

## PRECHRISTIAN

Lesson for October 7, 1973

Background Scripture: Romans 2:17 through 3:1.

Devotional Reading: Galatians 2:11-21.

"Are you a Christian?" a man was asked.

"Yes sir," the man replied enthusiastically. "I was converted at the age of fourteen; I'm an elder in our church for twenty years; I tithe my income; I take my family to church and Sunday school every Sunday; and I'm respected in this community."

"Ah," said his questioner, "I'm afraid you are not a Christian; you are still pre-Christian."

On the principle of works

The questioner was not "putting down" the man's religious life. All of his activities were good and constructive, it can be presumed. It was not his activities, but his dependence upon them that caused the questioner to label him "pre-Christian." The man seemed to assume that his qualification as a Christian depended primarily upon his good deeds and respectable manner of life. Because he lived a reasonably "good" life it seemed to follow that he was therefore assured of a "good" relationship with the Lord.

If any man had ever learned the futility of that approach to religion, it was the Apostle Paul.

In his pre-Christian days he had been an ardent follower of the Hebrew law. His whole life was founded upon the daily exercise of all Hebrew law's requirements. From the standpoint of the law, Paul (or Saul as he was then known) lived a very, very good life. If any man should have been assured of God's salvation, he was the man.

In time, however, he would find that, no matter how "good" he tried to be, he found that he could never be perfect in his observance of the law. In fact, nobody could: "... all men, both Jews and Greeks, are under the power of sin, as it is written: 'None is righteous, no, not one ...'" (Romans 3:9, 10).

Justified by the gift of grace

The law, Paul found, was good in that it helped a man to see what he should do and helped him to understand that he was a sinner. But the law could never save a man because it was impossible to fulfill all its demands. If a man was to be saved, it would have to be by something else than the law.

Since a man can never be worthy of God's love by faithfully keeping the law, since he can never earn or win God's love by a perfect behavior, where is his hope of salvation? Paul's answer through personal experience: "... since all have sinned and fallen short of the glory of God, they are justified by his grace as a gift, through the redemption which is in Christ Jesus" (3:23, 24).

Paul's discovery revolutionized religion: God's love is a gift; it is ours for the accepting! Unfortunately, although that's what Christianity is all about, the primary of grace over law, many of us who call ourselves Christians still follow a religious style of life that is legalistic and, therefore, still pre-Christian.

## Confidential Corner

By Henry Marchison

### Somebody's Lying

We are in no position to know anything about the charges against Vice-President Spiro Agnew, but we do think that he has a legitimate gripe about the manner in which the charges are being handled.

On a Columbia Broadcasting System newscast several days ago commentator Fred Graham quoted Asst. Atty. Gen. Henry Petersen as saying of the Agnew case: "We've got the evidence. We've got it cold."

Saturday evening, speaking in Los Angeles, the vice-president charged Petersen and the Justice Department, damaged by Watergate, as "trying to recoup their reputation at my expense."

This week, Attorney General John Richardson assured President Nixon and the news media that Petersen is not responsible for any leaks.

It seems apparent that either Mr. Graham, Mr. Petersen, or Mr. Richardson is lying. The attempt to try Mr. Agnew on the air and in the newspapers and news magazines is quite likely to backfire.

### We Goofed

We were guilty of two goofs in last week's issue of The Graphic, because of misinformation given to us.

The young lady in the Tiger mascot regalia at the Newbern-Halls football game was Cindy Harber, not her sister, Brenda, as we had been told. We are happy to give Cindy the credit due to her for her support of the Tigers.

In the other goof, Louis Levy and your editor got their wires crossed, with The Graphic publishing an advertisement stating that the store would be closed Sept. 29th for a religious holiday. Actually, this Saturday is the religious holiday, and the Levy store will be closed until 4:30 p.m. Saturday.

We were given the date we used, but we knew better and should have caught the error. We hope that Levy customers were not too upset.

### UFOs Active

Several reports of the sighting of UFOs in this area have been told to your editor, but we are still dubious.

Despite telephone calls, etc., we have yet to see anything that might even remotely be considered as a space ship or such.

However, we're not trying to start any arguments or even question that other persons have sighted such objects.

