### Last Rites Mourn Lawson Chipman

Lawson Chipman, 85, of 136 Church, Ripley, retired contractor and former County Commissioner, died Thursday of last week, after a heart attack at his home.

Services were at 3 p.m. Saturday in First United Methodist Church, of which he was a member, with burial in Mary's Chapel Cemetery, Garner's Ripley Funeral Home in charge.

In his work and in his public service, he earned a solid reputation for expertise plus honesty.

He was born at Ripley, July 22, '1910, son of the late Fletcher and Margaret Drumwright Chipman.

He leaves his wife, Effie Mae Casey Chipman; a son, Billy, and a brother, Tommy, of Ripley; a daughter, Sandra Bratcher, of Bolivar; and four grandchildren.

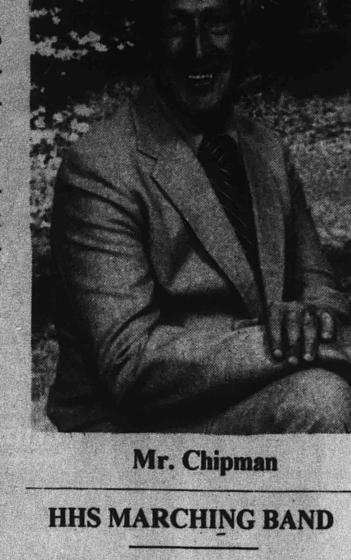

Mr. Chipman worked for Volz Construction Company for approximately six years, J. L. Construction, ten years, and Allen Hoshall Engineering Company for five years, returning to Ripley a start a construction company of his own.

He served as inspector of the Lauderdale County School System on the Lauderdale Middle School.

He was a veteran of World War II, serving in the Army Air Force. He served 22 years as a county commissioner, the last four years as Chairman of the Budget Committee. He was a member of the Ripley First United Methodist Church.

### C. N. Armour Passes At 101

Carnell N. Armour, 101, of 12138 Hwy. 51 North, Halls, highway and street builder since 1934, extensive land-owner in several West Tennessee counties, and a Lauderdale County banker, died Sunday in his home, after a stroke.

Services were at 2 p.m. Monday in First Baptist Church in Halls, with burial in Ripley Memorial Gardens, Halls Funeral Home in charge.

He was born at Bethel Springs, May 29, 1894; son of the late Hamilton and Etta Frances Hatch Armour.

He had served on the County Court (now Commission) and was founder and chairman of The Lauderdale County Bank.

Formerly a deacon in Grace Baptist Church, he was a member of the Tennessee Road Builders Association.

He was the widower of Mattie Webb Armour.

He leaves his daughter, Gladys (Mrs. Bernice) Crain; a step-son, Joe Marley Crihfield, of Edith; four grandchildren; 12 great-grandchildren; and great-grandchildren.

### Ripley At Wooddale For Play-Off Debut

Ripley High School's Tigers again meet Wooddale, in Halle Stadium, in Memphis, in the first round of Class 4A state play-offs.

As expected, Ripley led Covington, 24-9, last week to win third place in Region 7-4A, 3-2, and meet Wooddale instead of Memphis Westwood.

(Westwood, whose potent passing attack led Memphis Craigmont last week, 35-22, went into that game ranked second in the state in 4A, by Murphy Fair's Prep Football Weekly.)

As not expected, dark horse Bolton blanked Dyersburg, 23-0, to take fourth place. 2-3, in the region and thus, as winner over Dyersburg, also 2-3, the region's remaining play-off spot.

Fayette-Ware, of Somerville, led Collierville, 14-7, to rank first in the region, at 4-1. The Dragons, 4-1, as losers, sank to second.

Dyersburg closed fifth, win-less Covington last.

Bolton's Wildcats held Dyersburg on the three, in the last 30 seconds of the first half, as they won their third consecutive game to make the play-offs for the first time since 1986.

In the first round of the state play-offs, F-W hosts Memphis Overton; Collierville is hosting Memphis University School; and Bolton plays Westwood.

### **Chargers Never Ahead**

Ripley led Covington all the way, 7-3, 14-3, and 24-9, in the first three periods, respectively.

First downs were 17-4; yards

rushing, 227 to 139.

Ripley's Orlando Qualls posted a TD from the five, and Brantley Tillman one from the eight, with Bill Sinis kicking, for the half-time lead.

In the third period, Keno Anderson hit Eric Brent for 35 yards and a Charger score.

