HALLS, TENNESSEE, FRIDAY, FEBRUARY 3, 1967.

VOLUME 73, NUMBER 5

Confidential Corner

By Henry M. ...

Very Costly
We, of course, have no means of verifying the figures, but Rep. Robert Michel, of Illinois, Tuesday told the House of Representatives that each graduate of the Job Corps training program has cost the federal government \$53,502. He said that there are now 9,706 graduates from the 112 training centers and that the agency has spent \$522,502,376, up to 1967.

We know that something needs to be done to help the underprivileged get training and find jobs, but taxpayers should not have to bear a cost burden like this.

It seems to us that the federal government needs to review its entire anti-poverty program, or most of the people of the nation will become eligible because of the costs of the various programs.

Congratulations

To Marshall Pierce upon being named postmaster this week by Rep. Robert A. Everett. Mr. Everett was in Halls Saturday to consult with the people of Halls concerning the appointment and Tuesday notified this newspaper and Mr. Pierce that his name has been forwarded to the United States Senate for confirmation.

To Miss Charlotte Garrett for being named Betty Crocker Homemaker for 1967 in Halls High School.

More Jobs Here

The expected starting of operations of Tennessee Wood Products here will add some 100 jobs to the community payroll, and the soon-to-come beginning of operations of Huey Bros. Sawmill, along with a couple of other prospects, may even create jobs that will bring more people into Halls to make their home.

SCHOOL SCOOPS

By Patricia Meeke

The Student Council operated a refreshment stand Tuesday and Wednesday of last week at an auction of farm equipment owned by Johnny Young. Mothers of council members assisted in furnishing cakes and pies. Sandwiches, coffee, and Cokes were also sold.

Working in the booth were Mrs. G. W. O'Dell, Mrs. Robert Lindley, Mrs. T. O. Martin, Jr., Mrs. Hilda French, Mrs. Raybon Chambers, Sr., and Mrs. David Parrish. Proceeds will be used by the council for various purposes.

Top Ten honorees were announced last Thursday. Making the list for the third time were: Seniors: Cherry Agee, Charlotte Garrett, Diane Hayes, Jimmy Hutcherson, Thomas Martin, Patricia Meeke, and Janet O'Dell. Juniors: Phyllis Hartfield, Judy Hutcherson, Margene Kiesel, Debbie Lamare, Linda Lindley, Fran Mynati, and Kay Sanders. Sophomores: Deborah Hoggard, Tommy Kelly, Samuel Reeves, Nina Sellers, Diane Throgmorton, and Kathy Williams.

Freshmen: Dawn Keltner, Shalene Martin, Phyllis Mathis, Kathy Reynolds, and Jerry Shepard. Eighth Grade: Amy Baldrige, Alecia Burrough, David Dyer, Ginger Erwin, Chris Larson, and Nnetta O'Dell.

Seventh Grade: Gay Arnold, Mike Galloway, Freddie Hansford, Alice Kenninmouth, Donna Noblin, David Watts, Amy Wells, Kathy White, and Ronnie Williams.

Making the list for the second time were: Seniors: Raybon Chambers and Mary Jo Parrish. Juniors: Nancy Carter and Gloria Williams.

Sophomores: Linda Jones, Judy Keen, Pat Steelman, and Nancy Vlar. Freshmen: Kathy Duncan, and Pam Mameel.

Eighth Grade: Wayne Hilliard, Martha Hooper, and Steve Jordan. Students among the Top Ten for the first time were: Seniors: Phillip Voss. Juniors: Brenda Wright.

Freshmen: Bob Craddock, Bobby Jackson, and Gayle Garrison. Eighth Grade: Wayne Pickard. Seventh Grade: Cathy Lewis.

The parliamentary procedure lesson completed in a district contest at Fryer High School last Thursday. Team members are Wendell Hill, Glenn Joyner, Tracy C. Moore, Tony D. Moore, McKay Mills.

Halls High Cagers Divide As Season Draws Near End

Boys Top Trimble, Shaved By Ripley; Girls Reverse Results As Card Shrinks

With only five games remaining in their regular season, Halls High cagers will host Newbern Friday evening, travel to Brighton Saturday, and host Trimble Tuesday evening.

Halls girls scored only three free throws in the second half of their game with Trimble last Friday and lost 46-34 after having led at the half, 31-29. Clarissa McAllister had 15 points to pace Halls' scorers.

Tuesday, the Halls sextet reversed the story by trailing Ripley, 34-31, at halftime and then taking a decisive 56-42 victory. McAllister had 36 points, including 20 points from the foul line, for a season's high for a Halls girl.

Friday, the Tigers had a surprisingly easy time at Trimble as they won 90-57. Larry Jones had 19, Tommy Elmore 18, Charlie Dyson 15, Doug Baker 14, and Johnny Vaden 10 points as all Halls starters hit in double figures.

