Youth Hurt On Nankipoo Road

DONALD W. WARD, 18, of Halls, was sent to Parkview Hospital in Dyersburg with multiple injuries after his 1969 Ford Falcon, westbound on Nankipoo Road, overturned at 8:45 p.m. Tuesday, a mile west of Hwy. 88.

Halls Yule Pageant Rolling At 6 Friday

Halls' second annual Christmas parade will roll at 6 p.m. Friday, with about 20 floats, the Brighton High School and Milan Junior High School Bands, and many other units, including old St. Nick himself.

Co-chairmen June Critchfield and Don Levy report interest at a high level.

Floats will include the Halls Community Club's float, the Tupperware Co. float, and the Dyersburg State College float pictured at lower left of this pageall first place winners in Ripley's Christmas parade Thursday of last week. The parade route is from

the Halls High School football field, east on Tigrett, south on Front, and west on Main, to beyond College.

This route will be blocked to traffic while the parade is in progress this Friday.

Yule Tourney

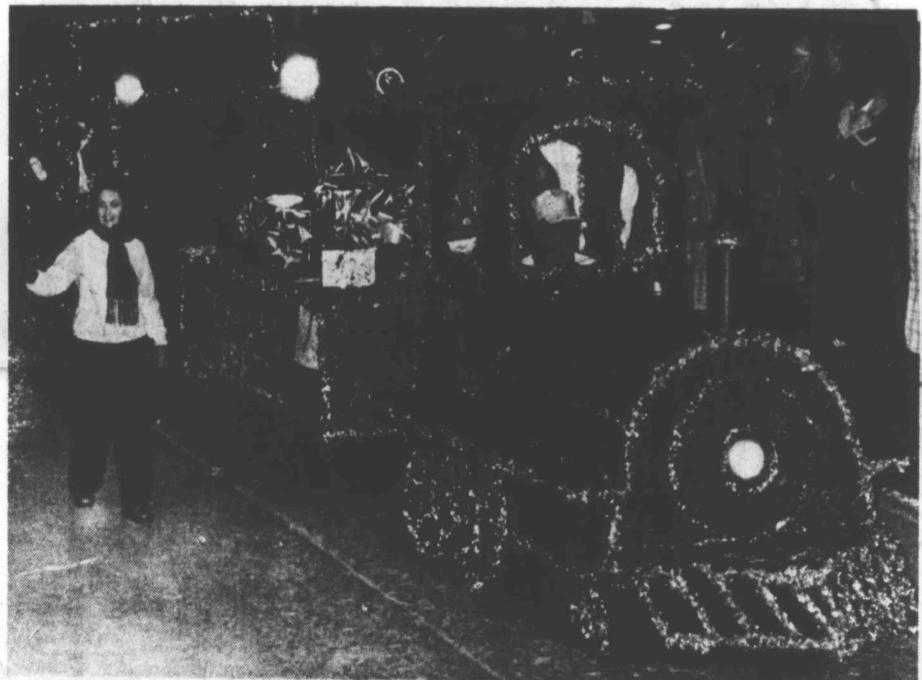

Halls Booster Club will meet at 7 p.m. Monday in Halls High School to discuss a girl's Christmas tournament. All members are urged to attend.

Thank You From Forked Deer Co-Operative

The recent ice storm created severe problems for your Co-operative in maintenance of its service. Circumstances beyond our control have caused our customers considerable inconvenience and discomfort. In spite of this hardship, we have found our customers to be most co-operative, understanding, and willing to help, for which we express our sincere appreciation.

We would also like to personally thank Mr. Oneal Weaver and the Ripley Power & Light Company, Mr. Julius Crawford and Dyersburg Power Company, the Lauderdale County Rescue Squad, our Board of Directors, and the many volunteers who devoted their time, energy, and resources in order to help us restore service. Also to our faithful employees who worked tirelessly through the ice, rain, and cold, we acknowledge our special thanks.

