THE ALLS APHIC

PUBLISHED WEEKLY August 5, 1999 VOLUME 106--NUMBER 30

Upcoming Air Sho '99 "Year of the Fighters"

The theme for the Air Sho '99, set for August 28th and 29th, is the "Year of the Fighters." The vintage aircraft and aerobatics have thrilled spectators since 1993. Located on the former Dyersburg Army Air Base, now known as Arnold Field, in Halls, the air show will host the biggest military vehicle display in the Mid-South. Admission \$4 for advance tickets, \$6 for tickets at the gate, preschool children free, no refund and no rain date.

Games, exhibits, rides, concessions, helicopter and airplane rides will entertain spectators.

The Veterans' Museum will be open for those who want to escape the heat as well as visit the WWI, WWII, Korea, Vietnam and Desert Storm displays.

Gates open daily at 10 a.m., formation flying throughout each day with the air show main event to begin at 1:30 p.m., the parachute jump scheduled for 2 p.m. and gates close at 5 p.m.

Bring lawn chairs and an umbrella for comfort. Water wagons will provide "free water."

For more information contact Pat Higdon, 901-836-7448. Proceeds will benefit the Veterans' Museum.

Eugene Pugh Named Farmer Of The Year

Eugene Pugh, of Halls, who stills farms land that has been in his family for 125 years, has been named the Lancaster/Sunbelt Expo Southeastern Farmer of the Year for Tennessee for 1999.

Pugh is one of eight outstanding farmers, representing eight Southeastern states. Pugh was chosen in judging conducted by the Tennessee Cooperative Extension Service. He will attend the Sunbelt Agricultural Exposition in Moultrie, Ga., October 19th through the 21st. He was nominated by County Extension Agent, Richard Buntin, and Chuck Danehower, of Ripley.

As the Tennessee winner, Pugh receives a \$1,500 cash award. The Southeastern Farmer of the Year will be announced October 19th at a luncheon and the winner will receive a \$12,500 cash award and a year's supply of clothing from the Williamson-Dickie Company, and the use of a tractor for one year by AGCO.

Pugh has been farming for 34 years and grows soybeans, corn, cotton, and wheat and also has a brood cowherd on his farmland in the Mississippi River Delta of Northwest Tennessee. He also serves as mayor of Halls, and is an officer in a cotton ginning company, bulldozer company and bank.

Dixie Truckers Home Plan For Open House

Dixie Truckers Home, Hwy. 51 South, Halls, will open Aug. 8th with special grand opening ceremonies and store specials. The Open House scheduled for 11 a.m. until 2 p.m. will offer customers the chance to sample the fresh hot buffet, meet the employees and tour the new home.

A ribbon cutting with the Lauderdale County Chamber of Commerce will be held at 10 a.m. Monday, Aug. 9th at the site.

The 14-acre facility is a joint venture between Dixie Management Group and local businessman, Mike Allmand, of Ripley.

Located between Dyersburg and Ripley, the new Dixie location has over 10,400 square feet under roof, and is designed to accommodate future expansion and service needs. The Halls location features a 125 seat restaurant, with a full service menu and buffet, a convenience store, 75 parking spaces for tractor/trailers, 60 parking spaces for

passenger vehicles, shower suites and laundromat for professional drivers, a drivers' game room and lounge, DAT load board, six Citgo gas lanes and five Citgo diesel fuel lanes, A CAT certified scale will be added in the near future.

In addition, the facility includes a Mobile Lab Services, LLC facility, which provides comprehensive medical services for truck drivers and local residents, including DOT and non-DOT drug and alcohol testing, driver physicals, cholesterol and blood sugar screening, drug and alcohol counseling, and health and employment seminars and educational programs.

Dixie Truckers Home is operated by Dixie Management Group, Inc., with administrative offices in Bloomington, Ill., and is an independent truckstop chain. Dixie Truckers Home has five other locations in McLean, Effingham, La-Salle/Peru, and Tuscola, Ill., and Erie, Penn. They have been in business since 1928 and started with a simple notion to give the guests the best in hospitality, the best possible food value, and friendly service.

Donates Check

HALLS FUTURE FARMERS OF AMERICA members, Katie Cook, second from left, and Erin Steelman, second from right, accept a check from Mrs. Geneva Carihfield, left, Ladies Chairman, and Talmadge Carihfield, Sr. right, President of the Board of Directors for the Lauderdale County Farm Bureau. The Farm Bureau donates the money to help the chapter send officers and other members to leadership training.

PFC Payments

The statute requires that PFC payments be issued by September 30th, of each fiscal year. Producers were required to sign PFC and provide related documents no later than August 2nd, to be eligible for fiscal year 1999 PFC payments. Notification received on July 28th extended this deadline to August 16th.

Leadership Class Lauderdale 1999

Session one of Leadership Lauderdale 1999, will be held at 8 a.m. Monday, August 9th, at the Chamber of Commerce office. School Safety and Student Dress

by Superintendent Bobby G. Webb

School safety is not a new issue for the Lauderdale County Board of Education. In 1989, hand held metal detectors were purchased for our middle, junior, and high schools to enable school administrators to detect metal objects on students when there is reasonable suspicion that any student is carrying a weapon. In 1994, before the tragedies in Paducah, Jonesboro, and Columbine, our board of education employed a security consultant to conduct an extensive security survey of every school in our system. All our school board members and principals studied this report and further security improvements were made. Security cameras were placed in some areas, additional perimeter fencing was added, exterior school lighting was improved, a security badge system for all employees was put in place, and security cameras and cell phones were placed in every school bus. In addition to security equipment, our school board employed Peter Blauvelt of the National Alliance for Safe Schools and director of security for the Prince George's Public Schools in Maryland for 24 years to train our school administrators in effective methods of maintaining safe schools. Through this extensive training, our school system has evaluated the cause and effect of different types of school violence, and the types of school policies and procedures to reduce the likelihood of violence in our schools.

As we have seen from the recent events near Atlanta, random acts of violence can occur at any time and any place. As much as we would like, no one can unconditionally guarantee our safety at school, at shopping centers, on the streets, or even in our homes. The best we can do is take all reasonable precautions to reduce the possibility of violent acts and be prepared to minimize the effects should they occur.

One policy change that our school board recently adopted is our student dress code. While we fully realize that there are numerous ways to conceal a weapon, loose fitting shirts worn outside trousers make it easy to conceal even large weapons without being noticed. With shirt tails tucked inside and trousers worn at the waistline, the outline of objects concealed underneath shirts or trousers is more easily detectable by teachers, administrators, or even other students.

Most parents have told us that we should do everything we can to make our schools as safe as possible. Even though some parents and students may object to this minor change in the student dress code, it will reduce the risk of having concealed weapons in our schools. We know that parents and students want our schools to be as safe as possible and we appreciate the understanding and cooperation of everyone in our community who is helping us provide safe schools for our children.

NEW STUDENTS

All new students are encouraged to apply for admission as early as possible. If you plan to work toward a degree, applying early will improve your chance of receiving financial assistance and will enable you to participate in New Student Orientation. If you apply early enough, you will be invited to attend one of the orientation sessions. Besides receiving information about DSCC, you will be able to register for Fall Semester classes! If you are eligible to participate in New Student Orientation, you will be notified by mail.

How do I apply for admission?

If you have not completed an application for admission, you need to begin the admissions process immediately. If you have not completed all steps listed below, you should do so before attempting to register for classes!

- Complete a DSCC application for admission as soon as possible and return it to the Office of Admissions & Records, DSCC, 1510 Lake Road, Dyersburg, TN 38024 or to your Center Coordinator.
- With your application for admission, send a \$5.00 check or money order for payment of a non-refundable application fee.
- Have an official copy of your high school transcript or official copy of your GED scores or official copy of an American Council on Education (ACE) External Diploma mailed to the Office of Admissions & Records.
- If you have had any college courses, have an official copy of all college transcripts and an official copy of your high school transcript mailed to the Office of Admissions & Records.
- If you are under 21, have your ACT scores sent to the Office of Admissions & Records or contact the Testing Office at (901) 286-3355 to set up a time to take a residual ACT.
- Unless exempted under Tennessee Code Annotated, proof of immunization with two doses of

Measles, Mumps, and Rubella vaccines, administered on or after the first birthday, is required for attendance to all universities and colleges with an enrollment of greater than two hundred students. Students who are required to provide proof of immunization will be contacted by the Office of Admissions and Records.

To Serve You Better...

It is important that the Office of Admissions & Records personnel have sufficient time to process your application for admission; therefore, persons applying for admission on the day of registration or later may be delayed in registering for classes. To receive an application for admission/readmission, please contact the Office of Admissions & Records at (901) 286-3330 or the Gibson County Center at (901) 855-1419 or the Tipton County Center at (901) 475-3100.

