## State Sets Deadlines For School Upgrade

John C. Neff, State Fire Marshal as well as state Commissioner of Commerce and Industry, in a letter dated Sept. 26th, set three deadlines for improvement of five county schools:

"1. A funded plan approved by the School Board and County Commission to correct outstanding deficiencies shall be submitted to the office of the State Fire Marshal no later than December 1, 1984.

"2. Architectural plans shall be submitted to the Engineering Section of the Division of Fire Prevention for review and approval by January 1, 1985, on new buildings and/or renovation of existing buildings.

"3. Construction of new buildings and/or renovation of existing buildings shall be completed no later than August 15, 1985.

"Failure to comply with the aforementioned three requirements may result in an Order directing the immediate closure of the affected school plants...."

Neff said five county schools "have serious life safety code deficiencies." The schools, with their respective deficiency points, are:

- Henning School 4-5 ..... 81 Deficiency Points
- Halls Junior High School ..... 77 Deficiency Points
- Arp Primary (Main Bldg.) ..... 73 Deficiency Points
- Ripley High School (D Bldg.) ..... 70 Deficiency Points
- Henning School 6-8 ..... 69 Deficiency Points

"You have further been advised," Neff wrote, "that, in view of the structural nature of these deficiencies, substantial renovation or new construction would be necessary for remedial purposes...."

"A recent inspection indicates that virtually all serious life safety code deficiencies still exist in the above schools and no funded plans have been approved by your School Board or County Commission.

"It is not our desire to close any schools; however, it is our desire to help make them safe for every student.

"The continued use of these schools," he wrote, "will depend upon the satisfaction" of the three requirements.

## CONFIDENTIAL CORNER

By Henry Murchison

### Underdogs Prevail

For years, many persons having been saying that the world is in terrible shape but we hadn't really agreed with them until this weekend. Now we are convinced!

Would you believe that Vanderbilt beat Alabama, Georgia lost to South Carolina, Syracuse beat Nebraska, LSU topped Southern California, Georgia Tech prevailed over Clemson, and Memphis State finally won another game from Southern Mississippi?

All of this happened during one weekend. Alabama is now 1-3 for the season, and Vanderbilt is unbeaten, as is Georgia Tech. Memphis State is 3-1 and looking toward a good season. Tennessee has been tied and beaten in its last two games, with drastic changes needed if the Vols are to have anything but a mediocre season.

By the way, the Tigers narrowly missed getting beat by a winless team Friday night. Improvement will need to be shown before next week if the Tigers are to continue to win.

### Needing Help

Jerry Criffield, president of Halls Community Club, is calling for a meeting of the membership at 7:30 p. m. next Tuesday at the Community Center.

He stresses the importance of this meeting and urges all members and would-be members to be present. He tells us that additional membership is needed if the Community Club program is to continue at its present pace and if the community center building is to be properly maintained.

Membership fees are \$25 per year per family and \$10 per year per family for senior citizens. Criffield says the club must have the support of the entire community and not just a few families.

The Community Center is in use virtually every day for Scout meetings, club meetings, aerobics classes, planned activities for elementary school, junior high, and high school students, and for senior citizens' as well as family get-togethers, parties, and other events.

Every citizen of Halls in some manner benefits from the existence of the Community Center and Halls Community Club. Why not give your support by joining the club?

## Second Accident In 11 Days Fatal

Randy Ladell Claybrooks, 19, of Gates, was fatally hurt when thrown from his car as it left State Hwy. 209, Beech Bluff Road, near Halls, at a high rate of speed and overturned several times about 2 a. m. Saturday, according to State Patrolman Ron Rickard.

His death came 11 days after his '79 Oldsmobile Cutlass, northbound on new Highway 51 near Ripley, was the third vehicle to hit straying cows about 3 a. m. Sept. 25th; he went then to Baptist Hospital Lauderdale with moderate injuries.

Services were at noon Wednesday in St. Mark Missionary Baptist Church at Gates, of which he was a member.

## Indictments Disclose Drive Against Drugs

Monday's grand jury returned ten of its 31 indictments, holding defendants for Circuit Court trial, in cases involving marijuana or other drugs.

Eight indictments, sought directly from the grand jury by state agents, without warrants, reflected undercover work in the county during recent weeks.

Names of defendants in these cases were withheld from the public records, pending arrest. Many names came from the grand jury as "John Doe."

Sammy Crook, suspended Fort Pillow State Prison Farm transportation officer, and Margaret Best, were indicted for manufacturing marijuana.

They were arrested in August after sheriff's department investigators reported finding 34 marijuana plants growing in a field near their home at Asbury, plus marijuana in the house.

Tucker Hipp was indicted for possession of marijuana and Schedule IV drugs.

Willie James Adams, Fort Pillow Prison Farm inmate, was re-indicted for assault to murder of guard William Glasco, in a rake attack May 18th, and also for being a habitual criminal, via several previous felony convictions.

Diedre Bracey, of Tipton County, was indicted for bringing contraband into the prison—alcoholic beverages concealed in re-sealed Coca-Cola cans.

Other indictments name:

Dan Buck, burglary third degree (2 counts), habitual criminal.

Fred Buck, rape, burglary, third degree.

Eugene Brown, burglary, third degree.

Donald Capers, Thomas R. Graves, robbery (2 counts).

David Craig, felonious assault, kidnapping.

Samuel D. Daniels, driving under influence.

Willie Fred Estes, burglary, first degree.

Clyde L. Haynie, driving under influence, driving on revoked license.

Ricky Hamm, David Vowell, burglary, third degree.

Lillian Diane Jarrett, larceny (2 counts).

Patricia A. Montgomery, violating bad check law (4 counts).

Sandy Vaughn Nelson, aggravated assault.

Bobby Reese, Steve Van Dyke, burglary, second degree.

Charles Ed Smith, burglary of auto (3 counts).

Nathan R. Sollis, driving under influence.

Edward Lee Vivian, statutory rape (2 counts).

Jackie Watts, Steve Van Dyke, burglary, second degree (2 counts).

Jackie Watts, habitual criminal.