Tuesday, a cold, mistake-prone Tiger quintet spotted Ripley several uncontested field goals to trail 34-22 at halftime. The Tigers cut the Ripley margin to seven points during the third quarter and managed a 54-54 tie at the end of regulation time. Larry Jones sank a long one-hander as the buzzer sounded, but officials ruled the shot too late.

Apparently upset by the ending of the game, the Tigers were able to score only four points during the overtime period, while Ripley picked up eight to win 62-58.

OLD TIMER—If this cat were human, she'd be 161 years old, but age hasn't dampened the spirit of 'Mama Kitty,' whose owner, Mrs. Ben Stanz, of Detroit, Mich., has had her pet for 23 years. Mrs. Stanz says 'Mama Kitty' has earned her name, having brought forth about 150 kittens, but stopped producing two years ago. —UPI Telephoto

March Of Dimes Goes Over Goal

1967 March of Dimes fund drive has exceeded its goal of \$2,100, with Mothers' March funds from many rural communities still to be reported, according to Don Connell, county chairman. Mothers sent to homes throughout the county brought in \$1,037; \$551.01 was collected through schools; and the remainder came through the Mothers' March. Anyone desiring to send a contribution may still do so by mailing it to the Bank of Ripley, c/o the March of Dimes. Make checks payable to the March of Dimes.

L. C. HARTSFIELD

L. C. Hartsfield, Sr., 64, retired painter, of Halls, died at 4:10 p. m. last Friday in Parkview Hospital in Dyersburg, which he had entered Tuesday, after long illness. Services were at 2 p. m. Sunday in Halls Funeral Home. The Rev. Hilton Grimes officiated. Burial was in Greenhill Memorial Gardens.

Born in Lauderdale County, he spent most of his life here except for a period of residence in Arkansas. He was a member of Dry Hill Assembly of God. He leaves his wife, Mrs. Lillie Hall Hartsfield; four sons, J. E. Hartsfield and Auguster Hartsfield, both of Halls, W. C. Hartsfield, of Union Pier, Mich., and L. C. Hartsfield, Jr., of Blytheville, Ark.; six daughters, Mrs. Dorothy Miller, Mrs. Levoid Bonds, Mrs. Joan Burnett, and Miss Phyllis Hartsfield, all of Halls; Mrs. Pearl Schwartz, of Blytheville, Ark., and Mrs. Claudia Lloyd, of Osceola, Ark.; two brothers, W. A. Hartsfield, of Halls, and Leslie Hartsfield, of Long Beach, Calif.; 25 grandchildren; and nine great-grandchildren.

Countians Capture Early Glove Wins, Lose Final Bouts

Only Survivors Of Jackson Tournery Were Unopposed: Two Stage Exhibition

JACKSON, Feb. 4.—Lauderdale County boxers scored some early victories in the West Tennessee Golden Gloves tournament here last weekend, but only unopposed entries survived to go to the Mid-South meet, which opened in Memphis Thursday and will continue through Saturday evening.

Unopposed entries included Delbert Gitchell, open welterweight, and Robert Conrad, open light middleweight, both of Ripley, who staged an exhibition for the Saturday evening audience in Jackson. Other unopposed open entries were Gerald Parish, lightweight, and Jim Gerry, middleweight.

THURSDAY EVENING BOUTS WILLARD LANE went to his knees twice, to the mat twice, just on TKO to Randy Moore, of Lexington.

TERRY KOONCE took offensive over shorter, winded Harold Henley, of Jackson, for split decision.

DANNY BURNHAM won by default over Robert Carnell, of Henderson.

TOM COOK, barefooted, floored light welterweight Finis Rushing, of Camden, in the first round and took a unanimous decision.

DARRLE LAMBERT lost a unanimous decision to Eddie McDonald, of Jackson.

MARVIN RILEY took command in the second with sharp left jab and bloodied Billy Rowland, of Camden, for unanimous nod.

FRIDAY EVENING ACTION KOONCE lost a unanimous decision to Les Gessett, of Camden.

BURNHAM was decked and bloodied by Dale Graham, of Jackson, whose third round flurry won a split vote.

JOHNNY MOLT never quit trying as smaller Eddie McDonald, of Alamo, rounded his face for a unanimous verdict.

RILEY, more aggressive and with steeper pace, took a unanimous nod over Bobby Gilbert, of Lexington.

WAYNE SIDES had trouble seeing through his hair and kept brushing it back, and Martin's light middleweight Granville Chandler saw Sides well enough for a routine full house decision.

SATURDAY EVENING FINALS DON PIKE was knocked out by Steve McKennie, of Bemis, with a solid flow of lefts and rights at 1:45 in the third.

RILEY was knocked out by McDonald with 1:45 gone in the second.

ONEAL STOREY was felled in 20 seconds by Jimmy Carmichael, of Jackson, who rushed into action to connect with a tremendous right.

