HALLS, TENNESSEE, FRIDAY, FEBRUARY 7, 1969.

VOLUME 75 — NUMBER 6

Confidential Corner

About Tax Reform

We read where President Nixon, and members of Congress are working toward a tax reform program which would somewhat equalize the tax burden and also close some loopholes in the present tax laws.

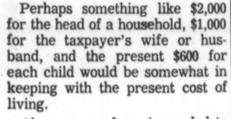

Along with this Tennessee's Senator Howard Baker plans to introduce a bill calling for a more realistic tax exemption over the present \$600 per person. It seems to us that this change is desperately needed.

Perhaps something like \$2,000 for the head of a household, \$1,000 for the taxpayer's wife or husband, and the present \$600 for each child would be somewhat in keeping with the present cost of living.

Also, some reform is needed to close loopholes through which taxpayers can escape paying any taxes at all. For instance, despite the fact that it would have some adverse affect on the sale of municipal bonds, there should be some means through which taxes can be assessed without too great a burden on bonds.

Maybe a sliding scale, affecting holders of such bonds in major amounts could be imposed. The oil depletion clause, the so-called charity foundations, etc., need to be revised.

We seriously doubt that any real help for the small taxpayer will be forthcoming, but at least one can hope.

Most mothers in Halls breathed a sigh of relief Monday as school resumed after a week's closing because of widespread illness.

Levy's is cutting prices even more deeply this week. A visit to the store could possibly save you money. Louis and Sis hope to complete closing the store by March 1st.

Construction on the high school building and work on the streets and the water plant have been severely handicapped by weather conditions, but some work is being done on all of these projects.

Some Short Comments

William H. McClure, whose wife is the former Glenn Barfield, of Henning, has been named county superintendent of schools in Indian River County, Fla., upon the retirement of J. A. Thompson.

He has been serving as director of instruction for Indian River County schools.

He formerly taught in Halls and Dyersburg schools.

Hospital Clears \$530,000 Aid

A \$530,000 modernization program for Lauderdale County Hospital in Ripley got the green light this week with U. S. approval of a Hill-Burton Act loan to help finance the long-planned project.

A large part of the other funds necessary will come from a bequest from the estate of the late Mrs. W. G. L. Rice, of Ripley. There are no plans to ask County Court for new hospital investment, Robert E. Given, administrator, said this week.

The hospital will add a wing containing administrative offices and a new 9-bed obstetrical section.

Space freed in the old building will be used to relocate and improve the laboratory, X-Ray, and

medical records spaces and to make more private rooms available.

Other improvements will include room-controlled air conditioning and heating.

The program will be the first major renovation and updating of the hospital since its construction two decades ago.

The hospital has been seeking the financing for several years, not only in order to continue to meet government standards for Medicare and other aid programs, but also to provide the county's present and prospective physicians with medical facilities which it is hoped will retain and attract doctors who are in short supply everywhere.

Space freed in the old building will be used to relocate and improve the laboratory, X-Ray, and

Perhaps something like \$2,000 for the head of a household, \$1,000 for the taxpayer's wife or husband, and the present \$600 for each child would be somewhat in keeping with the present cost of living.

Seeking revenge for earlier defeats, the Halls High basketball team will travel to Troy Friday evening to face Obion Central High in the final games of the 1968-69 season before the tournaments.

The Halls girls will be distinct underdogs as they face the top team in the 28th district. Obion Central won 67-45 in the previous meeting Jan. 3rd.

The Halls quintet, topped by Obion Central 66-49 on Jan. 3rd, have not lost since that date and will be hoping to atone for one of its poorer games of the season. Obion Central will be slightly favored.

Halls girls added two games to their victory total during the weekend, as they led Dyer County, of Newbern, 52-28, Friday evening and then won from Trimble, 53-38, Tuesday evening. Both games were played on the Halls floor.

Sheila Gilliland had 36 Friday and 43 Tuesday to lead Halls scoring.

Eddie Dyson had 27 points to lead scoring as the Tigers easily topped Dyer County, 78-33. The Tigers led 38-12 at halftime.

Tuesday evening, the Tigers went on a scoring rampage as they topped Trimble, 115-47, with Larry Burrus hitting for 35 points. The victory brought the Tiger record to 20-4 for the season and a ninth straight victory.

Roger Harris On Halls High Staff

Roger Harris began his duties Monday as social studies instructor in Halls High, replacing Robert Meeks, Jr., who resigned to accept a position with The University of Tennessee at Martin.

The son of Charles Harris, of Dyersburg, and Mrs. Nelle Harris, of Poplar Grove, he is a 1961 graduate of Halls High and received his bachelor of science degree from the University of Tennessee at Martin.

He has previously taught in the Apopka, Fla. school system and in Memphis.

Mr. Harris and his wife, the former Lynn Stallings, and little daughter are residing with Mrs. Harris' parents, Mr. and Mrs. M. H. Stallings.

Bankers Say State Has Worst Credit Crunch In Nation

Legislature Told That Lag In Loan & Savings Rates Is Near Critical Stage

The Tennessee Bankers Association asserts the state is in an "emergency money situation" that can only be remedied through legislation increasing the interest rate ceiling on loans and deposits.

"The credit crunch in Tennessee is far more severe than it is in the rest of the nation," says Robert M. Gilliam, TBA executive vice president. "And it will become critical soon unless we repeal our antiquated banking laws and establish realistic interest limits."

"Tennessee has the lowest ceiling in the nation on interest paid to depositors, four per cent, and is one of two states with the nation's lowest loan interest limit, six per cent," he says.

"These low limits have severely hampered our economic development because it discourages out-of-state investors who can earn more interest in their own state, and it encourages Tennessee savers to seek higher interest rates on their deposits in out-of-state banks," Gilliam says.

The Tennessee Bankers Association is urging the legislature to increase the loan interest rate limit from six to ten per cent and repeal the four per cent limit on deposits to allow Tennessee banks to pay interest rates equal to those being paid in every other state.

