District, made a brief talk, telling of the many free services available to the local scout troop, cub pack and explorer posts. Mr. Green presented the Troop Charter to Mr. Louis Levy, troop committee chairman, and also presented the "For God and Country" Plaque Award to Scoutmaster Eaton. This award is given to a troop reaching at least 80 percent of its goals each year. Mr. Green also read off the names of the remaining committee members: David K. Nunn, Clyde Younger and Henry Murcison. He presented re-registration cards to Mr. Levy, Mr. Eaton, and Jerre Jordan, institutional representative.

Mr. Levy called the following boys forward and Scoutmaster Eaton pinned them with their Tenderfoot Badges: James Vaden, Marshall Keitner, Tommy Eaton, Ronnie Dickens, Lucky Humphries, Wilson Lawrence, Dwight Agee, Philip Cribfield, Paul Brown, Stan Carnell and Juboa Warren.

Patrol leaders Alan Levy and Charlie Vix were presented their second class badges and pinned by the scoutmaster. Mr. Eaton also announced that a number of other awards will be presented in the near future.

Neil Luton, chairman of the Boy Scout Fund Drive, reported that \$505 was raised and that after expenses of \$20.00 the net raised was \$485. He stated that he would like to raise an additional \$15 and send the Area Council a check for \$500.

PTA EXECUTIVE MEETING IS POSTPONED

Mr. Wymond Stallings, president of the Halls PTA, has announced that the PTA Executive Committee meeting scheduled for November 20 has been postponed until December 4. The meeting will be held on that date at Halls Junior High School at 9:30 a. m.

CONNIE LYNN DAWS

Graveside services were held Wednesday morning at 10 A. M. at Halls Cemetery for Connie Lynn Daws, 4-months old daughter of Lt. and Mrs. Jerald Daws of Salina, Kansas. The baby died Sunday at Schilling AFB Hospital where she had been a patient for ten days. She was born July 11, 1958, in Wichita, Kansas.

Surviving in addition to her parents are the grandparents, Mr. and Mrs. Winston Daws of Halls and Mr. and Mrs. C. R. Stephens of Dyersburg.

AN EXPLANATION

Due to a lack of space and time several items that should have been included in this issue of the Graphic were omitted. These items will be published in the next issue.

Tigers To Play At Dyersburg Tonight

The Halls Tigers will travel to Dyersburg tonight for the final game of the 1958 football season. The Tigers will again hold the underdog role but Dyersburg has not shown its usual strength so many fans are predicting a fairly even game.

Last Friday night the Tigers spotted the visiting Humboldt Rams a 6 point lead, then came back strong to tie the score with Tommy Alley and Auford Pickens doing the work. After that it was all Humboldt as the Tigers showed signs of life on several occasions but were never quite able to get going again.

Final score was Humboldt 32, Halls 6.

Lauderdale County Community Story Told By Sweet

F. H. Paschal
 County Agent

Following is a news item taken from the Jackson Sun and written by Fletcher Sweet, Associate Extension Editor, Knoxville, after his visit with the judges of the West Tenn. Community Improvement Contest to Durhamville-Orysa Community last week:

by Fletcher Sweet

You won't be in the Durhamville-Orysa community of Lauderdale County long before you will be aware that this 40-family community is on the march toward a better community through improved farming systems and dressed up homes.

In fact, before you can say "Durhamville-Orysa community" you will have been greeted by the club president, Mrs. P. M. Parker; and before you can say "I'm glad I'm here", she will be down to sub-section B in her report. By the time you learn to pronounce the last part of the community name (o-Ry-sa) it will be time for a coffee break and a tour of the vicinity.

At least, that's the way this observer found it yesterday on a trip with Marthanna Smith and George Foster, judges, of the UT Agricultural Extension Service. In the group of visitors also were Mrs. A. V. Patton and Dr. Hal Baker, representing the Jackson sponsors of the program in West Tennessee counties.

"Our community organization is 11 years old and we're finding new improvements to make all along, in addition to long-time projects," Mrs. Parker said. Backing up her words were some two or three dozen others of the club including a good sprinkling of youngsters.

"I'm going to mention only 3 projects; then others can report various other activities," Mrs. Parker went on without a break. "First in our telephone line, for which people of the community cleared the right of way, and did much other work; next is the black-top road, for which we cleared ditches, banks, etc.; and third is the gas line, for which we had to raise several thousand dollars."

The president mentioned some civic projects, too, including school work, PTA work, organization. (Please Turn To Page 4)

WINS CITIZENSHIP AWARD

The name of Larry McBride will appear on the Balfour plaque as the faculty's choice for this school year. His qualifications in scholarship, leadership and activities plus other attributes difficult to separate from his general well-rounded personality won for him the coveted annual award.

Larry's high school honors and activities include the following: vice-consul of JCL, president of the sophomore class, secretary of the junior class, vice-president of the senior class, president of the Beta Club, and the one most likely to succeed, according to the student poll. He is beginning his fourth year as a member of the basketball team.

Larry, a clean-cut, red-haired southpaw, is the son of Mr. and Mrs. Howard McBride, Sr. of Unionville.