APPOINTEE

MARSHALL G. PIERCE, Jr., 47, was nominated Tuesday by Rep. Robert A. Everett as Halls postmaster, succeeding E. J. Shannon who retired Oct. 23, 1964.

A native of Dyer County, Mr. Pierce moved to Halls with his parents at the age of ten. He is a graduate of Halls High School.

He entered the postal service as a substitute clerk in the Halls office in August, 1938.

He has continued as an employee of the Halls office, except for service during World War II with the Army in the Pacific. He volunteered for service in January, 1942, and was discharged in November, 1945.

In 1959, he was named assistant postmaster, and since the retirement of Mr. Shannon he has been acting postmaster.

A member of Halls' First Baptist Church, he has served as Sunday School superintendent and is presently general secretary of the Sunday School. A bachelor, he resides with his mother at 610 East Tigret.

Mr. Everett, in announcing Mr. Pierce's nomination, said that his name will be forwarded to the Senate immediately for confirmation.

'67 Farm Sign-Ups Starting Monday Need Prior Study

Farmers Urged To Solidify Thinking Before They Go To County ASC Offices

By F. H. Paschal

William Hall, Agricultural Conservation and Stabilization Service office manager, urges that farmers study letters sent them and reach firm decisions, as far as possible, before they visit the office, beginning Monday, to sign 1967 cotton and feed grain agreements. Signing deadline is March 17th.

Farmers may reduce cotton acreage by any amount from 12.5% to 35%, and so can fit acreage to fields.

Fest Control Course A call to the county agents' office will bring full information on a 5-day University of Tennessee sponsored course on weed, insect, and disease control at Ames Plantation next Monday through Friday.

Soy Bean Association Meets M. C. Bevis, Clyde Younger, and Hobson Wakefield, Lauderdale County directors of the Tennessee Soy Bean Association, are calling a meeting of members in Lauderdale County for the Farm Bureau Building in Ripley at 10 a. m. next Saturday, Feb. 11th, to elect three directors to the state board for 1967.

Silage School At Jackson Joe Burns will be the principal speaker in a silage school at the Farm Bureau Building in Jackson at 10 a. m. next Friday. Silage producers are invited to take gallon samples of silage and get to the meeting place early to get it tested and evaluated.

Labor Meeting Set Thursday Sharecroppers interpreted to be employees on a farm do count in building up the 500 man-days in one quarter of 1966 to determine which farms may be "covered" under the new wage-and-hour law.

Robert L. Sawyer, of the U. S. Department of Labor in Memphis, will speak in the courthouse in Ripley at 7 p. m. next Thursday to explain the new law and answer questions. All interested persons are invited.

Clifford Sweat, president of the Lauderdale County Farm Bureau, arranged this meeting.

Portables From \$48.50

NEW UNDERWOOD-OLIVETTI BUSINESS MACHINES
They perform far beyond simple addition—subtract, give credit balance, multiply, calculate discounts and percentages, total capacity 99,999,999,999! Just 5 1/2 inches high, desk space 8 1/2 x 14 1/2—yet with big machines' high efficiency and rugged dependability! Choose one-hand-operated Prima 20 at \$99.50, the electric Quanta at \$159.95, or the automatic multiplication, heavy-duty Multisuma, \$299.95.

NEW EVERY OFFICE MACHINE DESERVES AN A-1 RIBBON
Nothing pops up any office machine's performance—and actually prolongs its life—like a first quality XEROX ribbon... the only ribbon we handle because it's the only one we can sell with pride... Yet some folks persist in using cheaper quality ribbons which date from the pre-stylon era—and actually pay more for them than our \$1.25 price for nylon. By handling one grade in volume, we're holding the price line on the best ribbon you can buy. At that price, you can't afford any other ribbon for your machine.

Gift Tea Saturday For Mrs. Horner
Mrs. Clyde Younger's home on West Main was the setting Saturday afternoon for a gift tea complimenting Mrs. James Horner, recent bride.
Mrs. Ross Dyer, Mrs. William G. Spence and Mrs. Charles Rooks were co-hostesses.
Spring flowers were used at various points throughout the room. Guests were greeted at the door by Mrs. Younger and then registered in the bride's book, which was presided over by Miss Susannah Spence.
The bride wore a two-piece white knit dress with gold accessories and, along with other special guests, wore a Dutch iris corsage at her shoulder. The corsages were gifts of the hostesses.
Miss Claudette Horner, sister of the groom, directed guests to the room, where the gifts were displayed.
Tea was served in the dining room, from a silver service, by Miss Jo Alice Phillips, who wore a gold brocade dress. The table was draped with a linen cloth and centered with an arrangement of red carnations, interspersed with red hearts. Also carrying out the Valentine motif were the dainty bite size sandwiches and tarts.
Mrs. Claude Wilson Horner, of Dyer, mother of the groom, and Mrs. Charles Alsbrook, mother of the honoree, were special guests.
Among those attending from out-of-town were Miss Roberta Boyd, Mrs. H. E. Smith, Mrs. Andrew Horner, Mrs. Arkon Nes, and Mrs. Irene Greene, all of Dyer; Mrs. Bailey Jones, of Milan; Mrs. William Horner, of Dyer, mother of the groom; and Mrs. Coy Hilliard and son, Mr. and Mrs. Carl Cates and Mrs. and Mrs. Charles Gilliland and Mrs. E. G. Parker, Sr.; Mrs. William Horner, of both of Gates; and Mrs. E. T. Palmer, Mrs. E. G. Parker, Jr., Los Angeles, Calif.; Mrs. Hugh Nunn, of Ripley; Mrs. W. H. Plate