"To permit a maximum rate of ten per cent to be charged on loans does not mean that all loans will be made at ten per cent," Gilliam says. "It means that the law of supply and demand will be permitted to operate in Tennessee as it does in all other states."

He says Florida and California both have ten per cent limits. In September, 1968, the effective interest rate on mortgage loans was 7.34 per cent in Miami and 7.57 in Los Angeles.

"Massachusetts has no interest rate limit, but in September the effective rate on mortgage loans in Boston was 6.90 per cent, while at the same time, in Memphis, the effective rate was 7.72," Gilliam says.

Gilliam says that not only is Tennessee money leaving the state for higher rates, Tennessee is unable to attract out-of-state financial institutions to invest in Tennessee's economic growth because the six per cent interest rate ceiling is well below what can be earned in other states.

"Tennessee banks are finding it impossible to get out-of-state banks to participate in loans at six per cent, when they can lend their funds to their own customers at seven, eight, or eight and a half per cent interest," he noted.

In addition to the interest rate legislation, the TBA is asking the legislature to pass a new state bank code.

"This will give state banks the same flexibility enjoyed by the national banks, supervised by the Controller of the Currency and the Federal Reserve Board," says Gilliam.

Board members, appointed by the Governor, would include four state bankers, one national banker, and two non-bankers, who would be responsible for bank examinations and regulating internal operations of state banks.

TBA is also recommending legislation creating tax equality between state and national banks.

"To equalize taxes would mean a loss of about \$1.6 million in state income, but this would be more than offset by the higher interest rate earned on state deposits," Gilliam pointed out.

"In fact, the state would realize, at least, a net gain of \$700,000, annually," Gilliam says.

"We would also like to see the

Halls Teams Seek Revenge At Troy

Seeking revenge for earlier defeats, the Halls High basketball team will travel to Troy Friday evening to face Obion Central High in the final games of the 1968-69 season before the tournaments.

The Halls girls will be distinct underdogs as they face the top team in the 28th district. Obion Central won 67-45 in the previous meeting Jan. 3rd.

The Halls quintet, topped by Obion Central 66-49 on Jan. 3rd, have not lost since that date and will be hoping to atone for one of its poorer games of the season. Obion Central will be slightly favored.

Halls girls added two games to their victory total during the weekend, as they led Dyer County, of Newbern, 52-28, Friday evening and then won from Trimble, 53-38, Tuesday evening. Both games were played on the Halls floor.

Viet Vet Fatally Stabbed In Cafe

PFC John Taylor Harper, 22, son of Mr. and Mrs. John Harper, of Unionville, and brother of Mrs. Carolyn Fortner, of Halls, died Saturday morning in the Medical Center in Columbus, Ga., after having been stabbed in an argument in a restaurant in Columbus early Saturday.

Services were at 2 p. m. Monday in Tiptonville Church of Christ, with burial in Bowen's Chapel Cemetery.

Harper, stationed at Ft. Benning, Ga., with Headquarters Company, First Battalion, 197th Infantry Brigade, had been in the Army for four years and had served two tours in Viet Nam.

He also leaves two other sisters, Mrs. Ruth Simpson, of Dyersburg, and Mrs. Sandra Owsley, of Rives.

Burglars Pillage Three Buildings

Burglars struck in three places in Halls Tuesday night, with more than \$500 taken.

Entry into Jones Big J Supermarket was made by prying open the front doors. Approximately \$450 in money and a 20-gauge shotgun were taken. Entry was also forced into offices of the firm, damaging doors.

Halls High School was entered through the front door, with very little money taken but considerable damage done to doors, files, and other school property.

Walker's Restaurant was entered. Drink, cigaret, and other coin-operated machines forced open, and an undetermined amount of money was taken.

NASH IN VIET

PFC Louis E. Nash, 20, son of Mr. and Mrs. O. D. Nash, of 306 Pearl, Halls, was assigned Jan. 10th to the 198th Brigade, American Division, near Chu Lai, Viet Nam, as an infantryman.

32 Delegates From Lauderdale To Eighth District Conventions

Lauderdale County delegates have been named to Democratic and Republican conventions Monday and Tuesday which will designate nominees for the unexpired term of the late Eighth District U. S. Rep. Robert A. (Fats) Everett.

The county will have 21 of the 365 delegates in the Democratic convention. The Democrats have named as delegates T. L. Nelson, county chairman; Walter Caldwell, Harold Winbush, Billy Vear, George Brown III, William Tucker IV, Hubert Escue, C. Wilson Vear, T. L. Cribfield, Beasley Robertson, Rozelle Criner, Paul Dew, Jim Fitzhugh, Herman L. Reviere, Richard Douglas, Sam Johnston, Mrs. J. C. Wakefield, Jr., Mrs. Elnora Hill, Samuel Lee, W. G. Thompson, and Robert T. Meeks, Jr. Alternates are Frank Garner, Willard Norvell, Sammy Beard, Ben Emerson, Norfleet Anthony, "Tick" Bray, Jimmy T. Wood, Bobby Walker, Dick Lazure, David C. Walker, Charles McMahan, and Lowell Thomas.

Democrats will convene at 2 p. m. Monday in Tiptonville Junior High School in Jackson. The site was chosen as a neutral location, outside the district, and one most easily reached from all parts of the district.

Through Wednesday of this week, nine candidates for the Democratic nomination had announced. Circuit Judge Dick Jerman, of Alamo, had announced and withdrawn. Still in the field were former state legislator John Chisolm, of Brighton; former state legislator J. B. Avery, Jr., of Alamo; James O. Lanier, of Memphis and Dyersburg; State Rep. Franklin Cochran, of Tiptonville; Edwin "Cotton" Pigue, of Yorkville, Gibson County Court clerk; Ed Jones, of Yorkville, Illinois Central Railroad agricultural agent and chairman of the Tennessee Agricultural Stabilization and Conservation Committee; Mayor Ray Smith, of Camden; State Rep. W. G. Neese, of Paris; and Robert V. Bickers, Shelby County constable. Obion County Judge Dan W. McKinnis, Jr., had qualified but had not announced. Mayor Smith said he would support the nominee. Other candidates were not so definite.