Sincerely,

Russell Jacocks Manager

In Church Ceremony

MR. AND MRS. IIMMY L. WILSON are residing in Ripley after Nov. 25th vows in its First United Meth odist Church, with The Rev. John C. Hartman, pastor officiating. Mrs. Russell G. Evans, Jr., was organist, and Mrs. Thomas Stanley was vocalist.

The bride, Angela, was given by her father, James C. Hill of Ripley, in a Sylvia Ann original Empire gown of Satalustre, white silk organza, and re-embroidered Chantill lace, enhanced with pearls, with scooped neck-line, fitt lace sleeves with organza ruffles at the wrists, and full cathedral train. A Camelot head-piece of Chantilly and pearl held an English veil of illusion. The bride carried a bouque of pink silk roses with off-white streamers and pearls.

Miss Patricia Wren, of Martin, was maid of honor. Mrs Patricia Scarborough, of Memphis, and the bride's niece Stacey Hill, were bridesmaids in cranberry silk organza gowns with wide Bertha collars featuring self-ruffles. The bride's nieces, Heidi and Michele Hill, flower girls, wore full length pink silk organza dresses with white pinafores. Billy Scallions, ring bearer, wore a burgundy Seville tuxedo with a pink ruffled shirt.

Andy Terry, of Halls, was best man. Gary Lynn Herron and David Wilson were groomsmen in burgundy Seville tuxedos. Gary Lynn Herron and Mike Herron, of Halls

The bride's mother wore a formal length silver poly ester crepe gown with silver dusted beading and an Eton cape forming long cuffed sleeves. The groom's mother, Mrs. J. L. Wilson, chose an agua formal length gown of "Qiana" with matching cape. Each wore a white orchid

The couple gave each a red rose, upon departure. In the reception in the church, bride's and groon Carol Garner poured punch from a silver bowl; Mrs. wiches, nuts, and mints; the groom's sister, Mrs. Sandra Hendrix and Miss Phyllis Wilson, of Dyersburg, served the groom's cake. Miss Tina Scallions kept the register during and after the ceremony.

W. R. Hill and Mr. and Mrs. H. A. Scallions, of Riple Among out-of-town guests were Bruce Downing, Shreveport, La., the Larry Smiths, of Jackson, Miss., M Billy loe Hester and family, of Southaven, Miss., the R. Smith of Newbern, and Mrs. Peggy Garner and Mrs. Betty Newell and their families, of Dyersburg.

gress, the spirit of Christ-

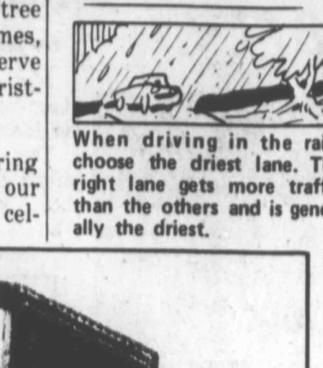

mas was already in the air. Christmas has always been my favorite time of the year. It is a time for practicing good will toward our fellow man. The problems that we are faced with all year long seem to fade somewhat during the advent of the Christmas Season.

We cannot close our eyes in hopes that the problems we face will disappear. But the renewal of our spirit, as individuals and as a nation as a whole, is of utmost importance to all of us. As 1978 comes to a close, we can look back upon it as a year of accomplishment and a year in which we addressed many tough issues with a new Administration in Washington, and we can look forward to a New Year in which we can renew our national purpose

Traditional Christmas of servances have already begun in the Nation's Capitol. The Christmas tree that adorns the West Front of the Capitol was lighted Dec. 13th. It was provided by the National Forest Service this year and came from the State of Maryland. In an effort to conserve energy, the number of lights on the tree have been reduced. Alabama Vows

MRS. ROBERT EDSON WEAVER, the former Miss Penny Kay Swift, daughter of Mr. and Mrs. Wesley R. Swift, of Huntsville, Ala. and Mr. Weaver, son of Mr. and Mrs. Cortez Weaver, of Burlington, Vt., were married at 7 p.m., Nov. 18th in Latham Methodist Church at Huntsville.