Congratulations, Larry, and best wishes for your continued success.

 zations for young people in each of the two churches, and the 4-H Club. The club is justly proud of having among its membership a school principal, five teachers, a farm Bureau director, and a conservation association director.
 Full reports were given on farm, home, garden, road beautification, youth program, and other club activities. But noticeably prominent was the emphasis given to the young folk.
 The Four-H Club, for example, has 20 members and five adult leaders. Mrs. A. M. Estes, 4-H leaders' council chairman, noted that:
 "The Club was 100 percent in attendance at the county rally; six attended Extension District I 4-H camp at Martin; and they have participated in just about everything that came along. They staged a highly successful safety campaign," and then she deliver-

ed the clincher: "There is no juvenile delinquency in this community."

A mere indication of the farm program, reported by Anthony Fisher, is that almost 75 percent of the families keep good records of their operations, and plan each year's business according to what the records reveal.

**Hotshot
 for Vitamins!**

Vitamins are what Mid-America needs more of when the last leaf trembles on the twig and darkness shortens the sunny hours.

Hotshot is affectionate railroader for a freight that picks up its cars and runs like a passenger train.

Put the two together and you have a train that speeds vegetables and fruits to market as stuffed with fresh vitamins as the day they left soil and bough.

CC-8 is a new Illinois Central vitamin hotshot. It puts West Coast perishables on Mid-America's markets a day faster than before. Other vitamin specials hurry perishables from other areas—fruits and vegetables from Florida, bananas through the port of New Orleans.

Bringing fresh fruits and vegetables to market the year round is an old story for the Illinois Central. Doing it faster and better demonstrates our continuing determination to improve our service to all Mid-America.

Sunday School Lesson

By Walter C. Davis, D. D., Tennessee School of Religion, University of Tennessee

Lesson for Sunday, November 16

Matthew 8:5-17

'Christianity, Sickness and Health'

A pastor made his first call to see a member of his flock confined in a tuberculosis hospital. "And what are you doing here?" he said to her. "Well, pastor, I don't know. It came as a surprise to me, but the doctor says I have TB." "Well, you are here," came the chiding reply, "for some evil you have done, some secret sin you have not confessed. This sickness has been laid on you in punishment for an evil life hid from the eyes of men." The woman wept bitterly and said, "Of course I am not perfect, but if I am guilty of anything to cause this affliction I don't know what it is."

The pastor's hurtful remarks were based on a wrong conception of sin and sickness. It would have been far better if he had assured the patient of the love and blessing of God, prayed and worked with God for her recovery.

The Bible does not teach that all sickness is a result of some specific sin. Some illnesses, however, can be definitely traced to sin. Blindness into which a child may be born may be traced to the sin of a parent. There was one case in which Jesus said, "Neither has this man sinned nor his parents that he was born blind." Sickness comes to all and we may accept it as one of those "hidden" things which remain mysterious to the end.

We are not religious because religion brings health. Nor should we cease to be religious if health is taken away. Phillip Brooks prayed: "O Lord, by all Thy dealings with us, whether of joy or pain, of light or darkness, let us be brought to Thee."

Jesus no doubt performed thousands of miracles of healing, and only a few are recorded. There was a purpose of recording those we have. In the case of the Centurion's servant, we are told nothing of the servant, whether he was Jew or Gentile, young or old. It was the faith and humility of the Centurion that was played up. The Centurion was not an Israelite, but a Roman army officer. Luke says he once provided a synagogue for the Jews. Jesus said to him, "Not even in Israel have I found such faith."

The healing of Peter's mother-in-law was such a natural thing to Jesus. The cause of her sickness is not known. It no doubt happened on the Sabbath, so when sunset had passed they brought many and Jesus healed them. Matthew quickly tells us that it was a fulfillment of prophecy: "He took our infirmities and bore our diseases."

All healing is divine healing. A noted surgeon said, "I operated, God healed." It is not God's will that all sicknesses should be healed. A very religious man said, "Pastor, I am glad you came and prayed for my mother's recovery. Since it was not His will that she should be spared, may His will be done."

4-H CLUB NEWS

Charles Peal
Asst. County Agent

The Ripley and Halls Junior 4-H Clubs met this week, elected officers for the coming year and completed their enrollment. Each grade, fifth through the eighth, is a separate club. Monthly meetings built around a program presented by the club members give them training in planning and presentation. In addition to this the Extension Agents demonstrate various amterals relating to project work for the latter part of the meeting. Any boy or girl between the ages of ten and fourteen are eligible to join the Junior 4-H program.

Mitchell Ammons, president, presided over a big group of Ripley Senior 4-H members here on Monday night. Betty Aitken presented the devotional; Geary Riley, the flag pledge; Ronnie Carmack the 4-H pledge; and Larry Kiestler accompanied at the piano while Mitchell led the group in singing.

James Boyd gave a report on the activities committee meeting, Don Ammons a report on the finance committee meeting, and Jerry Ammons on the window display. Programs consisted of a film entitled, "The Rumen Story" was shown to the boys while the girls discussed dresses and records. Music and quite games topped out the evening program.

Norman Smith exhibited a sample of his corn at the Durhamville Orysa District Community Judging this Wednesday. Ronnie Turner and Mary Ann Littlejohn showed the visitors the work they have performed in their electrical projects. Mary Jane Thompson and Mary Julia Fisher exhibited a cake and cookies they had made. Dave Fisher who has cotton as his major project exhibited a well balanced stalk of cotton. Carol White modeled a dress she had made while Sue White exhibited an apron. These articles were an example of the projects and activities this club har carried out during 1958.