There were still other candidacies stirring. Petitions were being circulated in Weakley County for former Martin Mayor Doug Murphy, and Dyersburg Mayor David Lanier, brother of James O. Lanier, who has announced, said he would accept the nomination if offered to him.

It was widely reported that the Laniers' father, Dyer County General Sessions Judge Jim Lanier, favored David's candidacy, and there were many other counties in which political leaders faced similar painful choices.

Tipton County Judge Henry Vaughn was said to be interested in running. Both he and Chisolm have been allies of James Peeler, state Democratic chairman.

There was a triangle situation in Obion County until Barry White, funeral home director, and State Sen. Milton Hamilton, Jr., withdrew their names from consideration, barring a draft by the convention. Hamilton's first cousin, the former Mary K. Grady, is Mrs. Dan McKinnis, and Barry White is Hamilton's brother-in-law.

Speculation was increasing in Lauderdale County that with many local favorites and no "hot" candidate with district-wide strength, a deadlocked convention might select John L. Stewart, of Ripley, head of Democratic headquarters in Nashville, who in his work with all segments of the party is known to leaders in all counties, which is not true of most candidates. He is a former president of Tennessee Jaycees.

Republicans To Dyersburg

Republicans will meet at 8 p. m. Tuesday in Dyersburg. Twelve delegates from Lauderdale County will cast 19 of the 446 votes. The delegates are Mr. and Mrs. Roy Brandon, of Halls, Mr. and Mrs. O. L. Davis, of Gates, and Dr. and Mrs. A. J. Butler, Dr. and Mrs. Joseph Kimmons, Mr. and Mrs. Verble Mueller, Marvin Shepherd, and Stewart Nunn, all of Ripley.

State Rep. Leonard Dunavant, of Millington, is the only announced Republican candidate, with Humboldt Mayor Ernest Griggs the only other possibility widely mentioned.

Dunavant, Millington furniture dealer, had three county chairmen—Shelby's Walker Wellford, Tipton's L. C. Bierman, and Dyer's Gwynn Bowen—on hand for his announcement in Millington's Baker Community Center. Also present were State Sen. Curtis Person, Jr., and State Reps. Thomas Avery, Donnelly Hill, and William Lawson, all from Shelby County.

Democrats pointed out that if Dunavant is nominated, they can't suffer a complete defeat. He is serving his second term in the House, which is divided 49-49 along party lines, with independent J. P. Kimbrell holding the balance of power.

Should Dunavant resign his House seat to run for Congress, or not resign and be elected to Congress, the House would be tipped to Democratic control, presuming that the Shelby County Court would name a Democrat to succeed Dunavant in Nashville.

Shelby Major Factor

Shelby County looms large in the calculations of both parties, as it cast just over 30% of the district vote in the 1968 presidential election, or 38,691 of 125,696 votes. The vote was divided 59,383 for George Wallace, 35,652 for Hubert Humphrey, and 28,616 for Richard Nixon.

Henry and Benton Counties, including Paris and Camden, from the Seventh District, and Stewart and Houston Counties, including Dover and Erin, from the Sixth District, are other new parts of the Eighth District gained during the last Congressional reapportionment.

County vote totals in the presidential race were: Benton, 4,414; Crockett, 4,500; Dyer, 10,654; Gibson, 15,280; Haywood, 4,023; Henry, 8,547; Houston, 1,800; Lake, 2,402; Lauderdale, 6,706; Obion, 8,329; Stewart, 2,541; Tipton, 9,392; and Weakley, 8,417.

Former Ripley Mayor C. Wilson Vear has purchased Gay's Town and Country Grocery on the south side of the Ripley square. The purchase was concluded Wednesday.

Gay Grocery Sold To C. Wilson Vear

Final desegregation plans from Lauderdale County and 23 other Tennessee school districts have been approved by the Office for Civil Rights of the Department of Health, Education, and Welfare, according to Paul M. Rilling, HEW's regional civil rights director in Atlanta, Ga.

He says that among the 127 other districts, 20 are under federal court order to desegregate, one has been ruled ineligible for federal financial assistance, and two are currently involved in HEW enforcement procedures. Ninety-two districts have been completely desegregated for over a year. The remaining twelve districts are under HEW review.

"The 24 school districts," Rilling said, "are among 148 in the six Southeastern states which meet legal requirements for plans to eliminate dual school systems by September, 1969, or, in a few cases, by September, 1970." The Lauderdale County system is one of the few which won the extra year's grace.

The overall desegregation figure for all Tennessee school districts this year is 24.3 per cent of Negroes in desegregated schools. The figure in the 1967-68 school year was 18.4 per cent.

County School Mix Plans Made Final

Final desegregation plans from Lauderdale County and 23 other Tennessee school districts have been approved by the Office for Civil Rights of the Department of Health, Education, and Welfare, according to Paul M. Rilling, HEW's regional civil rights director in Atlanta, Ga.

He says that among the 127 other districts, 20 are under federal court order to desegregate, one has been ruled ineligible for federal financial assistance, and two are currently involved in HEW enforcement procedures. Ninety-two districts have been completely desegregated for over a year. The remaining twelve districts are under HEW review.

"The 24 school districts," Rilling said, "are among 148 in the six Southeastern states which meet legal requirements for plans to eliminate dual school systems by September, 1969, or, in a few cases, by September, 1970." The Lauderdale County system is one of the few which won the extra year's grace.

The overall desegregation figure for all Tennessee school districts this year is 24.3 per cent of Negroes in desegregated schools. The figure in the 1967-68 school year was 18.4 per cent.

Tupperware Sets March Production

Phil Balcom, manager of the new Tupperware plant in Halls, said Wednesday he hoped production would start late this month or the first week in March.

Mr. Balcom said that use of the Halls Youth Center was discontinued Tuesday, with offices and the accounting department there moved into the new plant.

He expects to move his offices from the old City Hall about Feb. 15th.

Construction of the administration building at the front of the present factory building will begin in March or April as weather permits.