The bride is the granddaughter of the late Mr. and Mrs. R. L. Siler, of Halls.

Given in marriage by her father, the bride wore a gown of Qiana and Alencon lace. The Queen Anne neckline and long fitted sleeves were accented with pearls and crystal beads. Her flared skirt fell into a chapel-length train. She wore a headpiece of mixed flowers and baby's breath and carried a nosegay of mixed flowers and baby's breath. The bride wore a diamond evening star pendant, a gift from Mrs. Siler on her 21st birthday.

Miss Lee Ann Jackson was maid of honor. Matron of honor was Mrs. Carolyn Johnson. Each wore a gown of cinnamon Qiana with short capes and carried nosegays of fall flowers.

Best man was Robert Jackson. Groomsmen were brothers of the bride, William and Wesley Swift, Jr., and Chuck Clark.

Mrs. Swift selected for her daughter's wedding a gown of pink Qiana. Mrs. Weaver chose a russet

A reception at the church followed the wedding ceremony. After a wedding trip Mr. and Mrs. Weaver are residing in Huntsville.

We're glad to have the opportunity to wish each and everyone of our friends the happiest of holidays. May Christmas bring the realization of your hopes.

Original Ideas Make A Gift of Cash Special

If you're really up a tree (no pun intended) about what to give someone, a gift of money is really not crass when it's given with a little thought. Have A Safe Christmas!

The Halls Fire Department wishes all of the people of this area a safe and Merry Christmas and A Happy New Year. We urge you to follow these safety rules and avoid all danger from fires.

LIGHTS

Christmas tree lights and other decorations set the theme for the Christmas holidays. Here are some very important points to remember when using them.

- Use only lights that have been tested for safety.
 Identify these by the UL Label from Underwriters Laboratories.
- Check each set of lights for broken or cracked sockets, frayed or bare wires, loose connections.
 Discard any of this equipment that you deem unsafe.
- Check labels of lights to be used outdoors to see that they are suitable for outdoor use. Never use indoor lights outside. Fasten outdoor lights securely to trees, walls, or other firm support to protect them from wind damage.
- Use no more than three sets of lights per single extension. Read manufacturer's instructions carefully and do not use more than the recommended number of lights in one circuit.
- Always turn off lights on trees and other decorations when you retire or leave your home. A short circuit in any of this equipment could cause a fire.
- Never use electric lights on a metallic tree. Damaged insulation in lighting on a metallic tree could cause the entire tree to be charged with electricity. To avoid this danger, use colored spotlights above or beside a metal tree, never fastened onto it.
- Keep children away from light sets and electrical decorations. All lights present the problem of shock and casualty hazards for curious kids.

PAPER

The opening of Christmas presents is always a special time during the holidays. Take special precautions when disposing of the wrappings

- Always dispose of wrappings immediately after opening
- Place trash in a metal container. DON'T burn wrappings in the fireplace, they may ignite suddenly, and cause a flash fire.

TREES

Artificial trees (plastic) should bear the UL Label.

Some unlabeled plastic trees burn with extreme vigor.

Do not rely on chemical coatings or sprays to make your live evergreen flame-resistant. Follow the safety rules below when shopping for a natural tree.

A fresh tree will stay green longer and be less of a fire hazard than a dry tree. To check for freshness,

- Check for color and scent. A fresh tree is deep green in color and has a strong scent of pine.
- Be sure that the needles do not readily fall from the tree
- The trunk butt of a fresh tree should be sticky with sap.
 Place your Christmas tree in a location away from fireplaces, radiators, or other heat sources. Be sure that it is out of the traffic pattern and does not block doorways.