Tree planting time is here. Any club member or farmer desiring

THE HALLS GRAPHIC

VOLUME 64

HALLS, TENNESSEE, FRIDAY MORNING, NOVEMBER 21, 1958

NUMBER 47

Corn Farmers To Vote Tuesday

Lauderdale County corn farmers will go to the polls Tuesday, November 25, to help make the decision on what the corn program will be for 1959 and later years.

The choice is between the present program of acreage allotments and price supports on corn, and a new program in which there would be no acreage allotments and price supports would be determined on a different basis.

A majority vote of the corn producers voting here and in 931 commercial corn counties will decide the outcome of the referendum. Anyone who had an interest in the 1958 corn crop in the commercial area is eligible to vote.

Voting hours in Lauderdale County will be 8:00 a. m. to 6 p. m. Voting locations are as follows:

Community No. 1 — Durham-Orvea Community House; Com. No. 2 — County ASC Office; No. 3 — City Hall; No. 4 — Woman's Store; No. 5 — Fullen's Store; No. 6 — Burnham Store; No. 7 — Parkers Store; No. 8 — Jones Store; No. 10 — Keaton's Store; No. 11 — Crowders Store; No. 12 — Dyer Bros. Lumber Co.; No. 14 — Chisholm Store; No. 15 — McBride Store; No. 16 — Cooks Store; No. 17 — Sloan's Locker.

The corn referendum is required under the Agricultural Act of 1958, passed by Congress late in the past session. The two programs to be voted on are designated on the ballot as No. 1 and No. 2. The county ASC office gives the following explanation of the two programs:

Program No. 1 — This is a new program. There would be no acreage allotments and no design. (Please Turn to Page 6)

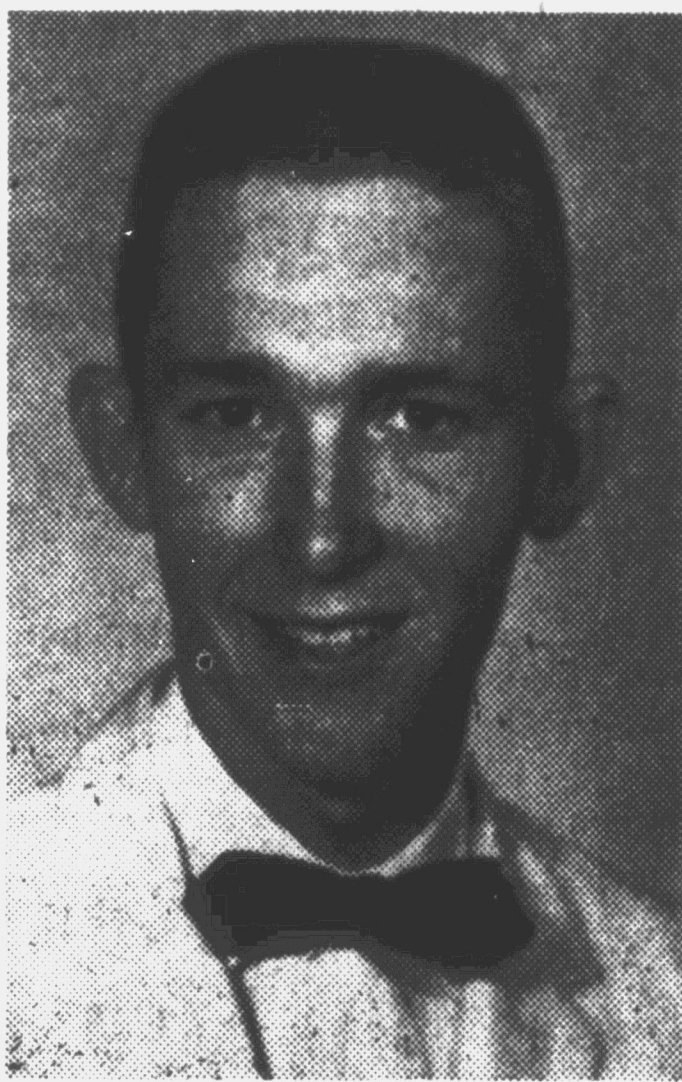

Roy Escue Died Monday Night

RIPLEY — Roy T. Escue, grocer and landowner of Ripley, died at 10:20 Monday in Lauderdale County Hospital. He was 63.

Services were at 10 Thursday morning at First Methodist Church. The Rev. James Bagby officiated. Burial was in Pleasant Grove cemetery with Garner Funeral Home in charge.

Mr. Escue, born in Haywood County, had lived in Lauderdale County since 1910. He was a former deputy sheriff, former member of the board of education, a past commander of Ripley's American Legion post, and former member of Lauderdale County's Selective Service Board. An overseas veteran of World War I, he was a Methodist.