STUDENTS INTENDING TO REGISTER IN DYERSBURG

To Serve You Better...

If you need to take the Academic Assessment & Placement Program (AAPP) test before registering on August 24 for classes in Dyersburg, you should report to the east door of the Glover Education Center at 8:00 a.m.

If you do not need to take the Academic Assessment & Placement Program (AAPP) test before registering for classes, report to the east door of the Glover Education Center between 9:00 a.m. and 6:00 p.m. on August 24.

First-time Freshmen planning to take classes and work toward a degree at DSCC:

For new degree-seeking students planning to enroll in Dyersburg classes, New Student Orientation will be held July 8 and August 5. If you are eligible to participate in New Student Orientation, you will be notified by mail.

First-time Freshmen who do not apply for admission early enough to attend New Student Orientation:

All new degree-seeking students who do not apply early for admission and do not

attend New Student Orientation should come to the east door of the Glover Building at 8:00 a.m. on August 24 to begin the admissions & registration processes and schedule the Academic Assessment & Placement Program (AAPP) test, if applicable. New degree-seeking students who are unable to come at 8:00 a.m. should arrive as early during the day as possible.

Transfer Students:

For transfer students who will be attending DSCC for the first time and are planning to enroll in Dyersburg classes, New Student Orientation will be held July 8 and August 5. If you apply early enough, you will be invited to attend. You will be able to register for Fall Semester classes at that time. In the event that you are not able to attend New Student Orientation, you can attend registration on campus August 24 between 9:00 a.m. and 6:00 p.m. in the Glover Education Center. If you are interested in taking an English or mathematics course, please bring a copy of your transcript or grade report to indicate that you have successfully completed college-level English or mathematics.

New students planning to take classes for personal or professional enrichment but not working toward a degree at this time:

Regular registration will be held in Dyersburg on August 24 between 9:00 a.m. and 6:00 p.m. in the Glover Education Center. If you have not completed an application for admission, doing so before the day of registration will eliminate processing delays. Contact the Office of Admissions and Records for more information.

Returning students who did not register during Priority Registration:

It's not too late to beat the rush. If you were enrolled during the spring term and saw your advisor for help in selecting your fall classes, you can register through August 20 on the Web. Non-degree students who were enrolled last spring can also register for fall classes through this date. Go to <http://www.dsccln.us> and click on *Web Registration & Student Information Access*. Be sure to read the payment information contained on the Web! Returning students who do not register by August 20 can register in Dyersburg on August 24 between 9:00 a.m. and 6:00 p.m. in the Glover Education Center.

Former students applying for readmission:

Former students who did not attend either 1999 Spring or Summer must complete an application for re-admission prior to registering for classes. Regular registration will be held in Dyersburg on August 24 between 9:00 a.m. and 6:00 p.m. in the Glover Education Center, or you can register on the Web through August 20 if you personally contact the Office of Admissions and Records for your PIN (picture ID required). A student who is degree-seeking student must meet with an academic advisor before being able to access Web Registration.

Transient students:

Transient students who are working on a degree at another school can register in Dyersburg on August 24 between 9:00 a.m. and 6:00 p.m. in the Glover Education Center. If you are interested in taking an English or a mathematics course, please bring a copy of your transcript or grade report to indicate that you have successfully completed college-level English or mathematics.

State Employees:

Tennessee state employees wishing to use the Public Higher Education Fee Waiver for employees of the State of Tennessee and TBR/UT employees wishing to use the PC191 can register no earlier than four weeks prior to the first day of classes.

GENERAL INFORMATION for all Students

Academic Assessment and Placement Program (AAPP) Test

The Academic Assessment & Placement Program (AAPP) test measures competency in reading, writing, and mathematics. While you cannot fail the AAPP test, your performance will determine if College Preparatory courses will increase your chances for success. For more information including testing dates, times, and locations, call (901) 286-3355.

If you are required to take the Academic Assessment & Placement Program (AAPP) test or any portion of it and are placed in the College Preparatory Program, you must enroll in and complete the designated courses in sequence.

Adding Classes

If you find it necessary to add a class, the addition will be possible provided it is within the class-add period and space is available in the desired class. Please refer to the Academic Calendar in this schedule for deadline to add. To add a class, you must complete a Change of Registration form and follow the procedures listed on the form. Forms may be obtained in the Office of Admissions & Records or from your academic advisor or at the Gibson and Tipton County Centers. There are times when adding classes may be accomplished by accessing DSCC's *Web Registration & Student Information Access*. Check with the Office of Admissions and Records for more information.

Advanced Studies Program

High school students who qualify for Dyersburg State's Advanced Studies Program should apply for admission, and with their guidance counselor's assistance, see that all admissions requirements - including Academic Assessment & Placement Program (AAPP) testing - are met prior to registering. Students who are eligible for this program may be admitted for either joint or dual enrollment. Dual enrollment is the enrollment of a high school student in one or more specified college courses for which the student will be awarded both high school and college credit; joint enrollment is for college credit only. For more information, contact the Office of Admissions and Records at (901) 286-3330 or your guidance counselor.

Auditing a Course

If you wish to audit a class, you may not register for the class until after the day of regular registration. Individuals under the age of 17 may not audit any class without the written permission of the instructor and the Division Dean. Refer to head notes in this schedule under College Preparatory Studies and Physical Education concerning auditing those courses.

Class Attendance & Outside Study

When you register for a class and do not attend, you will receive a grade of "F" unless you properly drop or withdraw. Consult your catalog or your advisor for Drop/Withdrawal procedures.

Successful completion of college-level courses requires a specified amount of study outside the classroom as well as within the classroom. Successful completion of a degree program is dependent upon the student's commitment to study beyond the classroom.

Notice: When you register for a class and do not attend, you will receive a grade of "F" unless you properly drop. Refer to your catalog or contact the Office of Admissions and Records for more information.

Class Cancellations and Changes

Dyersburg State Community College reserves the right to cancel classes that do not have sufficient enrollment. Divisions offering more than one section of the same course may close sections as necessary to promote the most effective instruction. Instructor assignments are also subject to change.

While this schedule of classes has been prepared on the basis of the most current information at the time of printing, the schedule is subject to change without notice, obligation or liability.

Confidentiality of Student Records

DSCC regards a student's academic record as confidential. The release of information contained in the record is governed by Federal Law, known as the Family Educational Rights and Privacy Act. Directory information such as the student's name, address, telephone listing, e-mail address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student will be released unless the student has asked DSCC to withhold such information. If you do not wish directory information released, please provide written notification to the Office of Admissions and Records.

The law does provide for the release of information to authorized college personnel, other institutions engaged in research (provided information is not revealed to any other parties), and certain federal and state government officials.

If you have questions concerning the provisions of this act, contact the Director of Admissions and Records.

Cost of Attendance at DSCC

During the 1999-2000 academic year, all students whether residents or non-residents of Tennessee, will pay a maintenance fee of \$53 per semester hour not to exceed \$599 per semester. There is also a \$5 facilities assessment fee for all students and a \$3 student activity fee for students enrolling in seven or more hours per semester. A Technology Access Fee is assessed based on the number of credit hours in which the student enrolls. The fee varies from \$30 for three credit hours to \$40 for four credit hours to \$50 for five or more credit hours. Fees are subject to change at any time by action of the Tennessee Board of Regents. For students who register after the first day of class, there is a \$10 Late Fee.

Tuition is charged to students who are not residents of Tennessee except for residents of Pemiscot and Dunklin Counties in Missouri and Mississippi County in Arkansas. In addition to the maintenance fees listed previously, students who are classified as out-of-state for fee-paying purposes must pay \$157 per semester hour, not to exceed \$1794 per semester. As with other fees, the amount of tuition is subject to change.

Dropping Courses

To drop a course, you must complete a Change of Registration form and follow the procedures listed on the form. Forms may be obtained in the Office of Admissions & Records or from your academic advisor or at the Gibson and Tipton County Centers. A student is not officially dropped from a course until this form is processed in the Office of Admissions & Records. Failure to comply will result in a grade of "F". Please refer to the Academic Calendar in this schedule for deadlines to drop. There are times when dropping classes may be accomplished by accessing DSCC's *Web Registration & Student Information Access*. Check with the Office of Admissions and Records for more information.

Tennessee Board of Regents policy prohibits students from dropping courses in the College Preparatory Program (remedial/developmental). Under extenuating circumstances, however, a course may be dropped with the approval of the advisor and the Director of the College Preparatory Program.

