Should Be Supported

We wonder how many citizens of Lauderdale County realize how important the proposed constitutional convention is and just why every rural citizen should want the convention called.

The convention is being called for the purpose of considering the present Constitution of the State of Tennessee in regard to reapportionment, and whether or not the constitution should be altered, reformed or abolished in respect to the present methods of reapportionment.

Reapportionment is of vital interest to every citizen of the state. Under the present provisions of the Constitution, the state legislature can be reapportioned in such a manner that the rural counties will become a minority and have very little to say about the state government.

One legislator has told The Halls Graphic that under the present plan, if the goal of metropolitan legislators should prevail, Lauderdale County could lose over \$200,000 in state school and road funds.

Several plans of reapportionment have been advanced, apparently the most satisfactory plan being apportioning the Senate by population and allowing a representative for each county in the lower branch. However, a change in the Constitution will be required if such a plan is to be legal.

Go to the polls and vote FOR the convention.

Dangerous Practice

Thomas Neil Martin had an unfortunate experience Friday night which was dangerous and in our opinion should be dealt with by the authorities.

While driving to a service station at the edge of town, following the ball game, Mr. Martin met a car loaded with boys who threw eggs at his car.

Mr. Martin almost left the road, thinking the objects were rocks or bottles. Paint on the hood of the Martin car was damaged by the eggs.

Reports have also reached us that a car driven by a local negro had a same experience and that eggs were thrown on at least two cars during the football game.

There is some reason to believe that local school boys were involved in at least some of the incidents. Authorities should make every effort to apprehend the culprits and put an end to this sort of activity.

Should Be Outlawed

For many years there have been efforts made to outlaw firecrackers in the state, with little success, although most towns of any size have their own ordinances against the sale and shooting of firecrackers.

We have already been informed that we are silly, old and a killjoy because we feel that there is no place for firecrackers in the hands of irresponsible persons—whether adults or youngsters.

Firecrackers can be and have been dangerous weapons, causing fires, injuries, blindness, etc., and actually serve no useful purpose other than to make a loud noise.

The Town of Halls has an ordinance against firecrackers, and we think it should be enforced at all times, regardless of the particular date or time. Why not either enforce the ordinance all of the time or remove it from the books?

Incidentally, this has no connection with firecrackers but still needs saying. The behavior of young people at the theatre has gotten to the point where the management of the theatre has been forced to discontinue special shows, such as a midnight show on Halloween. Seems to us that the youngsters are cutting off their noses to spite their faces.

Services were at 2 p. m. Wednesday at Halls Funeral Home. The Rev. J. W. Bass and The Rev. Edgar Williams officiated. Burial was in Belle Vernon Cemetery at Friendship.

Born in Crockett County, she moved to Lauderdale in 1945 and to Dyer County in 1956. She was a member of South Side Baptist Church in Dyersburg.

Her husband, James E. Ward, Crockett County planter, died in 1941. She leaves four sons, R. E. Ward, of Tigrett, Halls Ward, of Crockett Mills, and J. D. Ward and Percy Joe Ward, both of Adams.

Another daughter, Mrs. Corinne Vernor, of Dyersburg; two brothers, Clarence Kane and Hugh Kell, both of Belle; two sisters, Mrs. Ethel Finch, of Dyersburg, and Mrs. Clara Sanders, of Memphis.

23 grandchildren; 34 great-grandchildren; and two great-great-grandchildren.

SETTING SAIL FOR THE OPEN SPACES and for a fine game against Halls last Friday, halfback Billy Howard (32) goes 19 yards on Ripley's first play of its 37-0 victory. Left in his wake are Robbie Voss

(80), Sammy Ozmert (71), and Lynn Patton (90), while William Webster (78) gets set for firm action with Paul Henderson (11).

HALLS' BEST GAIN of the night, 16 yards by quarterback Billy Davis, had the assistance of Sammy Ozmert (71) in fending off Ricky Butler (44) as Talmage Cribfield (82) sent the turf flying in his tackle.

Pheasant Total Up To 700 In County; Hunters, Lay Off

Raccoon Enthusiasts Taking Up To Five In One Night; Deer Season Near Start

By Joe P. Beard

A second release of hybrid pheasants near Halls, Gates, and Nankipoo has brought the number of birds freed in the Game and Fish Commission project to 700.

Landowners are requested to caution hunters to whom they grant hunting privileges to not bother these birds until they become established and a legal season is fixed for their hunting.

Raccoon hunters report 50 percent kills and some with good dogs have bagged as many as five in one night. There is no limit this season. The wildlife area is open on Monday, Wednesday and Saturday nights.

The first statewide deer hunt runs for a week after Nov. 3rd. Wildlife area hunts begin Nov. 24th and will run through Dec. 2nd, omitting Nov. 28th. Big game stamps are required, plus area permits from checking stations there.

Permits, costing \$3, are good for two days' hunting.

He flew to Tokyo from San Francisco, Calif., arriving at his station on Oct. 25th.

Tigers Hosts For Wildcats; Winning Season At Stake

Injury Hobbled Squad Went Down Before Ripley 37-0 In Clash Last Weekend

Halls' Tigers, with three wins, three losses, and a tie, host Covington Friday with a winning season possible only by topping both Covington and Dyersburg, successive Fridays, and a split season increasingly dubious in view of the injury toll.

Ripley, pointing toward its last home game this Friday as host to Brownville's once-beaten Tomcats, swamped the injury hobbled Halls eleven last Friday, 37-0.

Halls forced Ripley to punt after two first downs here last Friday but fumbled the ball on its first play from scrimmage, and Fullback Gregory Hathcock ripped 18 yards on the third play later went the last five to score. William Webster kicked the point after.

For the rest of the first half, Halls, receiving, had to punt without a first, and Ripley scored with out yielding possession on drives of 77, 50, and 55 yards, with Halls posting its first first down on the half's final play.

Halfback Louis Jennings went 30 yards for Ripley's second TD. Hathcock rambed all 50 for the second one, and the Tigers' first try from scrimmage, and halfback Billy Howard made a beautiful 41-yard excursion to end the half ahead 25-0.