## County Jail Gets Praise

## S&L Bank Drop Transfer Plans

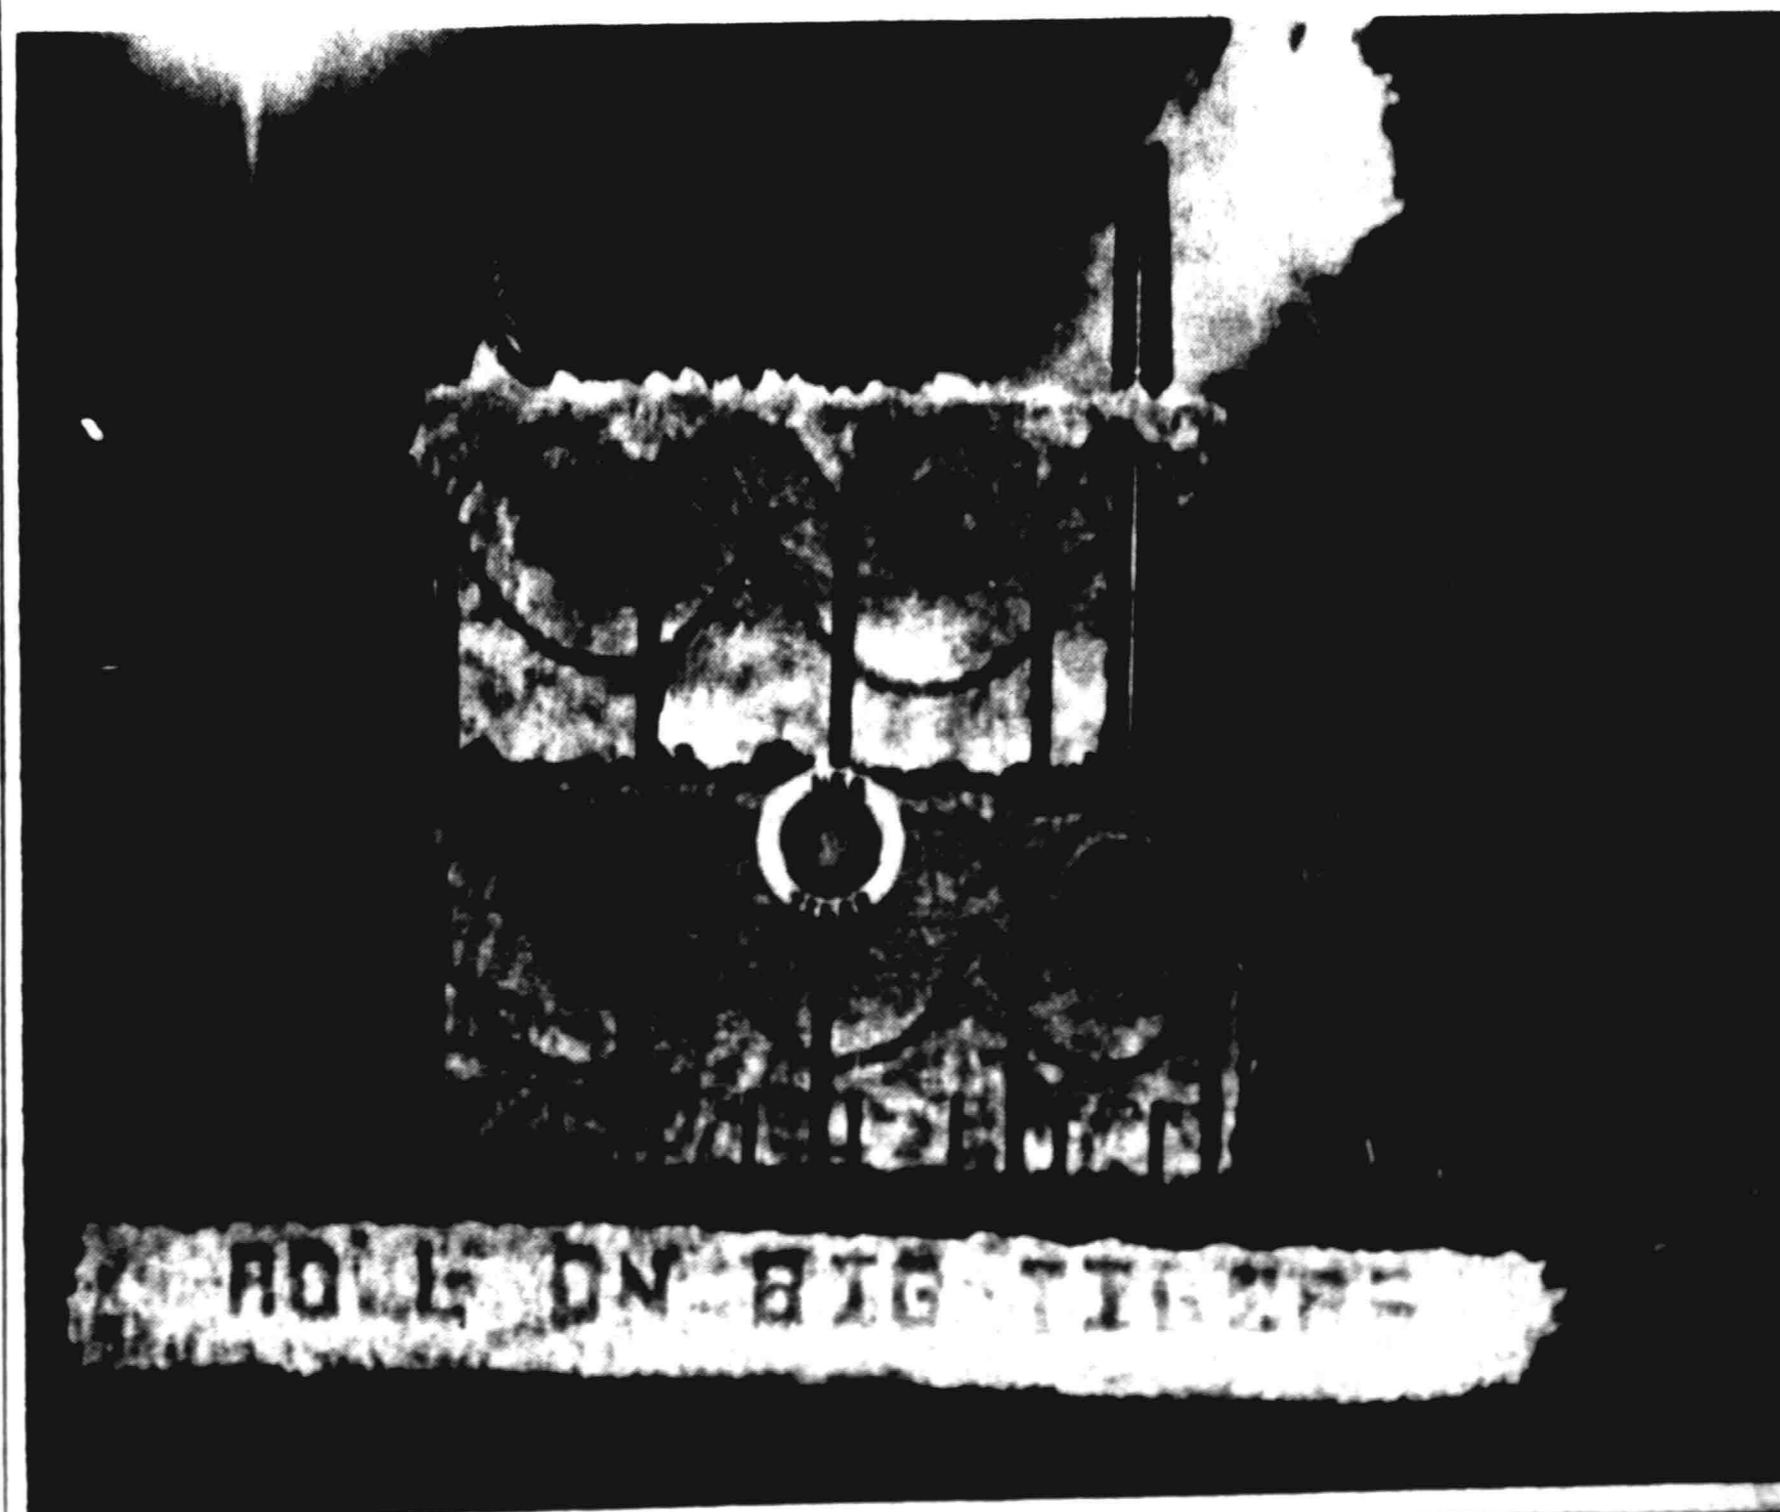

Glenn L. Lawrence, chairman of Metropolitan Federal Savings and Loan Association, of Nashville, and Glenn Franks, president of Frontier Federal Savings Bank, report that efforts to transfer assets of Metropolitan's Ripley and Halls offices to Frontier Federal Savings Bank have been discontinued.

"The decision is entirely mutual and satisfactory between Metropolitan and Frontier," Lawrence says, "and it is our intent that the high quality of service rendered by Metropolitan Federal in this community will be continued."

## Jackson, Mays State Officers

Phillip W. Jackson, Lauderdale County superintendent of schools, was elected to the board of directors of the Tennessee Organization of School Superintendents in its annual meeting in Gatlinburg.

Former Halls principal Ralph Mays, now Humboldt City Schools superintendent, is 1984-85 president.

In lower photo, Nick Maclin (10) can find little running room as Bubba Wright (88) and Benjie Belton (81) catch him behind the line of scrimmage. At left is Tiger John Arwood (76).

### Halls, Winning 6-0, Hosts Dyer County

The Halls Tigers will host Dyer County, the second of four Class AA foes, Friday after a sloppy 6-0 victory over Denmark West last week.

Dyer County is improved over the past three years but still struggling to regain its past high ranking in West Tennessee.

After a tough 28-14 loss at Martin Westview last week, the Choctaws have a 2-2 slate, with wins over McKenzie and Memphis Prep and a loss to Union City.

While the visitors have a good running attack, their chief threat is a passing attack led by Quarterback Jeff Evans. A young Halls Tiger secondary has been vulnerable to a strong passing attack all this season, although it has picked off seven interceptions this year.

