It's Time To Choose

Tennesseans and other citizens throughout the United States will go to the polls Tuesday to select their members of Congress and, in many cases, governors of the various states.

In Tennessee, former Gov. Buford Ellington, Democratic nominee, is without significant opposition and should be an easy winner.

This is not true in the senatorial race, as Gov. Frank Clement and Howard Baker go down to the wire in a neck-and-neck race. After full consideration of all facts available to us, it is our feeling that Tennessee will be best represented in the Senate if Gov. Clement is elected.

Gov. Clement's long experience in governmental affairs, his wide acquaintance with present members of Congress, and other assets should not be wasted. Vote for Gov. Clement Nov. 8th.

In the race for representative for the Eighth Congressional District, we cannot stress strongly enough the need to support The Hon. Robert A. Everett and send him back to Congress with the feeling that we appreciate the job he is doing and that he has our sincere support.

Our sympathy goes out to the members of the Halls Tigers football squad for their valiant but losing effort last Friday evening, when they played the greatly favored Lake County Falcons to a standstill and were only a few seconds away from victory.

We heard any number of local football fans say they enjoyed the game Friday night more than any that they have seen in years and much more than they did the somewhat one-sided Tennessee-Army game in Memphis Saturday afternoon.

A few games like this one will do much to revive the old time football spirit among fans and students. Our congratulations to every member of the squad.

Mayor Jerre Jordan has proclaimed Nov. 6-12th as DECA Week in Halls and calls upon all citizens to support the Distributive Education Clubs of America. This branch of high school study does much for students, in that it offers them the opportunity to learn marketing and distribution of goods and services under actual business conditions as part time employees of local business firms.

The Halls club has eighteen members.

Air Base Plant

Mayor Jerre Jordan informed The Halls Graphic Wednesday that the town has reached an agreement with officials of a plant to locate on the old air base here.

Mayor Jordan said 75 new jobs, about equally divided between men and women, will be created with the establishment of the new plant.

Construction of an all-metal building will start immediately, with production of a war item to begin before the end of the year.

Applications for jobs may be filed at the City Hall.

Nunn Helps Save Five Men Aboard Burning Carrier

In Trio Which Fought Way Through 6 Flooded Decks To Aid Trapped Fireman

Lt. (j.g.) James W. Nunn, of Halls, Lt. (j.g.) Robert Davis, of Richmond, Calif., and Jack B. Tupper, machinist's mate, of Vinal Haven, Maine, fought through six flooded decks to rescue Fireman Claude M. Harper, of Memphis, trapped aboard the burning aircraft carrier Oriskany in the Gulf of Tonkin off Viet Nam.

Nunn, son of Mr. and Mrs. Oliver Nunn, of Halls, had earlier helped four other men to safety.

An explosion of flames ignited the blaze, which killed 43 men.

Reports from Subic Bay in the Philippines, where the carrier put in for repair, said it looked like a victim of a kamikaze attack.

The Navy released this account of Nunn's actions:

He had gone to bed about 4:45 a. m., 45 minutes after returning from a two-hour air rescue patrol.

When the fire alarm sounded about 7:30 a. m., Nunn decided he and four companions could not get out. He telephoned for a rescue party to bring oxygen breathing apparatus.

Nunn advised his companions to cover their faces with wet sheets or towels. Then he blocked all openings to the room and went up a ladder searching for help.

Meeting a sailor carrying oxygen breathing apparatus, he returned to the room and helped escort his four companions to safety.

Nunn and fellow officers searched through the fire area, braving intense heat, looking for survivors.

Sailors sprayed the bulkheads to cool them down while Nunn and his companions searched. They found eight bodies in one compartment, five in another.

After helping remove bodies from the compartments, Nunn learned that Harper was trapped in a pump room six decks down, surrounded by flooded compartments.

Nunn, Davis and Tupper began to descend through the ship, wearing scuba diving gear, draining each compartment.

They found Harper clinging to a stanchion, in a state of shock. The fireman had secured the hatches leading to the pump room when the fire alarm sounded. He was kept the smoke from filtering in through vents, he covered his face with a wet rag.

He spent 2 1/2 hours in the pump room, then tried to get through an escape trunk. But the area was flooded and Harper was out of breath.

He returned to the pump room and hung on until he was rescued by Nunn, Davis and Tupper.

Halls Tigers Give Lake County Real Fight; Edged 18-13

Powerful Foe Finds County Eleven Tough Opponents; Halls Fans' Cheats Out

After a heart-breaking loss to Lake County last Friday, 18-13, the Halls Tigers will travel to Obion Central Friday evening for the first of their final two football games of the season. Next Friday, they will close out the season in Dyersburg.