Courses may be dropped without a grade through approximately the first two weeks (14 calendar days beginning with the first day of class). After this time, a grade of "W" is given if the course is officially dropped.

Dropping Courses Vs. Complete Withdrawal from the College

If you are enrolled in only one course and do not want to remain in that course or if you wish to withdraw from all courses, a Permission to Withdraw form must be obtained and appropriate signatures obtained. Forms are available in the Office of Admissions & Records and the Gibson and Tipton County Centers. Failure to withdraw officially from school will result in an automatic grade of "F" in all courses.

Please refer to the Academic Calendar in this schedule for the deadline to drop. There are times when dropping classes may be accomplished by accessing DSCC's *Web Registration & Student Information Access*. Check with the Office of Admissions and Records for more information.

Financial Aid

If you have not applied for financial aid and are interested in applying, information can be obtained from the Financial Aid Office, located in the Student Center. Their number is (901) 286-3235.

Eligible pre-registered students who make no adjustments to their schedule and who personally contact the Business Office on August 17 or 18 may pick up their checks in the Business Office at 2 p.m. on Friday, August 27. All other students receiving financial aid may pick up checks in the Business Office no earlier than nine days after classes begin. Students with Federal Financial Aid or loans must provide evidence of class attendance to the Business Office to get their checks. Your financial aid will be used first to pay your fees.

Grades at Term's End

Grades are not mailed to students at the end of the term but are accessible on the Web. To access your grades, you will need your Social Security Number and your Personal Identification Number (PIN). Students who need to provide a copy of their grades to their employer should request an official copy of their transcript to be mailed directly to the employer. This written request can be made at any time during the term. To protect the confidential nature of the student's records, no grades will be released by phone.

Grades will not be available until all debts or obligations owed to the College have been satisfied.

Graduation Candidates

Students expecting to complete course requirements at the end of 1999 Fall, 2000 Spring, or 2000 Summer should submit an Intent to Graduate form to the Office of Admissions & Records by October 22. Forms are available in the Office of Admissions & Records or at the Gibson and Tipton County Centers.

Honors Program

The Honors Program provides exceptional educational opportunities for highly motivated and well-prepared students. The program works individually with students in planning their educational experiences at Dyersburg State Community College. Students may earn Honors distinction by meeting these requirements: completion of a minimum of 12 hours of Honors course work; participation in the Honors Seminar; and participation in at least 2-3 special college educational/cultural events a year. To become a member of the Honors program, an incoming freshman must have a minimum ACT composite of 26 and a 3.5 high school grade point average (GPA). An existing student must have a minimum GPA of 3.5. To remain in the program, a student must maintain a minimum GPA of 3.5. An appropriate Honors distinction is indicated on the student's transcript and is recognized at graduation.

Possession of Weapons

T.C.A. 39-17-1309 prohibits the possession of weapons, including firearms, on any property owned, used or operated by Dyersburg State Community College. Furthermore, State Law prescribes a maximum penalty of six (6) years imprisonment and a fine not to exceed three thousand dollars (\$3000) for carrying weapons on school property.

Proof of Immunization

Unless exempted under Tennessee Code Annotated, proof of immunization with two doses of Measles, Mumps, and Rubella vaccines, administered on or after the first birthday, is required for attendance to all universities and colleges with an enrollment of greater than two hundred students. Students who are required to provide proof of immunization will be contacted by the Office of Admissions and Records.

Refund Policy

Refund procedures for maintenance fees and out-of-state tuition fees are outlined below. (All other fees are non-refundable).

Change of student's status which requires refund:

- A. Change in a full-time student's schedule which results in reclassification to part-time student status,
- B. Change in a part-time student's schedule which results in a class load of fewer hours during a refund period.

Other situations which require a refund:

- A. Withdrawing from the institution within the refund period,
- B. Cancellation of a class by the institution,
- C. Death of the student.

Refund Procedures

Refunds will be calculated for up to 60% of the term for first-time students at DSCC who withdraw from school and are receiving Title IV aid.

Refunds for all other students will be calculated as follows:

- A. Refunds are allowed for the first 25% of the term. Beginning with the first official day of classes and extending through the first 14 calendar days of classes, there is a 75% refund. For the remaining days of this refund period, there is a 25% refund. *No refunds will be made beyond the 25% period.*
- B. 100% of the fees will be refunded for classes canceled by the institution.
- C. 100% of the fees will be refunded for "drops" or "withdrawals" prior to the beginning of the first official day of classes. No refund will be processed during the official registration period.
- D. 100% refund in case of death.

Refund policy for students receiving Title IV aid is subject to change by the Federal Government.

Registering after the First Official Day of Classes

Students who register for a class after the first official day of classes need to be aware that enrollment in classes is not guaranteed but may depend on the number of classes missed and the instructor's assessment of the student's chances for success in the course. Students who register late will need to meet with the instructor to discuss any work that has been missed and to complete and sign the form for *Late Class Entry: Student & Teacher Agreement to Make Up Missed Work*.

Student Load

A student is considered to be enrolled full-time if enrolled in 12 or more credit hours; the

maximum number of hours credit for which a student may enroll is 19 hours. A student may request to enroll in more than 19 hours. *Request for Overload* forms are available from academic advisors or from the Office of Admissions and Records. You must obtain your advisor's signature on the form and meet specific requirements as outlined in the DSCC catalog before an overload can be processed.

Follett's DSCC Bookstore has a new service. Students now have the option of "Getting Out of Line" and ordering their textbooks online at www.dscclbkstr.com or at www.efollett.com which boasts the largest selection of new and used textbooks available on-line.

Air Sho '99

B-17 "YANKEE LADY" will return this year to take spectators back in time as the Air Sho '99 at Arnold Field in Halls kicks off August 28th and 29th. Performers for Air Sho '99 have been scheduled and the show is expected to have thrills that will excite young and old alike.

The theme is "The Year of the Fighters" because of the number of unique fighters expected to participate. It is unusual to see a Corsair, Spitfire, P-40, Yak-3, Sea Fury, and 4-6 P-51's in the same air show. The last time a P-40 landed at Arnold Field was for Homecoming '86. None of the shows in Halls have ever been fortunate enough to have a Spitfire and a Sea Fury.

