CONFIDENTIAL CORNER

By Henry Murchison

Everyone Seemed Happy

We spent a short time at the re-union last Saturday of the 1920s and 1930s Halls High School graduating classes at the high school building. More than 175 persons ranging in age from in their 80s to the late 40s enjoyed visiting, a luncheon and a get-together in the gymnasium following the luncheon. I spent about an hour there but did not attend the luncheon or the afternoon events but others told me they had a great time. Of my class of 1927 six were present, half of those still living, from an original class of 36. Unable to attend were Kathryn Sumrow Breed, Alma Salisbury Smith, Monte Laverne Jones, Nathan Cleek, Ellen Hargett Cole and Louise Wilkes Hickman.

Some of my former school-mates I recognized, others I did not, but did enjoy talking to and visiting with quite a few of those present.

Guest of honor was Miss Batey whose first name I cannot remember. She was my English teacher during my sophomore and junior years. She tried hard to teach me to appreciate Milton, Tennyson, Whitman, Longfellow, and the writings of other poets without too much success. She did however create an interest in writing that finally became a part of my daily life. She is now 86 and resides in Nashville and seemed to be enjoying the re-union as much as anyone.

Colors Are Beautiful

Even though I have very little eyesight I have been able to see some of the gorgeous colors in the trees of Halls and along the highway. The golds and reds have been very distinctive and should have been a pleasure to everyone.

We Apologize

For the first time since we've been writing this column we forgot to remind our readers of the change back to standard time. We hope you were more thoughtful than we were and did not arrive at church an hour early or were otherwise inconvenienced. It never occurred to us until Nell or Buddy mentioned it Saturday night. We'll try to do better next spring when the time change comes again.

Halls History

By Mrs. Charles Alsobrook
More than 200 people gathered Saturday for a Home-Coming of Halls High School Classes of the 1920s and 1930s.

Among those present were Anne Batey, of 1100 Morrow Ave., Nashville 37204, teacher of all high school English classes, 1924-1926; Nell Spence McCord, of Nashville, widow of former Gov. James Nance McCord, a 1925 graduate; Ross Dyer, retired Chief Justice of the Tennessee Supreme Court, a 1929 graduate; J. B. Ellis, of Knoxville, an All-Southeastern Conference football player while attending the University of Tennessee in Knoxville, of the HHS Class of 1930; and Bennett Wright Jordan, Ph.D. of Detroit, Mich.

Some of Miss Batey's students seeing her for the first time since she left Halls were H. L. Mitchell, of Montgomery, Ala., Dorothy Jordan Moore and Hazel Moore Hendren, of Dyersburg, Fern Parrish Howse, of Memphis, William Conyers, Henry Murchison, and Mrs. McCord.

After lunch at 1 p.m., Jerre Jordan, master of ceremonies, directed the alumni to the Junior High School auditorium, where they were welcomed by Mayor Pat Higdon.

Margaret Daws Massey, of Ripley, a 1933 graduate, played tunes of the era on the piano. A sing-a-long was led by Frances Moore Hendren, of Dyersburg, a 1928 graduate, Bill Kelly, who graduated from Halls High School some years later, played the piano for the sing-a-long and other selections.

Former teachers during the era—J. H. Rochelle, of Ripley, and Mildred Sumrow Younger—were recognized, as were representatives from the classes.

James Peery, of Apopka, Fla., a 1937 graduate, told of coming back to Halls to teach after having been graduated from Union University in Jackson.

Eleven different states were represented. I will try to identify those coming from these states next week, when I hope to have a complete list.

Coke Delivery Truck Robbed

Reid Riley and Mark Seiber, driving a delivery truck for Coca-Cola Bottling Co., reported about \$800 taken from their truck while they had lunch Tuesday in High Pockets in Halls, according to Halls police.

It Was More Than Class Re-Unions

By Mrs. Sandra Holman

Surely the name of this gathering should have been "family re-union", rather than "class re-union", for there was no doubt in the minds of those attending that this gathering was the coming together of more than just former classmates.

It was called a re-union of the Halls High School Classes of 1920 through 1939, but from the moment you entered the foyer of Halls High School Saturday afternoon, you could feel the emotionally-charged atmosphere; you could feel the love; you could feel the sense of gratification that was felt by all those who had worked so hard to put this meeting together; and you knew that they felt it was worth it all.

I walked among some very emotional meetings, and I felt tears sting my eyes as I thought of the years, births, deaths, marriages, and other life-altering events that had taken place during the years that have passed since most of these class members had last seen each other. There were so many thoughts crossing through their minds, and you could see in their eyes how many of them felt at this monumental event. I had not expected to be so personally touched by it all, and was pleasantly surprised to discover that I was enjoying every moment of my visit. Although I felt that I

BILLY CHARLES BRATTON, Jr., 18, of Dyersburg, step-brother of Glen Baggett, of Double Bridges, was dead on arrival at Baptist Hospital Lauderdale Wednesday of last week after a 1982 Ford Escort he was driving was struck, about 1:20 p.m., behind the front door on the driver's side, by a north-bound Illinois Central Railroad freight train, as the car, north-bound on Kellner Road, turned west onto Lagoon Road, which crosses the ICC tracks near the spur track on Old Hwy. 51 North in Halls, according to Halls Police Chief Buddy Moore.

Bratton's passenger, Patrick Thornburg, 17, of Dyersburg, went by helicopter from Methodist Hospital in Dyersburg to Methodist Hospital in Memphis, where he was

reported Tuesday evening in stable condition in the Neuro-Trauma Unit.

Services for Bratton, a member of Miston Baptist Church, were at 1 p.m. Saturday in Dyersburg Funeral Home, with burial in Cobb's Chapel Cemetery in Hornbeak.

He leaves his father and his step-mother, Nettie Bratton, of Ridgely; his mother, Mrs. Ruby Doss Colvet, of Dyersburg; two sisters, Felicia Bratton, of Dyersburg, and Mrs. Julie Hinson, of Union City; his grandfather, Eugene Doss, of Paris; his grandmother, Mrs. Annie Mae Doss, of Halls; two other step-brothers, Danny and Rickey Baggett, of Miston; and a step-sister, Dale Sanderson, of Dyersburg.

Sudbury Takes Memphis Post

Durward Sudbury a native of Halls, has been appointed director of maintenance and security at the state's Memphis Mental Health Institute.

He was formerly a shift supervisor for Du Pont and in private business.

Greenfield Leads Halls Tigers, 20-6

Tim DeWalt posted Halls High School's only score on a 57-yard run in the final period as Greenfield won Friday, 20-6.

Eric Higgs got 119 yards and two tallies in 20 rushing plays to even the Greenfield season at 5-5 and 2-2 in District 14-A.

Halls closed its season 4-6 and 1-3.

begin to describe to you the feeling of astonishment that I experienced at this news. Here was this charming lady with very few gray hairs in her beautiful head of hair, whose charm and wit was as bright as a shining star, and whose mind was much more alert than my own after a late night the night before. Ann Batey taught English at Halls High School from 1923 to 1924. She will be 86 years young in December, and I'm sure the word "retired" has not completely entered her life as yet. She had been driven to the re-union by Sarah Smith, a former high school student of Miss Ann's class in Birmingham, Ala. Miss Smith filled me in on Miss Batey's life since 1924, when she left Halls to teach in Oneida. After two years in Oneida, Miss Batey went on to Columbia University in New York to get her master's degree. In 1929, she moved to Birmingham, Ala., and began her chosen career as a teacher. She taught English at West End High School in Birmingham from 1931 until her retirement in 1962. She now makes her home in Nashville and spends her free time making doll clothes, cooking, and being a very active member of her church. Meeting and talking with Miss Batey was a very pleasant experience, and one I will treasure.

With over 200 people in attendance, you simply had to choose the room that you felt would have the most time to visit—several years had been grouped together and assigned a classroom in the high school; and I chose the first room for my visit. It contained the classes of 1923 through 1927.