The Tigers will be rated as slight favorites over Obion Central, but the game should be close.

The Tigers will be taking a 4-3-1 record to Obion Central and will be seeking to insure a .500 record for the season with a victory over the Obion County eleven.

Two yards and a few seconds of time stood between the Tigers—playing without the services of ace back Bubba Stallings—and a stunning upset of Lake County Friday evening as the Tigers won the battle of statistics but lost the football game, 18-13.

Stallings suffered a dislocated right thumb in Wednesday's practice and was not in uniform.

The Tigers went on the scoreboard after receiving the opening kickoff, with Ronnie Ball returning the kick to the Tiger 43. James French, moved over from guard to Stallings' tailback spot, and Darriel Garrett moved the ball to the Lake County 11-yard line.

Quarterback Butch Baker hit wingback Ball in the corner, and Ball went in for the TD. Doug Baker's kick was good, and the Tigers led 7-0.

Later in the first quarter, Lake County's Jerry Marks broke loose at the Halls 40 and tallied for the visiting team. The try for point was blocked when end Larry Jones got a hand up, and Halls led 7-6.

In the second quarter, adversity struck the Tigers, as a series of penalties placed the ball on the Tiger 1-yard line, after a stunning Tiger defense had stopped Lake County three times.

The Tigers were hit with a roughing the passer penalty after Doug Baker picked off quarterback Donnie Owens' throw. Owens had gotten the throw away with Halls end Raybon Chambers on his back trying to bring him down.

Two plays later, a face mask penalty was called after Marks was caught far behind the line.

Then, from the 7-yard line, officials stepped off a 5-yard penalty without signaling the violation.

From the Halls 34-yard line, Lake County received 28 yards in penalties to put the ball on the yard marker, and from there, Merlin Brown plunged for the second Lake County TD. Again the kick was blocked. Halls trailed 12-7 at halftime.

Halls quickly regained the lead in the third quarter, with Darriel Garrett going in from the two, after Ray Chambers blocked a Lake County punt to place the Tigers in scoring position on the Lake County 27. Baker's kick was wide, and the Tigers led 13-12.

Early in the fourth quarter, Lake County was able to muster one more offensive drive, as it moved the ball from its own 47 to the Tiger 11. Quarterback Ronnie Owens bootlegged the ball and went to his left on a naked reverse to score standing up.

With time running out and pay dirt 91 yards away, the Tigers began to move steadily to midfield. Wingback Ball got into the clear at the Lake County 32, after a pass from Baker, and went to the nine before he was brought down. Two plays with Garrett carrying moved the ball to the two, where the clock ran out.

The Tigers had been forced to call time out twice during the drive when French was injured and when Ball split his chin, which required five stitches.

With no timeouts left, the Tigers had planned a grounded pass to stop the clock, but a mixup in signals, after an audible call by Baker, left no time on the clock.

The Tigers had twelve first downs and Lake County nine. Lake County gained 173 yards rushing and completed none of five passes. The Tigers had 127 yards rushing, and Baker completed 4 of 6 passes for 74 yards and a total offense of 261 yards.

Halls was struck with 83 yards in penalties, while Lake County had 35 yards stepped off against it.

The entire Tiger defense—Ray Chambers, Larry Jones, Tommy Martin, Johnny Vaden, Tommy Eaton, Freddie Williams, James French, Esell Davis, Edwin Hutchinson, Doug Baker and Phillip Voss—played outstanding ball.

Linebackers French and Davis had 16 and seven individual tackles, respectively. Chambers had seven and Jones five.

Doug Baker punted seven times for a 40-yard average.

Tuesday Ballot Is Long One

Tennessee voters Tuesday consider ten constitutional amendments and three contests, of which the liveliest is the race between Gov. Frank Clement and Rep. Howard Baker for the U. S. Senate seat for which Clement defeated incumbent Ross Bass in August.

Baker is making the strongest Republican bid for the seat in 7 years. Clement's Democratic running mates, Buford Ellington for governor and Rep. "Fate" Everett for U. S. Representative, are topheavy favorites over their opponents.

Nine of the amendments are submitted by a limited constitutional convention, many of them aimed at preserving influence of rural counties in state government. In advertisements in this issue, the county Farm Bureau urges approval of 2, 3, 4, 5 and 6; and the Bank of Ripley urges approval of all the first nine, details of which can be read on Page 5.