Ripley Power & Light Co. has completed erection of power lines to the plant, and the street leading to the plant as well as the parking areas and the plant have been lighted.

Halls Sets 4-Way Stop On Hiway 51

Halls Board of Mayor and Aldermen has voted to place a four-way stop light at the intersection of Church Street (old Highway 51) and Sharp Street.

William Sellers, Halls mechanic, was killed Jan. 24th in a two-car crash at the intersection.

The new light will replace a caution light for Church Street traffic and a stop light for traffic entering the highway from Sharp.

The board accepted a bid of \$3,650 from Milton Jackson for rental of city-owned farm land on the air base for this year. Others bidding were James Paige and William H. Moore.

E. T. Palmer, Dyersburg attorney, Cy Young, Memphis engineer, and Dick Lazure met with the board to further efforts for a water district in the area west of Halls. No official action was taken at the meeting Monday evening.

The board heard further recommendations for annexing additional territory into the city limits. The matter was referred to the city planning commission for action.

Halls Fire Squad Praised By State

Allen Ladd, deputy state fire marshal, of Dyersburg, Tuesday evening presented the Halls Fire Department with a Certificate of Recognition for improvement and for participation in fire prevention.

Fire Chief Joe Clyde Escue, Assistant Chief Bob Lewis, some 20 members of the fire department, Mayor James Cheshire, and city aldermen heard Mr. Ladd praise the fire department for its improvement.

The group enjoyed a fish supper prior to the presentation.

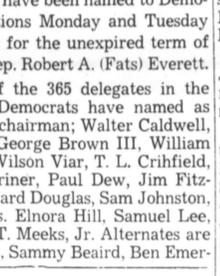

NFO MEETING SET

The National Farmers Organization is sponsoring a meeting at 7:30 p. m. Feb. 11th in Halls High School.

All interested farmers and landowners are urged to attend.

DEADLINE EXTENDED

Due to a delay in mailing of utility bills, city officials have announced that bills may be paid through Feb. 15th without penalty.

Charles A. Murchison, 25, Son of Halls Graphic Editor and Mrs. Henry Murchison, Will Join Nashville Television Station WSIX-TV (Channel 8) Feb. 10th as Assistant News Director and Assignment Editor.

A 1961 graduate of Halls High, "Chuck" attended Memphis State University, where he majored in Journalism.

In September, 1963, he joined Nashville television station WSM-TV (Channel 4), for which he has been assistant news director since 1966.

An American Broadcasting Company affiliate, WSIX-TV is planning a greatly expanded news service.

Chuck is married to the former Barbara Hutton, of Nashville. They reside at 7233 Willow Creek Drive, Nashville.

G. Eugene Lilly

Geney Eugene Lilly, 68, of Halls, retired carpenter, died at 2 a. m. Monday in Baptist Hospital in Memphis, which he had entered Jan. 27th, after three weeks' illness.

Services were at 2 p. m. Tuesday in Halls Funeral Home. The Rev. Ivan Raley officiated. Burial was in Enon Cemetery.

A lifelong resident of Lauderdale County, he was a member of Enon Baptist Church.

He leaves his wife, Mrs. Wilma Olds Lilly, of Halls; two sons, O. D. Lilly, of Ripley, and Geney Lilly, Jr., of Antario, Calif.; two daughters, Mrs. Jean Campbell, of Trimble, and Mrs. Joan McDonald, of Alamo; a brother, James Lilly, of Gates; and ten grandchildren.

Halls High Quintet Will Be Favored To Meet Obion Central in the Finals of District 28 Tournament to be Played at Lake County High in Tiptonville Feb. 11th, 13th, 14, and 15th. Dur'ville-Orysa Club 'Thank You' For Phone Firm

County Judge, Ripley Board Invited To Join Tribute To South Central Bell

By F. H. Paschal L. T. Stovall, district commercial manager of South Central Bell Telephone Company, and Roger Glasier, of Dyersburg, district group manager, have been invited to a meeting of the Durhamville-Orysa Community Improvement Club this Friday evening.

F. M. Parker, president of the club, has also invited Roselle Criner, Mayor of Ripley; County Judge Paul Dew; State Representative Frank Garner; and Ripley aldermen in order that all the representatives of this area can thank the telephone company representatives for the work to be done this year which will eliminate all eight-party lines and provide service on one and two-party lines on rates in effect since last July 1st.

The Durhamville-Orysa Club began work in 1967 toward getting better telephone service in its area. The effort they made caused the telephone company to come to a decision as to when they would definitely change the class of service to be available here, and engineering work was actually started last fall, with construction scheduled to be completed this fall for all telephones of the Ripley exchange.

County Agents of West Tennessee spent a day together last week with the supervisors and specialists of the University of Tennessee studying herbicides and pesticides to be recommended to farmers this year.

New chemicals are being continually developed and tested to control various weeds in various crops and various insects and diseases in orchards, gardens, and field crops.

Extension Agents are responsible to farmers and householders to recommend to them the safest and most effective chemicals for use in controlling weeds, diseases, and insects. At the same time, they must be careful not to be unfair to manufacturers and dealers who make all the wonderful chemicals that can be used.

David Moore and Jerry Norman, of Memphis, visited Mr. and Mrs. Mitchell Moore Wednesday of last week.

Mrs. Wayne Wallace is ill with flu. Bob Harris, of Memphis, visited relatives Wednesday afternoon.

Every guy and gal needs a TB test every year. If you haven't got it, get it.

On peaches, apples, and pears, oil emulsion may need to be used before the end of February. After that time a home fruit spray schedule can be started with a mixture of Captain and Sevin when

Coffee On Sunday For Miss Conrad

Miss Carolyn Conrad, of Memphis, daughter of Mr. and Mrs. Martin Conrad, of Paducah, Ky., was honored Sunday afternoon with a coffee in the home of Mrs. Perry Williams, of Halls, with Mrs. R. H. Williams, Mrs. Roy Williams and Mrs. Charles Cherry as co-hostesses.

Miss Conrad is the bride-elect of Timothy Palmer, of Los Angeles, Calif.

apple buds are pink. The same spray can be applied to peaches, plums, and pears, and the schedule calls for applications of spray about every two weeks until the middle of July.