I introduced myself to a lady who had "1923-24", along with the name "Ann Batey" written on her name tag. I asked which class she had graduated from, and she sweetly and quietly informed me that she had been a teacher during those years at Halls High School. I cannot

Halls Band Fifth In State Contest

Halls' Golden Tiger Marching Band placed fifth in state Class A Championships Saturday in Lebanon.

Halls' color guard placed second over-all with a score of 13.3, of 15; field commanders were fourth over-all.

Halls rated superior in all five categories—percussion, guard, field commanders, band and over-all.

Senior band members receiving the awards after having performed for the last time on the field were Robert Harris, Chris McCallister, Rhonda Phillips, Sherry Prescott, Charlotte Randle, Fred Tate, and Carol Terry.

A large crowd of Boosters followed the Band to Lebanon. Many had watched in 1984 as Halls won first place from Goodpasture of Madison and in 1985, 1986 and 1987 as it held onto second place.

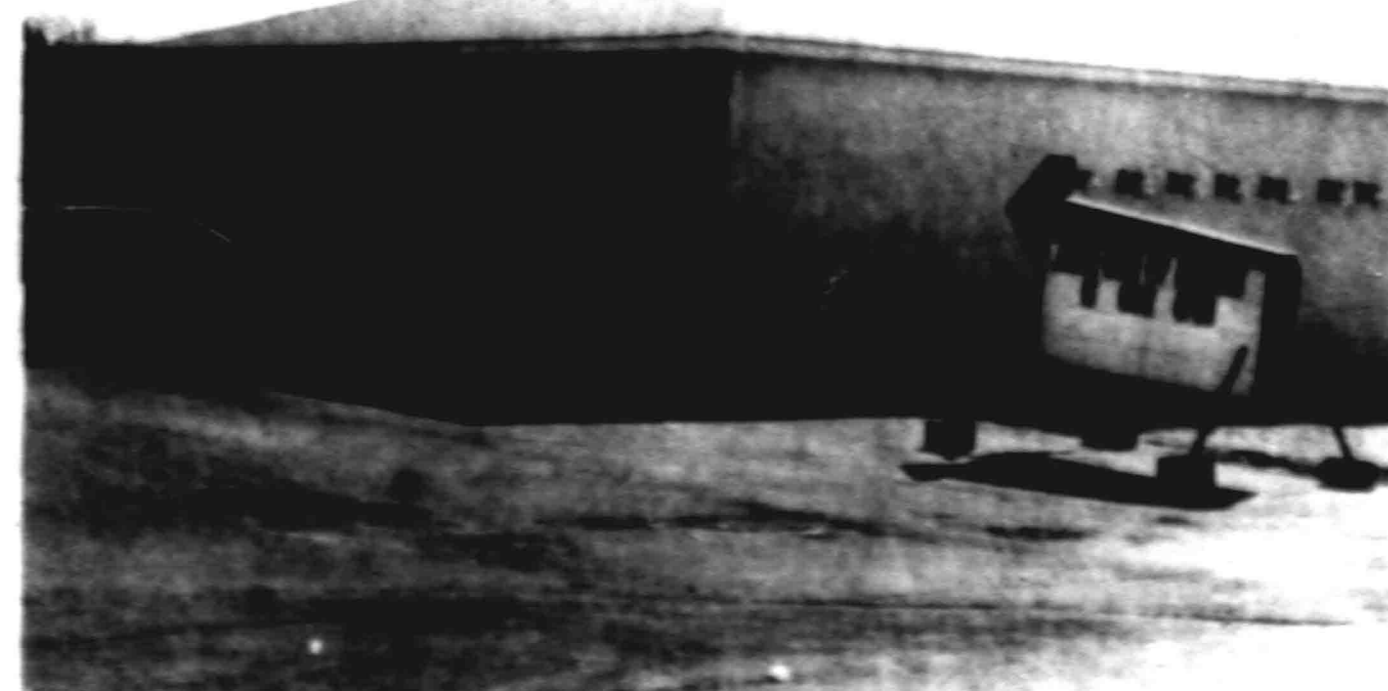

Goodpasture remained first in 1988, with Franklin Road Academy, of Nashville, second, McKenzie third, and Fayette Academy fourth.

Other finalists, out of eight chosen from the afternoon performance of 20, were Huntingdon, Mount Pleasant and Fairview.

County Water System Aided By Grant, Loan

U.S. Rep. Ed Jones reports a \$146,000 grant and a \$146,000 loan (for 38 years at 6.375%) from the Farmers Home Administration to improve the county water system's treatment plant and extend lines to 70 additional customers.

Doesn't Lauderdale County Deserve Representation In The State Senate Too.

This is the stationery of the incumbent senator for District 32. Since 1983, District 32 has included not only Shelby County but also Tipton and Lauderdale Counties. Why then does Leonard Dunavant still list his constituency as the 32nd Senatorial District of Shelby County? Jeff Bloomfield believes that all of District 32 needs representation. He has the energy and vision to stand up for the entire district. He's committed to spending the time in Lauderdale County to properly represent you in Nashville. He will hold town meetings to hear your needs and concerns first hand.

So when you go to the polls on November 8, ask yourself, "Except for campaign times, when was the last time you saw Leonard Dunavant in Lauderdale County?" Then vote for Jeff Bloomfield.

Jim Sasser of Tennessee

THE CLEAR CHOICE ON NOV. 8

• SERVICE
Jim Sasser has the best voting attendance record of any Tennessee Senator since they began keeping records. And he comes home virtually every weekend, holding public meetings, listening to Tennesseans, responding to our views and concerns.

• SENIORITY
Jim Sasser has twelve years of experience in the United States Senate. He is chairman of three important subcommittees and is in line to become chairman of the powerful Senate Budget Committee, the first Tennessee chairman of a major committee in more than 40 years.

• STRENGTH
Jim Sasser has earned a reputation as one tough senator for Tennessee. From stopping nuclear waste from being dumped in Tennessee's backyard to fighting the war on drugs and preserving social security for our seniors, Jim Sasser has been there, standing up for Tennesseans, working for all of us.

If Jesus came to your house to spend a day or two...
If He came unexpectedly, I wonder what you'd do.
Oh, I know you'd give your nicest room to such an honored guest.
And all the food you'd serve to Him would be the very best.
And you would keep assuring Him you're glad to have Him there...
But...when you saw Him coming, would you meet Him at the door?
With arms outstretched in welcome to our heavenly visitor?
Or would you maybe change your clothes before you let Him in?
Or hide some magazines and put the Bible where they'd been?
Would you turn off the radio and hope He hadn't heard?
And wish you hadn't uttered that last, loud and hasty word?
Would you hide your worldly music and put some hymn book out?
Could you let Jesus walk right in, or would you rush about?
And I wonder...if the Savior spent a day or two with you,
Would you go right on doing the things you always do?
Would you go right on saying the things you always say?
Would life for you continue as it does from day to day?
Would your family conversation keep up its usual pace?
And would you find it hard each meal to say a table grace?
Would you sing the songs you always sing and read the book you read?
And let Him know the things on which your mind and spirit feed?
Would you take Jesus with you everywhere you'd planned to go,
Or would you, maybe, change your plans for just a day or so?
Would you be glad to have Him meet your very closest friends?
Or would you hope they'd stay away until His visit ends?
Would you sigh with great relief when He at last was gone?
It might be interesting to know the things that you would do.
If Jesus came in person to spend some time with you.

During the last 10 years I have observed many different people visiting our communities of Lauderdale County. People who served our country at the Halls Air Base, politicians who came seeking our votes, friends and relatives coming back home, all of these visitors were welcomed as they should have been but I feel the greatest need for our community is a special visit from God's only Son, Jesus Christ.

As we learn from the past, when He comes into a community things happened that we need to happen in our county today!

Lives were changed as in Mark 10:46 where a blind man begging was given sight by faith in Jesus that changed all of his life. In Luke 17:12 lepers were healed

and became completely different. In John 5: 5,9 where a man sick for 38 years sought healing from the pools of Bethesda found healing and a new life from Jesus. In Mark 5 where man whose mind was filled with demons and satanic powers was cleansed, cured and changed. In John 8 where a woman caught in adultery condemned by her community heard the beautiful words of Jesus "go and sin no more" her life changed.