### Parker Griffin

Parker Malone Griffin, 66, of Dry Hill, landowner and farmer, died at 3:05 a.m. Wednesday in Lauderdale County Hospital, after long illness.

Services were at 2 p.m. Thursday in Halls Funeral Home, with burial in Halls Cemetery.

A lifelong Lauderdale Countyman, he was a member of Curve Church of Christ.

He leaves his wife, Mrs. Gayle Stanley Griffin, a daughter, Mrs. Margaret Wallace, of Dry Hill, and a grandson.

## Soybeans Exhibit Southern Blight

By Charles T. Peal Extension Leader

Melvin Newman, Extension Biologist, of Jackson, analyzed some diseased soybean plants sent from this county which had a white growth on the stalk near the ground. He determined this to be Southern blight.

This disease is prevalent in areas of high moisture and humidity in fields where soybeans have been lapping the middles, and because of recent rains, this condition has appeared. It does not appear in very large spots, just two or three stalks here and there over the field, but is something about which to be concerned.

Farmers who have this condition existing should consider plowing the soybean straw under as deeply as they can get it this fall.

By burying this residue deep, the blight organism will not have an opportunity to develop, so that the infestation next year can be lessened.

### New Meat Labels Help

Under a voluntary, industry-wide program, stores selling meat are to use the same name to identify specific cuts of meat. The label will show the kind of meat (beef, pork, veal, or lamb), the primal area or wholesale cut from which the retail cut was derived, and the recommended retail name.

An example would be beef chuck on the top line and blade roast on the bottom line.

### Improves Sweet Potatoes

Experience taught Jack Chambers to dig sweet potatoes any time they reach marketable size and when highest yields are obtainable—late September or early October.

Harvest before soil temperatures drop to 50 degrees prevents injury. Digging with soil dry makes potatoes easier to handle. After they are dug, they should dry three hours.

In fairly air-tight buildings, heat of respiration and high outside temperatures are often sufficient for curing. A uniform temperature near 55 degrees is best.

Potatoes should be disturbed as little as possible, as rot is spread rapidly by handling.

### Control Peach Borers

Peach trees showing wax in the crotches indicate borers are working.

Treatment with PDB, a white granulated material, will help control them. The ground is cleared around the tree for 12 to 15 inches from the trunk, and PDB is placed in a band around the tree. Several shovelfuls of soil are put atop the crystals and around the tree tightly, to force the gas that is produced to go downward and kill the borers.

One ounce is required for each tree six years old or less, 1 1/2 ounces for old trees. It should be applied between Oct. 10th and 15th for best results.

### BUYS FEEDER PIGS

Ricky McCaslin, son of Mr. and Mrs. Jimmy McCaslin, of Hales Point, has purchased pigs to be fed to market hog weight of 200 pounds to supplement his income from his other 4-H Club row crop projects and participate in the District 4-H Market Hog Show.

## Halls Cats, 3-1, Stalk Obion Central Field

By Charlie Viar

Outstanding ball control brought the Halls Tigers' record to 3-1 by shutting out South Fulton's Red Devils 12-0 last Friday evening, and the Black and Gold squad hopes to make it 4-1 as it visits Obion Central this Friday.

The Devils, sparked by halfbacks Ronald Williams and Billy Wilson, moved on four first downs from their 27 to the Halls 15 before tackles by Tyrus Brown, Jimmy Janda, and on fourth and six, Graylon Palmer (for a 5-yard loss) took the ball.

After Halls had to punt, the Devils drove back to Halls' 25, where Palmer scooped up a fumble by Red quarterback Steve Wilkerson and went 70 yards down the middle of the field for the first tally, and the Tigers, having run only three plays in the first period, led 6-0 with 2:05 left.

The TD gave the Tigers momentum, and though it slumped at times, the Cats never lost it.

After Janda dropped Wilkerson for a 16-yard loss on the Red 47, Tiger quarterback Cleo Carter led a push capped by his 27-yard pass to tight end Ray McCadney for another TD, with 7:54 in the second period.

The rest of that period and all of the third saw the Tigers in firm control, with Tony Fitzhugh's toe ready for a 40-yard or better punt when the offense failed to convert on third downs.