He leaves his wife, Mrs. Maggie Hunt Escue; two sons, Joe Turner Escue of Ripley and Paul Hunt Escue of Memphis; two daughters, Mrs. Lloyd White of Memphis and Mrs. Milo H. Fields of Rapid City, S. D.; his stepmother, Mrs. Jettie Escue of Halls; three brothers, Bill Escue of Halls, Lannie Escue of Ripley and Jack Escue of Jackson; one sister, Mrs. Vergie Young of Halls; half brother, Joe Clyde Escue, and two half sisters, Mrs. Jane Escue of Halls and Mrs. Eugene Escue of Jackson; a stepbrother, Mrs. Jettie Escue of Memphis; and six grandchildren.

Savings Stamps Gift Books Offered

Something new in the sale of United States savings stamps has been designed by the Treasury Department — gift books — one containing ten 25-cent stamps to sell for \$2.50 and the other containing 20 to sell for \$5.00, it was announced this week by Postmaster E. J. Shannon.

These books were placed on sale throughout the nation on November 18, 1958, and have been available at the Halls Post Office since that date.

They make ideal gifts for birthdays, Christmas, and other special occasions in addition to providing a convenient way of buying U. S. Savings on the installment plan, Mr. Shannon said.

Now is the best time to renew your subscription. \$2.00 a year.

Henderson, Kirby Get Carrier Jobs

Two rural carrier vacancies which have existed in the Halls Post Office for the past several months were filled this week, it was revealed today by Postmaster E. J. Shannon.

Receiving career appointments from the Post Office Department to the carrier posts are R. H. Kirby, Jr. and Jack R. Henderson. Both appointments are effective Saturday, November 29.

Mr. Kirby will be the carrier on route number 3. He has been serving as temporary carrier on this route since the death of R. C. Jordan early in 1957.

Mr. Henderson was named carrier on route number 2, succeeding Hermon T. Abernathy, who retired on December 31, 1957. T. M. Belton has been serving as temporary carrier on this route since that date. He will continue as Mr. Henderson's substitute.

A Purple Heart veteran of World War II, Mr. Kirby is married to the former Lucille Johns and resides on East Tigrett St.

Mr. Henderson is a veteran of the Korean War and is a lifelong resident of Halls. He is the son of Mrs. Paul H. Henderson, Sr. and the late Mr. Henderson.

Tigers Lose In Final Game

The Halls Tiger brought an end to a dismal football season Monday night when they lost their final game to Dyersburg by a score of 33-6. The game had been postponed from last Friday night due to rain.

The Tiger score came in the second quarter when Danny Grady broke into the clear from the Dyersburg 45-yard line and raced across for the score. The Tigers showed signs of moving the ball at other points in the game but penalties, etc. managed to end them all before the Tigers could reach paydirt.

NEW SON

Dr. and Mrs. J. T. Elmore announce the birth of a son at Parkview Hospital in Dyersburg at 11 o'clock Wednesday morning. Mrs. Elmore and son are doing nicely. The youngster, who weighed in at 9 lbs., has been named John Fount.

MISS PATSY BURKS

Was recently elected Miss Home Economics by the FHA Chapter of Halls High School. The award is highest received by a Home Economics student in Halls High School.

ROSS W. DYER

Ross Dyer Named Ellington Aide

Governor-elect Buford Ellington has announced he will appoint Ross W. Dyer, Halls lawyer, as his executive assistant.

Dyer was Senate floor leader for the administration in the 1957 General Assembly, in which he represented Dyer, Crockett, and Lauderdale counties.

Ellington said Mr. Dyer will be "largely responsible for coordinating the work of the department and will participate in major policy decisions. His outstanding record as a legislator is well known across the state," the governor-elect continued, "and his experience in this field will be especially helpful during the important legislative season just ahead."

A native of Halls, Mr. Dyer has practiced law here since 1940, except from 1943 until 1946, when he served in France with the U. S. Army Medical Corps, where he attained the rank of captain.

During the 80th General Assembly, Mr. Dyer served on several important Senate committees including education, finance, judiciary and ways and means. He also was chairman of the committee on committees. He is a member of Halls Civic Club, the Masonic Lodge, the First Methodist Church and has served as a trustee of Lauderdale County Hospital. He has served as mayor of Halls and as the city attorney.

Mr. Dyer's wife, the former Agnes Moss of Gallatin, was West Tennessee Women's Division manager for Ellington's campaign in the August Democratic primary.

The Dyers have one son, Tommy, 17, a student at Castle Hts. Military Academy at Lebanon.

NEW DAUGHTER

Mr. and Mrs. Henry W. Cantrell of Shreveport, La., are the parents of a baby girl born Oct. 28 at T. E. Schumbert Hospital in Shreveport. The young lady has been named Barbara Jane. Paternal grandparents are Mr. and Mrs. B. D. Cantrell and the maternal grandparents are Mr. and Mrs. Elvis Cannon, all of Halls.

ATTEND FLORAL DESIGNING SCHOOL

Mr. and Mrs. Thomas Neil Martin and Mrs. Charles Martin were in Memphis recently to attend a Designing School for Christmas floral designs. The school was held at Ellis Auditorium. Danny Thomas made a guest appearance at the school.

Farm-City Week To Be Observed

F. H. Paschal
County Agent

Farm-City Week is being observed November 21-27 throughout the United States and Canada to bring about better understanding between rural and urban peoples; to increase the knowledge and appreciation of each for the American way of life; and to recognize that Thanksgiving Day symbolizes America's awareness of and gratefulness for the bounty of nature and the strength of her man-made institutions.