Dyer County will be seeking revenge for a 18-16 loss to the Memorial Stadium and will be after leading 16-0. It probably should be rated a slight favorite, but the Tigers have been

Playing far below their performances during the past two weeks, the Tigers barely managed to beat winless Denmark West last week.

A 9-yard touchdown toss from Sammy Burnette to Terry Lents gave the Tigers the only points scored during the game, although both teams tossed away scoring opportunities, including the call-back of a 32-yard scoring run by Chris Dennis in the second quarter on a clipping penalty.

After a scoreless first half, the Tigers moved 72 yards in 14 plays, with Sammy Burnette and Chris Dennis running for needed yardage.

The touchdown came on a 9-yard toss from Burnette to Terry Lents on third and 7, with 1:55 in the third quarter. Benjie Goodwin's kick for the extra point was rushed and

### 50th Anniversary

**MR. AND MRS. LEVIN CLEEK**, of Route 1, Halls, will be honored with an anniversary tea from 2 to 4 p. m. Oct. 13th, celebrating their 50th wedding anniversary. Hosts for the event in Tupperware Recreation Center will be their sons, Bobby, of Chesterton, Ind., Meredith, of Crown Point, Ind., and Donald Ray Cleek, of Demotte, Ind., and their daughter, Nelda (Mrs. Eddie) Bishop, of Halls. All friends are invited; no formal invitations will be sent.

The Tigers had 14 first downs and 285 yards; Denmark West had 7 first downs and 193 yards.

The Tigers completed 6 of 13 passes for 57 yards and had 57 yards on 19 attempts, even where there is absolutely no doubt about the guilt of the

defendant. The visitors did not fumble, and the Tigers recovered their only fumble.

Rushing yardage was rather equally divided for the Tigers, with Dennis leading with 85 yards on 19 attempts. Goodwin gained 54 on eight

rushes. Malcolm Parker added 49 on five carries, and Joe Patrick got 22 yards on six attempts.