Cut off about 2-inches of the trunk. Mount tree in a sturdy, water holding stand with wide-spread legs. Be sure that the tree is stable.

Fill base holder with water. Keep it full of water while the tree is indoors (as you would fresh flowers). Remember, heated rooms dry trees out rapidly; and a dry tree is a fire hazard.

TO ALL OUR FRIENDS!

We wish you a very Merry Christmas and a Happy New Year abundant with joy!

Stallings Implement Co.

FIRES

Your fireplace is a source of warmth and heat. Before starting your fire, be sure to remove all paper decorations and boughs from the immediate area. BE SURE THE FLUE.IS OPEN. NEVER set up your Christmas tree near the fireplace, this is a potential fire hazard. Use a screen to enclose the front of your fireplace to confine live embers and sparks to the fire box. Use care with "fire salts" which produce colored

Use care with "fire salts" which produce colored flames when thrown on a wood fire. They contain heavy metals, and can cause intense gastrointestinal irritation or vomiting if eaten. Keep away from children.

CANDLES

Never use lighted candles on a tree or near other evergreens.

Always use non-flammable holders.

Keep away from other decorations, wrapping paper.

Place candles where they cannot be knocked down or blown over.

TRIMMINGS

The trimming of your Christmas tree is a very important part of your holiday festivities. Keep the safety of your family in mind when selecting trimmings, and decorating your tree.

When choosing the finishing touches for the tree, purchase tinsel or artificial icicles of a non-leaded material. Leaded materials may be hazardous if eaten by children or pets.

If youngsters are a part of your family, take special

- Avoid any decorations that tend to break easily, or have sharp edges.
- Keep tree trimmings that are small, or have removable parts, out of the reach of your child. These pieces may be swallowed.
- Don't purchase ornaments that resemble candy or foods. A small child may try to eat them.

PLAN AHEAD

An emergency could strike your home at any time. Here are a few simple rules to follow to help your family through a crisis.