Hathcock scored again, from seven out, on Ripley's initial second half possession. Once again Halls forced a punt but had to punt back, and Ripley drove 48 yards for its final six points, with Howard getting the last 15.

With Ripley coach Maurice Kelly cleaning his bench, the plucky Halls gridgers forced two Ripley losses on downs during the final quarter but couldn't get closer to pay dirt than the Ripley 27.

SCHOOL SCOOPS

From Halls High

By Alice Fern Parrish, Beta Club

Halls Beta Club's assembly program this week publicly invited qualified students to join the club.

Julia Peters, Helen Harrell, Jimmy Pickens, and Gloria Meeks told the purposes, qualifications for membership, and meeting plans of the local chapter. Then Alice Fern Parrish, Robby Voss, Mary Vaughn, Linda Meeks, Helen Harrell, and Julia Peters went into the audience and indicated invitations by tapping the shoulders of certain students, in accord with the chivalric custom.

Tipped were Lynda Chambers, senior, and Linda Carter, Judy Cates, Kathy Daws, Jimmy Hansford, and Donna Lou Roberts, juniors.

Cheerleaders report one of the largest crowds they have seen at a pep meeting at the burning of the Ripley dummy last Thursday night. A parade through Halls ended on the air base, where the bonfire was made, followed by cheers.

The fact that pranksters destroyed the collection of wood Wednesday night did not seem to discourage the students. Thursday morning, principal James McKee gave permission to everyone wishing to help collect wood to go during a free period. (Help is always available when a student may leave study hall.)

The pancake supper last Friday night, sponsored by the girls basketball team, was a complete success. Coaches Paul Kelly and Ralph Mays report they cleared \$150, which will almost pay for the traveling bags for the teams.

The annual Future Farmers hog show was held last Friday afternoon at the riding ring, with approximately 30 entries which gave the judge, Johnny Roberts, a hard time. Every contestant received a Marcus ribbon and prize money.

Fennel was declared the grand champion exhibitor, and Don McBroom the reserve champion. Lloyd Olds was given the showmanship award.

In the blue group, and receiving \$5.50, were Mike Carmack, Dennis McCaslin, Marcus Fennel, Don McBroom, Lloyd Olds, D. H. Trooper, Dennis Manuel, and Larry Don Moore.

In the red group, and receiving \$5.50, were James Thurmond, Kenneth Blue, Mike Carmack, Gene Lovelace, and D. H. Trooper.

In the white group, and receiving \$4.50, were James Thurmond and Gene Lovelace.

Future Homemakers and Future Farmers are planning the annual barnwarming Wednesday, Nov. 21st. The PFA Sweetheart and the FHA Beau will be announced at this event.

The girls have already chosen their beau by secret ballot. "Miss Home Economics" and her maids will also be named at the barnwarming.

The home economics girls are still taking orders for Christmas cards and fruit cakes, to earn money for the chapter and points for the girls, to determine who will attend the state convention in Nashville in the spring.

Johnnie Matthews Giving Up County Home Agent Post

Sheriff's Wife Praised By Superior As Resignation Accepted With Regret

Mrs. Johnnie Alexander Matthews, Lauderdale County home demonstration agent since June, 1960, and wife of the county's recently installed sheriff, G. W. Matthews, resigned Wednesday.

Her resignation was announced with regret by F. H. Paschal, county Extension agent, who said her work here had been "outstanding, right from the time of her appointment."

"She came to the work just after having finished college with an excellent record," the county agent said. "She has pursued with interest and enthusiasm and effectiveness her work with the 4-H Club girls and the women of the Home Demonstration Clubs."

She is Mr. and Mrs. H. L. Jones, of Hales Point.

The Halls Parent-Teachers Association sponsored a spaghetti supper and Halloween Carnival Wednesday night at the elementary school. High school parents were re-

Jas. Jones Plans Modern Grocery

James Jones, grocer, has purchased a 200 by 200 foot lot just south of the Texaco Service Station on Highway 51 South in Halls on which to erect a grocery.

Mayer-Howard Lumber Co., of Covington, has been awarded the contract and has laid the foundation for the 40 by 60 foot grocery building.

NAMED FOR WHO'S WHO

Mary Eleanor Karnazes, of Halls, is among 16 seniors at Union University in Jackson named to "Who's Who Among Students in Universities and Colleges for 1962-63."

Congratulations

To Mr. and Mrs. James D. King, of Route 1, Halls—a son, born Oct. 27th in Parkview Hospital, in Dyersburg.

To Mr. and Mrs. George Glover, of Route 2, Gates—a son, born Oct. 30th in Lauderdale County Clinic. He has been named Bobby Wayne.

Responsible for the spaghetti supper and elementary parents for the carnival. Proceeds will help finance major P-TA projects this school year.

Golden Wedding

MR. AND MRS. E. R. HARDY, Sr., of Barr, were honored by their children on their 50th wedding anniversary at Halls Youth Center Oct. 21st.

Seven of the eight children were present for the occasion. They were Mrs. T. E. Burroughs, of Route 1, Halls, E. R. Hardy, Jr., and Calvin Hardy, of Route 4, Ripley, Mrs. Ithmer Kissell and Carlos Hardy, of Barr, Palmer Hardy, of Memphis, and Mrs. Gene Burroughs, of Buffalo Grove, Ill.

Master Sergeant Warren G. Hardy, of Germany, who was unable to attend, wired his parents a dozen red roses for this special day. The Hardys also have 36 grandchildren and three great-grandchildren.

Friends calling to congratulate the honored couple between one and five o'clock registered in a gift book of gold color.

Grandchildren served cake, punch, nuts and punch from a large table covered with a white cloth and centered with an arrangement of gold chrysanthemums. This arrangement, on a mirror plaque, was flanked by golden tapers in golden holders. Smaller tapers in gold holders and flowers of similar hue at individual tables about the refreshment

hall furthered the white and gold theme. The immense cake at the main table was topped by the words "50th Wedding," gold roses, and a wedding bell.

After the guests had departed, the members of the immediate family remained for a family supper together.