Lents caught two passes for 25 yards, Parker two for 18 yards, Keith Barlow had one catch for 13 yards and Dennis had one for a 1-yard gain.

Tigers defenders were led by Dennis with nine stops. Phil Hastings and Kelvin Robinson each had eight. Dees Elmore had seven, and John Arwood and Richard Voss six each.

Volleyball was invented in Holyoke, Mass., YMCA in 1895 by William George Morgan.

Fuchsia plants are named for botanist Leonhard Fuchs.

PUBLISHED WEEKLY

HALLS, TENNESSEE, OCTOBER 11, 1984

VOLUME 87—NUMBER 41

**THOMAS 'BUBBA' WRIGHT**, left, was one of 13 Halls High School students who registered Friday to vote in the November presidential election. Pictured with him are Cindy Carmack, dressed as Uncle Sam,

Mrs. Turner Escue, Lauderdale County registrar-at-large, and Lisa Mann, Close-Up Club president. The registration was a project of the new club. Cliff Davis and Pat Higdon are club sponsors.

## CONFIDENTIAL CORNER

By Henry Murchison

## Crime Stoppers Plan Proposed

District Attorney General Paul G. Summers, of Somerville, urged Ripley Rotarians Tuesday to help establish a Crime Stoppers program in this county, the only one of five counties in his district now without one.

The program offers cash for tips, telephoned confidentially, which solve crimes.

Also speaking was Charles Yochum, of Covington, veteran of 20 years of service as a U.S. alcohol, tobacco, and firearms agent and as Covington police chief.

He heads the program in Tipton County and reports it has worked splendidly there.

Summers will speak soon to other county groups, then call a public meeting to propose incorporation of the non-profit agency to run Crime Stoppers.

Visitors were John Gulley, Covington Rotarian; Richard Buntin, Extension agent working with 4-Hers, who provided 4-H place mats; James Fisher, of First Tennessee Bank in Memphis; and, from Ripley High School, Melinda Franklin and Janet Scott.

## Auto Crash Brings Million Dollar Suit

Bobby Davis, of this county, has filed suit in Circuit Court in Madison County for a million dollars in damages for injuries in a collision on Highland Avenue in Jackson on Oct. 1, 1983, which he claims permanently disabled him.

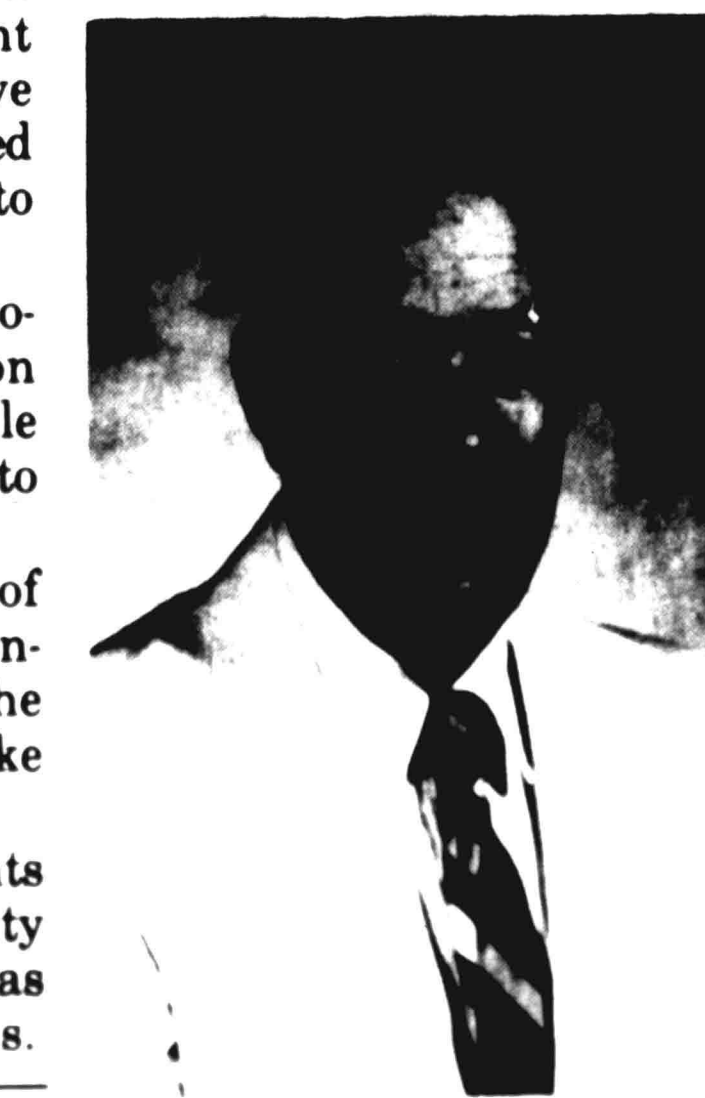

The suit blames Wilma Jones, owner, and her daughter, April, driver of the other vehicle, for injuries to the spine and neck.

The suit alleges the Jones car struck the rear of Davis' car while the driver was not "keeping a proper lookout" and after improperly turning her car and passing in a no-passing zone.

A jury trial is requested.

Dirty snow melts faster than clean.

## Elected

**ELY ROYER, JR.**, principal of Henning 4 & 5 School, was elected president of the West Tennessee Education Association when it met Oct. 4-5th in the Coliseum in Memphis. He succeeds Joe Martin, Hardeman County school superintendent.

## City To Construct New Sewer Lines

Halls' Board of Aldermen voted Monday to install sewer lines north along old Highway 51 but rejected a bid of Childress Construction Co. of \$43,897, since only about \$25,000 is available.

Larry Gavin told the board materials would cost about \$20,000, if city workers did the work. The board approved construction of the sewer lines with city personnel.

Neal Caldwell, county animal control officer, asked to erect a pen to hold stray dogs for not more than 24 hours. He also sought help from Halls policemen in capturing stray dogs which have become a major problem in Halls. Major Joe Jacobs named Aldermen Eugene Pugh, James Jones, and Bob Stolarick to study the request.