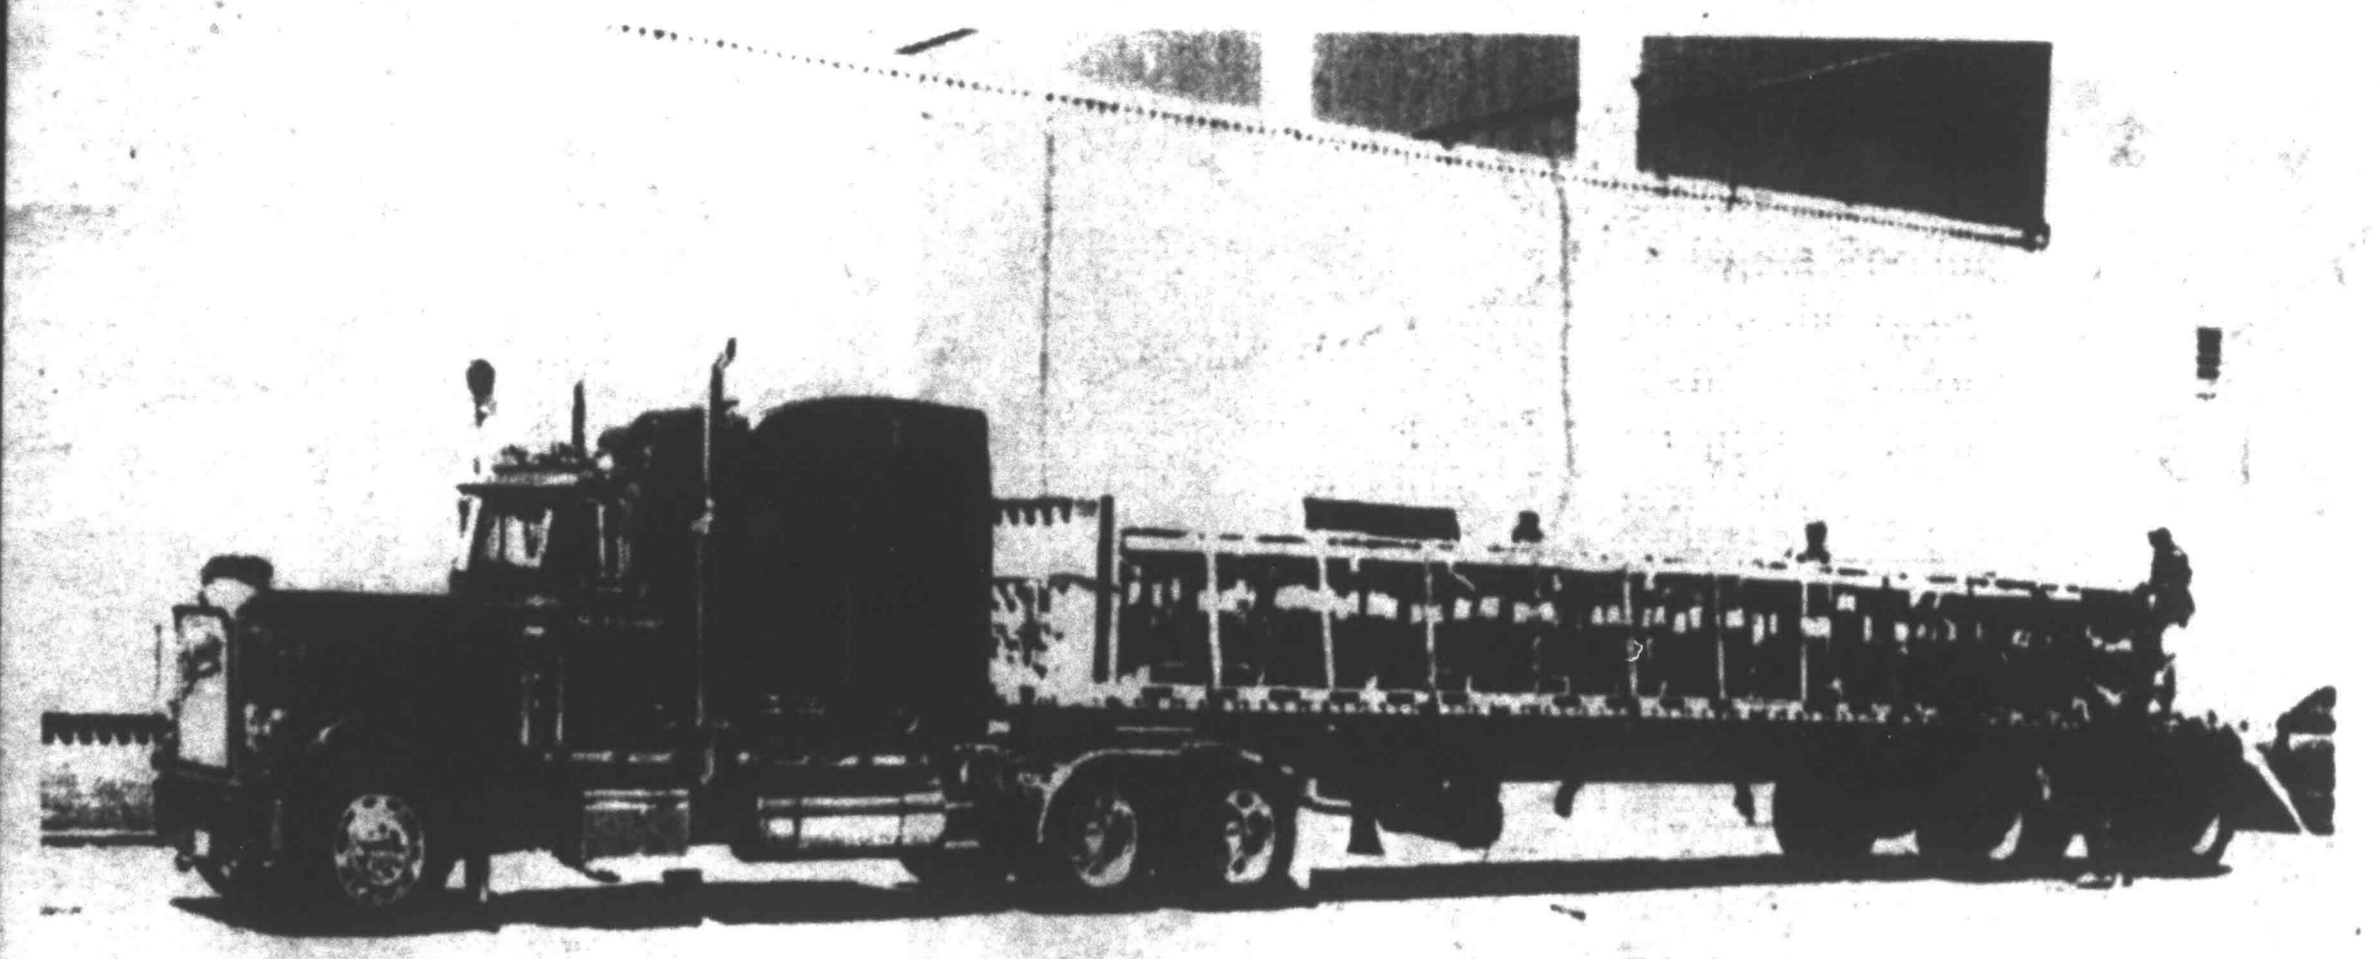

All of the fighters will join the B-17 "Yankee Lady," pictured above, which was a crowd fa-

vorite last year. T-6's, cargo airplanes, liaison and other primary trainers complete the WWII warbirds that will perform. Some always show up unexpectedly and stand on static display.

Aerobatic acts, such as the jet "The Folland Gnat," will excite every fan. Other aerobatic acts include Marcus Schenker with his 300L, The Wings of Gold with Drs. Morris Ray and Dave Peeler, Clint Allen with his Pitts Special, and Mary Dilda in a T-6.

Samples of T-shirts as well as advance tickets are available in the local banks in Ripley. T-shirts and tickets may be purchased at the Lauderdale County Chamber of Commerce office. In Halls, tickets and T-shirts are located at the local banks and at the Veteran's Museum. Other merchants have samples and tickets. T-shirts are \$15 and advance tickets are \$4. Only a limited number of advance tickets are available.

Begins Shipment

DRAKE ROOFING, INC., located in the Tupperware building in Halls, began the shipment of their roofing product this week. As an added asset to our envi-

ronment, the base of this product is derived from recycling discarded tires. The demand is so strong that they have added a second shift and they expect the

third shift will start shortly. Three houses in the local area have been used for test houses and the contractor, Darrell Tutor, has been extremely pleased with the product.

Lauderdale County Commission Meets

The Lauderdale County Commission met Monday and appointed Judy Henderson as Regional Library board Member. They also appointed Dwight Weaver, Dist. 3, Earline Halliburton, Dist. 4, and Don Patton, Dist. 9, as 911 members for four years. The commission also agreed to enter into a local agreement with E911 and cities.

Dixie Truckers Cut Ribbon

DIXIE TRUCKERS HOME, Highway 51, near Halls, celebrated their grand opening Monday with a ribbon cutting ceremony. Members of the Lauderdale County Chamber of Commerce, representatives from area businesses and employees of Dixie Truckers Home were present to welcome Dixie Truckers Home to Lauderdale County.

Cooking Corner Tips To Help You

Kick Off Summer With A Healthy Celebration

(NAPS)—The kids have just finished school, vacation time is coming up, the days are longer, the nights are warmer—summer is a season to celebrate. After a day at the pool, on the softball diamond, or out on the boat, serve a meal that is in step with the healthy lifestyle that summer promotes. *The New American Heart Association Cookbook, 25th Anniversary Edition* is full of recipes that taste great and are also good for the heart. Start your summer feast with Marinated Asparagus, Tomato, and Hearts of Palm Salad. After all, fresh summer vegetables are just one more thing to celebrate during this season.

Marinated Asparagus, Tomato, and Hearts of Palm Salad

- 8 ounces fresh asparagus, trimmed and cut into 2-inch pieces (about 2 cups)
- 1 pound Italian plum tomatoes, cut into 1/4-inch slices
- 14-ounce can hearts of palm, rinsed and drained
- 1/4 cup thinly sliced yellow onion

DRESSING

- 1/4 cup red wine vinegar
- 2 tablespoons dry red wine (regular or nonalcoholic)
- 2 teaspoon sugar
- 1/4 teaspoon pepper

Steam asparagus for 3 minutes, or until tender-crisp. Immediately put asparagus in a shallow glass baking dish.

Add a layer of tomatoes, then one of hearts of palm, and one of onion.

In a small bowl, whisk together dressing ingredients until sugar has dissolved. Pour over vegetables. Cover dish and refrigerate for 30 minutes, stirring occasionally. Serves 6

Cook's Tip:

You can make this salad up to 24 hours in advance, but don't add hearts of palm until about 30 minutes before serving. They become discolored from the wine if added sooner.

This is the sixth in a series to commemorate the 25th anniversary of the American Heart Association Cookbook.