Today we have minds being warped with false teachings concerning God creating the earth and man as recorded in Gen. 5:5.

Today we have young and old being destroyed by drugs which includes beer, wine and hard liquors.

Today we fail to recognize the

worship of satan and even lead our children in observance of his holiday.

Today God's rightful place of first in our lives, homes, schools, communities, state and our nation has been overcome by selfishness, envy, greed, malice and materialistic jealousy.

Lives can be changed today as in the past if we but invite Jesus to visit our community bringing the new life experience we all need!

We must "SAY NO TO DRUGS" or lose our minds!
We must "SAY YES TO JESUS" or lose our souls!
May God bless and lead you always in our prayer in the name of Jesus.

Bro. Roy

Class of 1943

HALLS HIGH SCHOOL CLASS OF 1943 met Sept. 17th in the Golden Hawaii Restaurant in Ripley. Attending were, from left, in front row, Mrs. Dezzie Mae Morris Clark, teacher, of Ripley; Ann Pennington Lazure, of Halls; Lois Brantley Gamble, of Gates; Kathleen London Littles, of Memphis; Marguerite Marchbanks Chipman, of Memphis; Dorothy Leonard Ludwig, of Mesa, Ariz.; Alice Kimbrough Williams, of Richmond, Ariz.; and Jean Hurt Hansford, of Halls; in second

row, Charles Viar, of Halls; Buddy Escue, of Ripley; Charles Moore, of Halls; Nita Walker Steelman, of Halls; Christine Ball Johnson, of Oklahoma City, Okla.; Dorothy Dunn Carr, of Columbia, Miss.; John Talley, of Dyersburg; and Dick Lazure, of Halls; rear, Neil Dyer, of Halls; Wymond Moore, of Halls; Bernard Rainey, of Memphis; Billy Coffman, of Memphis; Buddy Thurmond, of Gates; and Billy Cherry, of Baton Rouge, La.

(Continued From Front Page)

Present from the Class of 1925 was H. L. (Leland) Mitchell. Mr. Mitchell had a folder that contained most of the information about what he has been doing with his life for the past 63 years. He has written two books on his experiences as one of 18 founders of the Southern Tenant Farmers Union in 1934. He now makes his home in Montgomery, Ala., and is much in demand for lectures and writing for the STFU archives.

Of one of his books, *Mean Things Happening In This Land*, Arthur Schlesinger, Jr. wrote "In this marvelous gritty autobiography, H. L. Mitchell brings to life the heroic struggle in New Deal Days of southern tenant farmers, black and white, to win a decent chance for themselves and their children. Mean Things Happening In This Land is a notable American memoir."

He is still a very active person, dedicated to his cause, and a delight to spend time with.

Also from the class of '25, I had the pleasure of meeting Mrs. Nell Spence McCord. Mrs. McCord makes her home in Nashville, and is the widow of

Jim Nance McCord, Governor of Tennessee from 1945-1949. She is visiting with her first cousin, Mary Alsbrook, and her husband, Charles, while she is here to attend the re-union. She had brought with her a Friendship Book that all her classmates had signed when she was attending HHS. It is a very special possession, and having been vice-president of the school newspaper, "The Harbinger", she has very fond memories of her schooldays. After Governor McCord's death in 1968, she has very much enjoyed her flowers and yardwork at her home in Nashville. Again, a very charming lady, and an honor to get to know her in such a short time.

Elaine Hurt Byrne, Class of 1922, was showing an invitation that the Halls High School Class of 1923 had sent to their family and friends. She had kept it out of her mother's belongings, and it was in excellent shape as I saw her show it to Jere Jordan.

Anita Howell Carrington, of Memphis, had brought two of her brothers to the re-union. Harold Howell and his wife, Clara, of Alexandria, La., and George Howell, of Little Rock.

Ark. Harold Howell was warmly greeted by Mary Frances Hurt Chaney, and they reminisced about his days as a football star at HHS.

As far as I could learn, Katherine and Beauchamp Lunsford had traveled the farthest to be present for this re-union. They make their home in El Cajon, Calif. Beauchamp is a 1934 graduate and Katherine was originally from Ramer. After he had chopped cotton and hauled hay after high school graduation, Mr. Lunsford had made the big move to greener pastures in California. Upon hearing that there was a Tennessee girl in the area, he soon started dating Katherine, and after their marriage they remained in California. They will be staying with friends and relatives in the area until after Thanksgiving, and look forward to having a wonderful visit "back home."

J. B. Ellis, a member of the Class of 1930, now makes his home in Knoxville. An outstanding football player at HHS, Mr. Ellis went on to attend the University of Tennessee in Knoxville from 1931 to 1933. This was during the Bob Neyland era (for

University, he created the College of Lifelong Learning at Wayne State. This is an adult education school that enables older adults to earn their bachelor's degree. His wife, Mary, was unable to attend with him because she is in Houston, Tex. with their first grandchild, Thomas Adam Meek, and his mom, their only child, Aprille, and her husband.

Mr. Jordan was certainly not alone and without family representation, because two of his sisters (both HHS graduates) were with him. They were Mrs. Loretta Atkinson, of Halls, and Mrs. Alene Braese, of Dyersburg. Also a HHS graduate and attending with Mr. Jordan, was his sister-in-law, Mrs. Josephine Adams Jordan, of Olathe, Kans. She

was the wife of the late Prichard Jordan, of Halls.

Thank you one and all at Halls High—it was a wonderful way to spend a Saturday afternoon. Again, please remember that I could not possibly mention all the wonderful people that I met that day. But also remember that each of you made my day in a very special and lasting way. I did feel out of place—but that was only due to the fact that I had not been fortunate enough to have spent those early years with you and experience all the joyful and happy days with you and your friends, teachers, principals and coaches. I know in my heart what you must have been feeling Saturday, and I am jealous!

BEECHEM LUNSFORD, member of Class of 1934, and his wife, Katherine, came from El Cajon, Calif. to attend the HHS re-union.

Bush Carries County, Dems Suffer Erosion

By 12 votes, Republican George Bush took Lauderdale County with him Tuesday on his trip to the White House, 3,308 to 3,296.

Republicans also won about one in four votes in this once Democratic strong-hold for the U.S. Senate seat easily recaptured by Democrat Jim Sasser, over Bill Anderson, and for the U.S. House seat easily won by John Tanner, Democrat of Union City, over Ed Bryant.

Incumbent State Sen. Leonard Dunavant, a Republican, lost the county to Democrat Jeff Bloomfield, 3,931-2,422, but got about two of three votes in his district to coast to re-election.

PATRICK MURCHISON, 17, son of Charles A. Murchison, of Marietta, Ga., and Mrs. Tom Grant, of Miami, Fla., and grandson of the Henry Murchisons, of Halls, a senior in Miami, Fla., Sunset Senior High School—has accepted an invitation to join 130 other nationally recognized junior golfers in the 1988-89 World Series of Junior Golf Tour, from November, 1988 through February, 1989.

Places were earned through qualifying events held throughout the U.S. this summer.

The first event will be in Phoenix, Ariz., with events following in Charleston, S.C., Nov. 17-19th, and Houston, Tex. The remaining four events will be at other prestigious golf resorts in California and Florida.

Patrick is captain of his school's varsity golf team. He was elected the team's most valuable player in 1988 and won the sunset Knight Award. He was named to the second team of the *Miami News* 1988 All-County Golf Team and third team of the *Miami Herald* 1988 All-Dade Golf Team. He has been a member of the Dade Amateur Golf Association since 1982 and was elected a member of the American Junior Golf Association in 1988.

He is a member of his school's Chorus, a participant in the Domestic Student Exchange Program, and a choice for *Who's Who Among American High School Students* for the past two years.

For a booth (\$10), see Jo Anne Jones or call 836-9065. For other information, call Rita Hartman, 836-7515 work, 836-5557 home.