The tenth amendment, which would permit a real estate tax exemption for aged persons, is submitted by the state legislature itself. Its text will be found below.

NOTICE OF GENERAL ELECTION
As required by Tennessee Code Annotated, we, the undersigned members of the Board of Commissioners of Elections for Lauderdale County, Tennessee, do hereby give notice that the regular biennial General Election will be opened and held in all the voting precincts of Lauderdale County, Tennessee, on Tuesday, November 8, 1966, for the purpose of electing the following officials: a Governor for the State of Tennessee; a United States Senator for the State of Tennessee; a United States Representative for the 27th Senatorial District of Tennessee; a District Representative for the 37th District of Tennessee; a District Representative for the 38th District of Tennessee; and a Public Service Commissioner for the Eastern Division of the State of Tennessee;

AND FOR THE PURPOSE OF voting on nine proposed amendments to the Constitution of the State of Tennessee, as proposed by a Limited Constitutional Convention, full notice and texts of which were published in this newspaper in its issues of Oct. 7, Oct. 14, Oct. 21, and Oct. 28, 1966, by order of the Constitutional Convention;

AND FOR THE PURPOSE OF voting on the following proposed amendment to the Constitution of the State of Tennessee, submitted by Joint Resolution No. 4 of the 94th General Assembly in extraordinary session assembled on March 31, 1966:

SHALL SECTION 28 OF ARTICLE II OF THE CONSTITUTION OF THE STATE OF TENNESSEE BE AMENDED BY INSERTING THE FOLLOWING LANGUAGE AT THE FIRST SENTENCE OF SECTION 28?

"There may further be excepted to the extent ordained by the Legislature real property owned by any person sixty-five (65) years of age or older and occupied by such person as a homestead."

MR. AND MRS. BRYAN KEITH KOONTZ

A wedding of charm and beauty was solemnized at Gains Methodist Church Sunday afternoon.

Mr. and Mrs. Bryan Keith Koontz were united in marriage at 4 o'clock when Miss Lana Williams became the bride of Bryan Keith Koontz, of Hillview, Ill. The most impressive double ring ceremony was performed by Bob McConnell, Church of Christ minister of Memphis.

Wedding music was presented by Mrs. Wynona Hurt, of Halls, organist. Her selection was "Sweet Mystery of Life." Libera-trium. She softly played "Hearts and Flowers" during the ceremony. Mrs. Donald Hogue, vocalist, of Halls, sang "Since Your Path Crossed Mine." "More" and "The Wedding Prayer." The traditional wedding marches were used.

Call baskets of white gladioli were silhouetted against branched candelabra entwined with greenery and lighted tall tapers. At the rear of the altar was a large heart composed of white chrysanthemums and fern. A priestess, entwined with smilax completed the ceremony arrangements.

Beautiful Wedding Gown The lovely bride approached the altar on the arm of her father who gave her in marriage. She wore an original gown of pink de-voile and lace. The lace bodice

over the hands. Three tiers of lace extended down the front of the skirt which had a detachable cathedral train outlined with white ruffles. Her show length veil of misty illusion, crowned with pearls fell from a queen's crown of lace, studded with sequins and seed pearls. She carried a cascade bouquet of white hydrangea roses.

Maid of honor was the bride's sister, Miss Kathy Williams. Bridesmaids were Miss Maurine Koontz and Miss Sherry Koontz, sisters of the groom, and Mrs. Charles Cherry, cousin of the bride. They wore floor length dresses of gold satin with matching gold shoes. Their headpieces were of gold velvet ribbon with bouffant veils of matching tulle.

They carried cascade bouquets of broom peonies arranged with ivory, die-cut flowers. The bridesmaids wore a white lace empire gown, was flourentine. Mack Cherry was ringbearer. Best man was Michael Koontz, brother of the groom. Grooms-men were Willie Cordings, Bob Moore and Price Nemo. Ushers were Charlie Cherry and Jackie Fincher.

For her daughter's wedding Mrs. Williams wore a bronze chiffon frock over lace with a corsage of gardenias. The groom's mother wore a yellow wool suit with brown accessories and a corsage of gardenias.

Reception At Church Immediately following the ceremony a reception was held in the annex of the church. The refreshment table was laid with a white linen cloth. A color scheme of white and green was carried out.

The beautifully decorated four-tiered bride's cake was topped with a miniature bride and groom under a bridal arch and decorated with confectionery green roses. Mrs. Dawn Bolmer and Mrs. Michael Koontz served green punch, minis, nuts and Christy Dyer.