Full information is available on request to the County Extension Office.

Henning Kills Rats City personnel of Henning had flu in December, which kept them from completing their rat campaign with the rest of the county; but they got back to the job week before last and put Squill meat bait all over the corporate limits of the town and passed around Flyval dirt bait in quarter-pound bags to kill rats and mice in homes and other places not exposed to the weather.

Farmers and householders outside the incorporate towns are continuing to serve dry bait to rats to reduce their numbers while they are congregated in buildings. They will be harder to kill when milder weather allows them to make underground dens further away.

Commander Box & Lumber Co., a Texarkana-based subsidiary, also has box plants in Texarkana and Marshall, Tex., and Centerville, Iowa.

A division, Commander Mouldings, is presently expanding a Charlotte, N. C., prefinished moulding plant and is completing a new installation at Texarkana.

A satisfactory location for another production center for the Midwest is under investigation.

the third annual meeting of the association at the Milan Experiment Station at 9:30 a. m. next Friday.

Chet Randolph, executive vice-president of the American Soybean Association, will be the principal speaker for the morning session, which will also include addresses by Haywood Luck on chemical weed control in soybeans and by Don Howard on fertilizer requirements.

After a dinner provided by chemical companies, the afternoon session will be led by D. M. Gossett, University of Tennessee agronomist, on herbicides recommended for use in 1969.

All soybean growers are invited to attend this meeting to hear a full discussion of the soybean situation and recommendations on things that can be done that will be of help to individual producers and the group as a whole.

THE BIBLE SPEAKS BY LAWRENCE W. ALTHOUSE

WHO IS THIS? Lesson for February 9, 1969

Background Scripture: Mark 4:35 through 4:6. Devotional Reading: 1 Corinthians 5:17 through 5:21.

An old Arab folk tale tells us that a caravan once met Festus on the desert way to Hagdada. "Why are you so hurried to get to Hagdada?" asked the Arab chief. "I was hurried by the wind," Festus replied. "To take five thousand lives," he said.

Like the wind, the answer, later, returned from the City of the Caliphs, they said. "The wind hurried the past," Festus hurriedly replied. "To take five thousand lives," he said.

Like the wind, the answer, later, returned from the City of the Caliphs, they said. "The wind hurried the past," Festus hurriedly replied. "To take five thousand lives," he said.

Like the wind, the answer, later, returned from the City of the Caliphs, they said. "The wind hurried the past," Festus hurriedly replied. "To take five thousand lives," he said.

Tony Anthony in "STRANGER IN TOWN" - Starts Saturday 3:17-6:36-9:55

All of us would do well to heed that admonition, "Do the duty which nearest thee." Instead of looking for more attractive advanced steps, let us take the first step before us and trust God in his own good time and way to provide the second.

In living the Christian life as in building a model airplane, these are important first steps that must be taken before we can pass on to those that lie beyond.

Average American wife: A perpetual notion machine.

Buy at home. Print at home.

Professional, Priced-Right. Let us show you how we can make your printing most effective for your job requirements. The Halls Graphic. PHONE 224-4200 HALLS, TENN.

Don't you read before you buy? When people see your print advertisement, you can be pretty sure they're not painting a room at the same time, or running in the kitchen for a snack, or carrying on a conversation. What you get when your printed message meets the eye is the kind of attention that makes cash registers ring. Print makes sense, because print makes sales.

Before Edison you couldn't buy it Today you can't live without it. Its name is electricity. And it's the lifeblood of industry and business. It's the fresh, clean energy that makes our homes modern. It lights our streets and directs traffic. It makes hospitals comfortable and powers therapeutic machines. It works untiringly on farms. Runs transportation equipment. Works for us daily in thousands of ways. We are grateful for Edison's development of this versatile power and join our trade allies in the electrical field in honoring this great man on the anniversary of his birth. Nankipoo Locals

By Mrs. Fleetwood Cates
Frank Thurmond, who has been
in Veterans' hospital in Memphis
for several months, spent the
weekend at home.

Mr. and Mrs. Herman Walker
and son, visited here and at
Dry Hill part of last week. Mr.
Walker is the former Marlene
McCulley of this community.

Mrs. Carrie Bennett spent Sat-
urday night with Mrs. Myrtle
Smith in Memphis. She visited
Mrs. Alice Olds at Millington Sun-
day.

Mrs. Ester Jewel Smith and
daughter, of Arlington, visited
relatives here Saturday.

The Rev. Ivan Raley and fam-
ily, Mr. and Mrs. Roy Hilliard,
Sr. and Debbie Hilliard spent Sat-
urday in Jackson.

Mr. and Mrs. Claude Cates, of
Memphis, visited Mr. and Mrs.
Carl Cates during the weekend.

Mrs. Doty Fairles and sister,
Mrs. Luna Thompson, have spent
some time in Kansas City, Mo.,
where Mrs. Thompson has some
business interests.

Mrs. Banks Taylor is still con-
fined to a Mt. Vernon, Ill., hospi-
tal. She has been very ill after
surgery about a month ago.

Mr. and Mrs. J. B. Burns were
notified that they had won a
week's vacation to Florida. Their
names were drawn by a newly es-

NEW
EVERY OFFICE MACHINE
DESERVES AN A-1 RIBBON
Nothing peeps up any office machine's performance—and actually
prolongs its life—like a first quality NYLON ribbon... the only
ribbon we handle because it's the only one we can sell with pride...
Yet some folks persist in using cheaper quality ribbons which date
from the pre-war era—and actually pay more for them than our
\$1.25 price for nylon. By handling one grade in volume, we're holding
the price line on the best ribbon you can buy. At that price, you
can't afford any other ribbon for your machine.

Mrs. Gus Hargett
Is Woman Of Year
From Home Clubs

Banquet Acclaims President
Of Bexar Group. Selected
From Eight Nominated

Mrs. Gus Hargett, Sr., presi-
dent of Bexar Home Demon-
stration Club, was chosen "Woman
Of The Year" from a group of
eight candidates proposed as out-
standing in their local clubs.