Grilled Peaches with Blackberry Sauce

Grilled peaches taste just like a luscious peach cobbler, warm, and sweet, but without the crust. You can grill nectarines and plums, accompanying them with a vanilla sauce or ice cream.

- 6 peaches, halved, pitted and peeled
- juice of 1 lemon

Put the peaches in a bowl with the lemon juice to prevent them from discoloring. Prepare a fire in a grill or pre-heat a gas grill. Rub a clean grill rack lightly with vegetable oil.

Place the peaches cut-side down on the grill rack and cook 5 to 6 minutes on each side, or until the peaches are cooked through and becoming soft at the edges.

Blackberry Sauce

- 12 ounces ripe, juicy, blackberries
- 1/4 cup granulated sugar
- 1/2 cup water

Put the berries in a saucepan with the sugar and water over high heat, mashing the berries with the back of a wooden spoon and cook for about 5 minutes. Reduce the heat to low, stirring often for another 5 minutes. Place a bowl beneath a food mill. Put the berries through the mill to remove the seeds, scraping the bottom of the mill to make sure you get all the pulp as well as the juice.

Return the juice and pulp to the saucepan. Cook over medium heat for 3 to 4 minutes, just until the sauce thickens and warms. Serve the warm peaches with a spoonful of sauce next to them. Serves 6.

USDA COMMODITIES

Delta Human Resource Agency will distribute USDA commodities between 8 a.m. and 10 a.m., Wednesday, August 25th, at Ripley Senior Center, 142 Nelson Street, Rice Park, Watkins Street, Ripley, Halls Senior Center, 605 Airport Street, Halls, and Palmer-Turner Community Center, 655 Church

Street, in Henning. Eligible clients must bring proof of income and be prepared to carry two forty-pound bags to your car.

P-40 FIGHTER, shown above, is one of many fighter planes that will be on display during Air Show '99, in Halls, August 28th and 29th.

The B-17 Yankee Lady will be joined by what was called "Little Friends" during WWII, as they fly in formation over Lauderdale County. Seeing the planes fly is only part of the excitement of an air show. After visiting the planes on the ground and talking to the pilots, spectators run to the show line area to be sure to see them make their low bombing and strafing runs. The announcer explains what they are doing and shares important facts about the planes and performers. This year's air show promises to give the best aerobatics ever.

This year a coloring book, of WWII airplanes will be on sale

along with T-shirts, hats, and programs. In conjunction with the air show this year, there will be a carnival with rides and games that will open Thursday afternoon and continue through the weekend.

In Lauderdale County, tickets are on sale at the local banks and The Chamber of Commerce.

MASTERS RECEIVED

David Christopher Nunn successfully passed the Certified Public Accountant exam last November, ranking fourth in state and top seven percent in the nation.

David received his masters degree in accounting with honors from Rhodes College in December. He is now employed by Pete Marwick KPMG Accounting Firm.

REVIVAL

The Church of Jesus Christ in Halls will hold its revival at 7 p.m. nightly beginning August 23rd and continuing to the 29th. Bro. Joe Stone, of Louisiana, will deliver the message each night.

1979 CLASS REUNION

The Halls High School Class of 1979 will hold its 20th reunion Saturday, September 25th at the Holiday Inn in Jackson. For more information call Vanessa Williams at 635-2323 or Jimmy Meeks at 836-9642. Deadline is Sept. 13th.

MAYOR BILL REVELL, left, of Dyersburg, spoke to the Ripley Rotary Club August 10th, about the proposed Interstate 69. He has been working with this program for several years and is helping to raise funds to make the Tennessee leg of this inter-

state a reality. If all goes according to current plan, the Interstate will come through Lauderdale County parallel to Hwy. 51. Pictured with Mayor Revell are, Carlton Drumwright, center, and David Snell, right, Rotary President.

Nuptials Planned

TAMMY RENEE CARMACK, daughter of Mr. and Mrs. Tim Carmack, of Gates, will marry James E. Pipkin, son of Mr. and Mrs. J. W. Pipkin, of Ripley, at 6 p.m. September 6th in a private ceremony at The Paschal House in Ripley, the home of Dr. Bette Stalneckner.

The bride-elect is the granddaughter of Mr. and Mrs. Winston F. Carmack, of Gates, and the late W. R. and Francis Ford, of Curve.

A 1992 graduate of Halls High School, she graduated in May 1997 from Christian Brothers University in Memphis with a bachelor of arts degree in psychology. She is employed by the Exchange Club/Tina Turner Family Center.

The groom-elect is the grandson of Mr. and Mrs. Earl Becker, of Dietrich, Ill., and the late Mr. and Mrs. Jim Pipkin, of Ripley.

A 1986 graduate of Ripley High School, he is self-employed by J. P. Salvage.

The couple will reside in Ripley after a honeymoon trip to the Bahamas.

Schools Set To Receive Government Funding

Dr. Bobby Webb, Superintendent of Lauderdale County Schools, announced Tuesday that two local educational partners, the Lauderdale County Board of Education and Dyersburg State Community College, have been awarded a federal GEAR-UP grant totaling \$306,400 for the 1999-

2000 school year. This grant will help this year's seventh grade students in Lauderdale County to prepare for a successful career. It is proposed to extend the grant over a five-year period at a total of \$1,951,444 that will then impact all 5,000 Lauderdale County students in the seventh, eighth, ninth, tenth and eleventh grades.

U. S. Department of Education Secretary Riley's office received an unexpected high number of GEAR-UP applications and President Clinton has asked Congress to double GEAR-UP's budget for next year from \$120 million to \$240 million. Lauderdale County and DSCC received one of the 164 grants funded nationally and one of the three, that was funded in Tennessee. Memphis and Chattanooga received the two other grants.

The local partnership grant will focus on increasing student participation in extracurricular activities, increasing the number of scholarships available to GEAR-UP participants, increasing guidance and counseling efforts, providing before and after school tutoring, providing summer school programs, providing educational workshops and providing two Career Centers located at Halls Junior High School and Lauderdale Middle School. These instructional areas will be supported by mentoring, parents, local community organizations, cultural events and Dyersburg State Community College.

\$1.9 million is possible over the next five years and Congress may authorize a sixth year. Over the next five years the project goals are to provide students greater access to technology by including computers, Internet, and before and after school computer labs, emphasize good character in a variety of roles and settings, increase the classroom activities on thinking and problem-solving skills, increasing access to career information, preparing students to pass the new Tennessee Gateway examinations, preparing students for post-secondary education, providing a

Chamber of Commerce, Partnership Lauderdale, Lauderdale County Probate and Juvenile Court, Lauderdale County-Sugar Hill Public Library, Mount Zion Baptist Church, QSP (Reader's Digest), Tennessee Department of Education, and the University of Tennessee Agricultural Extension Service of Lauderdale County were partners with Dyersburg State Community College and Lauderdale County Schools in applying for the grant.

Lauderdale County Board of Education and Administrators at Dyersburg State Community College are committed to the success of the project and were active participants in the development of the proposal. In addition, 15 letters of support from local community agencies and the Tennessee Department of Education were included in the project proposal.

LIVESTOCK ASSOCIATION

The Lauderdale County Livestock Association will hold its summer meeting at 5:30 p.m. Thursday, September 2nd at the Gwinn Matthews' farm on Hurricane Hill Road near Ripley. There will be a demonstration of the new cattle squeeze chute purchased by the association for the members to use in working their cattle.

The Livestock Association is made up of local beef and swine producers, local businesses and other interested parties. Membership is \$30 per year.

Those planning to attend the meeting should call the Agricultural Extension Service, 635-9551, by Wednesday, September 1st, in order to make meal arrangements or for further information.

Cattle producers should remember that problems with nitrate toxicity associated with forages often increase with drought conditions. Nitrate can kill cattle, but it is also associated with multiple abortions in cows.

THE S2F TRACKER, one of the many planes to be seen at Air Sho '99, was the U. S. Navy's premier sub hunter in the early 50s.

This is the seventh year for the event and organizers are expecting attendance to exceed the 30,000 spectators last year.

The carnival will begin Thursday, August 26th, and continue through Sunday, August 29th. Military vehicles will begin arriving Thursday with vendors and many airplanes arriving Friday.

The theme this year is "The Year of the Fighters," featuring P-51s, P-40, Corsair, Spitfire, Yak 3, and the Sea Fury. There will be a jet aerobatic act by The Folland Gnat, aerobatics by The Wings of Gold, and the first woman aerobatic to perform at the Halls' field.

Gates open from 10 a.m. to 5 p.m. August 28th and 29th. Tickets are \$6 at the gate, pre-school children free. Sunday, August 29th, The Rev. Trent Bullock, pastor of Halls First Baptist Church, will hold services at the airfield at 8:30 a.m.