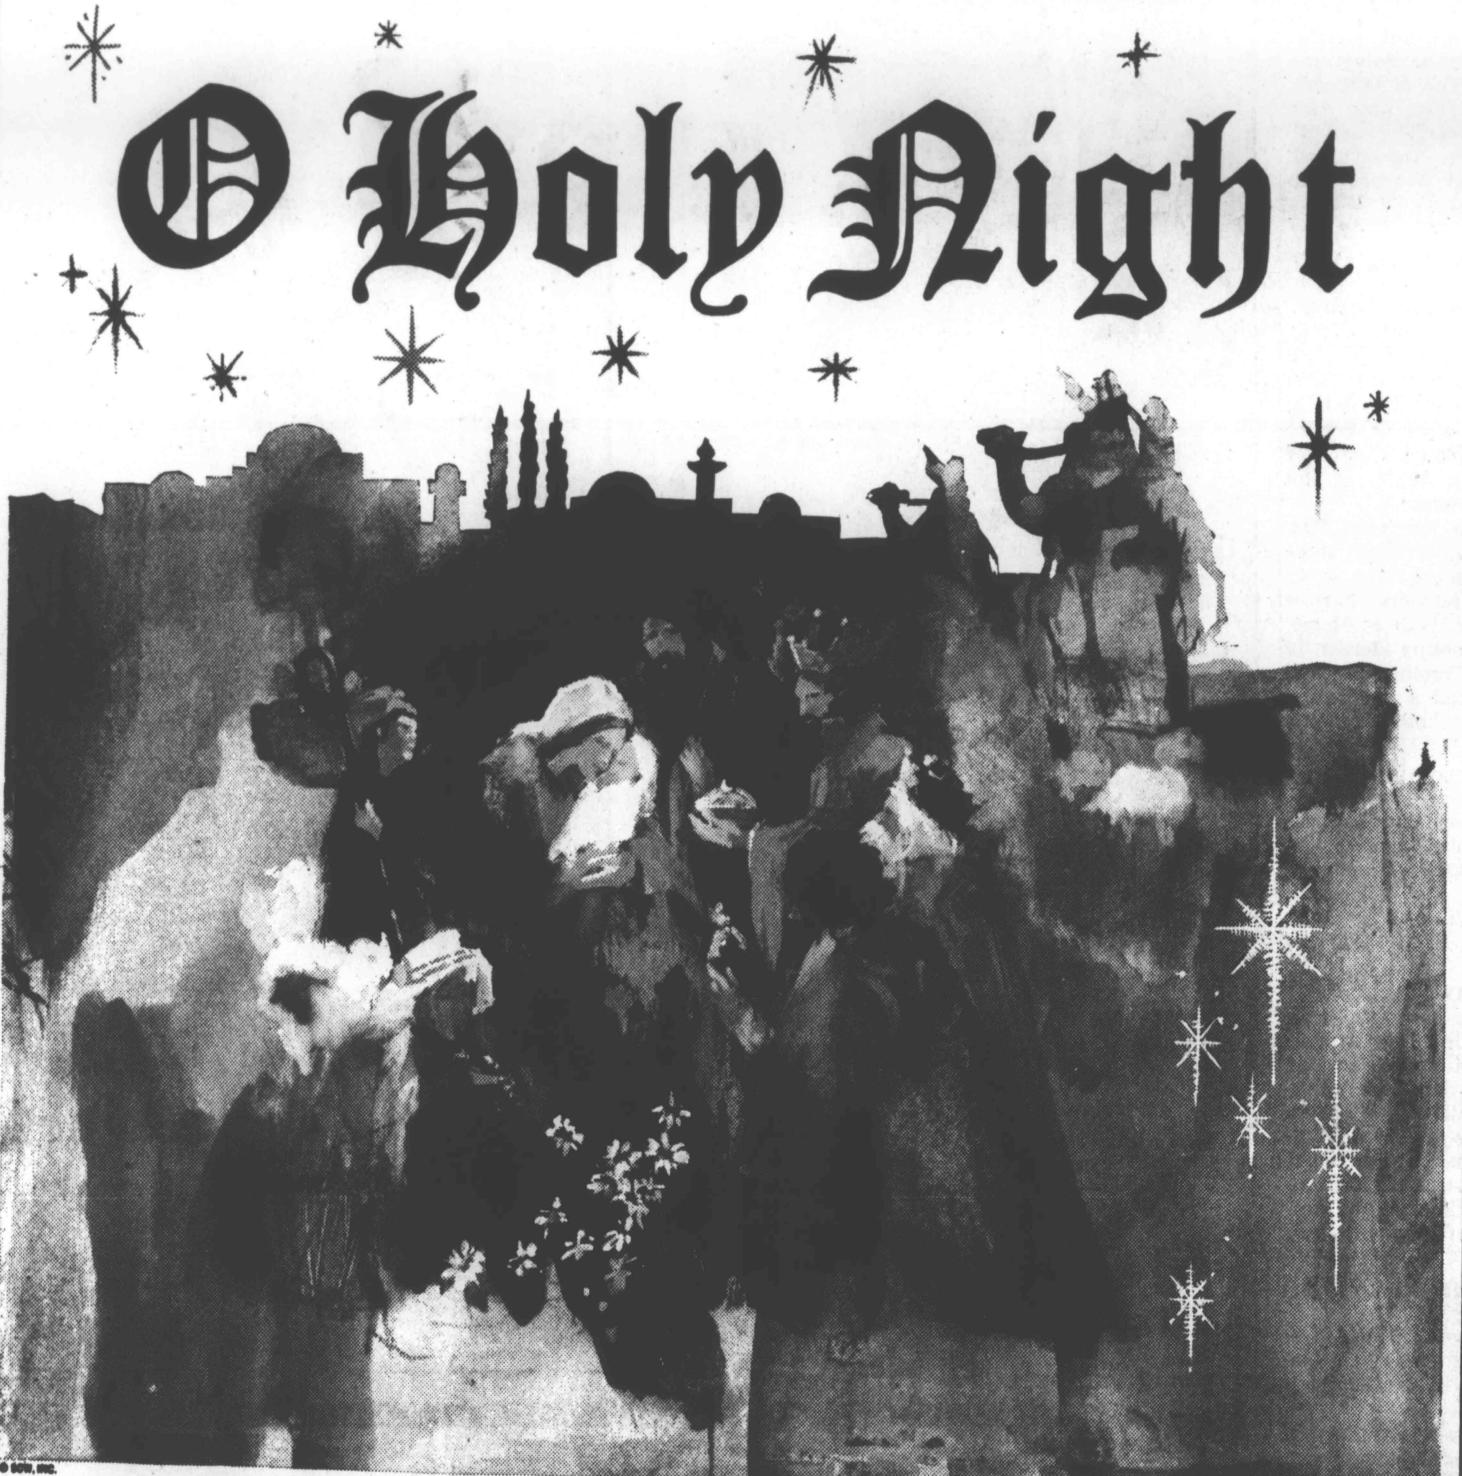

- Keep fire department, police, ambulance, doctor, and other emergency service numbers posted on or near your telephone.
- Keep a UL Listed multi-purpose fire extinguisher in your kitchen when preparing holiday meals—and know how to use it.
- Many fire departments are now offering first aid classes for their communities. At least one member of the family should be familiar with simple first aid procedures.

We're loaded with shopping bags filled with good wishes for all of our friends. See us first for all your Christmas needs.

Telephone Change Due Jan. 21st

Installation of equipment in the new South Central Bell building on Hwy. 51 South at Halls is going along at a rapid rate according to Mrs. Shirley Loftin, South Central manager of Dyersburg.

Several changes will be effective when the new equipment is placed into operation Jan. 21st. Halls telephone customers will have a new prefix, 836, replacing the present 234 along with many additional services being available.

Mrs. Loftin said new directories should reach customers not later than Jan. 20th, with the switch-over being scheduled for Sunday Jan. 21st. One change that will be immediately noticeable to telephone users will be the need to dial all seven digits in a number rather than the five that has been

Mrs. Loftin said that the only change will be the prefix with the remaining four digits unchanged. In other words if the present number is 234-7540 than the new number will be 836-7540.

Medical, Bank Buildings **Nearing Completion**

The new Halls Area Health Service Center building at the corner of South Front and Shannon Streets will be completed early in January C. G. Dyer, administrator of the Center, said last Friday.

