Funds Voted For I-69, Dyersburg-Millington

The U.S. Congress has approved a U.S. Department of Transportation budget for the fiscal year which began Oct. 1st, including \$18,400,000 for environmental, survey, and design work on a new Interstate Highway 69 from Dyersburg, through Lauderdale County, to Millington.

The House vote was 344-50, the Senate vote 78-10.

The projected 1,430-mile I-69 from Port Huron, Mich., to the Mexican border has been completed to Indianapolis, Ind.

Segments to Fulton, Ky., and from Fulton to Dyersburg are in various stages of preparation.

Though John Brannon, of the Union City *Daily Messenger*, has reported that Kentucky officials are

six years away from spending any money for I-69, U.S. and Tennessee funding are going ahead with the route from Fulton to Millington, then through Memphis.

I-69 backers think that Kentucky will not wish to be the gap in the system, and miss six years of federal funding.

The route is expected, in this county, to incorporate, or closely follow, the existing U.S. 51.

Spiller Suspended By County Commission

County Executive Rozelle Criner and Board of Commissioners in the regular monthly meeting Monday suspended William "Billy" Spiller, Jr., highway commissioner, with pay till Dec. 31st, after his indictment by circuit court last week. His annual salary is \$39,283.

Cornieth York "C.Y." Russell, resident of Lauderdale County, was recognized for receiving a Nike Lifetime Achievement Award from

William Spiller, Jr. Accused With Counts Of Misconduct

William "Billy" Spiller, Jr., Lauderdale County Highway Commissioner, was indicted by the October term of Circuit Court last week on nine counts of official misconduct.

Agents filed a search warrant seeking road materials, bridge materials, crushed rock, equipment, supplies, and Lauderdale County road equipment on Spiller's property at 5572 Old Brownsville Road, Ripley. The warrant was executed by Tennessee Bureau of Investigation agent Roger Turner. A double-blade axe head inscribed with "L.C.H.D." was found at the property and all other items recovered were photographed and left at the scene by Turner.

Six employees testified that Spiller had them working for him on his property, repairing farm equipment, delivering road and bridge materials, and building a tool shed on his property using county equipment and materials during regular working hours or performing personal repairs on items at the county shop during regular hours.

The court document states that during October 1, 1998 and October 1, 2000, pursuant to a common scheme or plan in Lauderdale County, Tennessee and before the finding of the indictment, William Spiller, Jr., did unlawfully, feloniously, and knowingly use Lauderdale County Highway Department employees to obtain personal benefits by use of his position as a Lauderdale County Highway Commissioner, which constitutes an unauthorized exercise of his official power in violation of T.C.A. 39-16-402.

In count two, Spiller is charged with using materials belonging to the highway department. In counts three to nine, Spiller is charged with having an employee report to work on his day off and load and deliver bridge materials to his personal residence, having employees use the county dump truck and deliver, in two separate incidences,

the National Association of Collegiate Women Athletic Administrators. While at Kentucky State University, she served as Asst. Professor in the Dept. of Health, Physical Education, Recreation and Dance and Coordinator of Women's Athletics. She also coached women's volleyball and basketball.

Commissioners passed a motion to approve resolutions as to A. A. "Tick" Bray, county commissioner and assistant and acting chief of the Ripley Fire Dept.; and Jimmy Daniel, liaison for the West Tenn. office of Governor Don Sundquist.

W. S. "Billy" Thomas, Gerald Cherry and Charles McMahan were

five loads of dirt and more than 34 loads of dirt to his personal residence, having an employee change the transmission fluid in his personal vehicle with county tools during regular hours in the county shop, having employees clean the carport at his residence, having an employee wash and clean the personal vehicle of Spiller's son during regular hours on county property, and having employees spray Roundup during regular hours to eradicate weeds on Spiller's property.

Elizabeth T. Rice, Attorney General, signed the indictments stating these violations and similar ones have occurred within a two year period prior to 1999. A trial date has been set for February 8, 2001.

ected to a two-year term on the Finance Committee.

County Commission approved a franchise with Charter Communications, who have an agreement to purchase Falcon Cable, and plan to have enough infrastructure in place to increase the quality of service and double the channels within a three-year period.

Other business included a detailed account of health insurance HMO, PPO and POS plans for Lauderdale County; and the announcement that the old Sugar Hill Library building, to be leased or sold, is at the discretion of the Library Board of Trustees.