Tillman answered with a 48yard scoring toss to Bydrick Wilson.

To close the scoring, Sinis answered John Haley's 36-yard field goal for Covington, in the first period, with a 42-yarder in the third.

It was a record 26th consecutive encounter for Covington.

The "Hatchie River Championship" tally now stands at Ripley, 14, Covington 12.

### **Wooddale Scores Swing**

Wooddale is 6-4 this fall and 5-2 in 8-team Region 8-4A, in which it holds second place.

Cardinal scores have run hot and cold this year: either narrow games or wide margins.

Wooddale edged Kirby 14-13, and won from Memphis University School, 14-12, in over-time.

It lost to Olive Branch, Miss., 24-22, to Memphis Central, 29-28, and to Memphis Overton, 17-14.

But it led Memphis Craigmont, 30-0, Memphis East, 42-0, Memphis Westwood 47-14, Memphis North Side 38-22, and, last week. Memphis South Side, 60-30.

Ripley lost to Wooddale last fall in the first round of the play-offs. Tigers hope to win the re-match.

### Middleton Win Evens Halls 5-5

Middleton led the Halls High School Tigers 36-7 Friday to post its first win in Region 7-2A and close the HHS year 5-5.

Halls closed the year sixth in the 8-team Region 7-2A, 2-5, behind Union City and Westview, 6-1, Huntingdon, 5-2, Trenton, 4-3, and Camden, 3-4.

Despite defeat of Halls, Middleton shares the region cellar with McKenzie, 1-6.

## Land Mine In Attic Smalley Honored For Veterans Aid

MRS. MARGARET BROGLIN found a 1915-1917 foreign-made land mine in the attic of her home at 121 Hall Street in Halls Sunday.

Officers of the Halls Police Department were called to investigate. Two units of the bomb squad at Ft. Campbell, were brought in. The mine was taken to a field at the edge of town to defuse. No explosives were found.

Dr. Y. Spence Brown, World War I veteran, and his wife, Helen, lived in this house in 1942-1944. Mrs. Brown once served as city recorder in Halls.

### Three Christmas Parades Planned

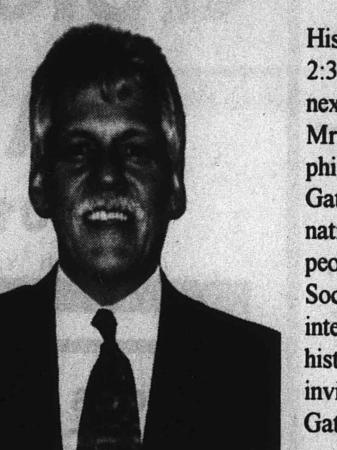

Halls has set its Christmas parade Tuesday, Nov. 28th. Information from Roger Charest (836-7515 or -7997), Martha Crites (836-5987), Shea Harris (836-5000), or Angie Terry (836-7342).

The Chamber of Commerce and Ripley Exchange Club have set Ripley's parade for Nov. 30th--"Christmas Yesterday. Today, And Tomorrow." Information from 635-9541.

The Chamber will give any float entered in any of the county's three parades \$50 to help meet expenses.

### SEEK MISS CHRISTMAS

Halls High School will hold a Miss Merry Christmas pageant at 7 p.m. this Friday, Nov. 10th, in the Junior High School auditorium.

### Pharmacy Topics

Two studies of hormone replacement therapy after menopause have come up with contradictory results. A Harvard study reports an increased risk of breast cancer-though not as great as the predicted drop in heart attack deaths if estrogen is taken.

Another study at the University of Washington found no such link--in fact, it found a lower risk of breast cancer. (For all women after menopause, there is a 30percent chance of developing breast cancer vs. a 31percent chance of developing heart disease.)

Cigarette smoking not only damages the lungs, it seems to encourage cancer by causing mutation in the p53 gene that's supposed to slow cell division. Scientists at Johns Hopkins say the combination of smoking and drinking is even worse.

New computer-assisted tomography enables doctors to view the inside of the colon without a colonoscope. Spiral CT spins around the patient, taking 400 to 500 pictures in about 30 seconds.