Farm-City Week is directed by a national Farm-City Committee made up of representatives of 150 businesses, industries, farm, professional, trade, church, youth and service groups, educational institutions, governmental agencies, and publishers and broadcasters.

The necessity of closing the breach in the understanding between the rural and urban segments of the American economy is a very real one. Farm-City Week is trying to close this breach through a concentrated exchange of ideas between farm folks and city folks.

Our country has become great through cooperation between occupational groups and through cooperation this country will remain forever great. We must all be partners in progress. There can be no prosperous over-all economy, if one segment depends upon prospering at the expense of another. (Please Turn To Page 4)

WE'RE SORRY

Through oversight the name of Bill Viar Meat Co. was omitted from the list of those whom the FFA thanked last week for their donation to the FFA Swine Show. Our apologies to Mr. Viar.

HHS Cage Teams To Host Newbern

The 1958-59 Halls High School basketball season will get in full swing this weekend as the teams travel to Tiptonville tonight and then play host to the Newbern teams Tuesday night. Game time according to information given us will be 7:00 o'clock this year instead of 7:30 as has been customary for the past several years.

Tuesday night of this week the HHS teams opened their season with a trip to Whiteville with the boys bringing home a victory as the girls lost.

Ann Younger hit for 41 points but the girls were on the short end of a 61-40 score.

Whiteville held a 7 point lead at halftime but were unable to hold it as the Halls quintet playing with no practice, found her range in the game and came out on top 43-39. Larry McBride had 18 and Jerry Ward 12 to lead the Tigers.

OLDEST TOWN

Jonesboro, the Washington County seat, is Tennessee's oldest town. On Nov. 4, Jonesboro observed the 179th anniversary of its formal establishment.

The constitutional convention and legislative sessions of the State of Franklin were held at Jonesboro until 1785, when the seat of government of the "Lost State" moved to Greeneville for the last two years of its existence.

Even back when legislators of the Lost State of Franklin arrived on horseback to make the laws of the new land, beer, the light, bright beverage of moderation, was becoming a part of the way of life in the state that would be Tennessee. And to modern Tennesseans, beer is just as much a part of homelife as a cup of coffee. At home or dining out, its good taste is always in good taste.

Beer belongs... Enjoy it

Mrs. Cecil Baker gave the opening prayer. Mr. E. M. Voss gave the devotional, "Let It Begin with Me". Mrs. Finis Hardy had charge of the program using the theme "Decade of Human Rights."

The program stressed the four freedoms of the world. Assisting Mrs. Hardy were Mrs. Blanche Thurmond, Mrs. Vallie Robison, Mrs. Ike Childress and Mrs. Lois Gamble.

After the close of the meeting, a social hour was enjoyed and party plate with drinks was served.

PIANO STUDENTS ARE ENTERTAINED

Mrs. Lula Harward and Mrs. James Voss met with their piano students from grades 9 thru 12 in the home of Janet and Ronnie Hines for a musical evening on November 6th.

The roll was called with each answering present with the name of a famous musician.

Mrs. Harward was the leader of the program with the following taking part: Ann Younger, Lynn Stallings, Dorothy Booker, Ronnie Hines, Nettie Parris, and Mary Karnazes.

Games were played led by Katie Lou Hurt. A contest "Name That Tune" was held. Margaret Griffin was the winner.

Mary Karnazes and Lynn Stallings, co-hostesses, helped Janet serve refreshments after cutting a cake with the musical motif of a treble staff with notes and signs.

We adjourned after expressing our appreciation to Mrs. Hines and Janet and Ronnie for an enjoyable evening. — Reporter

Telephone Talk
 by **ROGER GANIER**
 Your Telephone Manager

"OVER THE RIVER and through the woods ..." but sometimes it's not quite that simple to get to Grandmother's house. Nowadays Grandmother often lives many miles away. At Thanksgiving, especially, we'd like to have her close by to share our turkey ... add her own magic seasoning to the dressing ... pull the wishbone with Johnny. We can be thankful, though, that we can seem mighty close just by picking up our phone! Wherever loved ones are, they can share the fun and all the goings-on by a Long Distance call. Costs so little, especially with bargain rates after six and all day Thanksgiving.

WHO OWNS YOUR TELEPHONE COMPANY?

Occasionally some newspaper and magazine articles have implied that the owners of large corporations are a few pompous millionaires who divide their energies between clipping coupons and playing golf. This implication is far afield from the ownership analysis issued by the A. T. & T. Treasury Department.

A. T. & T. investors come from every walk of life. Nearly 65 percent hold less than 15 shares each: people with average means holding a modest investment. No single person holds as much as one-thirtieth of one percent of the shares outstanding.

There are 1,650,00 owners, nearly 2 1-2 times as many as in any other American corporation. They live in 22,000 communities throughout the United States and in more than 100 foreign countries and U. S. possessions.

You can find A. T. & T. shareowners in any large group, at a baseball game, a PTA meeting, a union meeting, a convention, at a bus stop or train terminal.

A. T. & T. stock is not the exclusive property of set. It's as American as hot dogs and soda substantial as our constitution, and as wide-spread as wild flowers in the field — one of the most investments in America.