As a preface to the affair Sunday, the children left their husbands or wives and their children at home and went to spend the night with Mr. and Mrs. Hardy at the Barr.

They were joined by Mrs. Marley Young, of Ripley, who had made her home with the Hardys for seven years. This group carried a basket meal with them for the evening meal.

50th Anniversary

MR. AND MRS. JOE M. DUNAWAY celebrated their 50th wedding anniversary with open house at the Halls Youth Center, where an arrangement of gold chrysanthemums was the centerpiece for the table which bore many gifts. Among those attending from a distance were Mr. and Mrs. Will S. Dunaway and daughter, Judy, of McComb, Miss., and Mr. and Mrs. Aaron Gooch and son, Richard, of Salem, Ill.

Referenda Taking Election Spotlight From Candidates

Over \$200,000 Per Year At Stake For County, Major New Plant For Ripley

Referendum questions, rather than individual candidates, are of chief interest in Lauderdale County elections Tuesday, and they will have a direct impact on every Lauderdale County's pocketbook.

The only contest on the county-wide general election ballot is for governor, with Frank Clement, Democratic nominee, conceded almost certain victory over Republican entry Hubert D. Patty and William R. Anderson, an independent.

U. S. Rep. Robert A. (Fats) Everett, Public Service Commissioner John C. Hammer, State Senatorial nominee Herman L. Reviere, House floor nominee L. E. Cribfield, Jr., are unopposed on this county ballot. John Peyton has no opponent on the ballot for Thirteenth District magistrate in voting at the Cherry box.

Big Question At Bottom

The important part of the ballot is the question of calling a constitutional convention based on historic apportionment of the seats in the legislature—an apportionment of seats which favors Tennessee's rural counties. It is intended that this convention will modify the Tennessee constitution's reapportionment provisions in favor of rural counties, now that the federal Supreme Court is forcing reapportionment upon the state.

Rural counties, under Farm Bureau leadership, are rallying to vote heavily "For" the constitutional convention. Shelby and other heavily populated counties, seeking to wrest more state funds from rural areas, are working against the proposed convention.

At stake is \$200,578 per year in state school and road funds alone now coming into Lauderdale County, which a legislature controlled by large counties could take from this county. Such a move would add about \$200 per year to real estate tax rates here.

City Ballot Seeks Payroll

In addition to the county vote, City of Ripley voters will conduct an election in which a referendum question is the only item on the special ballot. Three fourths of persons voting are required to approve issuance of \$150,000 in industrial revenue bonds to bring Tennessee Broadcasting Corp. to the city. The industry will repay the bonds over 15 years, without cost to the city's taxpayers.

The diecasting firm would be a major new payroll in the city. It is expected to inaugurate operations with 45 persons working three shifts, and grow steadily to more than a hundred employees in two years. Employment could eventually rise much higher. Many employees will be men and they will be white and negro.

No Opposition In Prospect

No opposition is known to exist to the bonds for this industry, but Ripley leaders are anxious for a virtually unanimous vote to make clear to other industrial prospects that the city welcomes their location here.

The exact wording of the referendum question is this:

County: "Shall a convention be held to alter, reform or abolish the following provisions and subject matter of the Constitution of Tennessee, to wit: Article II, Sections 3, 4, 5, 6, 7, 8, 11, 15, 16 and 23 relative to the Legislative department of State government, its authority and terms of office; the methods and means of apportioning the Representatives and Senators of such department; the time of holding elections for such offices; the time for Legislative meetings and the inauguration of the Governor; policies, quorum, and adjournments of each such House; filling of vacancies for such offices; limitations upon power of adjournment of such Houses; and the compensation of members of such department; which convention shall be limited to consideration of and action upon these sections and the subject matter herein above set forth, the action of such convention to become effective as to each amendment adopted by the convention only after being separately submitted to and ratified and approved by the voters of the state?"

BANK ASSISTS 4-H WORK By Contributions To State, National Foundations

The Bank of Halls has joined other Tennessee banks in state and nationwide support of 4-H Club work through a contribution to the Tennessee 4-H Club Foundation and the National 4-H Club Foundation.

Funds from the drive will be divided equally between the Tennessee 4-H Club Foundation and the National 4-H Club Foundation. The Tennessee funds will be used, in part, to sponsor a banquet during the State 4-H Club Congress and to sponsor various other 4-H Club activities. Monies given to the National 4-H Club Foundation will be used to teach citizenship, leadership, and international understanding among farm youth. The International Farm Youth Exchange is a program of the National Foundation.

THE BIBLE SPEAKS. Why the Bible? Some one might think that the Christian religion has a Bible just to keep up with the procedure; for every religion in the world that has as many as a million members, has a Bible of some kind, and Christianity would be very odd if it did not. But this is not the reason we have a Bible. It is his the reason—that God can speak to man through a written Word! Not at all. Did you ever stop to think that the whole Bible was written by persons who did not have a whole Bible? In fact, a great deal of the Bible is devoted to the record of how God has been found in other ways as well as in the Bible. The reason for the Bible itself does not contain a few lines, but nearly every page of it is something else besides that.

Shower Sunday For Bride-Elect

Miss Karyon Burford, of Brownsville, bride-elect of Donald William Wood, of Nashville, was the honoree Sunday at a lingerie shower given by Mrs. E. R. Murphree at her home on the Ripley highway.

Miss Burford is the daughter of Mr. and Mrs. David E. Burford, of Brownsville. She is the granddaughter of the late Mr. and Mrs. G. V. Burford, of Brownsville, and of Mr. and Mrs. W. G. Neely, of Halls.

For the party the bride-elect chose a navy silk and was presented a corsage of white carnations by her hostess.

Mrs. Murphree's daughter, Mrs. Thomas Freeman, presided at the punch bowl and Miss Dana Burford served the cake. The table was centered with a handsome arrangement of pink stock and silver trays held the cakes and nuts.

Thirty-six guests were included and presented the bride with gifts. Mrs. Burford was a special guest.

So live that your fellow man will not get a good laugh out of the inscription on your tombstone.