Leon Seaton, Contractors, of Finley, is expected to complete the 5,000 square foot building within three weeks. Dyer said all equipment is now in Memphis and ready for installation. Target date for occupying the medical facility is the week of Jan. 22nd.

Dr. R. K. Stalarich will begin installing the equipment for his dental office this week. He expects to open his offices as quickly as the carpet is laid in the reception area some time next week. He is presently employed by the Lauderdale County Health Department while awaiting completion of the clinic. Dr. and Mrs. Stalarich reside on Park Street in Halls.

Dyer said gravel will be laid in the parking area but black topping will not be completed until early

The new Bank of Halls drive-in facility at the corner of Sharp Street and old Hwy. 51 South is also expected to be completed some time during January, according to bank president Warren Nunn.

Nunn said the Mosler Company will begin installation of the drive-in window and other equipment during this week.

Concrete sidewalks and street entrances have been poured and gravel is being laid in the parking

The street leading to the new elementary school from Carmen Street has been blacktopped and is now in use.

School Lunch Fees **Are Hiked 20-22%**

Three years of food and labor cost increases require a 10¢ increase in school lunch costs next year—to 55¢ through sixth grade, 60¢ for higher grades, the Board of Education reports.

Parents are reminded they may apply for free or reduced cost meals for their children at any time during the school year.