Lucille Moore, representing the advisory committee for renovation of Northside Park Recreational Center, sought action on proposed improvements. Stolarick, Jones, and Morris McCorkle will meet with the committee at 6 p. m. Oct. 18th to attempt to form plans.

The board rejected an offer by the Tennessee Department of Transportation to reimburse the city if it would assume responsibility of maintaining state highways within city limits. The board felt the city has neither personnel nor equipment to make such an agreement.

Mayor Jacobs said he had received a number of complaints about signs being placed on streets, filling parking space. A city ordinance forbids this practice. Police Chief Buddy Moore was instructed to contact owners and ask them to remove the signs.

## FOOD PROGRAM

Lau-Fay-Ton Community Action Agency will sponsor a U.S. Department of Agriculture Child Care Food Program, making free meals available to children enrolled at the Lauderdale Head Start Center.

## P-TO MEET RE-SET

Ripley Elementary School's Parent Teachers Organization's meeting set Oct. 15th has been re-scheduled for Nov. 19th, for a complete report on candy sales and the renovation or building of a new school.

**DISPLAYING FOUR TROPHIES** which the Halls High Golden Tiger Marching Band won Saturday at Memphis State University are, from left, band members Rhonda Barlow, Todd Thrash, and Janice Green; field commanders Hope Harris and Jeff Prescott; and auxiliary captains Carol Arwood and Pam Burr. The band placed third in Class AA; the field commanders placed second in over-all competition; and the flag corps placed third in over-all competition. The band received a superior rating. Ripley High School's band placed first over-all competition. Germantown took first place in Class AA. Despite a driving rain, a large number of Halls supporters attended the event.

## MEN/WOMEN'S DAY

St. Luke Baptist Church at Gates will hold its annual Men and Women's Day program at 2 p. m. Sunday. The Rev. W. L. Reid, pastor of Holly Grove Baptist Church in Ripley, will be the speaker. The Rev. Glenn Strickland, pastor, invites all.

## L.E.A.D. MEETS

Lauderdale Efforts Against Drugs will meet at 7 p. m. Oct. 16th at City Hall in Ripley to see the film *Alcohol And You*.

There will be an organization meeting, and refreshments will be served. Anyone interested is urged to attend.

## Bean Prices Seen Off, But Steadier

By Charles T. Peal

Soy bean prices in 1984-85 are expected to average below last year's \$7.75 per bushel (below early expectations and certainly low, adjusted for inflation, compared to average prices in recent short-years) and be less volatile.

The seasonal price pattern is expected to be up during the year, in direct contrast to last year.

Acres and production have rebounded sharply this year. A crop of more than two billion bushels has been considered likely for many months.

The September crop report indicated production of 2.03 billion bushels.

Total supply for the year ahead will be 12% to 15% larger than last season and will allow usage to increase and stocks to be re-built.

Total use of soybeans and products is now expected to gain 4% to 6%.

Soybean meal use in the U.S. will benefit from an increase in the level of livestock feeding and from expected low prices relative to corn.

Exports will probably increase from last season but lag the recent five-year average.

Export volume will likely be restricted by a strong U.S. dollar and large competing crops of oil seeds.

Generally favorable growing conditions have placed heavy pressure on soybean prices since mid-June.

It now appears that cash beans at harvest will sell in the \$5.40 to \$5.60 range.

Growers should have already priced at least 20% to 30% of this year's crop at favorable levels (\$7 area), using either a scale-up method or the preferred trailing stop method.

Un-priced storage of soybeans should be profitable this year, especially if cash prices slide to \$5.50 or below this fall.

A review of seasonal price movements in the past, when large crops followed short crops, reveals that low harvest prices have generally been followed by a price rebound several months later.

Cash prices could remain under \$6 for a few months, but if a solid demand base can be "bought" with these low prices, the price pay-off could be realized by next spring.

Low prices will again "cure" low prices, but the "curing" process may well require several months.

Growers who want to store un-

priced beans on the farm can use the loan program, if cash flow is needed.

A season average price of \$6.25 is expected, with prices ranging from a low of \$5.40 to \$5.60 to, perhaps, the \$6.50 to \$7.00 area by next spring or summer.

## Resources Surveyed

The Agricultural Extension Service is sending out 60 questionnaires to county government officials, bankers, school principals, ministers, Agriculture Committee members, merchants, and other leaders to rate local farming, industry, job availability, water supply, and fire protection.

## Cotton's Image Up

The Sept. 19th issue of *The Wall Street Journal* reported that 100% cotton, 100% wool, the Good Housekeeping Seal, and "Made in the USA" convey superior quality to more consumers than other product labels, according to the Roper Organization.

Of 2,000 respondents surveyed, 45% ranked all-cotton as superior, as compared to 43% for all-wool, the next highest.

This is the third consecutive year that The Cotton, Inc., budget has remained at about 18 million dollars.

The Cotton Board approved an \$18,131,000 budget for 1985 in its 18th annual meeting September 17-18th in Memphis.

The new budget has, as major areas, more than 27% for research and 58% for promotion; the remainder goes for finance and corporate services.

Deere & Co. and International Harvester say each new picker will feature a Cotton, Inc., seal to demonstrate their commitment to its customers.

## Farm Credit Eased

Annual reviews of Farmers Home Administration loans will soon determine which farmers in this county will qualify for re-scheduling loans, according to County Supervisor Joseph E. Cotten.

President Reagan's plan permits up to a 5-year deferral, with no interest payments, for as much as 25% of a loan, up to \$100,000, for borrowers expressing severe financial stress but who show promise of success with a temporary economic boost.

FmHA will be able to guarantee a loan in severe difficulty if the lender is willing to write off at least 10% up to the amount necessary to give the borrower a positive cash flow. The borrower must meet general eligibility criteria.