Golden Anniversary

Wedding Plans Set For Miss Williams

Plans have been completed for the marriage of Miss Patty Williams, daughter of Mr. and Mrs. E. B. Williams, of Halls, to Donald Houston, son of Mr. and Mrs. C. W. Houge, of Halls.

The First Baptist Church of Halls will be the scene of the ceremony the twenty-fifth of November, at three o'clock in the afternoon. The Rev. Edwin A. Hunter will officiate.

Nuptial music will be presented by Mrs. Wymond Hurt, organist, and Miss Kathy Davis, soloist. The bride will be given in marriage by her father.

Miss Williams has chosen her cousin, Mrs. Charles Cherry, to serve as matron of honor. Bridesmaids will be Miss Brenda Jennings, daughter of Mr. and Mrs. Marshall C. Jennings, and Miss Lynne Stallins, daughter of Mr. and Mrs. Morris H. Stallins, all of Halls.

Mr. Houge will be attended by Carmon Reese Belton, of Halls, as best man. Serving as ushers will be Marcus Spiller, of Halls, and Charles Gooch, of Ripley.

To Mr. and Mrs. Carl Smith, of Route 1, Halls—a daughter, born Nov. 4th in Lauderdale County Clinic. She has been named Barbara Elaine.

Mr. and Mrs. Archie N. Escue, of 928 Tulley, Memphis, will celebrate their golden wedding anniversary Sunday as dinner guests of their four children at the home of a daughter, Mrs. Orris McMahan, at 3344 Powell, Memphis.

The other children are Mrs. Clarke Apperson, of Ripley, Mrs. Fred Neal, Jr., of Brownsville, and James E. Escue, of 3850 Covington Pike, Memphis.

The Escues, who recently retired from a grocery business, were married at Gates. Mrs. Escue was Miss Eva Corikran before her marriage.

Mr. and Mrs. William Manuel and son, Dennis, were in Memphis Tuesday, where Dennis was examined at Campbell's Clinic.

Mrs. Sammie Arnold and son, Jimmie, and Mrs. R. T. Sellers were in Memphis one day last week. They were accompanied home by Mrs. Arnold's mother.

Mrs. Delmus Burns and son, Jimmie, and Jeanie Ashmore, of Tipperville, visited the Rev. and Mrs. Edwin Hunter Thursday.

Mrs. James McKee and Mrs. Jackie Walker are in Selma on Thursday and Friday of this week to attend a seminar of the Cumberland Presbyterian Church.

Thursday evening, members of the Junior and Intermediate G. A. S. joined other groups at a box supper at the American Legion building in Dyersburg, celebrating their 50th anniversary.

Mr. and Mrs. Jerre Jordan, Jr., of Shreveport, La., announce the birth of a son at a Shreveport hospital on Monday night. Paternal grandparents are Mayor and Mrs. Jerre Jordan, of Halls.

Technical Sergeant and Mrs. A. D. Pittman, of Elytheville, Ark. Air Force Base, visited friends and relatives Saturday and Sunday.

Mrs. E. F. Waters and Miss Jennie Fritchard, of Dyersburg, spent Tuesday with Mr. and Mrs. Wiley Perry.

Fred R. Hurt entered Madison County General Hospital in Jackson Tuesday night for possible surgery.

Mrs. W. C. Batts and daughter, Miss Wanda Carol, of Fulton, Ky., spent Sunday with Mrs. J. M. V. Vaden. Mrs. Vaden accompanied them home for a visit.

Mr. and Mrs. M. E. McDeerman, Jr., were in Coahoma, Ark., Saturday to attend the wedding of Miss Bettie Burns and James Lee Hall at First Methodist Church.

Recent guests of Mrs. H. G. McCorkle were her mother, Mrs. H. G. Green, of Dexter, Mo., and her brother, Hutson Green, of Malden, Mo. Mr. Green was here Thursday and Friday. Mrs. Green remained until Monday.

The Rev. and Mrs. Edwin Hunter and son, David, were in Memphis Monday and attended Ringling Bros., Barnum and Bailey Circus there.

Sick & Ailing

Clifford Hilliard, of Halls, entered Baptist Hospital in Memphis Sunday morning and underwent surgery on his arm Monday.

Dismissed From Lauderdale County Hospital Halls—H. S. Herman Cannon. Colored Dismissed From Lauderdale County Hospital Halls—Dorothy Love.

There's A NEW FRONTIER In Office Efficiency

Significant break-throughs in design and production of familiar products are revolutionizing the office supply field.

Good businessmen are improving efficiency for the New Year... and earning tax credit on their income tax returns.

Before you invest unwisely in office tools of obsolete design, don't fall to see the newest and best.

NEW COMPACT STANDARD TYPEWRITER

Standard keyboard, standard large platen, every big-machine feature including half-spacing, tabulation—now even automatic indentation—yet miniature size techniques have reduced bulk and weight so that this heavy duty machine is easily carried. This all-purpose typewriter shames flimsy lightweight costing far more... outperforms expensive giants. It's writing sales history for Underwood. Fully guaranteed, naturally!

Widely Sold At \$119.50

\$98.00 Carrying Case Included

NEW PLASTISOL REPLACES MESSY CARBON PAPER

Fresh from Columbia Ribbon & Carbon's pace-setting research laboratories, this newest wrinkle for perfect copies is LIQUID carbon, sandwiched between thin, tough plastic which just won't wrinkle and which keeps your fingers and your typewriter clean, yielding its contents only when struck. Liquid carbon dries into paper fast—you can rub the copy over a white shirt without a smudge! It comes to refill use points, giving longer, ever wear all over. Thus, though Plastisol costs more initially, it's economical because it outlasts ordinary carbon several times, stays flat and clean, speeds work. Ordinary carbon's thrown away half used because it's degenerated and the coating has become spotty. End that waste, and carbon struggles with Plastisol—ask for a few sheets on trial. You'll never use carbon paper again.