The band's fruit sale ends Nov. 21st (for large or small boxes of Hamlin oranges, \$9/\$5; navel oranges, \$18/\$10; tangeloes, \$16/\$9; grapefruit, \$14/\$8).

Contact any band member or call the band room, 836-7691.

D-F NEAR GOAL

The county's Drug-Free Alliance is near its \$5,000 goal to match state funds to provide county classrooms with a *Here's Looking At You, 2000* curriculum.

Santa's Workshop For Home-Makers

Everyone is invited to "Santa's Workshop" Wednesday of next week in Northeast Community Center in Ripley.

At 9 a.m., Baptist Hospital Lauderdale will conduct cholesterol tests and breast self-examinations (do not eat, or eat lightly), and the county Health Unit will test blood pressures.

Betty Greer, of Tenn. State University, will discuss dieting. Eugenia Jetton, home economist with Gibson County Electric Co-Operative, based in Trenton, will provide healthful holiday meal ideas.

Exhibits will include low-fat foods, clothing, and holiday decorations.

After lunch, at 1:30 p.m., Edie Smith, of the Singer Sewing Center in Dyersburg, will give an hour's demonstration of holiday sewing.

CONFIDENTIAL CORNER
By Henry Murchison

PAUL EATON, of Halls, has donated to the Halls Public Library a volume of all issues of the *Stars and Stripes* newspaper published for U.S. forces in France during World War I.

The volume belonged to his grandfather, Frank Eaton, who served in that war.

Paul, a Navy veteran, served five years in the Army and has been in the Coast Guard since 1963.

He is in the 52nd Tenn. Confederate Infantry Regiment Re-Enactment Unit.

His great-great-grandfather was a Confederate soldier.

Back To Hospital

This probably will be the last column that we will write for several weeks. We have known since our original stay in the hospital last September that we would require surgery after treatment.

I entered St. Francis Hospital in Memphis Monday with additional tests and surgery scheduled. No definite date has as yet been set for the surgery.

My stay in the hospital should not be very long but recovery time may be lengthy.

We're Very Proud

Elsewhere in this issue of *The Halls Graphic* is a picture and story about our grandson, Patrick, son of Chuck, and his invitation to participate in the World Series of Junior Golf Tour. In addition to his golf ability, Patrick is a top student with high grades in Sunset High School in Miami, Fla., the largest high school in Miami.

Chuck and Lisa plan to attend the tournament to be played at Charleston, S.C. Nov. 17-19th. We suspect that if it were not for my surgery Nell and I would also be there.

Open House For Couple

Open House for Mr. and Mrs. Barry Mayo, who have moved into the former Bernard Mayo home in the Lebanon community, will be held from 2 until 4 p.m. Sunday in the home, all friends invited.

Crime Stoppers Offers Reward

Crime Stoppers of Lauderdale County offers up to \$1,000 cash reward for a conviction in a burglary and arson of Gates City Hall about 11:30 p.m. Oct. 4th.

All information is confidential, and your identity need not be revealed. Call 635-4411.

Sick & Ailing

Florence Jackson was dismissed Saturday from St. Francis Hospital in Memphis after a complete knee replacement.

Henry Murchison is in St. Francis Hospital in Memphis for surgery.

Leonard Andrews returned home Tuesday of last week after treatment in Dyersburg Methodist Hospital.

Yule Parade State School In Henning Boards Meet

Henning's Christmas parade has been scheduled for 7 p.m. Dec. 5th.

Awards will be presented to first, second, and third place winners in the float and antique car divisions.

Information from 738-5055 or 738-9111.

Carol Walker, chairman of the Lauderdale County Board of Education, will be a moderator for the session, "Communicating With Your Staff, Students, and Community" at 8 a.m. Nov. 15th in the annual convention of the Tennessee School Boards Association in the Stouffer Hotel in Nashville.

Others attending the convention are Bobby Webb, superintendent, and Board of Education members J. A. Dunaway, Seal Elder, Bob Ennis, Sarah Harrell, Mary Ann Jarrett, Richard Lazure, Abe Taylor, and Glardes Thomas.

His First Deer

CLINT HENDREN, 12, son of the Thomas Hendrens, of Halls, killed his first deer at Land between the Lakes, near Dover, Oct. 29th. The spiked buck field-dressed at 90 pounds.

Homemaking Trends
 A food processor really is a versatile machine. According to home economists from KitchenAid, "The more you use it, the more ways you'll find to make it work for you. With experience, you'll be able to adapt and prepare time-consuming recipes quickly and easily." Here are some tips to help you get the most from your food processor:

- Process fruits, vegetables, soft and medium-hard cheeses at refrigerator temperature and hard cheeses such as Parmesan and Romano at room temperature.
- When preparing dips or spreads, process firmer ingredients such as cold butter or cream cheese first with a knife blade until smooth; then add softer ingredients such as mayonnaise, sour cream and seasonings and process together.
- Chop sticky foods such as raisins, dates or candied fruits, chill well before processing. Add 1/2 cup flour per one cup fruit to bowl. Process with short pulses to desired consistency.

America's Schools Invest In Your Future

By Bobby Webb, School Superintendent

From the time I started to school in Lauderdale County in 1953, a lot has changed that has necessitated some drastic changes and increases in the responsibilities of our schools and teachers. When I attended school, my father worked every day, my mother kept house and my relatives lived nearby. My entire family was at home practically every evening at mealtime. We took one family vacation each year and attended church regularly as a family. This is not a typical home environment for the majority of children today. In most of today's households, both parents work while the children are in school and preschool children are at a day care center. When school is out in the afternoon, kids go home to an empty house or spend the afternoon with a friend or relative until their parents come home from work. An increasing number of typical children today are not even fortunate enough to live in this "modern household environment". Today, one child in six lives with only one parent, while one child in ten does not live with either parent.

Needless to say, many children lack enough encouragement from home to do well in school or to even stay in school. Today in Tennessee, one out of every three children who make it to the 9th grade will not graduate from high school. Each year, close to 800,000 students drop out of school with little or very limited reading skills. It is conservatively estimated that there are at least 30 million functionally illiterate adults in the United States. One million adults who are 25 or older do not have a high school diploma and half of these didn't finish the 8th grade. Tennessee children who drop out of school constitute:

- 62% of the state's prison inmates
 - 23% of teenage pregnancies
 - 66% of individuals on public assistance programs.
- Illiteracy and poverty go hand in hand. From a strictly economic standpoint, it is a fact that for every one dollar invested in early childhood education, the return is \$4.75 because of lower costs of special education, public assistance, and crime.

In the past, our economy could absorb large numbers of poorly educated laborers. Children who dropped out of school could get jobs. In the 1950's less than one-half of the labor force was made up of high school graduates. Today, jobs for the unskilled or undereducated are extremely hard to find and this lack of education almost certainly keeps the person on a low pay scale for his or her entire life. This, of course, means that these people find it very difficult or impossible to own a home and pay little or no taxes.

Public education has undergone many changes in the past 30 years in an effort to provide students with the knowledge they need to compete in today's technical world, and also to help students learn how to live in our complex society. In recent years, our schools have provided more and more special needs classes, remedial instruction, enrichment courses, and guidance services. The teachers in Lauderdale County and I plan to do everything we can to see to it that our children have every opportunity to reach their full potential. We intend to provide every program and resource we can that will help our children learn and succeed, regardless of their I.Q. or home environment. Our goal is to help them be all that they can be. Our teachers, principals, supervisors, and school board members are dedicated to do all that we possibly can, but contrary to what some people believe, schools alone can not take a child from the home and single handedly mold them into intelligent, law abiding, productive citizens. It has become crucial today that our parents, businesses, industries, and local governmental agencies become more involved in public education. It is very important that our entire community is made to realize the social and economic impact of public education. We want everyone in Lauderdale County to know what we are doing in our schools, why it is so important to our children and our community, and that to be successful, we need local resources—both moral and financial. We need all of our citizens to be strong advocates of education on national, state, and local levels.