Mrs. Vernon McBride, Jr., was
nominated from the Asbury club,
Mrs. Bilbo Hill from Bethesda,
Mrs. Alan Fisher, Sr., from Dur-
hamville-Orysa, Mrs. Jimmy Clay
from Filippin, Mrs. Byrd Harrell
from Gates, Mrs. Joyce Roberts
from Key Corner, and Mrs. Char-
les Griggs from Ripley Home-

Mrs. Hargett attended all Bexar
club meetings and county club
events, as well as a children's
clothing workshop, a furniture
arrangement meeting, a decoupage
workshop, and a crafts and
Christmas ideas day.

She worked on many council
committees including the banquet
planning committee and food com-
mittee, and she opened her home
for the Christmas tour.

She is a primary Sunday school
teacher and assistant clerk in
her church, assists in Training
Union and Women's Missionary
Union work, and is associated
G.I.'s Auxiliary president. She is
an active 4-H club leader.

She is on the Parent-Teachers
Association county council and
serves on a P-TA telephone com-
mittee.

Home Reflects Talents
Last year, she redecorated part
of her home, painting, refinishing,
and upholstering furniture, mak-
ing draperies, and purchasing a
new bedroom suite.

She fills her home freezer each
year with a wide variety of fruits
and vegetables, including frozen
meats, and she has a new freezer
with automatic defrosting—yet
missile age techniques have re-
duced bulk and weight so that this
heavy duty machine is easily car-
ried. This all-purpose typewriter
shames flimsy lightweight costing
far more... outperforms ex-
pensive giants. It's writing sales his-
tory for Underwood. Fully guar-
anteed, naturally!

Fellow club members voted in
nominating Mrs. Hargett, "she
shares ideas with non-club mem-
bers, because she believes that
better homemakers make better
communities in which to live. She
is the happiest when helping
others. If we had more women
like her, it would be a better
world in which to live."

Mrs. Hargett was recognized as
155 persons attended the home
demonstration clubs' annual
achievement banquet Feb. 4th.

R. J. Bond, of South Central
Bell Telephone Co., was the prin-
cipal speaker.

Other Honors Awarded.
The Durhamville-Orysa club re-
ceived first place honors for its
scrabble. Mrs. J. Z. Littlejohn,
scrabble champion, accepted this
award.

Perfect attendance awards were
presented to Mrs. Will Burns, of
Asbury; Mrs. Virginia Glenn, Mrs.
W. L. Lawrence, of Bethesda;
Mrs. Gus Hargett, Sr., and Mrs.
Tom McCoy, of Bexar; Mrs.
Jimmy Clay, of Filippin; Mrs. N.
C. MacIn, and Mrs. Byrd Harrell,
of Gates; Mrs. Myrtle Dalley, and
Mrs. R. T. Escotte, of Ripley
Homeclubs.

Master Club certificates were
awarded to Bethesda, Bexar,
Durhamville-Orysa, and Ripley
Homeclubs.

High score members besides
Mrs. Hargett were Mrs. W. L.
Lawrence, of Bethesda, Mrs. A.
M. Estes, of Durhamville-Orysa,
Mrs. Frewil Buffalo, of Gates,
Mrs. Roy Brandon, of Key Cor-
ner, and Mrs. Myrtle Dalley, of
Ripley.

Next Grid Season
Last For Big Ten;
Historic Ties End

Ripley, Five Other Members
To Complete In Class AAA.
Others Go To AA Status

The 1968 football season will
be the last for the Big Ten Con-
ference, a meeting of member
schools in Trenton voted Feb. 6th.

The conference will dissolve as
the Tennessee Secondary Schools
Chiclete Association sets up cham-
pionship playoffs for the state in
three classes, based on the size of
high schools.

Six of the eleven Big Ten mem-
bers will compete in Class AAA and
five in Class AA.

Four AAA Volunteers
Dyersburg and Jackson qualify
for Class AAA, which includes the
largest schools. Ripley, Haywood
County High of Brownsville, Byrd
Harrell High of Covington, and
Fayette County High of Somer-
ville, have voluntarily put them-
selves in the AA class.

Such gifts have already been re-
ceived from Mr. and Mrs. Her-
bert Feist in memory of Mrs. Tom
Dennis and Mrs. Lillie Cheek An-
derson.

The drive for a new Youth Cen-
ter in Ripley is now accepting mem-
bers not only for the late Irvin
(Tiny) Kneebut for other per-
sons as well.

Such gifts have already been re-
ceived from Mr. and Mrs. Her-
bert Feist in memory of Mrs. Tom
Dennis and Mrs. Lillie Cheek An-
derson.

Leonard Dunavant, of Milling-
ton, Republican candidate for
Congress, who was born and still
has relatives at Woodville, paid
Lauderdale County a brief visit
Wednesday and addressed about
two dozen persons who gathered at
noon in the Town Creek Restau-
rant to greet him.

Dunavant, Millington alderman
and legislator who is now in his
second term in the legislature,
stressed his service on the House
agriculture committee and his
concern for the farmer's declining
share of the national income.

He spoke up for a balanced
budget, elimination of income
tax, and law and order, saying he
supported "every riot control
bill" in the legislature and spon-
sored two other bills which would
be passed because they were too
"tough" to "lose."

"We have some very good
judges in Tennessee who are too
lenient—they let too many people
go."

He said that with a Republican
president in the White House,
he as Congressman would have an
"instant seniority" which would
be indicated by Mrs. Ned Rogers
of Brownsville, when he addresses
the Haywood-Lauderdale-Tipton
District Tuberculosis Association
in Brownsville.

Attending from Lauderdale
County were Mrs. Vernon Mc-
Bride, Mrs. Irvin Kneebut, Col. Tom
Scott, and F. H. Paschal.

Dr. Hale said the natural bal-
ance between living things and
their environment of air, land, and
water, is being disturbed as vapors
and particles are spewed into
the air, causing discomfort, ill-
ness, unsightliness, and property
damage, with increasing incidence.