Late in the third period, Halls threatened on a 49-yard drive featuring runs by fullback John Noblin and halfbacks Brown and Jack Newman and a pass from Carter to McCadney which put the ball inside the ten, but a fumble on a pitch-out and a Devil recovery saved the Reds.

South Fulton threatened late in the final stanza, with seven tries inside the ten, but linebacker Eddie Bishop pounced on a fumble to put South Fulton's fire out for good.

Defensively, Janda had seven tackles, Freck Brown and Noblin eight, and McCadney six. No player on the first defensive unit had fewer than two.

First Downs 10 10  
Yards Rushing 126 136  
Yards Passing 45 60  
Yards Returned 115 30

Avg. Punting 41 37

Newbern's Dyer County High School, for the third straight week, was ranked No. 1 in Class A by AP and UPI press services.

No other West Tennessee team was ranked in the top ten, but Halls and South Fulton received votes for ranking.

The remaining schedule: Oct. 12—Gleason; Oct. 19—At Fulton County; Oct. 26—At Lake County; Nov. 2—Middleton; Nov. 9—Greenfield.

PUBLISHED WEEKLY

State Library Lab. & Archives 27219 THE BIBLE SPEAKS BY LAWRENCE W. ALTHOUSE WHILE WE WERE ENEMIES Lesson for October 14, 1973

Devotional Scripture Lesson 5:11-12:1 Developmental Scripture Lesson 5:11-12:1 A woman was pleading with her husband that she change his mind and invite their estranged son to return home. The father and son had quarreled and the father wanted the son out of the house. The youth could return, he said, when he admitted he had been in error.

The son, however, although he was willing to return home, still believed that he was right in the dispute and, therefore, refused to admit any error. The father and son were both adamant and the mother did her best to effect a reconciliation. But the father remained steadfast in his decision: there would be no reconciliation until when the youth returned in penitence.

"Worthy" of reconciliation? The father's stand is reminiscent to us. Many people are quite willing to forgive another when that person indicates in some way that he or she is penitent. It is as though a person must earn or be worthy of forgiveness and reconciliation. Under this approach our love is conditional upon someone's deserving it.

Once again, as we pointed out last week, this is basically a pre-Christian approach to religion. The basis for love in this approach is a legislative one. Salvation, reconciliation, the favor of God: all these are dependent upon the worth of the individual man or woman. And that "worth" is determined by certain laws, rules, and regulations.

The whole meaning of the Gospel of Jesus Christ, Paul realized, is that we must go beyond legalism and have our attention upon the grace of God. Paul must have started the Hebrew world with his exhortation: "While we were yet helpless, at the right time Christ died for the ungodly" (Romans 5:6). Christ's sacrifice was, not for men who because they lived by the law thought they were "good," but for those who obviously were "not good."

In other words, Jesus did not wait for the world to repent before he poured out his love. "... while we were sinners Christ died for us..." while we were enemies we were reconciled to God by the death of his Son... (Eph. 2:8-10). Even while we are still sinning against him, Christ offers us his love. We do not have to be "good" first in order to qualify for it. We do not have to meet certain legislative specifications to grasp it.

Actually, this is what "grace" means: the undeserved love of God. "Therefore it is not 'salary' to be earned, but a gift. We are never worthy of his love, but he gives it to us if we will but receive it. It is to be also with our love for one another. We are called to give our love, not only to those who are worthy, but to those who in our judgment are undeserving of so great a gift."

Births To Mr. and Mrs. Gary G. Proctor, of Memphis—son, Douglas Scott, born Oct. 5th in a Memphis hospital. Maternal grandparents, Mrs. and Mrs. Harry A. Hall, of Tall.

Halls Tigers football team, led by quarterback Steve Brown, defeated Clinton Central, 28-0, at Troy, making the Tigers' third straight shut-out, 28-0, risk their winning 3-2 record as they play hosts at 7:30 p.m. this Friday to Gleason, which also lost last week, to Dresden, 25-6.

ATTRACTING ATTENTION—An Obion Central back drew a crowd on an off-tackle smash in last Friday evening's Halls Tiger loss, 28-0, at Troy. Making the tackle is Halls linebacker John Noblin (44), with Graydon Palmer (68) and Gary Herron (71) coming up to join the fun.