Dear Friends of Halls Community, Again, as so many times in the past, you have demonstrated your warmth, your love, and caring for those who have migrated to other areas of the country, but whose hearts remain in your midst. Nothing replaces the "hometown spirit". And that caring spirit was very much in evidence recently when we brought the body of our dear beloved mother, Floy Blackwell, back to be buried by her husband, Tommy Blackwell, who preceded her in death in 1969.

acknowledges all the beautiful flowers, donations to various organizations in Mom's memory, the condolences (both personal and in writing), your presence either at the viewing of the body or the funeral (or both), and your many prayers. Many of you were at the funeral on that 21st of October and heard Brother Rodney Alexander as he read the

Memorial To Mom

God saw she was getting tired And a cure was not to be. So He put His arms around her And whispered, come with Me. With tearful eyes we watched her suffer And saw her fade away. Although we loved her dearly, We could not make her stay. A golden heart stopped beating, Hard working hands to rest. God broke our hearts to prove to us He only takes the best.

This year, the Tennessee Farmers Cooperative and the county cooperatives are observing their 50th anniversary. Born out of the Tennessee Farm Bureau's Cooperative Buying Service, the Farm Bureau helped get the Tennessee Farmers Cooperative underway and running in 1945. However, buying and selling cooperatively came about much earlier than this.

The oldest cooperative livestock marketing association in the nation was in Tennessee The Goodlettsville Lamb Club was organized in 1877 in Davidson County.

Prior to the local sheep pro ducers getting together, only one buyer would come to the area annually to buy their year's produc tion. That could run as high as 2,000 head of lambs. The buye made his appearance about the time he thought the lambs would be ready for market. He only came once a season, and herefore farmers had to sell their surplus lambs then or lose their only chance to get needed cash

The buyer's price was fairly steady, year after year. He'd give two dollars each for lambs under 75 pounds, and three dollars for those over 75 pounds. It seems that no one weighed their lambs. They just guessed at the weight If a farmer questioned the buyer about putting a lamb in the under 75 pound category, the buyer would give him the benefit of the doubt and give him the \$3.00

### Sheriff Rickard Warned Of "Drastic" U.S. Move

Lauderdale County Sheriff Ron Rickard was warned Wednesday of last week, after his testimony before U.S. Magistrate Dan Breen in Memphis, that Breen may take "drastic action" to force jail improvements in Ripley.

Robert L. Hutton, Memphis attorney representing jail prisoners, wants that "drastic action" to include putting the sheriff in jail.

Rickard, 14th and final witness in last week's hearing, said he signed four quarterly affidavits to the U.S. court certifying county compliance with its orders, relying on his chief jailer, Greg K. Conn.

Conn has resigned his job, which pays \$17,664 a year. Though Rickard, in writing, prohibited use of jail la-

bor except for non-profit uses, Conn testified that he advised Rickard before he used prisoners to help him move from Henning to Ripley.

Meadows testified that Rickard approved his use of jail

"That is not true," Rickard told the U.S. magistrate. In other testimony, Billy /. Kent, jailer, admitted using jail labor for three weeks,

at \$5 per hour, plus gift of a

He also admitted sleeping on the job and spraying a prisoner with a riot-control gas.

Breen gave Rickard's attorney, Mike Whitaker, of Covington, and J. Thomas Caldwell, of Ripley, Lauderdale County Trustee Donald County attorney, until Wednesday of this week to submit recommendations to keep the

BOUGHT COOPERATIVELY

Last week, we told you that the

first farmers marketing

order to write the history of Ten-

nessee Farm Bureau, I found

that the organization got into the

cooperative marketing business

In early 1923, a fertilizer pur-

chasing pool was set up in the

Jackson area by O.L. McCallom

of Henderson County. A year

later, he reported to the Ten-

nessee Farm Bureau board of

directors that the Farm Bureau

Cooperative Supply Association

had purchased "5,932.4 tons of

fertilizer and 1,950 tons of nitrate

soda. We were able to purchase

the fertilizer for \$7.00 a ton less

than prevailing prices, and the

nitrate soda for \$19 per ton less

giving a total savings of

\$78,576.80 to Farm Bureau

That was big money in those

days, and it was a good beginn-

ing for a brand new farm

The August 17, 1923 Columbia

Daily Herald had a story that the

Maury County Farm Bureau had

ordered 250 pounds of calcium

arsenate for 17 cents per pound.

It was to be used by farmers

against army worms and cater-

pillars. It was sold at cost which

was the 17 cents, plus freight and

Livestock was also being

marketed by Farm Bureau. In an

earlier Columbia Daily Herald

story, dated May 28, 1923, it was

reported that three train carloads

of wool and lambs had been sold

through the Maury County Farm

Bureau. This was the second an-

nual sale. There were 465 lambs.