NEW EVERY OFFICE MACHINE DESERVES AN A-1 RIBBON

Nothing pops up any office machine's performance—and actually prolongs its life—like a first quality NYLON ribbon... the only ribbon we handle because it's the only one we can sell with pride... Yet some folks persist in using cheaper quality ribbons which date from the pre-war era—and actually pay more for them than our \$1.25 price for nylon. By handling one grade in volume, we're holding the price line on the best ribbon you can buy. At that price, you can't afford any other ribbon for your machine.

Copy of A Letter To Ripley Manufacturing Company Employees

Last Monday, October 29, the St. Louis Central Trade & Labor Council asked the candidate for County Councilman, Tom Green, to appear before a panel of unionists to answer a number of questions. To those who are not aware of it, Tom Green is Milton Rosenfeld's son-in-law.

Tom Green had asked for the support of the St. Louis unions several weeks before. He was given the support of the unions because it was believed, when he answered certain key questions, that he was sincere. When it was learned that he was the son-in-law of Milton Rosenfeld who was recently found responsible for the "lockout" of his employees and who is charged by the International Ladies Garment Workers Union with attempting to prevent unionization of his shop by use of fear-of-loss-of-job, Tom Green was asked to appear and explain whether he shared his father-in-law's views.

Whether he wins or loses the election on Tuesday, November 6th, Tom Green has the support of the organized workers in St. Louis. He won the support of the I.L.G.W.U., as well, His position, despite his relationship with his father-in-law, was definitely in favor of unions. We hope he wins. He did not support the activities of his father-in-law in Ripley, who on one hand says labor unions are all right and on the other hand attempts to belittle the one union that has jurisdiction in the ladies' garment industry.

We should remember that when Milton Rosenfeld calls a union names it must be because it is an effective union. We should remember that time after time he has said "we never cut piece-rates". In this one instance he is right; they are not cut, they are slaughtered. Last month we lost our 12 cents per hour bonus. What happened to it? What happened to the money the firm withheld from our wages under the guise of paying us on our last year's average?

SIGNED: RIPLEY MFG. CO. ORGANIZATIONAL COMMITTEE International Ladies' Garment Workers' Union

The election returns, of course. But who totes up these results so you have them scant hours after the polls close? Not the government. (Government returns won't be certified for weeks.) The count is made by almost 10,000 daily and weekly newspapers working hand in hand with Associated Press and United Press International. On election night, tens of thousands of newsmen pick up vote totals at precinct level, feed them into the line to local, state and national headquarters. Computers translate the numbers into hard election facts: who won, who lost. (Generally, the press wire services handle state and national counts; your local newspapers, city and county contests.) Vote counting is only one key role newspapers play in a free election. Newspapers bring you coverage—in unmatched depth—of conventions and campaigns. Newspapers bring you candidates' words in a form you can go back to for checking and rechecking. On editorial pages, newspapers express opinions, explore issues, help you weigh platforms and promises—help you make a well-informed choice. At election time—and all the time—you can bet on newspapers. And never lose.

MORE X-RAYS REQUIRED

Chast X-rays should be taken of every hospital admission, Dr. W. H. Haywood, Landerdale-Tipton District Tuberculosis Association director, said Thursday during a Brownsville meeting.

X-rays are the best means of detecting unsuspected tuberculosis early enough for relatively easy cure, he said, and also give early warning of other developing chest troubles.

He was introduced by Mrs. Irvin Knox, of Ripley, district association executive. Other Landerdale County who attended were Col. Tom Scott, F. H. Paschal and J. Guy Henderson.

F. H. Paschal, chairman of this year's Christmas Seal campaign, urged citizens to purchase the seal.

Dr. Haywood said that he has seen many X-rays of people who have tuberculosis and that he has seen many X-rays of people who do not have tuberculosis.

Confidential Corner

By Henry Murchison. Judging from the vote in opposition to the Constitutional Convention, we must have done a very poor job in alerting the citizens of Halls to what the convention would mean.

It is difficult for us to understand why any citizen of Halls would not favor the convention, since apportionment of the legislature according to the desires of the cities can and probably will mean a big loss in school and other revenue for the rural counties.

Certainly, we agree that some reapportionment is needed, but just, but we believe the rural areas should be the urban areas gain completely.

We hope that we are going to be better off in the future in informing the public, if that was the problem.

Farm Population Dwindling. In a recent news story, we saw that some 7,000,000 persons are now engaged in farming operations in the United States.

Some of the reasons for this decrease in farm population are the loss of land to urban areas, the mechanization of farming, and the migration of farm families to cities.

Support The Scout Drive. If you have not already made your contribution to the annual Scout fund drive, please do so within the next few days.

Around The Town. Several new homes are being built around town, and we are sure that they will be well received.

Memphis Laymen Hear Judge Dyer

Judge Ross Dyer was the speaker at an annual meeting of the Memphis Laymen's Club, Thursday night, at the Halls Christian Church.

The speaker, Judge Dyer, discussed the importance of the layman's role in the church and the need for a more active participation in church activities.

Judge Dyer's address was well received by the audience, and he was thanked for his inspiring words.

The meeting was held in the Halls Christian Church, and was attended by a large number of laymen from the Memphis area.

The Halls Christian Church is a member of the Memphis Laymen's Club, and is proud to have Judge Dyer as a speaker.

The Memphis Laymen's Club is a group of laymen who meet regularly to discuss church and community issues.

The club's meetings are held on a regular basis, and are open to all laymen who are interested in church and community life.

The Memphis Laymen's Club is a valuable resource for laymen in the Memphis area, and we encourage all interested parties to join.

PROCLAMATION FARM-CITY WEEK 1962

WHEREAS the prosperity and well-being of this community are dependent upon cooperation between the two great elements of our society: farmers and urban people, and

WHEREAS the complexities of their individual problems and the divergence of their activities have led to a widening gulf of misunderstanding, and

WHEREAS this gulf of misunderstanding must be eliminated, and each group must understand the other if our American way of life is to endure, and

WHEREAS Farm-City Week provides an unparalleled opportunity for farm and city people to become re-acquainted,

I, THEREFORE, Dr. J. R. Lewis, Landerdale County Judge, do hereby proclaim the period of November 16th through November 22nd to be Farm-City Week; and I do further call upon all citizens of this community to participate to the limit of their capability in the various activities, seminars, pageants, civic and social events attendant to a successful Farm-City Week in this county.