Notice To Lease Public Land
Sealed bids will be received at the Mayor's Office in Halls, Tennessee, for the Lease of certain public land hereinafter described until 7:00 p. m. on Monday, Feb. 6, 1967
at which time they will be opened and publicly read at the Mayor's Office, Halls, Tenn.
This is an offer to lease all tillable land owned by the Town of Halls and located on that area of about 300 acres on what was formerly known as the Dyersburg Army Air Base in the 12th Civil District of Lauderdale County, Tennessee. The amount offered to be leased being the tillable land on the area which is 133 acres more or less, including the 30 acres around the disposal plant.
Lessee is to have no control of the balance of the land on the area and the city reserves the right to enter the same for the maintenance of gas and water lines without penalty. There is a cotton allotment which will be a part of this lease now set at approximately 39.6 acres, but the Lessor does not guarantee the exact amount of the cotton allotment.
This lease will be for the calendar year of 1967. Leased on a cash basis with the successful bidder to make and deliver to the Lessor a bankable note in the amount of his bid, said note payable November 15, 1967, and a landlord's lien is retained to secure the payment of the note. The exact boundaries of the land leased in this area are to be designated by the Lessor. The Lessor reserves the right to reject any and all bids and no member of the Board of Mayor and Aldermen or other City Employees shall be eligible to bid.

Old Business New Again And Pesky For Ripley Board

Completion Of Highway 51, Tax Split Theory Answer

Some thorny problems of the past have come back to haunt Ripley's board of aldermen, their monthly meeting Monday made clear.

One of the decades-old problems of when new Highway 51 will be finished to the Tipton County line. The best information available Monday was that contract letting is now set for March, 1968. Mayor C. Wilson Vay, county Judge Paul Dew, State Rep. Frank Garner, former Rep. and county attorney Howard Evers, Jim Fitzhugh, Vernon Gilliland, and John Stewart saw the state highway commissioner Thursday morning in Nashville but received no new information.

The tricky question of tax equivalent funds paid by Ripley Power and Light Co. to the city, based on both city and county tax rates, is still haunting both city and county officials. When a county suit claiming all of the tax based on the county rate appeared near success, the city compromised and gave the county less of the money. The suit now seems to be going against the county's position, and the city has withheld payments of any kind for several months. Discussion Monday, however, indicated that city position is softening and that the payments will probably be resumed, though no final decision was reached.

A tax equivalent without any problems was welcomed by the city when Ripley Housing Authority turned over its check for \$2,300 for this purpose. The payment is made in place of taxes which would normally be assessed on the property if privately owned, and is based on net rentals.

SCHOOL SCOOPS

From Halls High

By Patricia Meeks, Beta Club

The junior class voted in its regular monthly meeting Wednesday to stage three one-act plays in the early spring.

The juniors also set the date for the junior-senior banquet at April 14th, the place to be selected later.

Ed Black, West Tennessee distributive education supervisor, of Maury City, visited the Halls department Wednesday.

Sgt. Sanders, of the Dyersburg Army Recruiting Station, visited school Monday to conduct a film, "The Hurrying Kind."

He also spoke to the students on the importance of a high school diploma.

He will return next Monday to test volunteer seniors.

H. G. Conley substituted for Mrs. W. A. Smith during her absence the latter part of last week. She returned to her regular duties Monday.

Seniors had pictures taken this week at Flowers Studio in Dyersburg, to be used for the annual and also for the composite to be displayed in the high school corridor.

The weekly assembly program Thursday was under the direction of Mrs. John Woodard, with Diane Higgins as program leader. The program consisted of book reviews, acted by Library Club members.

Participating were: Kathy Hinton and Diane Thompson, "Tom Sawyer and Huck Finn"; Diane Erwin, "The Old Man and the Sea"; Patricia Eastman and Nancy Vay, "Little Women"; Lanny McWilliams and Thomas Moore, "William Tell"; Mickey Newman, Julius Caesar.

Nina Sellers and Norma Wood, "Ezra"; Debbie Haggard and Kathy Williams, "The Pilgrim's Progress"; Fred McBride sang several folk songs.