Gifts Mrs. Frides Eliset On Oct. 30th Miss Vaden was complimented with a gift tea from 2:30 to 4:30 o'clock in Halls First Methodist Church.

On the archway between the living room and dining room wedding bells were suspended.

Attending in addition to the hosts were Johnny Free, Miss Betty Ann Vaden, Mrs. Lewis Free, Quincy Free, Mr. and Mrs. Lynn Vaden, Lynn Scott Vaden, Mrs. Lynn Vaden, mother of the bride, wore a royal blue suit fashioned of wool tulle. Mrs. Lewis Free, mother of the groom, wore a blue two-piece dress made of crepe, accentuated by a vertical ribbon of a darker blue. These shoulder corsages consisted of white orchids.

Reception Follows Ceremony Immediately following the ceremony a reception was held in the Fellowship Hall of the church. Guests were served individual cakes topped with a miniature rose, punch and minis by Miss Anna Ray Hurt and Miss Charity Dyer. Mrs. Thomas Hendren assisted at the guest book.

Assisting with the reception were Mrs. Douglas Hart, Mrs. Jerry Jordan, and Mrs. Bob Poldester.

After a short wedding trip the couple is at home on Crawford Street in Dyersburg.

Out-of-town guests included Mrs. W. B. Jones and daughter, Rebecca, of Dallas, Tex.; Miss Dorothy Barber, Miss Annie Hart, Mrs. Taylor Barber, Mrs. Williams Barber, Miss Connie Christian, Mrs. F. R. Gray, Mrs. Sherry Crumby, Mrs. Sandy Maltby, of Memphis, Tex., and Mrs. J. T. Barber and Miss De-

A MAN WITH A NOVEL APPROACH TO THE MEAL PROBLEM is eating his way through the Yellow Pages of the Manhattan telephone directory, restaurant by restaurant. Several years ago he turned to the Yellow Pages to find a good restaurant and happened to pick one whose name began with "A". That started it; he's now somewhere around the middle of the listings and expects to reach his last "Z" meal in the year 1980, some 5,000 restaurants later.

And, speaking of eating... Thanksgiving is almost here. Your friends at Southern Bell join in wishing you and your family a wonderful holiday... and we hope you have many things for which to be thankful.

There's A NEW FRONTIER In Office Efficiency

Significant break-throughs in design and production of familiar products are revolutionizing the office supply field.

Good businessmen are improving efficiency and earning credit on income tax returns.

Before you invest unwisely in office tools of obsolete design, don't fail to see the newest and best.

NEW COMPACT STANDARD TYPEWRITER

Standard keyboard, standard large platen, every 10-machine feature including half-spacing, tabulation—now even automatic indentation—yet missile age techniques have reduced bulk and weight so that this heavy duty machine is easily carried. This all-purpose typewriter shames flimsy lightweight costing far more... outperforms expensive giants. It's writing sales history for Underwood. Fully guaranteed, naturally.

NEW UNDERWOOD-OLIVETTI BUSINESS MACHINES

They perform far beyond simple addition—subtract, give credit balance, multiply, calculate discounts and percentages, total capacity 99,999,999. Just 9 1/2 inches high, desk space 9 1/2 x 14 1/2—yet with big machine's high efficiency and rugged dependability! Choose one-hand-operated. Price \$90 at \$99.50, the electric Quanta at \$129.50, or the automatic Multiplication, heavy-duty Multisuma, \$209.95.

NEW EVERY OFFICE MACHINE DESERVES AN A-1 RIBBON

Nothing pops up any office machine's performance—and actually prolongs its life—like a first quality NYLON ribbon... the only ribbon we handle because it's the only one we can sell with pride... Yet some folks persist in using cheaper quality ribbons which date from the pre-war era—and actually pay more for them than our \$1.29 price for nylon. By handling one grade in volume, we're held to the price line on the best ribbon you can buy. At that price, you can't afford any other ribbon for your machine.

HOSPITAL VISITORS GUIDE

The hospital staff can best fill its mission when you cooperate by:

1. Complying with the posted visiting hours.
2. Making your visit short—five to ten minutes at most. The patient will probably have other visitors.
3. Not having more than two visitors per patient at a time.
4. Being cheerful—not discussing your problems with the patient.
5. Not smoking in patient's rooms.
6. Not sitting on patient's bed.
7. Not bringing in food (this could be harmful).
8. Leaving children 12 years of age and under at home.
9. Talking in a low, soft voice, so other patients will not be disturbed.