Done at the City of Ripley, this 15th day of November, 1962.

J. R. LEWIS, County Judge.

Lackey Memorial Fund Announced

Mrs. L. M. Kirkpatrick, Sr., announced this week establishment of the Lackey Memorial Fund to provide medical assistance for needy and worthy Lauderdale Countians.

The fund will honor the memory of the late Dr. W. K. Lackey, the late "Dr. Joe" B. Lackey, and other physicians of their family.

Gifts to the fund will be income tax deductible, and each will be acknowledged to the donor and to the family of the person in whose memory they are contributed.

They may be mailed to the Lackey Memorial Fund, Ripley, or left at the office of Mr. Kirkpatrick, located over Sears, Roebuck, in Ripley.

Gifts will be used only to provide vitally needed medical care for Lauderdale County residents who have no other source of aid to which to turn.

Sorority Brunch Is Well Attended

PICKENS LOOKING GOOD

Playing Football For U. T. Martin Branch

Tom Pickens, a 178-pound halfback, has seen lots of action for the University of Tennessee Martin Branch this season.

A sophomore in liberal arts, he runs in the number two position in the left halfback spot. The former Halls High star is tapped as a probable starter for next season's campaign after gaining valuable game experience this year.

He is a son of Mr. and Mrs. Anford Pickens, of 207 South Church.

Telephone Talk

By ROGER GANIER
Your Telephone Manager

You are going to like ALL NUMBER CALLING which will become effective November 24, 1962, for all telephone subscribers in Halls.

Your new telephone directory containing the new numbers will be delivered November 20, 1962.

This is a necessary change because:

1. ANC eliminates dialing errors caused by sound-alike central office names—Mitchell, MUtual.
2. It eliminates wrong numbers, caused by mistaken spelling, such as dialing HI instead of HY for Hyacinth.
3. When all numbers are ALL NUMBERS, the letters will be removed from the telephone dial, making dials easier to use.
4. A dial without letters will also help the modern trend toward smaller phones. Designers eventually will create smaller instruments with push-buttons instead of dials.
5. Tests at the Bell Laboratories and among customers themselves show that dialing is faster with ANC.
6. By increasing the number of potential central offices in each dialing area, ANC permits an increase in the number of telephones you can reach without having to dial a three-digit area code.
7. Someday, ANC will permit dialing to telephones anywhere in the world—even those countries with different alphabets than ours.

A TELEPHONE OPERATOR answering a call with "Number, Please!", heard a voice reply "Duston". "What number, Duston?" asked the operator. "No number, just Duston," replied the voice impatiently. "I'm dustin' the telephone."

THANKSGIVING IS FAST APPROACHING and we hope you can be with your family on this special day. But if you can't, why not share the joy of the holiday by telephone. The sound of your voice across the miles is the best way to say "I'm thinking of you. I wish I could be there." If you're one of the lucky ones planning a holiday trip home ... call ahead. It's the quickest way to make happy plans. Whatever you do, wherever you are on Thanksgiving Day, your telephone company wishes you all the good things of this happy season.

There's A **NEW FRONTIER** In Office Efficiency

Significant break-throughs in design and production of familiar products are revolutionizing the office supply field.

Good businessmen are improving efficiency for the New Year ... and earning tax credit on their income tax returns.

Before you invest unwisely in office tools of obsolete design, don't fail to see the newest and best.

NEW COMPACT STANDARD TYPEWRITER

Standard keyboard, standard large platen, every big-machine feature including half-spacing, tabulation—now even automatic indentation—yet missile age techniques have reduced bulk and weight so that this heavy duty machine is easily carried. This all-purpose typewriter shames flimsy lightweights costing far more ... outperforms expensive giants. It's writing sales history for Underwood. Fully guaranteed, naturally!

NEW PLASTISOL REPLACES MESSY CARBON PAPER

Fresh from Columbia Ribbon & Carbon's pace-setting research laboratories, this newest wrinkle for perfect copies is LIQUID carbon, sandwiched between thin, tough plastic which just won't wrinkle and which keeps your fingers and your typewriter clean, yielding its contents only when struck. Liquid carbon dries into paper fast—you can rub the copy over a white shirt without a smudge! It comes to refill use points, giving longer, ever wear all over. Thus, though Plastisol costs more initially, it's economical because it outlasts ordinary carbon several times, stays flat and clean, speeds work. Ordinary carbon's thrown away half used because it's dog-eared and the coating has become spotty. End that waste, end carbon struggles with Plastisol—ask for a few sheets on trial. You'll never use carbon paper again.

NEW EVERY OFFICE MACHINE DESERVES AN A-1 RIBBON

Nothing pep's up any office machine's performance—and actually prolongs its life—like a first quality NYLON ribbon ... the only ribbon we handle because it's the only one we can sell with pride. ... Yet some folks persist in using cheaper quality ribbons which date from the pre-nylon era—and actually pay more for them than our \$1.25 price for nylon. By handling one grade in volume, we're holding the price line on the best ribbon you can buy. At that price, you can't afford any other ribbon for your machine.

PUBLISHED WEEKLY

HALLS, TENNESSEE, FRIDAY, NOVEMBER 30, 1962.

VOLUME 38, NUMBER 48

Confidential Corner

By Henry Marchison
Edition is Condensed
In the wake of the holidays and some trouble with our Linotype we have packed this week's issue of The Graphic into two pages in order to be back to our usual four pages next week.

Spring Football Practice
Wonder if the bigwigs of the Big Ten Conference are giving any consideration to restoring spring football practice?

We will agree that there are many evils attached to the overemphasis of football, but it seems that not having spring football practice is working against the Big Ten, since teams in other conferences in West Tennessee are continuing their spring drills.

Really Lit Up
Residents of College and Locust Streets didn't know what to think Monday night when they looked up and down their streets and were able to see.

Mississippi River Bridge
The Dyersburg Junior Chamber of Commerce has an ad in this issue of The Graphic asking for backing for a bridge across the Mississippi River.