HISTORICAL SOCIETY

The Lauderdale County Historical Society is asking for help to pay for a 24 x 30 cast bronze sign, installation and benches to be placed on the East Courthouse lawn. This will show that the Courthouse is on the Register of Historic Places.

Contributors' names will be in the "History of Lauderdale County Courthouse" to be published soon.

A flag stone walk will be leading up to the circle where the sign will be installed and benches will be placed around the circle. A bench can be purchased in honor of or in memory of someone special in your life.

Donations can be sent to Liz Craft, 5254 Conner Whitefield Road, and Ripley.

OPEN MEETING

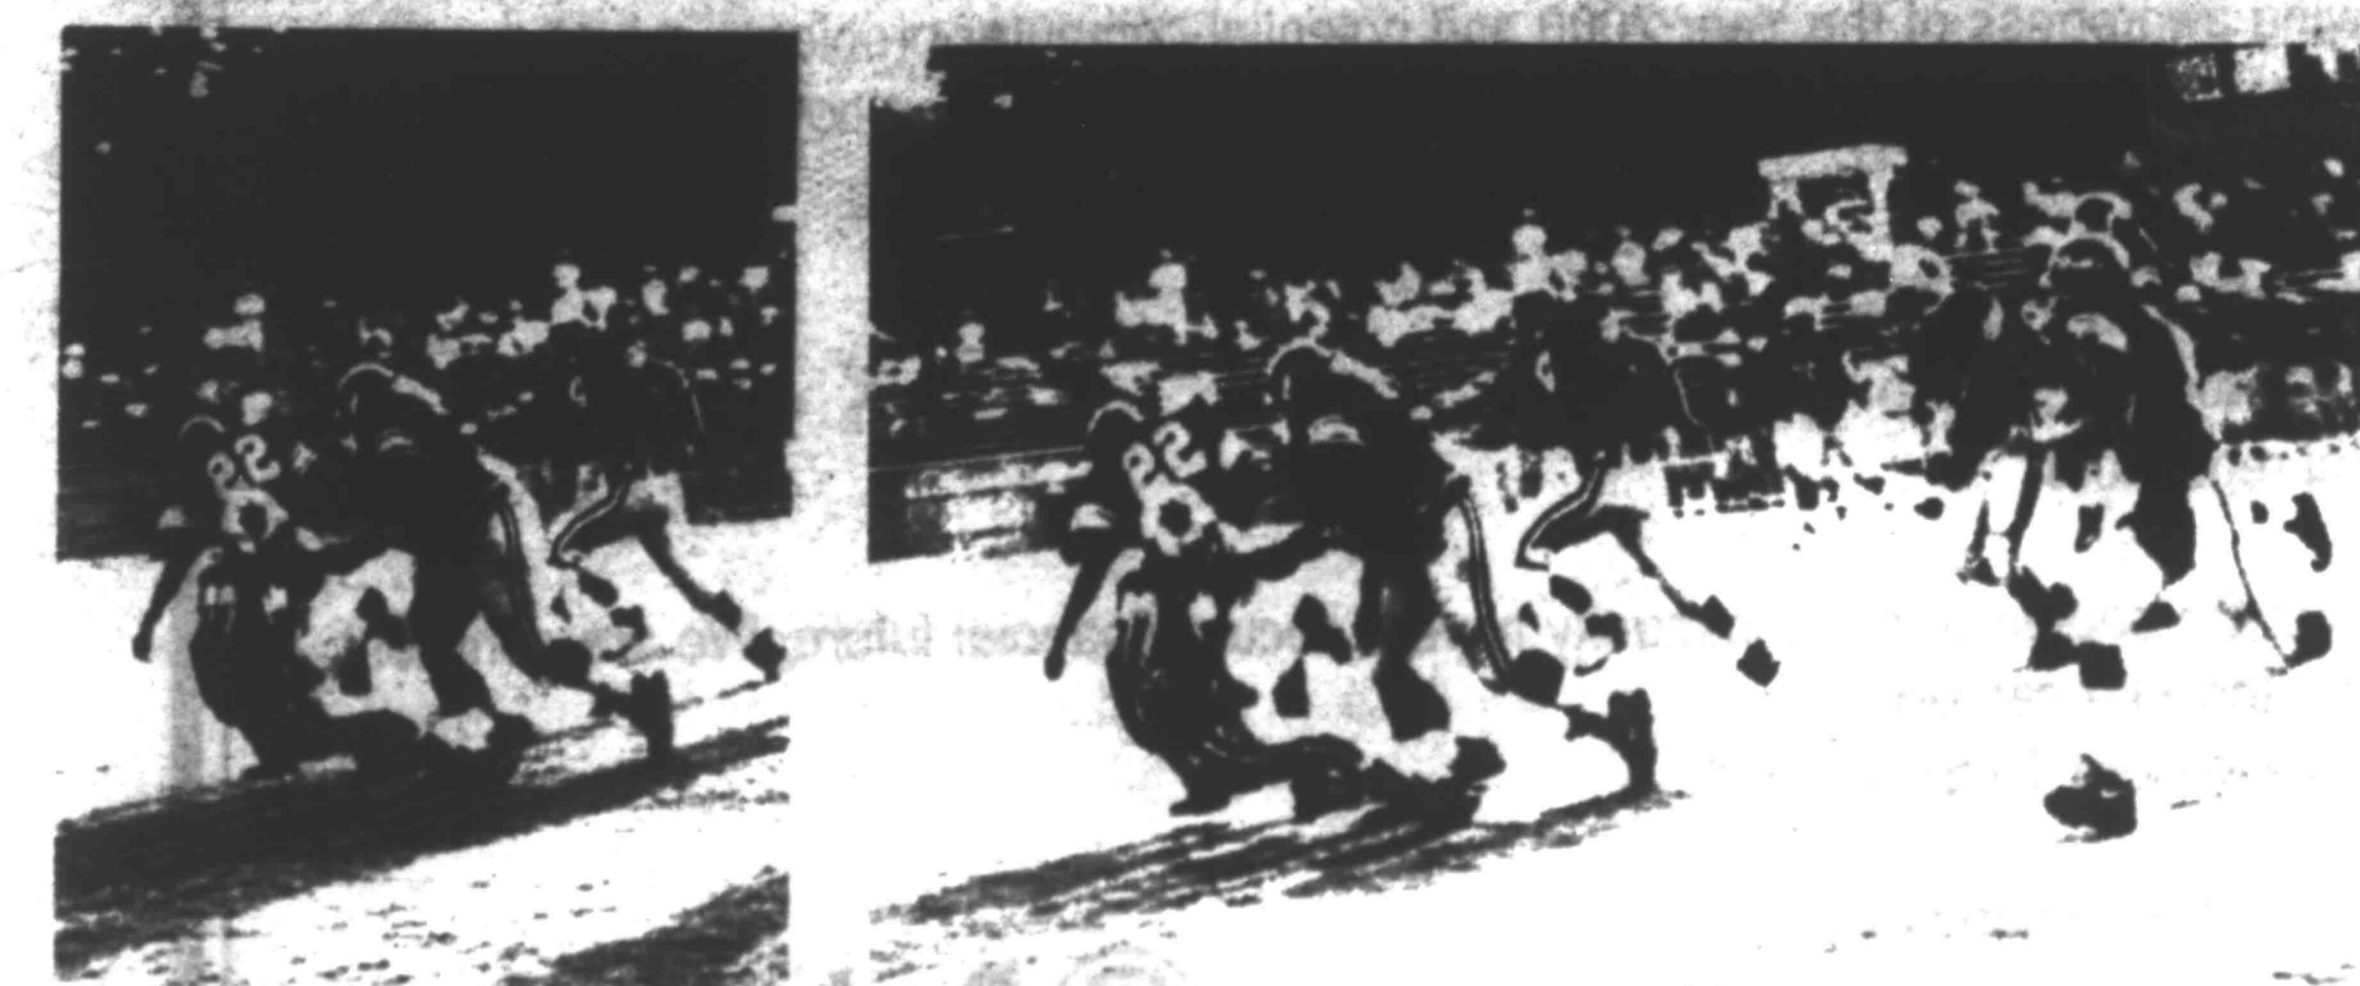

Parents of Title I students in Lauderdale County Schools can attend annual Title I meetings at Halls Elementary School, at 5:30 p.m. August 31st; Lauderdale Middle School at 4:45 p.m. September 16th, in the school's library; and Ripley Primary School at 6 p.m. September 16th, in the school cafeteria.

Ripley Elementary meeting will be held September 23rd at 7 p.m.

Dr. Joan Hartman, supervisor of Title I, encourages parents to attend these meetings. Door prizes and childcare will be offered at each meeting.