CLASS HEARS DAWSON
Halls High School's distributive
education class has as guest
speaker, Jerrell Dawson, last
Thursday.

A former distributive education
agent, he is 1962 graduate of
Halls High School, is now a
salesman for National Life and
Accident Insurance Co.

Mr. Dawson spoke of the history
and principle of the life insurance
concept. He described the differ-
ent types of life insurance and the
kinds available for different ages.
He told of the value of the distri-
butive education course in high
school had had for him and other
selling jobs he had had before be-
ginning in insurance selling.

Mr. Dawson is also minister of
Mistion Baptist Church.

NEW REMNANT HOUSE
Lindell Bowie, of Ripley, is
manager of new Remnant House
located at 214-16 N. Liberty in Jack-
son. This is the seventh unit in the
chain owned by Herbert Feist, of
Trenton, and is being held in
Greenfield, O. P. A. in Ripley,
Greenfield, O. P. A. in Ripley,
Pachuch, Ky., Bowling Green,
Ky., and Hermit, Ill.

Soybean Growers Elect
M. C. Bevis, of Orysa, was re-
lected president of the Tennes-
see Soybean Association in the
annual meeting held in Milan last
week.

Clifford Moring, of Tiptonville,
was elected vice-president, and
Clyde Younger, of Halls, secre-
tary-treasurer. Wabon Wakefield,
of Ripley, was elected a director of
the state association.

James and Jimmy Cramer, of
Gates, Everett Agnew, of Halls,
and F. H. Paschal attended this
meeting.

I dragged my son to the bar-
ber to get out of that ridiculous
hair cut, but he turned out to
be the barber's kid. —Al Bernstein.

County Livestock
Men Elect Evans
Their President

Name Directors, Committees
For New Year's Projects;
Bank Furnishing Scales

Lauderdale County Livestock
Association members last week
elected Russell Evans president,
Roy Thompson vice-president, and
F. H. Paschal secretary-treasurer.

Evans appointed Billy Thomas
and Sam Williams to serve with
him on the feeder calf sale com-
mittee and named Eric Petree
chairman and Calvin Pittman as
other members of the feeder pig
sale committee.

According to the rotation sys-
tem, Billy Thomas and F. L.
Thompson could not be directors
in 1969. Russell Evans, Anthony
Fisher, and Sam Williams were
elected to serve for three years,
and Edric Owen III and Roy
Thompson were elected for one
year on the feeder calf sale com-
mittee and named Eric Petree
chairman and Calvin Pittman as
other members of the feeder pig
sale committee.

According to the rotation sys-
tem, Billy Thomas and F. L.
Thompson could not be directors
in 1969. Russell Evans, Anthony
Fisher, and Sam Williams were

There's A New Frontier In Office Efficiency

Significant break-throughs in design and production of familiar products are revolutionizing the office supply field.

Good businessmen are improving efficiency and earning credit on income tax returns.

Before you invest unwisely in office tools of obsolete design, don't fail to see the newest and best.

NEW COMPACT STANDARD TYPEWRITER

Standard keyboard, standard large platen, every big-machine feature including half-spacing, tabulation—now even automatic indentation—yet missile size techniques have reduced bulk and weight so that this heavy duty machine is easily carried far more.

The setting is Caesarea Philippi, a less populous area north of Galilee. The disciples probably assumed that Jesus was there for one of the periodic rests they took when his energies were depleted.

Two questions - Jesus asks the first question. He asks the second question. The disciples answer the first question. He asks the second question. The disciples answer the second question.

EVERY OFFICE MACHINE DESERVES AN A-1 RIBBON

Nothing peps up any office machine's performance—and actually prolongs its life—like a first quality NYLON ribbon . . . the only ribbon we handle because it's the only one we can sell with pride . . . Yet some folks persist in using cheaper quality ribbons which date from the pre-nylon era—and actually pay more for them than our \$1.25 price for nylon. By handling one grade in volume, we're holding the price line on the best ribbon you can buy. At that price, you can't afford any other ribbon for your machine.

THE BIBLE SPEAKS THE MYSTERY

Lesson for March 2, 1969

In a sense, the first half of the Gospel according to Mark is a mystery story. How do we understand it? Let me refresh your memory with some of the clues that have appeared along the way.

(1) Up to this point, only the "Judean" speaks. The one who is sick in mind and body is Jesus' true identity.

An immediately there was in the synagogue a man who was called "the leper." He came forward and said to Jesus, "Lord, have mercy on me." Jesus said to him, "I know who you are, and he sent him away to his home, saying, 'Do not even enter the village.'" (Mark 6:26-27)

(2) Whenever he is recognized, that Jesus rebuked him, saying, "Be silent and come out of the synagogue." (Mark 1:23-24)

(3) He frequently requested of those whom he had healed: "And he sternly charged him . . . 'See that you say nothing to anyone.'" (Mark 1:43, 44)

(4) People frequently wondered who he was, as though they expected that he was someone more than he appeared to be.

Who is this man? The writer of Mark, then, has been building up a sense of suspense, an aura of mystery so that the reader will seek every clue to the point at which Jesus is ready to begin to shed some light upon his identity.

The setting is Caesarea Philippi, a less populous area north of Galilee. The disciples probably assumed that Jesus was there for one of the periodic rests they took when his energies were depleted.

Two questions - Jesus asks the first question. He asks the second question. The disciples answer the first question. He asks the second question. The disciples answer the second question.

Soybean Growers Seek New Means To Battle Weeds

Expert Leading Discussion Of Newest Ideas Friday; Sprayer Guides Offered

By F. H. Paschal - Soybean growers are invited to attend a meeting at 10 a. m. next Friday in the Farm Bureau Building in Ripley in which Haywood Luck, Extension agronomist will lead a discussion of soybean production methods.

Weed control is a matter of real importance to soybean growers this year. Cocklebur, careless weeds, morning glories, Johnson grass, and other weeds give farmers fits in 1968, and they want to take new and different steps to control these weeds this year.

The best known methods, tested and recommended, will be explained fully in this meeting at 10 a. m. next Friday.