COMMUNITY STORY

(Continued from Last Week)
 Some other indictors are: eight new ponds dug this year; \$24,000 spent for machinery; 812 acres in hybrid corn; 205 tons of silage; 135 acres of winter pasture; nine registered bulls bought; some performance tested; and over 100 acres of new ground cleared.

It was revealed, too, that okra is an important cash crop in the community.

Just one more note on community spirit: "We have managed to raise money for most of our projects needs," declared Mrs. Roy Thompson in reporting for the ways and means committee.

In addition to Mrs. Parker, the president; and Mrs. Estes, vice-president and 4-H leader, the other offices are filled by Mrs. W. H. Jordan, Jr., secretary; and Mrs. Alan Fisher, treasurer.

STATE WINNERS RECEIVE TRIPS

Charles Peal
 Asst. County Agent

Jerry Ammons, son of Mr. and Mrs. Lynn Ammons, will attend the National 4-H Club Congress in Chicago on Nov. 30 to Dec. 4 in recognition for his being the state winner in the 4-H Tractor Program. While there, Jerry will be the guest of the American Oil Company who sponsors this program throughout the United States. The huge banquets, wonderful programs, and activities are something he will never forget, for this Congress is truly a memorable occasion.

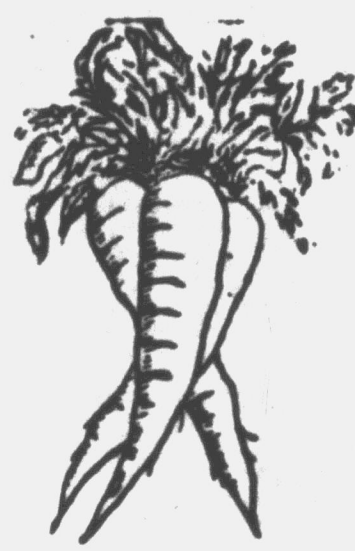

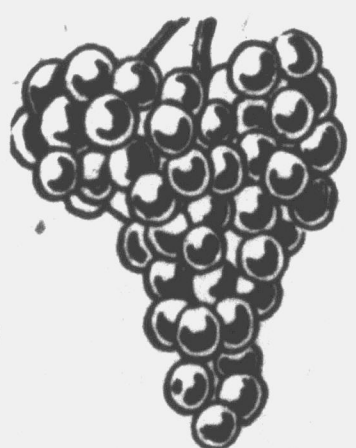

Jerry is the first boy to be a state winner from Lauderdale County in quite a number of years, and the first in the 4-H Tractor Program. His patience, interest, good solid project work, plus the interest of his parents are the things that put him in as a state winner.

Delaine Hamby, daughter of Mr. and Mrs. Leslie Hamby, and state winner in Strawberries on Parade Program, received her 4-H award this week in the form of a trip to the Tennessee Frozen Foods Association meeting at Knoxville. Delaine was accompanied by Miss Charmaine Robinson, Home Agent. At this meeting Delaine presented a demonstration in which she used frozen strawberries to prepare a salad, drink and dessert. Her demonstration was enthusiastically received by the delegates. The organization presented her with a cash award.

4-H Achievement Week Recognized

A window display at the Schainberg Store recognizes some of the achievements of Lauderdale 4-H members during the year, 1958. The window was prepared by a committee of Senior 4-H

other segment. You cannot have a prosperous main street unless there is a prosperous farm at the end of it.

In 1940, one farmer could produce enough food for 11 persons. Now he can grow food for 19 people. This is a gain of 72 percent in efficiency in 15 years.

Both farm and city people are trying to obtain and maintain a comfortable standard of living. Neither can enjoy a high standard of living without the other, or without the understanding of each other. Thus the two groups are vitally dependent upon each other.

Cattle Testing Being Completed

The testing of all the cattle in Lauderdale County for Brucellosis which was started last June is nearing completion. Only one or two cattle producers are "holding out" and we hope every one of these will soon decide to get their cattle tested and help get rid of this dangerous and expensive disease of cattle and people.

A recent progress map of the United States shows that about a third of the states are free of the disease and that about half of the counties of Tennessee are brucellosis free. Tennessee should be free of the disease by the end of 1960.

Soybean Quarantine Still On

The soybean cyst nematode which was found in Mississippi bottom area in 1956 caused the area in Civil Districts 4, 5, 9, and 13 to be quarantined in August of 1957.

Purpose of the quarantine is to keep the destructive soybean cyst nematode, a microscopic soil insect which live on the roots of soybean plants, from being spread to other areas of the county by the transporting of dirt out of these areas.

According to the terms of the quarantine, all combines and truck and other farm equipment which are to be moved out of Districts 4, 5, 9 or 13, to any other section of the county must first be cleaned of all dirt and the owner must get a certificate from a special inspector who is charged with the enforcement of the quarantine.

Farmers who have equipment in these districts which is to be moved out may get full assistance in washing and blowing out their combines and getting them certified by calling the office at Dyersburg by telephone collect, letting the operator know the purpose of the call. The telephone number is ATwater 5-1946 in Dyersburg. This office is not open at night; but at night you may call Bernard Higdon, Jr. at Halls, telephone AD 4-7752.

Corn Farmers

(Continued from Page 1)
nation of a commercial corn area. Price support under this new program would be determined on the basis of 90 percent of the average price farmers got for corn in the last 3 years — but not less than 65 percent of parity. It is now estimated that the national support level for 1959 under this program would be about \$.12 to \$.115 per bushel.