NOTE OF APPRECIATION

Halls High School
"Reunion 2000"
Friends of the 40's

To the representatives of the classes of the "Forties" who attended "Reunion 2000" Sept. 23rd, I wish to extend my personal appreciation for your presence. You made our get together a "HUGE SUCCESS"! Everyone was "upbeat" and in a "fun oriented" frame of mind. Thus, a great time was had by all as we became reacquainted once again after all those years. Where, oh where did they go?

Appreciation should also be extended publicly to the Halls Graphic for our picture therein, and to Mr. Armons for placing it there. Also, to the Blue and White Restaurant (and Geneva) for their hospitality. Furthermore, we all owe a debt of gratitude to Dr. William A. Cherry for his wonderful sense of generosity (if you didn't get enough to eat, it wasn't his fault).

Mrs. Conyers would surely have had a swell time, wouldn't she? Maybe next time! Nevertheless, we enjoyed her thoughtful letter!

Hoping to see you all again before "Reunion 3000" if not, we'll see you "Up Yonder".

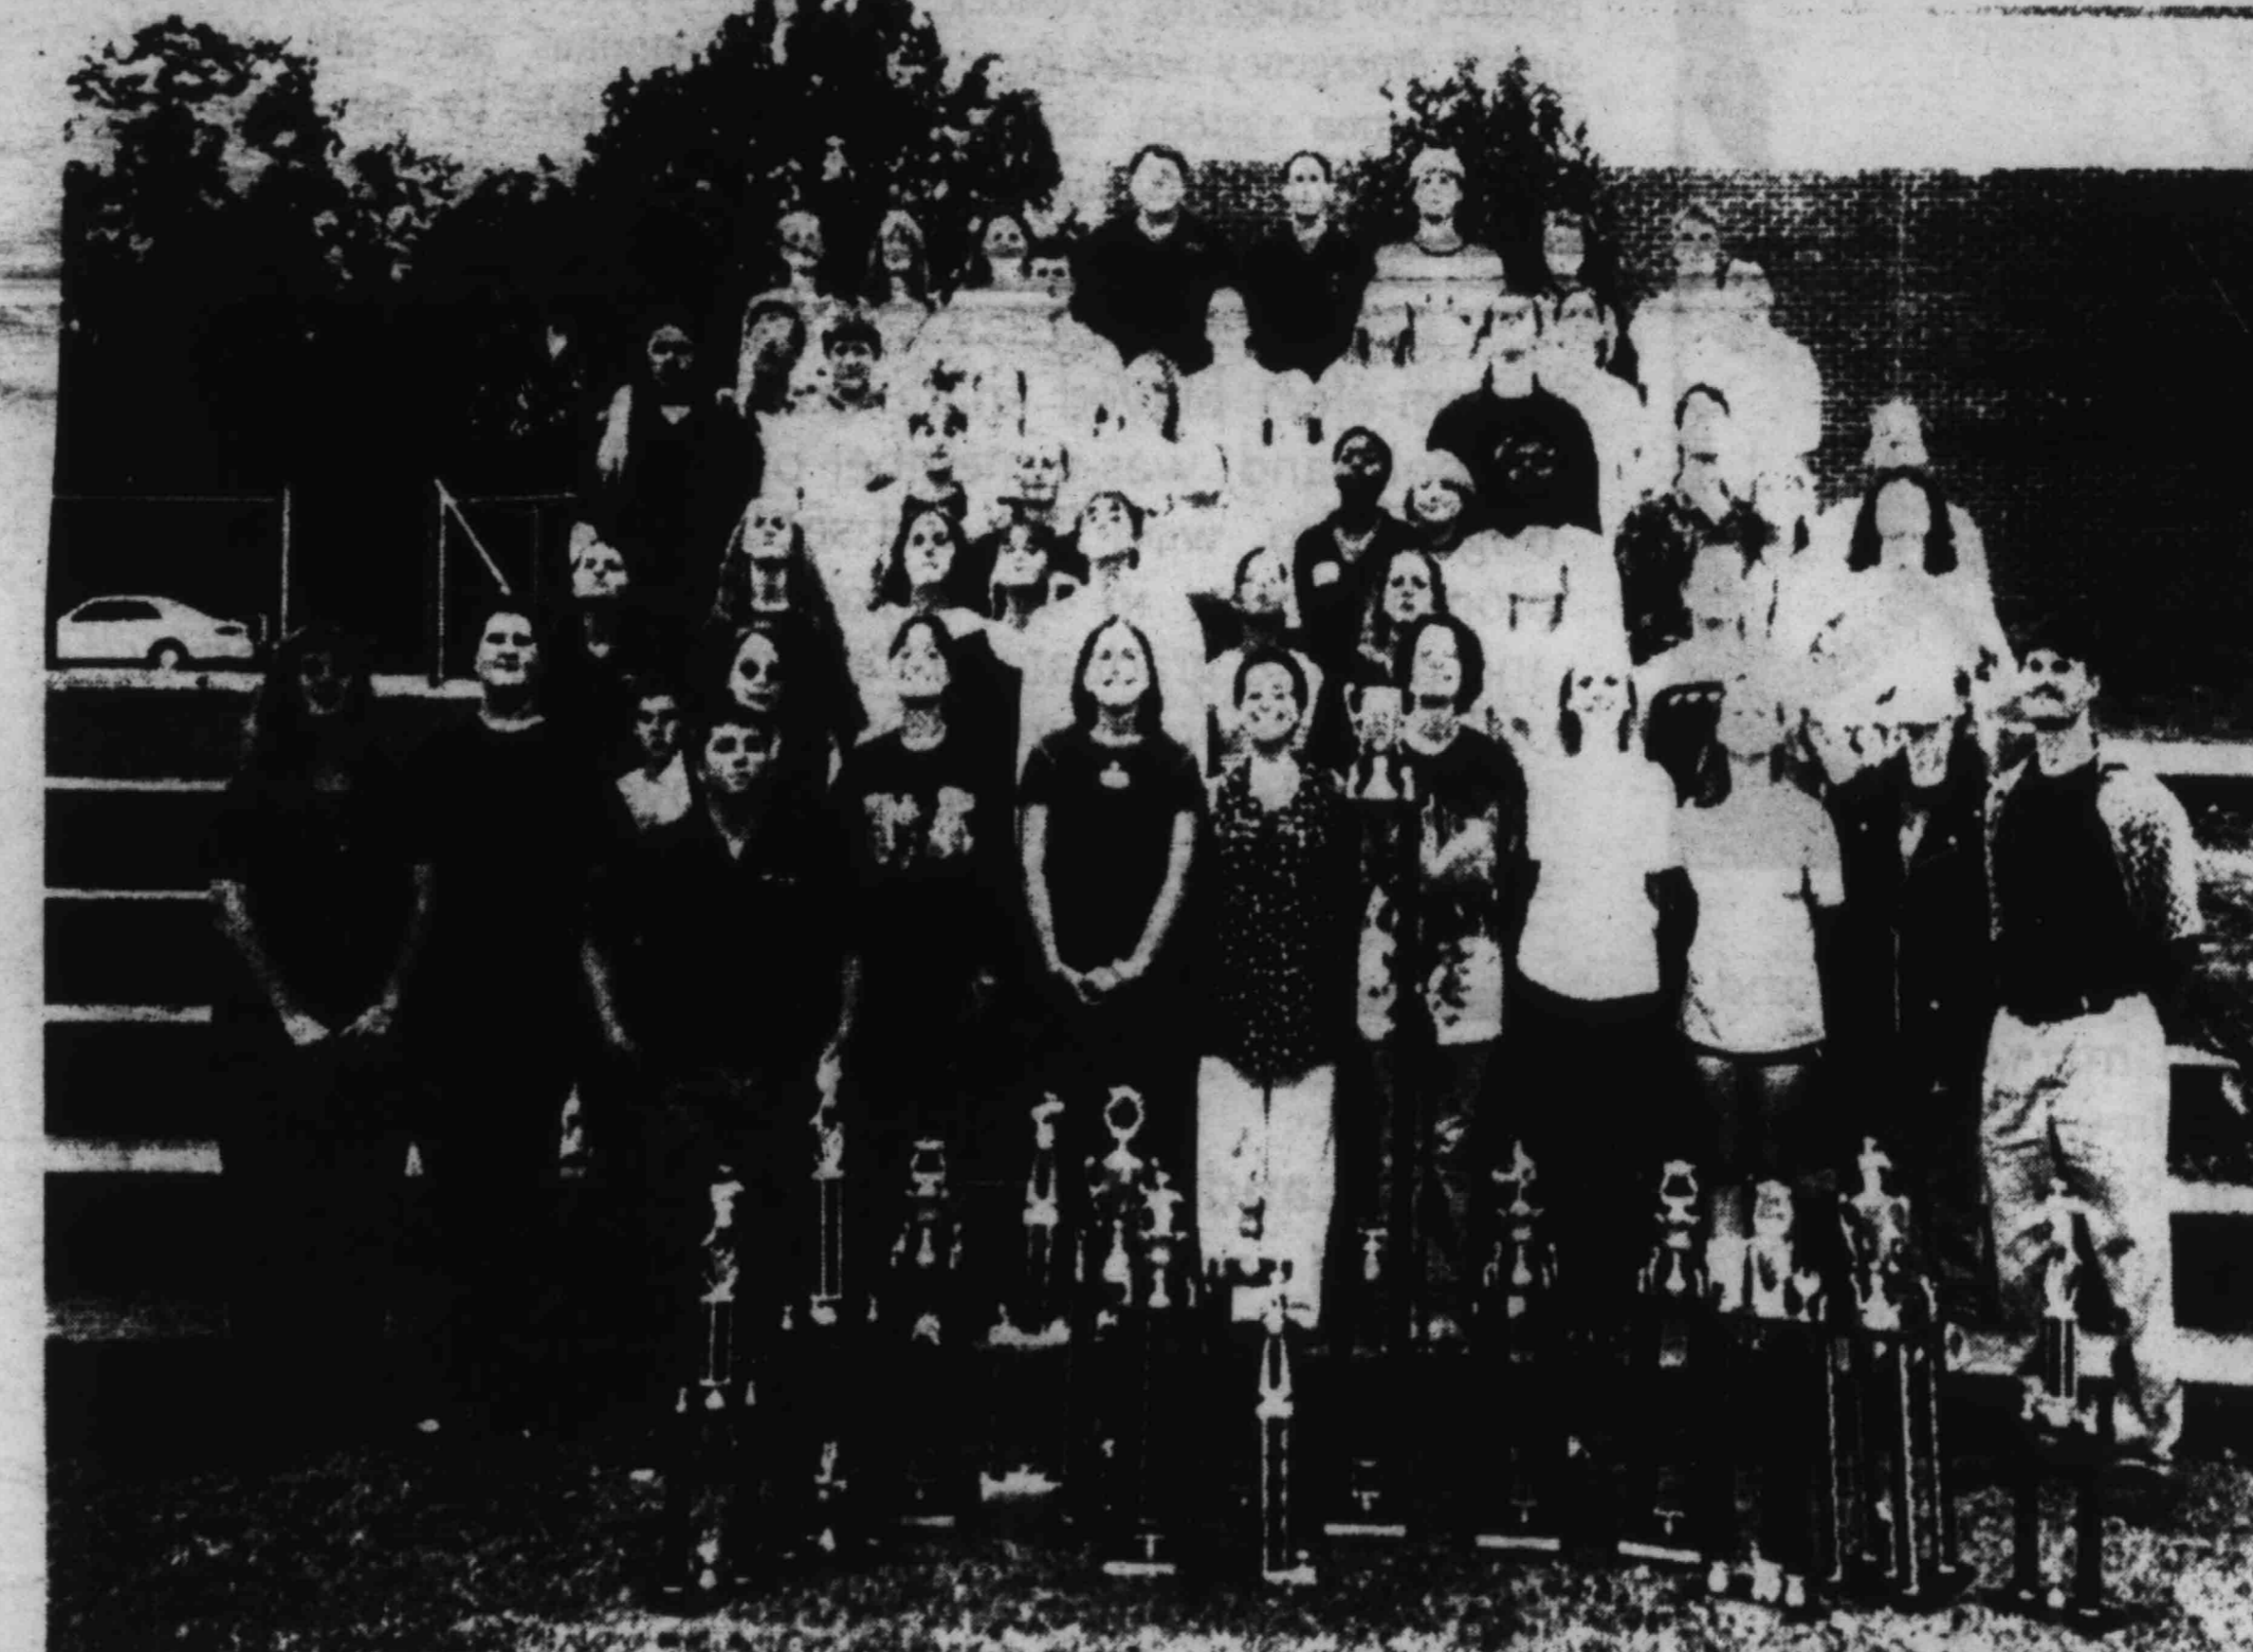

God Bless
W/Loving Memories

RHS, Into Play-Offs, On Road To Bolivar

A big first period, 28-0, powered Ripley High School's Tigers to a 35-14 win Friday from Dyer County, and into a play-off berth.