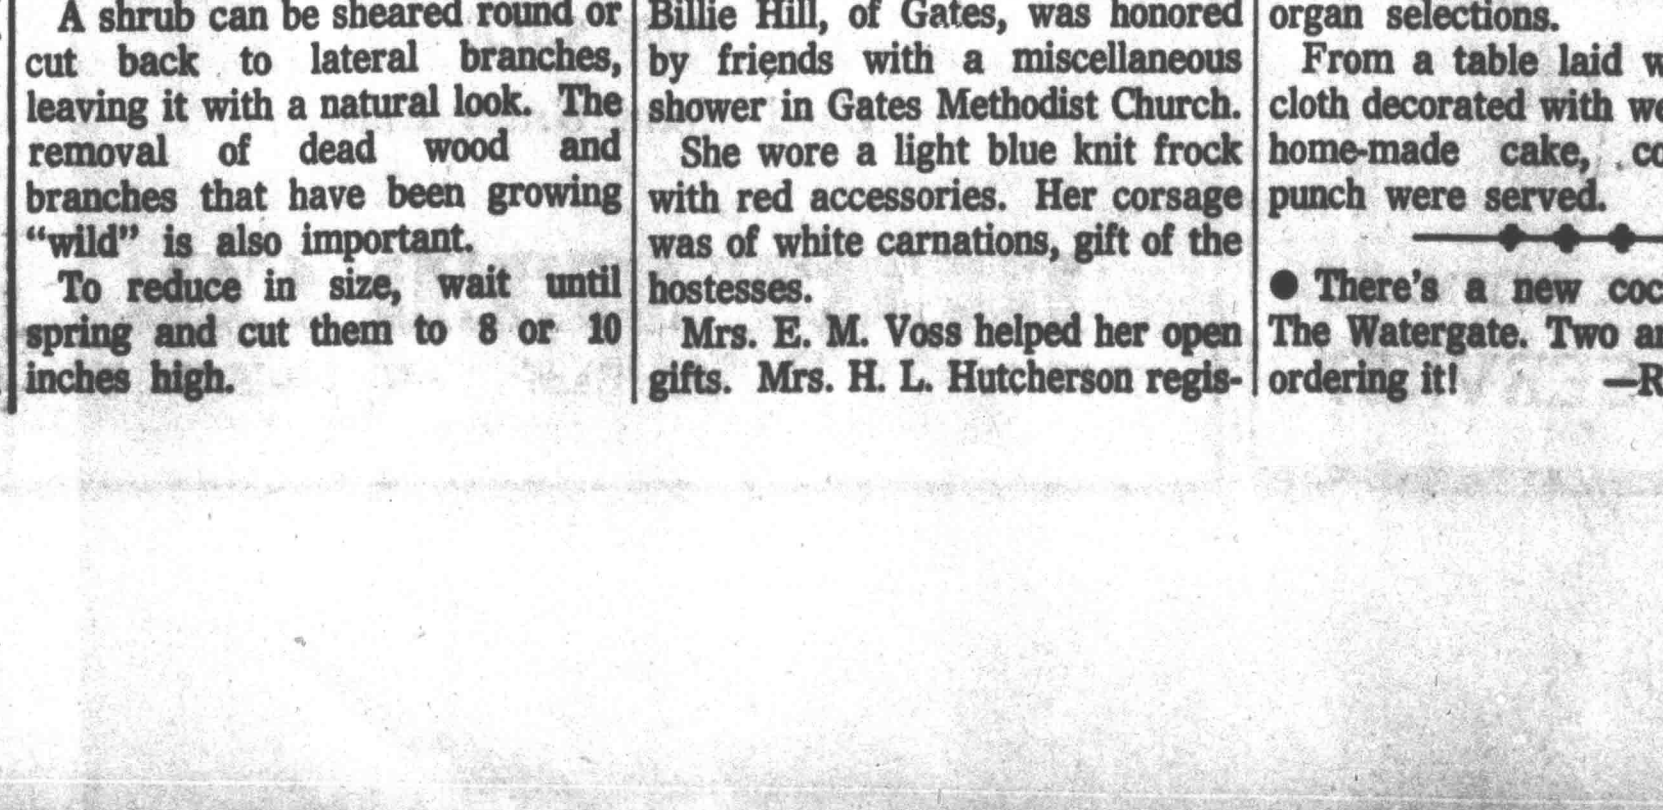

The snap was high on the point attempt and Phillips, trying to run it, got nipped short of the end zone. The Rebs got the ball again on their 28 and scored in eight plays, with Phillips hitting Tyrone Ervin for 16 yards through the air and fullback Tommy Cook shoving 15 Ross Shelton seven yards off tackle to tally.

A fake kick turned into a Phil-ipo-Ervin aerial to a corner of the end zone to make it 14-0. Action heated up, then, with John Noblin and the Rebs' Terry Robinson tying up and getting the ball back to the Rebs. Andy Pugh, disagreeing with the call, got a flag from the referee which put the Tigers back on their 25, fourth and 25.

Sam Edmonson blocked the Tigers' punt, and then Glenn Patterson took it in the third Rebs score, with Shelton leading points after for a 22-0 lead at halftime. Kicking off in the second half, Halls forced a Rebs punt and got the ball back on their 40, with Charles Wilson leading for the last TD.

The snap on the point try again was off, and Halls blocked the kick. In the eight minutes left, with the Rebs substituting freely, they threatened twice but fumbled the ball away both times.

### Halls Tigers Risk Winning Status As Hosts To Gleason

Halls High School's Tigers, bottled up last week in Obion Central's third straight shut-out, 28-0, risk their winning 3-2 record as they play hosts at 7:30 p.m. this Friday to Gleason, which also lost last week, to Dresden, 25-6.

With twelve Tiger carries being yardage and its quarterback sacked five times, Halls netted only 41 yards rushing against Clinton Central, plus 20 from one pass completion in five tries, while the Rebs racked up 226 yards.