The Jackson, Tenn. Junior Co., visited school last week. The seniors chose and ordered graduation invitations.

Thel Dooney, representative of the Tennessee State Planning Commission, visited school Tuesday to make suggestions as to its future.

The Beta Club met Friday morning for a program. The topic, "What Does the Beta Club Mean To You?" was discussed.

Color slides were shown of camp scenes when the leaves were fall colors and when the red runs on the pink trees along the stream were in bloom. Scenes made at Redford Lake were also shown. Special guests were members who have been invited to join the club and are awaiting formal initiation.

DOUBLE CROP PLANNED

Bean Growers To Meet

(Continued from Page One)

grown in this section, and the membership of the newly organized Tennessee Soy Bean Association is centered in nine counties in this area.

The state convention of the association will begin at 8:30 a. m. Tuesday in the American Legion Building in Dyersburg.

M. C. Bevil, Lauderdale County president, has called the 54 members in Lauderdale County to meet at 10 a. m. Saturday in the Park Bureau Building in Ripley to hear a report on recent activities and to elect three directors next year.

Double Cropping Planned

Harry Wright, Jr., of Double Bridges, and Rhea Freeman, of Halls, are planning to fertilize wheat with about 60 pounds of nitrogen at the end of February or the first of March.

They want to add just the right amount in order to get a good yield of wheat and harvest it early enough to follow with soy beans for good yields of the crop also.

Mr. Freeman got a soil test which showed that the soy beans on this land will need 60 pounds of nitrogen, so he plans to apply that, along with the nitrogen for the wheat, so he will be ready for the soy beans without any delay in June.

Jim Plummer, of Lightfoot, and Thomas Pratt, of Nankin, took soil samples for testing this week to get a scientific basis for the application of fertilizers for cotton and soy beans to be planted later.

A total of 57 farmers tested some soil on their farms in Lauderdale County in 1966. Farmers in past years who have used most complimentary of the results they got.

Evidently a lot more farmers need to use this excellent service in order to achieve higher yields of crops for better profits.

College Scholarships Offered

High school seniors and others planning to apply for admission to the University of Tennessee next September are urged to make applications before March 1st and are advised to apply for scholarships where financial aid is needed.

Loans and federal grants, as well as scholarships, are available to students who apply for this assistance by March 1st.

Further information is available from high school principals and from the county Extension office.

Farm Reports

U. S. exports to world markets last year totaled \$6.7 billion. This was 19% higher than the previous year and a record high.

The export market took two-thirds of the wheat, sides, and skins, more than one-half the rice, nearly one-half the grain sorghum, and two-fifths of the soy beans and tallow produced in the U. S. One-third of the corn, one-fourth of the tobacco and barley, and one-fifth of the cotton went to export markets.

Of all the sales, which provided a real help in keeping our balance of payments in the world, cotton was the only product that did not sell at world market prices.

Japan was the highest buyer of U. S. farm products. Its total for 1966 was \$2.7 billion.

U. S. supplies to all three world markets had to compete on price, quality, delivery, financing and reliability.

Gates Area Is Out Of Gas For A Day As Tiny Metal Fragment Plugs Hole

By Miss Byrd Sloan

GATES, Feb. 8.—Gates was without natural gas supply Monday after a tiny metal fragment lodged in a regulator—one of four which step down gas feed pressure from the 300 pounds per square inch at which gas comes from transmission lines.

W. C. Fitzhugh, manager of the Ripley Gas and Water Department, which operates the Gates lines, said the metal fragment was apparently left from welding done when the Gates gas lines were first installed many years ago.

As many gas appliances were on when the gas supply went out, it was necessary for the department to visit each of about 400 meters and cut each one off before the gas flow was restored. After the gas flow was restored, the gas men had to revisit homes to turn the meters back on again.

Mr. Fitzhugh put all available men on the scene and had all gas service restored by late afternoon.

Mr. and Mrs. Billy Rodgers and children, of Memphis, spent the weekend with Mrs. Rodgers' mother, Mrs. Willette Fisher.

Mr. and Mrs. Billy Bradshaw and son, Mike, of Olden, Mo., spent the weekend with Mrs. Bradshaw's parents, the Byrd Harrells. They all had dinner in The Hat in Dyersburg.

Mrs. Ray Cooper has accepted a position with Gates Banking & Trust Co.

Halls takes the Mustang Pledge!

I will remember that people are choosing Mustang 2 to over sporty-type imitations!

I will test-drive a Mustang before I decide—and try to keep my cool when I sample its go-go performance.

I will remember that Mustang is the one that gives immediate delivery on any of three models: Hardtop, Convertible, and Fastback 2 + 2.

I will not let Mustang's price tag be the whole story of savings—remembering that Ford Dealers are generous dealers.