## Palmer Honored

**E. T. 'ROCKY' PALMER**, Dyersburg attorney, cuts the ribbon to officially open the new student educational activities complex named in his honor at Union University in Jackson. The facility was named for the 1932 graduate because of his generous support of his alma mater. The 33,765 square foot addition houses a 6-lane swimming pool, auxiliary gymnasium, two racquetball courts, large game room, dressing rooms, bookstore, four classrooms, post office, and an office and storage area. Palmer is married to the former Elizabeth Nunn, of Halls. He coached Halls High School football and was employed at Bank of Halls during the late 1930s and early 1940s, before attending Cumberland University in Lebanon to earn his law degree. He practiced law in Halls until service in the Navy during World War II. After returning home, he moved his law office to Dyersburg. The Palmers have a son, Dr. Ed Palmer, who practiced medicine in Halls before he moved to Jackson in 1982.

# Halls Visits Lake For Region 7 Showdown

Halls High School's Tigers, now 4-1 after a surprisingly easy 34-0 win over Dyer County last week, travel to Lake County this Friday for a Region 7 showdown.

Lake County will be rated a two to three touchdown favorite, bringing a 5-0 record and a second place rating in Tennessee Class A into the game. Each team has a 1-0 record in the region.

The Falcons continued their domination of all games this year with a 33-14 victory at Obion Central last week. They also had decisive wins over Union City, South Fulton, Sharon, and Memphis West Side.

The Falcons feature a big and experienced offensive and defensive line, led by Ronnie Capps, Joe March, and Greg Rose, and while their offensive backfield is young, it features Kenny Frazier, a leading ground gainer for Lake County in 1983.

The Tigers wasted little time taking charge of the Halls-Dyer County game in Halls last week, racking up 18 first downs and 428 yards while limiting the Choctaws to four first and 68 yards.

The Tigers drove 68 yards in 12 plays to score Chris Dennis from the one, with 2:55 in the first quarter. Benjie Goodwin kicked the first of four extra points to give the Tigers a 7-0 lead.

Quarterback Malcolm Patterson got the second touchdown with a 66-yard run with 11:47 on the clock.

The Tigers added touchdowns in the second quarter on a 77-yard dash by Dennis and a 42-yard pass from quarterback Sammy Burnette to Richard Voss.

Goodwin's kick for the extra point, after the fourth touchdown, was partially blocked to give the Tigers a 27-0 lead at halftime.

The starting offense saw action on only one series of down in the second half, driving 64 yards.

Burnette put the six points on the scoreboard with a 22-yard keeper around the left side.

Goodwin's kick was good for the final score, as Tiger Coach Andy Pugh began clearing the bench.

The Choctaws were playing

**CHOCTAW BACK TIM WINDLE**, in upper photo, couldn't find much running room as Tigers Richard Voss (45) and Phil Hastings (65) closed on him. Hastings led Tiger defense with 15 stops in the Dyer County

## No Consolation

**COACH ANDY PUGH**, right, has little to smile about Friday night as he talked with former Halls High teammate Lake County Coach 'Butch' Baker, facing camera, after a heart-breaking 20-10 loss at Lake County. The undefeated Lake County Falcons capitalized on two Halls fumbles in the end zone. With the coaches are, back to camera, C. B. Baker, of Gates, father of the Lake County coach, and, hidden by Coach Pugh, Tiger assistant coach Ike Taylor.

## CONFIDENTIAL CORNER

By Henry Murchison

### Election Settled

All reasons for holding the national election Nov. 6th became invalid Wednesday of last week, after a mock election at Halls High School.

Halls High students cast votes for president and U. S. Senator from Tennessee with more than surprising results—at least in your editor's opinion.

With 350 students casting ballots, the Reagan-Bush ticket received 232 votes, the Mondale-Ferraro ticket polled 118. The fact that the Reagan-Bush ticket garnered a majority of the votes was not too surprising, since the students could be expected to be more familiar with President Reagan's name, but the size of the vote was somewhat surprising.

Much more unexpected was the count in the race between Democrat Albert Gore, Jr., and Republican Victor Ashe in the race for the Senate post being vacated by Tennessee Senator Howard Baker. With 349 students voting, Ashe was the distinct leader with 216 votes; Gore's total 133.

We wouldn't want to predict any state or national trends because of the results of this vote, but since Lauderdale County is very distinctly Democratic in normal circumstances, we are baffled by Ashe's lead. There would seem to be little doubt that Gore's name should be more easily recognized, since his father was a U. S. Senator for 18 years, and Albert Gore, Jr., is himself a U. S. Congressman from Tennessee's Sixth District.

### Graphic Changes

Perhaps some of our readers have noticed that *The Halls Graphic* format has been changed to six columns, meaning that there are now six columns across the page, with the result

## Halls, Losing To Lake Only 20-10, On Fumbles, Hosts Gibson Team

The Halls Tigers, 4-2 after a 20-10 loss at Lake County last week, will host their third Class AA opponent of the season Friday as Gibson County comes to H. G. Conley Memorial Stadium.

Gibson County also has a 4-2 record. After early season decisive losses to Trenton and Obion Central, the Gibson County Patriots have come on strong with victories over Martin Westview, Crockett County, Middleton, and, 32-17, over McKenzie last week.

The Patriot attack is led by quarterback Brad Oliver, reported able to both run and throw. A Tiger defense that continued to improve throughout the season is expected to be put to a major test. On the strength of their opposition and current records, little choice can be made between the two teams.

Last Friday in Tiptonville, the Tiger offense made two disastrous errors to give the Lake County Falcons the edge in a game that was much closer than had been expected.

Twice, the Tigers fumbled near their own goal line, with Cornelius Hughes and Robert Crawford recovering for touchdowns. Trailing 7-0 after the first

quarter fumble recovery, the Tigers came back strong to post 10 points in the second quarter for a half-time lead of 10-7.

The Tiger touchdown came on an outstanding 15-yard run by Tiger back Chris Dennis, with Benjie Goodwin kicking the extra point.

Dennis took a straight hand-

off from quarterback Sammy Burnette, got two fine blocks at the line of scrimmage, broke a tackle at the six, and ran over a Lake County defender at the goal line.

Later in the quarter, Benjie Goodwin split the uprights with a 32-yard field goal.

The Falcons took the lead in the third quarter on a fine drive, with Kenny Flagg getting the last seven yards. Crawford's kick for the extra point was good for a 14-10 Falcon lead.