Tyrone Brown, returning the kick-off to his 30, got 15 yards three plays later for first down on the Rebs' 46.

Then Halls, leading nine, eight, and ten yards, booted, and quarterback Dewaine Phillips and tailback Joe Simpson led the Rebs in twelve plays, all on the ground, to their 28-yard lead. The Rebs and Gold held for three plays on the three—with 3:26 left in the period—before Simpson dove over from the two.

The snap was high on the point attempt and Phillips, trying to run it, got nipped short of the end zone. The Rebs got the ball again on their 28 and scored in eight plays, with Phillips hitting Tyrone Ervin for 16 yards through the air and fullback Tommy Cook shoving 15 Ross Shelton seven yards off tackle to tally.

The snap on the point try again was off, and Halls blocked the kick. In the eight minutes left, with the Rebs substituting freely, they threatened twice but fumbled the ball away both times.

Newman punted six times for 176 yards. The remaining schedule: Oct. 12—Gleason; Oct. 13—At Fulton County; Oct. 26—At Lake County; Nov. 2—Middleton; Nov. 9—Greenfield.

Halls Booster Club will meet at 7 p.m., Oct. 16th in Halls High School. Wives of members will be guests of the club. Refreshments will be served.

Sick & Ailing Mrs. Charles Edens, of Halls, entered Methodist Hospital in Memphis Sunday for tests and treatment. Mrs. E. G. Parker, of Halls, past office employee who injured a knee in a motor bike accident three weeks ago, expects to be discharged from Campbell's Clinic in Memphis this week.