34 fat ewes, 12 thin ewes, and

two fat yearlings. There was also

I had some clue to the early

cooperative work of Farm Bureau

when I found a canceled check

in my father's papers. It was

dated in 1924, signed by him,

the bottom of the check was a

Honey's Golden Touch

(NAPS)—One of the pleasures of cooking is to take traditional recipes and add your own special touch. You don't have to make them more complicated or difficult. In fact, you can often streamline recipes while giving them a fresh new taste.

Take holiday pies, for example Store-bought pie shells are great for saving time—so are frozen or prepared fruits. But for a special twist and flavor, try adding a splash of golden honey. Since honey is a liquid, you may have to reduce some of the other liquids used in the pie With a little experimentation, honey can help give your ordinary holiday pie a unique flavor.

There are more than 300 types of honey available, each originating from a different floral source. Honey varies in color from almost clear to dark brown. As a rule, darker honey will be stronger in flavor. Choose dark honey for flavoring pecan of mincemeat pies, while light varieties of honey are better suited for delicate fruit pies.

It's handy to remember that one 12 oz. jar of honey is equal to a standard one-cup measure. For easy removal, coat the measuring cup with vegetable oil or spray before pouring in the honey to measure. You can also have fun adding spices, grated lemon or orange peel and toasted nuts to your holi-

day recipes. Once you start to experiment, you'll find that you time in the kitchen is the best part of the day. For additional recipes or information, send a SASE to the National Honey Board, Dept. M.R., 390

The New England Journal of Medicine reported that fetal cell implants took hold in a Parkinson's patient and reduced his symptoms for 18 months (when he died of unrelated causes). An autopsy confirmed that the new cells produced necessary dopamine.

The pain blamed on heel spurs is often tarsal tunnel syndrome, a repetitive-use injury similar to carpal tunnel syndrome in hands, say doctors at Eastern Virginia Medical School in Norfolk. Shoe inserts and steroids can help, but some patients opt for surgery.

People with canker sores can get relief by using toothpaste without the detergent sodium laurel sulfate. Switch can cut the incidence by 70 percent in those prone to sores, a Norwegian oral surgeon found.

More babies are born in the U.S. during July, August and September, the National Center for Health Statistics notes. Tuesday and Friday are the peak birth days. And more babies' parents have discovered the first-

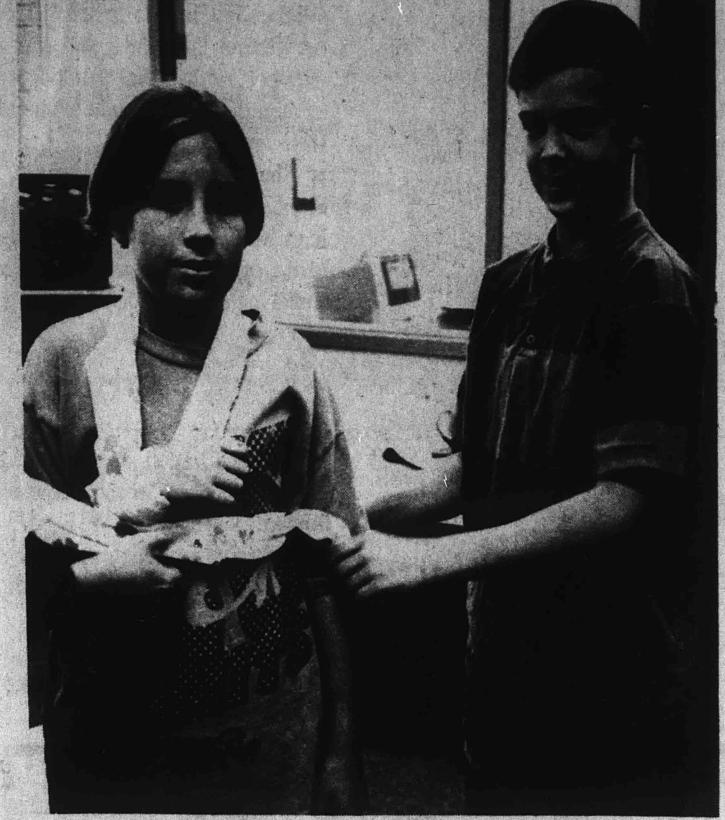

rate selection of baby-care needs at Arnold's Health Mart