When people see your print advertisement, you can be pretty sure they're not painting a room at the same time, or running in the kitchen for a snack, or carrying on a conversation.

What you get when your printed message meets the eye is the kind of attention that makes cash registers ring.

Print makes sense, because print makes sales.

I will see my Ford Dealer first!

THE BIBLE SPEAKS

The Prodigal Father

Lesson for February 19, 1967. It is commonly called "the Parable of the Prodigal Son," but it is really the father in the story, not the son, who is the real prodigal.

It is commonly called "the Parable of the Prodigal Son," but it is really the father in the story, not the son, who is the real prodigal. "Prodigal," my dictionary defines as "Wastefully or recklessly extravagant..."

Furthermore, it is a personal message. It is not in the nature of a general proclamation tacked to all the world's telephone poles and billboards, nor even one of those envelopes that arrives in the mail addressed "Occupant, 19 South Main Street."

So we start back, to begin at home, for we have forgotten all right to call him "Father." We return as servants, claiming not the love we are owed, but asking mercy. Yet, as the homeward journey begins, a familiar figure comes running down the road.

It is he who must "come to ourselves" and begin the long road home, but it is only the Prodigal Father whose love keeps him searching the horizons for us that makes it possible for us to return as sons.

It is he who must "come to ourselves" and begin the long road home, but it is only the Prodigal Father whose love keeps him searching the horizons for us that makes it possible for us to return as sons.

ART BY STEPHEN BISHOP

DON'T YOU READ BEFORE YOU BUY?

Because, no matter what the purchase, don't you want to get the facts? What does it cost? Where's it made? What's the best brand? How much will I need? How long will it

last? And whom should I see? Like yourself, most of your customers look to print advertising for answers, when they're really ready to buy. They look to newspapers and magazines,

to booklets and brochures. Because print advertising lets you people read and re-read, study and clip, save and show, linger and compare—so much so that many times as they wish.

That's the beauty of print. When people look for your product in print, will it be there? Your competitor's will. Print makes sure, because print makes ads.

PHONE CABLE BUREAU on Highway 51 north of Ripley is being operated by W. B. (Dennis) Hadden (D.H.), of Ripley, please contact for Southern Bell. The 4,000 line cable, including 50 poles of wire, goes down that deep. It's part of Southern Bell's BUREAU expansion program in Tennessee for 1967.

Sure you do. Because, like most people, you're careful about what happens to your hard-earned money. So you look at products that appear in newspapers, magazines and brochures. Where the facts are captured for you, often in full color. Where you can study them for as long as you want. And even come back for more. If you have something to sell, shouldn't you consider giving the power of print?

Don't you read before you buy?

When people see your print advertisement, you can be pretty sure they're not painting a room at the same time, or running in the kitchen for a snack, or carrying on a conversation. What you get when your printed message meets the eye is the kind of attention that makes cash registers ring. Print makes sense, because print makes sales.

There's A NEW FRONTIER In Office Efficiency

Significant break-throughs in design and production of familiar products are revolutionizing the office supply field.

Good businessmen are improving efficiency and earning credit on income tax returns.

Before you invest unwisely in office tools of obsolete design, don't fall to see the newest and best.

NEW COMPACT STANDARD TYPEWRITER

Standard keyboard, standard large platen, every big-machine feature including half-spacing, tabulation—now even automatic indentation—yet missile age techniques have reduced bulk and weight so that this heavy duty machine is easily carried. This all-purpose typewriter shames flimsy lightweights costing far more... outperforms expensive giants. It's writing sales history for Underwood. Fully guaranteed, naturally!

Widely Sold At \$119.50
\$88.50
Carrying Case Included
Portables From \$48.50

NEW UNDERWOOD-OLIVETTI BUSINESS MACHINES

They perform far beyond simple addition—subtract, give credit balance, multiply, calculate discounts and percentages, total capacity \$9,999,999.99. Just 5 1/2 inches high, desk space 15x14 1/2—yet with big machines' high efficiency and rugged dependability! Choose one—hand-operated Prima 20 at \$99.50, the electric Quanta at \$159.50, or the automatic multiplication, heavy-duty Multisumma, \$209.50.

NEW EVERY OFFICE MACHINE DESERVES AN A-1 RIBBON

Nothing pops up any office machine's performance—and actually prolongs its life—like a first quality NYLON ribbon... the only ribbon we handle because it's the only one we can sell with pride... Yet some folks persist in using cheaper quality ribbons which date from the pre-nylon era—and actually pay more for them than our \$1.25 price for nylon. By handling one grade in volume, we're holding the price line on the best ribbon you can buy. At that price, you can't afford any other ribbon for your machine.