### SAVED BY GRACE THROUGH FAITH

We have been examining for the past few weeks the Biblical teaching of salvation by God's grace through faith. (Eph. 2:8-9). This is the concluding article for this particular series.  
There are two sides to the matter of salvation, the divine and the human, and there are two principles of operation, grace and faith. On the divine side, God, Jesus, and the Holy Spirit have performed the necessary conditions through grace to bring salvation to man, and on the human side, man through faith, must perform the necessary conditions to appropriate the blessings provided by grace. Hence, we are saved by grace through faith. (Eph. 2:8).  
The Bible reveals that "Noah found grace in the eyes of the Lord." (Gen. 6:8), and God saved him from the flood. But there were two sides to his salvation, the divine and the human. God's grace made the salvation possible, and an active faith on the part of Noah and his family made it possible. (Gen. 6:22, Heb. 11:7). He and his family were saved by grace through faith.  
Salvation is the free gift of God, but it takes two to perfect a gift, one to make the offer and another to accept. That which is thrust upon us without our consent is in no sense a gift. God gave the city of Jericho to the Israelites, but they had to march around the walls of Jericho thirteen times in a period of seven days in order to receive the city. (Josh. 6:2, 2:38).  
The question now to consider is, "How does one accept the great salvation which has been graciously offered by the Lord?" In giving the answer to this question, we notice particularly two passages. Paul says that the gospel "is the power of God unto salvation to every one that believeth..." (Rom. 1:16), and John wrote, "As many as received him, to them gave he power to become sons of God, even to them that believe on his name." (John 1:12). It is strange that men will use these passages in an effort to prove that person is saved the moment he believes. The order in these two verses are: (1) there is the believer, (2) the believer is in possession of "the power" which is "unto salvation", and one to make the offer and another to accept. What is that "power" that we accept? Paul says that it is the gospel of Christ. Thus, the Bible teaches that when one obeys the gospel of Christ, he is saved by grace through faith. (Heb. 5:8-9, Mk. 16:15-16, Matt. 10:32, Acts 2:38).

#### SAVED BY GRACE THROUGH FAITH

We have been examining for the past few weeks the Biblical teaching of salvation by God's grace through faith. (Eph. 2:8-9). This is the concluding article for this particular series. There are two sides to the matter of salvation, the divine and the human, and there are two principles of operation, grace and faith. On the divine side, God, Jesus, and the Holy Spirit have performed the necessary conditions through grace to bring salvation to man, and on the human side, man through faith, must perform the necessary conditions to appropriate the blessings provided by grace. Hence, we are saved by grace through faith. (Eph. 2:8). The Bible reveals that "Noah found grace in the eyes of the Lord" (Gen. 6:8), and God saved him from the flood. But there were two sides to his salvation, the divine and the human. God's grace made the salvation possible, and an active faith on the part of Noah and his family made it possible. (Gen. 6:22, Heb. 11:7). He and his family were saved by grace through faith. Salvation is the free gift of God, but it takes two to perfect a gift, one to make the offer and another to accept. That which is thrust upon us without our consent is in no sense a gift. God gave the city of Jericho to the Israelites, but they had to march around the walls of Jericho thirteen times a day for a period of seven days in order to receive the city. (Josh. 6:2-3). "How does one accept the great salvation which has been graciously offered by the Lord?" In giving the answer to this question, we notice particularly two passages. Paul says that the gospel "is the power of God unto salvation to every one that believeth..." (Rom. 1:16), and John wrote, "As many as received him, to them gave he power to become sons of God, even to them that believe on his name." (John 1:12). It is strange that men will use these passages in an effort to prove that person is saved the moment he believes. The order in these two verses are: (1) there is the believer, (2) the believer is in possession of "the power" which is "unto salvation", and (3) when that "power" is used, the believer becomes saved. What is that power? Paul says that it is the gospel of Christ. Thus, the Bible teaches that when one obeys the gospel of Christ, he is saved by grace through faith. (Heb. 5:9, Mk. 16:15-16, Matt. 10:32, Acts 2:38).

Halloween's Coming

Chief of Police Buddy Moore says Halloween has no intention of curtailing the fun of youngsters on Halloween night, next Wednesday, but acts of vandalism will not be tolerated and will result in arrests.

He says the throwing of eggs on cars, the use of dangerous fireworks, such as cherry bombs, the placing of barriers on the streets, and such acts will not be overlooked, and anyone participating in such activities may expect a substantial fine.

The Halls Booster Club, in conjunction with the schools, will have a Halloween festival Wednesday evening at the school with enjoyment for all ages.

Let's make this a safe and sane Halloween!

Time Change News

## Sunshine Pushes 1st Cotton Picking Near Conclusion

By Charles T. Peal

Two weeks of sunshine have allowed farmers to make a good start in picking their 1973 cotton.