The blitz included TD runs by Allen Young (senior, 6-0, 186) of 29 and 14 yards; an 18-yard blocked punt return for a TD by Daniel Pruitt (senior, 6-5, 230); and a 4-yard scoring pass from quarter-back Ben Carmack (senior, 5-10, 192) to junior end Renardo Foster (6-7, 245).

Carmack's toe was perfect, as it was after Young scored, from the 14, in the third period. Young ended the night with 168 yards rushing in 15 outings.

Blizzard Of Choc Passes

Unable to cope with the Tigers on the turf, where Ripley led by 216 yards to 34, Choctaw quarter-back Robbie McDonald (senior, 5-11, 200) threw 35 passes, completing 16 for 268 yards.

But only two scored -- to Brian Fisk (sophomore, 6-0, 181), for 35 yards, in the second period, and to Tony Ferguson (junior, 5-6, 135), for 52, in the final stanza.

Carmack balanced the Tiger offense with 112 yards on eight passes completed, of 18.

Bolivar Even For Season

Bolivar's Tigers, playing in Region 6-3A, have made the play-offs every year since 1995, but this year, they have struggled for fourth place in the region with McNairy, whom they will visit next Friday.

Last fall, they were 6-5, losing in the play-offs to Page High School, of Franklin, 10-7.

Coach Perry Murphy lost three key all-region players to graduation and this year has back only four starters on offense/defense.

Bolivar is 4-4 for the season. Its first three games were wins, from Middleton, 38-0, from Chester County, 36-13, and from Fayette-Ware, of Somerville, 31-7. Jackson South Side won 34-7. Bolivar led Lexington, 34-14.

Then three straight losses -- to Milan, 30-7, to Humboldt, 30-20, and to Crockett County, 26-7.

RHS Tigers, Winners, Vs. Chargers, Losers

Ripley High School's Tigers, who nicked Bolivar Central last week, 14-13, to improve their season to 7-2, finish regular season play Friday in a Region 7-3A clash in Covington, before their first game in the state play-offs.

Covington's Chargers, region champs for the fourth straight year, and 12-2 last fall, losing to Milan in the play-off semi-finals, 28-6, host Ripley off a 17-7 loss last week, their first this season, to Christian Brothers.

The Memphis foe, then 3-5 for the year and holding sixth place among the seven teams in Division 2-AA, pulled even, 7-7, by half-time, and had the final score by the end of the third quarter.

90-Yd. Pass Play, Then ...
After a score-less first period, Covington soph Antonio Gaines (5-8, 170) took a pass from quarter-back Blake Goforth (junior, 6-1, 170) for a 90-yd. TD.

CBHS senior Chad House (5-11, 165) ran 33 yards to even it. In the third quarter, CBHS junior Justin Mosby (6-0, 190) scored from the seven.

Junior kicker Kevin Hansom (5-9, 150), closed a perfect night with a 26-yard field goal.

CBHS led rushing, 132-88, but trailed in passing, 133-100. Goforth completed six of 13, House seven of 11.

Halls, Edged 19-18, Closing In Dresden

Halls High School's Tigers, a point shy of a tie with Lake County, last week, 19-18, close their season Friday in Dresden.

Dresden's Lions won their third game this season last week, from South Fulton, 34-7.

Previous wins were from Greenfield, 45-14, and Gleason, 41-22.

The Lions have lost to Fayette Academy, 42-20; Obion County, 34-0; Humboldt, 49-6; Gibson County, 20-18; Trenton, 21-13; and Union City, 55-12.

Coach Craig Rogers has a young team, with seven seniors and five starters back from last fall, when the Lions were 2-7.

CBHS had 12 first downs, the Chargers seven.

Depth + Speed = Menace
Charger Coach Jeff McFerran (46-13, 780) has seen success feed on success.

He had about 50 players last season. This fall, he has 70. And he has speed, so the Chargers prefer the ground game.

Leading it is senior Darron White, who went into last week's game with a per game average of 340 yards rushing and 424 total.

Back from last year are nine other starters on offense and eight on defense.

The Chargers have scored 335 points this year, to 82 for foes.

Two wins came from 5-A teams, Memphis Central, 43-19, and Millington, 21-7.

Other wins were from Dyer County, 64-0, Obion County, 34-0, Munford, 46-14, Brighton, 47-6, Memphis Kingsbury, 47-0, and Martin Westview, 26-19.