Three Cities Plan Week Long Effort To Eliminate Rats

Halls, Ripley, and Henning Boards Approve Program Work Begins Dec. 10th

By F. H. Paschal
Town boards of Halls, Ripley, and Henning have planned rat control campaigns covering their entire corporate limits during the week of Dec. 10th.

L. M. McCuan, of the state health department; Parnell Roark, county health sanitarian; and the county agent will assist the men in charge of the campaigns in the towns in getting the bait put out on the most effective basis.

Householders have an important part to play in making these campaigns successful. They should tell the men who come around with the bait where they have seen rats and they should be glad to have the city provide the bait and put it out.

The Squill meat bait to be used in these towns is an outdoor area in the safest bait known. It will not kill any animal except rats. The dry bait used indoors is not attractive to pets, but the bait should be fed to rats and mice and kept away from pets for complete safety and in order to make the campaign as effective as possible.

Free Throw After Second Overtime Sinks Halls, 51-50

Central Snared Twin Bill; Tiger Cagasters Rebound Strongly Over Newbern

Larry Ibell's free throw in the final minute of a second overtime period gave Obion Central a 51-50 win over Halls last Friday night.

The regular game had ended at 48 all as Ralph Gray's last shot for the Rebs went astray.

The first overtime saw both teams score two points before Central took the ball for one last shot. David Hogan tried it, and missed.

Central took the second overtime tip-off and held the ball three minutes, but again missed the pay-off bucket. The foul against Ibell, however, with a second left on the clock, gave the game to the Rebs.

Halls had been ahead 7 points in the second period, but Central closed the gap.

Hogan led Central's scoring with 15. Joe Dendy had 14 for Halls before the half.

Halls girls, behind eleven points at halftime, held their own during the second half as the Rebs substituted freely and won the game 43-33.

Both Halls teams won handily over Newbern Tuesday evening, the boys 62-45, the girls 41-12.

SCHOOL SCOOPS From Halls High

By Linda Carter, Beta Club
The Halls chapter of the Beta Club had its monthly business meeting Tuesday. President Joe Kelley named several standing committees.

Helen Harrell is chairman of the projects committee, and will work with Linda Sue Meeks and Mary Vaughn.

Gloria Meeks will head the social committee, with Lynda Chambers and Kathy Davis.

Alice Fern Parrish, chairman of the program committee, has Linda Carter and Judy Cates to help plan for the year.

Julia Peters heads the finance committee. Other members are Jimmy Hansford, Jimmy Picketts, Donna Lou Roberts, and Robby Voss.

The club accepted as one project a Christmas program for the entire high school, for the last period of school before the holidays.

They plan to use as many high school students on the program as possible. Details will be announced as soon as plans are completed.

Next Application Date For Rental Units Postponed

Personnel Going Elsewhere Wednesday; Verifications Coming From Employers

Applications will not be taken in Halls next Wednesday for low rent public housing here, says Joseph M. Boyd, Jr., executive director of the Dyersburg Housing Authority.

Applications are normally taken at City Hall each Wednesday morning by a housing authority representative, but Mr. Boyd says personnel will be reassigned on this particular date.

Processing of applications is proceeding on schedule, he reports, and verification forms will be mailed to various Halls employers this week.

The authority is required to verify employment status and income of each applicant by contacting the employer prior to admitting residents.

The authority expects to notify first residents accepted early in December, so those who are interested should apply soon.

Applications will be taken again on Wednesday, Dec. 12th, in City Hall, between 9 and 11 a. m.

Congratulations

To Mr. and Mrs. Bobby Joe Hughes, of Halls—a daughter, born Nov. 25th in Lauderdale County Hospital.

Lana Jacobs, elected by secret ballot of students as Miss Home Economics for 1962-1963, and her maids, Donna Roberts, Rebecca Hutcherson, and Alice Wright, were presented gifts by the president of the club, Alice Fern Parrish—measuring cups to the queen and a set of measuring spoons to each maid.

Dann, Cates, FFA president, presented Alice Fern Parrish, "Sweetheart" chosen by FFA boys, with a white corduroy jacket with her name, the FFA emblem, and the chapter name on it. She will represent the chapter at a district meeting in Covington in the spring.

Alice Fern also presented Dallas Burroughs, chosen FFA "Queen," a lapel pin with the FFA emblem on it.

Three students have withdrawn from school: Jimmy Jones, Bobby Bradford, and Linda Willis.

Bobby's family has moved to Chicago, and he will enter school there.

Linda, a member of the senior class, plans to re-enroll in Dyersburg.

The Library Club presented the assembly program Tuesday morning. "Bookland Parade." Characters were presented from well-known books.

Gerard Stewart portrayed Julius Caesar; Karen Williams, Jane Eyre; James Vaden, Long John Silver, from "Treasure Island"; Elizabeth Hart, Ramona; Helen Harrell, Florence Nightingale; Kathy White, Scarlet O'Hara; Eddy Smith, Rhett Butler; and Paul Brown and Louis Vaden were Tom Sawyer and Huckleberry Finn.

Campaign Meets Slow Response

The Lauderdale County Tuberculosis Association reports that only one-third of its 1963 needs have been met by the Christmas Seal campaign to date.

Most associations have about a half of their receipts in hand now.

F. H. Paschal, seal chairman, urges all Lauderdale Countians not to delay sending their gifts. He reminds them that money given to the Lauderdale County Tuberculosis Association will be used here in Lauderdale County.

In 1963, the funds will be used here in work to find tuberculosis cases that need treatment, to provide drugs for patients, to support research, and to do everything possible to provide support for an effort against other respiratory diseases.

One of the most important jobs the Lauderdale County Association does, Mr. Paschal says, is to help with tuberculin testing of children. Another is the work in health education.

Scoutmaster Ben Eaton and four Scouts presented Indian dances as part of the program for the Halls Civic Club Monday night. Volunteer workers in the Scout fund drive were guests.

Advance Drive Chairman David Nunn reported about \$400 raised.