60th Anniversary Well Celebrated

Mrs. Barney Crews, of Jackson, and George Vernon Wright, of Memphis, helped welcome more than 100 guests who called Sunday afternoon to congratulate their parents, Mr. and Mrs. John Wright, of Route 2, Halls, on the 60th anniversary of their wedding Feb. 24, 1907.
Another son, R. K. Wright, sent a down red roses and telephoned from King Salmon, Alaska. A third son, Virgil, died in 1962.
Gift bouquets and arrangements of red carnations, roses, and white chrysanthemums filled the reception rooms. Gifts were displayed in the master bedroom.
The dining room table, overlaid with a white linen cloth edged in wide Irish crochet lace, held a 3-tiered wedding cake decorated in full-blown red confectionery roses and topped with a bride and groom. At each side of the cake, silver candelabra decorated with greenery and red ribbons held white taper.

Cranberry punch, nuts, mints, and sandwiches were served by Miss Anna Bell Crews, Mrs. V. L. Blankenship, Mrs. Betty Wright, Mrs. Thelma Ayn Barber, Mrs. Sue Crews, and Mrs. Nellie Davoport, and several red satin Valentine boxes of candy were given each guest.
Grandchildren and great-grandchildren present presented the Wrights with matched gold wedding bands. Mr. Wright gave his wife a solitary, and she gave him a diamond-studded tiara.
Telephone calls came from a granddaughter, Mrs. Frances Wright Yuley in Annette, Alaska, from the Ronald McGregors, in Knoxville; from the Alvin McGregors and Edna Pippins, in Tarpon Springs, Fla.; and from the Max Skelekas, in College Park, Ga.
Also telephoning were Mr. Wright's brother, George, and his sister, Mrs. Lillie Slat, of Blytheville, Ark., who were present at the wedding in the old Halls Hotel, with Justice Parker presiding in attendance, but were prevented by illness from attending Sunday's celebration.
Ed Stanfield, of Halls, is another person known to have been present at the 1907 ceremony who survived to see its 60th commemoration.

Mrs. Byrd Harrell Is Club Hostess

The Gates and Dry Hill Home Demonstration Club met Feb. 18th with Mrs. Byrd Harrell as hostess. Mrs. F. W. Buffaloe, president, called the meeting to order. The club pledge was repeated and "In the Garden" was sung.
Mrs. Ann MacInn gave the devotional and prayer. Six members answered roll call with "how I was dressed when a surprise visitor called." The secretary read the minutes and treasurer's report.
Mrs. Harrell gave a reading on Housing and Home Furnishings. After the meeting adjourned and the hostess served an assortment of cookies, coffee and hot chocolate, the group made visits to Mrs. L. M. Harrell and Mrs. Lily Rose, who are ill.

Telephone Talk

ROGER GANIER
 Your Telephone Manager

IN NEXT MONTH'S ISSUE of the Bell Telephone News, there is an item on Do's and Don'ts on things to remember when filing your income tax return. This publication comes to you each month in your telephone bill.

NEED A SITTER FOR THE SITTING? Your phone will handle the job, cheerfully and efficiently. (And that's only one of the ways your telephone works for you.)