Agricultural engineers of the University of Tennessee have developed a sprayer calibration guide which can be very useful in calibrating sprayers on an accurate basis in applying material broadcast or in bands.

These guides are available free in Extension Offices, and farmers may find them useful in learning to use their sprayers more effectively, which means more use in the year in cotton and soybeans.

Well, What Do You Know?

fun, games and knowledge by MARTHA GLAUBER SHAPP, Editor, The New Book of Knowledge

Why at night can you hear radio stations from far away? Radio stations can broadcast farther at nighttime than they can in daytime because the ionosphere (the electrical "mirror" in the sky that reflects radio waves to the ground) is higher...

What does "potlatch" mean?

"Potlatch" is a Chinook Indian word that originally meant "to give." The Indians on the northwest coast of North America used the word to describe some of their ceremonies and feasts. Sometimes a potlatch was a religious ceremony in which the highest price for an item was bid and the most valuable gift was given. A potlatch was usually a lavish celebration for a wedding or the birth of a son. The host gave many gifts to the guests. The...

Does a larger brain mean greater intelligence?

Not necessarily. For instance, man is the most intelligent member of the animal kingdom, yet his brain is smaller and weighs less than those of some animals. Man's brain weighs about 3 pounds, while an elephant's weighs about 10 pounds. The clue to intelligence may be in the cortex, the surface covering of the brain. Intelligence seems to be related to the amount of folding in the cortex.

How do ants find their way?

Some ants get their bearings from landmarks. Others use the direction of the sun's rays. It has also been found that some ant trails are scented trails as they walk along by touching the tips of their abdomens to the ground from time to time. As they do this they secrete the scent. In some cases scent patches also have a strong taste. The ants at once become confused. It is as if an arrow had been turned backward.

Who were the cliff dwellers?

The cliff dwellers were the ancestors of the Pueblo Indians. They were called the Anasazi, an Indian word for "Ancient Ones." The Anasazi lived mainly in the Four Corners area, now known as Four Corners, the area where Colorado, New Mexico, Arizona, and Utah meet. The cliff dwellers are remembered for their great stone villages built on the tops of mesa...

How are icebergs formed?

Almost all of Greenland and Antarctica are covered by glaciers. The year round. So some parts of Alaska. The glaciers - rivers of slowly moving snow and ice - may be thought of as great rivers. The front ends or tongues - of some glaciers reach down to the ocean. At the coast the tips of the tongues break off and become icebergs. This process of formation is called calving. When calving occurs, a land cracking noise fills the air. Sometimes a loud rumbling can be heard for hours before the ice actually breaks away. People close to the breaking of the ice can see it escape from bubbles bursting in the ice along the break. Even though icebergs float in the salty ocean, they do not taste salty. Can you tell why?

In spite of its name, it is not what we think of as bald.

The bald eagle was named at a time when "bald" meant "white" or "striated with white." The bald eagle has white feathers on its head. Its tail is white, too. Its body and wings are dark brown. Its eyes and beak and feet are yellow.

The bald eagle really bald?

In spite of its name, it is not what we think of as bald. The bald eagle was named at a time when "bald" meant "white" or "striated with white." The bald eagle has white feathers on its head. Its tail is white, too. Its body and wings are dark brown. Its eyes and beak and feet are yellow.

TRUSTEE SALE OF REAL ESTATE

WHEREAS, on January 24th, 1968, W. E. McGlothlin and wife, Rosie Lee McGlothlin and Oscar E. McGlothlin did execute a deed of trust to Vernon Gilliland, Trustee, to secure the payment of a certain indebtedness for borrowed money therein fully set out and provided for, as shown by said deed of trust of record in the Register's Office of Lauderdale County, Tennessee, in Record Book 53, page 640 to which reference is here made; and

Being the southeast corner of the old Jordan tract of land; thence in a southwestern and south direction back to the beginning corner and containing approximately 50 acres, more or less

WHEREAS, the indebtedness secured by said deed of trust is past due and unpaid and said Mortgages have failed and refused to pay the same after due notice and demand;

WHEREAS, the Mortgage aforesaid did convey to the said Trustee the following described tract of land together with all improvements thereon situated, lying and being in the 8th Civil District of Lauderdale County, Tennessee, and more particularly bounded and described as follows:

BEGINNING at a stake in Jimmy Meek's southeast corner; runs thence in a slightly north-eastern direction with the middle of the old road to a stake in the middle of a ditch; thence in a northern direction with the center of said ditch to a stake in the middle of a creek; thence in a north-western direction with the middle of said creek to F. E. Pugh's cor-

ner, being the southeast corner of the old Jordan tract of land; thence in a southwestern and south direction back to the beginning corner and containing approximately 50 acres, more or less

Being the same property conveyed to W. E. McGlothlin and Oscar E. McGlothlin by deed recorded in Deed Book 53, page 630 of Register's Office of Lauderdale County, Tennessee, to which reference is here made.

WHEREAS, the indebtedness secured by said deed of trust is past due and unpaid and said Mortgages have failed and refused to pay the same after due notice and demand;

Now THEREFORE, at the request of the legal holder of the said indebtedness, I, Vernon Gilliland, Trustee, do hereby give notice that on SATURDAY, MARCH 15th, 1969 within legal hours and commencing at 2:00 P. M. at the Court-house East door in Ripley, Tennessee, will offer and sell said above described real estate at public outcry to the highest and best bidder for cash and execute and deliver a deed to said real estate to the purchaser at said sale in bar of all rights of equity and redemption, repurchase, homestead and dower, and all other rights of exemption of every kind and nature, all of which are expressly waived

Fresh, clean electricity heats water best

When you need hot water, you want it HOT and NOW. The quick-recovery electric water heater delivers on both counts.

In addition, there's no vent or flue or pilot light. This means you can install the quick-recovery electric water heater close to the point of greatest use, avoiding costly, long pipe runs.

And, since it's powered by fresh, clean electricity, there are no messy by-products of combustion like soot, smoke or fumes. See your dealer now for a quick-recovery electric water heater!
