Important Notice To Dog Owners

All dog owners are hereby notified that "The Tennessee Anti-Rabies Law" as passed by the 1957 legislature and approved by the Lauderdale County Court will be enforced throughout the county.

All Dogs 3 Months of Age Must Be Vaccinated by A Veterinarian

This law requires that all dogs in the county be vaccinated by a licensed veterinarian and licensed at the County Trustee's office on or before the 1st day of June 1970, and of each year thereafter, paying a county license fee of One Dollar (\$1.00) for each dog owned, kept or harbored. The law also requires that a certificate of rabies vaccination in date must be presented at the time of getting license and that no license certificate shall be issued unless a certificate of rabies vaccination produced for each dog to be licensed.

In order to help dogs owners get their dogs vaccinated, the following vaccination clinics have been set oughout the county and a charge of \$1.50 for each dog vaccinated will be made by the veterinarian clinics. A rabies control officer will accompany the veterinarian to these clinics and all dogs can be licensed at these clinics. The rabies officer will be on duty full-time thereafter, picking up dogs without tags.

Because he war Christian, Iyan had a very limited future in the lit-

I tell this story to you, not be-cause it is an unusual story, for it is not; there are many other true stories equally tragic. I tell it simply because I know that I need to be reminded, lest in my comfortable complacency I find it difficult to understand why some people in this nation are so angry, so bitter. And if I need to be reminded, so, I'm sure, do you.

There is probably no time in the history of this nation when we have been so deeply divided as a people, when the fabric of our society was so deeply in danger of coming apart at the ncy: "What is going nation?" The Report