If the new program is approved, price supports, in proper balance with corn, would have to be offered each year on the other feed grains (oats, rye, barley,

and grain sorghums). Corn compliance would be eliminated as a Soil Bank, price support, or any other program requirement.

Program No. 2 — This is essentially the same program which has been in effect in 1958 and earlier years. Corn acreage allotments would continue in effect for farms in the commercial area. With record corn supplies, allotments would probably drop next year about 15 percent below 1958 and price support would probably average from \$1.24 to \$1.27 a bushel — at the bottom of the required 75 to 90 percent of parity range. Corn acreage allotment compliance would be required for price support and for Soil Bank eligibility.

County ASC Chairman A. O. Chambers urged all eligible farmers and landlords to vote in Tuesday's election.

"This is a great opportunity for corn farmers to help make an important decision," Mr. Chambers said. "The Department of Agriculture and the Congress are entitled to a real turnout that will result in a representative expression of corn farmers' views."

Any farmer who has any question about voting place, eligibility, or any other feature of the referendum should get in touch with the ASC Office, Mr. Chambers said.

Let us know the news. Call AD 4-7898 or AD 4-7540.

CARD OF THANKS

May we take this means of saying to you how grateful and appreciative we are of the many kindness shown and the expressions of sympathy for the loss of our daughter and granddaughter. Thank you and God bless each of you.

FARM BUREAU DELEGATES ATTENDED CONVENTION

Some twenty-four members and delegates of Lauderdale County Farm Bureau attended the Tennessee Farm Bureau Annual Convention at Nashville, November 16-19.

Arthur Thompson, county pres-

ident, said the official voting delegates were: W. M. Paris, Lynn Ammons, W. C. Viar and Earl Moorer, Jr. They represented Lauderdale County's 870 members in the official business sessions.

The 37th annual convention saw hundreds of farm people from all over the state attending the various informational, recreational and business session. They represented the 58,000 farm families that belong to Farm Bureau in Tennessee.

Other Farm Bureau members who attended are: Mrs. Walter Lazure, Mrs. W. L. Barbour, Mr. and Mrs. W. M. Paris, Mr. and Mrs. C. U. Roberson, Mr. and Mrs. Lynn Ammons, Mr. and Mrs. William S. Thomas, Mr. and Mrs. Walter Sanford, R. E. Smith, Paul McBride, Elvis Cannon, F. H. Paschal, Clifford Sweat, W. C. Viar, Leon Hargett, Austin Winn, Earl Moorer, Jr., Miss LaQuita Matthews, Mrs. Lorene Matthews and Mrs. Betty Griggs.

During the business session on

the final day, official delegates adopted the resolutions and recommendations that will be the guide for Farm Bureau action in the coming year. They also elected state officers and directors.

Cotton Growers To Hear Allotments

Lauderdale County growers will receive official notice of their 1959 farm acreage allotments for cotton the first week in December.

Cotton acreage allotments for Lauderdale County farms have been determined by the County ASC Committee in accordance with the law and the regulations issued by the Secretary of Agriculture. In 1959, two allotments for upland cotton will be established for each farm, and if marketing quotas are in effect each farm operator will have an opportunity to choose the one he wants to comply with and to register his choice at the County ASC Office. If he elects the "regular" Choice (A) allotment and complies with it, he will be eligible for price support at the full level available — not less than 80 percent of parity for 1959.

If he elects the Choice (B) allotment, (which is 40 percent larger than the Choice (A) allotment) and complies with it, he will be eligible for price support at a lower level — 15 percent of parity less than under Choice (A).

If marketing quotas are not in effect, only "regular" allotments will be available and price support will be 50 percent of parity, as directed by law.

The Chairman explained that the national allotment and reserve of 16,310,000 acres available for distribution is first apportioned among States and the State allotments among counties. The county allotments are then distributed among farms on which cotton was planted or regarded as planted in any one of the past 3 years, with a small acreage reserved for specified uses. The minimum farm allotment is the smaller of the farm's 1958 allotment or 10 acres.

Farmers who do not intend to operate a farm for which a 1959 cotton allotment is established should immediately return the official allotment notice to the County ASC office so that it can be sent to the person who will operate the farm next year. Cotton allotments are established for specific farms and may not be transferred by the operator or other producer or other producer from one farm to another.

Any changes in the land to be included in the farm for which the allotment is made should be reported to the County ASC Committee. Farm operators likewise are asked to check with the County ASC Office regarding any other questions about the farm on which the allotment is established.

PTA TO BE HOST TO COUNTY COUNCIL

HHS Teams Play At Munford Tonight

The Halls High basketball teams will face their strongest tests of the young basketball season Friday night as they travel to Munford to play the always strong Munford teams. Tuesday night they will return home with Alamo as their foes and then Friday night will go to Somerville.

The HHS quintet made it three in a row during the weekend as they took victories over Tiptonville and Newbern and the girls also got on the victory trail with wins over both teams after dropping their opener to Whiteville.

At Tiptonville Anne Younger hit for 32 points as the Hall's girls won 46-43 and Larry McBride had 22 and Larry Voss 18 as the local boys outdistanced Tiptonville 57-38.