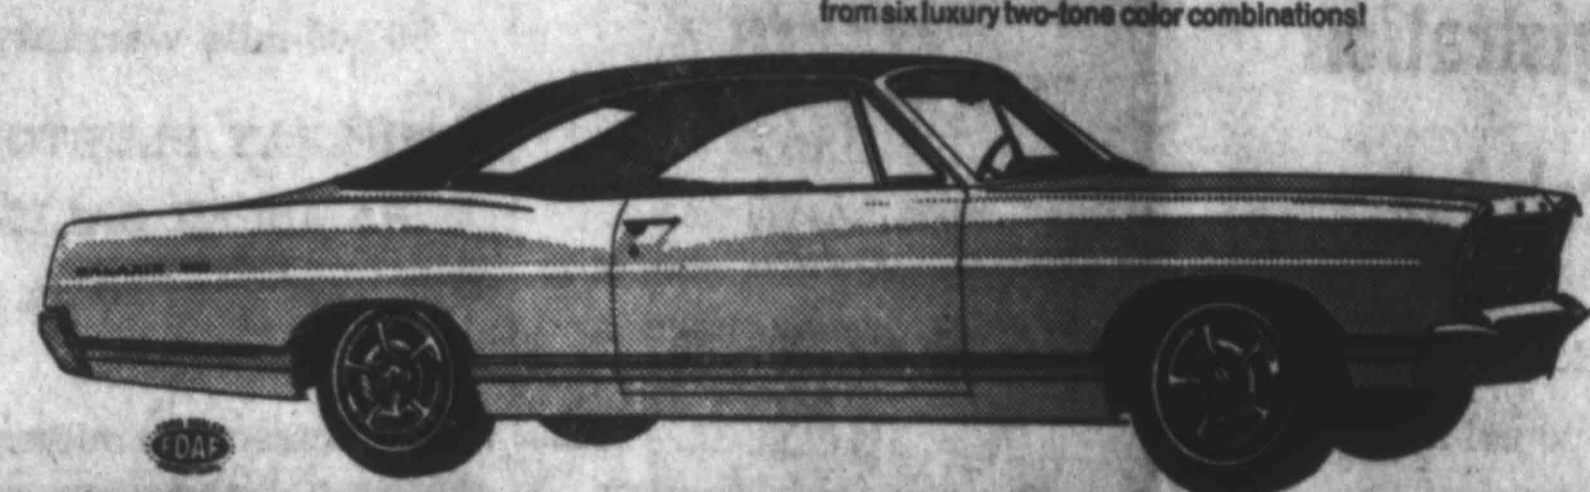

It plays a hundred different roles, without a moment's notice, any hour of the day or night. You can help by giving the sitter the names and phone numbers of the places you're going, and the approximate times you'll be there.

You should also write down emergency numbers including the family doctor's. Then—relax and have a pleasant evening. No need to worry, when your phone is on the job.

SHOPPING THE EASY WAY... A long-anticipated book had just been published. The bookstore was very busy, with buyers actually standing in line for their copies.

The phone rang in the mail order section, and the caller requested several books. The clerk who took the order asked for the caller's name and a shipping address. "Oh, never mind sending them," replied the caller. "Just bring them to me at the front of the store—I'm in the telephone booth here!"

FORD'S NO. 1 IN SALES & SAVINGS

FORD DEALER SUCCESS SALE

Ford Motor Company's Special warranty plan gives you... 1-5-year or 100,000-mile warranty on car power train, steering, and suspension. 2-3-year or 50,000-mile warranty on the entire car. 3-Only one dealer certification per year regardless of how many miles you drive.

Ford Motor Company New Vehicle Warranty Service Plan

Ford Motor Company wants to ensure that their selling Ford dealer or if owner is traveling or has moved, any Ford dealer, using genuine new Ford or Ford authorized replacement parts, will repair or replace, free of charge including related labor, the following parts in Ford-built vehicles which are found in normal use and within the following time and mileage limits (whichever comes first), to be defective in either workmanship or materials: (A) Any part of any vehicle within 24 months or 24,000 miles, and (B) power train parts in any car or light truck, and suspension or steering parts in any car (except Bronco), within 5 years or 50,000 miles. Power train parts include: Engine block, head and internal parts, water pump, intake manifold, transmission case and internal parts, torque converter, clutch shaft, universal joints, drive shaft, and driving shaft and their wheel bearings. Suspension and steering parts include all parts of the front and rear suspension systems, steering gear and linkage, power steering pump, road wheels and front wheel bearings and axles. Braked items such as ignition, electrical, cooling, fuel and brake systems, engine or transmission controls or linkages, steering columns and wheel, clutch assembly, shock absorbers or load leveling system are excluded. The owner is required to obtain certain maintenance services* and, every 12 months, a written certification from Ford or Lincoln-Mercury dealer that he has presented evidence that such services have been performed. *The warranty does not apply to tires or labor adjustments or repairs provided by tire companies, or to normal maintenance services or repairs including: oil and filter changes, spark plug, ignition points, wiper blades or blades or blades, timing, or to normal deterioration of such items, appearance items, hoses, belts or molded rubber or substandard items. The warranty applies to vehicles normally operated in the U.S.A. and Canada.

*Every 6 months or 6,000 miles: Change oil and oil filter; clean air cleaner, air filter and oil filter; check valve tube and transmission oil levels. Every 12 months or 12,000 miles: Replace air filter on closed crankcase ventilation systems; clean emission system and radiator; inspect engine emission control valve and thermostat air filter. Every 24 months or 24,000 miles: Change engine coolant and check radiator hoses. Every 24 months or 30,000 miles: Replace air filter on open crankcase ventilation systems; adjust automatic transmission bands; lubricate steering linkage and ball joints; check and re-pack front wheel bearings.

100 days or 4,000 miles, whichever comes first, for 389 CID 4V 87V 161, 427 CID, or 439 CID Interceptor (when owned and operated by other than a law-enforcement agency), engine and related power train components, and 24 months or 24,000 miles, whichever comes first, for the remaining components of vehicles equipped with such engines.

GOOD NEWS

PLANNING SERVICES FREE

Here's good news for the homeowner, businessman, farmer or industrialist... We'll help you plan your electrical uses at no charge.

Electricity is our business and we want to make it easy for you to use, whether it be in the home, business, factory or on the farm. We believe, for example, that good store lighting helps move goods off the shelf; that productivity is increased with good lighting and a pleasant temperature; that homes are more comfortable with increased uses of electricity; and that farms can use electricity to reduce labor costs.

That's why we provide you with expert advice on how to best use our product — low-cost electricity.

Besides our own employees, we can provide you additional help from other specialists in the electrical field.

Why not call us today. These services are free.