The final six points came late in the game when Crawford recovered an errant Burnette pitch-out. The ball hit the runner, dropped to the ground at about the 15, then was kicked by a Lake County player in the attempted recovery. The ball rolled into the end zone, where Crawford fell on it. His kick was no good.

The Tigers had four first

downs and 113 yard total offense, while the Falcons had seven first downs and 182 yards total offense, far below either team's normal average.

A tough Falcon pass defense held Tiger QB Sammy Burnette to three completions and intercepted three others. Lake County tried only two passes with no completions. Both teams fumbled twice and lost both of them. The Tiger miscues were turned into touchdowns while Lake County lost one scoring opportunity when the Falcon back lost the ball at the goal line and a Tiger pounced on the ball in the end zone.

Defensive honors for the Tigers were all divided. Dennis led all tacklers with 13 stops, Phil Hastings added 11, Dees Elmore 10, Richard Voss, John Arwood and Kelvin Robinson had 9 each, and Charlie Wilder and Joe Patrick had 8.

## Cuban Camp Move Killed

Officials of Southeast Mental Health Center in Memphis who planned to use a million dollar federal grant to buy, from the Federal Land Bank, 40 acres between Lightfoot, Lockett, and the Fort Pillow Prison Farm on which to house mentally "disturbed" but "non-violent" refugees from Cuba abandoned the project Tuesday after meeting, in the court-room of the county court-house, with more than 200 county citizens objecting to the project.

Sources say the Land Bank had another buyer for the property but went with SMHC because it offered cash and had the earnest money offered under another name, Southeast Housing Corporation.

County officials, wooed with prospects of income from the staff the project would employ, kept mum about it until the story broke on Memphis television Monday.

County Executive William Tucker IV said on TV that he had been "neutral" about the matter, until he heard from residents of the area. After that, he said, "I don't think I'm neutral any more."

that reading is easier. Another change is the elimination of column rules.

*The Graphic* joined the vast majority of newspapers in Tennessee when the change was made. Studies have shown that the new format is much more efficient for both the reader and the newspaper itself. The change also fits in with changes made by our printers, although the change has been studied for some time.

Some adjustments in advertising rates will be necessary, but no changes will be made until we have determined the exact adjustments necessary and have discussed the rate changes with advertisers.

We believe that our readers and our advertisers will find the change is an improvement.

## Bank Remodeling Is Well Underway

Renovation and re-modeling of the lobby of Bank of Halls, well underway, is expected to be completed in about three weeks, President Warren Nunn said Monday.

Architects are Wiseman, Bland, Frost & O'Brien, of Memphis.

Prime contractors is T. O. Martin, Jr., of Halls.

Most of the work is being done during non-banking hours. Changes include moving the front door, building three private offices at the front of the lobby, lowering the ceiling, and rearranging teller cages.

## CARNIVAL SLATED

The Halls Parent-Teachers Organization will sponsor a Halloween Carnival from 5 to 9 p.m. Oct. 27th in Halls Elementary School.

Each class will sponsor booths with various activities, including a cake walk. Members of the PTO will sell hamburgers, corn dogs, and cold drinks.

## State Chief

**DOUG COLLINS**, Lauderdale County highway commissioner, has been elected president of the Tennessee County Services Association for 1984-85 year. He was first vice-president during 1983-84.

Dirty snow melts faster than clean.

## SELL QUILT, PILLOWS

A quilt and two pillows made by ladies of the Halls Senior Citizens Center, to raise funds for it, are on display at Wright Insurance Co. offices, next door to High Pockets Restaurant.

**JOHN ARWOOD (76)**, in upper photo, opens the way for a 55-yard punt return by Charlie Wilder (12) for the first Halls Tiger score in their 37-8 win Friday over Gibson County. In lower photo, Richard Voss (45) is

close but gets no cigar in attempting to block a Gibson County punt. Keith Barlow (86) is in for a sudden stop, after being blocked on the play.

## Halls Hosts S. Fulton Joe Barnes In A 'Must Win' Clash Army Grad

Halls High School's Tigers will host the South Fulton Red Devils Friday in a game that has become a "must win" for each team to keep its state play-offs hopes alive.

Lake County clinched first place in Region 7 with their 20-10 over the Tigers, leaving the second place spot open for grabs. South Fulton lost to Lake County 39-13 early in the season, but since then has defeated Dresden for a 1-1 record in region play. The Tigers have a similar record. Each team must still play Sharon.

Halls Coach Andy Pugh says the Red Devils are probably the best team the Tigers play, after Bolton and Lake County.

They have a 4-3 record with losses to Fulton County, Stewart County and Lake County.

The Tigers have a 5-2 slate, having lost to Bolton and Lake County.

Small but extremely quick, the Devils have a well balanced running and passing attack, with their aerial game likely to be prove troublesome to the Tiger secondary.

The Tigers will be favored but will need to play one of their better games.

### Gibson County Routed

Led by tackle John Arwood with 17 stops, a swarming Halls Tiger defense last Friday night completely dominated the visiting Gibson County Patriots for an unexpectedly easy victory, 37-8.

The Tigers scored in every quarter to lead 18-0 at half-time and 24-0 before Gibson County could get on the scoreboard.

The Tigers had allowed only one other touchdown this year in H. G. Conley Memorial Stadium.

Charlie Wilder got the first Tiger points with a 55 yard punt return in the final 12 seconds of the first quarter. Wilder had returned the first Patriot punt 43 yards to put the Tigers in good field position at the Patriot 26, but a clipping penalty had nullified the run.

Benjie Goodwin's kick was blocked.

Tiger quarterback Sammy Burnette added second quarter touchdowns with runs of 58 and 16 yards. Both conversions failed.

Chris Dennis scored for Halls with a 16-yard run with 7:25 in the third quarter. Goodwin's kick was wide to the left.

With a mixture of passes and runs, plus a 15-yard Tiger penalty, the visitors scored on a 3-yard pass from Brad Oliver to Phil Corbin. The same combina-

tion got the 2-point conversion to trail 24-8 after three quarters.

The Tigers added touchdowns in the fourth quarter on a 34-yard dash by Chris Dennis and an 18-yard run by freshman Derrick Harris.