Tuesday night in the opening home game the Halls girls took a 50-29 victory after getting off to a slow start. Anne Younger registered 30 points and sophomore Glenda Belton got 15.

The Halls boys fiddled and fell, missed and stumbled early in the game before they hit their stride late in the second quarter and took what proved to be a very easy victory over Newbern 56-39. Four boys hit in double figures, McBride 13, Ward 13, Tatum 11, Voss 10, and Pat Younger added 6 as the Tiger attack began to "jell". Newbern made a contest of it during the first quarter and went into the lead 16-14 in the middle of the second quarter and that's when the roof fell in as the Tigers hit for 12 points while holding Newbern scoreless to lead 26-16 at halftime.

John Eskridge Dies Of Heart Attack

Services for John H. Eskridge, a carpenter, were held at 2 Sunday afternoon at Halls Methodist Church with the Rev. J. K. Stuart officiating. Burial was in Halls Cemetery with Halls Funeral Home in charge.

Mr. Eskridge, who was 56, was stricken about 9:45 Saturday morning at the former E. O. Dew residence on South College street. Born in Arkansas, he had lived in Halls 29 years.

He leaves his wife, four sons, Robert Eskridge of St. Louis, John M. Eskridge of Lawrenceburg, Tenn. and Charles Eskridge and Lynn Eskridge of Halls, a daughter, Mrs. Margaret White of Halls; a stepdaughter, Mrs. Ida Bell Crews, Ripley; his mother, Mrs. J. M. Eskridge of Halls; 8 sisters, Mr. J. H. Hayes, Mrs. Katherine Cook and Mrs. J. B. McBride of Dyerburg; and five grandchildren.

UNDERGOES SURGERY

Debbie Henderson, four-year-old daughter of Dr. and Mrs. Robert O. Henderson, underwent a tonsilectomy at Le Bon Heur Hospital in Memphis Friday.

Community Clubs To Be Judged

F. H. Paschal
County Agent

Mrs. P. M. Parker, president; Mrs. A. M. Estes, vice-president; Mrs. W. H. Jordan, Jr., secretary; and other leaders of the Durhamville - Orysa Community Improvement Club with all Extension Agents will attend a district meeting of representatives of community club at Jackson next Tuesday.

Clubs which are county winners will explain one project for the benefit of the whole group. More than \$4,000 in prizes will be awarded at this achievement dinner and we believe Durhamville - Orysa will rate high in the competition.

Farm Costs Rise

As farmers plan next year's operations, many have expressed frustration and growing resentment at the higher and higher prices for farm machinery and other things they need.

This feeling is supported by facts recently issued by the American Farm Bureau research staff. According to this report, between 1947 and 1957, the cost of labor increased 80 percent, transportation costs increase 85 percent, and other costs increased 72 percent.

These higher costs keep lowering the farmers share of the dollars consumers pay for his products. They keep increasing his need for more capital which he must get from a source which understands his problems and at a cost which he can afford to pay.

Many farmers need to work out realistic statements of their financial conditions and then use these as a basis for establishing a practical line of credit with a bank, agricultural credit corporation, or Production Credit Assn., which can provide credit at reasonable cost to meet his needs for a continuing operation on a profitable basis.

Credit Needs High

The extra demands for capital in farming today forces farmers to use more credit than ever before. The cost of this credit then becomes more important as an expense item.

At this time of year, we need to consider the necessity for getting enough credit to do the best job of farming next year that we know how to do and get that credit for the period of time it will be needed and at the lowest cost.

Income Tax School

Internal Revenue Service and the Farm Bureau are jointly sponsoring a Farmers' Income Tax School to be held at the Farm Bureau Office in Trenton on Tuesday, December 16.

Farmers and people who plan to assist farmers in filing their income tax returns are urged to attend this school which will begin at 9:00 A. M. and close at 3:30.

Hog Surplus Likely

A survey of farmers' intentions to produce pigs, completed in September, emphasizes the trend toward heavy expansion of hog production. This survey showed that hog producers in nine leading hog producing states in June, July, and August actually farrowed 17 percent more pigs than in the same period of 1957.

Moreover, they indicated intentions to farrow 17 percent more pigs in September, October, and (Please Turn To Page 4)

November this year than last year. They further expressed intentions to farrow 20 percent more pigs in December, January, and February than in the year before. This rate of farrowing is more than double the ten-year average for that period.

With hog prices becoming more and more sensitive to changes in supply, such an expansion can mean a big price break for hogs in 1959. In December, 1955, hog prices dropped below 11c. It can happen again. If it does, we should be prepared to stay in the hog business.

Cotton Acreage Up For 1959
Lauderdale County farmers will be allotted 33,694 acres of cotton for 1959. None of this has been offered under the conservation part of the program; so farmers can grow that many acres next year. Only 28,500 acres were planted to cotton in the county this year, although farms were allotted more than 29,000

acres, after putting 6000 acres in the Soil Bank.

If producers next year cut below their allotments about as usual, they will still grow 5,500 acres more cotton than was grown in 1958.

If marketing quotas are voted on December 15, Lauderdale County producers could plant an extra 40 percent or a total of 47,171 acres, but present trend of thinking does not indicate any probability of their growing a high percentage of the extra acreage.