Education is definitely everybody's business. If our schools fail, our communities will fail. One of the major factors in attracting new industry is how outsiders perceive our schools to be. Two weeks ago, our State Commissioner of Economic and Community Development, C. Myrnon, told me that when the Nissan plant in Smyrna opened, the Japanese planned to use high school graduates for certain positions in their plant. They found out that they actually needed our college graduates for these positions. In Japan, their high school graduates were capable of doing many jobs that require college graduates in the United States. If we fail to place quality education at the very top of our priority list and fail to place it there now, our future economy is in great danger. In Lauderdale County the challenge is clear and the future of our community is at stake. In today's highly competitive job market, quality public education is not a frill—it is a necessity.

From a personal point of view, I want our schools to be outstanding because quality education means a better quality of life for your children and mine. From a purely economic standpoint, quality schools mean higher earnings for our citizens and economic growth for Lauderdale County.

Grace Bible Baptist Church is a fellowship of believers in Jesus Christ with a mission beginning in Lauderdale County and reaching into all the world. —Acts 1:8

We believe that the Bible is inspired of God and without error. It is the final authority and standard of faith and practice for all Christians. Having seen God's use of and blessing upon the authorized version it is the only one we use.

We believe in the necessity of the new birth. —John 3:7. Without the new birth all men are condemned. —Roman 6:23, and the only way to be born again is by faith in the death, burial and resurrection of Jesus Christ. —1 Cor. 15: 3,4; Rom. 10:9.

Salvation, which is offered free to all who will have it, comes by the new birth. —Eph. 2: 8, 9. It is a matter of faith which comes by hearing the word of God. —Rom. 10:17.

The new birth opens up a whole new life with our eternal problem solved and for our daily problems we have God the problem solver on our side as well as the fellowship of the church to give us strength.

It is our desire to be of help to all in need of the grace of God and to teach young believers so that they will be able to face all hard place of life.

Being saved by God's grace brings peace to the heart and

mind of the individual and happiness that is beyond explanation.

It is our desire to serve the people of this area in any way we can. Come out and visit in our services or call us at any time. You are always welcome at Grace.

We appreciate the Halls Graphic giving the opportunity for us to tell the community about our church. Please know that our desire is to see to the spiritual needs of all who come to us.

Thank you again.
Bro. Stowers

Hot-Line Planners

HOME-WORK HOT-LINE plans were laid Thursday of last week by, from left, Sandra (Mrs. Tommy) Holman, representing The Lauderdale County Enterprise and The Halls Graphic; Bobby Webb, county school superintendent; Carolyn (Mrs. J.B.) Ammons, county co-ordinator of the program; George Frick, Shelby County co-ordinator, and Ruth Owen, a Shelby County worker. Not pictured is Ben Edwards, of the Pepsi-Dr. Pepper Bottling Co., of Dyersburg, a major sponsor of the program.

Home-Work Hot-Line Aids County Students

The Lauderdale County Enterprise, The Halls Graphic, and the Dr. Pepper Bottling Co., of Dyersburg, are paying all costs of a Home-Work Hot-Line (635-2642 or 836-9651, 6-9 p.m. Mondays through Thursdays on school days), beginning Nov. 28th. George Frick, co-ordinator of the Home-Work Hot-Line in Memphis, met Wednesday of last week in the Golden Hawaii Restaurant in Ripley to train 23 Career Ladder teachers who will man the Hot-Line. They have volunteered part of their extended contract time (without additional salary expense) to advise students having trouble with home-work (but not do it for them). Carolyn (Mrs. J. B.) Ammons is co-ordinating the program.

Loretta Lynn's Ranch

HURRICANE MILLS, Tenn. When country music star Loretta Lynn went house-hunting back in 1967, she and her husband, Mooney, ended up buying more than just a house and farm. They also acquired an old mill and a small town which now serve as a focal point for the thriving Loretta Lynn Ranch some 70 miles west of Nashville.

"We really didn't know the town came with the place when we bought it," the country music star explains with an uninhibited laugh. "We were just out riding around one Sunday afternoon. I had always wanted an old haunted-looking house. We drove by this place and I said, 'That's the place I'm going to buy.' We didn't even know if it was for sale, and I sure didn't know that a town came with it, but since it did, I took it. We really didn't intend to open it to the public either, but I figured why not? I love people, and I love to have them come to my place."

What began as a simple campground in 1975 has been expanded over the years to include a variety of attractions, activities and special events which draw thousands of visitors to the ranch every year.

Loretta Lynn's personal museum, which now occupies much of the old mill, is one of the major attractions for most visitors to the ranch. It is a remarkable collection of memorabilia and very much a reflection of the remarkable lady who organized it.

"There's a little bit of everything in the museum," Loretta says. "There's every award I've won since I've been in country music, the skirt I wore the first time I went to try out as a singer with a little band in the state of Washington, my first letter to Doc (Mooney Lynn) to the rest of the world after I went on tour the first time I wore the first time I was on the Grand Ole Opry. Doc didn't know I was keeping all of this stuff."

Each item in the museum is accompanied by an explanatory card in Loretta's own handwriting, many of them detailing the item's personal significance to her.

There are stage costumes and artifacts donated by many of her contemporaries in the country music world; scripts from her television appearances with such stars as Frank Sinatra, Dean Martin, Johnny Cash, Mac Davis—even one memorable appearance on the Muppet Show with Kermit the Frog and Miss Piggy. There are personal notes and letters from former presidents Gerald Ford and Jimmy Carter, vice-president George Bush, former first lady Pat Nixon, and such celebrities as Frank Sinatra.

There are also mementoes from Loretta Lynn's early years as a coal miner's daughter from Butcher Hollow, Kentucky, struggling to make a name for herself as a country music singer—a story well documented in the motion picture by that name which won an Oscar for actress Sissy Spacek.

"I don't think I have ever been so proud as the night Sissy won the Academy Award for *The Coal Miner's Daughter*," Loretta says. "Some of the movie was filmed right here on the ranch, you know, and people like to see the places that were in the film."

Appropriately, one of the ranch's attractions is a replica of the coal mine much like the one where Loretta's father once worked.

"Most people have never seen a coal mine," explains ranch manager Alan Brutto. "We've tried to make it as authentic as possible. The old coal cars, for example, were once really used in the mines, and the coal you see actually came from the mines in Kentucky where she grew up."

There are also a number of photographs of those mines and the people who worked in them, and there is a collection of authentic mining tools, including some antique equipment once used by coal miners.

Another highlight for many visitors to the ranch is the country music star's house, a huge, two-story antebellum plantation mansion which really is haunted according to the guides who lead the daily tours of the ground floor rooms.

The framed covers of her many record albums line the walls of the stairway to the upstairs rooms

which are not included on the tours.

"We show the visitors the kitchen, the living room, family room, and what was originally the master bedroom," Brutto says. "The old wood-burning stove in the kitchen was used in the movie *The Coal Miner's Daughter*. The producers gave it to Loretta as a souvenir."

Another artifact from the movie is the Golden Eagle Jeep used by Tommy Lee Jones who played Mooney Lynn in the film.

"It was actually Mooney's own jeep," Brutto says. "It is displayed along with a 1976 Cadillac automobile Mooney gave Loretta as a birthday present."

While no admission fee is required to enter the ranch, there is a \$9 ticket charge for tours of the ranch's three major attractions—the house, the museum and coal mine replica.

There are also separate charges for the ranch's camping sites and cabins, and for the variety of recreational activities, including canoe rentals, paddleboats, miniature golf, hayrides, cookouts and live campfire shows.

"We have a dance every Saturday night between Memorial Day and Labor Day," Brutto says. "We also have a number of large special events throughout the year. There are several rodeos each year, for example. In June and September we have trail rides lasting several days. There are two major national motocross events on the ranch each year—the Amateur Nationals in August and the Grand Nationals on Labor Day weekend. There is a Cajun Festival in June, and Loretta also does several live concerts here at the ranch each year."

And what are your chances of getting to meet the country music superstar on a visit to the ranch?

"Pretty good, if she's not off doing a show somewhere," Brutto says. "When she's at home, she likes to come down to the museum to sign autographs and talk to people."