Following is a list of advance donors with others to be listed in forthcoming issues of The Graphic: American Legion, Armour Construction Company, Customcraft Manufacturing Corporation.

Dr. and Mrs. J. T. Elmore, Forked Deer Electric Co., Halls Civic Club, Halls Funeral Home, Halls Hardware, Halls Insurance Agency, Halls Home Supply, Dr. and Mrs. Robert Henderson, Lauderdale County Farmers Co-op.

Delinquent Taxes Facing Collection, Mayor Declares

Leaf Burning, Rat Baiting, Lot Sales Discussed Via Letter To The Graphic

Editor:—We will appreciate having you publish this letter on the first page of this week's Graphic.

During the past several years we have been carefully auditing the city books. The firm of Alexander & Holmes detail each audit and we have been advised by our attorney to collect corporation taxes that have become delinquent previous to 1960. The City Recorder has repeatedly mailed tax notices and some have failed to recognize the importance of keeping their taxes up to date.

We are required by law to publish the names of those who are delinquent, the description of their property and the amount delinquent. In the event these taxes are not paid then a public sale of such property is unavoidable. This letter is intended to remind those of you who are in arrears, to pay up immediately, otherwise we will have no alternative but to carry out our instructions.

We have been informed that leaves burned on concrete curbs and asphalt will ruin the texture of the concrete and cause pockets to appear in the asphalt. Please desist rather than be embarrassed.

The Town of Halls will begin its annual rat campaign in the week of December 10th. Rat poison will not be placed around your premises unless you are at home or otherwise direct us where to place it. It will be to the advantage of all that we do all possible to rid the town of rodents.

The Town of Halls is offering lots for sale beginning this week. Presently house lots offered are located just north of the white housing project and north and west of the colored project. These lots will be priced nominally. Street lights, sewer lines and all city conveniences will be furnished.

In closing let me say that new industrial contacts and a better means of financing new industry have been arranged. We are trusting that an industrial announcement can be made in the near future.

Respectfully submitted, JERRE JORDAN Mayor.

Mrs. W. E. Agee

Mrs. Wilma Agee, of Dyersburg, sister of Mrs. Will Smith, of Halls, died early Wednesday morning of last week in Parkway Hospital in Dyersburg. She was 87.

Services were at 10:30 a. m. last Thursday at Curry Funeral Home. Burial was in Fairview Cemetery.

Born in Crockett County, she was the widow of W. E. Agee. She had lived in Dyersburg about 20 years. She was a member of the Church of Christ.

She also leaves two sons, Warner Agee and Odell Agee, both of Dyersburg; two daughters, Mrs. Thelma Fisher, of South Bend, Ind., and Mrs. Etta Laura Camp, of Dyersburg; two step-daughters, Mrs. Lalia Agee, of Bell, and Mrs. Olean Ozment, of Friendship; a brother, Comer Young, of Friendship; 16 grandchildren; and 25 great-grandchildren.

Wm. Eldon Gaba

William Eldon Gaba, a mechanic, of Chicago, Ill., son of Mrs. Addie Lee Gaba, Kirby, of Halls, and brother of Mrs. Noah Ray, of Halls Point, died about midnight Monday of a heart attack in a doctor's office in Chicago. He was 45.

Services were at 1 p. m. Thursday in Chicago, with burial there. Born in Lauderdale County, he moved to Chicago about 20 years ago.

His father, Robert Gaba, died in 1954. He also leaves his wife, Mrs. Marie Brown Gaba, of Chicago; one son, John Wayne Gaba, of Chicago; his stepbrother, H. L. Kirby, of Halls; three brothers, Joseph Thomas Gaba, Leonard Sewell Gaba, and Robert Marion Gaba, all of Chicago; three other sisters, Mrs. Wiley Layne, of Memphis, and Mrs. John Alley and Mrs. Phil Everett, both of Chicago.

Arnold Escue

Arnold Escue, farmer, of Gates, died at 11 p. m. last Friday in St. Louis, Mo., County Hospital, after brief illness. He was 62.

Services were at 2 p. m. Monday at Concord Methodist Church, of which he was a member. The Rev. R. E. Lowrance officiated. Burial was in the church cemetery. Garner's Ripley Funeral Home is charge.

Born in Haywood County, he was visiting a son, Douglas Escue, in St. Louis when he became ill.

He also leaves a daughter, Miss Marie Escue, of Brownsville, three brothers, Jim Escue, Dave Escue, and Carl Escue, all of Ripley; and four sisters, Mrs. Erma Lovell, of Brownsville, Mrs. Lily Howard, of Ripley, Mrs. Edna Howard, of Curran, and Mrs. Owen Hill, of Haywood.

TELEPHONES AROUND THE WORLD . . . In Norway there's a waiting list of 44,000 applicants for telephone installations. Some of the requests date back to the early 1940's! Japanese householders pay \$100 cash for a telephone and are also required to buy \$170 in company bonds!

WHEN YOU USE THESE COLORFUL SEALS on holiday greetings—here's what you say.
I want my family to have the health facts and services that will keep them safe from TB.
I'm helping someone who has TB to get well.
I'm aiding medical research.
I'm glad to have the opportunity to help with scholarships for young nurses in Lauderdale County.
I'm joining my neighbors to make our county a more healthful place to live.

THE SPOKESMAN, a new Bell System product manufactured by Western Electric broadcasts both sides of telephone conversations. Particularly useful in business, the Spokesman makes possible group listening on telephone conversations. And in the home Spokesman lets the family enjoy hearing both sides of the conversation on calls from grandmother, or that son or daughter in college. This new "conversation piece" comes in standard colors to match your telephone. For further details, call your telephone company business office.

TELEPHONE SERVICE IN AMERICA is the most extensive and efficient in the world. But how are telephone communications in your home? Are you making the most of services offered by your telephone company? Do you have extension phones in time-saving, step-saving places? Do other members of your household—grandparents, teen-agers—have their own listings in the telephone directory? Have you considered the advantages of the handy home interphone . . . the beauty and convenience of the bell chime? To find out how these telephone conveniences can work for you, call your telephone company business office.