Compress receipts at Ripley as of Oct. 2nd were 7,858 bales, compared to 17,352 on the same date in 1972.

Farmers should complete their first picking this week. Some green, mature bolls are still on the cotton plant.

## Jury Brings Back Not Guilty Verdict in Henning Death

Robert Henning, represented by J. H. Walker, Jr., Monday was acquitted from a Circuit Court jury on charges of first degree murder in slaying Edward Green, also known as Edward Owens, May 12th in Henning's business district.

A jury found him guilty of carrying weapons. Judge Herman Reiter fined him \$50 and suspended an 11-month, 30-day jail sentence.

Reiter granted a new trial to Willie Claybrooks, sentenced to 30 years June 12th after a jury found him guilty in the death of Mary Emma Dyeon Sept. 14, 1972.

Claybrooks then pleaded guilty to second degree murder. Reiter then sentenced him to 10-20 years.

He found Sule Anna Shaw, charged with possession of marijuana with intent to sell, guilty of an attempt to commit a felony, fined her \$10, and sentenced her to 11 months, 29 days in jail.

First degree murder charges against R. E. Harrell, in the death of Georgia Mae Glenn April 4th, were for trial Feb. 13th, and against Ronnie Harrell and Willie W. Crumley at Manor Lounge near Halls Aug. 19th, were set for Feb. 20th and 18th, respectively.

Second degree murder charges against Jimmy W. Taylor, in an automobile accident April 28th in Henning, were set for trial Feb. 20th and 18th, respectively.

Two charges of armed robbery and two of rape against H. M. Smith, also known as James Earl Young, were set for trial Dec. 13th.

Indictments returned last week, in addition to those of Henning, are against James Earl Young, and against Willie W. Crumley, D. Fisher, David Serger, and Willie W. Crumley.

The board has exhausted all means at its disposal to avert it. "Many other larger systems with unlimited funds to fight, and even states have tried to resist similar orders, without success."

Route changes are basically in destinations, but routes may vary somewhat from those now followed.

Two Firms Open: Wal-Mart Coming

Two Ripley firms are having grand openings this weekend—Paul Childers United Paint & Wall Covering, and a new Wal-Mart's North and House of Music, operated by the Al Moehring, at 108 Jefferson.

Wal-Mart Stores, Inc., has announced a \$2,000 sq. ft. store for a site now a trailer court on Highway 51 So. in Ripley, opposite County Circle. It will be Wal-Mart's 76th store in six states.

**IS SINCERITY ENOUGH IN RELIGION?**

It is frequently stated, "If a person is honest, it makes no difference what he believes in religion." Certainly a person must be honest and sincere to please God, but sincerity alone is not enough to gain God's approval. Religious people some twenty centuries ago rejected Christ because they did not believe that He was God in the flesh. We do not charge these people with insincerity. But still, if one believes that Christ is an impostor, he will die in his sins. Jesus stated, "I said therefore unto you, that ye shall die in your sins: for if ye believe not that I am he, ye shall die in your sins." (Jno. 8:23). The people who heard the apostles preach on Pentecost were "de-  
vout" or sincere (Acts 2:5). Yet, Peter charged them with the death of Christ. (Acts 2:22-23). They were sincere, but wrong. Paul was sincere when persecuting the early church. He thought at the time that Christ was an impostor. He said, "I have lived in

all good conscience before God until this day." (Acts 23:1). He thought that he was doing God a favor in stamping out the church, yet he was in error. The young prophet from Judah was evidently sincere when he believed the message of the old prophet, but the record found in 1 Kings 13 illustrates clearly the sin and consequences of believing a lie in religion. Many other examples could be given to illustrate the principle that sincerity is not enough in religion, and it does make a difference what one believes. Jesus taught that only the truth makes one free. (Jno. 8:32). God's word is truth. (Jno. 17:17). Furthermore, Jesus revealed, "Not everyone that saith unto me, Lord, Lord, shall enter into the kingdom of heaven, but he that doeth the will of my Father which is in heaven." (Matt. 7:21). God's will is done when one loves, believes, and obeys the truth. (2 Thess. 2:10-12, 1 Pet. 1:22).