Vows Pledged

MR. AND MRS. BRYAN BROWN are residing at Frog Jump in Crockett County after 7 p.m. vows Aug. 27th in First Assembly of God Church in Ripley, with The Rev. John Barnes officiating before a 15-branch arch candelabrum accented with gladioli, Boston fern, and a white satin bow.

A prayer bench and unity candle were flanked by 14-branch spiral candelabra and baskets of gladioli. White bows marked family pews.

The bride, Lana, was given by her father, Charles W. Taylor, of Frog Jump, in a chapel gown of satin overlaid with lace and net ruffles at the hem; a Queen Anne neckline; a bodice accented with pearls; long lace sleeves; and a train covered with lace and ruffles.

A white satin hat with a bow at one side held her veil. She wore the groom's mother's diamond necklace. She carried a bouquet featuring white and mauve sweetheart roses.

Her sister, Tina (Mrs. Jeff) Thurmond, of Frog Jump, was matron of honor. Cindy (Mrs. Ronnie) Davis, of Frog Jump, was the bride's other attendant. They wore wine satin gowns with Queen Anne necklines, dropped waistlines, and puffed sleeves. Pearl necklaces were gifts of the bride.

They carried cascades of mauve sweetheart roses. The couple honeymooned in Gatlinburg and Knoxville.

The rehearsal dinner was at the church. Showers were hosted by Mrs. Davis and Mrs. Thurmond Aug. 14th in Murray's Chapel United Methodist Church at Frog Jump; by Beth (Mrs. John) Barnes, Mrs. N. C. Goff, and Ruth Pittman,

Editor:

Nov. 13-19th is American Education Week, and public education is not what it used to be—in some ways, "Thank Goodness."

In the past, almost all teachers were female. In some places they were even forbidden to be married. We had racial segregation, no provisions for the handicapped, and few provisions for pre-schoolers. Vocational programs had no real sophistication. They usually consisted of on-the-job training for the drop-out.

Teachers had little paperwork except for student homework. They did have respect and prestige. Discipline was stern and supported by parents. Drugs were not a problem.

How have things changed? Computers are a way of life because human capacity cannot keep up with such a complex society. More children are in school, graduating and going on to college.

Teachers are better trained, they are male, female, black and white. They must have a broad education and frequently more than one area of certification. Teachers no longer have an average student, the gifted and the handicapped. Teachers must still provide leadership in academic instruction, manners, morals and conduct. They must set an example. They must move the student farther in each subject than ever before, because there is more to learn.

So, as you can see, in this complicated and more advanced world of public education schools are definitely not what they used to be. They're better!

tuxedo with tails, had Jeff Fisher, of Memphis, as best man, Sammy Tillman, of Ripley, as groomsman, and Isaac Sorell, of Ripley, as ring bearer.

The bride's mother wore a street-length dress of mauve crepe with sheer sleeves. The groom's mother chose a tea-length dress of off-white silk with Australian lace. Each wore a gardenia corsage.

Bill Kelly, of Memphis, at piano and organ, accompanied Mr. Tillman and Harley Patterson, of Ripley, for music.

The groom's sister, Michelle, of Ripley, kept the register.

Serving in the reception in the fellowship hall were the bride's cousin, Renee (Mrs. Richard) Beard, and Kim Privett, of Frog Jump.

The couple honeymooned in Gatlinburg and Knoxville.

A MESSAGE FROM THE PASTOR:

It is my privilege to be the pastor of a very caring and loving people. Our church is not composed of bricks and wood, but precious that Jesus Christ will continue to receive glory and honor and praise through the ministry of Westside Baptist Church. He has brought us with His precious blood, and He has bonded us together by His Holy Spirit into one family so that we might have fellowship. We invite you to share the love of Jesus Christ at Westside. A warm welcome awaits you!

Stan Anderson

3-FOLD PURPOSE OF OUR CHURCH

- 1. EXALT THE SAVIOUR. Jesus is the Head of our church. He is both the Founder and the Foundation. We make Him the center of our teaching and the object of our devotion.
2. EVANGELIZE THE SINNER. We believe that all men need a Saviour because all men are sinners. The good news of salvation is to be shared with all men everywhere. For that reason, we encourage personal witnessing in our community, and we support missionary work in the United States and abroad. We also give a public invitation at the close of our worship services for people to make spiritual decisions for Christ.
3. EQUIP THE SAINT. Our goal is to help every Christian grow in Biblical wisdom and Christlike character. Through a balanced program of teaching, preaching, prayer, and fellowship we seek to encourage every Christian to be all he can be for the Lord. Our emphasis is on strong Christian families, and therefore, we make something available for all ages ("from tiny to 90").

4-FOLD FOCUS OF OUR CHURCH

- 1. Our FOUNDATION is the Bible, God's Perfect Word
2. Our FAITH is in our Lord and Saviour Jesus Christ
3. Our FELLOWSHIP consists of friendly, caring, and encouraging people
4. Our FUTURE is to have a church that honors Jesus Christ and leads people to have a full and abundant life

The Tommy Dunavants State's Family Of Year

By Mrs. Sandra Holman
 Thanksgiving—a very special time of the year when families gather to share not only a good meal, but the time to share the joy of togetherness. It seems sometimes that this togetherness only comes on holidays, at funerals and weddings, and at other such monumental occasions, but the joy of sharing each others lives is still there, no matter what the occasion.

This Thanksgiving Day will hold even more meaning this year for one Lauderdale County family. Dr. and Mrs. Thomas S. Dunavant and their two sons of Ripley, will have a lot more to celebrate and be grateful for than in years past. They have won the honor of being named "Tennessee State Family of the Year."

The Dunavants traveled to Pigeon Forge last Thursday to receive a plaque which was presented to them by the Tennessee Extension Homemakers Council. It had to have been one of the proudest moments in their lives as they stood with their two sons and accepted an award for having worked so hard to actively participate in and support their home, church, community and Lauderdale County as a whole.

The plaque reads: "American Family Society, Community Award presented to the Tommy Dunavant Family with sincere appreciation for your outstanding contributions as a family to improve your community and to strengthen America. Presented by Tennessee Extension Homemakers Council in cooperation with the American Family Society." The plaque was signed by First Lady Nancy Reagan, and by representatives of the TEHC and the Kroger Company, both sponsors of the award.

The road to this recognition has been long and sometimes a strenuous road to travel. There have been losses of fellow family members who have had a great influence on the Dunavants' lives, and I'm sure there have been many long and tiring days when they have wondered if it was worth it all. This award should reassure them of the importance and significance of all that they have tried to accomplish in their lives.

Tommy and Ann Hutcheson Dunavant were married August 8, 1965, shortly after Ann graduated from Memphis State University with a degree in education, and Tommy graduated from the University of Tennessee College of Pharmacy. They returned to Ripley to start their married lives, with Tommy working at a pharmacy in Dyersburg and Ann teaching at the old Central School for a short time before joining the staff of Dyersburg High School as Health and Physical Education teacher.

Tommy joined the Army in 1966, as a Second Lieutenant in the Medical Services Corps. They spent the first few months in San Antonio, Tex., and spent their first wedding anniversary somewhere on the road to Philadelphia, where they left their car and flew to Germany. They spent part of their service time in Germany, and the remainder in Belgium, and returned home in August, 1969, with Tommy leaving service with the rank of Major.

Tommy is a partner in Mays-Dunavant Pharmacy, Inc. He has served in local government for the past 11 years, serving as a Ripley City Alderman for the past five consecutive terms. As an alderman, he is very active in all that goes on in our city and is not one to sit back and let things happen around him. As chairman of the board of Ripley Power and Light Company for the past eight years, he is largely responsible for RP&L having been named Number One (with 160 power distributors in the Tennessee Valley) Tennessee Valley Authority for the past four years. He was appointed to the Board of Directors of the West Tennessee Industrial Association, which is responsible for the attraction of new industry to our geographical area and in assisting the industry if our area is chosen for this honor.

As alderman, he has been appointed over General Government operations since he was first elected, and again, his devotion to this job has helped to bring the lowest possible power rates to our county.