It is a proven fact that when patients have an excessive amount of visitors, hospital stays can be prolonged by one to three days.

Is There Any Hope?

Lesson For November 27, 1966

Background Scripture: Jeremiah 31:1-14

Several years ago an American submarine was trapped with its entire crew far below the surface of the ocean. At first it was believed that rescue attempts had a good chance for success. Messages were tapped out on the hull of the stricken sub, establishing contact between those above and below. Despite heroic efforts to rescue the crew, time finally ran out. With oxygen falling, someone tapped out a last question: "Is there any hope?"

Rev. Althouse desperate question: "Is there any hope?"

Many today are preoccupied with that question. They look at the pain, the evil, and the turmoil of this complex world today and want some assurance of what the future holds. What kind of world will it be for our children and their children? Will they still stand under the threat of nuclear destruction, under the tension of racial hostilities, under the danger of growing world Communism?

Signs Of The Times

When we read the signs of the times it is difficult to decide which way they are pointing. Every hope seems balanced by some threat, every stride forward by a big step backward, every indication of encouragement by mounting pressures of despair. Commencement speakers and politicians delight in foreseeing a "bright new day" before us, but is that really what lies ahead? Some people are saying, "Stop worrying and leave it up to man—he'll bring a brighter day!" Never before has man had so much about which to be optimistic with himself. His progress in science and technology are unbelievable. Is there no limit to man's potentialities? There is: Man himself.

When the First World War was fought, many believed that they were fighting a "war to end all wars." In the interval between the First and Second World Wars people were supremely optimistic about the ability of man to build a world free of armed conflict. Education, science and culture would eliminate the causes of warfare. Given enough time and motivation, there wasn't anything man couldn't do.

The Nagging Question

Education, science, and culture did expand and grow at a dizzying pace, but so did the causes of war. Mankind's great and optimistic hopes for the future were dashed by the even more terrible World War Two.

Now, once again we are envisioning the paradise of the world that is "just around the corner." The growth of science, culture, and education is far greater than ever before. Once again people are predicting a not-too-distant Utopia: life, published to the hill; life created in the laboratory test tube; humanity molded into new forms by the management of human genes!

Because many of us remember the disappointments of the past, we find ourselves asking that nagging question: "Is there any hope?" The present can better be endured when we have some assurance of the future. Yet the past seems to fairly bellow: "Don't count on man!"

In the dark days when Judah was under siege by Babylon, the people of Judah asked that nagging question of the prophet Jeremiah. Instead of telling them, he showed them. Buying a piece of real estate outside Jerusalem, Jeremiah demonstrated in a very tangible way that he believed God would restore Judah.

This man whom many regarded as the "prophet of doom," actually held the most optimistic outlook. But it was an optimism, not about man, but the power of God.

Do you believe in the future? No, let us not believe in the future but in the God in whose hands the future rests. Is there any hope? Yes, but in God, not man.

JERRE JORDAN, Mayor

In 5 years how much cotton will you plant?

Can you save your acres and profits?

Cotton acreage and profits could be going up, because people all over the world are buying more textile products.

But right now people are buying products made from synthetic fibers. As a result, not enough of our fiber is being used. Our carryover of cotton is the highest in history, and our acreage is the lowest in almost 100 years. The message is crystal clear—if we want to keep on growing cotton at a profit, we must sell more cotton.

The only answer... Cotton Research and Promotion

Expanded research and promotion are cotton's only hope. With these same two tools, producers of higher-priced synthetic fibers have taken a total market now equal to nearly 7 million bales of cotton. They have gained over 2 million bales in the last 2 years... and new plants are scheduled with capacity equal to another 3.5 million bales.

Growers also can use these tools effectively. Experience has proved it. The only problem is to get enough money to use them on a big enough scale.

New legislation makes that possible. It enables farmers to vote, in a Beltwide referendum, on establishing a uniform assessment of \$1.00 per bale for research and promotion. The law provides that individual farmers

who do not want to participate can have their assessments refunded.

Funds from uniform collection will attract other money—more than two times as much on the average.

This plan originated with farmers. Thousands of growers and 61 cotton organizations across the Belt have endorsed it—overwhelmingly.

All projects must be initiated by grower trustees elected by cotton farmer organizations. Other provisions give equal assurance of producer control.

We, the undersigned, strongly endorse and recommend this uniform collection plan for research and promotion. We urge you to join us in working and voting for its approval in the upcoming referendum.

Help yourself to greater markets, acreage, profits