### Halls Held To Tuff

The Tigers had 15 first downs and 396 yards, all on the ground, as Burnette was unable to complete a pass.

Dennis has 158 yards on 18 rushes. Burnette ran five times for 105 yards. Malcolm Parker gained 49 yards on seven attempts. Goodwin gained 35 yards on four carries, and Richard Voss got 30 yards on four runs.

Gibson County got 12 first downs, all but two in the second half, after Coach Pugh began to substitute.

It had 107 yards on the ground and 153 yards on 11 completions of 35 attempts, with the Tigers intercepting five aeriels.

Richard Voss had two interceptions; Goodwin, Joe Patrick and Benjie Belton had one each.

Dicky Deaton and Voss recovered Patriot fumbles.

The Tigers fumbled twice and lost both of them.

In addition to Arwood's 17 tackles, Joe Patrick and Phil Hastings had 12 each, Kelvin Robinson eight, and Dennis and Dicky Deaton seven each.

### New Classification

Tennessee Secondary School Athletic Association officials released football classifications last week, with Halls narrowly escaping a Class AA classification.

The TSSAA Board of Control voted last June to continue to divide into three classifications—Class A, with an enrollment of 295 and under, Class AA, 296 to 692, and Class AAA, 693 and above. Class A and Class AA each have 115 schools; Class AAA has 114.

Halls is the second largest Class A team in the state, with 292 students in the upper three grades. Only Goodlettsville is larger, with 295 students. Halls' rival, Lake County, shows 269 students.

Several schools in West Tennessee will be affected by the new classification figures. Covington and Lexington, now Class AAA, can drop to AA. McKenzie, now AA, will drop to Class A.

Ripley, with 735 students in the top three grades, must remain in Class AAA. Both Crockett County and Dyer County are well into the Class AA group. The 1984 Class A champion, Cordova Evangelical Christian School, with 298 students, must move into Class AA.

Your editor is still of the opinion that there should be four classifications, to equalize athletic talent.

Class AAA ranges from 695 students to 1,922; Class A ranges from 18 schools with less than 100 enrolled to 295. Only Class AA is anywhere close to parity, with 296 to 692.

It seems to us that TSSAA officials should start now to study changes to better equalize competition.

### Curbing Vandalism

Halls Police Chief Buddy Moore has again asked this newspaper to warn youngsters that Halloween vandalism will be severely punished.

Anyone caught throwing eggs or paint or otherwise damaging property will be arrested. Teen-agers will be locked up until their parents can come for them.

Heavy fines will be imposed against parents when offenders are under age, Chief Moore warns.

### We Were Misinformed

Last week, we published a news story about a quilt and two pillows on display at Wright Insurance Co., which will raise funds for Halls Senior Citizens Center. We stated that the quilt was made by ladies at the Center.

Actually, the quilt was donated by Mrs. Farmer Paschall, of Ripley. We're sorry that we misunderstood.

### VETS GET CARDS

About Nov. 1st, Veteran pension checks will have AIQ cards enclosed. Failure to return will discontinue pensions.

All income must be included. Medical bills such as hospital insurances, glasses, dental, medicines, doctor, clinic, and expenses not paid by Medicare, private insurance, or Social Security to be reported.

### AT DRUG SEMINAR

Dr. J. W. Nunn, chairman of Lauderdale Efforts Against Drugs, attended a seminar in Nashville, sponsored by the Tennessee Pharmaceutical Association and McNeil Pharmaceutical Co., to form a corps of speakers and give pharmacists ideas on how to help parents combat drug and alcohol abuse.

Her trip was sponsored by Nunn Drug Co. and J. W. Specialty.

### SET CLOCK BACK

Clocks should be set back one hour Sunday morning as Daylight Savings Time expires.

Standard time will be in effect until the last Sunday in April, 1985.

**DRENCHED BUT JUBILANT** Halls Golden Tiger Marching Band returned to Halls late Saturday night bearing four first place trophies. It was met by Halls police, who gave the buses and Boosters an escort through town, picking up on-lookers who joined the cavalcade.

After seven bands had performed in the Union City marching contest, a driving rainstorm, which intensified during the Halls band show, caused the judges to halt the contest for 20 minutes. After more than an hour of waiting for the storm to clear, the remaining four Class AAA bands—Hardin

County, Milan, Camden, and Henry County—chose not to perform.

Halls was declared winner of all first place trophies in Class AA, competing against Covington, Crockett County, and Dyersburg High Schools. Trophies for the band, field commanders, colorguard and percussion were presented to Directors Bobby Webb and Deane Seigler.

A spectator bus will be provided for the State Class A Championship Contest in Mount Juliet Saturday leaving at 5:30 a. m., with the band buses (\$3 per passenger). Expect return is after midnight.

## ELECT ROSELLA McCLAIN!

HOW I FEEL ABOUT:

**TAXES**  
• Tax reform is needed because taxes are too high and unfairly distributed. I will oppose taxes on selected food items. All sources of revenue will be considered. The income tax will be the last resort for new revenue.

**FARM LEGISLATION**  
• As part of a family farm background I understand the problems of the depressed farm economy. Agricultural income is important to the agri business. When elected I will work to ensure that farmers have an opportunity to profit from their work.

**EDUCATION**  
• The Education Reform Act is a good beginning. I will work to strengthen the weak areas and to continue to fund the strong points. School curriculum needs strengthening and teachers need access to a reliable uniform health insurance program. I plan to investigate and propose such a plan if possible.

**PRISON REFORMS**  
• Living close to Fort Pillow State Prison, I am very aware of the problems in the penal system. I will work for stricter security, better training for prison personnel, stricter requirements for hiring and better pay for the employees who meet the new requirements. I will also support legislation to reform our penal code.

**CHILD ABUSE**  
• Legislation must be passed to protect our children. As they cannot protect themselves, adults must. Definite penalties must be established for offenders and treatment centers set up to help the innocent victims.

**EQUAL EMPLOYMENT**  
• I will support legislation to ensure equal employment opportunities, benefits, fringe benefits, and pay. I will work for enforcement of existing legislation.

**I WANT TO BE YOUR SENATOR.**