Tommy has also been very active in the Boy Scouts of America, both locally and in the West Tennessee Area Council, where he now serves as a member of the Board of Directors. He has received the rank of Eagle, with all three Palms, the God and Country Award, and is a Vigil Member of the Order of the Arrow. He has been a past member of the Tennessee 4-H

All-Stars and the Honor Club.

Another outstanding accomplishment in his life has got to be the time he has given hundreds of young men through his help in organizing a young persons fraternity group in Ripley, Sigma Phi Omega Fraternity, Alpha Delta Chapter was organized Sept. 27, 1969, and Tommy has served as Adult/Alumni Advisor Emeritus for 18 years. He has held every national position possible, having served as National Chancellor, Commander (president) for three years. The Dunavant home is always open to these young men, as I witnessed on a recent visit. It was initiation night for the new pledges, and they had gathered at the Dunavant home to have pictures taken. I must say that Ann was very calm and collected as at least 50 young men trooped through her home as if it were their own. His devotion to this group is evidenced by the good work these young men do throughout the community. If you will take note, they are always actively participating in any community drive, or charity activities.

In 1985, Tommy was named "Outstanding Man of the Year" for his service to the community. This award was presented by the Fraternal Order of Police. Tommy also served on the Board of Stewards of the First United Methodist Church; has been Patron of the Order of the Eastern Star, has been Master of the Masonic Lodge, and is an active member of the Scottish Rite and the Ancient and Accepted Order of the Nobles of the Mystic Shrine, and a 32nd Degree Mason.

Tommy's hobbies include both general and model aviation, stamp collecting, electronics, and many other varied and interesting activities. When there has been, and is, so much in his life that I am afraid I will leave something out. And, as a graduate of the Class of 1960 at RHS, I speak for all the other members of that class when I say how very proud of you are, Tommy. I have just given away our age, but to you, I'm sure it doesn't matter since your life is so full and there is so much more to be done.

It will take fewer words to give you Ann's accomplishments, only because the words "wife" and "mother" encompass so much that can not be told in a limited space. We all know the jobs that are involved in being a wife and mother, and to these jobs we will add devoted daughter to an ailing mother, and bookkeeper for her husband's business.

Ann has also been involved with many local organizations, such as the Order of the Eastern Star, for which she has served as Matron, and is presently serving as treasurer. For the Cub Scouts of America, she has served as den leader for several years, cub master for three years, and as their County Commissioner. She has been an active member of the Band Parents Booster Club at Ripley High School for several years, and attends every function and activity with the band, both locally and on the road. In my days as a band mother, I can remember Ann standing right along with the rest of us in the pouring rain, to proudly watch her child give his best performance.

In her church, Ripley First United Methodist, Ann is presently teaching the first through third grades in Sunday School, and is a Steward on the board of the church, where she also serves as youth co-ordinator, and is a member of the Council on Ministries.

A member of the De-Sew Extension Homemakers Club, Ann enjoys needle-work, and has needle-pointed a religious scene chair bottom, both in the church that was destroyed by fire, and in the new sanctuary. She also needle-pointed our county's square for "A Tennessee Heritage Project" that was presented to the University of Tennessee by the Tennessee Extension Homemakers Council. She has helped to quilt for her church, with proceeds from these quilts being used for missionary projects and other special projects of the church.

While at Memphis State, Ann played basketball with fellow student, Mary Lou Johns. Mary Lou is now the coach for the Lady Tigers basketball team at MSU. From high school days, I can remember how good Ann was, so I'm sure she was able to keep up with the best of them. At the present time, she is employed by Mays-Dunavant Pharmacy, Inc., where she is the bookkeeper.

Mike Dunavant is a graduate of Ripley High School and a student at the University of Ten-

From left, Mildred F. Clarke, associate dean of the Tennessee Agricultural Extension Service in Knoxville, Mike, Scotty, Tommy, and Ann Dunavant, and Dean M. Lloyd Downen, of UTAE.

nesses in Knoxville. At RHS, he was a member of the Beta Club, Science Club, French Club and the Ripley High School Marching Band. As a trumpet player, he was co-section leader and trumpet soloist his senior year, and elected "Outstanding Junior". He also made the University of Tennessee at Martin's Honors Band.

Mike has used his musical talent on behalf of the entire community. He played in the Ripley First Baptist Church's Christmas Cantata, and has played numerous times with the choir of the First United Methodist Church. In June, 1988, he went with the church choir to Jackson to perform at the Memphis Annual Conference of the Methodist Church. Another outstanding moment for Mike came when he was asked to play TAPS at a military funeral. This was indeed a honor for a young trumpet player.

As a member of SPO, Mike has served as an officer for two years, named outstanding freshman pledge and member, and contributed his time and energies to many civic projects for his community. As a freshman at the University of Tennessee at Knoxville, he is studying pre-law, and is a proud member of the UT Pride of the South Marching Band. It takes a truly devoted musician to participate in a college band, since so much of your time has got to be spent practicing, marching and attending games away from home. For example, this coming week, he will have only Thanksgiving Day at home since UT has a game that weekend.

Scotty is the second son in the Dunavant family. At the age of 15, he is a freshman at Ripley High School, and in the family tradition, is a member of the RHS Band. He started playing in the high school band when he was only an eighth-grader, and has played the base drums and toms. He is a baseball player, Vacation Bible School worker, and a member of the Methodist Youth Fellowship. An active Boy Scout, he has achieved the rank of Star. He looks forward to working in his father's store, just as Mike did during his school days. When he recited his grade averages to me—let me assure you that I was impressed! A very personable young man and good grades too—what more could a mother ask!

A family that works together and lives together, will face many problems. But, the Dunavants have the advantage of sharing so much more of their lives than most families. When I gave "devoted daughter" as part of my description of Ann, there was a very good reason for this designation. Ann's mother, the late Mrs. Louise Hutcheson, spent the last five years of her life in Tommy and Ann's home. Critically ill, homebound, legally blind, and on oxygen 24 hours a day for a year of her life, the Dunavant family discovered what it means to truly have to pull together.

Mrs. Hutcheson was a wonderful woman who gave of her time and energies to her only child and her family, and in return, they gave to her all the loving care that an aging parent could, and should, receive. From my own personal acquaintance with Mrs. Hutcheson, I know the love she so freely gave to those around her, and I'm sure she realized just how much her illness was affecting her family.

But, I also hope she realized how her illness was drawing the family closer together and giving them a united effort and front by which they greatly benefited. They learned that each must strive to help the other, and that working together, you can and will accomplish much for the dependent member. Sharing, sacrificing and working together became the everyday way of life.

I feel that Ripley and Lauderdale County should be very proud that the Tennessee State Family of the Year selected one of our own from all the entries in the annual competition. We salute Tommy, Ann, Mike and Scotty for this great honor and share their pride of accomplishment.

When we all sit down to our

Thanksgiving feast this year, let us each take a moment to be grateful for all of God's bountiful blessings. He has given us so much—now let us stop and go over what we have given in return. The family unit is said to be fading from existence—I refuse to believe that this will ever come to pass! We must continue to love and support each other through the good times and through the bad times—for the good times will far outweigh the bad. We are all "Families of the Year" when we learn the give and take of lives shared and happiness given.

My love and congratulations to Tommy, Ann, Mike and Scotty. I love you all and Happy Thanksgiving, 1988!

CARD OF THANKS

We want to thank each person who has shown so many acts of kindness during the loss of our mother and sister, Leota Pounds Baker. We say a very special thank you to Bro. Roy Stinson, Crockett County Nursing Home and the staff of Halls Funeral Home for all their comforting words and deeds. All the prayers, visits, flowers, cards and food and so many more acts of love made this time in our lives easier. Your love and concern will not soon be forgotten. God bless each of you.

Home Care Keeps Families Together

National Home Care Week November 27-December 3, 1988 pays tribute to all nurses, therapists, home health aides, physicians, discharge planners, and others who provide patient care in the home.