Air Sho '99 Welcomes Halls Baptist Minister

The Rev. Trent Bullock, pastor of Halls First Baptist Church, will deliver a Sunday message to those in attendance at Arnold Field in Halls during Air Sho '99. The services will begin at 8:30 a.m. at the announcer's stand. The public is invited along with the pilots and everyone involved in the show.

FOOTBALL TEAMS from Ripley High School and Halls High School battled in Friday night's Dyersburg Jamboree. Ripley came away the victor with a score of 7 to 6. The touchdown, scored by Major Harris and the extra point, kicked in by Bryan Kiestler, was the first for the 1999 season. Halls' Ryan Ward lofted a 35-yard scoring pass to Andravus Stinson and scored their touchdown in the last few minutes of the quarter. Ripley then blocked their two-point conversion attempt. Ripley plays Manassas Friday night at home, kick-off at 7:30 p.m. Halls plays Fayette Academy at home, kick-off at 7:30 p.m. Everyone is invited and urged to come out and support these young men.

CERTIFIED ANGUS BEEF

Asbury Station in Ripley, joins a select group of restaurants, hotels and country clubs that are licensed to promote Certified Angus Beef products.

Jack D. Heathcott

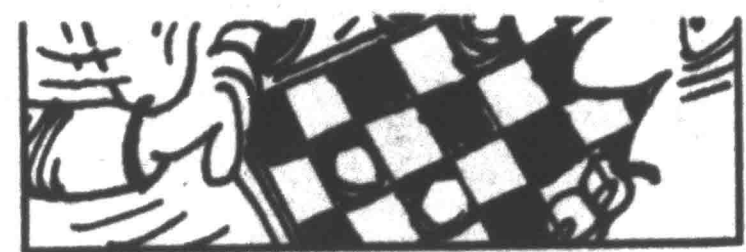

Jack D. Heathcott, 76, of Memphis, brother of Talmadge Heathcott, of 257 Huntington, Gates, died Tuesday of last week, of cancer, in St. Francis Hospital.

Services were at 11 a.m. Friday in Family Funeral Care, with burial in Ripley Memorial Gardens.

He was an Army veteran of World War II.

Survivors include a companion,

Irene Barron, of Memphis; two daughters, Julie and Vickie Heathcott, of New York City; and two sisters, Letha and Minnie Haynes, both of Memphis.

In 1994, Charles Walker played 306 simultaneous games of checkers at Dollywood in Tennessee—winning 300, losing one and drawing five.

GRILLED HERB PORK CHOPS
(4 servings)

4 bone-in or boneless pork chops, 1 inch thick*
¼ cup (½ stick) Imperial® Spread, melted
2 tsp. dried basil, marjoram and/or thyme leaves, crushed
½ tsp. garlic powder

Season pork, if desired, with salt and ground black pepper. In small bowl, blend Imperial Spread with remaining ingredients. Grill or broil chops until done, brushing with herb

mixture during last 5 minutes of cooking.