The theme of the 1988 Home Care Week celebration is "Keeping Families Together". BMH-Lauderdale Home Health Department has helped keep 196 patients at home for their health care needs this past year. Without the assistance of home care, many of these patients would have needed to be in a healthcare facility to receive medical care.

Pictured above is home health nurse Ann Ozment and Home Health patient Mr. Aubrey Langley. Mr. Langley has just recently been discharged from the hospital. Mr. Langley continued to need skilled nursing service for skilled assessment of his response to new medication and also for treatments ordered by his physician. Mr. Langley also needs assistance with his personal care and these are provided by a Home Health Aide. These services are provided in the home, where Mr. Langley is more comfortable and also gets to be with his family. This is just one story. There are many cases where Home Care has kept families together.

Home Care offers a variety of services that allow the patient to stay home and still receive needed medical care by physician order. Baptist Memorial Hospital-Lauderdale Home Health Department is proud to join our fellow members in celebrating the families we kept together in 1988.

GATES CITY HALL nears completion this week in an old supermarket and will contain offices for the mayor, police, city superintendent, and a business area.

Andrew Johnson was the only ex-President to be elected to the United States Senate.

OVER 7.5 inches of rain flooded the Forked Deer River bottoms Sunday and Lake Lauderdale. Some wine will spoil if exposed to light, hence tipped bottles.

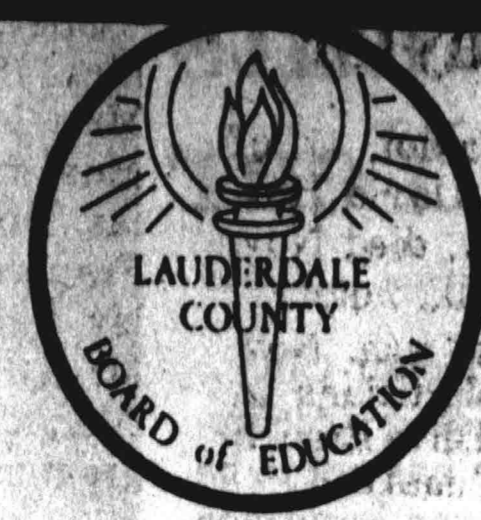

KATE EWELL was presented gifts for winning a contest in naming the school newspaper, News and Views. Halls Elementary Principal Pat Carmack congratulates her.

SCHOOL BUS DISCIPLINE CODE
Lauderdale County Schools

OFFENSE	CONSEQUENCES
1. Violation of Safety Rules	1st-Probation or up to a 5 day suspension from the bus
2. Eating, drinking, littering	2nd-Automatic 5 day suspension from bus
3. Rude, discourteous to others	3rd-Automatic 10 day suspension from bus
4. Excessive mischief	4th-Permanent loss of bus privileges
5. Pushing, tripping or fighting	1st-Automatic 5 day suspension from bus
6. Destruction of school property	2nd-Automatic 10 day suspension from bus
7. Disrespect &/or argumentative behavior toward the bus driver	3rd-Permanent loss of bus privileges
8. Profanity &/or obscene gestures	

*Student and parent are also financially responsible

9. Smoking or the possession of tobacco products or other prohibited drugs will be processed according to Lauderdale County School Discipline Policy.

10. Fighting on the bus will be processed according to the Lauderdale County Discipline Policy and Bus Discipline Code.

ANY OF THE ABOVE CONSEQUENCES WILL BE SUPERCEDED BY THE SEVERITY OF THE OFFENSE. IN OTHER WORDS, EXTREME AND/OR LIFE-THREATENING BEHAVIOR (EG. VIOLATION OF SAFETY RULES) MAY BE GROUNDS FOR PERMANENT LOSS OF BUS PRIVILEGES AS DETERMINED BY THE SCHOOL PRINCIPAL AND REVIEWED BY THE SUPERINTENDENT.

WHEN A STUDENT IS SUSPENDED FROM BUS SERVICE, THE PARENTS ARE RESPONSIBLE FOR THEIR CHILD'S TRANSPORTATION TO AND FROM SCHOOL. STUDENTS MUST BE PICKED UP ON OR BEFORE 3:15 P.M. EACH SCHOOL DAY.

WHEN A STUDENT IS SUSPENDED FOR 5 DAYS OR MORE, PARENT OR GUARDIAN MUST MEET WITH THE PRINCIPAL BEFORE STUDENT IS ALLOWED TO RESUME RIDING THE BUS.

THE MAIN CONCERN OF THE SCHOOL PERSONNEL IS TO PROVIDE SAFE, EFFICIENT TRANSPORTATION TO ALL ELIGIBLE STUDENTS AND NO ONE STUDENT WILL JEOPARDIZE THIS SAFETY.

Above Code was approved at the November 10, 1988 meeting of the Lauderdale County School Board.

STUDENTS-BUS CONDUCT

Acceptable bus conduct is developed by the cooperative efforts of principals, parents, and bus drivers. The principal of the pupil transported will be informed of any serious discipline problems and may be called upon to assist if necessary. Each pupil will be returned to his regular pick-up point at the end of the day. Only upon written request of parents or guardians will exception be made. The suspension of a pupil from riding a school bus shall follow the school bus discipline policy. The bus driver shall report misconduct to the principal by submitting a "Bus Conduct Report." The school principal will investigate and make a decision based upon the School Bus Discipline Code. In all cases, the Parent, Driver, and Transportation Supervisor shall be notified in writing of action taken by the principal. The principal shall notify the parents by sending the "Parent Copy" of the Bus Conduct Report home prior to the suspension being put into effect. Buses are provided as a convenience and privilege for those pupils whose distance from school or whose health make this service essential. Children should be instructed in the following rules of behavior:

1. Pupils must be at designated pick-up stop before the arrival of the bus and shall remain well back from the roadway while awaiting the arrival of the bus. They should refrain from throwing things playing at the bus stop.
2. Pupils shall enter the bus in an orderly fashion and go directly to a seat and remain seated until the destination is reached.
3. Younger pupils should be permitted to enter first.
4. Seats in the rear of the bus should be filled first.
5. Pupils shall keep their hands, arms, and heads inside the bus.
6. There shall be no shouting, roughhousing or throwing things on the bus.
7. All articles such as athletic equipment, books, musical instruments, etc. must be kept out of the aisles.
8. The emergency door must be used for emergency only. Children shall not touch safety equipment on the bus.
9. Pupils who must cross the street at a bus stop shall not do so until they receive a signal from the bus driver. When crossing a street is necessary, it shall always be done in front of the bus far enough ahead of the bus so that the driver may adequately observe them. This means that the child should be able to see the face of the bus driver. The driver shall hold his bus with warning lights flashing until the crossing has been completed.
10. There shall be no smoking at any time on school buses; there will be no eating or drinking on the bus.
11. All directions given by the bus driver are to be followed.
12. The bus driver has the authority to assign seats on his or her bus.
13. If at any time a child's behavior is such that the safety of the students in transport is in jeopardy, the bus driver has the authority to put the disruptive child off the bus. The driver will immediately notify the principal at the first available phone.
14. Observe same conduct rules as outlined in the School Discipline Code.
15. Be courteous, use no profane language.

David, the son of Mr. and Mrs. Wilson Lawrence, of Gates, also was the winner in the 1986 contest. He placed second in the region and fourth in Tennessee in 1986.

The contest is co-sponsored by the Agricultural Extension Service and the Tennessee Wildlife Resources Agency. Four-H Club members who participate in the contest receive a bag of seed from TWRA, which the member sows in an area favorable to wildlife use, then it is observed during the growing season and records kept of wild-

Psalm 23

Because the lord is my shepherd, I have everything I need.

He lets me rest in the meadow grass and leads me beside the quiet streams. He restores my failing health. He helps me do what honors him the most.

Even when walking through the dark valley of death I will not be afraid, for you are close beside me, guarding, guiding all the way.

Yea You provide delicious food for me in the presence of mine enemies. You have welcomed me as your guest, blessings overflow.

Your goodness and unfeeling kindness shall be with me all of my life, and afterwards I will live with you forever in your home.