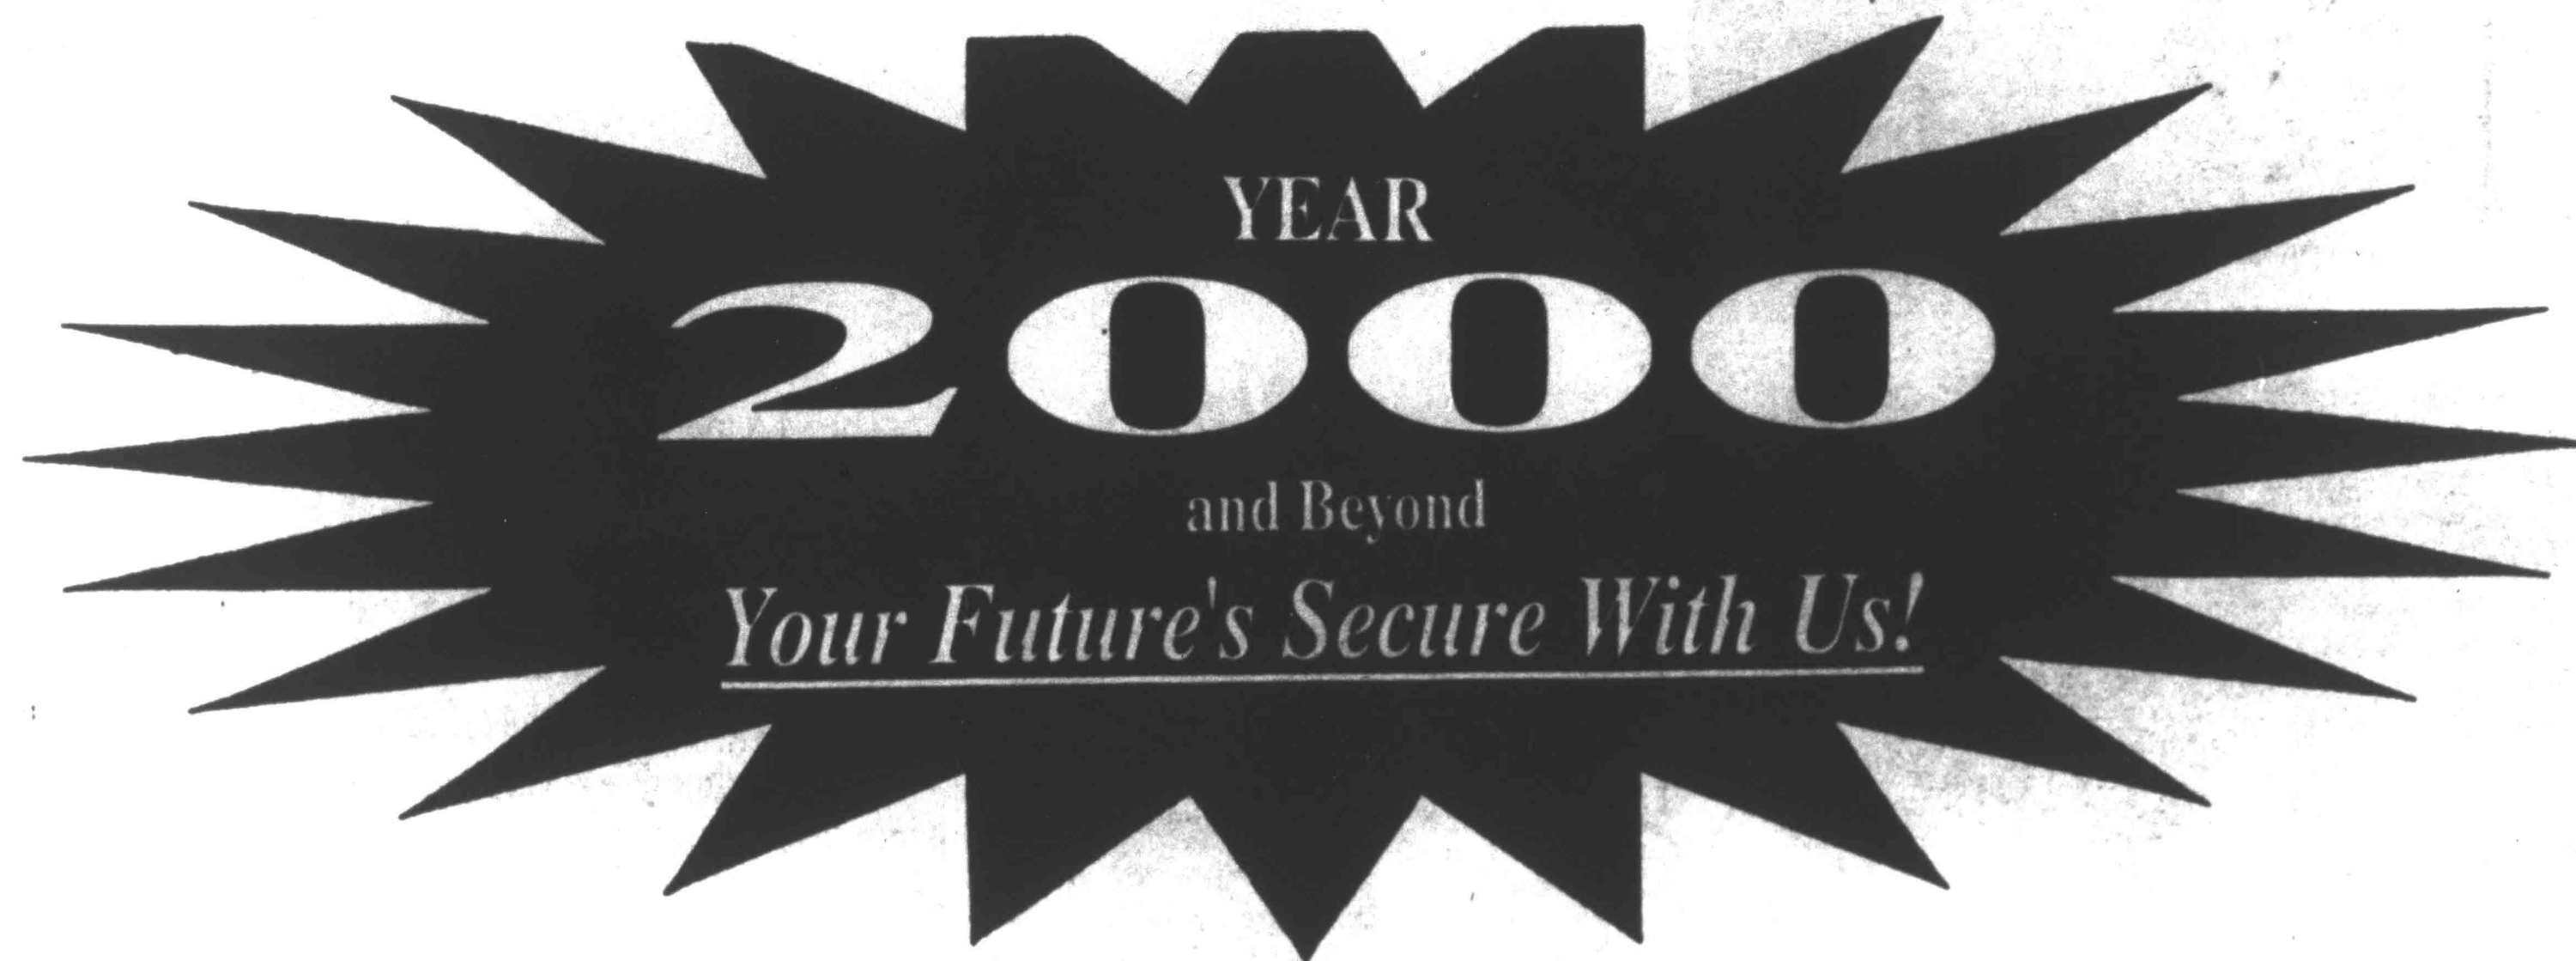

* VARIATION: Also terrific using 4 bone-in lamb chops.

BLACK & WHITE PIE
(12 servings)

25 chocolate sandwich cookies, crushed (about 2 cups)
¼ cup (1 stick) Imperial® Spread, softened
2 boxes (3.4 oz. ea.) vanilla instant pudding and pie filling
2½ cups milk

1 cup frozen whipped topping, thawed
1 Tbsp. chocolate sprinkles (optional)

Grease 9-inch pie plate; set aside. In medium bowl, combine crushed cookies and Imperial Spread. Press into pie plate; chill until ready to fill. In large bowl, with wire whisk, beat instant pudding mixes and milk. With spatula, fold in whipped topping. Pour into prepared crust; garnish with sprinkles. Chill at least 3 hours or until set.

Kids Don't Ride Stick Horses Anymore

Kids just don't ride stick horses anymore. It has been ages since I have seen a child out in the front yard on a stick horse. Maybe they have all evolved to the backyard, or could it be the stick horse has become extinct. I know it is becoming harder to find a real good tobacco stick

these days, but surely there is a replacement out there somewhere to help maintain the stick horse tradition for our youth.

Growing up on a farm in Middle Tennessee, stick horses were as common in my day as fried chicken being served on Sunday. Of course you are going to tell me now that fried chicken is no longer served on Sunday, but it should be.

As a farm child back in the fifties, you just couldn't walk to where you wanted to go. You had to ride a stick

horse with a bright yellow grass string or a white cotton string as a bridle. A stick horse was a main form of transportation for a six year old farm boy.

Former Commissioner of Agriculture, as well as radio and TV star, L.V. "Cotton" Ivy, is a true stick horse fan and supporter. He often tells the story, (which I know is the truth) about riding his favorite stick horse to school.

Seems he tied it out front of the school house and when he came outside in the afternoon to go home, some no

good horse thief had stolen his stick horse. Without his stick horse, he had to walk all the way home!

This day and time, children can probably buy ready made stick horses at Wal-Mart. I was born in the years of BWM, (Before WalMart) and your toys would be found where ever your imagination led you. I can remember when daddy would get a new batch of tobacco sticks and I would get the pick of the whole "herd" for my next mount.

It was interesting how a small boy could take a simple one-by-two stick and with the help of his imagination, turn it into a beautiful Pinto or

Palomino horse. It could jump a ditch with ease or catch the bad guys, which where usually your cousins, around the next bend. From sunup to sundown we would ride our trusty mounts across the Tennessee countryside saving the world from all types of disaster. Our imaginations helped make our summer days go by, rather than using a Gameboy or computer game.

Our heroes were real people. We had Roy Rogers on Trigger, Gene Autrey on Champion, and the Lone Ranger on Silver. I guess what made them so real to me, was that each one of those heroes was agricultur-

ally connected. They rode real horses, drove cattle on the range, worked in the great outdoors, were always having a note coming due, and courted their sweethearts "the cowboy way."

Sometimes I wonder about the future generation. Look at mine. We made pies from mud, horses from tobacco sticks, flying toys from June bugs, and swings from tires. We haven't turned out too bad.

I just hope the next generation uses their imaginations in fun ways as we did. It sure makes life a whole lot easier and tremendously less expensive.

Friendship Vows

MR. AND MRS. JOHN WALTON MEEKS were married May 15th on the lawn of the bride's parents, Mr. and Mrs. James E. Smith in Friendship.

The bride, the former Amy Smith, is the granddaughter of Mr. and Mrs. George Rice and Mr. and Mrs. Jimmy Smith and the great-granddaughter of Mrs. Lillie Prichard, all of Friendship.

Amy is currently attending Dyersburg State Community College.

The groom is the son of Mrs. Linda Mitchell and the late Danny Meeks and the grandson of Christine Meeks, all of Halls.

He is employed with the Lauderdale County Ambulance Authority.

The couple are residing at 3917 Bonicord Road, Friendship.

at the neck, arms, and waist. The bodice featured Venice lace, which was embellished with pearls and sequins. Flowing from the fitted Basque waistline was a full skirt of organza, which fell into an organza cathedral length train and was accented with beautiful Venice lace appliques, pearls, and sequins. Complimenting the gown was a waist length veil, with a blusher, trimmed in lace, pearls and sequins, which fell from a halo of pearls, lace and sequins.

The bride carried a silk bouquet of white and burgundy roses and a battenburg lace handkerchief given to her by her mother.

Tiffany Pittman, of Ripley, was maid of honor. Bridesmaids were Shelley Murphy, of Ripley, Manisha Jones, of Halls, and Amber Hicks, of Dyersburg. Junior Bridesmaid was Sarah Hargett, of Halls.

The attendants wore periwinkle chiffon tea-length

dresses. The empire styled bodice was trimmed with chiffon covered buttons down the back and a flowing chiffon bow. Each attendant wore pearl drop earrings and a pearl necklace that were gifts from the bride. They carried silk bouquets of pink, mauve, and burgundy roses and periwinkle lilacs.

The flowergirls were Haley Nichol, of Addison, Ill., and Taylor Brasfield, of Halls, cousins of the bride. They wore matching periwinkle chiffon tea-length dresses. They dropped white, pink, mauve and burgundy rose petals from their satin baskets.

The ringbearer was Brock Smith, of Halls. He wore a black tuxedo with tails.

The groom chose his brother, Scott Nelson, as bestman. Groomsmen were Blake Murphy and Mickey Elder, of Ripley, and Greg Stone, of Yorkville. Ushers were Jay Johnson, of Paducah, Ky., Chad Hogue and Jody Sorrell, of Halls, and Isaac Sorrell, of Ripley.

The bride's mother wore a pink tea-length dress. The bodice was embroidered and beaded and accented with decorative buttons. The groom's mother wore a mint green tea-length dress featuring an embroidered bodice. They were each presented with a red long stemmed rose.

Following the ceremony, a reception was held in the church fellowship hall. Assisting in serving were Tori, Terry, and Susan White, of Halls, Jennifer Stone, of Yorkville, Christie Williams, of Dyersburg, Angie Wilson and Pam Sinquefield, of Ripley, and Mary Ann Riley, of Gates. Junior reception attendants were Sarah Kay Sorrell and Rachel Harmon, who assisted during the reception by passing out favors and bubbles.

After a trip to Gatlingburg, the couple is making their home in Ripley.
